Reserve Bank Organization Committee,
Washington, D. C.

Gentlemen:

Upon learning of the various cities which your committee has designated for the regional banks, we immediately wired you that we desired our membership placed in the Kansas City district, as this is much more convenient for us. We are on a direct line and this being a cattle country, most of our live stock is shipped to Kansas City and in fact, we have more business with Kansas City than any other point.

We would dislike very much to be placed in the Dallas, Tex. district and if you can see your way clear to putting us in the Kansas City district, we will appreciate it very much.

Yours very truly,

Earl George

Cashier.
