Dear Mr. Kawamura:

Acting upon the request made in your behalf by Mr. Kajiwara, we have been in contact with the office of Stockton Food Products, Inc., and also with Mr. Albert C. Harmon, the results of which conferences have led to following promises of payment by the above parties:

The note of Stockton Food Products, Inc. in your favor, in the amount of $1176.56, due August 10, 1942, and representing wages and commissions due you, is to be paid in full on September 23, 1942, at the Stockton Savings & Loan Bank, where the note was placed by you for collection. This statement merely quotes the promise of Mr. Bundy, president of the company.

The contract note of Albert C. Harmon in your favor, in the amount of $570.00, due August 11, 1942, and representing his promise to purchase and pay for your 1940 Chevrolet Coupe, Serial number KH101444, is to be paid in full not later than September 25, 1942, by the issuance of a cashier's check in your favor and drawn on one of the local banks, according to the promise of Mr. Harmon.

Allow us to state that the status of the Harmon deal was complicated by the fact that you had endorsed and transferred the legal certificate representing your ownership of the Chevrolet coupe to Mr. Harmon at the time of your entering into the sales contract with him. For the protection of owners who enter into such contracts, it is ordinarily customary and proper to retain the legal ownership certificate until the contract or note has been paid in full.

We shall hope to be advised that payment of the above accounts has been made to you as promised.

Dear Sir:

Reference is made to your letter dated October 24, 1942 addressed to Mr. L. S. Weeks, our former field representative at Stockton, California, regarding your desire to dispose of certain farm equipment.

Inasmuch as the War Relocation Authority, with headquarters in the Hotel Whitcomb Building, San Francisco, California, has jurisdiction over problems of evacuees resident in War Relocation Projects, we are advising that agency of your desires, in the hope that it will be in a position to assist you.

We believe you may expect to hear from the War Relocation Authority in due course.

MEMORANDUM TO: WAR RELOCATION AUTHORITY
DIVISION OF EVACUEE PROPERTY

SUBJECT: Farm Equipment of Evacuee

We are enclosing a copy of a letter addressed by M. Kawanaga under date of October 24, 1942 to our former field representative in Stockton.

The letter expresses a desire on the part of the evacuee, who is a resident at the War Relocation Project at Rohwer, Arkansas, to dispose of certain farm equipment.

We have been informed that the John Deere plow, ditcher, and cultivator are stored with the Holt Brothers Tractor Agency, Stockton, California, as is the sub-soiler; and that the price paid by Mr. Kawanaga for the equipment last year was in the neighborhood of $1,000.00.

It is our understanding that the Brookes plow and additional equipment are situated on the Jardine Ranch, Terminous, California. We are uncertain as to the cost price of this equipment.

Believing that you are interested in placing equipment such as this in production, we are pleased to submit the evacuee's letter to you, together with a copy of our reply of today's date indicating that the matter was submitted to you.

At Holt Bros. in Stockton, I have a #316 John Deere plow, one big ditcher, one subsoiler, and one John Deere best cultivator which I want to offer to any buyer at 15 to 20% discount of the original price.

As I have already written to you, I also have some small equipments stored in the barn belonging to(Jarjin in Terminous. I also have for sale a 22 inches Brookes plow. If there are any buyers for these equipments, I am giving you the authority to sell them at the maximum price.

Yours very truly,

M. Kawamura

Mr Everson: no reply from me Please see report #10 on Japanese farm equipment, also reference to him in my final report to You. He came to see me was Rev. Kawamura
Were I to try to assist him personally, I would advise him to run clean and brief classified ads in Stockton Record, which has a daily circulation of over 16000 in a locality where such equipment may be in considerable demand.

Dear Mr. Kawanaga:

This letter will be forwarded to you at Rohwer, Arkansas, and is written in further reference to our conversation at the local center regarding your farm equipment which is stored both at Holt Brothers, Stockton, and on the Jardine Ranch at Terminous.

Within the next few days the writer expects to go to Terminous for the purpose of looking over that equipment. However , if you desire to sell the plow, ditcher, and cultivator at the Holt store, we have in the past in like cases recommended, with considerable success, the practice of advertising such equipment in the Stockton Record in classified advertisements which have carried the prices desired as well as the age and description of the articles.

In the meantime we have listed your equipment and will be very pleased to do all we can toward assisting you in the sale of it.

Enclosed herewith you will find the storage receipt of Holt Brothers, which you had given to the writer during our conference.

Very sincerely yours,

Before any property will be accepted for storage by the United States Government four (4) copies of this form must be filled in and returned to the Civil Control Station at which you registered for evacuation. On the back of each copy the items to be left for storage must be carefully listed. Items not on the printed list should be written in the blank spaces provided on this form.

Small articles must be securely packed in crates or boxes of not less than two (2) cubic feet capacity and will be indicated simply as to number of boxes, no attempt being made to itemize on this form the articles therein. It does not constitute a verified list. It does not constitute any evidence of the number of items actually stored or of the contents of boxes, crates or packages. Verification of the inventory list of items actually stored will be made as storage is accomplished. A verified list will then be forwarded to the owner.

The copy of the list mailed to the owner will serve as a permanent record and should be carefully preserved by him.

INSTRUCTIONS TO OWNER

Before any property will be accepted for storage by the United States Government four (4) copies of this form must be filled in and returned to the Civil Control Station at which you registered for evacuation. On the back of each copy the items to be left for storage must be carefully listed. Items not on the printed list should be written in the blank spaces provided on this form.

Small articles must be securely packed in crates or boxes of not less than two (2) cubic feet capacity and will be indicated simply as to number of boxes, no attempt being made to itemize on this form the articles therein. All crates and boxes must be securely packed and fastened. Each box, crate, or article must be identified with tags obtained from the Civil Control Station.

No loose bundles of clothes, linens, utensils, or other small or unsubstantial household items will be accepted for storage. Farm products, farm machinery, automobiles, land, livestock, or pets must not be listed as personal property on this form.

After all copies of the form have been filled in and returned to the Civil Control Station, one copy, checked for conformity with the other three, will be given to the owner of the property. The copy delivered to the owner will be evidence merely that other copies of the form have been delivered. At this time the owner must leave the keys to the place where the property is to be found, or make arrangements to deliver the keys to the representative of the Evacuee Property Department of the Federal Reserve Bank of San Francisco before leaving the area of his residence.

The copy delivered to the owner merely shows the number of items, boxes, and crates which the owner claims he has prepared for storage. It does not constitute an agreed inventory. It does not constitute a verified list. It does not constitute any evidence of the number of items actually stored or of the contents of boxes, crates or packages. Verification of the inventory list of items actually stored will be made as storage is accomplished. A verified list will then be forwarded to the owner.

The copy of the list mailed to the owner will serve as a permanent record and should be carefully preserved by him.

Dear Sirs:

Reference is made to your letter of August 14, 1942 relating to the above subject. May we call your attention to the spelling of the surname, which we believe to be correct, as we have his signature on file.

According to our records this man was evacuated from the Strathmore area and made arrangements with us for the storage of certain personal belongings generally classified as furniture. Dear Mr. Kobo:

On July 10, 1942 you called to my attention the fact that your bank account, consisting of some three hundred dollars had been attached by the Board of Trade of San Francisco. Complying with your request for information concerning this, I have made an investigation and find the situation to be as follows:

Mr. Waters, local representative of the Board of Trade of San Francisco, states that you were owing the American Stove Company, 424 Townsend Street, San Francisco the sum of $980.00, and William Voalker, 631 Howard Street of San Francisco the sum of $430.00.

Mr. Waters further stated that under the circumstances of your evacuation, that your creditors would be willing to settle for fifty cents on the dollar, if it were possible for you to raise this amount of money.

I am submitting this information for your consideration, and if there is anything further that I can do in the matter, I shall be pleased to assist you.

Yours very truly,

Mr. L. J. Allen, Field Representative,

Evacuee Property Department,
319 Patterson Building,
Fresno, California.

Dear Sir:

Reference is made to a letter from (George Kebo) addressed to you, together with your note of transmittal forwarding the problem to us.

In view of the fact that the business was apparently liquidated at a loss and the bank account has been attached we see no possibility which would allow us to take action in this case. This man admits debts approximating $1,400.00 with assets of around $300.00 which is sufficient evidence that he has no equity nor property justifying protection.

Our only suggestion would be for you to write Kebo and ascertain the name of the wholesale company to whom he is indebted. Additionally, it might be in order for you to contact your Board of Trade and determine the correctness of his statement concerning them. Upon advice from you we will contact the wholesale company in question and corroborate Kebo's statements or ascertain their side of the picture.

Yours very truly,

Assistant Cashier.

Dear Mr. Allen:

I am taking this opportunity to write to you for some business information.

Prior to the evacuation, I was engaged in an appliance business in Fresno. However, due to above order, I was forced to sacrifice my stocks in order to liquidate.

After winding up my business, and taking a big loss, there still left a balance of about $1400.00 due to the wholesale company in San Francisco. Without been given an advance notice, my bank account was attached by them through the local Board of Trade so I was told.

I have a small amount of $300.00 still in the bank. I realize that the bills should be paid, but under the prevailing circumstances, I just did not see any way of taking care of the obligations. However, I did have an intentions of taking care of it some how.

At the bank I was told by Mr. Gavotto of the West Fresno branch, to get in touch with you, and find out whether you could do anything for me. Do you think there's any possiblities of getting an release of my account so that I could withdraw it from the bank?

I would appreciate very much if you could supply me with any sort of informations regarding my request of the above so that I could straighten things out.

