Mr. Takeichi Nadani

Colorado River War Relocation Project
Poston, Arizona

Dear Sir:

Your letter of October 9, 1942 addressed to Mr. van Loben Sels has come to our attention inasmuch as all correspondence with our field representatives, who have now been withdrawn from the various localities, is handled by this office.

We believe that the agency to approach with respect to the question of possibly returning to California for agricultural work would be the War Relocation Authority and no doubt any inquiry in this regard should be referred to the manager of your Relocation Center. The headquarters of that agency are located in the Hotel Whitcomb Building, San Francisco, should you care to communicate with them direct.

We might say in passing that we know of no case where an evacuee has been permitted to return to the prohibited military area established on the Coast and there is a question as to what degree of success you would have in seeking such permission.

Very truly yours,

Assistant Cashier

Dear Mr. Van Imben Sels:

Well, here I am again writing to you from the desert land of Arizona. Gosh, I hope I was back in California where I can see my friends. Large number of boys are leaving to top beet in the middle states but I rather go back to California to work. Do you think there is any possibility of returning to work in California under government supervision in regards to agriculture. I still have my equipments and cars in San Juan, if so kindly let me know.

My brother who is staff sargeant in the United States now stationed in Australia under General Mc Arthur is getting along fine according to his last report. I rather be in the army than out here in the desert for I realize I will be able to aid the country more, but I guess I haven't got a chance to join the army except as Intell. Officers School but I can't read or write Japanese well enough for that.

If you see Miss Hill kindly extend my best regards.

Yours truly,

Takeichi Kadani

HOUSING, TAXIS, ETC.

The office of the guayule rubber project has been kept here through the cooperation and friendship of Major Evan W. Kelley and in order to maintain this office, it is necessary that the officials and employees secure housing. Another project, the Army Engineers office on John Street was brought here because of housing facilities and other conveniences. This office is also being handicapped in various ways.

It is up to every member of this chamber of commerce and every citizen of Salinas to cooperate with these projects in every way possible. Several complaints have come in from both of these offices recently.

WAR SAVINGS BONDS

F. E. Dayton, Executive Chairman of the Salinas War Bond Committee announced that he distributed questionnaires regarding the Payroll deduction plan for War Savings Bonds to 424 business firms in Salinas, and only 70 were filled out and returned.

Of the 70 returned, 42 reported that the payroll deduction plan was in operation in their business - 20 stated that it was not, and 8 did not check either way. 29 firms reported that they had 100% of their employees on a payroll deduction plan and 25 stated that this deduction amounted to 10% or more of their gross payroll.

Complete mimeographed record of the survey is at Mr. Dayton's office, and copies can be secured from him.

One may ask seriously - why only 70 business firms out of 424 filed returns.

INTERESTING MEETING

The Soroptomist Club have announced that Miss Katherine Kerry of the California Home-Grown Sugar Group will speak to that club on October 29th. Her subject will be "Gracious Living Keeps Up Your Morale". Members of the Salinas Chamber of Commerce are invited to attend the meeting. The time and place will be announced shortly.

GUAYULE RUBBER COMES INTO ITS OWN

The approval of a 10,000 seed bed nursery at Indio and one at Oceanside of the same size; an 11,000 seed bed nursery in the San Joaquin or Sacramento Valleys and the 12,000 seed bed nursery at Salinas, assures at least 40,000 tons of guayule rubber the Fall of 1944, and possibly a great deal more than that. The Bureau of Plant Industry under Dr. Hildreth is achieving phenomenal results in its experiments for shortening growing periods, fighting diseases, cross-pollination, etc.

An interesting angle however, is that there seems to be a campaign on, in stories out of Washington, D.C., to build up the Japanese stating that they are doing all the work of developing guayule, presumably with the idea so that they will have a case to demand that they be returned to California after the duration. The truth is that a few seedlings were taken to Manzanar and to Parker Dam but as far as we are able to learn, they have actually done very little with them.

Had sold his onions to Levy Zentner, in Chico, and he was worried about getting them delivered before evacuation as Levy Zentner stated that they could not take more than 150 sacks a week.

Action taken:*

I called Mr. Speck Corliss, the local manager of Levy Zentner and informed him that the Kadowakis would have to leave in the very near future and asked him if he could not take all the onions this week, if they would deliver same, as they were anxious to complete the transaction and receive their money before evacuation. He agreed to this and told me to inform them that they could deliver same as quickly as they could being them in and he would pay them for same when they were delivered. Sent word to Kadowakis in reference to this matter by their neighbor, Al Moricka.

Assisted him in completing a deal with G. C. Gaudin of Salinas. Mr. Kadowaki received the amount he was asked - $850 - which in my opinion was top price for this truck as the tires were the original ones that came with the truck and had over 30,000 miles on same and were very smooth.

They also had some furniture that they were going to store in a shed on the ranch.

Action taken:

Advised them that in my opinion it would not be well for them to leave these cars and equipment storedthere. Suggested that they sell the equipment,car and trucks as they were bringing good prices at this time. They said they would think it over and decide definitely what they wanted to do about it.

Mrs. Doris Kagimoto,

On the way home from the camp last Sunday night we stopped over at the ranch where you formerly lived and broke in and found that everything was gone except an old mattress and 2 benches. There was an old kitchen table that Louis took out to make boxes on.

I would advise you to talk to the head officer at the camp and tell him about what happened and have him get in touch with the officer at the Fair Grounds and see if you can get your $10 for the bed and mattress and make him return your ~~pickles~~ which or make him pay for it.

He didn't take the crates so Louis will take them home if he hasn't gone to get them since Sunday.

I am sending you the note you gave me to show your Officer

I hope you have some success in claiming your money.

Best wishes to you & your family

Dear Sir:

As a matter of record I am writing to confirm my telephone conversation of this afternoon with one of your executives.

I explained to him that we have for some years used the part-time services of a Japanese gardener named Victor Kai who has now been evacuated. Before leaving he asked Mrs. Cochran if he might leave with us his washing machine and garden tools. She agreed to keep them and he delivered his washing machine and two boxes (which I presume contain garden tools) to our home at 88 Sycamore Avenue, San Mateo.

It is my understanding that after he is settled somewhere he might write and ask that we ship these boxes to him.

We are not at all inconvenienced in this matter and will be very happy to keep the washing machine and boxes and ship them, if requested, provided it is proper that we do so.

I feel that you or someone should tell me whether or not we are doing the right thing in keeping the boxes and possibly shipping them, upon request, without having any definite knowledge of their contents.

Very truly yours,

Roswell Cochran

Vice-President.

Principal property involved and scope of problem:
Has lease on farming land of 23 acres, terminating December 31, 1942, from Silvio Patorino located on Clayton Road near Concord, California. Has two acres of strawberries and 21 acres of walnut trees. The leasee does not get the walnut crop; however, he has to cultivate the walnuts acreage.

A three room frame dwelling, out buildings consisting of 2 sheds and a kitchen which are owned by the leasee, with the right to remove them at any time. Furniture consists of a stove, table, refrigerator, 5 beds, and miscellaneous.

Equipment consists of two Turbine Water Pumps, original cost $800, present value $480; construction cost of dwelling and out building, original cost $600, valued at $200; strawberry acreage valued at $200. Has paid rent for this year amounting to $575.

The lease provides that the leasee shall cultivate and plow the walnut acreage in a farm-like manner; however, this year the land lord has plowed the walnut acreage to date. The tennant can sell the two acres of strawberries; however, if vacated the purchaser would have no way to irrigate strawberries.

See attached page

Suggest I contact land lords attorney to endeavor to reach a satisfactory agreement on the disposal of the lease and equipment. Told tennant to return Monday.

Tennant thinks he ought to receive $350 return on rent money, $200 for buildings, and $480 for pumps and $200 for the strawberries. A total of $1230; however, he will accept $800. If he should sell the strawberries, he does not know what effect the terms of the lease requiring him to cultivate the walnuts would have on him, if he has to vacate.

His father and mother, two sisters, and four brothers reside with him. Four of the minors attend school. He states that the land lord is hard to deal with. The land lords attorney is Gordon Turner, Concord, California.

Dear Sir:

A. J. Kajioka, Rte 1, Box 316, Turlock, California to whom you refer in your letter of April 18 addressed to this office reported today in regards the contracts for strawberries which you mention.

Mr. Kajioka former operated a whoesale and retail plant and seed firm in San Francisco under the name of Oriental Plants & Seed co. He reports that he was the exclusive agent in this section for a certain grower of strawberry plants in Utah. As such he took orders for strawberries and accepted a deposit on same. This deposit was forewarded to the grower, Woodrow Kasuga, Rte 1 Box 382, Sandy, Utah. Mr. Kajioka wrote to him about the first of march and advised him that the growers would not be able to accept the plants and asked him to refund the $500.00 which he sent. As yet Mr. Kajioka has not heard from Kasuga nor recieved a check from him.

I checkedone of the contracts that the Japanese signed and about the only provision in them is an agreement that lets the mursery out in event of any circumstance beyond their control. You undoubtedly have the original of one of the contracts their so you can go over same.

Mr. Kajioka says that he will be more than willing to refund the dpeosits if he is able to secure a refund from Kasuga.

If I may be of furtner assistance in the settlement of this matter please let me know.

Gentlemen:

A. J. Kajioka, Route 1, Box 316, Turlock, California, acting as agent for a grower of strawberry plants in Utah, has taken orders, with deposits, for plants from a number of Japanese farmers in this locality. These farmers, now unable to accept delivery of the shipments, desire to obtain return of the deposits, ranging from $40.00 to $100.00 or, in lieu of this, to have assurance that the shipments be postponed until some future time when the farmers in question may be able to use the strawberry plants.

Kajioka does not reply to inquiries requesting the name and address of the grower in Utah, which seems to be necessary in order to effect settlement.

Will you use your good offices in an endeavor to secure from Kajioka the information required, by requesting him, by mail, to report to your department in Merced.

Thanks for your trouble.

Dear Sir: Re: Kazumi Kajioka

I recieved your letter of July 29 in regards the above mentioned individual. I appreciate your comprehensive explanation of the facts surrounding the return of the car to you by the Japanese. In view of former co-operation with the program of the Federal Reserve Bank I was somewhat sceptical of the story of Kajioka but it is our duty to check into every case brought to our attention. I will contact him again in the near future with the facts of the case in hand and see what he has to say.

In the event that the car is sold at a loss, which will apparently happen in this case, the only alternative that you will have is to endeavor to collect the balance from the evacuee or take a deficiency judgement against him.

Att: Mr. Harold Johnson

Gentlemen: In re: Kazumi Kajioka

Replying to your letter of the 24th regarding Kazumi Kajioka it would appear that this individual has concocted a story wholly untrue endeavoring to create the impression of an abused and unfortunate oriental. None of the charges which he makes are true. Here is what actually happened.

In the month of July 1941 we did sell this party a car. On or about April 10, 1942 this party stated to the C. I. T. collector that he did not intend to make further payments on account of his contract and that he wished to return the car as a repossession. Accordingly a Release and Quitclaim form was prepared, as is usual in such cases, and he signed the same. A copy of this instrument is enclosed. He was allowed to keep his car for several days after the signing of this instrument and later appeared at our place of business stating again that he would make no more payments and was leaving the car as a repossession. The vehicle was in very poor condition showing signs of having been willfully mistreated. All accessories and equipment had been stripped from the car and the four tires were completely worn out. There was no spare. Eight months previous the car had been delivered to him with a new set of first grade tires.

He states to you that he later appeared and offered to bring his contract up to date. This is not true. He never offered to pay anything on account of his balance. He did state that he understood the Federal Reserve Bank would finance all Oriental evacuees, and with that thought in mind asked for the return of his car, without payment. We sent him to the finance company and to the Federal Reserve Bank advising him that we would release the car if he could make a settlement with them. Nothing further was ever heard from this party. We would have been very happy to have had a payment from Kajioka, since the car was in miserable condition, and the Blue Book value was $565.00 against a contract balance of $630.00.

This party abused this car, failing to take any care of it whatsoever, stripped it of all equipment, and ran all tires to the fabric with the deliberate intention of abandoning it to us. He did so abandon it, and then later on hearing of the efforts of your Bank to assist his countrymen decided to make an effort to use you as a Cat's Paw to help him recover some value. We have cooperated with your Bank fully in respect to Japanese cars and your Mr. Albert E. Price of your San Francisco office, will, I am sure, bear us out in this. In some cases considerable sums were recovered for the Evacuees at no small trouble and expense to us. But these cars were, without exception, in good condition and attractive to purchasers.

In case this car in question is sold at a loss will it be possible for us to recover our deficiency from Kajioka or the Federal Reserve Bank?

The above mentioned individual, who formerly lived at Rte 1 Box 316 Turlock, California, contacted me today in regards your actions in disposing of a 1940 Dodge Coupe without giving him anything for his equity in same.

He states that prior to to the time the payment was due in May that you came out and demanded that the car either be paid off or that they would repossess same. He saids that as a compromise thay agreed to leave the car with you until them made the may payment. A few days prior to the due date of this payment he went in to make the payment and the car had been sold or otherwise disposed of. He was informed that the car wasen't there any more but no satisfactory explanation was given to him in regards its disposal.

I would appreciate hearing from you in regards this matter and would like to have the license number of the car in question along with your reply.

KAJIURA (Surname)

UMEO (Given)

Principal property involved and scope of problem:

Upon registering for evacuation, it was found that this woman and her husband, Masajiro Kajiura, have worked on the farm of Mr. J. H. Kerby for many years and that Mr. Kerby owed them on two promissory notes, both of which were dated May 1, 1941, and each due six months from date. One was in the amount of $454.00 and the other in the amount of $450.00. Both notes were signed by J. H. Kerby. In addition, there was an open book account claim for labor in the amount of $864.50. Mrs. Kajiura stated that they had called at the WCCA office some time ago but that a young lady had advised them that they should consult an attorney and they had not actually talked to any representative of the Federal Reserve Bank up to this time. Mrs. Kajiura consulted Mr. Wallace Shepard, attorney of this city, concerning her claim and he had presented a claim to Mr. Kerby's attorney, Mr. Harris. Mr. Kerby claimed an off-set against the amounts owning on the notes and the open account and had offered to settle for $750.00.

Action taken: I phoned Mr. Shepard who confirmed the above facts
Action taken:* and stated that he felt that it would be necessary to sue Mr. Kerby in order to get any settlement as he did not want to settle the claim for $750.00 as requested by Mr. Kerby's attorney. After discussing the matter with Mr. Shepard, we contacted Mr. [redacted] of the Retail Credit Association and found that Mr. Kerby had been involved for many years and was quite seriously involved at the present time. In view of the imminent evacuation, after consulting Mr. Shepard, we phoned Mr. Kerby and requested that he come into the office, which he did. Mr. Kerby outlined his position, claiming an off-set of rent and water bills for garden used by the Kajiuras on his property. After some discussion, Mr. Kerby stated

that he would borrow some money and agreed to pay $1000.00 cash in full settlement of his obligations with Mr. and Mrs. Kajiura. We discussed the matter with Mrs. Kajiura and she decided to take the offer of $1000.00 cash. We called the attorneys who arranged a meeting with their principals, and Mrs. Kajiura called this afternoon just before evacuating that she had received the $1000.00 and that she was very much satisfied with the settlement.

Wants us to again contact landlord for the purpose of effecting a compromise settlement, whereby the lease will be cancelled + at least a portion of the $500 returned.

Action taken:* Phoned Mr Thompson agent for the property. He said that he has tried to find renter for property so that suitable could assign lease. Thompson stated that present owner had guaranteed property since date of lease + previous owner had retained lease deposits then any cash settlement would be out of pocket. He is willing to cancel lease but will not make any cash refund.

Principal property involved and scope of problem:
Engineer has a 5-year lease which expires MAR. 1, 1943 on a shop located as above. The lessor is Mr. Nellie C. Thompson 330 15th St., Oakland, agent for whom is J. Douglas Thompson, telephone no. Higate 4225. On signing the lease in 1938 the lessee paid in advance the sum of $500.00 representing the rent due for the months of January and February 1943, the monthly rental being $250.00. Engineer has approached lessor with a view towards having terms of the lease altered so that the sum paid for rental for January and February 1943 might be applied from rental due for the months of March and April 1942. He proposes to pay monthly thereafter so long as he occupies the premises. Lessor has refused to agree to any alteration in the terms of the lease.

Action taken:*
Telephoned Mr. J. Douglas Thompson re. Was informed as follows: engineer still owes $40 on December rent and $250 on March rent which was payable on March 1st and has not paid up the rent due although they have the funds to do so and is conducting daily sales. Moreover, that Kajiwara has at times in the past issued worthless checks in payment of rent and has been tricky in the extreme to deal with. When rent is paid to date Mr. Thompson is prepared to discuss the matter of cancellation of the lease and to come to an amicable arrangement thereunder. Telephoned engineer and suggested that he settle his outstanding obligations and then attempt to come to some arrangement with lessor.

Dear Sir:

On June 23rd you forwarded the conversion letter on the above subject which automatically qualifies his car for sale to the United States Army under Alternative No. 2 of WCCA Form FRB-4.

