SEP - 9 1942

926 West Willow Street

September 7, 1942

Mr. Richard Abe
3-102-E
Stockton Assembly Center
Stockton, California

Dear Mr. Abe:

Referring to our conversation at the Center on September 3 with regard to amount claimed to be due you from Robert Thorsen for 15 days' farm labor performed by you and your father, Frank Abe, at the rate of \$5.00 per day, the work in question having been done after the closing of the ranch deal between you and Mr. Thorsen.

In our efforts to be of assistance to you we have interviewed both Mr. Thorsen and Mr. David Gilhoolley regarding the matter. Mr. Thorsen claims that he does not owe this account. Mr. Gilhoolley states that he agrees with Mr. Thorsen's attitude for the reasons that, first, Mr. Thorsen paid for the labor of a hired hand on the ranch for work performed before the property was taken over from you, and second, that farm equipment was not in condition as represented, with particular reference to a cracked motor head, and third, that your father was and is highly pleased with Mr. Thorsen's actions in completing the transaction.

If, after consultation with your father, it is still evident that the above item of \$75.00 is still due you, we would suggest a meeting between you, your father, and Mr. Thorsen.

Regarding the other case involving the amount of \$650.00 acknowledged to be due your father in the deal between Mrs. Okuna and Pierce & Berry and Frank Abe, Attorney Hubert Briggs believes that there is no risk of nonpayment to your father, regardless of the Lowell Berry letter of June 4. Mr. Briggs states that the entire transaction is in your father's name, and that no definite consideration has arisen to complicate the performance of the contract.

Very sincerely yours,

L. S. Weeks

Dear Sir:

In your three letters dated July 2, 1943, in connection with the above named actions, you inquired what arrangements were made for protecting the interests of the Japanese owners of the land in question and information as to the disposition of the land since their evacuation.

It is our understanding that the property affairs of these persons were placed in the care of Mr. L. M. Tynan of the Tynan Lumber Company in Salinas, at the time of their evacuation. Our files provide no detailed information as to any subsequent disposition of the property, and while we shall be pleased to make whatever information we have available to you, it is believed that your purposes might best be served by communicating with Mr. Tynan.

In view of the fact that the property protection problems of evacuees are now under the jurisdiction of the War Relocation Authority, you may wish to communicate further with the Evacuee Property Division of that Agency.

Yours very truly,

Gentlemen: RE: YOSHIMASU YAMASHITA & MASU YAMASHITA ABE

Mr. D. D. Noggle who had the power of attorney for these people has been called into the armed services, consequently, the Yamashita and Abe interests have revoked his power of attorney to which Mr. Noggle has consented by acknowledging same before a notary.

The evacuees' interests have selected and appointed L. M. Tynan as power of attorney. The papers have been handed to us for copying and they seem to be in good order and have all been acknowledged. It is my understanding that it is not the present intention of Mr. Tynan to have the paper recorded. This change-over is as of June 17, 1942.

Mr. Tynan is one of the main owners and the manager of the Tynan Lumber Company in Salinas and also a director in various other corporations.

A. E. Warth, Attorney at Law, has prepared all these papers above referred to.

Yours very truly

Dear Mr. Tynan:

We are returning herewith the papers left us this morning for copying, namely the power of attorney to you from Yamashita and Abe interests and revocation of power of attorney and acknowledgement of same to Mr. Noggle.

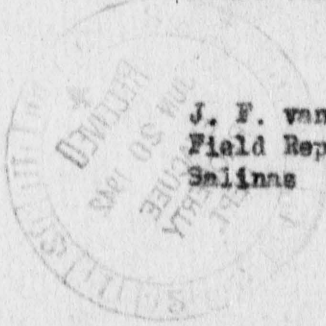

Please be advised that we have copies of these papers placed in our files and will be glad to hear from you if some problems come up for these evacuees that you would like to consult with us about.

We have seen these evacuees several times and they appeared to be satisfied with the efforts made in their behalf by your Mr. Noggle and we are quite sure that they should continue to be well served. If there is anything we can do to assist you at any time, do not hesitate to telephone or come in.

I appreciate your interest in offering to help get a settlement for Shinn Yamashita in his claim against the California Housing Corporation and will telephone Mr. Pioda next week and see what arrangement the Company wishes to make in order to take care of this, so I can tell Yamashita before he leaves.

Principal property involved and scope of problem: Yoshimasu Yamashita and Masu Abe have given D. D. Noggle P. of A. to handle for them various improved and unimproved properties in and near the City of Salinas which they own, some divided and some undivided, subject to 4 deeds of trust to the Salinas Valley Building & Loan Assn. P. of A. was prepared by their lawyer, A. E. Warth of Salinas. Mr. Noggle was here with a list of properties showing the indebtedness under each deed of trust totaling about \$22,000, which has been paid down to about \$21,000. The payments have been kept up fairly well and are paid up to March 1, 1942.