Hoping for your early reply, I remain,

Yours very truly,

George Kebo

Dear Glen:

There are two Japanese whom we would like to locate. We called upon the Federal Agency here and found you were gone and they furnished us with your address requesting that we write to you.

Mr. S. Kinya rented and occupied a property described as 2205 and 2209 K Street, Bakersfield, California. Mr. Kinya left without notifying us or turning the keys in or paying his last months rent. We would like to have his address if you will be so kind as to furnish the same in order to make settlement with him.

We would also like to have the address of Mrs. Hatsuko Nozu, also known as Amy Hatsuko Nozu, who formerly resided in Fresno. A property was quitclaimed to her which should have come to me and we wish to clear this up as soon as possible as the land has been sold and all that remains is to clear the title.

We will appreciate receiving the above information as soon as convenient for you to furnish us with it.

With our best wishes, we are

Following your conversation with our representative, Mr. Gray, last weekend relative to a fish net claimed to be owned by your husband but turned over to Tom Tanishita, we are enclosing copy of letter forwarded to Del Mar Canning Company on May 11 and their answer of May 13, which apparently relate all of the facts pertaining to this transaction.

We are also including copy of letter from Del Mar Canning Company, dated May 11, 1942, giving the address of Tom Tanishita according to their records.

You may desire to use this information to contact Tom Tanishita to obtain the funds derived from the sale of this net, as claimed by your husband or yourself, in the amount of approximately $1,200.00, as was paid to Mr. Tanishita by the Del Mar Canning Company.

We hope this will supply the information requested before your leaving.

Dear Sirs:

Following your 'phone conversation with our representative, Mr. Gray, on last Saturday, relative to a fish net turned over to your firm by Tom Tanashita, we are desirous of ascertaining the facts in connection with your handling this fishing net so turned over to you.

It is our understanding that this net was purchased by Mr. Tanashita and that you loaned approximately $3,800.00 on the net, of which about $2,000.00 was paid off, leaving a balance of about $1,800.00. Furthermore, that when Mr. Tanashita discontinued his fishing operations, the net was turned over to your firm for sale; and that you have since sold this net for $3,000.00, and have paid over to Mr. Tanashita the difference between the balance of the loan and the sale price, or approximately $1,200.00.

We will appreciate your giving us the details of this transaction with dates of the negotiations and sale, together with any other information that you might have.

Approximately 240 acres of Solano County asparagus leased by Mrs. Kercheval and farmed by Ishino under contract which required him to provide labor and equipment to bring crop to point of cutting. Evacuation plan necessitated liquidation of Ishino's interest in implements and crop.

On May 1st an agreement was reached to sell implements to Mrs. Kercheval and she handed Ishino her check for $4771.00. Copy of Bill of Sale attached. Discussion was continued in effort to adjust Ishino's demand for payment of crop share and rebate of prorata of share of $9600.00, 1942 rent paid in advance on Oct. 1, 1941. This was complicated by strong self-interest of both parties and looseness of settlement provisions of contract.

The whole problem was of such a highly controversial character that negotiations for adjustment extended over a period of nearly two months and included frequent breakdowns and threatened recourse to the courts. Messers. Reid and Schmitt, who refereed the proceedings, finally guided the principals to an agreement.

Settlement:

Ishino compromised rental claims against Mrs. Kercheval for $2000, and adjusted his claim as of 4/26/42 against the crop for $4007.74. She then gave him her check for $6007.74. This made a total of $10,778.74 which Ishino received in settlement of his claims.

Copy attached of agreement executed by Ishino and Mrs. Kercheval in conference (5/14/42) with Mr. Schmitt.

FARM SECURITY ADMINISTRATION
EVACUATION CENTER
PROJECT #89

Sacramento, Calif.
May 11, 1942

Mr. Leland Fryer
Chief, Evacuation Control Unit
Farm Security Administration
30 Van Ness Avenue
San Francisco, California

Dear Mr. Fryer:

I wish to present to your attention the case of Louis K. Ishino, Family #27556, Evacuation Project #89, address 1321 4th Street, Sacramento, California. Mr. Ishino is a Japanese citizen of the United States, twenty-seven years of age.

Ishino is interested with Mrs. Dell Kerchevall, 2663 Montgomery Way, Sacramento, California, with a written agreement between these parties, and which is interpreted by Mrs. Kerchevall as simply a working agreement but obviously is nothing more than a partnership arrangement.

It is our understanding that this agreement expires in October of 1943 covering the above 240 acres on a cash rental of $9,600 a year which payment is paid in advance, the last payment being made in October, 1941, to cover the crop year of 1942. The actual owner of the land is Porter McLaughlin, attorney, located in the Forum Building, Sacramento, California.

The case was orginally brought to the attention of the F. R. B. of San Francisco, Sacramento Office, known as Sacramento case #14, because of a dispute between Mrs. Kerchevall and Ishino in reference to a shipping contract entered into by Mrs. Kerchevall with Ensher-Alexander & Barsoom of Sacramento, California, without the knowledge of Ishino. Ishino was greatly disturbed about this sale to E.-A. & B. and took it up with the F. R. B. of San Francisco, Sacramento Office.

The contract called for $1.40 a pack-out crate of asparagus which was acceptable to Mrs. Kerchevall, but the facts are that this price was extremely low for asparagus for this year as the regular cash payments on this shipping grass were aroung $1.65 per crate. Ensher-Alexander & Barsoom is both a shipping company and a cannery and at the end of the shipping season they were to take the balance of the grass for the season on a cannery basis, based on cannery prices paid by leading canneries of grass; namely, California Packing, Libby, McNeil & Libby, and Berout-Richards and Company. Mrs. Kerchevall entered into this contract in January of this year and did not advise Ishino until the early part of March of this year.

The F.R.B. representative called in all parties concerned in this case and after a battle they were able to arrange a satisfactory settlement for all concerned, and in addition suggested that all funds be impounded in the American Trust Company, Sacramento Office, under the name of Mrs. Dell Kerchevall, Holland Asparagus Account. From these funds were tobe paid the packers and cutters for the season, together with the cash rent for the year 1943. This was acceptable to all concerned.

In the early part of March, 1942, the picture was changed because Ishino was given a permit to move to the city of Sacramento and be evacuated under Project #89. Ishino's property lies in Solano County.

The Ishino-Kerchevall case in involved with attorneys: namely, Henry Bedeau, Capitol National Bank Building, Sacramento, California for Mrs. Kerchevall, and Anthony Kennedy, Forum Building, Sacramento, for Ishino.

When the evacuation order went out for Solano County, Ishino sold all the quipment on the ranch to Mrs. Kerchevall in order for her to carry on the operations of this grass ranch; amounting to $4,700.

The question involved is the refund of 1942 rent amounting to $4,800 and operating expenses of $2,400 for the year 1942 and also a waiver of his half of the rent for 1943 which is payable in October of 1942 from the funds impounded from the operations of 1942. This will not be agreed to by Mrs. Kerchevall and it is the opinion of Mr. Kennedy that he will ask for a freezing order on this ranch.

The F. R. B. Sacramento Office was advised by Mr. Kennedy on Friday, May 8, 1942, that he (Kennedy) would contact Mr. Bedeau and endeavor to seek a peaceful settlement and in the event that they were not able to come to a satisfactory arrangement Mr. Kennedy would, through his power of attorney given to him by Ishino, ask for a special blocking of this account. The matter now stands awaiting a reply from Mr. Kennedy.

I have listed the Ishino case #27556 as a complete WFA 30 form because power of attorney has been executed and dispositions made of machinery and equipment. I sincerely hope this case may remain closed but feel that you should have the above information, in case the Federal Reserve Bank feels itself called upon to act to protect evacuee's equity.

We are indebted to Mr. Reid of the F.R.B. for his kind offices in furnishing the above information.

Yours very truly,

(Signed) William B. Hamilton Jr.
W. B. Hamilton, Evacuation Agent
Farm Security Administration.

Mr. Keyston 'phoned, stating that wife of their former German gardener, named Wilkins (husband interned at Sharp Park) needed funds to support self and children. Keyston stated total bill due Wilkins might total $800, less adjustments, but in any event would be glad to pay up to $200 to wife if not violating Government restrictions. Family apparently in dire need.

Action taken:*

Foreign Funds Control advise that, under General License No.11, Keyston could pay the wife up to $500 if Keyston felt certain husband would not object. Even if he did wife would get title to one-half earnings under community property law in this state. So advised Mr. Keyston and he will immediately pay same to wife. He is also getting this week-end power-of-attorney from husband to wife for handling other matters.

Dear Sir:

Your letter dated December 3, 1942 relating to the collection of certain outstanding accounts of the West End Grocery, Oakland, addressed to the Wartime Civil Control Administration has come to our attention.

While our records indicate that Mrs. Kihara was interviewed by Mr. Hendricks, who represented this bank in Oakland during the course of evacuation operations, and that she was provided with a letter directed to all creditors for her use in effecting collections, it does not appear that this bank was requested to attempt to collect the outstanding accounts.

At this time the War Relocation Authority has succeeded to the responsibility for assisting evacuees with regard to their property problems, and it is suggested that if further help is desired, the matter be brought to the attention of that agency.

We presume that Mrs. Kihara is now in a Relocation Area, in which event she would be able to obtain help from the legal aid representatives in such place. It would also be possible to submit the matter to the offices of the War Relocation Authority, Hotel Whitcomb Building, San Francisco.

Yours very truly,

Assistant Cashier.