We find, however, that Mr. Kaku neglected to turn over to you his ownership certificate and we suggest that you contact him as soon as possible so that we can have this file in readiness by the end of the week. The Army representative undoubtedly will be down that way the early part of next week and we would like to have as many cars ready as possible.

Yours very truly,

R. E. Evans

Assistant Cashier.

Applicant called and claimed that he had purchased a Nash coupe (serial number C7533, motor number CE-7033). This car was purchased from Hebrank Hunter, Oakland. The applicant has paid a little over $187 and still owes $192. The applicant claims that he bought new tires and that Hebrank Hunter has re-possessed the car without any sort of settlement with him, and he feels that he has been taken advantage of.

Your representative called Hebrank Hunter, and they informed him that the contract had originally been sold to the Anglo National Bank, and due to the fact that the applicant had an accident, which was entirely his fault, the insurance had been cancelled, and under the arrangement they had with the Anglo National Bank they had to take up this contract immediately and refund to the Anglo National Bank the sum of $192.50. The applicant did not inform your represenative of this, and due to the car's depreciation in value, Hebrank Hunter stated that they would be glad to sell the car to anyone for the amount of money which they had paid over to the bank.

Action taken:*
Your represenative informed the applicant that if he could find a purchaser, who would assume the payments due on the car, Hebrank Hunter would gladly assist the applicant in making such sale.

The applicant returned and informed your representative that he has tried to find a buyer but he has been unable to do so and thanked us for the services rendered.

Your representative telephoned to Mr. Campbell, Sales Manager of the Hebrank-Hunter, Plymouth Agency at 3836 East Fourteenth Street, Oakland, Telephone Hu. 4200 and was advised that the Kambara car is still standing in their place and is available for re-sale but no prospective buyers have appeared. Applicant stated that he would be willing to accept $50 for his equity, which Mr. Campbell agreed would be a good deal for him due to age and condition of the car so there is not a great deal involved financially if car deal is not made before applicant's departure.

Action taken:*

Applicant has a time plan loan at Bank of America as reported in interview of 3/24/42, and your representative talked to Mr. Little this morning, who said that he had taken our suggestion of some ten days ago and communicated directly with Mr. Kambara who telephoned him that he would call at the Bank and make satisfactory arrangements on the loan by May. Inasmuch as the monthly payments on the time plan loan are made for two months in advance, and as applicant's wife is a domestic in the family of one of Bank of America's good customers, and as applicant had in the past met his obligations as promised, Mr. had decided not to press further for any final settlement. Applicant has good cash out value on Metropolitan Life Insurance annuity policy so it would appear that he has cash in sight for making contemplated settlement.

Principal property involved and scope of problem: Applicant states:

He has arranged lease of his house. That he has 1936 model Nash sedan, which he purchased from Hebrank-Hunter Co., Plymouth Agency, at 3839 East 14th in Oakland, which has been picked up due to cancellation of insurance policy and stored at their agency. Also, that he had not decided definitely what to do about his insurance policy.

Action taken:* This office telephoned Hebrank-Hunter, telephone Hum.4200, and discussed the situation with Mr. Campbell, the sales manager. Mr. Campbell states that they do not want the car but under sales agreement could not permit owner to retain possession due to insurance cancellation. He knew of no one who might be interested in buying applican't equity but would assist in closing any deal which applicant might bring to them. Applicant states that he would be willing to accept $50.00 for his equity. This office then 'phoned the Bank of America, Thornwall 0700, Berkeley, and confirmed with Mr. Little statement of applicant that he had brought his time plan loan payments up to date. Mr. Little stated he would contact applicant

Applicant called and claimed that he had purchased a Nash coupe (serial number C7533, motor number CE-7033). This car was purchased from Hebrank Hunter, Oakland. The applicant has paid a little over $187 and still owes $192. The applicant claims that he bought new tires and that Hebrank Hunter has re-possessed the car without any sort of settlement with him, and he feels that he has been taken advantage of.

Your representative called Hebrank Hunter, and they informed him that the contract had originally been sold to the Anglo National Bank, and due to the fact that the applicant had an accident, which was entirely his fault, the insurance had been cancelled, and under the arrangement they had with the Anglo National Bank they had to take up this contract immediately and refund to the Anglo National Bank the sum of $192.50. The applicant did not inform your represenative of this, and due to the car's depreciation in value, Hebrank Hunter stated that they would be glad to sell the car to anyone for the amount of money which they had paid over to the bank.

Action taken:*
Your represenative informed the applicant that if he could find a purchaser, who would assume the payments due on the car, Hebrank Hunter would gladly assist the applicant in making such sale.

The applicant returned and informed your representative that he has tried to find a buyer but he has been unable to do so and thanked us for the services rendered.

Your representative telephoned to Mr. Campbell, Sales Manager of the Hebrank-Hunter, Plymouth Agency at 3936 East Fourteenth Street, Oakland, Telephone Hu. 4200 and was advised that the Kambara car is still standing in their place and is available for re-sale but no prospective buyers have appeared. Applicant stated that he would be willing to accept $50 for his equity, which Mr. Campbell agreed would be a good deal for him due to age and condition of the car so there is not a great deal involved financially if car deal is not made before applicant's departure.

Applicant has a time plan loan at Bank of America as reported in interview of 3/24/42, and your representative talked to Mr. Little this morning, who said that he had taken our suggestion of some ten days ago and communicated directly with Mr. Kambara who telephoned him that he would call at the Bank and make satisfactory arrangements on the loan by May. Inasmuch as the monthly payments on the time plan loan are made for two months in advance, and as applicant's wife is a domestic in the family of one of Bank of America's good customers, and as applicant had in the past met his obligations as promised, Mr. Little had decided not to press further for any final settlement.

Action taken:*

Applicant has good cash out value on Metropolitan Life Insurance annuity policy so it would appear that he has cash in sight for making contemplated settlement.

Mr. Papen, of the Farm Security Administration phoned me at the Elks' Club in Sacramento that Mr. Jesse Cave had left the pink slip to the Chevrolet Truck with him for me. It was signed off by the Bank. Mr. Cave phoned later the sam e evening that he had left it in Elk Grove still claiming $185.40 for drums. I advised we had no interest in them but would pass the information on to Tait of General Petroleum.

On arrival at Elk Grove Friday morning, May 29th, the pink slip was turned over to me endorsed by the Bank as legal owner but not endorsed by Cave. Also there wa s a note about the claim of $185.40 which we can ignore.

Phoned Mr. Tait of G. P. of the above facts. He said he believed there might be some drums belonging to Cave in possession of customers which is the usual business practice. He promised to round them up and return any he found to Cave. He is winding up the affairs for Kamei and will take care of the proper transfer of the pink slip to Kamei as soon as we turn it over to him.
Phoned Holmes of the Capitol National Bank and thanked him for the co-operation. Tait will write Kamei of the return of the pink slip.

Action taken:* Turning the pink slip and note over to Mr. Reed in Sacramento for proper disposition. This case satisfactorily disposed of and about $800 value in truck saved for Kamei, due to splendid cooperation of above persons and Mr. Molter in charge here.

Elk Grove, May 28, 1942.

Federal Reserve Bank of San Francisco.
Elk Grove, California.

The following is a statement of the situation existing between Jesse H. Cave and myself over the legal ownership of a Chevrolet 1½ ton truck, registered in the name of Jesse H. Cave and on which he has borrowed a sum of money from the Capitol National Bank of Sacramento on which there is a balance owing of $600.00 on which the payments are delinquent and the bank demanding payment or repossession.

The truck was purchased by me in August, 1939 from the Capitol Chevrolet Co. for the sum of $1200. on terms of $600. down in the form of trade in and cash and the balance on a loan of $600. to the Elk Grove Branch of the Bank of America. Mr. Cave from whom I had a sub agency of the General Petroleum Corporation also endorsed my note at the bank which I paid up in full in November 1940. The car was registered at the time of purchase in the name of Jesse H. Cave for agency reasons and on completion of payments, he became the legal owner by the bank signing off on the pink slip which was given over.

In March, 1941, I borrowed $450.00 from the Capitol National Bank of Sacramento in order to buy an International "Pick up" truck from Jesse Cave, putting up as security, ~~both cars~~; Mr. Cave also signed the note as dealer. All payments on the loan were made by me and completed April 1, 1942. At that time the pink slip on the International was signed over to me by the bank but not the pink slip on the Chevrolet, it still being registered in the name of Jesse Cave. All payments on these loans were made by me and the trucks in my possession. Mr. D. J. Tait , Sacramento Manager of the General Petroleum Corporation knowns the above th be the facts.

On receiving notice of evacuation, I arranged to turn an agency which I had previously secured from the General Petroleum for the Florin District independent of Mr. Cave, to the Sierra Fuel Oil Co. and to lease my trucks to them. I intended to register them in the name of the Sierra Fuel Oil Co. as registered owner and myself as legal owner. For nearly two months I have been trying to secure the pink slip to the Chevrolet from Cave but have met with one evasion after another. Mr. Tait has also endeavored to help me get it but we have had no success. We found out that the pink slip was held by the Capitol National Bank together with one for a car owned by Cave as security for a loan on which there is a balance of $600.00. They refuse to give it up unless the loan is paid. As the payments are delinquent the bank has placed the matter in the hands of its attorneys for collection. If the truck is repossessed, I will face a loss of from $800. to $1000. because of a loan secured by Cave on a car in which he had no interest and on which he borrowed without my consent or knowledge. I am asking your aid in securing this ownership certificate transferred to me so I may complete my arrangments with the Sierra Fuel Oil Co. who are now operating the trucks for the agency.

I, Hajime Kamei, being first duly sworn, depose and say: THAT on Monday, May 25, 1942 I registered for Evacuation and was assigned on Wednesday, May 27, 1942 to leave for Assembly Center from Elk Grove, California on Friday, May 29, 1942 for Fresno, Cal. and That on Thursday, May 28, 1942 at about 11:30 A. M. I was advised by friends that I was expected to leave at 2 P. M. Thursday, May 28, 1942 destined for Manzanar. I later received written notice from board in Florin, time about 12:30 P.M.

This greatly interferred with the closing of my business transaction in the hands of the Federal Reserve Bank and at the time of departure I had not been able to close my business affairs, for the purpose of which I had been assigned to go on Friday, May 29, 1942.

Recovery of Legal Ownership Certificate (pink slip) now in name of Jesse Cave of Clarksburg and pledged to the Capital National Bank of Sacramento as security for loan made to Cave although Cave has no legal interest in car which is legally owned by Kamei free of lien.

Mr. Kamei is General Petroleum Agent at Florin, Cal. and purchased a 1½ ton Chevrolet truck to operate in his business, listing it at time of purchase in name of Jesse H. Cave under whom he was operating prior to securing his own agency above. This fact is known to the General Petroleum Manager at Sacramento, D. G. Tait. Down payment and all payments on the truck were made by Kamei to the ~~Capitol National Bank~~ Bank of America in Elk Grove, Cal. being completed in March 1941 when pink slip was released. At that time Kamei purchased and International "pick up" truck from Cave and borrowed $450.00 from the Capital National Bank of Sacramento, Cave joining in the note, on the pick up ~~and the 1½ ton Chevrolet~~. The pink slip was still in the name of Cave. On April 1, 1942, Kamei completed his last payment on the loan (all payments having been mzde by him) and received the cancelled note and the pink slip on the International pick up which was in his name but did not receive the pink slip on the Chevrolet truck registered as legal owner to Cave. Both cars were free and clear.
Kamei claims that Cave borrowed on the Chevrolet 1½ ton truck and one of his (Cave's) own from the Capitol National Bank without his knowledge and consent. The bank verified this and stated the balance owing was $600.00 on which the payments were delinquent and which had been placed in the hands of their attorneys for collection, their office attorneys being Downey, Brand & Seymour, Mr. Otto Rohwer of their handling the case.

Principal property involved and scope of problem:

For a couple of months, Mr. Kamei has been trying to recover the pink slip from Cave but has been put off for one reason or another. Kamei has turned his agency business over to the Sierra Fuel Oil Co. of Sacramento on a lease agreement which included the trucks. He now wishes the trucks to be in his name as legal owner with the Sierra Fuel Oil Co. as registered owner. TheChevrolet cannot be transferred on account of the Bank holding it as collateral.
I called Mr. Tait of the General Petroleum Corporation who verified the fact that effort had been made to secure the pink slip without success. I phoned Mr. Cave atClarksburg requesting the release of the pink slip which he agreed to do provided Kamei would return some oil drums which Cave claimed belonged to him. This however is not our problem as the car was pledged illegally apparently, by [redacted] Cave I enlisted the aid of Tait who advised Cave that we were insisting on the release. Also went to Florin about drums and found they were not involved. Contacted Mr. Holmes of the Capitol National Bank asking his cooperation by withholding any repossession until we could try and straighten out the case. He agreed to this willingly.
May 27th: Tait advised he had talked with Cave urging him to get in touch with us. I also phoned the District Attorney asking his opinion and advice on the case. He seemed to think it on the border but wanted us to exhaust other means first. Also talked with Holmes at the Bank. There attorney had already gone out to repossess the car thinking it was in Clarksburg. I advised him it was in Florin and that we would keep him informed. He promised again to hold off repossession.
May 28th: Kamei's time of departure suddenly changed from Friday, May 29th to Thursday, May 28th. This is unfortunate as we wanted him here but could not secure any change from Social Security, as he had been switched from Fresno destination to Manzanar. Tait was present when Kamei left and said Cave had promised to come in by noon which he did not do and had not done up to the time of our leaving Elk Grove at 5:20

Kamenoka has 2.21 acres under lease, located 12 miles northwest of Inverness, Calif. He paid the owner of the land $845 on Nov. 1, 1941, as one half the annual rental. The balance, $845, is due in July 1942. Kamenoka owns farming equipment such as plows, discs and tractor valued at $3500, clear of encumbrance except for a small balance of $170, which he plans to pay off.

Kamenoka wishes to terminate his lease, which expires Nov. 1, 1942, and to recover a portion of the $845 rental already paid the owner of the land, J. R. Molseed, of Point Reyes, Calif.

Action taken:*

Kamenoka was advised to give power of attorney to the Bank of America at Point Reyes, Calif. and to store his farming equipment, which he plans to use after his evacuation.

See Salinas letter of June 30th.

Our old friend, John Kanemura, was in trouble because he owed the Bank of America $175.00 on a personal loan endorsed by some friends and naturally the bank wanted their money before they all left. He arranged to pay and did so yesterday with money borrowed from a fellow evacuee.

Principal property involved and scope of problem: Evacuee owns this property 32' x 120' on which there are some improvements which he had leased to a pool hall and drug store. He bought this property in 1940 for $9,000. He paid about $3,500 to date, leaving a balance due of around $5,500 to the Salinas Valley Bldg.-Loan Assn. Payments due of $75.14 per mo. plus interest & taxes. He is now delinquent 4 months. This is a 6½% loan. The B. & L. have been very nice to him and are waiting for him to close a deal but so far he has been unable to find a tenant for his pool hall or drug store. A few days ago he thought he had a deal all made with a Filipino but that all fell through. He has an offer of $50 a mo. for his property but that is not enough to pay the B. & L.

Has a brother in Stockton of considerable means and wants a travel permit to go and see him.

Action taken:* Due to conditions this would appear to be a pretty thin equity. Advised evacuee to consult with B. & L. and get their help in securing a tenant and a written agreement from them stating they would look after the property for him and apply rent to his contract so that if he did not fall behind in interest and taxes and insurance and could make any reasonable payments at all, that his ownership of the property might be secured and be held for him for the duration. If he does not have too much bad luck, this property should eventually pay off. Took him to person with authority to issue permit.

Principal property involved and scope of problem: This evacuee has a 1942 Chevrolet 5 passenger coupe in his name, George Y., and it is clear. Wishes to sell same.

This is the son of the man, Bune, and he has sold his tomato plants to Felice & Perelli Canning Co. of Gilroy, Calif. They still have 1 acre of onions and have sold same and will bring papers in sometime this week.

Action taken: *Find the statement about tomatoes and onions to be correct as evacuee has filed papers with F.S.A. Told him what the rules were about his 1942 car sale mentioning the 3 alternatives. He stated the dealer would not pay him what he considered a fair price and he would probably bring it in to the camp when he was evacuated.

Principal property involved and scope of problem: This boy, with his father and younger brother have been operating a tomato plant nursery near San Juan and have about 100,000 plants this year. Total acreage is about 2 acres on the place they live. They are about to make a sale to the cannery, Filice & Perrilli at Gilroy, for taking care of the plants and selling them at planting time. This deal has not yet been concluded. Above evacuee came in with Mr. Albert Taix, 23 Cleaves Ave. San Jose, who owns a ranch in the San Juan district and Kametani has sold a ½ ton truck to Mr.Taix for $475 which transaction is agreeable to both parties and copy is being left with us. The F.S.A. are being advised of this transaction and also of the pending tomato transaction which will be reported here when completed.

Action taken:* We are filing copy of bill of sale on truck and giving copy of same to the F.S.A. and have notified Kametani to be sure and bring in his deal with the cannery which he proposes to make for approval when they have agreed on it.