These properties are all on the North side of East Market Street, inside the city limits and some outside the city limits and include about 8 acres of farming land adjoining the city limits. It is estimated that this rent roll by Noggle and Mrs. Abe will amount to close to \$600 a month when everything is rented and the payments due the B. and L. are \$355 a month plus taxes and interest and the farming land should bring in several hundred dollars a year in addition. This P. of A. has been prepared by Mrs. Abe's attorney, Warth, and all these proceedings have his approval. Mr. Noggle is an employee of Tynan who is Pres. of the B. & L. and also of the lumber co. here

Action taken: * and we feel that this property should be in good hands under the circumstances.

ACTION: We have placed copy of P. of A. in their folder and Noggle has promised to bring in a list of the properties and a map showing them which we will put in the folder.

These evacuees also had another property deal with a man named Hebron which has been terminated at a more or less complete loss to them but this was done a couple of months ago and neither of them wish to reopen the matter. Mrs. Abe appears to be a pretty sensible woman and she now is in pretty good hands. They are planning to extend some of their ground leases so as to be able to make better sub-leases. This seems to have the approval of all the principals, attorneys, & banks involved and would appear to be wise under the circumstances.

Address: a well known real estate dealer

Telephone Number: 7902

Principal property involved and scope of problem: Mrs. Abe brought in a P. of A. to Kenneth Coutchie for her and her brother, Yoshimasu Yamashita, on 3 leases and some property under mortgage, which Mr. Coutchie will handle for them with the aid of the Salinas National Bank who hold a mortgage on part of the property which is owned.

The Hambey lease on East Market Street is a ground lease on which the tenant owns the improvements with about 5 more years to run, at \$110 per month on the south side of Market St. between Pajaro and the alley. The lease is all paid up to date and it is expected when the property is fully occupied it will return about \$300 a month. Next is the White lease on the North side of E. Market, #31, 33 & 35 from Pajaro West, on which they are paying \$100 a month with 3 years to run. It is hoped that this property will bring in \$104 a month when rented.

On Sun St. there are some houses and lots and a house at the rear of #18. Part of this property is owned, subject to a mortgage of \$2,800 to the Salinas National Bank. Mrs. Abe is alone in this ownership. Some of this has been sold to some Filipinos who are paying directly to the bank.

The land that is not being sold, her brother Yamashita is part owner of.
Action taken.

Their attorney, Warth, has the matter in charge and is conferring with Coutchie who has the P. of A. and between them and the bank, they expect to work this property out in pretty good shape. Mrs. Abe and Yamashita ~~was~~ also own some other ground lease which he is putting in charge of another person with P. of A. and will report that this afternoon or tomorrow.

The agreement mentioned with Myers (4/2/42) has been signed and the deeds to the lots are being recorded. Mr. Theille was in and left copy of the agreement cancelling the contract between Myers & Yamashita so that Mrs. Abe and her brother can now deed these lots to the other claimants mentioned 4/2/42, which I understand they intend to do.

Principal property involved and scope of problem: Evacuee leases a farm from Peter Dolan of Salinas on the Blanco Road, about 65 acres, on which at present there are about 15 acres of lettuce just thinned, the balance he expects to plant in beets. Lessees another 40 acres from W. H. Paulsen of the Spreckels Sugar Co. in the Santa Rita district, all planted to lettuce which does not look very good and should have been thinned sometime ago. Evacuee has had money troubles and Filipino troubles. He does not appear to be able to make a satisfactory sub-lease on either place and his landlords do not care to buy him out. Owes about \$1,200 for fertilizer and has payment coming due on his engine and no money. Has paid the first installment of rent on both places amounting to \$1,650. Next semi-annual payment will be due about June 1st and there will be little income before then. Abe has been on the Dolan place 5 years.

4-10-42. Abe was in this morning but has nothing definite to report yet. His lettuce on the Paulsen place doesn't appear to be worth saving and he will probably have to disc it up and make arrangements to plant beans or tomatoes or something else, or turn it back to the landowner on the best terms he can make. The F.S.A. is working with him and the landowners to help him make some kind of settlement which is fair. He has not done a great deal of work and is not in a very good bargaining position. He left

Action taken: *without telling us about his own place which he owns and which he is trying to lease. My understanding is that he owes some money on it and we will get the details from him. This man is the husband of Masu Abe who was a Yamashita. She has been in here reporting several deals with and without her brother, Yamashita. Their father is a Japanese also in custody.

Dolan, one landowner, was in and he reports being willing to let Abe sell his 15 acres of lettuce planted on the place and pay him for his cost of preparing the land which is to go to beets, which would appear to be fair enough. The lettuce on the Paulsen place looks so poorly that Abe has disced it up and the new tenant will get a piece of bare ground which he can plant to tomatoes, beans or other crop with half the rent paid. attempt is being made to work a deal out for Abe with Paulsen on this place.

Abe reports that he owns 40 acres on the Hitchcock Road near Salinas which is intensively irrigated land. He is growing lettuce, beets, beans, etc. He bought this land in 1930 for about \$16,000. At the present time the balance due is \$10,200. His contract calls for \$1,200 a year plus taxes and interest.