Gentlemen:

Prior to the evacuation of persons of Japanese ancestry from the coast, I owned the West End Grocery at 1000 Wood Street, Oakland. At the time I left there remained uncollected over six hundred dollars in credit. This I left in the care of Mr. L. L. Hendricks, field representive of the Federal Reserve Bank of San Francisco.

Mr. L. L. Hendricks has never written to me regarding the collection of those debts. Nor has he answered letters of inquiry addressed to him. Any my last letter to him came back unopened.

I would appreciate your advising me what steps I should take.

We are not in a position to carry this for a longer period of time. The entire amount is now past due, and we would appreciate every effort on your part to take care of it. Gentlemen: Att: Mr. Al Reid.

I appreciate very much for what you have done for me in regarding to my trust deed to College of Medical Evangelist. Your letter of 27th, indicate you have already trying to negotiate a loan for me to liquidate my note to above College for the amount of $270.00.

I have not heard from Capital National Bank regarding to above matter but hope to hear from them in few days. As I have believed that Mr. Hudson will be reasonable enough to extend the payment for the duration, if I will take care of Taxes, but if his mind is set as you informed, only way to protect my property is to refinance the loan.

Referring to the property last September I have sold it to the party by the name T. Kohaya, and have deed the property, but it is sold subject to Trust Deed, therefore until Mr. Kohaya pay me, I still hold the equity to the property. As Mr. Kohaya is also evacuated and I know he is unable to pay me any money therefore kindly proceed in refinancing the property for me.

Regarding to exact location to above property, it is situated about 1/4 mile south of Power Inn on Folsom Blvd.

Again thanking you for this favor, I remain,

Very truly yours,

Y. Kiino.

Attention: Mr. Otis A. Hudson

Gentlemen:

We have a recent communication from Y. Kiino requesting further extension of time on his loan, due to his recent evacuation which was ordered by the United States Army.

Judging from Mr. Hudson's remarks, we presume that you would prefer to have this loan paid. With this in mind, we have taken it up with a local bank where they signify their willingness to consider making a loan against this property in order that your loan may be paid out.

Mr. Hudson stated that he would send us copies of communications that he might have with Y. Kiino. To this date, we have received none. Therefore, we have arranged to have a local bank here communicate with Y. Kiino to try to accomplish these results.

We would be very glad to hear from you again now, stating any developments that may occur in this case.

Dear Mr. Kiino:

We acknowledge receipt of your letter of June 26 and have requested the Capital National Bank to consider refinancing your property in the New Ramona Tract.

It is my impression that the College of Medical Evangelists does not want to extend more time with regard to the balance due them. Therefore, we had thought best for you to obtain a new loan on terms that you will be able to meet under the present circumstances.

You will very likely have a letter from the Capital National Bank in respect to this matter very soon now. Enclosed find copy of our letter to Capital National Bank of this date.

Gentlemen: Att: Mr. R. W. Schmith;

In answer to your letter of 24th inst., I appreciate the Banks attitude taking care of our property. In regards to the complaints from my tenants Mrs. William Ludwick who is renting my house, Mr. Bruce Camp is handling the affairs for me. The reason is I am buying that property from Mr. Camp on payment, and yet I have $475.00 balance, and at the time of my departure I have made arrangement with him to have the house rent furnished and the rent realized from the tenants will be credited to my account. As Mr. Camp has promised to protect my equitity on the property, I have given him full authority regarding to selecting the tenants. As I am sure Mr. Camp will treat the tenants right.

As the matter of Mr. Otis A. Hudson, representing the College of medical Evangelist, There is a note due to him for the amount of $261.27 plus accrued interest, and before the berry season I have promised him that at the end of the season I will be able to clear up the note. Mr. Hudson is justified in demanding the payment, and do to my hasty departure from Florin, before the berry deal is over I have been unable to fulfil my promise, due to disastrous ending of the strawberry deal this season, xxxxxx continious rain and late season. However this circumstance is not the fault of my own and I amvsincere is liquidating his obligation. As the orignal amount was over $2000.00 and I have paid major portion of the note, at this time I want to ask you to use your influence and please convince Mr. Hudson and to have this note defer during the duration, as I have a tenants to take care the property and pay the taxes during my absence Mr. Hudson has very little to loose, as the balance is very small, and I wish to ask him to be satisfied by just paying the taxes and having some one taking care of the property.

However if I am relocated and be able to have little income, after taking care of my family, if possible I will be glad to pay euen little sums as portion of interest.

Please have Mr. Hudson realize my situation of present, and have him wait for the foreclosure proceeding until this crisis is over.

If my note and trust deed will be outlawed, I will be glad to renew it so that his equity is fully protedted.

Kindly convey my situation to him and I will appreciate your co-operation in settleing this matter.

Very truly yours,

Yoshio Kiino.

Mr. Yoshio Kiino
Sec. K, Brk. 15, Apt. 2

Dear Mr. Kiino:

Within the last two days, attention has been called to your properties through visits to this office; first, one Mrs. William Ludwick who had a complaint to offer in regard to the way Mr. J. Bruce Camp had handled her as a tenant in your Florin property. Our Mr. Richert investigated this case and finds you have written to Mr. Camp in reference to this matter and apparently Mr. Camp is handling everything satisfactorily to both you and Mr. Camp. Therefore, we have done nothing further in this matter except the investigation referred to.

A Mr. Otis A. Hudson, representing the College of Medical Evangelists from Loma Linda, California, called at this office stating that he wished to start proceedings of foreclosure of the deed of trust they hold immediately. Upon investigation of this matter I have asked him to defer these proceedings until I can hear from you.

It seems possibly you are unable to meet this payment due to the fact that you have funds in the Sumitomo Bank, now in the process of liquidation. If that is the case and you wish to obtain a loan against these funds, it may be possible for us to do so for you. Some banks here have made loans up to 50% of the amount shown as on deposit with the Sumitomo Bank, in cases where the account is in perfect order. This may be a suggestion of how to obtain money to pay out this deed of trust.

Mr. Otis A. Hudson stated that he would write you a letter in detail, showing the amount now due. The amount reported as due by him on May 31 was $368.34. At the time of settlement, you would have to add interest at 7% on $261.27 for the number of days between May 31 and the date that you were able to make the settlement.

Inasmuch as we do not have a listing of this property referred to as being in the Ramona Tract, we are not familiar with what is going on on this property at the present

time. Mr. Hudson from a casual observation reports that apparently the property is being cared for. If you will inform us who is handling this property and what arrangements you have made, it may be helpful in arranging your affairs here.

We feel definitely sure that Mr. Hudson will insist on foreclosure proceedings unless we are able to give him definite plans or substantial payments immediately. Therefore, we would be very glad to hear from you immediately as to what you would be able to do in regard to this matter and we will attempt to assist you in having this acceptable to Mr. Hudson.

Yours very truly,

Called at this office personally and complained that she was told to vacate a house that was let to her for $17.00 per month by Yoshio Kiino. Says she paid Kiino $9.00 and was entrusted with his household furniture. The balance of $8.00 was to be paid to J. Bruce Camp, a dairyman at Florin, who holds a sales contract on the property through the Bank of America, Elk Grove, California. Kiino instructed Mrs. Ludwick to pay the rent to Mr. Camp, who is to deposit the money to his payments at the bank.

Says she offered to pay Mr. Camp who refuses to take same because he wants her to vacate the place and that he told her he is going to resell the place as Kiino's payments should be $35.00 per month. Mrs. Ludwick thinks Camp is going to foreclose.

Action taken:* The writer called at Mr. Camp's home. Camp says the place is being terriby run down. The Ludwicks recently left for a week and all the windows were left open, neighborhood children were climbing in and out of the windows and all the flowers and lawn were drying up for lack of water. Says he wrote Kiino and received the attached letter which is a copy. The original was mailed back to Mr. Camp today. We are satisfied Mr. Camp is taking good care of Mr. Kiino's house and furniture.

Dear Bruce:

Just recieved your letter and I thank you for writing to me. According to your letter it looks like good old Florin is changed. I am glad Davis grocery is doing good business and more power to them.

I suppose it has effected your business considerably, but in one way you will regain by serving to people that came in afterward.

I received a card from Midge, the other day and she also told me the same thing about the people who moved in to my house. Bruce, as I have stated just before I left there, during my absence you have complete charge of my house, so you may do whatever you want with the tenants. If you think they are not suitable you may ask them to leave,and put some one else in.

The following is the list of furniture and equiptment I left in the house, 1 gas stove, 1 electric ice box, 1 oil heater, 2 beds with mattress, 2 dresser, 1 round dining table 1 breakfast table, 3 stool, 8 chairs, 1 rocking chairs, 1 sewing machine, 1 davenport, 1 sofa and 1 easy chairset, 1 Philco radio console model, 1 parlor desk, 1 small end table with book rack, 2 rugs, 1 carpet sweeper, 1 round table, and 1 water hose about 50 feet long.

If you want to use sewing machine you may take it home and use it as I believe it will not be so safe to leave it there, or if there is any thing else you want I would appreciate if you will take home and keep it for me.

I am fortunate to have you and Midge looking over our house as I know it will be safe.

Thank you for your kindness, I remain,

Kikuchi May 22, 1942 —

Santa Rosa

Dear Mr. Knight,

How are Mr. Knight? I guess you are much relieved now that we are all moved out. I know you must have had some splitting headaches with all of us running in and out of your office every day for a couple of months.