Gentlemen:

Am writing in regard to Japanese property stored under the WCCA.

I have some things stored in Toppenish, Washington which I would like to have sent to me to the above address. From present indications it looks as if we are to stay here for the winter, therefore, we will need the trunk in which our winter clothes are packed. The only other article stored is a large wooden box containing kitchen utensils for which we have use for since we are doing our own cooking. If moving these articles out to Nyssa involves our own expense we would be glad to pay.

Would appreciate your giving me any advice or suggestions concerning this matter.

Yours truly,

Dear Sir:

Reference is made to your interview of July 4th with George Kasikawa.

We have checked with the United States Employment Service offices and they inform us that all evacuees in military area #2 who are classified as adults may take 150 pounds to the relocation center and that all evacuees who are children under 12 years of age or less may take 75 pounds to the relocation center. This regulation was established sometime ago.

For your information, the United States Employment Service representative, who is in all probability the WCCA Office Manager in your area, is the proper official to whom all such inquiries should be referred. It is the responsibility of the United States Employment Service to prepare and distribute all information pertaining to this and similar subjects. We suggest that in the future you consult with him when problems of this character arise.

Through information received from the Department of Motor Vehicles, we find that the legal ownership of the above subject's truck, now held at Fresno for sale to the Army, is still recorded as being that of the Keystone Finance Company, 711 Hattel Building, Fresno, California. The latter company, however, have informed us that they released their interests approximately eight years ago.

Inasmuch as it is necessary for us to obtain an ownership certificate, since the original was evidently lost, we are enclosing the proper motor vehicle form for the signatures. We will appreciate having you contact the Keystone Finance Company and have them sign where the form is marked "Legal Owner of Record", and also on the back of the form on Part A, Item 2. To complete the form to the satisfaction of the Department of Motor Vehicles it will also be necessary to have Mr. Kamikawa sign on Part A, Line one, as the registered owner.

The registration certificate is also enclosed for Mr. Kamikawa's signature.

MEMORANDUM TO: WAR RELOCATION AUTHORITY
Division of Evacuee Property

SUBJECT: K. Kamimoto

We are enclosing a copy of a letter received by us from the above-named evacuee, together with a copy of the agreement executed April 18, 1942 by the disputant parties and also a copy of our reply to Mr. Kamimoto indicating reference to you of this matter.

According to our files, Mr. Kamimoto first approached us April 1, 1942 stating that he had bought 40 acres of land from the California Lands, Inc. in 1939. A mortgage amounting to $10,800 was to be paid off in annual installments of $1,200 plus 5% interest. The instrument was held by the Capitol Co. He sought our assistance in making some arrangement with the mortgage holder whereby total income from George Dethlefsen, the lessee, of $1,600 per year would pay all expenses including taxes. Our former Salinas representative, Mr. van Loben Sels, referred his entire case to the Farm Security Administration's representative at Watsonville.

Subsequently, Kamimoto informed us that he had given a power of attorney to Jess P. Nielsen of Watsonville. During his residence in the Salinas Assembly Center the evacuee again asked our assistance and was interviewed on June 19, 1942. As his problem was entirely of an agricultural character, he was again referred to the Farm Security Administration's representative and indicated that a solution had been effected.

George K. Nishita, mentioned in Kamimoto's letter, first approached us on April 15, 1942 and related that he was purchasing 20 acres with approximately a $7,000 balance due, payable at the rate of $600 annually. The visit was primarily of an exploratory nature as he was negotiating for a lease on a basis sufficient to carry the property. We were subsequently advised that he had leased the property to Reginald D. King of Watsonville and was represented under a power of attorney by David F. Wright, 136 Locust Street, Hollister. No further information is possessed by us regarding him.

Dear Sir:

Reference is made to your letter of October 17, 1942 outlining a dispute with Mr. Dethlefsen.

Owing to your anticipated return to a War Relocation Project, we have supplied the War Relocation Authority, headquarters in the Hotel Whitcomb Building, San Francisco, with complete information, including a copy of your letter.

According to our records, our former Salinas representative, Mr. van Loben Sels, discussed your problems with you shortly after the original agreement was made. At that time you were referred to the Farm Security Administration for settlement of any problems. For your information, the Farm Security Administration has also turned over its records to the War Relocation Authority mentioned above. We believe that that agency will take whatever action is deemed necessary.

Gentlemen:

We have an agreement executed April 18, 1942, between George Dethlefsen, Reginald D. King and George K. Nishita, K. Kamimoto, concerning the well on Mr. Nishita's ranch and one on my ranch. It has been agreed among us that in case of the failure or trouble of Mr. Nishita's well to furnish water on his ranch, which is under lease to Mr. Reginald King of Watsonville and farmed by G. Dethlefsen, then the first party, George Dethlefsen, has the right and privilege to obtain irrigation water from the well situated on the lands owned by K. Kamimoto; and the agreement also in the vice versa state in the case of the failure of K. Kamimoto's well. Mr. Jess P. Nielsen of Watsonville, my power of attorney, has also a copy of this agreement.

When the motor on my well blew up, Mr. Dethlefsen could have used Mr. Nishita's well until he gave me notice to such trouble while I was yet in the Salinas assembly center about 20 miles distant. Instead he went right ahead under his own accord without any notice to anyone and purchased all the power plant equipment which was of no value to me. If he had properly give me word at that time, I could have made immediate arrangement as to belt and power take-off for my tractor from a Japanese farmer who was also evacuated into the assembly center. Even otherwise I would have made

2/ 1

different arrangements as to renting the necessary equipment until my electric motor was fixed. This would certainly have avoided the extreme cost of a new Read, power take-off and belt. No, Mr. Dethlefsen wanted to take advantage of the entire situation, so he could avoid paying service charges on the electric motor. I never knew he had bought all of these things of which I have no use and don't want. I was perfectly willing to fix the motor, and gave words to Jess Nishen as soon as I heard about the trouble from him while I was in the assembly center.

Now, in all fairness and as legitimate business I see no reason why I must pay for all of this "taking advantages" during my evacuation.

Awaiting to hear from you in regards to this matter, I remain

Very truly yours,
K. Kamimoto

AGREEMENT

THIS AGREEMENT, made and entered into this 18th day of April, 1942, by and between GEORGE DETHLEFSEN hereinafter called first party, and REGINALD D. KING, hereinafter called second party,

W-I-T-N-E-S-S-E-T-H:

That for a valuable consideration first party agrees to furnish irrigation water from the well situated on the lands owned by K. KAMIMOTO and leased to first party for the irrigation of the lands owned by GEORGE K. NISHITA and leased by second party for the purpose of irrigating crops on said George K. Nishita's ranch when necessary and for a period beginning April 16, 1942 and ending December 1, 1944. It being agreed and understood that the charge for said water has been agreed upon by both parties.

Gentlemen: RE: KAY KAMIMOTO

Yesterday I called at the Camp at the Rodeo Grounds and saw Kay Kamimoto who wrote us a letter on the 15th about his ranch, copy of which was sent you.

It was explained to him that his difficulty, being entirely a ranch problem, was something the F. S.A. could help him with.

We referred him to the F. S. A. representative at Watsonville who now has charge of this district also, and suggested to him that if he did not get satisfactory help from that office to write to the office in San Francisco, which he said he would do.

Dear Miss Kaminishi:

In your letter of November 3 you inquire with respect to the delivery to you, at your expense, of personal property which you have stored with the Bekins Moving and Storage Company, Seattle.

The control of the shipment of personal effects of evacuees from any source is under the War Relocation Authority, San Francisco. We are not in a position to authorize the Storage Company to make shipment of your property. In consequence, we are directing your inquiry to the War Relocation Authority, San Francisco, California, for the consideration of that agency.

Mr. R. T. Symms

Dear Mr. Symms:

I wish to thank you very much for your kindness in aiding me in securing the release of my blocked account.

However, there is another thing on which I would like to have your prompt assistance since I think you are responsible for the delay and expense that I am suffering in not being able to obtain delivery of my property which is being stored at the Bekins Moving and Storage Company. I am paying a high price to have goods store unnecessarily since I need the things so badly here. It is very cold here in Hunt, and since all of my winter clothes are in storage, I am suffering from the cold. I am willing to pay all transportation charges, but I cannot afford to pay for unnecessary storage.

On September 16, I sent a letter by registered mail requesting the Bekins Storage Company to send my property to me. However, I received a delayed reply on September 28, from them in which they stated that you had advised the company not to send the property to the camp unless we obtained a permit from the W.R.A. authorities. The W.R.A. authorities state that such permits are unnecessary, and that it is perfectly in order for me to obtain delivery of my property. Most of the storage companies have already delivered the property of evaucees to camp, and even those who had goods in government storage have obtained their goods.

I have sent several letters to Bekins since requesting them to deliver my property, but I have received no reply. If my goods have not already been released and delivered, I would appreciate your assistance in securing a release of them immediately for we need the clothes very badly and it is costing me unnecessary expense in leaving them in storage.

Hoping to secure your prompt assistance regarding this matter, I am

Sincerely yours,

Mr. Hiroshi Kamiya
4216-B
Tule Lake War Relocation Project
Tule Lake, California

Dear Sir:

Reference is made to our previous correspondence relating to the disposition of the equipment of the laundry previously operated by you in Red Bluff, California.

As you know, we submitted the matter to the office of the Alien Property Custodian for consideration, in view of the interest of Mr. F. Okawa as a mortgagee of certain of the equipment, and that office requested detailed information as to the amount of money still owing to Mr. Okawa on the mortgage debt.

As the War Relocation Authority has jurisdiction over the property problems of evacuees resident in War Relocation Projects, to the exclusion of this bank, we have informed that agency, which has headquarters in the Whitcomb Hotel Building, San Francisco, of the facts surrounding the problem in order that the matter may have its consideration. However, we believe that it will still be necessary that the Alien Property Custodian be given the data it requested in order to finally dispose of the problem. It is suggested therefore, that you direct a letter to the War Relocation Authority, Evacuee Property Division, Whitcomb Hotel Building, San Francisco, California, stating the exact amount of money still owing to Mr. Okawa, and if you can provide that agency with a complete inventory of the laundry machinery and equipment used in the operation we believe that it will be helpful.

Your prompt compliance with these suggestions will serve to expedite the solution of what has been a most complicated problem.

Very truly yours,

Assistant Cashier

Re: Hiroshi Kamiya,
File No. 9-100-017-1792.

Dear Sir:

Reference is made to our most recent letter of September 30, 1942 relating to the above subject.

We have been advised by the Bank of America National Trust and Savings Association, West Oakland Branch, that they did issue a contract in the name of the Star Laundry in January, 1941 in the amount of $673.34, which was paid down to $355.61 and became delinquent May 17, 1942.

However, this contract does not represent additional equipment but was issued for a sale negotiated by the California Laundry Equipment Company mentioned in our earlier advices. The latter company has paid off the contract in full and informsus that they expect to effect a sale of the equipment and a removal from the premises in the near future. The specific items are: one Prosperity Shirt Unit, one Motor and one Ball-bearing Spindler.

The foregoing information conforms substantially with that already relayed to you with one exception; viz, that the equipment held under contract by Caucasian interests has not actually been removed from the premises as yet, although such was the advice received by us and given to you. We are informed that the repossession is acceptable to Hiroshi Kamiya but due to the shortage of personnel the contract holders have been unable to dispatch a man for this purpose.

We are still anticipating advice from Mr. Hoffman, the landlord, in conjunction with the list of equipment presently at the site which you have requested.

Yours very truly,

Assistant Cashier.

BORDEN:EM

July 25, 1942

MEMORANDUM TO: MR. HERBERT D. ARMSTRONG

REFERRED BY MR. H. D. ARMSTRONG TO MR. Gullion JUL 28 1942

SUBJECT: Star Laundry
Red Bluff, California

Mr. Hiroshi Kamiya, operator of the above named laundry, which is located in Military Area No. 2, first approached our Chico office in early April.

It appears that subject was lessee of the property, with about four years remaining on the lease. At that time he was anxious to sell the business although no information was available that such area was subject to evacuation.

The bulk of the equipment for the operation of this business had been purchased by him on contract from F. Okawa, formerly of Reno, Nevada, who had returned to Japan in 1940.

The total purchase price of said equipment, a list of which is in our files, amounted to $4,000.00, which, Kamiya stated, had been reduced to approximately $2,000.00. Payments had not been made to Okawa since June, 1941 as United States authorities had returned, without advice, any checks subsequently mailed.

The Star Laundry's business had been sharply reduced since December 8, 1941 and on May 22, 1942 Kamiya advised us that efforts to find a buyer were unavailing. From a practical standpoint this office suggested that if a satisfactory buyer could be obtained a sale could be effected in view of Kamiya's status as a United States citizen. It was suggested that a blocked account in the name of Okawa be established and his rightful portion of the proceeds of the sale be deposited to his credit in that account. However, in view of the fact that a reasonable price could not be obtained, these suggestions were of no particular merit.

In addition to the equipment mentioned above, certain items about which there was no complexity of title had been purchased under contract from American business firms.

Two contracts with the California Laundry Equipment Company of Oakland were in effect; one which was negotiated in January, 1941 at a cost of approximately $582.00 represented a chattel mortgage on shirt machine, collar press and air compressor, which had been reduced to approximately $355.00; the second contract made in March, 1941, at an original cost of $225.00, was for an extractor and the present balance is approximately $78.00.

On July 10, 1942 our Chico representative was again approached by Kamiya, who sought advice in view of his changed status and the imminence of evacuation in Military Area No. 2. His landlord, Mr. Hoffman, was willing to cancel the lease without penalty but having secured a new tenant, was anxious to arrange removal of the equipment in order that he might lease the premises.

Kamiya supplied us with a copy of the mortgage agreement dated April 19, 1938 between himself and Okawa. Among the items included in the contract was a 1934 Ford Delivery on which the duly endorsed certificates of ownership were available. These certificates were forwarded to us, together with the documents, and are presently in our files.

On July 13, 1942 we addressed a letter to the Alien Property Custodian recapitulating this entire problem and seeking any advice or assistance he might be able to render. Up to the present time nothing has been forthcoming from that agency other than that they had forwarded the letter to Washington for exploration.

On July 24, 1942 we received a letter from the California Laundry Equipment Company advising that they desired our permission to repossess that portion of the equipment which they had originally delivered to Kamiya. There was enclosed with their letter a copy of a note addressed to them by Kamiya inviting them to repossess the equipment and advising them that the Government had taken over the balance.

This office contacted the California Laundry Equipment Company and advised them that we would in no wise prevent or interfere with repossession. The financial history of the contracts was ascertained as outlined earlier in this memorandum and we advised the California Laundry Equipment Company that further conversations would be held with them during the week beginning July 27, 1942, although it was made clear that nothing would be done to preclude foreclosure.

It is of course obvious that there is a plethora of laundry equipment for sale at the present time. This fact, coupled with the loss of goodwill because of Japanese ownership, has diminished the prices obtainable.

In the writer's opinion, Kamiya should allow repossession of that equipment owned by Caucasians because of the equity which is marginal and any sum he might receive would be nominal at best if sold through other channels.

Two avenues present themselves so far as that equipment under chattel to Okawa is concerned, viz., place it in storage for the duration, looking toward an ultimate renewal of the contract with Okawa after hostilities have ceased; Kamiya could give a power of attorney to some disinterested party for sale of this equipment with half the proceeds to go into a blocked account in the name of Okawa and the balance revert to himself.

If this alternative is used the minimum acceptable price would of course have to be stipulated.

There would undoubtedly be some question about the title in view of Okawa's absence but this is a matter which could be straightened out based on certain understandings.

It is suggested that this latter method presents the most desirable form of disposition, assuming that proper arrangements could be had.

Dear Sir:

Reference is made to your problem in connection with the disposal of the Star Laundry located in Red Bluff, California. We have referred the entire case to the Alien Property Custodian in view of the present residence of Mr. Okawa in Japan.

We are now requested by this latter agency to determine among other matters, the present status of the contract, together with the delinquency since June, 1941. Additional information is also being sought from the landlord in question, Mr. M. E. Hoffman.

Will you therefore kindly supply us with the accounting as requested above at your earliest possible convenience.

It is hoped that some disposition of this entire problem can be made in the near future.

Very truly yours,

Assistant Cashier

Dear Sir:

We are enclosing a copy of a letter dated April 2, 1942 addressed to the Provost Marshal by Frank Kamiyama, 1413 Tulare Street, Fresno, California. This letter was referred to us by the Provost Marshal and reached this office on May 20, well over a month after it was written.

As we assume that the writer has now been evacuated, we presume that some disposition was made of his problem before the evacuation occured. At the same time we believe we should look into the situation to see what disposition was made of the property in question.

Perhaps it would be well to contact Mr. Kamiyama at the Assembly Center to determine whether this matter needs further attention.

Yours very truly,

Assistant Cashier.