4-14-42

He has this place rented for cash to John Brazil living on the Monterey Road, a neighboring farmer, with his equipment for \$60 an acre which will more than take care of the interest, taxes and payments. He claims this property stands in his name alone and his wife, Masu Abe, has no interest in it. We talked at some length about how he intended to have his property handled after he left and he finally stated he would give the P. of A. or trusteeship to the Monterey Co. Bank or to his attorney, Warth, or someone designated by either one of these 2. Phoned Warth and he reported complete transaction.

Principal property involved and scope of problem: Mrs. Abe, the sister of above young man who was drafted into the army last year and has just been discharged in the east and made his way out here, came in to report this transaction because she is the brains of the family and really does all the business. Her father and his father is in custody in North Dakota. This boy owns some property on the corner of Pajaro and E. Market (N.W.) on which he owes about \$5,000 to the Salinas Valley Bldg. & Loan Co. A. E. Warth is the attorney. A part of this property is to be leased to a Filipino named Stanley Rigunay Bx 1555, Salinas, who has been in this country 16 years, for \$30 per month. Mrs. Abe and Yamashita with the help of their attorney, are making K. G. Coutchie, a local real estate broker, their attorney in fact to handle their properties.

Action taken: * This seems to be a good deal and has the approval of all parties concerned. Mrs. Abe promised to bring in a statement of the other properties and leases which she and her brother have here so that we will know the facts. Warth and Coutchie are to handle all their interests which are considerable.

Rigunay gives Monterey Co. Bank and the Bank of A. as references, who report that he should be able to carry on.

Principal property involved and scope of problem: Mrs. Abe is the sister of Yoshimasu Yamashita, an American citizen born in California in 1916 who last came from Japan in 1929. He is single and was drafted last June and released from the army February 24th from Fort Lewis, 2 days after his father was taken into custody - now in North Dakota.

I have spent several hours at different times with these 2 people and with their friends and associates, a list of whom follows - and with their lawyer, W. C. Theile.

Yoshimasu Yamashita made a purchase contract a couple of years ago with Frank S. Myers of the Salinas Valley Ice Co. to purchase 45 lots in what is known as the Sausal Subdivision on East Market Street here in Salinas. When this boy was drafted last year he assigned his contract to his sister Masu Yamashita Abe and also deeded her the property and recorded the deed although of course he had no title. Mr. Myers refused to accept the assignment; the contract was then in arrears and has been becoming more so until at the present time it is more than \$5,000 in arrears. The total purchase price was to be about \$20,000 of which about \$10,000 has been paid and out of those 45 lots, 10 have been released and deeded to various parties; Mrs. Abe received 2 of them.

Mr. Theile has been working on this deal for a long time with Mr. Myers and as it appears that these people are going to be unable to make any further payments or to keep up the interest and taxes, Theile has persuaded Myers to deed 8 additional lots on the back street to these people. This was the agreement yesterday. Today I hear that there may be something wrong with this and Myers may not be willing to go through with it and Theile will keep me posted.

There appear to have been 7 other Japanese who put money into this deal through Yamashita, Senior before the deal was made with Myers but the latter knew nothing about this and we have not found anything in writing to bear this out.

However, they are all agreed on the facts and the amounts of money subscribed. We all had a long conference in Mr. Theile's office yesterday afternoon after having spoken to these people singly and in various groups at different times.

1. Tatsuichi Yokoyama, a Japanese citizen who came here the last time in 1920 and the first time in 1903, is married and has 2 children, minors, gave Yamashita \$3,300 in cash to put in this deal for his 2 children, sisters, Shizuko and Emiko.

2. Masayuki Matsumune, an American citizen born in Calif. in 1916, and Hisaye Matsumune born in Calif. in 1915, who came back from their last trip to Japan in 1932, put in \$1,100.

3. Katsuhiro Endo, a citizen, born in Calif. in 1918 who made his last trip to Japan and returned in 1936, had \$1,000 put into this deal for him by his father Kakuso Endo, who is now in custody in No. Dakota.

4. John Nakamura, whom we had on report #5, a druggist, put up \$1,000. He was born in Calif. in 1910 and has never left.

5. Satsuki Ogata born in the Hawaiian Islands in 1908, came to Calif. in 1933, an American citizen, married to Tangi Ogata, a Japanese, put up \$1,400.

6. Fumiko and Kinto Onizuka, citizens, born in Calif. had \$1,000 put into this deal by their father for them. The father, Tomizo Onizuka, returned from Japan the last time on the 30th of Oct., 1941. These children are minors and have never left.

7. Masashi Tasumi born in Calif. in 1918, a citizen, who returned the last time from Japan in 1936 had, \$1,500 put in by his father Ryusuke Tasumi, a Japanese, now in custody in New Mexico.

If Myers will deed some lots to Mrs. Abe as above mentioned, she will turn them over to these other parties. Of course it would appear that these 7 people mentioned above have claims against Mrs. Abe and her brother Yamashita.

