Memorandum dated August 8, 1950, from Mr. Kenyon, Assistant Secretary of the Board, recommending that, in connection with the forthcoming trip of Mr. Marget, Director, Division of International Finance, to Paris and Brussels, approved by the Board on July 20, 1950, he be allowed actual and necessary transportation expenses plus per diem in lieu of subsistence at the rate of $13.00 while he is away from Washington, D. Letter to Mr. Schlaikjer, Vice President and General Counsel of the Federal Reserve Bank of Boston, reading as follows:

"This refers to your letter of July 25, 1950, with its enclosures, requesting an expression of the Board's views with respect to a proposed form of advertisement, submitted by the Boston Safe Deposit and Trust Company,
"relating to the administration of its Common Trust Fund 'A'. The Board considers it inappropriate to give approval or disapproval to proposed advertisements relating to Common Trust Funds and, therefore, will not express an opinion on the advertisement enclosed with your letter.

"The purpose of Section 17 of Regulation F, as stated in Subsection (a) thereof, 'is to permit the use of Common Trust Funds...for the investment of funds held for true fiduciary purposes; and the operation of such Common Trust Funds as investment trusts for other than strictly fiduciary purposes is hereby prohibited.' Banks administering Common Trust Funds should use special care in the preparation or approval of advertising copy relating thereto to see that advertisements are, in every way, compatible with the above-quoted purposes. As you have clearly indicated in your letter of May 24 addressed to the subject institution, advertising, which fails to emphasize the requirement that Common Trust Funds shall be used solely for the collective investment of the funds of bona fide fiduciary accounts, may be considered inconsistent with the purposes for which such funds were authorized and, therefore, inconsistent with the restrictions relating to publicity contained in the third paragraph, Section 17(a), of Regulation F as amended.

"In this connection, you are undoubtedly familiar with the statement of policy approved by the Executive Committee of the Trust Division of the American Bankers Association on February 5, 1945, titled 'What the Public Should Be Told About Common Trust Funds By Institutions Operating Such Funds', Article I of which contains the statement: 'In all advertisements it should be made clear that use of the fund is limited to bona fide trusts administered by the trust institution.'"

Approved unanimously.

Assistant Secretary.