Dear Sir,

One week ago, my uncle, with all other Japanese photographers, have been picked up by the F.B.I.. I had to assume the responsibility of the Studio. Not knowing anything about the laws governing the operation and closing of the photo studio I wish to clear myself on certain points which was unobtainable at the local W.C.C.A., F.B.I.,and the police station. The local W.C.C.A. suggested that I write to you directly and give the duplicate copy of this letter sent to you,to them. Believing you would prefer direct, short, and to the point questions they are as follows:

1. The moveable equipments of the studio have already been turned in at the local police station at the time of proclamation affecting it. We would therefore like to know if the remaining stationary studio equipments could be turned in at the same place. If otherwise, would the local W.C.C.A. be the proper place to turn over the equipments.

2. Can I sell all of the studio equipments to any American who are not of Japanese ancestry?

3. I wish to keep the lenses of the studio equipments in my personal possession in the event the equipments can not be sold at a fair price. Could this be done?

Reference is made to our contract dated May 5, 1942 wherein I agree to purchase from you one (1) Chevrolet Pickup Truck, motor number AD214992.

Circumstances beyond my control have made it impossible for me to proceed with the agreement. I am informed that with the present shortage of vehicles you would encounter no difficulty in selling this car to the United States government. In view of that fact, will you kindly consider this as formal cancellation of the above mentioned agreement and take any steps you may desire for sale elsewhere.

Upon advice from you I will be pleased to deliver the machine at any point within the Bay area region which will enable you to dispose of this matter.

Dear Sir:

We have been informed by Mr. Samuel Kanda of a transaction between himself and you conducted before his evacuation.

According to his statement, a Chevrolet truck was transferred from him to yourself under a contract calling for monthly payments of $30.00 against a total consideration of $750.00. A copy of this agreement is in our files. Mr. Kanda's representative at Tanforan advises that no payments against this contract have been made, although the transfer was effected May 5, 1942.

This bank is charged with the responsibility of seeing that evacuees receive fair and equitable treatment in all matters pertaining to their property. If the foregoing statement by Mr. Kanda is in accordance with your understanding of the facts, we would be pleased to have you take the necessary steps in order to bring the contract up to date. If there is any disagreement between yourself and Mr. Kanda we suggest that you initiate correspondence with him in order to effect a satisfactory settlement.

Mr. Kanda's address is Barrack 26, Apartment 67, WCCA Assembly Center, Tanforan, San Bruno, California.

Dear Mr. Borden:

A Mr. Samuel I. Kanda of Barrack 26, Apt. 67, Tanforan Assembly Center, has come to us for assistance in collecting payments due from one William Sanders of 289 Sixth Street, Oakland, California.

We understand that Mr. Kanda sold the Chevrolet Pickup truck, which is described in the attached sheet, to Mr. Sanders with the agreement that Mr. Sanders pay to Mr. Kanda the monthly sum of $30.00 until the full sum of $750.00 has been paid.

No down payment had been made, nor has any payment been received to date. Since May 5, 1942, Mr. Sanders has had free use of the truck.

We are wondering if you could write to Mr. Sanders and ask that the payments be made or inquire why there has been no payments made.

Thank you for your kind attention to this matter.

Dear Sirs:

Reference is made to your letter of July 23, 1942 inquiring as to the whereabouts of San Kanemura.

We have no knowledge of the whereabouts of this evacuee as the Lompoc area was administered by our Los Angeles office. A copy, therefore, of your letter is being forwarded to them with the thought that their files may disclose to which Assembly Center he was evacuated.

Additionally, it is suggested that you address an inquiry to Dr. Calvert I. Dedrick, Wartime Civil Control Administration, Whitcomb Hotel, San Francisco, California, whose office should be in a position to give you the necessary information.

Very truly yours,

Dear Sir:

On June 11th you advised us that the above subject did not wish to sign our conversion form letter which was directed to him on May 26th. In this letter we informed Mr. Kanzaki that the Army was offering $315.00 for his 1930 Ford Panel Delivery.

Since this will be the only remaining car in Turlock, we shall appreciate having you contact Mr. Kanzaki again to see whether he may have changed his mind. In order to provide him with this opportunity again, we are enclosing another copy of our conversion letter for his signature. If however, you find Mr. Kanzaki is objecting to the price offered, we suggest that you secure several bids on the car from various dealers in the vicinity. Providing the evacuee then decides to sell his car to a third party, by virtue of your efforts to secure a better price for him, please advise us promptly so that we can send you our forms WPB-8 to complete the transfer.

As soon as you get a satisfactory answer from Mr. Kanzaki, please let us know and if he decides to sell his car to the Army, kindly forward his ownership certificate together with the conversion letter properly signed.

Re: Sacramento #241

Dear Sir:

A short time ago you called at this office for assistance in solving problems precipitated by evacuation plans. Have you completed satisfactory arrangements? You may reply on the reverse side of this letter.

Very truly yours

M. M. McFarland

RECEIVED JUN 1 1942 EVACUEE PROPERTY DEPT.

April 17, 1942

Dear Mr. McFarland;

It was very kind of you to inquire regarding my case. As was instructed I applied through my lawyer for a special license but thus far it has not come.

I have in the meantime inquired about other cases similar to mine but your office did not instruct them of the necessity of applying for a special license. Can it be that the situation has changed making it unnecessary to apply for a license? Can this be the reason why I have not yet received mine from San Francisco?

Your courtesy is very much appreciated.

Sincerely yours,

Hisako Osuga

Mr. Kasai made an effort to secure from state reclamation board a right to sublease the property and so recover some of his advance rent. However, the state board had an opportunity to sell the building, which they did and gave to Mr. Kasai a cash settlement for his rent for the coming year and a half. He was quite satisfied.

On 4/18 this party discussed at length a feud between himself and one S. Hasoda, now deceased, but carried on with sons Tokuichi and Juno Hasoda, of long standing over past 10 years, address 1603 Post St. Phone West 5338.
It seems that abt 1932 he was renting living quarters from S. Hasoda and on account of some legal dispute over financial matters refused to pay abt 4 months rent and on morning left personal effects - 18 boxes books, 2 boxes historical material, personal effects in 2 Bureau drawers and in 1 table drawer. About 1935 claims these things missing and Klagts sent against Hasoda's for abt $18,000 C amended later to $5000 C claim. Has employed 6 attorneys in S.F. on this case with seeming inaction by all. Last attorney interested in Case W.O. Mundhenk & Daniel C. Deasey Jr, 315 Montgomery St SF.
Action taken: Phone Garfield 3970. Discussed with Mr Deasey. Sent Mrs. Carpenter of this office to investigate with Kashima the premises of Hasoda's to try and find abt articles but no results.

STATEMENT OF FACT. Copy

The course, to be filed A CLAIM for missings against defendant Hosoda. We can not see any confidence and faith of S. Hosoda, Defendant, on July 26th, 1935.

On July 15th, 1935. after our trial, Judgment is ordered in favor of (Mrs.) Taki Kajima plaintiff, and against S. Hosoda defendant for $50. and $1. costs or return of all the furnitures etc.

Den Morozumi (interpreter of defendant), Shinjiro Hosoda, defendant and one woman run after us, Morozumi called "Mr. Kajima, wait a minit", when we were on our way home from Van ness side gate of City Hall, after our trial.

And Morozumi stated to us that you don't need wait 5 days, you can take all your things to-day. Also, S. Hosoda has no intention to claim for the rent against you.

S. Hosoda demanded Kajima to settle the matter in humanely, stating himself that he was once agreed with Kajima, a campaign against vice of Japanese association of San Francisco in 1927 - 1928., during the past 10 years.

A woman with defendant, demanded Kajima to take away all our properties from the place of S. Hosoda dnd settle the matter between S. Hosoda and Kajima. BUT this proposal was refused by S. Hosoda.

But, S. Hosoda agreed to take away for the JUDGMENT of the Court,

Therefore, myself, my wife with baby went to Hosoda's house for the arrangement of our things, BECAUSE our things piled up in one room upon the request of Hosoda. in a room rented $ 5.00 per month.

AND WE FOUND that in the room where we piled our things are moved away some where else. And the room is used for storing S. Hosoda's old furnitures: 5 old chairs, one desk, two tables, one tall radder, and old bed spring, etc.

THEREFORE, under S. Hosoda's instraction, we went round S. Hosoda the places where our things stored by S. Hosoda.

After we look round three places with S. Hosoda, Kajima questioned to him that EIGHT BOXS BOOKS, TWO BOXS HISTRICAL MATERIALS OF MY PUBLISHINGS, TWO BUREAU - DROWERFULL THINGS, and ONE TABLE-DROWERFULL THINGS are not in the places where we looked. WHERE ARE THEY KEPT? It weights more than TON.
S. Hosoda answered that he don't know because he hired man and moved the things under the management of TOKUICHI HOSODA his son, and his son will be home in September. (at that time T. HOSODA was in Japan)

CONSEQUENTLY, we just arranged the things in the barn only. And baby's cloths founded in an uncovered paper box which were kept in a middle drower of bureau, and one Iron, brought home by my wife.

S. Hosoda and D. Morozumi were drinking in the kitchen of Hosoda, when we were on our way home, from the barn of Hosoda. Morozumi requested

Kajima drink with them. Kajima refused Morozumi to drink with them.

Morozumi stated that he wanted talk with me. Then, Kajima answared to him that Kajima will make a call Morozumi for the talk without drinking.

Morozumi came out from his drinking seat, and he hold Kajima tight in his both arms, and Morozumi threatened Kajima that:

LISTEN TO ME? DONT SUE HOSODA ANY MORE AGAINST HIS ACTIONS.
DONT YOU LISTEN TO ME? DO YOU WANT FIGHT WITH ME BY REFUSING MOROZUMI'S REQUEST?

Then, Kajima answered to morozumi that refuseing morozumi's any request or demand, WHY constitute the reason of morozumi fights against Kajima. It may be in your disposal, may be your own selfish. Kajima can not help with it. OTHERWISE STATE THE REASON? WHY SHOULD BE KAJIMA RECOGNIZED WITH ANY DEMAND OF MOROZUMI?

And then, morozumi his arms off from Kajima, on account of my baby's cry.

And then, Morozumi talked to my wife with his admonition voice, that you better take every things all you want to-day.

ON the 17th day of July, 1935.
We went Hosoda's house again for the arrangement receiving my wife and baby's things.

We listed missings at large under the judgment. and We mentioned that we can not find things mentioned to S. Hosoda as the same as on July 15th, 1935.

And then S. Hosoda stated his talk in our past 10 years. and S. Hosoda questioned me that WHY DID NOT TAKE LEGAL ACTION IN JULY LAST YEAR? BECAUSE HE HAS NO EXPLANATION FOR THE PROPERTIES IN WEIGHTS OVER ONE TON.
dont explained

CONSEQUENTLY, Kajima said to S. Hosoda that after the trial in the city hall S. Hosoda demanded Kajima to settle the matter in humanely. If it were your real desire and intention, I am always ready to do so.

BUT in our experiences in past, trying settle the matter between Hosoda and Kajima, always resulted it was invain.

SO THAT, if you have the faith of you for the settlement of the matter, you bring a confident man with you who may could be respond of you.

Ofcause, Kajima will bring a confident man with him, and settle the matter.

S. Hosoda with willingly agreed with it and stated that it is he disires. Then, Kajima leave to Hosoda for the date arrangement of our mettings to settle the matter.

On the 23rd day of July, 1935.
We went Hosoda's house for receiving the things under the Judgment. And received the things under the watch of Juro Hosoda, and for the missings, claimed to Juro Hosoda inwritten.

On the 23rd day of July, 1935. Juro Hosoda and S. Hosoda's wife noticed to Kajima that S. Hosoda can not get a confident man for a settle of the matter in humanely what S. Hosoda desired.

So that Kajima made inquire of S. Hosoda into his church, because May 9, 1934. S. Hosoda and Rev. Kawashima talking the baptism of S. Hosoda when Kajima proposed Hosoda to pay rent a partly. And S. Hosoda refused it and he wanted me pay at once.

As a result of my inquire to the church where S. Hosoda attends., S. Hosoda baptized on the first day of April, 1934. By Rev. Kawashima.

Freshly baptized S. Hosoda can not get a confident man for a settle the matter deprived the properties of Kajima, without any due process of law.

As far as Kajima concerned with S. Hosoda since April 1926. He was a normal person in my sight. But now, Baptized S. Hosoda is not repent of his sin and gilty offenced by himself. IN FACT, S. Hosoda might be repent his less sin and gilty offenced in his past. And after S. Hosoda baptized in his church, decidedly he get worse of himself. It will be proved him apparently through the court.

WE RESPECT RELIGION, AVOID THE TROUBLES. Kajima can not see any confident and faith at S. Hosoda. It is the reason (Mrs.) Taki Kajima filed a CLAIM for missings against S. Hosoda, on the 26th day of July, 1935.

Also, S. Hosoda gives free talk to the public 3 - 4 times yearly, on the subject of the troubles of Justice and Humanity. What a conflic of himself is?

STATEMENT OF CONTROVERSY CONCERNING EMPLOYMENT

between

Mrs. T. W. Connolly & Geo. Kenzo Kashiwagi

INTRODUCTION

This case came to me on May 18th at the Control Station, 1501 O'Farrell Street, San Francisco, by the complaint of Geo. Kashiwagi residing at 1696 Haight Street, San Francisco; that he had been in the employ of Mrs. Connolly for the past seventeen years. He contended that he was hired by Mrs. Connolly one or more half day periods each week as a houseboy to clean house and that there was a balance owing in the amount of $436.50 as a result of such work. Mr. Kashiwagi presented numerous copies of statements which had been rendered to his employer at various times, showing the amounts owing for the period of the statement and the amounts paid on account in each instances.

Mr. Kashiwagi stated he discontinued the employment on or about January 1, 1941 with a balance at that time of $576.50; that thereafter until about April 1st he performed similar services but was paid in each instance in cash.

He stated that during the period covered in this report he had many times made demand for the balance owing but was assured by Mrs. Connolly that he would be paid and that she urged him not to mention the matter of the amount owing to anyone as he would be taken care of and paid in full. With these promises, small amounts were paid on account as an inducement to continue his employment and services.

Mr. Kashiwagi stated that following April of 1941 he repeatedly continued to make demand for payment by attempted personal inverviews in which further promises were made and thereafter no consideration was given; in fact, the door was repeatedly slammed in his face. Furthermore, he had many times attempted to contact Mrs. Connolly by telephone whereupon the 'phone was hung up and no consideration given. During the latter part of last year, he was called into the District Attorney's office before Deputy District Attorney, Mrs. Evans, at 550 Montgomery Street, San Francisco, and warned by her to make no more personal calls or telephone calls but that if he had something coming, he should take legal procedure. Mr. Kashiwagi further stated that he understood that sometime during 1941 Mrs. Connolly had turned over all of her property and finances to her daughter, Miss Alice Connolly, residing with her mother and a school teacher at the Daniel Webster School, and to her son, Alvin Connolly, now of the Federal Bureau of Investigation, Washington, D. C; that during May and June of 1941, Miss Connolly made one or two payments of $10.00 each on account and that beginning September 15th, Miss Connolly paid him by check, marked "on account" $10.00 and in four successive payments thereafter, making a total of $50.00 for this period, until the last payment made on January 1, 1942; furthermore, that Miss Connolly then recognized the account and assured Mr. Kashiwagi that he would be paid in full.

INTRODUCTION (continued)

It appears that after January 1st any attempt to collect the amount owing was resisted by both Mrs. Connolly and her daughter, Miss Alice Connolly, with a refusal to discuss the matter in person or over the 'phone and that to cause him to desist any further annoyances, the services of the Burns Detective Agency were employed. He was reported to the F.B.I. and an attempt was made to obtain a warrant for his arrest at the Richmond District Police Station.

Mr. Kashiwagi further stated that he had been employed as houseboy in San Francisco by such persons as Mrs. Angelo J. Rossi, the wife of Mayor Rossi; Mrs. Eleanor Leggat, Mrs. J. H. Greffkens, Mrs. Howard Thurber, Mrs. A. J. Romey, Dr. J. M. McNaught, Mrs. Richard D. Araunt and many other families of reputation in San Francisco.

With this background, Mr. Kashiwagi was then asked to make up a detailed statement of the account from his memorandum of statements rendered to justify his claim. Such a statement, as compiled by Mr. Kashiwagi, is attached hereto and made a part of this report, showing the dates, details of amounts due together with total monthly amounts, the amounts paid on account, the balances due at the end of each month and the final balance of $436.50.

TELEPHONE CONVERSATION WITH MRS. CONNOLLY

At about noon on May 18th I 'phoned to Mrs. T. W. Connolly at her residence, 1346 Lake Street, telephone - Skyline 0964, and told her that Mr. Kashiwagi had complained that she was owing to him for employment as houseboy in the approximate amount of $436.00; that the Federal Reserve Bank was interested in the problems of evacuation and that such matters should be settled amicably between the parties interested; that Mr. Kashiwagi had complained that he had many times attempted to collect the amount owing but had been met with lack of consideration by her and that I was inquiring as to her side of the story that a proper understanding might be reached as to the transaction.

