Minutes of the Board of Governors of the Federal Reserve System on Monday, July 6, 1964. The Board met in the Board Room at 10:00 a.m.

PRESENT: Mr. Martin, Chairman  
Mr. Balderston, Vice Chairman  
Mr. Mills  
Mr. Robertson  
Mr. Shepardson  
Mr. Daane  

Mr. Sherman, Secretary  
Mr. Kenyon, Assistant Secretary  
Mr. Broida, Assistant Secretary  
Mr. Young, Adviser to the Board and Director, Division of International Finance  
Mr. Noyes, Adviser to the Board  
Mr. Molony, Assistant to the Board  
Mr. Fauver, Assistant to the Board  

Messrs. Furth, Hersey, Sammons, Reynolds, Wood, Emery, Gekker, Gemmill, Maroni, Nettles, and Swerling of the Division of International Finance  

Economic review. The Division of International Finance presented a review of international financial developments, following which the Division of Research and Statistics summarized domestic business and financial conditions. Elements of the weekly money market review, which was not presented to the Board on Friday, July 3, because of the holiday, were included in the presentation. A summary of monetary developments in the five weeks ended July 1, 1964, was distributed.

Following discussion based on the foregoing review, all members of the staff who had been present except Messrs. Sherman, Kenyon, Noyes, and Fauver withdrew from the meeting and the following entered the room:
Discount rates. The establishment without change by the Federal Reserve Banks of New York, Philadelphia, Chicago, Minneapolis, Kansas City, and San Francisco on July 2, 1964, of the rates on discounts and advances in their existing schedules was approved unanimously, with the understanding that appropriate advice would be sent to those Banks.

Report on competitive factors (Jefferson-Rock Creek, Ohio). A report to the Federal Deposit Insurance Corporation on the competitive factors involved in the proposed merger of The Citizens Banking Company of Rock Creek, Rock Creek, Ohio, into The Jefferson Banking Company, Jefferson, Ohio, was approved unanimously for transmittal to the Corporation. The conclusion read as follows:

While the proposed merger of The Citizens Banking Company of Rock Creek into The Jefferson Banking Company would eliminate a small amount of competition existing between the two banks, the over-all effect of the proposed merger on competition would not be adverse.

Simplified version of System booklet. Governor Shepardson and Mr. Noyes commented on the work that had been done on a consulting basis by Miss Susan S. Burr and Professor William Davenport in developing a simplified booklet dealing with the purposes and functions of the Federal Reserve System. After describing some of the problems that had been encountered, they suggested that if the Board was still interested in
the project Mr. Noyes would attempt a further draft, of somewhat more limited dimensions, such draft then to be submitted to Professor Davenport for editing.

It was the view of the Board that work on the project should continue in the manner proposed. When Mr. Noyes indicated that he would welcome comments and suggestions by any members of the Board who might care to review the drafts thus far prepared, Governors Robertson and Daane responded that they would read the drafts and pass along their suggestions.

The meeting then adjourned.
