Letter to Mr. Clarke, Secretary, Federal Reserve Bank of New York, reading as follows:

"Thank you for your letter of September 2, 1952, with reference to Mr. Philip J. Glaessner, an economist in the Research Department of your Bank,"
"Who had been granted one year's leave of absence without pay from about August 15, 1951, to become Economic Officer on the permanent Brazil-United States Commission for Economic Development. It is noted from your letter that, since it now appears that additional time will be necessary to enable Mr. Glaessner to finish his assignment in Brazil, he has been granted a six months' extension of this leave.

"In the circumstances, the Board of Governors interposes no objection to the extension of leave granted Mr. Glaessner."

Approved unanimously.

2. The adequacy of its capital structure,
3. Its future earnings prospects,
4. The general character of its management,

Letter to Mr. Stetzelberger, Vice President, Federal Reserve Bank of Cleveland, reading as follows:

"In view of the recommendation contained in your letter of September 10, 1952, the Board of Governors extends to February 1, 1953, the time within which The Commercial Banking & Trust Company, Wooster, Ohio, may accomplish withdrawal of membership pursuant to the waiver granted by the Board on May 21, 1952.

"In this connection your attention is called to section 10(c) of Regulation H, as amended, effective September 1, 1952, which now allows a State member bank eight months after notice of intention to withdraw in which to effect such withdrawal, regardless of whether the Board has waived the six months' notice required by statute for immediate withdrawal."

Approved unanimously.

Letter to Mr. Robert J. Kiesling, President, Camden Trust Company, Camden, New Jersey, reading as follows:

"Reference is made to your letter of September 5, 1952, requesting an opportunity to discuss the conditions imposed in connection with the consent of the Board of Governors pursuant to the provisions of section 10(c) of the Federal Deposit Insurance Act to the absorption of The Citizens National Bank of Collingswood by the Camden Trust Company, and approval of the establishment of a branch in Collingswood, New Jersey, by the Camden Trust Company.

"It is noted that necessary action to comply with the conditions under which the consent and the approval of the Board were granted was not taken at the time the transactions were effected and immediate compliance is requested.

"Governor Robertson will be glad to discuss the matter with you. Please advise as to when you would like to have the discussion with a view to fixing a mutually satisfactory date and hour."
