### BANK SUSPENSIONS SINCE JANUARY 1, 1921

Report on a separate schedule each bank closed to the public either temporarily or permanently by supervisory authorities or by the bank's board of directors on account of financial difficulties. This form should not be used for merged or consolidated banks but should be used for those banks suspended on account of financial difficulties, even though they are subsequently taken over by other institutions. In case a bank has suspended more than once a schedule should be made out for each suspension.

Type of bank reported—check appropriate one of the following

- National bank
- State bank
- Trust company
- Stock savings bank
- Mutual savings bank
- Private bank