May I take this time Mr. Knight, to express my sincerest appreciation for all you have done to help us in preparations

for our new life and adventure. I'm sure everything went quit smoothly at the ~~the~~ train depot, thanks to you and Mr. Roger Thomas. Please give him my best regards if you see him Mr. Knight. thanks.

Well after leaving Santa Rosa we reached Merced via Sacramento and Modesto at 6:00 P.M. And transported from the Railroad station to this Assembly Center by bus. There were two buses and several baggage trucks

to help complete the trip. We went thru the administration bldg - getting our quarters, meal tickets and other instructions. The baggages were all unloaded in an open lot and were all segregated by the 1st Sonoma people who left Saturday. Then they all helped carry them to our quarters - some wheeled them on wheel barrels and some carried suit cases for us. Really everything went along very smoothly and we were all situated in our quarters before dark.

We have very comfortable

quarters here. Each room was furnished with as many beds and mattresses to meet the needs of the family. So, since we came here, I've been getting boards here and there and making furnitures for my two families.

Everything is swell here Mr. Knight - comfortable quarters - good meals - good shower rooms, and we all go watch the younger boys play baseball in the late afternoons. All is well except for the weather — just think!! 105° in the shade and 115° in the open - some heat, don't you think, Mr. Knight.

How about trading places - I'll take care of your business while you come here for a vacation! Ha! Ha!!

Well, all joking aside, once again before I close I want to thank you again and I hope you can find time to write to me ~~and~~ how everything is coming along up there. Please give my best regards to Mrs. Knight and Mr + Mrs. K. C. Knight. thank you.

Yours very truly.

George Kikugawa was here to ask about Mitsugi Kikugawa's life insurance policy for $243 with New York Life and which matured March 16/42 & numbered 8-153-121. Mitsugi (George's brother) was born in California but has lived in Japan for 12 years and still lives there. New York Life is holding up the payment of the $243 until properly endorsed affidavits are returned. George claims his father started the policy when Mitsugi was only 15 years old and has continued making these payments ever since

Action taken:* Mr. Tyler rang up Foreign Funds and they affirmed New York Life's stand and they suggested that George and his Father go before a local court and establish the fact that they had kept up the payments on said policy and were petitioning the paying over of the funds to them.

Mr. Rex. E. Gailfus,
Member, Automobile Rationing Board,
Office of the County Auditor,
Stanislaus County,
Modesto, California.

Dear Sir:

Reference is made to your letter dated June 6, 1942 relating to the issuance of a certificate to permit purchase of a 1942 automobile owned by George Kimoto.

This automobile does not appear to have come within our jurisdiction in connection with the evacuation operations.

Under these circumstances, this bank has no interest in the transaction you mention, although we might point out that if by any chance the vendor is not an American citizen, or is not operating under general license from the Treasury Department, consideration should be given by the parties to any sale transaction to obtaining a license from the Treasury Department permitting such sale. In other words, if the vendor is a blocked national, which would be the case if he had not been continuously in this country since June 17, 1940, such a license would undoubtedly be necessary. We are enclosing four copies of form TFE-1 which should be completed and forwarded to this bank in triplicate in the event that such a license would be necessary.

Yours very truly,

Assistant Cashier.

Dear Mr. Reid,

Thank you very much for your kind letter. I appreciate it very much.

We closed our store (about the first of this month (returned our license of course)). We're now trying to sell out the fixtures that's left in the store, but that makes it difficult for other people. Many people come but they haven't a license (and of course they wouldn't need much liquor store equipment unless they have a license. Anyway, things are like that, but we'll get rid of the fixtures some way before next month. We're staying here until this month and moving out soon!

Please give my best regards to Mr. Shigekawa and the other lady (I can't recall her name).

Thank you again for all you've done for us.

Sincerely
Mrs. Yutaka Kimura

FEDERAL RESERVE BANK OF SAN FRANCISCO

FISCAL AGENT OF THE UNITED STATES

Bakersfield, California.

Federal Reserve Bank,
400 Sansome Street,
San Francisco, Calif.

In Re: Kanetaro Kinoshita.

Gentlemen:-

Under separate cover I have mailed to you a S-5055 form for the above captioned alien.

This family consists of his wife, one married daughter, one single daughter, and two sons who are in the American Army. The four children above mentioned are citizens. In addition to this, there is a son who is an alien. The father and son were apprehended by the F.B.I. yesterday, and are now in custody.

Toshiko Kinoshita called on us today with a bank of America No. 8594 Savings Account Book, showing a deposit of $254.68 in the name of her father. The family need money for living expenses, and are worried that they may need some for moving at time of evacuation, also. The bank of America referred this matter to us. Kindly let us know how to handle this case.

Further, the father and mother have an additional account in the Yokohama Specie Bank, San Francisco, in the amount of $5000.00. The family would like to transfer this account to the Bank of America, and if possible change it in the name of any two of the children of American birth. Can anything be done in this case?

Very truly yours,

Glen L. Johnson,
Field Representative.

Dear Mr. Kishida:

In compliance with your request we called up Mrs. Hunter today with reference to the amount of $30.00 due you from her minor son for the purchase of your automobile.

Mrs. Hunter states that she desires the young man to meet his obligation. She also states that there was some conversation with you (according to the statement of her son) about reducing the price of the car by reason of mechanical troubles which developed after delivery. All such statements may or may not be true, however, if you do not receive prompt settlement, we suggest that you write direct to Mrs. M. Z. Hunter with a definite statement of the facts in the matter and make another request for full payment of the balance due you.

Very sincerely yours,

Dear Mrs. Hunter:

We telephoned to Mr. Kolb of the Bank of America in Lodi today, inquiring as to the status of a certain note for $30 given by your minor son to George Kishida, covering balance due on an automobile purchased by your son from George.

If we understand Mr. Kolb correctly, you called at the Bank, stating that the matter would be taken care of, but not giving any definite dates so that we could advise George Kishida of these dates and amounts to be paid.

It may be an accommodation to your son if he could understand that small payments made regularly would rapidly cut down the debt, and would give him the satisfaction of having completed his obligation in the transaction. We would be glad to recommend to Mr. Kishida that he agree to some such arrangement, and then all parties to the transaction would be satisfied, and the debt would be paid.

We will appreciate it if you will advise us or advise Mr. Kolb if such an arrangement can be made, and what installments and dates could be set up to discharge the obligation. With many thanks for your kindness in the matter, I am

Sincerely yours,

For your information and that of Mr. Kishida, we had considerable difficulty in collecting this money and only accomplished same by virtue of numerous trips to the Produce Company's office and an appeal to one of the local banks for assistance.

Gentlemen:

Attention: Mr. Armstrong

The attached file (Half Moon Fruit & Produce Company and T. Kishida) is self explanatory.

Today we had a telephone conversation with signer of this check and member of the Firm, as shown on billhead, H. J. Giuntini. He is a little bit hostile against Japanese in general. We took a tactful course with him, and we believe that if a tactful representative from your Office would call on Mr. Giuntini with this file, they could collect a new check for the account. Regardless of Mr. Giuntini's prejudice, the Kishida family in Lodi have always been clean operators, have paid their bills, and have been good customers of the local business community in general. If you are successful in making a new collection, we would be glad to have remittance sent to this office, from where we would transmit it to Tad Kishida in Stockton Assembly Center.

Thanking you for your assistance in the matter, I am

Complications in matter of straightening out his deal with Utility Truck and Trailer Co. to whom he owes $1200 on a $2400 purchase for a heavy duty SWX 10 Utility Trailer. Operator Doudell of San Jose who writes to rent trailer. Bank holding Kishida contract in San Francisco unwilling to complicate original setting of contract.
Problem: How to put trailer in Doudell's hands under rental agreement which will also call for payments on contract in absence of Kishida, on basis satisfactory to Bank?

Action taken:* Referred Subject to his attorney, West, of Lodi to make up agreement which would not upset original contract, by letting Subject and Doudell enter into an agreement of use by which Doudell agrees to pay Kishida an amount for rental ending on a definite date, such amounts to equal installments due on original contract and to be paid to Bank. As further consideration Doudell guarantees the payments of the original Kishida contract and registration certificate only to be transferred to Doudell pending final full payment. Ownership certificate to remain with contract.
If necessary Kishida makes guarantee covering arrangement, so that original setting of contract is not disturbed.

Dear Sir:

Reference is made to your letter of August 19, 1942, relative to Shunichi Kishima.

On the basis of information contained in your letter it would appear that Mrs. Kishima should write to the Gardena Branch, Bank of America N.T.& S.A., Gardena, California, and request them to advise her as to the disposition made of the $1,000.00 which she deposited, and also asking them to inform her whether or not her bank accounts are blocked, and if such accounts are blocked, the reason for such action.

After Mrs. Kishima has received the above indicated information from her bank, we shall be pleased to assist her with any question she may have relative to Foreign Funds Control.

Yours very truly,

Dear Mr. Iverson: Subject: Mrs. S. Kishima

The above subject and her husband, Shunichi Kishima, both alien Japanese formerly had a joint checking account in the Gardena Branch of the Bank of America NTSA which was subsequently blocked and the husband interned in Louisiana. I understand this account was blocked on account of the interest of the husband.

On May 11, 1942 Mrs. S. Kishima sold her automobile and opened what she describes as a personal account of her own in the same bank. I have a letter before me addressed to her from the bank acknowledging receipt of $1000.00 and a duplicate deposit receipt in the name of Mrs. Sasae Kishima. On May 8th. Mrs. Kishima drew a check payable to David F. Bunker for $136.80 which was returned unpaid by the bank with the notation "refer to maker". Mrs. Kishima thinks this deposit might have gone to the credit of the old blocked account as she sees no reason for the new account being blocked.