Mrs. Abe has already lost considerable property she was buying on contracts by having them cancelled and taking a small return payment. She still has with her brother, some 20 year ground leases with from 5 to 10 years to run on which she has improvements which it is thought can be rented for considerably more than the ground rent, the landlords being willing. She and Mr. Theile and young Yamashita are to come in shortly and report on these various properties and the hoped for solution.

Captain Thomas Fisher,
Deputy State Fire Marshal,
Room 359, 1151 So. Broadway,
Los Angeles, Calif.

Dear Sir:

Your letter of May 11, directed to the attention of Mr. Gray, was received, and the subject matter therein relative to "Alien - Seizaburo Abe" has been investigated by Mr. Gray, with the following results:

1. Mrs. Walter Crader was contacted, and gives us information that on April 28th the two boxes mentioned in your letter were shipped by the California Motor Express to "S. Abe, Assembly Center, Santa Anita, Barracks 47, Unit A-1." This shipment was made shipping charges collect, as per the instructions of Mr. Abe.
2. The coat of Mrs. Jesse Smith was delivered to her on about the same date as shipment was made to Mr. Abe, and the remittance of \$1.80 is being sent by Mrs. Crader to Mr. Abe direct.
3. Mrs. Crader has informed us that the '36 Chevrolet Sedan delivery car is stored at the El Rey Garage, 16th and Shotwell Streets, San Francisco. We have just telephoned Mr. Smith of General Motors, and he states that he has just received the Power of Attorney from Mr. Abe and will attempt to make sale of the car. He further states that the Blue Book value is shown as \$160.00, and that there is owing to General Motors Acceptance Corporation \$114.33 by conditional sales contract. The sale price will depend upon the condition of the tires. He will confer with Mr. Abe on receiving bids for the purchase of this delivery sedan.

Regarding shipment of the two boxes in question to Mr. Abe, you may possibly desire to advise him to check this matter with the California Motor Express at the delivery end, as the information obtained herein was taken

Dear Mr. Gray: SUBJECT: ALIEN - SEIZABURO ABE

Attached please find original letter from Seizaburo Abe, Barrack 47, Unit A1, Avenue 7, Santa Anita Assembly Center. I will be in Los Angeles until approximately June 15th and will, therefore, be unable to attend to these matters. I do not know if they fall within your special function or that of any individual on your staff, but I would appreciate learning if you can or will take care of them.

1. Attached is an original letter from Mrs. Jesse Smith, 4645 California Street, San Francisco. Referring to pages 4 and 5 of the Abe letter, the coat in question has not been delivered to Mrs. Smith by Mr. Walter Crader. Mr. Crader is a driver for the Perfection Hat Works, 151 - 14th Street, San Francisco. His residence address is 2139 - 31st Avenue, San Francisco, telephone SE 2555.

2. Referring to page 2 of the Abe letter, the box in question so exactly described contains special food for Abe's infant son and should be sent forward with the least possible delay.

3. The box referred to on page 3, contains certain food-stuffs also urgently needed and has not been sent forth.

Costs: Referring to page 7 of the Abe letter relative to express charges on the two boxes in items 2 and 3, if necessary, will you please pay these charges and I will reimburse you.

Dear Sir:

We have been in conversation with Evacuating Headquarters, San Francisco, with reference to the car on the abovecontract, which as you know you left in possession of Mr. Crater of the Perfection Hat Works, 151 - 14th Street, San Francisco. It is our understanding that you left the car with Mr. Crater to sell for the highest available price but he is unable to take any action in this matter due to the fact that he has no power of attorney to act for you.

Since we can handle this matter for you, it has been suggested by Mr. Armstrong of the Evacuee Headquarters that we write you to obtain your permission to act as your agent in the sale of the automobile.

We are therefore attaching a "power of attorney" which we ask that you sign and return to us, together with letter giving us your authority to sell the automobile for the highest available price at this time.

May we hear from you in this regard shortly, please.

Principal property involved and scope of problem:

Came in for advice regarding his two-year lease of 170 acres tomatoe land from H. Stricker which lease expires November 1, 1942, before it would be possible to complete the harvest of the 1942 crop.

Abe or his successor would be in danger of losing right to harvest 1942 crop.

Action taken:*

After consultation with W. C. C. A. Mr. Abe was advised to have Mr. Stricker add another paragraph to the lease permitting extension of time to December 31, 1942.

Dear Sir:

In reviewing the application recently submitted to us to allow the unblocking of your bank account, it occurs to us that you might be in an area recently designated by the Army officials which will possibly be evacuated in the near future.

If you are subject to the evacuation order and desire a license which will permit disposition of your assets or the complete liquidation of your business, we will be pleased to give immediate consideration to any application which you wish to submit.

In October of 1941 the above Evacuee who at that time resided in San Leandro put in a new lawn at the home of a Mr Schmidt, 661 Lee Ave., San Leandro, at a verbal contracted price of \$60.00. Subsequent to that time Mr Abie moved his Gardening business to Loomis. He has since that ~~that~~ date mailed numerous statements to Mr Schmidt requesting payment but has not received anything but promises. Mr Abie has a friend of his who lives in San Seandro contact Mr Schmidt personally who at that time promised to mail a check the next day. It never arrived. On May 8th Mr Abie mailed a statement to Mr Schmidt for \$25.00 agreeing to accept this amount as full payment inasmuch as he must evacuate by May 14th. Up to the present date May 13th he has received no check or reply.

