Several other staff members from the Research and International Finance Divisions also attended the meeting during the economic presentation that was the first order of business.

Projection of economic developments. Messrs. Brill, Weiner, and Sigel of the Division of Research and Statistics presented, with the aid
of graphic material, a possible pattern of economic developments as they might unfold in 1962, based on the pattern of output and income assumed in connection with the calculation of Federal budget prospects recently released in the form of the Administration's autumn budget review. It was understood that copies of the text of the presentation and related tabulations would be distributed to the members of the Board.

All of the members of the staff except Messrs. Sherman, Kenyon, Fauver, Hackley, Noyes, and Leavitt then withdrew.

Items circulated to the Board. The following items, which had been circulated to the members of the Board and copies of which are attached to these minutes under the respective item numbers indicated, were approved unanimously:

1. Letters to The Chase Manhattan Bank, New York, New York, approving an extension of time in which to establish branches at 2218 Fifth Avenue and 200 East 57th Street.
3. Letter to The Morrill and Janes Bank, Hiawatha, Kansas, approving an investment in bank premises.
4. Letter to the Federal Deposit Insurance Corporation regarding the application of First State Bank of Uvalde, Uvalde, Texas, for continuation of deposit insurance after withdrawal from membership in the Federal Reserve System.
Letter to United California Bank, Los Angeles, California, approving an extension of time in which to establish a branch at 10800 Van Ness Avenue, San Francisco.

Letter to The Cleveland Trust Company, Cleveland, Ohio, approving the establishment of a branch at 38 Main Street, Chagrin Falls, Cuyahoga County.

Letter to Bank of Idaho, Boise, Idaho, approving the establishment of a branch in the vicinity of U.S. Highway 95 immediately outside the corporate limits of Sandpoint.

Federal Advisory Council topics. There had been distributed a draft of letter to the Secretary of the Federal Advisory Council suggesting topics for consideration at the meeting of the Council on November 20, 1961, and at the joint meeting with the Board on the following day.

Upon review of the proposed letter, there was a discussion regarding the manner of presentation of topics that might be most conducive to fruitful discussion at joint meetings of the Board and the Council. Several suggestions were made as to how the topics for the forthcoming meeting might be phrased with that objective in mind, and it was understood that a revised draft of letter reflecting these suggestions would be prepared for consideration at a subsequent meeting of the Board.

The members of the staff then withdrew and the Board went into executive session.

Travel authorization. The Secretary was informed later that during the executive session the Board authorized Mr. Young, Adviser to the Board and Director, Division of International Finance, to travel to
Paris, France, during the period November 15-18, 1961, to attend an OECD Ministerial Meeting, with the understanding that actual expenses incurred on the trip, including official entertainment, would be allowed.

The meeting then adjourned.