Mrs. Kishima also presented form TFEL-1 approved by the Federal Reserve Bank of San Francisco authorizing Shunichi Kishima to effect withdrawals necessary for the continued operationof his business. This license is dated Feb. 25th and relates to the blocked joint account. It appears as if Mrs. Kishima is primarily interested in the $1000.00 at this time and her right to maintain an account of her own without restrictions.

Very truly yours,

Dear Sir:

Mrs. S. Kishima came to me with money orders made payable to one Toshiro Kuritani in payment of rent on a house subleased to you. I understand Mrs. Kishima is really intitled to this rent under the terms of your lease and the fact that Kuritani is not available at this time she desires you to make checks or money orders payable to her.

I understand she is sending you the money orders now held by her with the request that you indorse them and cash them at your local postoffice and then secure new ones made payable to her.

I should thank you to inspect your copy of the lease and if you find that the rent should properly be paid to Mrs. Kishima please see that she realizes on all past and future rent.

Principal property involved and scope of problem: Owns a furnished house at 480 Romie Lane, subject to an F.H.A. loan through the Monterey Co. Trust & Savings Bank for $5,808.92 with monthly payments of $67.50.

Dr. Kita has arranged for the ~~storage~~ storage of his dental equipment from his office and the cancellation of his lease and now wishes to report that he is giving the Salinas Valley Realty Co., Inc. his P. of A. to look after his home and the 4½ acres of farm land around it with proper instructions to make collections and payments. It is estimated that the house will rent readily for $70 a month.

Action taken:* Explained to Dr. Kita the instructions we had about automobiles and furniture. He seemed satisfied with the situation and the plan.

Have checked with F.S.A. and find he has not yet leased his farm lands and that Baltz of the Salinas Valley Realty Co., Inc. is negotiating for it and will report to the F.S.A.

Dear Sirs:

On March 31st, I went to the Kitada ranch, Rt. 2, Box 2920 A, Sacramento, California, on which I hold a trust deed. While there Mr. Kitada showed me the copy of a paper that Artz and Cook of 813 J. Street, had requested him to sign. This paper was a "Power of Attorney". From the information given me by the Kitada family, the nature of the paper was not made know to them. In fact there was considerable misrepresentation, such as saying it had Government approval and all others in the district had signed. I have no business relations of any kind with the firm of Artz and Cook. As I am interested in the Kitada property, I felt I should pass this information on to you.

Sincerely

Signed May Clark.

Principal property involved and scope of problem:

This man, before entering army, had made a tomatoe crop deal on land of and with Brazil, paying part of consideration in advance. Upon entering army he made deal with Brazil who agreed to pay him $500 and take over crop still undeveloped. Kitade's friend, R. Yasui, comes with complaint that Brazil has not paid and has given no difinite instrument acknowledging debt and promising payment. However, he presents an order on F. E. Booth Cannery at Centerville,,California, also a proposed acceptance of this order by Stockton Produce Credit Association, both given to him by Brazil supposedly in behalf of Kitade covering future marketing of 1942 crop, neither of which papers were signed by above parties. Yasui also presented note for $500 drawn up by Brazil but not signed. Object in handing out these unsigned papers not clearly understood by anyone concerned. In communication with Booth Co. I find that proceeds of Brazil's crops are pledged in advance S. P. C. A. I find from S. P. C. A. that about $15000 has been advanced to Brazil. Meantime Brazil agrees with me to deposit note payable to Kitade in amount $500, 1 % interest, due on or before Dec. 1, 1942, in Bank of America, Tracy, as evidence of debt.

Action Taken:

Mr. French meanwhile agrees to take assignment of note from Kitade and advance money immediately, charging against Brazil account. Up to this morning note not deposited at either Tracy bank. This office will follow through on note and communicate with Kitade when note is actually on deposit, and acquaint him with promise of Mr. French.

By the terms of the original contract 31 monthly payments of $38.18 are to be applied. The original agreement was revised monthly installments were reduced to $25.00. Dear Sir:

Reference is made to your letter of August 5, 1942, in regard to a Japanese alien paying premiums on his life insurance policy.

From the information contained in your letter, it appears that Mr. Sataro Kitagawa's account is held under a blocked status. This fact alone would not prohibit his paying the premiums on his life insurance policy.

Withdrawals up to $500.00 per month may be made under General License No. 11, a copy of which is enclosed, if necessary to cover such living, travelling, and similar personal expenses.

Under the above circumstances, we know of no reasons why the payment of the premiums should not be accepted by insurance companies.

Yours very truly,

Assistant Cashier.

Name. Toshiko Kitagawa, now in Tulare Assembly Center, G-14-2, Tulare, California.

Address last. P.O. Box 153, Guadalupe, California.

Occupation last. Farming.
Member of family and their address;

Brother-Yoshio Kitagawa now at Tokyo, Japan. My brother Yoshio left for Japan on August 1941, on his summer vacation and he was on his way to America, scheduled to arrive San Pedro, California, December 12th, 1941, but due to the out-break of war he had to turn back to Japan. Now he is staying in Tokyo.

Father-Sotaro Kitagawa now detained at Fort Missoula, B-30,Missoula, Montana.

Mother-Tazu Kitagawa now at G-14-2 Tulare Assembly Center, Tulare, Calif.

Actual Situation:

My brother, Yoshio Kitagawa entered into a lease agreement with one named Roland Rognazzini (Pres. of Union Sugar Co.) of San Francisco on November 1st, 1940, for a period of 3 years, of a premises situated at Oso Flaco in the County of San Luis Obispo, State of California. The said property is owned by Mr. Tognazzini. Although my brother Yoshio Kitagawa is a lessee the farming was carried on by the members of family and said Yoshio Kitagawa. The terms of agreement were duly carried on and there was no misunderstandings on the part of lessor and lessee up to recent date. As it is mentioned above, Yoshio Kitagawa left for Japan last summer on his vacation and was not able to return to this country on account of war. The farming was carried on by us. On December 7th my father was then taken away and interned in camp so I, Toshko Kitagawa have been carrying on the farming. On the said property, there were 40 acres of cauliflowers and they were ready to be marketed on May of this year, at which time we had to evacuate to Tulare Assembly Center. The cost of planting and care for the growing of the same crop is estimated at $125 per acre. In view of this situation we have demanded Mr. Roland Tognazzini, the owner of said property who took the possession of the said ranch with said crop and leased it to Rosemary Co. of Santa Maria, California, to pay us the cost of planting and growing which amounted to $5000. The said owner of property, Roland Tognazzini refused to pay any amount.

My brother, Yoshio Kitagawa, also have a lease with Bello Bros. of Santa Maria, for 36 1/2 acres of farming property situated adjacent to one mentioned above. The same crop of cauliflowers were planted on 5 acres of the said Bello Bros. ranch. As in the case of Tognazzini ranch we have requested them to pay the cost of planting and care of the crop which amounts approximately $625, but none has been paid to us.

On the properties mentioned above we have left 7 horses and some farm implements which amounts to approximately $525.

We have left this matter in the hand of M. B. O'Brien, c/o California Lettuce Growers Association, Guadalupe, California but to date I have not been able to obtain satisfactory results. Instead, I have been notified by him that the owners of the property, namely; Roland Tognazzini and Bello Bros. refuse to pay any cost on the ground that lessee, Yoshio Kitagawa is now in Japan and the said lease with him has terminated. My family, as it is mentioned above, have been taking care of the crops in place of Yoshio Kitagawa and we have actually lived there and took care of the said crops up until April 29th of this year at which time we were forced to evacuate by the Military Law.

It is respectfully requested that your good office will assist us in obtaining fair percentage of the cost as above mentioned for the planting and care of the crops which have already been marketed at good price.

Thank you and--

Yours truly,

(Signed) Toshiko Kitagawa

Dear Sir:

Our Sacramento Field Representative, Mr. Molter, has passed on to this office a copy of your letter requesting that your ironing board, left in storage with this bank, be forwarded to you.

We are uncertain whether, in explaining the situation to you, Mr. Molter pointed out the fact that we are holding the goods of evacuees taken into storage for the account of the War Relocation Authority for future disposition and it is that agency which will determine when goods stored in our custody will become available to evacuees.

We are passing on your communication to the War Relocation Authority for its consideration.

Yours very truly,

Assistant Cashier.

Mr. J. F. van Loben Sels, Field Representative,
Federal Reserve Bank of San Francisco,

Salinas, California.

Dear Sir:

Reference is made to your letter of June 9th on the subject of one Yukio Kitahara.

We have reviewed our files on this case, and find that Sacramento has interviewed subject several times. In view of the fact that he has appointed an agent who, presumably, is carrying on Kitahara's property affairs in a suitable manner, we do not think it necessary to contact him at the Assembly Center.

Your interest in completing the record on this case is admirable, but in our opinion your suggestion might result in a delegation to this bank of powers of attorney. In addition, we feel that if future problems arise subject would feel free to contact a suitable agency for disposition of any problem.

Yours very truly,

Gentlemen: RE: YUKIO KITAHARA

Last April 24th, we received a letter from Yukio Kitahara of 220½ "V"Street, Sacramento formerly of 537 Robinson Alley, Monterey, about his properties.

We have corresponded with him since then and have consulted with various people in Monterey who knew this evacuee but have been unable to find out much more except that the houses are locked up and one of our real estate brokers in Monterey, Thorn & Co., have the properties listed for sale. Other people have corresponded with him and have not had an answer.