Action taken:*

I suggested to Mr Abie that our San Francisco Office might be willing to contact Mr Schmidt and endeavor to exert a little pressure for his benefit even tho it did not come under any property problem. He is being evacuated to the Arboga Assembly Center, Marysville, Calif. Mr Schmidt can be instructed to mail a check to this address.

Dear Sir:

In accordance with your telephone conversation, we are forwarding Forms EPM-8 to enable the above subject to deliver his 1932 Ford V-8 Coach to Fernan C. O'Neal. The registration and ownership certificates are also enclosed for the transfer.

We are also enclosing alternate forms of EPM-10 to be used if this sale is consummated. These forms include just one car and when the Army's representative calls, he should be advised of the situation and be given a duplicate for his file and should sign the original as a receipt. Of course if this sale is not completed, the original Form EPM-10 which was mailed to you on June 20th should be used as previously instructed.

As soon as the above parties have signed the original Form EPM-8 and upon receipt of the evacuee's copies of WCCA Forms FHB-3 and 4, please deliver the certificates and vehicle according to instructions. The duplicate copy of EPM-8 may be then turned over to Mr. Abo for his file.

When this transaction has been completed, kindly forward the necessary forms to this office.

Mr. Lawson J. Allen
Field Representative
Evacuee Property Department
Federal Reserve Bank of San Francisco
2146 Inyo Street
Fresno, California

Dear Sir:

With reference to the Ford Coach turned in by Toru Abo, Family Number 64-29228, for disposition to the Army, there seems to be some discrepancy in the description and identity of this car. The registration and ownership certificates show Engine Number DN 19747 and Serial Number 18-85890; and also a notation to the effect that the engine has been changed.

This is the automobile which you will recall I discussed with you when I was in Fresno and apparently the Engine Number as actually shown on the automobile is 18-6050, Serial Number the same.

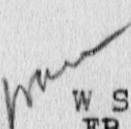

For your information we call your attention to the following comments from the Motor Vehicle Department:

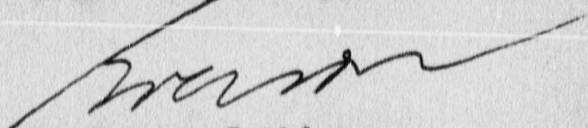

"According to filed records to date 1942 license #8E6370, Toru Abo, 1433 Kern St., Fresno, registered and legal owner Ford Coach, engine #DN 19747, 1932. The former engine number of this car was 1885890, but the change of engines was made May 15, 1941. Ford cars do not have serial numbers. We find a Ford Roadster, engine #186050 last registered in 1942 under license # 73T246, Bob Martin, 353 West 5th, Escondido, registered and legal owner Ford Roadster, engine # 186050, date first sold 1932."

This would indicate that the registration and ownership certificates turned in by Abo do not cover the actual car which we have on hand, or else there is some irregularity in connection with the title which needs straightening out.

Please contact this evacuee and see if you can obtain from him something of the circumstances surrounding his purchase of the car and if necessary discuss the matter with the Division of Motor Vehicles at Fresno so that we may in some way straighten out the title and complete the sale to the Army.

Yours very truly,

Dear Sir:

We are enclosing partially completed Forms FRB-3 and 4 for the Ford Coach turned in by Toru Abo (family number not shown), about which you wrote to Mr. Armstrong on May 18th.

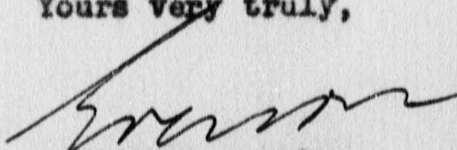

We presume that this evacuee has become settled at the Assembly Center by this time and you might be able to locate him without very great difficulty. Please, therefore, have these forms completed by the evacuee, designating on the back of FRB-4 which Alternative is desired.

We are enclosing the Registration Certificate and the Ownership Certificate which should be properly signed by the evacuee as follows: if the car is to be stored, we will need only the Registration Certificate signed on the back but if the car is to be sold to the Army, we need the Registration Certificate plus the Ownership Certificate signed on lines 1 and 2 on the back.

We are retaining the skeleton copies which you forwarded to us and when the copies which we are enclosing have been completed, one set may be receipted and turned over to the evacuee.

Your earliest attention to this case will be appreciated.

Dear Sir:

Enclosed you will find the papers in the case of T. Abo the reason that we are returning these papers is due to the fact that when the prospective purchaser, Ferman C. O'Neil came to take delivery of the automobile the warehouse man made the remark that this car was towed in from the assembly center and nobody has been able to start it as yet. This alarmed Mr. O'Neil and he made the following statement: "I do not care to purchase this car."