Mrs. Connolly then explained that George Kashiwagi had been employed by her for about seventeen years; that she owed him nothing but that he had continued to disturb her until she had to seek the services of a Burns Detective employed for a couple of months; that she went to the Federal Bureau of Investigation in San Francisco and proved to them that she owed him nothing; furthermore, that she had him before the District Attorney, Mrs. Evans, Deputy, whereupon she also proved to Mrs. Evans that she owed him nothing. On continued annoyances, she swore out a warrant against Mr. Kashiwagi at the Richmond District Police Station. She further stated that she had no money to pay his claim, if there was such amounts owing, as she had turned over all of her business to her daughter, Miss Alice Connolly, and was therefore without any funds.

TELEPHONE CONVERSATION WITH MRS. CONNOLLY (continued)

I then reasoned with Mrs. Connolly that if there were amounts owing, it would be proper that settlement be made and I would like to have her come down to the Control Station to discuss the matter and to look over the statement made by Mr. Kashiwagi. At the beginning of the conversation Mrs. Connolly told me that she had her cancelled checks for all payments made and upon my asking that these be presented, she then said that they had been destroyed and that she had no such documents and that she had turned over all of her business to her daughter.

OTHER CONVERSATIONS

After discussing the matter with Mrs. Connolly, I 'phoned Mrs. Evans, Deputy District Attorney, at 550 Montgomery Street, and found that Mrs. Connolly had complained that George Kashiwagi was bothering them about a bill; that George was called into the office and told by her that he should make no further attempts to 'phone or contact Mrs. Connolly personally, but if he thought they owed him for labor, he should file a claim in court. She also said that she did not discuss or determine the justice of the account, or express an opinion thereon.

I further checked with the Richmond District Police Station and found that Mrs. Connolly had attempted to have an officer make an arrest of Mr. Kashiwagi but that they refused to do so and told Mrs. Connolly that he had a right to ask for the money if such an amount were owing.

I further checked with Mr. A. M. Harris of the Burns Detective Agency in San Francisco and he said that their services were called upon by Mrs. Connolly to "trail George Kashiwagi to find out what he wanted", but that they did not find him. He further said he thought there was something behind the motive of Mrs. Connolly that she was not divulging.

I further checked with Mr. Griffin of the Federal Bureau of Investigation at 111 Sutter Street, San Francisco, and was told that Mrs. Connolly asked them to make an investigation of the background of George Kashiwagi and that he was disturbing them by continued demands for money. Mr. Griffin stated that this request was refused on the statement that if money was owing to Mr. Kashiwagi that they could not concern themselves with the matter.

'PHONE CONVERSATION WITH ALICE CONNOLLY

At about 5:20 P.M., May 18th, I 'phoned Alice Connolly at her mother's home and stated that George Kashiwagi had presented a statement of some $436.00 owing for houseboy services and inquired as to why this bill had not been paid, after explaining the position of the bank as to its interests in the problems of evacuation.

TELEPHONE CONVERSATION WITH ALICE CONNOLLY (continued)

Miss Connolly stated that Mr. Kashiwagi had worked for the family since she was a girl and for at least some seventeen years past; that she was not responsible for any amounts owing by her mother or by the family and that her mother had no funds with which to pay any amounts as her mother's business had been turned over to her and that she did not propose to pay any of the obligations of the family; that they had in the past many servants and had always paid their bills when due. She further stated that she could not understand George's attitude in approaching her to pay the obligations of her mother if such obligations existed; that recently he had made such demands that they were compelled to seek the services of a private detective, the Federal Bureau of Investigation and had been forced to obtain a warrant for his arrest because of his continued harrassing them for amounts claimed to be owing; that she considered it was a case of blackmail to extort monies from the family.

I then told Miss Connolly that Mr, Kashiwagi had prepared a detailed statement based upon the statements rendered from time to time wherein a balance was owing of $436.50; that on this statement it appeared that she had paid Mr. Kashiwagi in amounts of $10.00 each the amount of $50.00 from September 15, 1941 to January 1, 1942, which evidently proved her recognition of the balance owing. Miss Connolly then stated, "Yes, I did this to keep him quiet and if I had thought, I would not have paid him anything after the incident at Pearl Harbor. My uncle, Mr. E. D. Swift of the Swift Lumber Company, told me that I was foolish to pay George any more money after Pearl Harbor."

I then asked Miss Connolly if it was her attitude that the incident at Pearl Harbor relieved her or her family of any further financial obligations to Japanese people in this country. She said, "Yes, I would not have paid him any money if I had thought of how serious Pearl Harbor was".

I then stated to Miss Connolly that from the statement rendered, it is evident that your family is owing to Mr. Kashiwagi in the amount of $436.50 as an accumulated balance over a period of the last nine or ten years and that the bank desired to know if this amount or any other amount was owing.

She said, "Well, that is what he says is owing. Do you take his word against that of an American? What, are you trying to defend these Japs?" I then explained the position of the bank as entrusted with the duty, under the Evacuation Order, of seeing that no undue advantage was taken of evacuees and that their business and property relations be settled in an orderly manner and on a fair basis. Furthermore, that since he had complained of the amount owing, I would like to have her come down to the Control Station and discuss the matter with the idea in mind of an amicable settlement.

TELEPHONE CONVERSATION WITH ALICE CONNOLLY (continued)

She said that she did not personally owe this Japanese anything; that her mother had turned over all her affairs to her and had nothing with which to pay and that she was not going to pay her mother's obligations or those of the family and that she did not consider that she owed Mr. Kashiwagi one penny. I then asked that her mother come down to the Control Station and go over this statement so as to arrive at the proper conclusion of the amount owing, if any. She further informed me that neither she nor her mother would discuss the matter further and no additional amounts of money would be paid to the Japanese.

CONCLUSION

After these conversations and extended investigation, it is my personal opinion that an attempt has been made to evade paying this obligation for services rendered by intimidation, threats and embarrassments of this Japanese to try and make him give up the pursuit of his just claim. There is a strong conviction in my mind that these people have used the services of this Japanese and abused him at every turn by false promises that he would be paid and asking him not to mention to anyone that amounts were owing from time to time, thus forestalling any attempt by him to make collection prior to this time.

In my conversation with Miss Connolly, I found her most evasive in her conversation, side-tracking questions asked by relating irrelevant matters and a general evasion. In fact, she showed disposition of utter lack of cooperation in the consideration of this matter of determining the true amounts owing. Mr. Kashiwagi related that in every instance of his presenting a statement of account, Mrs. Connolly checked with him from her records which she kept, verifying the exact amounts and balances owing.

I have 'phoned all of the people above enumerated for whom he has worked in the past, including Mrs. Angelo Rossi. In every instance he was highly commended, having been entrusted with the keys to homes and offices to come and go as he pleased in the performance of the work for which he was employed. He was considered as strictly reliable, having performed his duties carefully and honestly, and was in all respects extremely satisfactory.

I am impressed with the fact that repeated promises have been made to forestall any action on his part to collect these amounts until more recently his demands have seemingly become irksome to the extent that they used the Pearl Harbor incident to relieve them from any further obligation to this Japanese, and that they have used every means of attempted intimidation by calling upon the various agencies enumerated herein to scare him into submission.

CONCLUSION (continued)

In the conclusion of this investigation and on the urgent request of Mr. Kashiwagi as to his legal rights, he was informed that he had the right to file his claim with the Labor Commission against Mrs. Connolly and also her daughter, since the affairs of the mother had been turned over recently to the daughter, Miss Alice Connolly, and her son, Alvin Connolly. This was done by Mr. Kashiwagi on the afternoon of May 19th and a hearing has been set for Tuesday afternoon at 2:00 o'clock, May 26th, 1942, at the Commissioner's office, 515 Van Ness Avenue, San Francisco, with reference to Mr. Goldsworthy, Deputy.

Respectfully submitted,

Dallas H. Gray

Dear Sir:

We have received your letter of February 19, 1943 regarding your personal property placed in storage at the time of evacuation.

The warehouses provided by this bank for the storage of evacuees' goods, as well as the contents therein, have been turned over to the War Relocation Authority, Whitcomb Hotel Building, San Francisco. All property problems of evacuees now come within the jurisdiction of that agency, and any requests for the forwarding of your goods should be directed to them.

We are referring your letter to the War Relocation Authority for consideration.

Yours very truly,

Dear Sir:

Last year we placed our belongings in the United States warehouse, because we were told that they would come right away. It has been over a year now, and we would like to know when the things are going to come.

Many of the other people that came with us, placed their possessions in the warehouse at the same time; they have received their belongings a long time ago. About three or four months ago. We were wondering if our things had also been sent and gotten lost on the way. If not, please let us know.

Sincerely yours,

Dear Sir:

Reference is made to your letter dated October 2, 1942 relating to the property of John and Dorothy Katano in Delano.

We do not appear to have had any dealings with these evacuees in the course of evacuation operations, nor does our file contain any data regarding the transaction mentioned by you.

We understand that the evacuees are now resident in an Arizona War Relocation Project. The agency having jurisdiction over the property problems of evacuees in such areas is the War Relocation Authority which has headquarters in the Hotel Whitcomb Building, San Francisco. We have taken the liberty of submitting your letter to that agency in order that the problem you mentioned may receive consideration.

Evacuee Property Dept.
Attention Mr. R. E. Everson

Gentlemen:

Referring to property owned by John Katano and Dorothy Katano, located on Lot M. City of Delano.

At the time the Katano's were sent to the Concentration Camp in Arizona they gave us a letter, or order, to rent their property, collect the rent and apply the rent on bills which they owed us.

The Citizen's National Bank of Los Angeles now claim that they hold title to the property through a Sales Contract or Trust Deed.

We wrote to the Citizen's National Bank and asked them to advise us as to their interest in this property so that we could protect the Katano interest while the Katano's were in the Concentration Camp. We have had no answer to our letter and the bank has made further demands upon the renters for payment of rent direct to them.

As we understand it the Katano's owe them bank approximately $1000.00. The property is worth approximately $3200.00.

We do not believe the bank should be permitted to confiscate this property with no equity left for the Katano's.

Will you please take this up with the Citizen's National Bank or advise us what steps should be taken to protect this property.

Yours very truly,

Dear Mr. Gibson:

A Mr. Kametaro Yoshizawa of Building 14, Apartment 98, of our Center has come in to us and asked that we get in touch with you concerning a Miss M. D'Ille.

From the information we received from Mr. Yoshizawa, we understand that Miss D'Ille had acted as an interpreter at the San Leandro offices of the W.C.C.A. Mr. Yoshizawa had met Miss D'Ille several times concerning the collection of a sum of $60.00 from a business man in San Leandro. We understand that Miss D'Ille promised to secure the money for Mr. Yoshizawa and send it to him at the assembly center.

We are wondering if you have the address of Miss D'Ille or know here whereabouts so that we can get in touch with her in order to inquire as to what disposition she has made of this matter.

Dear Mr. Schmitt:

Re: Policy No. 13 121 082
George Katayama

We are in receipt of a letter from our Sacramento Branch Office asking us to write you regarding this case.

On last Friday, May First, we sent the insured's father, Takeo Katayama, a letter, and with it enclosed the official receipt in settlement of the December, 1941 quarterly premium, and also returned to him the certified copy of the insured's birth record which was given to us in connection with the premium payment.

Ever since January 14, 1942, we had been endeavoring to obtain the necessary affidavits and copy of the insured's birth record so that we could accept payment of the December, 1941 premium. We had considerable correspondence with the insured's father asking that he furnish us with the requirements but we were unable to receive any cooperation from him until about two weeks ago. The requirements were submitted to the Home Office, and last week we received their permission to accept the money order which was forwarded and mark the premium paid.

In accordance with the request from the insured's father that the policy be surrendered for its cash value as of March 16, 1942, we wish to state that this matter is receiving attention and the check should be received here inside of the next ten days.

Yours very truly,

Dear Mrs. Katayama:

I received your letter and hope you and the children are well. Ive been in the hospital five weeks but am getting along fine and expect to go home in a week.

My sister has been doing her best to rent the store and had it advertised in the Oakland Tribune for 8 days and there were only one party who answered and they complained about the equipment being very old and obsolete. I have a party now that seems interested but have no money. Now I would like to know how much do you want for your equipment. If you ask too much I will have to ask you to move it out but if it's reasonable, I might be able to sell it on monthly payments myself.

I want you to answer me immediately as the store has been empty a long time now.

Hoping to hear real soon,

Sincerely

MEMORANDUM

August 24, 1942

Subject: Harry H, Lee
920 A Street
Hayward, California

Talked with the above today by telephone to outline to him our position with reference to the collection of small accounts against or in favor of Japanese evacuees. He referred to an item of $7.09 against George Kato which he will attempt to collect through a collection agency at Fort Morgan, Colorado.

His inquiry was directed to us because in the early stages of the evacuee program a representative of this bank addressed the Credit Men's Association and indicated that we would aid in the collection of obligations due from Japanese evacuees.

Dear Sirs:

The above Japanese owes one of our clients the sum of $7.09.

The last address we had for him was care of H.G.Sayell, Route 2, Fort Morgan, Colorado.

We understand this party is steadily employed in that place, but he refuses to reply to our letters.

Will you kindly instruct him to forward this amount to us?

Supplement agreement on lease of K. Kato on the premises located at 1333 Kern Street, Fresno, California.

The lease provides for the payment of $30.00 per month rental payable on the first day of each month, and still has more than three years to run. In consideration of the circumstances of the lessee having to have to evacuate, it is agreed by the lessors that during the term of the evacuation the said lessee's lease rental will be reduced to $20.00 per month commencing May 1, 1942 during the period of the evacuation and it is further permitted by the lessors to permit the lessee to let Fred Katsoka use a part of the premises in which to store his merchandise at an agreement arranged between those parties. The present lease provides for $30.00 per month and the $10.00 differential will be absorbed by the lessors during the absence of the lessee.

Dear Sir:

Mr. Kinju Kato, Route 2, Box 691 Reedley, California, has come to me for help in collecting money that he states is due him from you.

His statement is, that he sold you his flower nursery for $500 and has received $100, and that the balance of $400 is long past due. This amount, he said, was to have been turned over to the Los Angeles Escrow Company where all documents in connection with the deal have been deposited by Mr. Kato and Iwao Sumii.

Mr. Kato expects to be evacuated any day now, and has asked me to request you to deposit the $400 at once with the Los Angeles Escrow Company at 4660 West Washington Blvd.

Will you please let me hear from you by return mail?

Dear Sir:

Mr. Kinju Kato, Route 2, Box 691, Reedley, California has come to me to get help in the immediate settlement of an escrow which he claims was left in your office sometime last March and was to be settled some three weeks after his voluntary evacuation from that area which was approximately March 28.

His previous address was 9461 Canterbury Avenue, Pacoima, California.

It seems the escrow was in the names of Kwao Sumii and Monte Cly. Mr. Cly of 845 South Cramercy Place was the purchaser of the property where Mr. Kato lived at Pacoima.

Will you please advise me by return mail of the present condition of this escrow.

Principal property involved and scope of problem:

Sale of Caterpillar Tractor and equipment pertaining thereto, growing out of several telephone conversations with Mr. Doyle Y. Landon, Field Agent for the Farm Security Administration, Torrance, Calif.

Action taken:* The attached letters and copies are self explanatory with the exception of the letter from J. W. Grafford. I showed Mr. Kato this letter and he decided it would be best to accept the check for $1650.00 as sure rather than negotiate with Mr. Grafford with no assurance that he had the money with which to make good his offer.

Mr. Nubuo Kato is 22 years of age and although his father, T. Kato, is in a concentration camp in Louisiana, Nubuo Kato claims to be head of the family with authority to dispose of such property as he sees fit. I called Mr. Landon and advised him of this fact and he suggested that so long as Nubuo claimed this property it was his thought that he had the right to dispose of same.

At Mr. Landon's instructions I prepared the bill of sale and delivered the check to Nubuo Kato and mailed the bill of sale to Mr. Landon.

IN REPLY REFER TO

1927 Carson Street

June 10, 1942

Mr. D. M. Dunton, Representative
Federal Reserve Bank
WCCA Assembly Center
Tulare, California

Dear Mr. Dunton:

Enclosed is a check for $1350.00 in favor of Mr. T. Kato. We have also enclosed a bill of sale which, for the most part is blank. I do not know the exact description of the equipment (tractor, plow, disc, trailer, etc.) but you can get that information directly from Mr. Kato. I am leaving this matter up to you to complete the deal with Mr. T. Kato in case he wishes to sell.

As I told you over the telephone Mr. Grafford states that He has already sent a bill of sale to Mr. Kato to be signed and returned to him in case Mr. Kato wants to accept $1200.00 for his equipment.

I do not wish to take sides in the deal, but it is definitely to my interest to see the tractor and equipment put in use for the purpose of producing crops. Therefore, if Mr. Kato wishes to sell, will you please handle the deal and let me know the outcome as soon as possible.

I would appreciate it very much, if you would give me a call and let me know whether or not Mr. Kato will accept this offer, as Mr. Wong is in need of the equipment to plow his land and if he does not get this one he can be making arrangements to get another one.

Thank you very much for your trouble.

Yours truly,

Dear Mr. Landon:

Inclosed herewith find bill of sale in duplicate signed Mobuo Kato. I trust this will be satisfactory as prepared.