We presume this evacuee should be in the Sacramento Reception Center. If not, he must be in some other close by there. We are wondering if you could have our field representative in that area see him and ask if there is anything he wants us to do to help him with his holdings.

We understand his family own 3 places in Monterey at least 1 of which is full of furniture and other things and we strongly feel that there should be a power of attorney held locally to look after his properties.

It is possible this has been attended to but we do not know about it.

Yours very truly

Dear Sir:

This is in reply to your letter, Re: Sac'to # 213.

All problems have not been solved completely to my satisfaction, but they have been solved well enough in consideration of the present situation.

I have asked my real estate agent and also a friend to board-up the house. As to the safe book which the Board of Equalization may wish to audit, I don't think will be needed since I have heard nothing from the Board. The safe deposit box has been transfered from Monterey, satisfactorily.

Thanking you for your advice and assistance, I remain

Dear Sir:

Reference is made to your letter of April 24th about your real estate in Monterey.

It is noted that you state you have an agent who is managing your property and we presume he is doing so to your satisfaction.

We feel that during your absence the person representing you should be able to do so fully and we strongly advise that you give either a full or a limited Power of Attorney with instructions to act, to someone in whom you have confidence and who has the ability to properly attend to your affairs. We also feel that you should advise this office who this person is so that we may be in a position to assist you in case an occasion arises.

Mr. L. L. Dewar of the Coast Counties Land Title Company is acting for several people and if you do not have someone else in mind, we suggest that you take the matter up with him.

In any event we want you to let us know whom you select and also where your property is, what it consists of giving the street and number, number of lots, etc., and the approximate value of the property and what you think it should rent for; if there is an obligation and if so to whom & for how much.

Dear Sir:

I have received word that I must appoint a power of attorney to manage my property affairs and have been referred to you for particulars. My property consists of three lots with dwelling houses and is situated in Monterey.

I have an agent in Monterey, who is managing and has been managing my property for quite a while. Of course his powers are not as that of a power of attorney appointee.

Furthermore, I have seen a representative of the Federal Reserve Bank of S. F., and he informed me that there is no regulation stating the necessity of an evacuee to appoint a power of attorney.

I will appreciate it very much if you will give me by return mail detailed particulars concerning this matter.

Gentlemen:

Attention: Mr. Herbert D. Armstrong,
Assistant Cashier

We have had several communications from Mr. Bob Kitajima, Family No. 20257, Central Utah Relocation Project, in regards to his Hoover Vacuum Cleaner which we have tried to locate for him.

Please be advised that his property was brought to our warehouse on our WRA 83 form, signed by him, wherein he listed:

1 Washing Machine
1 Tricycle
1 Play Pen
1 High Chair

This is all the property that he requested the Chandler Express Company to bring to our warehouse and this is all the property that we received and receipted for.

As you stated in your letter your FRB-2 form shows:

1 9x12 rug
2 Boxes
1 Carton

As you can see, at no time have we had a Hoover Vacuum Cleaner listed for this evacuee. We are still trying, however, to locate his property for him.

Dear Sirs:

Enclosed is a copy of a letter from the above-named evacuee inquiring about a Hoover vacuum cleaner, which he states was stored at the Oakland Warehouse, as originally established by this bank.

Our records show that the personal property form (WCCA-FRB-2), issued to this evacuee, covered the following:

One 9x12 rug, two boxes, one carton.

From a notation appearing on the form it appears that the vacuum cleaner was included in the carton.

The enclosure is transmitted to you in the belief that you will wish to look into the matter. We have not responded to the evacuee's letter as we assume you will be communicating with him.

Kitamura rents the house at 3616 West St., Oakland, for $35 per month. Under a verbal lease agreement with the owner of this house, Kitamura paid $35 in advance as rental for the month of December, 1942. In as much as Kitamura will soon be evacuated, he wished to apply the $35 paid for December on the curren month's rent. He had discussed the matter with the owner, Mrs. Jones, 3111 Santa Clara Ave., Alameda, phone La 2-7654, but she had refused to comply with his request stating that she felt that the verbal lease agreement was binding and in effect.

Action taken:*

I talked to Mrs. Jones and pointed out to her that a verbal lease agreement was of no value and suggested that she compromise the matter with Kitamura by allowing him credit on his rent in the amount of one-half the advance rental paid or $17.50. Both parties agreed to this arrangement.

KITANI, Masutaro (father) and Yoshiye KITANI (mother) of ~~###~~ above are Japanese aliens; they both last entered this country in 1926. and live with their children at above address, and have a small interest in the here-in-after listed crops.

Property involved:- Own 16 acres of ground in San Lorenzo, Cal. on which there is:- 1 home of 4 rooms, plus a bath room; 1 tank house containing 2 bed rooms; 1 barn, size 40 x 50 feet. Value of property $7500:00, free and clear of encumbrances.

They conduct a truck farm, raising principaly:- carots, tomatoes, peas, potatoes and corn.

PROBLEM:- Owners (named at top above) of land want to lease to James Gamenara, of San Lorenzo, Cal. A Mrs Fritz Waltenberger (white USA citizen,) who lives in Centerville, Cal., came in with the other 3 people and acted as spokesman for all. Mrs Waltenberger wanted to know if this office would draft a Power of Attorney running in her favor, from land onwers, giving rights to her to deal with this property. Gamenara, the prospective leasee, stated his desire and willingness to lease the property. Mrs Waltenberger stated the Japanese owners' parents have worked for her many years; her only interest in the whole matter being that of protector ~~Action taken:~~ to the young Japanese owners, and she would execute the lease, under this power of attorney, to Gamenara.

ACTION TAKEN:- Advised all parties that I saw no reason for a power of attorney to be issued in the deal. Suggested they go to their local attorneys to draft a lease directly between owners and leasee; to which they all agreed. Informed them the Japanese US. citizens could enter into such a lease and it would be entirely legal. This office could not in any way be a party to the actual drawing of the lease. This action will unquestionably end the transaction, and all are satisfied.

Dear Sirs:

Reference is made to your letter dated November 27, 1942 involving an indebtedness owing from Motoji Kitano to John J. Ryan.

For your information, no assets of Japanese evacuees are in the custody of this bank, nor do we believe that any other agency has taken custody of any such property except for certain household goods originally left in our care and since transferred to the War Relocation Authority for the account of the evacuees involved.

While we question whether your purpose would be served by such action, we are nevertheless forwarding a copy of your letter and of the enclosure to the War Relocation Authority headquarters, Whitcomb Hotel Building, San Francisco, inasmuch as that agency has jurisdiction over the property problems of evacuees residing in War Relocation Projects.

We have not communicated with the office of the Alien Property Custodian, 315 Montgomery Street, San Francisco, in connection with this matter, inasmuch as we know that that office has not taken possession of properties of Japanese evacuees resident in this country.

Very truly yours,

Assistant Cashier

LOS ANGELES BRANCH

TO: HEAD OFFICE Date April 15, 1942.

SUBJECT: EVACUEE PROPERTY DEPARTMENT

Reference is made to your telegram of April 14, 1942, in which you quote telegram received from K. Kitatani, 441 Broadway, El Centro, regarding a deposit on a lease.

Our records indicate that Field Representative Small made this particular transaction the subject of his report dated April 2. At that time, Mr. Leonard, the landlord, had apparently agreed to permit the Japanese tenant to sell the equipment and also to occupy the premises up to the time of evacuation, if within two or three weeks from the date of the report. Mr. Leonard would apparently charge no additional rent, and if the premises were vacated by April 15, would refund about $25.00 of the advance rent deposit of $160.00 which he holds.

We are writing to the Field Representative furnishing him with a copy of your telegram and requesting a subsequent report on this transaction after he has contacted both the tenant and the landlord.

(Signed) Fred C. Bold
Assistant Manager.

I have deposited with my landlord $160 deposit on last two months of lease. The landlord refuses refund nor credit the amount for this months rent. Is there any way in which I could claim refund. I am forced to terminate because of the evacuation and not breaking the terms of lease. Your local agent has no solution for this. Please advise me of the ruling in cases like this.

Dear Mr. Kiyatake:

Your real estate agent, Mrs. William Cassidy, states that she has received the signed lease from your tenant, Harry Lopez, of 15 East Market Street, Stockton, together with an itemized list of furniture and fixtures, which is the basis of the deal. Mrs. Cassidy promises to forward these papers to you. She will also collect the monthly rental of $30.00 and protect your contract of purchase with Brunswick-Balke Company by making payments to this company from collections as received.

Very sincerely yours,

L. S. Weeks

Dear Sir:

re Interview Report

On April 17, we were approached by T. Kashima, 1608½ Baker Street, San Francisco. He informed us that certain property belonging to you had been abandoned at the time you were evacuated from 1509 Hyde Street.

In investigating this case, we find that your store and equipment were disposed to the Keystone Cleaning and Dying Co. operated by Mr. Lee Foong Kwong. Mr. Kwong states that in taking over this property, he only found a few odds and ends, such as, shirts, etc. which he gave to the Kashima family.

We assume, unless advised to the contrary, that you have contacted Mr. Kwong and completed all necessary arrangements.

Yours very truly,

Assistant Cashier.

Principal property involved and scope of problem: Mr. C. G. Dake of the Coast Co. Land Title Co. called with an escrow which is ready to close for a grant deed from K. Kiyomura, a single woman and native born American citizen to Louis Mariano, a married man of Italian descent who was naturalized May 11, 1934 in this county, series number in the clerk's office is #712. The deed comprises 2 parcels of land in the Graves district of Rancho La Sausal, being 4 acres in 1 parcel and 3.024 in another parcel adjoining.