Therefore when Captain Blair arrived we delivered this car to him for which he gave us a receipt, and at the same time, he asked that the plates and license numbers be left on the cars and he would deliver them to you.

Gentlemen:

Replying to your letter of June 4, 1942 concerning a Ford Coach owned by Toru Abo, Family number 64-29228.

The motor in this car number 18-85890 was purchased by Toru Abo from the Hunsaker Motor Exchange, Fresno, California and the Hunsaker Motor Exchange is now out of business and could not be contacted.

We asked the Motor Vehicle Department to check this number for us, which they did and announced that number 18-6050 was not the motor number, that number 18-85890 was the correct number and furnished us verification certificate which is enclosed.

Yours very truly

Dear Sir:

Reference is made to the 1941 DeSoto sedan registered in the name of K. Adachi, license number 4 A 8530, which is being held at the W. C. C. A. Assembly Center at Walerga.

We understand that the evacuee has decided to sell the automobile to a private buyer and that the car has been held at the Assembly Center as a temporary measure in order to give the evacuee an opportunity to complete the sale.

Please make the necessary arrangements to complete the sale, which will include arranging for the delivery of the automobile to the purchaser. The car must of necessity be removed from the Assembly Center and this will serve as your authority to effect such removal.

A copy of this letter is enclosed in order that you may deliver the same to the Burns Detective Agency guard at the Assembly Center as evidence of your authority to so remove the automobile.

No. 6

SPECIAL DELIVERY

Dear Sir:

I have a claim on behalf of one G. Nishiura of San Jose (alien Japanese) and an American citizen of Japanese ancestry, also of San Jose. The claim is against one S. Adachi, an American citizen of Japanese ancestry, resident just outside of Redwood City, San Mateo County, California. According to Civilian Exclusion Order No. 35, San Mateo County is to be evacuated by May 9, 1942 at 12:00 noon.

From what I have been able to gather, Miss Adachi has been acting as interpreter or assistant of some kind for your department during the evacuation of San Mateo County and has not denied the debt. I gather also that Miss Adachi has agreed to pay the sum (oral agreement), but has continually put off the date of payment, thus giving the impression that she hopes to be evacuated without giving her creditor a chance to collect by legal process.

Inasmuch as there are usually two sides to every story of this kind, and inasmuch as your office has rather plenary authority in evacuation cases, I wonder if it would be possible to have this matter settled by you — perhaps in a "round the table" fashion. Amount involved \$390.63.

If so, please let me know as soon as possible that I may still have time to consider court proceedings.

I shall be able to call at your office in San Francisco any time except Friday afternoon or Saturday morning. If absolutely necessary I can of course arrange for another attorney to appear for me with any clients at those times.

May I have the favor of an early reply.

Yours truly,

JEROME F. MACDONALD /s/

Principal property involved and scope of problem:

Above subject and family are the owners of a 6-acre nursery. Miss Adachi is American born and the property stands on record in her name. The property is located on the Woodside road, 1 mile s/w of Redwood City on part of what was once known as the "Hogan Ranch". The land sets back $\frac{1}{2}$ mile from the highway in a Japanese colony. In the latter part of 1938 a new 7-room bungalow was completed at a cost of \$6000. All new furniture and furnishing, \$1000 - had land valued at \$5000 - making a total investment of \$12000, not counting farming implements, auto, etc. There is a \$2000 first loan in favor of the First National Bank of Redwood City. The property is not for sale, prefers to lease but not to a Chinese. Seems that the balance of the Japanese nurseryman in her adjoining community have already or are contemplating leasing to Chinese.

Action taken:*

Her banker in Redwood City advised her to call on us and if we were not going to take over and manage her property, to come back and see him and he thought he could work out a plan that would be mutual in the future management of her holdings.

Dear Sir:

Reference is made to your letter of May 6, 1942, addressed to Lieutenant General J. L. DeWitt, which has been handed us for attention.

In an endeavor to be of service, we contacted Miss Adachi of San Mateo who has decided to retain counsel in connection with the controversey mentioned in your letter.

We are informed that Mr. Carroll Single, 465 California Street, San Francisco, is representing her. We took the liberty of calling Mr. Single who indicated that he would get in touch with you in the near future.

SPECIAL DELIVERY

Dear Sir:

I have a claim on behalf of one G. Nishiura of San Jose (alien Japanese) and an American citizen of Japanese ancestry, also of San Jose. The claim is against one S. Adachi, an American citizen of Japanese ancestry, resident just outside of Redwood City, San Mateo County, California. According to Civilian Exclusion Order No. 35, San Mateo County is to be evacuated by May 9, 1942 at 12:00 noon.

From what I have been able to gather, Miss Adachi has been acting as interpreter or assistant of some kind for your department during the evacuation of San Mateo County and has not denied the debt. I gather also that Miss Adachi has agreed to pay the sum (oral agreement), but has continually put off the date of payment, thus giving the impression that she hopes to be evacuated without giving her creditor a chance to collect by legal process.

