due to a few banks converting from guaranty fund to bond security plan prior to change in law in 1925. Names of such cases, with no lists available, cannot be determined after change of law in 1925.

14 Difference from Commissioner's report as to 1920. See over in 1920.

15 Difference from Commissioner's report as to 1921. Bankers Trust Co. - Waco

16 Difference from Peach's figure probably due to two banks becoming guaranty fund banks between 9/31/21 and 12/31/21 (two of the following: Marble Falls, Yokesville).
 17 Difference from Commissioner for 9/31/22 is Temple Trust. Peach's larger number than Commissioner's for 9/31/22 may be

4) Continued. Re court for 12/31/20. Court used here includes all three new members (Austwell; ^{Garrett} Houston; ^{Clayton} Clustin) that first appear in Commissioner's list as of Aug 31, 1921 - on assumption that they opened (as reported in Director's list for 12/31/20; but excludes three which still appear in Commissioner's list for Aug 31, 1921, which are not listed in Director's for 12/30/20 (Houston, Bankers Trust; Galveston, Security Trust; and Temple, Temple Trust).

5) Continued. Re court ad deposits for 12/31/21. Presumably two of the four (Hutto, Italy, North Falls, Yonkers) should be excluded as of 12/31/21. Hutto & Italy - with the median deposits - arbitrarily chosen for exclusion in ~~total~~ deposits.

From mid-1925 includes "individual deposits bearing interest" - not previously separately reported

Includes savings and time deposits, individual deposits bearing interest, and State and other public funds. Total was probably actually larger than figure given because part of "due to banks and bankers" was borrowings or interest-bearing securities.

The following four banks were probably members of the guaranty fund system as of Dec. 31, 1926. They are on the Dept list of banks that withdrew between Sept 29, 1926 and Feb 11, 1927. They are also shown as having title change in the July 1927 Red McCall's Directory - thus indicating - but not proving - that the withdrawal was probably in 1927.