This land has been farmed to garlic and other vegetables. The sellers have gone to Visalia, the present address being Route 3, Bx 224, although when they left here they were suppose to go to Crosi, also in Tulare County, Route 1, Box 179.

We have checked with the F.S.A. in this office and they have no record of the ranch or the lease or of this proposed transaction.
L. Mariano, the purchaser, is well known here and has a garbage concession. We are checking to find out what arrangements are being made to continue the operations of the farms. No equipment, crop, or leases are mentioned in this proposed deed. Mr. Dake reports that this trans-

Action taken:* action appeared to be very satisfactory to all parties, that dispositions and instructions are given to pay all bills, taxes, and claims against the evacuee and he feels that everything has been handled correctly. This evacuee, K.K. has a brother named Charles who doesn't appear in the papers but who has been active in the management of the properties and the transaction. He's a former employee of E.H. Spiegl of Salinas.

ACTION: Mr. Dake phoned that the purchaser of the property had purchased the crops also and paid for them and was hiring help to look after the garlic now planted and growing and would continue to farm it himself with hired help. At present the sister of the evacuee is working there for wages for L. Mariano. Have recorded this transaction with the F. S. A.

Field Rep. for Federal Reserve Bank,
926 W. Willow St.
Stockton, Cal.

Dear Mr. Weeks, In re Robert S. Kiyotake, Japanese
8-140 A, Stockton Assembly Center

The above Japanese mentioned has given the undersigned a power of attorney to transact all his business dealings while he is not able to attend to same.

I recently consummated a deal which was the selling out of his Pool Furnishings and fixtures located at 15 E.Market St. Stockton, Cal. for the selling price of $1950.00, to be paid on contract of $30.00 per month starting November 1st, 1942. Also the buyer assumes a contract for two pool tables with monthly payment of $29.45 per month, with The Brunswick-Balke-Colender Co. after said contract is fully paid up, the tables revert to the new buyer, Harry Lopez.

All this dealing took place before Robert S.Kiyotake left Stockton for other parts of the country and he attended to signing all papers himself and was satisfied and understood clearly the contents of the agreements.

Any other information you may wish on this case at any time, I will be glad to furnish to you as I am to take complete charge of his affairs from now on.

Respectfully yours,

Wm. H. Cassidy

Gentlemen:

Fred T. Kobayashi, formerly of Glendale, California, had a produce and vegetable store at Chevy Chase and Verdugo Road, Glendale, California. He had sold nine large stands or tables about 4 feet by 20 feet to someone in Glendale.

On April 28th he was evacuated and on that date this buyer cancelled purchase, leaving him no opportunity to sell. His price which he claims was a sacrifice was $200.00, and if he could realize this price or somewhere near this it would assist him very much.

His new address will be Fresno Assembly Center Fairgrounds, Fresno, California.

If there is any opportunity of assisting him or otherwise would you kindly advise him at the above address.

Follow-up on report on above case of March 18, 1942.

Applicant visited this office to report progress daily. Had applicant bring in lease which was drawn in office of Mason McDuffie, Berkeley (Mr. Hall), and found that lease had one year to run from March 22, 1942 at $175 per month, the last month was paid in advance at time the lease was signed two years ago. Your representative communicated with Mr. Hall and received his cooperation in attempting to make a reasonable adjustment on lease. Landlord insisted on $1000 bonus for cancellation. In as much as tenant had spent some $600 in repairs and about $300 for permanent equipment, this office communicated with landlord, Mr. Charles A. Perks, 29 Sierra Ave., Piedmont, to discuss matter. Outcome was that landlord agreed to release tenant upon payment of $350, being the present month's rent and one additional month, allowing tenant to remove balance of stock of goods and relieve him from any and all obligations and also that if landlord should lease property during balance of term on which there would be any net recovery over and above amount due, Mr. Perks would reimburse tenant with net difference. Advised that both landlord and tenant have signed such an agreement, both calling at this office, and so stating and both stating they are entirely satisfied with arrangement.

Gentlemen: Rei S. Kobayashi #13001

Reference is made to copy of letter sent you yesterday from the above.

I went out to the Camp today and saw this evacuee, among other things. He is a very old bachelor who speaks no English and can only understand a few words.

This is the evacuee who came down from the Watsonville district and drove directly into the Rodeo Grounds with his personal belongings during the evacuation period. We had quite a time getting him out of there, then to the Assembly Center, then back to the Rodeo Grounds again properly escorted and tagged.

Through an interpretor provided by the Camp, it develops that he wanted to know what had become of his car and could he sell it privately? It seems that one of the guards had been trying to make a deal with him.

It was explained to him that his car at the time of the evacuation had been stored by us and was being held for sale to the Army and that the Army had taken delivery of the car this week and that he undoubtedly would be paid for it shortly.

He seemed to understand all this and be satisfied except that he wanted to know what day he was going to get the money. What he really wants is to get his money before they are moved away from Salinas which will be about the end of this month, so we understand.

Yours truly

FEDERAL RESERVE BANK OF SAN FRANCISCO

FISCAL AGENT OF THE UNITED STATES

April 15, 1942

Mr. Ross W. Knight,
Field Representative,
Evacuee Property Department,
Federal Reserve Bank of San Francisco,
501 Third Street,
Santa Rosa, California.

Dear Sir:

Reference is made to your letter of April 8, addressed to Mr. Diamond, relative to Jim Kobuke, whom you state is now interned in Montana.

We have in our files a TFBE-1 affidavit filed by a Japanese alien by the name of Tomotaro Jim Kobuke, who states that he is the sole owner of the business conducted and operated under the name of Jim Kobuki, and that his address is Route 2, Box 266, Sebastopol, California. No reference is made to the fact that he has been interned, however, we note that the affidavit was notarized on March 25, 1942 in the County of Santa Fe, State of New Mexico.

The above individual has indicated that he has resided in the United States continuously since November 17, 1906, and that he is a generally licensed national under the terms of General License No. 68A. You have not given sufficient information in your letter to determine whether the Tomotaro Jim Kobuke who filed the above affidavit is the same person as mentioned in your letter, however, inasmuch as they both appear to reside in Sonoma County, we conclude that they are one and the same party.

There do not appear to be any restrictions under the terms of Executive Order No. 8389, as amended, on the filing of a suit or attaching the property owned by generally licensed nationals. If, however, the individual named in your letter is a blocked national, his property could not be sold pursuant to attachment unless authorized by a Treasury Department license.

If there is any indication that Jim Kobuke is a blocked national or that undue advantage is being taken through his internment, we would appreciate receiving a detailed report of the circumstances.

Yours very truly,

R. E. Everson

Re: Property of Jim Kobuke, now interned in Montana

Dear Sir:

Mr. Kobuke left behind various property consisting of such farming equipment as a truck, spray machine, and other articles now being advertised and offered for sale.

Mr. Kobuke also left owing certain money as well as being owed certain sums. Suit has been entered and an attachment on the truck has been served. The question has been asked by an attorney whether this attachment and suit can be legally prosecuted against an interned alien's property.

I would appreciate a ruling concerning what may be done with alien property.

Attention: Mr. Diamond

Dear Sir:

I would appreciate any information or help you may be able to give me to deal with this problem:

Mr. W.N. Richard, Route 2, Box 232, Sebastopol, California, has a bill in the amount of $535.00 against Jim Kobuki, who is at present interned in Santa Fe in Mexico as a Japanese alien. This bill represents green apples purchased by Mr. Kobuki in the season of 1940 from Mr. Richard.

Mr. Richard desires to know what steps he may take to collect this bill. He states that he and Mr. Kobuki were about to settle this bill when Mr. Kobuki was interned. It seems that Mr. Kobuki has plenty of collateral such as a dryer, truck, sprayer, and other equipment.

Please advise what disposition I may make in this matter.

Sincerely,

Answering your letter of June 6th, Mr. Book of the Monterey County Trust & Savings Bank had not heard from Kochiyami regarding expenses. I had him telephone to Mr. Burt at Carmel and the latter had heardfrom Mr. Byron and also Kochiyami and it is my understanding that Mr. Book and Mr. Burt will go together in Mr. Book's car to Tanforan Thursday June 11th, arriving there about 2 o'clock. Mr. Burt wrote Mr. Byron that he would be up on Thursday at that time.

It is Mr. Book's idea to give the legatee a pass book showing the amount of money placed to his credit, less necessary expenses incurred, and leave him some withdrawal slips so he can obtain reasonable amounts of money, if the authorities wish him to have it in camp.

Mr. Book states that he has not heard from Kochiyami at all and feels that he should before undertaking the trip. However, in view of the fact that the time is short and that Mr. Burt is not always available, they are planning to go ahead as stated above. I am asking Mr. Book to write you directly also.

Gentlemen: Re: Masayoshi Kochiyami

Since talking with you at the bank in San Francisco about this case we called at the Trust Department of the Monterey County Trust & Savings Bank in Salinas and discussed the matter further with Dan L. Book, Trust Officer.

They feel that it is going to be very difficult to properly identify this individual as the man to whom the inheritance was left to the satisfaction of the court unless that is done by a person familiar with the evacuee when he was in the East.