Inasmuch as there are usually two sides to every story of this kind, and inasmuch as your office has rather plenary authority in evacuation cases, I wonder if it would be possible to have this matter settled by you----perhaps in a "round the table" fashion. Amount involved: \$390.63.

If so, please let me know as soon as possible that I may still have time to consider court proceedings.

I shall be able to call at your office in San Francisco any time except Friday afternoon or Saturday morning. If absolutely necessary, I can ofcourse, arrange for another attorney to appear for me with my clients at those times.

May I have the favor of an early reply.

Yours truly,

Jerome F. Macdonald

Dear Mr. Weeks:

Thank you very much for the nice letter of June 6. I am very happy to convince myself that I have a friend whom I can depend on, and you are bound to hear from me with some problem.

The time I saw you, I meant to receive aid from you in regards to a collection which I was having a difficult time, but a remittance in full was received few days ago according to a letter from Mr. T. W. Thomas who is taking care all of our accounts receivables.

The weather is getting slightly warmer, but I am enjoying this new life of ours; although, at times I find it inconvenient. My moments are pretty well occupied; and so it does not give me a moments time to worry over anything. The only worry I do during the day is to get to the mess hall on time so I won't miss my meal.

In the meantime, I wish I can hear from you again if you have time.

With my kindest personal regards,

I am,

Sincerely yours,

We note that the furniture you require is stored privately in the Japanese M. E. Church in Brawley, Calif., and that you have written Mrs. A. Miller of the Miller Apts. in Brawley, who is holding the key to the church but doesn't have authority to remove and forward the furniture to you.

El Centro, Calif.

Dear Mr. Small:

Thank you ever so much for checking with the Vreeland's Studio about my pictures. I received them soon afterwards.

There are many people here in camp who are anxious to have their cooler and other furniture sent up but we have not been able to contact the right people. I was told that you have charge of all the Japanese evacuee property in Imperial Valley. Therefore I am writing to ask how we may have our furniture, which is stored in Japanese M. E. Church in Brawley, sent up.

I have a letter here, which I will enclose, from Mrs. A. Miller of the Miller Apts. in Brawley. She is holding the key to the church but does not have the authority to let the furniture leave the premises.

Your information in regards to this matter would be greatly appreciated. I am especially anxious to have a cooler sent up for it is getting unbearably hot.

We have very funny weather here. It is always hot but on some days we have a strong windstorm which raises so much dust that one cannot see beyond a yard or two. Then there is a rainstorm which floods the place. I have never seen it rain so hard and in such torrents before. The last storm blew the roof off of about 1/5 of the barracks in camp #1. I was told by one of the carpenters that we will have these storms about once a week until the end of August. I really don't mind, in fact I thought it very exciting

After the storm let up we all ran out to salvage the lumber. We use this lumber to fix up the room for it is just like a big barn. We have a hard time getting lumber so we were all glad the storm blew some of the roof off.

Life in camp is very dull but I try to keep occupied. We have movies once a week which isn't too old. We saw the Count of Monte Cristo for the first picture, and I enjoyed it very much, in spite of the fact that I had seen it before. Most of us work in some department or organization in camp. This keeps us quite

busy but still I feel as though I was growing stale from lack of interests. It's just like being in hibernation.

I shall not bother you with any more details of camp life. I hope you do not think I meant to complain for I know it is for our own protection that we are in camp.

Thanking you for your trouble, I am

Very truly yours,

Mary Takahashi Aisawa

Mr. Souren S. Ajemian,

Dear Sir:

March
Acknowledging your air mail letter dated May 30, 1942 relative to purchase of alien owned property, we might say that we are not acting in the capacity of alien property custodian, which office has otherwise been filled, but are endeavoring to lend full assistance to evacuees in advising and assisting them in matters relating to the equitable disposition of their properties. While it is quite probable that at some near future date properties may be placed in our charge for disposal by evacuees, no such property is before us at this time.

We shall, however, keep your inquiry in our files for further action if the occasion arises.

Yours very truly,

I have accepted your letter few days ago inquiring about my personal affair in Oakland. Yes, I was in the office talking to Mr. Dake for the assistance.

Today, I am in Stockton after my evacuation from Oakland. Thanks for everything. I think I have settled my affairs through my bank and lawyer in Oakland.

However, I may need your assistance in the days to come, so I am appreciating your advice in the future.

Dear Ms,

Your letter dated Friday night received. The reason for entering the room is stated in the enclosed note from Mr. Pickens to us. After reading this note please return it to us. After receiving your letter we received a telephone call from Mr. Borden of the U.S. Federal Reserve Bank and upon his instructions I joined Mr. Ellis and returned to your house, where we found everything in very good order, all the furniture had been returned to its proper place in the room. The lock was closed. We unlocked the door with the key you sent and herewith return it to you. We went directly to the box where the instrument was enclosed and Mr. Ellis stated that he had only opened the top of the box on his previous visit and did not recognize the instrument. We closed the box, roped it, brought it to our shipping room, had it wrapped and forwarded it to you via Railway Express collect. You should have it by this time.

