My dear Sir:

I beg to acknowledge receipt and thank you for your courtesy in forwarding to the Committee the map indicating the territory from which receipts at Chicago originate. The map will be carefully considered.

Very truly yours,

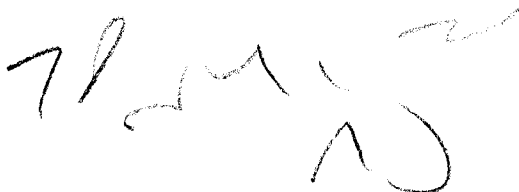

Secretary

Mr. J. C. Merrill,
Secretary, Board of Trade,
Chicago, Illinois.

Board of Trade of the City of Chicago.
Secretary's Office.

Chicago, January 29, 1914

Honorable David S. Houston,
Secretary of Agriculture,
Washington, D. C.

My Dear Sir:

Inclosed please find map you handed to our President Canby, with request that he show on it the outlines of the territory from which the receipts at this market originate. I am somewhat in doubt as to just what you want marked on this map, but have caused lines to be drawn in red ink showing the territory in which this commerce originates and the territory to which it goes, that going to the seaboard, in part, continuing to foreign countries.

If this does not give you the information you desire, if you will instruct me as to just what you want I shall take great pleasure in observing your directions as far as I am able to do so.

Respectfully,

Secretary.

Board of Trade of the City
of Chicago.
