FEDERAL RESERVE BOARD FILE
122-301

Dear Sir:-

In the matter of reversing your decision regarding the location of the Reserve Bank, I pray you to not appoint Pittsburgh, instead of Cleveland, for the reasons set forth in my lengthy letter at the time the several delegations were before you; the petitions and prayers of Mark Given, Geo R. McCune, Andy Mellogg and the Pittsburgh Chamber of Commerce, et al, to the contrary notwithstanding, and we shall ever pray,

Yours truly,

J. J. Mahoney

Dear Sir:-

At a largely attended meeting of the Chamber of Commerce of Pittsburgh, held April 9, 1914, the following resolutions, presented by the Chamber's Committee on Finance and Banking, were unanimously adopted:

WHEREAS, In the establishment of the Regional Bank Districts provided for under the new currency law, Western Pennsylvania is included in the Cleveland Regional Bank District, and

WHEREAS, it has come to the knowledge of the Chamber of Commerce of Pittsburgh that the banking institutions, comprising Groups No. 7 and 8 of the Pennsylvania Bankers' Association representing the banking interests of Western Pennsylvania, intend to make application to the Reserve Bank Organization Committee to so modify the plan as to permit of the banking institutions of Western Pennsylvania being included in the District, the Regional Bank of which is located at Philadelphia, and

WHEREAS, such application is made for the reason that the natural trend of the business of the banking institutions of Western Pennsylvania is away from the City of Cleveland and towards Philadelphia and the East, and

WHEREAS, such re-arrangement would be of great advantage and benefit to the banking and voluminous business interests of Western Pennsylvania, be it therefore

RESOLVED, That the Chamber of Commerce of Pittsburgh strongly endorses the proposed application and respectfully urges upon the Reserve Bank Organization Committee that it make the necessary modifications of the plan so as to include Western Pennsylvania in the Philadelphia Regional Bank District.

Yours very truly,

W. J. ...
Secretary.

Dear Sir:

Our Mr. Merrill Requests me to ask if our bank cannot be transferred to Federal Reserve Bank at Philadelphia, instead of Cleveland.

Our reason for this is we have very little business with Cleveland and since Pittsburgh was not selected as one of the Reserve cities, we would much prefer to be attached to District No. 3.

Trusting you can grant our request without inconvenience to yourself, we are,

Very sincerely yours,