In connection with the trailer which Kato says should be included, the purchaser may contact Mobuo Kato here and have him furnish his father's address. At the present time he does not know the whereabouts of his father except that he is in a camp in Louisiana. He advised me that his father would sign the pink slip over upon his request.

I shall be pleased to furnish any further information you or Mr. Wong may require on this deal. Please feel free to call on me for any assistance I might lend in the future.

I am sending this in regards to some implements of Mr. T. Kato Barrack 22, Unit 1.

I have been in comunication through the Government agricultural dept. at Torrance, with Mr. Sandon and have also talked with the lady where the implements are stored.

She told me that she had a letter from Mr. Kato saying that they would take twelve hundred dollars ($1200.00) for the equiptment and that I made out a bill of sale and had her mail it to them, but since that time I understand that they want fifteen hundred dollars ($1500.00) and have been offered Thirteen hundred and fifty dollars. $1350.00

A. T. Buckingham

ex. I was the first one to try to buy this, I would still like to have the first opportunity and if you will make out a new bill of sale to me and they will sign it and witness same. I will give them fifteen hundred dollars ($1500.00).

This will be a cash deal handled through the Bank of America at Gardena, Calif

There is a caterpillar, disc, plow, harrow, trailer, some 3" tubing a couple of spray pumps and hose and a small pair of platform scales, I would like to hear at the earliest possible moment as I need the tractor to get some ground in shape for planting.

Mr. Harold F. Johnson,
Field Representative,
Federal Reserve Bank of San Francisco,
622-19th Street,
Merced, California.

Dear Sir:

Reference is made to a telephonic inquiry pertaining to automobiles. It appears that the owner of a car, Mr. R. Kato, had planned to sell this machine to the Army, it having been delivered to the Turlock Assembly Center. It is desired to know if arrangements might be made for private sale in view of this original decision.

Please be advised that such sale can be effected. It should be borne in mind, however, that the buyer must have fully made up his mind as to the purchase, and that a complete agreement has been reached between buyer and seller. Upon advice from you to that effect we will forward a form known as "EPM-8", which should be filled out and returned. At the time of receipt of this form we will arrange for necessary steps leading to sale of this car to a private buyer.

Please emphasize to Mr. Kato that there is no further alternative, and that he must go through with the sale to this buyer once he embarks on this procedure.

Dear Bud:-

Your letter came today but no air mail here so dont send airmail anymore. Would you like me to take the pickupand hold it for you for the duration and pay you for the use of it ? That is proposition No 1. Proposition No 2 is pay you the bluebook value of it or about $5.00 more than the your offer. I dont know the blue book but it must be $350.00 or $400.00 I am interested if we can agree on the price. I will tell Lee Stith and he will bid on it.

The cnneries have not come yet, looks like we are not going to make money this year as the government set the price of dried apricots at 14.8 ¢ per lb and dried peaches at 8 1/2¢ we are quite disappointed as labor is so high. About three cars of derbys are leaving each day no royals for ten days. things are so late the hot weather will come and they will ripen at the pit and fall help is not coming in yet, are paying 50¢ an hour. The truck os going fine now put new gears in it. I have the dried yard in shape and sulphur houses repaired some., filled in dirt in the shed, put up two tents and cannot ask help to come as there is no ripe fruit and lots of small cots this year. The elbertas and almonds fell off badly.

We bot 500 new 3x4 trays at 35¢ each and 100 boxes at 45¢

I would like to sell the cots on Maggies place to Womack but cant get him to give me a price. I have lost ten lbs working hard bu feel fine. Hope your family is well.

Dear Sir:

At the time the Exclusion Order, affecting the area in which you previously resided, was being carried out, you delivered your motor vehicle to the Federal Reserve Bank of San Francisco, as Fiscal Agent of the United States, for storage at your own risk and without insurance, with the understanding that such storage would be in an open area which would subject it to more or less rapid deterioration.

With the thought in mind that you might have been hesitant to offer your motor vehicle for sale to the United States Army at that time, because you had no assurance of the amount which you would receive for it, we have had it appraised by two independent appraisers.

The Army, through this Bank, is now ready to make a definite offer, based on this appraisal, as follows:

Amount offered	$ 220.00
Less amount which will be acceptable as final payment by legal owner	$ -0-
Balance to be remitted to registered owner .	$ 220.00

Should you now feel that because of the rapid deterioration to which your car is subjected, you are willing to accept payment as indicated above, please so indicate in the space provided below.

Please give this matter your immediate consideration, as the appraised value, as mentioned, is based upon an immediate sale to the Army and cannot be held open for an indefinite period of time.

Yours very truly,

R. E. Evenson

20 acres truck farming on Rail road ave, Warm Springs, Cal.
1 house, 5 ~~rooms~~ bed rooms, 1 bathroom. One bunk house; One garage one barn; one tool shed; one greenhouse. Owner's value of buildings $6000:00.
Had fire insurance policy with Tokio Marine and Fire Insurance Co. (headquarters in New York) for $6000:00 for 3 years, May 25 1939 to May 25 1942. Standard Insurance Company of New York assumed all liability under evacuee's policy #505943. Kato says he received on Dec.11, 1941 a letter from New York State Insurance Liquidation Board stating that as of latter date his policy "is canceled and of no further force or effect".

PROBLEM:- Wants fire protection on his buildings and says so far has been unable to get any company to issue him a policy. Can this office help him?

Action taken:* Phoned a local insurance agent, who stated he would get new policy issued to Kato; so asked Kato to go see this agent. Late this afternoon called agent again who said Kato did not appear at his offices. A few moments ago, however, Kato called me saying his attorney had got another agent to issue him a policy. So it would seem his problem was not so serious as he thot. Matter now closed.

Above party appeared at this office today in company with a Mr Peter L Decoto (POBox 32 Decoto, Cal), together with Mr Price and Mr Stanford of the Petersen Tractor & Equipment Company, Hayward Cal. Mr Price had Bills of Sale all made out on company forms covering a Catapillar tractor purchased by Hideo Katsumoto from his firm. Purchase price $2707:15 against which $887.50 has been paid, leaving an unpaid balance of $1819.65 which latter sum is secured by a conditional sales contract. Hideo Katsumoto is a minor (19 years).

Decoto wants to purchase tractor from Katsumoto at a price entirely satisfactory to seller. Tractor company wanted Decoto to issue his check in the sum of $1870:60 (principal and interest on unpaid balance owing their firm) in the name of Katsumoto, (seller;) then have seller endorse this check and hand it to tractor firm. The bills of sale would cover the transaction from that point. They immediately ran into banking troubles, due to the size of the check, and in addition the Japanese is an alien (also a minor). All parties brot the whole deal into this office; one member of the party stating this office would have to approve; or so he had been told.

Action taken:* Recommended they take the whole matter up with their respective attorneys and be guided accordingly. This they will do and report to this office in about 2 days. Also stated that in my personal opinion the seller, being a minor, would have to supply the signature of his legal guardian to a Bill of Sale transfering title. Seller, at this point, stated he had a guardian. Seller & ## tractor people, plus buyer then phoned their attorneys & each were advised as above; so deal is now in hands of different attorneys and will undoubtedly be concluded agreeably to all, without returning here.

MEMORANDUM

KAWABATA Yoshiro
LAST NAME GIVEN
FISHIN TACKLE Shop

Mr. Russell W. Cantrell, 703 Market Street, telphone Garfield 2411, attorney for Kawabata, called this morning with his client and a friend who had previously talked to us about the case.

The attorney stated substantially as follows:

"He believes that his client's lease on property at 1798 Post Street is automatically cancelled on the date his client is evacuated. That as long as his client paid the rent promptly under his lease, it is not material to the land owner to what extent or amount he liquidated the fishing tackle business contained on the premises.

"That when Kawabata took over the business from Netsu, he gave as part consideration, amount of the deposit previously put up by Netsu on the earlier lease; in other words, in agreeing to forfeit this $180, it comes out of his funds, and not the sum of $15 referred to in Stoff's letter of April 13 to the Federal Reserve Bank of San Francisco, attached hereto."

After talking with parties representing both sides of the situation, the following appears to be the present status of the case:

Stoff, representing the owner, has other properties of somewhat similar character under his charge in the Japanese area. He apparently contacted Kawabata shortly after December 7, (which is not denied by Kawabata or his attorney) in an effort to have him sell the store and lease. From conversation with Stoff, I would judge the purchaser he had for the inventory might have been Weinstein, or some other liquidating concern, whose offer would be fairly low.

While Cantrell's client did not state in detail what he had received from liquidating his inventory in the past four months, it would appear to be a substantial amount, and probably in excess of the $5,000 figure indicated by Weinstein some time ago.

4-22 - phone 3066 ont Ke 6390
4-22 " Cantrell ont Ga 3411.

I suggested to Mr. Cantrell that he immediately contact Mr. Stoff, representing the owner, a one Phebe Hart, in an effort to find some prompt compromise agreement that would be mutually satisfactory.

He promised to arrange such a meeting if possible today or tomorrow, but in any event, would advise me not later than tomorrow afternoon of the progress of the negotiations.

Mr. Tyler

San Francisco, California.

Dear Sir:

We are handing you herewith the letter you requested.

We talked with the tenant, Yoshiyo Kawabata, who operated a fishing tackle business at 1798 Post Street when War was declared and asked him to sell the store and lease so that the owner could be protected. He said he could get more money selling it retail and was not interested in having a to-let sign on the premises. The lease was made August 15, 1941 when conditions were good and a more advantageous lease could have been obtained. We believe it would work a great hardship on the owner if the store is vacated at this time. Interest and taxes cannot be paid.

This Jap had a large stock and we believe it was valued at $10,000 or more. Mr. Nathan Axelrod, buyer for Weinstein and Co. was to see him and he wanted to buy the fishing tackle stock and he looked around only in the store and valued it at $5,000, but this Jap wouldn't do business with him as he wanted to sell it retail. Now at present he still owes back rent of $45.00.

To enlighten you more about this tenant will say that he entered into a new lease from August 15, 1941 and he only put up $15 cash security, not $180 as he states due to the fact that the previous tenant had up on his unexpired lease, the sum of $165 and this was credited to Yoshiyo Kawabata.

We will see you tomorrow, Tuesday about 10 A.M. at your office.

Yours very truly,

In the event that the Lessee shall be adjudged a bankrupt, either by voluntary or involuntary proceedings, this lease shall immediately terminate and Lessor shall have the right to immediately re-enter the said premises, and in no event shall this lease be or be treated as an asset of the Lessee after adjudication of bankruptcy, and if the Lessee should become insolvent or fail in business, then this lease may be terminated at the option of Lessor, in which event the Lessor shall have the right to immediately re-enter the said premises, and in no event shall this lease be or be treated as an asset after the exercise of said option, and it is further agreed, covenanted, and understood that this lease is not assignable by Lessee, either voluntarily or involuntarily or by any process of law and shall not be under the control of the creditors or trustee or trustees of Lessee in case of bankruptcy or insolvency of Lessee, but shall then be subject to termination as above provided.

Lessor or Buckbee, Thorne & Co.'s employes have a right to enter the demised premises at all reasonable times to inspect the same and to make proper and necessary repairs, and Lessee will surrender said premises, at the termination of the tenancy herein created, in the same condition as received, as reasonable use and wear thereof will permit, and will remove all rubbish from the premises, and if not so removed by Lessee at such termination Lessor may have same removed at Lessee's expense.

In the event of Lessor bringing an action at law against Lessee to enforce the payment of any rent due, or to enforce any of the terms and conditions hereof, or commencing a summary action under the unlawful detainer laws of the State of California, for the forfeiture of this lease and the possession of the said premises, then Lessee agrees to pay Lessor a reasonable sum in lawful money of the United States of America, which sum shall be fixed by the Court, as and for the fee of the attorney of the Lessor, provided the Lessor prevails in said action.

All reasonable care and diligence shall be exercised by the Lessee in and about the occupation, use and repair of the demised premises and the sidewalks appurtenant or adjacent thereto, including the sidewalk elevators therein, so as to avoid the causing of injury to any person whatsoever, and Lessee will protect and indemnify the Lessor and save Lessor harmless from any liability to any and all persons for damage or injury occasioned to or sustained by such persons in or by reason of freight, passenger or sidewalk elevators, entrance doors, open traps, or other openings in or upon the demised premises and the sidewalk in front thereof, and Lessee will protect and indemnify the Lessor and save Lessor harmless from any liability to any and all persons for damage or injury occasioned to or sustained by such persons by reason of any negligence on the part of the Lessee or sub-tenants, or of any employes, agents or servants of the Lessee or of any sub-tenants in and about the occupation and use of said premises.

All locks or bolts, alterations, additions or improvements which may be affixed to or made by either of the parties hereto upon the premises, except movable furniture or other movable trade fixtures put in at the expense of the Lessee, shall be the property of the Lessor, and shall remain upon and be surrendered with the premises as part thereof at the termination of this lease, without disturbance, molestation or injury.

Lessee will not engage in or allow any illegal, offensive, noisy or dangerous trade, business or occupation to be carried on in said premises, or any business, trade or occupation that will increase the existing rate of insurance, without first obtaining the consent in writing of the Lessor or Buckbee, Thorne & Co., agent.

Exclusive right to the roof, and to all exterior walls or parts of said premises are reserved by the Lessor and same are not covered by this lease, and no signs, advertisements or notices whatsoever shall be inscribed, painted or affixed on or to any part of the outside or inside, or on the roof, of the herein described premises by Lessee, without the written consent of the Lessor and all such signs, advertisements or notices shall be of such color, size and style and in such places upon or in the said premises as may be designated in writing by the Lessor or by Buckbee, Thorne & Co., agent, and any signs so placed on the premises shall be upon the understanding and agreement that the Lessee will remove same at the termination of the tenancy herein created without damage or injury to the premises, and if not so removed by Lessee then Lessor may, at Lessor's option, have same removed at Lessee's expense.

Failure on the part of the Lessor to take any action against the Lessee by reason of any particular breach of any or all of the terms, covenants and conditions of this lease on the part of the Lessee shall not be deemed in any way to be a waiver of any other or subsequent breach on the part of the Lessee of any or all of the covenants and conditions of this lease.

Time is of the essence of this lease and all of the terms and covenants hereof are conditions and upon the breach by the Lessee of any of the same it shall be optional with the Lessor to terminate this lease.

This lease is intended to and does bind the heirs, executors, administrators, successors and assigns of any or all of the parties hereto.

If Lessee shall be in default in the payment of any rent herein, or shall be in default in the performance of any other condition or covenant herein contained, and shall abandon or vacate said premises, it shall be optional with the Lessor to relet the same for such rent and upon such terms as Lessor may see fit, and if a sufficient sum shall not be thus realized after paying the expenses of such reletting and collecting to satisfy the rent hereby reserved, Lessee agrees to satisfy and pay any deficiency, and to pay the expenses of such reletting and collecting.

In the event of the termination of this lease by Lessor, by reason of any breach thereof by Lessee, Lessor shall thereupon be entitled to recover from the Lessee the worth at the time of such termination, of the excess, if any, of the amount of rent and charges equivalent to the rent reserved in the lease for the balance of the stated term or any shorter period of time over the then reasonable rental value of the premises for the same period; the parties further hereby agree that unless the remedy provided by this paragraph is exercised by Lessor within a period of one year from and after the expiration of the stated term of this lease, the right hereby given shall be barred. The rights in this paragraph conferred upon the Lessor are cumulative to all other rights or remedies now or hereafter given to the Lessor by law or by the terms of this lease.

Lessee will pay any and all charges for water, gas, electricity and any other utility used in the herein demised premises during the term hereof.

The word "Lessee" and the word "Lessor" as used herein shall include the plural as well as the singular.

Lessee especially waives all rights to make repairs at the expense of landlord, or to remove from said premises, as provided for in Section 1942, Civil Code of California, and agrees that all repairs necessary to the herein demised premises shall be made at Lessee's own cost and expense., including glazing but excep-

ting repairs to the roof and exterior walls which are not made necessary through the fault or negligence of the Lessee, and repairs made necessary by reason of damage by fire or the elements.

The Lessee agrees, at his sole cost and expense, to comply with all municipal, state and federal ordinances, laws, rules and regulations now in force or which may hereafter be in force in connection with the operation of Lessee's business in the herein demised premises.

It is distinctly agreed and understood that in the event of the faithful performance by the Lessee of each and every, all and singular, the terms, covenants and conditions of this lease, and the prompt and faithful payment of all of the rent and all other sums herein provided to be paid, at the times and in the manner herein specified, and ONLY in this event, the said Lessor will allow and rebate to the Lessee the rental herein provided to be paid for the last three (3) months of the term hereof, namely for the period from September 15, 1944 to and including December 14, 1944.

MEMORANDUM

Mr. Russell W. Cantrell, 703 Market Street, telphone Garfield 2411, attorney for Kawabata, called this morning with his client and a friend who had previously talked to us about the case.

The attorney stated substantially as follows:

"He believes that his client's lease on property at 1798 Post Street is automatically cancelled on the date his client is evacuated. That as long as his client paid the rent promptly under his lease, it is not material to the land owner to what extent or amount he liquidated the fishing tackle business contained on the premises.