The leaks were reported to us but the damage had been done. They have been repaired at a cost of \$9.00 which is shown on our statement enclosed. The roof leak in the front room was caused by a stopped up drain which carries off the water from the upper part of the house just below the bedroom windows. Mr. Pickens, your tenant gained access to this room

by removing the glass window pane from the window frame which he replaced in a neat manner.

We knew nothing of this whole matter until you wrote us about it, and I think that you took quite a risk by asking some unknown person to your tenant to enter the premises and go through your things, not that Mr. Ellis is perfectly trustworthy, because I personally know him to be of unquestionable integrity and have known him for 30 years or more, but others have come there, Mr. Pickens told me and have stated that they have had your authority to take the Automobile out of the Garage, which he refused. I told him not to let anyone even in the garage unless we were there.

At the present time it is my belief that everything is in order at your house as I went through it and inspected it from front to rear up and down stairs.

Very sincerely

Dear Sir:

We are in receipt of your explanation concerning the book shelf and chest of drawers and request for them to be returned to 2259 Pacific Avenue, Alameda, California.

It is unfortunate that your friend tagged these two items by mistake as our Civilian Control Station in Oakland has been closed and we have paid the draymen.

However, if you would like to furnish us with a letter of authorization to release your book shelf and chest of drawers to your new tenant, we will be glad to arrange for their delivery at the warehouse, 320 Tenth Street, Oakland, California. Please name in your letter the person to whom you would like us to release these two pieces of furniture; also advise him to communicate with this office so as to arrange an appointment with one of our representatives.

Yours very truly,

Assistant Cashier.

I call your attention to the Aki Company. This is a large general merchandise store occupying about 5000 square feet of floor space. I advised him that he should at once put on a sale in an endeavor to liquidate in an orderly manner and secure as much for his merchandise as possible with the result that last night he put an ad in the paper advertising from 20 to 40 percent reductions. I went over this afternoon to see how things were going, and found the store full of people, and with the result that I believe we will have no storage problem here.

The applicant sold his Ford four-door sedan 1937 car to Mrs. Berniece Lacy, 116 Southhampton Road, Berkeley, Ashberry 3566. She paid the applicant \$100 for which she holds a receipt. However due to evacuation and the missing of connections, neither the registration or pink slips were delivered to Mrs. Lacy.

The car was left at the Civil Control Center, and she now has possession.

Mr. George B. Legg, Manager of the Bank of America, Dwight Way, Berkeley holds a personal loan, originally for \$159.00, balance of \$92.75 is still unpaid, which has been signed by Akiyama and other co-signers. Before leaving for the assembly center they made two payments so that they are paid up to June 10, 1942. (This is just information as it is only a personal matter.)

Action taken:*

Your representative recommended that Mrs. Lacy write Akiyama at Tanforan requesting the slips properly signed to be sent to her at once and that a copy of this letter be sent to the Federal Reserve Bank.

Dear Aki:

No doubt you have by this time discovered that you have with you the registration certificates for the car--also the keys.

I understood you to say that you would leave them in the car, but since I could not find them anywhere, I assume that in the last minute rush and confusion you forgot to leave them.

I inquired at the W.C.C. office to find out if you might have left them there, but they said you did not.

With the assistance of the gentleman representing the Federal Reserve Bank, I got a locksmith to come and make a new key, so I was able to get the car home all right. I think I shall be able to get the garage next door for it.

If you have not already done so, will you be good enough to send the certificates, properly signed, as soon as possible?

Sincere thanks and

Best Wishes,

Bernice Lacy.

Principal property involved and scope of problem: Applicant states:

Your representative telephoned to Mrs. Akiyama to see if she and her husband had complied with the suggestions made in previous interviews. She states that she has not been able to sell her Ford car and also radio and piano, the latter two items she will store with furniture if unable to find a satisfactory buyer.

Her husband has contacted the Occidental Life Insurance Company and agreed with them that he will keep up his payments as long as possible. The husband has contacted the Bank of America, Dwight Way Branch, Mr. Legg, Manager, telephone Th. 0700, and discussed future payments on time plan loan.

Action taken: * Your representative telephoned Mr. Legg and was advised that there are two co-signers on the Akiyama note which Bank holds and that payments are up to date. It was suggested to Mr. Legg that he talk with the Akiyamas and possibly make a deal on the car whereby loan could be paid off and balance, if any, credited to their account.

Case apparently closed except for furniture storage and sale of car and possible arrangement for handling car through Bank on settlement of balance due on note.

After the sale was completed and title transferred, Akiyashi received an offer for the car of \$50 more than the price he had received from Georgeff, and he came to this office and asked ~~he~~ to nullify the sale which he had made.

to new community of Japanese after this emergency. Question
is taxes & upkeep. As contributions will stop trustees not in
opposition to pay & they see no way of getting income out of bldg.

Action taken:*

Inquired from Tax office if any way to get this property
exempt from taxes but no chance unless sustaining order & freeze
through government. However while taxes may become delinquent
no action taken until 5 years of delinquency. Suggested they would
use this property to store their household furniture & this may be done
if they are assured government protection to property.
