Letter to Mr. Peterson, Vice President of the Federal Reserve Bank of St. Louis, reading as follows:
"Reference is made to your letter of April 23, 1946, submitting a certified copy of a resolution adopted by the board of directors of the 'Jefferson Bank and Trust Company', St. Louis, Missouri, signifying its intention to withdraw from membership in the Federal Reserve System and the bank's request for waiver of the six months notice usually required.

The Board of Governors waives the usual requirement of six months notice, as requested. Accordingly, upon surrender of the Federal Reserve Bank stock issued to the Jefferson Bank and Trust Company, the Federal Reserve Bank is authorized to cancel such stock and make appropriate refund thereon.

"Please advise the Board of Governors when cancellation is effected and refund is made. The Certificate of Membership issued to the bank should also be obtained, if possible, and forwarded to the Board. State banking authorities should be advised promptly when the bank's withdrawal from membership has been effected and given the reasons therefor, if desired."

Approved unanimously.

Letter to "The First National Bank of Franklin County at Decherd", Decherd, Tennessee, reading as follows:

"This refers to the resolution adopted on April 17, 1946, by the board of directors of your bank, signifying the bank's desire to surrender its right to exercise fiduciary powers heretofore granted to it.

"The Board, understanding that your bank has never accepted or undertaken the exercise of any trust, has issued a formal certificate to your bank certifying that it is no longer authorized to exercise any of the fiduciary powers covered by the provisions of section 11(k) of the Federal Reserve Act, as amended. This certificate is enclosed herewith.

"In this connection, your attention is called to the fact that, under the provisions of section 11(k) of the Federal Reserve Act, as amended, when such a certificate has been issued by the Board of Governors of the Federal Reserve System to a national bank, such bank (1) shall no longer be subject to the provisions of section 11(k) or the regulations of the Board of Governors of the Federal Reserve System made
"pursuant thereto, (2) shall be entitled to have returned to it any securities which it may have deposited with the State authorities for the protection of private or court trusts, and (3) shall not exercise hereafter any of the powers granted by section 11(k) without first applying for and obtaining a new permit to exercise such powers pursuant to the provisions of section 11(k)."

Approved unanimously.

Letter to Mr. Phelan, Vice President of the Federal Reserve Bank of New York, reading as follows:

"This is in reply to your letter of April 1, 1946, relative to the suggestion of the Industrial Bank of Commerce, New York, New York, that Regulation W be amended to exclude from the list of articles pleasure boats costing in excess of $1,500 to $2,000.

"As you know, it has been our expectation that all boats, as well as a number of other items, could at some appropriate time be removed from the list of articles. Conditions at present, however, would certainly not appear to make that possible, and, as you suggest, the removal of pleasure boats would be especially difficult to justify, considering the state of the market for them."

Approved unanimously.

Thereupon the meeting adjourned.

Chairman.

Secretary.