"That when Kawabata took over the business from Netsu, he gave as part consideration, amount of the deposit previously put up by Netsu on the earlier lease; in other words, in agreeing to forfeit this $180, it comes out of his funds, and not the sum of $15 referred to in Stoff's letter of April 13 to the Federal Reserve Bank of San Francisco, attached hereto."

After talking with parties representing both sides of the situation, the following appears to be the present status of the case:

Stoff, representing the owner, has other properties of somewhat similar character under his charge in the Japanese area. He apparently contacted Kawabata shortly after December 7, (which is not denied by Kawabata or his attorney) in an effort to have him sell the store and lease. From conversation with Stoff, I would judge the purchaser he had for the inventory might have been Weinstein, or some other liquidating concern, whose offer would be fairly low.

While Cantrell's client did not state in detail what he had received from liquidating his inventory in the past four months, it would appear to be a substantial amount, and probably in excess of the $5,000 figure indicated by Weinstein some time ago.

I suggested to Mr. Cantrell that he immediately contact Mr. Stoff, representing the owner, a one Phebe Hart, in an effort to find some prompt compromise agreement that would be mutually satisfactory.

He promised to arrange such a meeting if possible today or tomorrow, but in any event, would advise me not later than tomorrow afternoon of the progress of the negotiations.

Mr. S. Ryan, representing Phebe Hart, owner, and Mr. Stoff, rental agent, stated that this office this morning Kawabata entered into a new lease last October 8, 1941 but did not pay himself the $180.00 deposit, this having carried over from former lease that had run for about 11 years with Netsu who died about that time. Ryan claims to have made several efforts beginning shortly after December 7, 1941 to have tenant lease his property to others and also brought in a buyer (Weinstein) who would have been glad to purchase the stock. Stated on account priorities, fishing tackle much in demand and could have been sold last year at almost any time. States is confident tenant has liquidated possibly $10,000 of merchandise since last December and is concealing this from us and possibly other creditors. Suggested that Ryan write us full statement their position to reach us early Monday. Cannot arrange meeting, however, until Tuesday morning. Will phone early that date. Conference of interested parties in view early evacuation possibly contemplated for possibly Tuesday next.

ATTENTION: DEPARTMENT IN CHARGE OF STORAGE
FOR EVACUEES.

Sirs:

I am writing to you with reference to the items that we stored through the government at the time we were evacuated into this Center.

I have been given to understand that our stay here will be prolonged for the possible entire winter; and, since we have all our clothing and blankets, etc., in use for the winter, we are wondering if there might be a possibility of having these items sent to us.

Under the names of MARIAN & JUNE KAWAKAMI - Family No 25364, we have three cardboard boxes and 1 trunk. Under the name of YUKIO KAWAKAMI - Family No. 25364, we have one large trunk.

These items were brought to the Fresno Buddist Church, Kern Street, Fresno, California for temporary storage and were later taken up by your offices.

We have been here now 5 months, and are very much in need of many of the items that we have included for shipment to our relocation centers; however, in view of the fact that we know we will be here indefinitely, we would greatly appreciate having these items sent to us here.

Your consideration and attention to this matter would be appreciated.

Very truly yours,

Subject: Yukio Kawakami

Dear Sir:

We are enclosing the following which have been received from Mr. Kawakami:

1. Letter from Mr. Kawakami received by us April 16, 1942.

2. Wire addressed to Mr. Kawakami by Jimmi Hirai dated April 15, 1942.

3. Letter from Mr. Kawakami dated April 15, 1942

4. Two replies to an advertisement which was placed in the Denver Post by Mr. Kawakami.

Copies of the enclosures have been retained for our files.

This is the case which has been previously called to your attention by Mr. Albert C. Agnew and is one in which the evacuee and his wife appear to have the offer of employment in Denver, Colorado, as indicated by the telegram from Mr. Hirai which is enclosed.

We understand that your office has previously expressed the policy that permission to leave Military Area No. 1 would not be extended in such cases as these as no showing of substantial hardship could be made. However, in view of the fact that the written data relating to the case is now before us, we are taking the liberty of forwarding it to your attention for such disposition as the circumstances appear to you to warrant.

Yours very truly,

Assistant Cashier.

Dear Sir -

I am forwarding this telegram sent to us yesterday stating there is a job waiting for us right away - without interview - given to us on the strength of recommendations - I would like to at this time make one point clear and that is long before this evacuation order came thru we had gone up to Reno to look for a job which by the way did not turn out to our advantage. Since we have been back I have had Mr. and Mrs. Stratford looking for a job for us back East - in fact Mr. Agnew several months ago wrote us recommendation letters to go back East.

I am trying to point out one thing that we have been trying the last two months to get a job back East.

My statement can be verified by Mr. Agnew and Mr. Stratford manager of Zellerbach Paper Co. in San Francisco.

Thanking you again for your attention on this case -

I remain - Yours truly

Yukio Kawakami

Mr. Armstrong
Dear Sir:

In regards to the conversation we had over the telephone recently I am forwarding you the replies to the advertisement put out by our friend in Denver Post Newspaper - My friend in his letter to me states that there are many family position open in Denver at the present time - he would like to have my wife and I come right out to interview these different positions.

The most essential thing at the present time is to get to Denver to interview these different positions so you can realize time is the most important thing to us - If we can get some sort of a ruling in this case it would help us a great deal in getting settled in this hectic times - I cannot see the different in going to Denver after the evacuation order came to Marin County or before the evacuation order. The ruling by the Army authorities at the present time is that we can go back East after the evacuation orders.

My wife and I are both American citizens and have all the confident in the world we won't have any trouble obtaining position in family jobs. We would have gone back East before this restriction only that we were not financially fixed to do so - Now that we are financially fixed we would appreciate ruling in the case for I believe government will have two less person to look after - Jobs are waiting for us so all we have to do is to go to Denver -

My wife and I cannot express our thanks in words for this helping hand at this time. Thank you for your trouble and interest you are taking in our case -

Most sincerely

Yukio Kawakami

P.S. Since my wife and I have been working in family job the last five years we did not need household equipments - the problem now is should we spend our money we have saved to go back East on household equipments to get ready for camp or wait till the last minute which might not be enough time for us - there is also the car problem which we need if we go back East - otherwise I would sell it -

All these thing makes our situation very hard for us to plan for the future - Hoping all this will work out for the best interest of all concerned.

June 12, 1942.

Mr. Maurice Howard,
Deputy Labor Commissioner,
Room 614, Bank of America Building,
San Jose, California.

Dear Sir:

Reference is made to an interview between yourself and our representative, Mr. Weinstock, with a Japanese evacuee, Dave Kawamoto, on May 29, 1942.

You will recall that this evacuee, with his parents, had certain claims for compensation against one Dominic Luchessi, employed by the Sanitary Products Company, 109 Virginia Street, Vallejo, California, whose residence is in San Jose. This man had agreed to pay claimant in full through us not later than June first, and in the event of failure this was to be referred to you.

In view of the fact that we have heard nothing from Luchessi, we are enclosing the claim forms left in our care by Kawamoto prior to evacuation. His present address is in care of the W.C.C.A. Assembly Center, Pomona, California, and we would suggest that you correspond directly with him, if necessary.

Yours very truly,

Assistant Cashier

Luchessi has refused to pay these charges on the grounds that the Kawamotos deliberately caused the spray rig to break down and failed to complete the job. Dave Kawamoto states that the spray rig broke down Saturday, May 23, the date the Evacuation order was published and that thereafter it was not possible for the family to devote any further time to outside work. No contract was entered into for performance. Work was to be paid for on an hourly basis.

Luchessi was contacted by telephone at his place of employment in Vallejo, (Phone - Vallejo 336-83). He was most belligerent stating that he had no time to discuss the matter. However, he finally agreed to pay the bill, $35.00, mailing check to the Federal Reserve Bank, 500 California St., San Francisco, to reach the Bank not later than Monday, June 1, 1942. Dave Kawamoto was then taken to Maurice Howard, Deputy Labor Commissioner,

Mother, Miya Kawamoto and father, Ihei Kawamoto performed certain labor on strawberry patch - Almaden Road near San Jose, Calif., for Domimic Luchessi, employed at Sanitary Producţs Co., 109 Virginia St., Vallejo, Calif. and whose home is in San Jose, Phone Col.636 W . as follows-

			$5.00

Luchessi has refused to pay these charges on the grounds that the Kawamotos deliberately casued the spray rig to break down and failed to complete the job. Dave Kawamoto states that the spray rig broke down Saturday, May 23, the date the Evacuation order was published and that thereafter it was not possible for the family to devote any further time to outside work. No contract was entered into for performance. Work was to be paid for on an hourly basis.

Luchessi was contacted by telephone at his place of employment in Vallejo, (Phone-Vallejo 336-83) He was most belligerant stating that he had no time to discuss the matter. However, he finally agreed to pay the bill, $35.00 mailing check to the Federal Reserve Bank, 500 California St, San Francisco, to reach the Bank not later than Monday, June 1, 1942. Dave Kawamoto was then taken to Maurice Howard, Deputy Labor Commissioner, State of California, Room 614, Bank of America, Bldg., San Jose where he explained the problem. Mr. Howard gave him "Claim & Assignment Blanks" to be signed by his father and mother, to be held by the Fed. Res. Bank and filed with the Labor Dept. San Jose only in the event Luchessi failed to make payment as promised.

MEMORANDUM

August 10, 1942

SUBJECT: Golden ~~Gate~~ State Fish Hatchery
El Camino Real near Arastradero Road
Santa Clara, California

This property has been operated as a gold fish hatchery since 1924 at which time H. T. Iwao, sole proprietor, leased the property from Peter and Mamie Mullen for ten years. The lease was renewed for five years in 1934, and again for an additional five years February 1, 1939. Rental for April, 1942, has been paid.

On November 4, 1939 the lessee, H. T. Iwao, left the United States and has since resided in Japan.

Itsi Kawamoto, employed by Iwao, was given the management of the property during the latter's absence and acted in that capacity up to the time he was evacuated, about May 26, 1942. Kawamoto states that he held no power of attorney from Iwao.

Some time in March, 1942, Kawamoto contacted Mamie Mullen with the request that she cancel the above mentioned lease and with the further request that she agree not to use the name of Golden Gate Fish Hatchery for any business enterprise. Mrs. Mullen, whose husband had passed away since the signing of the lease February 1, 1939, and who is the sole owner of the property, appeared willing to meet Kawamoto's wishes.

During this stage of the proceedings Ross McDonald of the Hayward office of the Farm Security Administration inspected the property and tried to assist Kawamoto in obtaining the lease cancellation.

On April 11, 1942, Kenneth R. McDougall, attorney-at-law, American Trust Company Building, Palo Alto, California, representing Mrs. Mullen, wrote Oscar F. Campbell, field representative of the Federal Reserve Bank of San Francisco, enclosing two copies of a form cancelling the lease in question, and requesting that Mr. Campbell obtain the signature of Kawamoto and return the signed copy to McDougall.

At Mr. Campbell's request Kawamoto came into the San Jose office of the WCCA April 15, 1942 and contacted the writer, who submitted to him the lease cancellations.

MEMORANDUM

July 28, 1942

SUBJECT: THE GOLDEN STATE FISH HATCHERY
El Camino Real near Arastradero Road,
Santa Clara, California.

The land upon which this hatchery is situated is owned by Peter Mullen and his wife, Mamie. The land was leased to H. T. Iwao, supposedly an alien. This lease was made in the year of 1939 on the 1st day of February.

Iwao has been in Japan for some time and left the property in the hands of a Japanese-American citizen by the name of Itsi Kawamoto who continued to conduct this business as a goldfish hatchery. On April 8th Kawamoto asked the owner to cancel the lease formerly made with Iwao. An Agreement was drawn up by the attorney of Mrs. Mullen for the cancellation but with certain provisoes in it which Kawamoto did not wish to sign which would have entailed the removal of all cement fish ponds. On April 15th Kawamoto came to our office in San Jose and was interviewed by Mr. Weinstock, field representative.

The Farm Security Administration had also taken up this case independent of our office and so I handed the Farm Security Administration the papers apertaining to the case. The Farm Security Administration tried to straighten the matter out with the attorney for the Mullens but with no success and have now returned the papers to me together with the original ~~letters~~ lease between the Mullens and Iwao.

Kawamoto having been a resident of Mountain View was evacuated to the W.C.C.A. assembly center at Santa Anita.

Dear Ray:

I enclose a letter addressed to Mrs. Saki Kawasaki, which should be delivered to her promptly. In this office we have only your address as her representative.

The Evacuee Property Department of the Federal Reserve Bank made a complete investigation of this case. Their findings are summarized in this letter to Mrs. Kawasaki. I am disappointed that the Di Giorgio Fruit Corporation made no offer of settlement but I fully concur in Mr. R. E. Everson's analysis of the case and his recommendation.

Very truly yours,

Dear Sir: Subject: Mrs. Saki Kawasaki

We have made a careful review of all the facts surrounding the Kawasaki-DiGiorgio Fruit Corporation dispute.

It is our conclusion that this is a legal matter and that Mrs. Kawasaki should take immediate steps to retain counsel for the purpose of securing the claim. We are, therefore, enclosing a letter addressed to her and an additional copy thereof for your records. We do not have Mrs. Kawasaki's relocation center address and ask that you forward it to her promptly.

In addition, it is suggested that you might send a short letter of transmittal covering these findings with which you concur. We should like, also, to have copies of the correspondence which has been carried on between you and Mrs. Kawasaki up to this point.

Yours very truly,

Assistant Cashier.

Mrs. Saki Kawasaki

Dear Madam:

Reference is made to numerous interviews between yourself and our representative, Mr. Olen Johnson, concerning a dispute with the DiGiorgio Fruit Corporation.

We have studied this matter carefully and have obtained a great amount of detailed information from the DiGiorgio Fruit Corporation. It appears that these people refuse to pay the balance of your claim because of the wording of the assignment, indicating that payroll deductions are to be made from the next paycheck only. We have determined that of your total claims amounting to $6,456.30, a total of $1,011.23, or 15%, has been paid. This was represented by deductions of $707.50 from the April 1st to 15th payroll and $303.73 from the April 15th to 30th payroll for bills. This latter amount was in payment for bills acknowledged by yourself. Additionally, there is impounded the sum of $389.34 in your name, deducted from the April 15th to 30th payroll, which we understand has been tendered to you and you have refused to accept. We further understand that this sum of $389.34 is in lieu of a check approximating $1,780.00, which was drawn in your favor during the month of April but never tendered, although you were prepared to accept same.

We are also informed that the DiGiorgio Fruit Corporation operated the camp from the period beginning May 1st to the date of evacuation, approximately May 20th. During this period they accumulated total assignments in the amount of $1,814.30. To satisfy these claims for a portion of the month of May, they made deductions from the April 15th to 30th payroll in the amount of $1,091.10 or 60%. For your information, we understand that the total payrolls earned by the laborers whom both you and the DiGiorgio Fruit Corporation fed were respectively $1,281.84 for the period of April 1st to April 15th and $2,659.60 for the April 15th to April 30th period.

The settlement of this claim is based almost entirely on a technical interpretation of the assignment together with a question as to whether certain practices are customary in this type of business. We wish to call to your attention the fact that while the DiGiorgio Fruit Corporation stipulates the word "next" as signifying only the first subsequent payroll, they have nevertheless impounded for your account and paid to your account certain sums from the second subsequent payroll. Also, in making deductions for their own account, certain sums were taken from a preceding payroll rather than the one applicable to the period in which they operated, or into the first such subsequent.

Owing to the technicality of this entire problem, we have formed the opinion that it is primarily a legal matter. Therefore, it is suggested that you promptly obtain as legal counsel an attorney, in whom you have confidence, and present all the facts to him in order that he may take the necessary steps to obtain a further settlement.

We are forwarding this letter to Mr. Johnson as we do not know your present address. He has been asked to relay this to you promptly. We will be pleased to have you advise us further if any property problems arise.

Yours very truly,

Assistant Cashier.

MEMORANDUM TO: Mr. Everson
Mr. Armstrong

June 29, 1942

SUBJECT: Kawasaki - Di Giorgio Fruit Corporation Dispute.

Mrs. Saki Kawasaki operated a commissary and cookhouse on certain Earl Fruit Company land near Arvin, California. This enterprise was conducted by her under power of attorney from her husband, Frank Kawasaki, who is interned. Our Bakersfield representative had many interviews with her in a period from March 30 through May 16. Numerous problems covering liquidation of automobiles and sale or storage of equipment were successfully disposed of. However, a serious and somewhat involved dispute with the landowners has arisen and was referred to us by her at the time of evacuation.

