FEDERAL RESERVE BANK OF SAN FRANCISCO

June 9, 1933.

To Member and Nonmember Clearing Banks of the
Federal Reserve Bank of San Francisco.

Dear Sirs:

Since March 22, 1933, we have been forwarding to you each week supplements to our "List of Banks in the Twelfth Federal Reserve District Licensed to Resume Banking Operations."

As the primary purpose of the printed list, and weekly supplements thereto, was to provide current information during the period in which banks were being re-opened in substantial numbers, it is felt that due to the comparatively few banks remaining unlicensed in this district, the distribution of supplements may be discontinued at this time. Therefore, no supplements will be issued subsequent to Supplement No. 4, dated June 7, 1933, enclosed with this letter.

Yours very truly,

JNO. U. CALKINS

Governor.

FEDERAL RESERVE BANK OF SAN FRANCISCO

March 22, 1933.

TO BANKS, BANKERS, TRUST COMPANIES,
AND OTHERS CONCERNED IN THE TWELFTH
FEDERAL RESERVE DISTRICT.

Dear Sirs:

There is enclosed a circular letter containing regulations relating to foreign exchange transactions and balances.

If you carry accounts in any foreign country, or carry, on your books, accounts owned outside the United States please inform us and we shall immediately forward to you the necessary forms for making reports.

Drawings made through the facilities of other banks in the United States need not be reported to the Federal Reserve Bank of San Francisco by the drawing bank, but should be reported by the bank extending the facility.

Each bank is requested to transmit promptly to the Federal Reserve Bank of San Francisco, at San Francisco, California, the names and addresses of all of its customers whose transactions are known to fall within the scope of the circular, in order that necessary instructions may be sent them.

Yours very truly,

Governor.

**FEDERAL RESERVE BANK
OF SAN FRANCISCO**

MARCH 22, 1933

**TRANSACTIONS
IN FOREIGN EXCHANGE**

470.01 (12)

**To Banks, Bankers, Trust Companies, and Others Concerned in
the Twelfth Federal Reserve District.**

DEAR SIRs:

Section 2 of the Act of March 9, 1933, entitled "An Act to provide relief in the existing national emergency in banking, and for other purposes", amended subdivision (b) of Section 5 of the Act of October 6, 1917 (40 Stat. L. 411), as amended, to read as follows:

"(b) During time of war or during any other period of national emergency declared by the President, the President may, through any agency that he may designate, or otherwise, investigate, regulate, or prohibit, under such rules and regulations as he may prescribe, by means of licenses or otherwise, any transactions in foreign exchange, transfers of credit between or payments by banking institutions as defined by the President, and export, hoarding, melting, or earmarking of gold or silver coin or bullion or currency, by any person within the United States or any place subject to the jurisdiction thereof; and the President may require any person engaged in any transaction referred to in this subdivision to furnish under oath, complete information relative thereto, including the production of any books of account, contracts, letters or other papers, in connection therewith in the custody or control of such person, either before or after such transaction is completed. Whoever wilfully violates any of the provisions of this subdivision or of any license, order, rule or regulation issued thereunder, shall, upon conviction, be fined not more than \$10,000, or, if a natural person, may be imprisoned for not more than ten years, or both; and any officer, director, or agent of any corporation who knowingly participates in such violation may be punished by a like fine, imprisonment or both. As used in this subdivision the term 'person' means an individual, partnership, association, or corporation."

The Executive Order of the President, dated March 10, 1933, issued under the authority of the foregoing Act reads in part as follows:

"Until further order, no individual, partnership, association, or corporation, including any banking institution, shall export or otherwise remove or permit to be withdrawn from the United States or any place subject to the jurisdiction thereof any gold coin, gold bullion, or gold certificates, except in accordance with regulations prescribed by or under license issued by the Secretary of the Treasury.

"No permission to any banking institution to perform any banking functions shall authorize such institution to pay out any gold coin, gold bullion or gold certificates except as authorized by the Secretary of the Treasury, nor to allow withdrawal of any currency for hoarding, nor to engage in any transaction in foreign exchange except such as may be undertaken for legitimate and normal business requirements, for reasonable traveling and other personal requirements, and for the fulfillment of contracts entered into prior to March 6, 1933.

"Every Federal Reserve Bank is authorized and instructed to keep itself currently informed as to transactions in foreign exchange entered into or consummated within its district and shall report to the Secretary of the Treasury all transactions in foreign exchange which are prohibited."

TRANSACTIONS IN FOREIGN EXCHANGE

AS USED HEREIN

- the word "person" in these regulations means any individual, partnership, association or corporation;
- the term "dealer in foreign exchange" means any person engaged primarily or incidentally in the business
 - (1) of buying, selling or dealing in foreign exchange, or
 - (2) of buying, selling or dealing in securities for or through foreign correspondents, or
 - (3) any person who carries accounts or securities with or for foreign correspondents.
- the term "foreign exchange" means checks, drafts, bills of exchange, cable transfers, or any form of negotiable or assignable instrument, or order used
 - (a) to transfer credit or to order the payment of funds in any foreign country, or
 - (b) to transfer credit or to order the payment of funds within the United States for foreign account.
- the word "foreigners" means all those who, whatever their nationality, are physically outside the United States. Thus, for example, foreign branches of American banks should be regarded precisely as if they were separate foreign banks.

The Executive Order of March 10, 1933, prohibits all transactions in foreign exchange except such transactions as may be undertaken

- (a) for legitimate and normal business requirements,
- (b) for reasonable traveling and other personal requirements, and
- (c) for the fulfillment of contracts entered into prior to March 6, 1933.

In order that the Federal Reserve Bank of San Francisco may keep itself currently informed as to transactions in foreign exchange entered into or consummated within the Twelfth Federal Reserve District and may report to the Secretary of the Treasury all transactions in foreign exchange which are prohibited, the Federal Reserve Bank of San Francisco hereby requires dealers in foreign exchange doing business in the Twelfth Federal Reserve District

- (1) to obtain from each person to whom they sell foreign exchange directly or indirectly (and retain for future reference if required) a written declaration signed by such person describing the purpose for which the foreign exchange is purchased and certifying that the transaction in no way contravenes the Act of March 9, 1933, the Executive Order of March 10, 1933, or any regulation issued thereunder,
- and (2) to file with the Federal Reserve Bank of San Francisco written reports which will show the foreign exchange position of such dealers at any given time. **For the present such reports are required only from dealers who carry their own accounts abroad and/or who carry accounts here on their books for foreigners.**

Forms on which reports may be made will be supplied upon request.

The Executive Order of March 10, 1933, permits foreign exchange transactions for the fulfillment of contracts entered into prior to March 6, 1933. To enable the Federal Reserve Bank of San Francisco to examine such contracts each dealer in foreign exchange doing business in the Twelfth Federal Reserve District is directed to forward to the Federal Reserve Bank of San Francisco a detailed list of all foreign exchange contracts entered into by him prior to March 6, 1933, for the delivery of foreign exchange after that date. This list should classify contracts by currencies and should show the maturity of each contract. The dealers should advise the Federal Reserve Bank of San Francisco in writing as such contracts are fulfilled.

If any dealer in foreign exchange in the Twelfth Federal Reserve District is in doubt as to whether a particular transaction comes within the terms of the Act of March 9, 1933, the Executive Order of March 10, 1933, and the regulations issued thereunder, such dealer should submit the question to the Federal Reserve Bank of San Francisco.

All inquiries, reports, etc., should be submitted to the Federal Reserve Bank of San Francisco at San Francisco, California.

Yours very truly,

FEDERAL RESERVE BANK OF SAN FRANCISCO

By

Governor.