Mrs. Kawasaki fed the Japanese laborers employed by the landowners for a long period of time. It appears that a customary method of operation involves feeding of these people on credit in return for which an assignment is given by the laborer to be deducted from his wages. As of March 31, Mrs. Kawasaki had total assignments of this character owing her in the amount of $6,456.30. All of these were dated March 31 and presumably were to be collected from the pay roll covering April 1 - 15. However, the total pay roll for this subsequent half month amounted to only $1,281.84. A total of $707.50 was deducted and paid Mrs. Kawasaki. Additionally, a total of $693.07 was deducted by the employers for the subsequent period April 15 - 30, of which $303.73 was deducted and paid to creditors for bills acknowledged by Mrs. Kawasaki. The balance of $389.34 has been tendered as a full settlement and refused by her. It has developed that the employers, Di Giorgio Fruit Corporation, took over the operation of the camp and commissary as of April 1 and that Mrs. Kawasaki continued to operate it for them during the month of April. Beginning May 1, however, the employers operated it themselves and the following facts are of interest. During the period from May 1 to the date of evacuation, approximately May 20, the employers accumulated assignments for meals supplied totaling $1,814.30. Against this they made deductions from the April 30 pay roll covering the latter half of the month totaling $1,091.10.

I am informed verbally by Glen L. Johnson that at one time in the month of April in addition to the $707.50 actually paid Mrs. Kawasaki, the Di Giorgio people drew a check in her favor for approximately $1,780.00 which she was prepared to accept. However, upon advice from their head office in San Francisco, such check was not tendered and the impounded net sum of $389.34 was offered in its stead and refused, as noted above. The Arvin representatives of Di Giorgio could not satisfactorily explain this action other than to say that all such matters must be referred to their head office. I have discussed the case many times and in great detail with R. S. McKnight, Treasurer of the Di Giorgio Fruit Corporation. They steadfastly refuse any settlement other than that of $389.34. Their case is based on a technical wording of the assignment, a copy of which is attached to this memo. You will note that the assignment bears the word next pay check. It is their contention that this word next means specifically that and, therefore, no deductions could be made for pay rolls other than that covering the period April 1 - 15. It will be noted, however, that certain deductions and an impounded sum were made from the April 15 - 30 pay roll, an action which seems inconsistent with their contention as to the wording of the assignment. Additionally, if such opinion is correct, it is extremely difficult to understand how a deduction can legally be made from pay rolls covering a work period, April 15 - 30, inclusive, to be applied against food and service given during a subsequent period, May 1 to date of evacuation. It appears to the writer that such deduction was only

possible because of their tardiness in computing April 15 - 30 pay rolls and further that they arbitrarily took advantage of the fact that the pay rolls were [redacted] in their possession after they had acted as operators of the commissary. The inconsistency of their stand is quite apparent. Mrs. Kawasaki's total claims of $6,456.30 have been reduced by $1,011.23, or 15%. Di Giorgio's total claims of $1,814.30 have been reduced by $1,091.10, or 60%. The inequality of this treatment is caused by their custody of the pay rolls and ability to make deductions as they see fit.

In my opinion, the Di Giorgios should make restoration to Mrs. Kawasaki to a considerably greater extent than the sum which is impounded, amounting to $389.34, and which they continue to offer as settlement. The question of the proper amount does not fall within the writer's province but we do know that the proposed sum of $1,780.00 was acceptable to Mrs. Kawasaki at one point in the negotiations.

Dear Ray:

I have just had a phone call from the Federal Reserve Bank relative to the Kawasaki Commissary account.

Just today, Mr. R. W. Borden of the Bank received a full statement of account from De Giorgio's head office. He is analyzing this statement for submission to the Bank's attorney.

He could make no statement as to the outcome, but I feel there is at least a chance of recovery. Will keep you informed.

Regards to everyone.

Gentlemen:

Attention: Mr. R. W. Borden,
Evacuee Custodian Dept.

Confirming figures recently supplied to you in the case of Paul H. Kawasaki, acting for Frank Kawasaki, the following information is submitted.

Assignments from various Japanese laborers were given, instructing us to turn over specified amounts to Paul Kawasaki from moneys coming to them for wages on their next pay checks. Said assignments were all dated March 31, 1942 and were applicable to wages earned during the next pay period, namely April 1st to 15th, 1942.

Said assignments totaled $6,456.30, and in preparing our payrolls for April 1st to 15th, 1942, deductions were made from persons signing said assignments in the amount of $707.50.

During the period May 1st to the date of evacuation of Japanese from our properties, there became due to us for board and lodging furnished Japanese laborers the sum of $1814.30, and as at the time our April 15th to 30th payrolls were made out, we had certain moneys due to these laborers with no previous assignments from Kawasaki on these specific wages we deducted certain sums for our own account to reimburse ourselves for portion of the above debts.

In addition, there were certain funds over and above the debts to ourselves of which we had knowledge at that time, and we impounded same for Kawasaki's account, although we had no assignments covering same. Said check is in our possession, in the sum of $389.34, and as representative of the individual evacuees whose wages make up this sum, you will no doubt decide the propriety of turning over these funds to Kawasaki.

GIORGIO FRUIT CORPORATION

According to our records, after all payrolls had been paid and deductions made for ourselves and Kawasaki, Kawasaki has due and owing him from individual evacuees the sum of $5,055.73 for which we have no funds out of wages mentioned in assignment for Kawasaki's account.

There is still due and owing our concern from individual evacuees $723.20 which amount would be greatly increased if our right to apply funds on hand from unassigned April 15th to 30th wages were questioned. Such sum applied against this amount owing was $1,091.10. In connection with the balance due us, we solicit the good offices of your organization to help us in the collection of same. Any plan that you might suggest whereby we can be reimbursed by these debtors will be appreciated.

Schedules of individual debtors to ourselves and Kawasaki are enclosed. We naturally cannot verify the Kawasaki amount, it representing sums shown on March 31st assignments.

Bob: Will you call the DiGiorgio people in Arvin and get their story? RWB

MEMORANDUM TO: H. D. ARMSTRONG

SUBJECT: Mrs. Saki Kawasaki
Arvin, California

The above named evacuee has been operating a commissary, cookhouse and clubhouse by virtue of a power of attorney from her husband, who is interned. The site of this enterprise is on Earl Fruit Company land near Arvin, California.

We have numerous interview reports running from March 31 through May 16 with the above subject. Various problems in connection with the arrangements for the liquidation of automobiles and sale or storage of equipment were made and satisfactorily settled during the course of this time. There is, however, one problem which has not been concluded, which the undersigned wishes to call to your attention.

On April 1, 1942, Mrs. Kawasaki transferred the operation of this boarding house to the DiGiorgio people, having accepted from the laborers assignments of wages against their unsettled board bills, in the amount of $6000.00. The laborers were not fully employed for the month of April with the result that there was no sum approaching $6000.00 available for payment of these claims.

However, Mrs. Kawasaki was paid approximately $700.00 in the middle of April and was tendered a further check of approximately $380.00 on May 19 which was refused. It appears that the DiGiorgio people drew a check in favor of Mrs. Kawasaki in the amount of approximately $1780.00. Upon advice from the San Francisco office it did not tender this check to her but instead offered the smaller one which was refused, together with one for $303.00 to pay bills which she acknowledges.

As matters stand now the DiGiorgio people state that they have no authority to pay the $1780.00 amount without approval from San Francisco. Mrs. Kawasaki is entitled to $5300.00 but will accept the $1780.00 and write off the balance for the present. The Company is still willing to pay only $380 and an additional $300 for bills. The case is being referred to this office in order that we might intercede with the DiGiorgio people.

In a telephonic conversation with Messrs Johnson and Newhall, both stated that in their opinion Mrs. Kawasaki was entitled to the full amount originally tendered, of $1780.00 as a moderate settlement. In my opinion her position is sound and based on the foregoing facts, I concur with these gentlemen. Will you therefore please give this matter your attention.

ATTENTION: Mr. Herbert Armstrong.

Gentlemen:-

A final settlement has been made in the above-captioned case, reference is made to previous reports, with the exception of board money due the Kawasakis from the Di Giorgio Fruit Corporation.

The facts in this case are as follows:

On April 1, 1942, the Di Giorgio Fruit Corporation took over the operation of the boarding house for Japanese, from Mrs. Kawasaki. At this time Mrs. Kawasaki secured assignments from each of the men covering their board bills due up to that time, the total amounting to approximately $6000.00.

During the month of April the men worked for a portion of the month. From the April 15th pay check some $700.00 was due the Kawasakis. Actual payment of the money was not made until May 19th,- at time settlement for the food and equipment were made to the Kawasakis. On May 1st, the Fruit Corporation withheld sufficient money from the Japanese laborers to pay for the April board; allow each man $5.00 for spending money, and had left over $1784.17, for which a check was written to the Kawasakis, but upon advice from the Fruit Company's San Francisco office, this check was not delivered.

The Fruit Company then attempted to retain enough money to cover board for the individuals from May 1st, to May 19th, and offered a check to the Kawasakis for the residue

of $389.34, after paying bills of the Kawasakis amounting to $303.73. The amount retained was $1091.10.

On May 1st, demand was made by the Kawasakis for the $1784.17 which as previously stated was not met.

The question now arises as to whether the Fruit Company, in view of the assignments which had been lodged with them, were entitled to withhold board money in advance, particularly in view of the fact that a check for the gross amount of $1784.17 had actually been written, but was not delivered because of advice received from San Francisco.

On Tuesday, May 19th, I attended a conference between Mrs. Kawasaki, Joseph Di Giorgia, Vice President of the Di Giorgia Fruit Corporation, Mr. Newman and Mr. Webdell, employees of the same corporation. At this conference Mr. Di Giorgia stated that it was not within his power to make any decision in this matter, but that the decision must be made by "higher ups" in his San Francisco office.

If, therefore, after reading this statement of facts it is your decision that the K's are legitimately entitled to the check offered them of $384.34, plus the $1091.10 in question, will you kindly get in touch with the San Francisco Office of the Di Giorgio Fruit Corporation at 433 California Street, phone Douglass 8972.

We had conferences with Tom Scott, District Attorney Bernard Gill, an assistant district attorney and Mr. Daniels, representative of the Labor Commission, and while they are sympathetic to the idea of Mrs. Kasawaki recovering from the Di Giorgia Fruit Corporation, they had no constructive suggestions to offer, aside from the one fact that possibly the Di Georgia Fruit Corporation might have violated one phase of the labor code in withholding money in advance for food and lodging to be supplied.

For your information we are enclosing a copy of the assignment which the Kasawakis used and delivered to the Di Giorgio Fruit Corporation on April 1st.

It might be noted that the assignment covers the "Next pay check". The question also arises as to what effect that would have, inasmuch as all of the money available to the Kasawakis on April 15th was paid to them, whereas the money in question was withheld from the following pay check.

Very truly yours,

Attention: Mr. Herbert Armstrong.

Gentlemen:-

Last night May 15th, 1942, I sent in a report for the above-captioned evacuee.

In that report I listed the chief points of difference in the settlement between Mr. Kawasaki and Di Giorgio Fruit Corp., as follows:

1. Low price for Kitchen Equipment, except for four heavy articles including refrigerator.

2. No remuneration for buildings or additions made by Frank Kawasaki.

3. Withholding of board money due Mrs. Kawasaki for period prior to April 1st, 1942.

In the report I stated objections to the first two differences had been ironed out, leaving only the question of board money to be settled.

This morning Mr. Webdell phoned that Joseph Di Giorgio will meet with Mrs. Kawasaki's representatives and myself at Arvin to iron out the situation.

I will report Monday.

Very truly yours,

Allen L. Johnson.
Field Representative.

Joe DeGiorgio is ready to take over equipment in commissary intimated he might not take spread Japanese cooking vessels + dishes. ①

② We have a problem relative to feeding of men DeGiorgio took over cook house in April. At that time men owed Kawasaki approx $6000.00 for board bills. Men worked most of April; none in May. DeGiorgio deducted bills due him for board, paid men who worked $5.00 for spending money - want to hold balance of labor money for May board bills. Mrs. Kawasaki wants this money paid on her past due board bills.

Action taken:*

① Advised Sadao to prepare crates for equipment not taken by DeGiorgio, for storage by Fed. Res. Bank

Mr. Kawamura presented copies of Series A and Series I reports. It appeared at that time, according to Mr. Kawamura, that he could not prepare these reports in a manner acceptable to the Treasury Dept.

Action Taken: The copies of the above mentioned reports were sent to Mr. Everson with the request that someone connected with this phase of the work review them and advise me what was needed.

Action taken:* It appears from the attached letter from Mr. H. F. Slade that he found Series I in proper form and it was filed in quadruplicate by him with the Treasury Department.

It appears from the letter from Mr. Slade that the Series A form was lacking only in the matter of being properly notarized. This being a copy of the originals furnished the Treasury Dept. by Mr. Kawamura and his certification that the originals were properly notarized, it is assumed they were accepted by the Department.

Inasmuch as approximately one month has elapsed since the above reports were submitted it would seem reasonable to assume they were accepted.

Re: Property Reports Nos. 25902, 25903, 34163, 34164, 35253, 35254, 52403, and 52404

Dear Sir:

Receipt is acknowledged of the single copies of the Form TFR-300, Series A and Series I, reports submitted by Isamu Kawamura in his own behalf and which were enclosed with your letter dated June 2.

We regret we are unable to accept the Series A report for the reason that it was not signed in accordance with the instructions contained in Section V 10 of Public Circular No. 4 which states that a report is not acceptable unless it is signed and sworn to before an officer authorized to administer oaths whose seal must be affixed.

Inasmuch as the Series I report has been executed in accordance with the foregoing, we are furnishing three additional copies so it will conform with the Treasury Department's requirement that such reports must be filed in quadruplicate.

For the convenience of Isamu Kawamura, we are forwarding, under separate cover, five copies of Series A report forms in the event he is required to submit a corrected report on that series.

Yours very truly,

Dear Sirs:

In evacuating fromWestminster to Poston, we left two trunks stored with the government to be sent later free of charge. I inquired when they would be sent but this office here does not know. We have many winter clothes in the trunk and would like to plan as to whether we can count on it coming soon or if we will need to buy warm clothing. The trunks are stored on Floor 1 Spot West at 324 E. 4th St. in L.B. Our Family Number is 24001. Have you the information? Thank you kindly.

Re: Sam Kawamura

Dear Mr. Weeks:

The file indicates that you forwarded the ownership certificate to Mr. Kawamura at the Stockton Assembly Center on October 8, 1942, with the details of the car sale transaction. The last information in the file is that you received the ownership certificate from Kawamura and requested Kawamura's prospective Arizona address with the statement that the ownership certificate would be mailed direct from the Motor Vehicle Division.

We assume that you transmitted the ownership certificate to the office of the Motor Vehicle Division.

We are enclosing a copy of your letter of October 15, 1942 to Kawamura, which appears to be the last one contained in our file.

As you know, the War Relocation Authority is now assisting the Japanese evacuees, and it may be that Mr. Kawamura should enlist the assistance of that agency through the Project attorney's office at the Project in which he is now residing, and he should certainly do so if his property interests are affected by the developments you mention.

We trust that the enclosure will help you to reconstruct the transaction. With kindest personal regards, I am

Dear Mr. Armstrong:

I seems like old times to address a letter to you.

I wonder if I could refer you to the file and to the case of Sam Kawamura. We assisted him in straightening out the sale which he made to a party whose name I do not remember, covering his 1940 Chevrolet automobile. We called this buyer in and asked him to reconvey the California Legal Certificate to Kawamura. This the man did and at the same time paid us $340.00 on account of the purchase price of the car, which we deposited to the credit of Mr. Kawamura in the Stockton Savings and Loan Bank. We also prepared an Agreement which the buyer signed whereby he promised to pay the balance of $230.00 due on the car by last December. We forwarded the Agreement, we believe, and the reconveyed certificate to Mr. Kawamura.

At this point we are uncertain, however. I do not remember whether we sent all the papers to you with the suggestion for Mr. Kawamura to record this reconveyance of title through the California Motor Vehicle Department or whether we asked you to do so because that was just about the time that we were closing this office. May I ask that you kindly look into the file and advise me what the records may show.

The reason for the inquiry is that the automobile has been attached by the Seaboard Finance Company, who may be considering the possibility of obtaining title to the car because Kawamura did not complete the transfer of title back to his name, as was our intention when we handled the matter for him.

My best regards to you, to Mr. Borden, Mr. Everson, and to Mr. Tyler.

Very cordially yours,

LSW

Dear Mr. Kawamura:

Please refer to our letter of September 21 which was in relation to past due note accounts owed to you by Stockton Food Products, Inc., and by Albert C. Harmon.

The note of Stockton Food Products, Inc., which you had placed for collection with the Stockton Savings and Loan Bank has been paid in full (without interest) in the amount of $1176.56, from which the Stockton Savings and Loan Bank has withheld $5.00 to cover their charge for collection as shown on their collection report No. 6302 enclosed herewith.

This leaves a net credit to your account of $1171.56 to cover this item. Therefore, we are returning to you herewith, by registered mail, your savings department pass book No. 4449 of Stockton Savings and Loan Bank which shows the deposit of $1171.56 to your credit, the balance in the account now being $1571.56 .

With reference to the account of Albert C. Harmon, $570.00, this may be paid in various unequal installments, the first of which has been promised for today, after his failure to meet promises made previously. If and when payments on the account are made to us they will be placed to the credit of the above mentioned savings account No. 4449, and you will be notified by mail.