Mr. Book appears to think the best procedure would be to try and arrange for Mr. Burt to call at the camp and make the identification and their department appears to be willing to take Mr. Burt there and back again at a time that would be convenient for him in order that he might make the identification, providing the evacuee will pay all expenses and agree to do so in writing beforehand. If Kochiyami has no funds available for this purpose and he will write them a letter stating that and authorizing them to incur this expense for his account and deduct it from his expected inheritance, they are willing to proceed. They asked that he write them a letter giving his evacuation number and also his present street and apartment address so they can communicate with him and make arrangements for a meeting.

It is presumed that the best meeting place would be at the camp although it was suggested that they might meet in the San Mateo County Superior Court, if the evacuee preferred, but it would seem to me this would entail a needless expense and detail.

Mr. Burt is quite elderly and not very strong and the bank is anxious to have arrangements made so that the meeting will not take so much time but that he can be returned to Carmel the same day.

If this trip is made by automobile it would be quite expensive and nobody connected with their institution is anxious to use their car for that purpose so that if the trip could be made by train to San Mateo and then the evacuee could meet the representatives either in court or at the S. P. Depot, that would be a nice arrangement, or if a car could be provided to take the

6/11/42 Transfer of funds accomplished

party from San Mateo to the camp and back again that probably would be all right too, or from Burlingame if that were more convenient.

There is a train leaving here about 8 o'clock in the morning arriving at Burlingame about 11 o'clock, which returns leaving Burlingame about 4:30 P. M. That is about the only one that could be used to do the job in one day.

There is quite a little about this case not generally known which does not put the evacuee in a very good light. Please be assured that the bank here is very anxious to complete this distribution and will do everything it can to help us assist this evacuee.

Attn: Mr. H. D. Armstrong

Gentlemen:

Reference is made to our telephone conversation this morning about William M. Kotchiyama now at Tanforan claiming an inheritance of $2,000 payable to him by the Monterey County Trust & Savings Bank in Salinas.

I had a talk this morning with Dan L. Book, the Assistant Trust Officer in Charge now, and he reports that in the main this is all true. The facts are that Helen Remer Burt of Carmel left an inheritance of $2,000 to be paid to Masayoshi Kochiyami, at that time in New York. This is Probate #6444, Monterey County Superior Court.

The bank has the money and is willing to pay it out as they are anxious to complete the distribution of the estate. Of course, this money will be paid out less the inheritance tax. The money now stands in a savings account and has been earning interest and is earning interest for the beneficiary.

Please note the difference in the names and a possible difference in the spelling of the last name. The bank feels that it is necessary for this legatee to be identified as they do not know him at all. He has written them letters, it is true, but they do not know him nor do they have anything to compare his signature with to show that it is authentic.

They feel that Mr. Burt, the husband of the deceased now living in Carmel, can make the identification and had an affidavit prepared and arrangements made for the legatee to appear at the bank on the 18th of this month and to have Mr. Burt come over from Carmel to identify him.

The report is that this young man was pretty busy having a good time and did not come down and attend to this when he had the opportunity. Mr. Burt is along in years and not very well or strong and the bank does not feel that they should ask him to go to Tanforan.

If the legatee is unable to obtain permission to come down here under guard and pay the expenses so that Mr. Burt could come and identify him at the bank at some appointed time, the bank feels that it is necessary for the legatee to adopt some other method of satisfying them.

The bank suggests that if anyone connected with the Federal Reserve Bank knows this person and can identify him and assume responsibility for the identification that will be sufficient. The bank appears to be willing and anxious to settle this matter as soon as possible in any way that appears safe to their legal department.

They do not feel that they can place this money in an account for this legatee because they are not sure of this person and it also appears that Mr. Burt, who probably is a residuary legatee although I did not inquire, wants to be sure that the right person gets the money and the bank seems to have continuous dealings with Mr. Burt.

There have been cases where evacuees have been allowed out under guard to transact business which could not be transacted any other way, always providing they paid for the services of the guard and all expenses in connection therewith. If the legatee can obtain permission to come down here under those circumstances, the bank seems to feel that the details could be attended to and the round trip made in less than 6 hours.

The trust officer asked me to tell you they would be very glad to have you assist them in finding a solution of this problem.

Yours truly

Dear Mr. Lawson:

I have two major problems for you to solve:

Problem No. 1.

Being that my twenty-first birthday was on the tenth of May, I am eligible for an inheritance of the sum of two thousand dollars ($2,000.00) left to me by a certain Mrs. Helen Ware Burt. In order that I may collect the said sum, I have to present myself in person before the Monterey County Trust and Savings Bank at Salinas, California.

My problem is: May I have a "permit" to appear before this bank? With this money I choose to buy one thousand dollars ($1,000.00) worth of War Bonds.

Problem No. 2

New York City is my home town and it is also where my father resides. A year and a half ago I came to California for two reasons: a. to attend the University of California and b. to collect my inheritance. But, then came the War! And, as a result, here I am at Tanforan. My father is my only parent and I am his only child. Therefore, I would very much like to be near him. He is alone and his health is on the questionable side. My problem is: May I have a "permit" to travel to New York and rejoin my Dad?

Respectfully yours,

/s/ William M. Kochiyama

Dear Sir:

In reference to your letter making inquiry regarding the insurance of Japanese property, we say that we understand most insurance companies do not care to write coverage on Japanese, although we understand that Mr. John Prunty of your company, located here in Fresno may in some instances issue some policies.

It would not be possible to issue fire insurance coverage for Japanese Nationals, naming the alien property custodian as trustee.

Dear Sir:

Mr. Shanks has referred your letter of July 2 to me for reply. If I recall correctly I met no Japanese by the name of Kanzo Kodai nor was I presented with our wage claim form filled out and signed by him. There may have been a discussion regarding his case, but this Division or this Deputy could not proceed unless we had the personal assignment from Mr. Kanzo Kodai.

The forms I left with one of the representatives which were not used have been returned to this Division and I believe Mr. Kanzo's claim will be handled in due course and can be accepted through the Labor Commissioner's office in any of the 13 districts in the State.

Dear Sir:

I have checked into the matter of the reported labor claim of Kanzo Kodai vs. Louis Caliquiere. From the information given me today by Kodai and from his papers I find the following to be the case.

Kanzo Kodai is a Japanese alien and desiring to lease land entered into an agreement with Louis Caliquiere whereby he leased a certain tract of land from caliquiere under the fictitious name of Yoneko Takeda. This agreement provided among other things that it was mutually agreed by Caliquiere, party of the first part, and Takeda, party of the second part, that Kanzo Kodai was to be retained by Takeda as manager. This agreement went on for three seasons. On February 22, 1942 Caliquiere came out and ordered Kodai off the premises stating that he would pay him for his expenses to date. Said payment was to be made at time of evacuation. This payment amounted to $252.40, being $180.60 actually paid out to others for labor on the place and $71.80 for labor by Kodai. As yet no payment has been made to Kodai.

Kodai states that C. M. Hartley of the California Fruit Exchange in Vacaville knows all the facts of the case and that an Italian by the name of A. J. Almeida was present at the time Caliquiere ordered him off the place and told him that he would pay him at the time of evacuation.

Apparently this agreement was made by both parties in an attempt to get around the alien land law. In any event I don't believe that it is a case for the labor commissioner but one for a lawyer or the Farm Security Administration. If you have any further suggestions in the matter I will be glad to carry them out.

Yours very truly,
Harold Johnson

Dear Mr. Shanks:

Replying to your letter of June 30, Mr. Henry did not furnish Mr. Reid with the claim forms as referred to. Mr. Reid turned over the case of Kanzo Kodai to Mr. Henry who stated that he would handle this case and that he would recommend to the Labor Commissioner that they keep in close touch with all W.C.C.A. Mr. Henry, however, may have left some of the claim forms with a Mr. Cox, one of the Field Representatives at the Control Center at Vacaville.

We are at present endeavoring to have Kodai file his claim from his location at the Assembly Center at Turlock with Mr. Harold Johnson, Field Representative for the Federal Reserve Bank of San Francisco located in that district.

Mr. Henry has informed me that Mr. Kodai did not file a claim with him. He stated that he had given you a supply of wage claim forms with the understanding that you would have various claimants complete them and mail to this office.

Enclosed find copy of letter from Albert A. Shanks in reference to labor claim of Kanzo Kodai.

Also enclosed find two copies of the regular form for filing claims with the Division of Labor and Law Enforcement. I would suggest that you have Mr. Kanzo Kodai file claim on these forms immediately. My interpretation of this letter from Mr. Shanks is that probably no claim now exists in their office in San Francisco.

You will probably want to file this with the San Francisco Office unless the Division of Labor has a branch nearer you and is willing to accept the claim.

Principal property involved and scope of problem:

Mr. and Mrs. Koeppen decided to sell their house located at 1464 - 20th Street, San Pablo Gardens, Contra Costa County. A real estate dealer, L. B. Frederick, persuaded Mrs. Koeppen to sign a net sales contract for $2500 and shortly thereafter Frederick notified the Koeppens that he had sold their house. The Koeppens then decided that the price of $2500 net was too low and consulted an attorney David Oliphant regarding the possibility of cancelling the contract which Mrs. Koeppen had signed. Frederick, the real estate broker, refused to make any concessions in the matter and insisted that the sale be completed. The Koeppens in the mean time learned that the selling price of their house was $3250. Frederick told the Koeppens that the purchasers which he had secured for their house were paying $300 cash and turning in a cottage on Clear Lake in Lake County for the balance. At this point attorney Oliphant came to me and stated that in his opinion the contract which Mrs. Koeppen had signed was of no value due to the faulty manner in which it was drawn. I communicated with Mrs. Daley, the purchaser, and she stated

Action taken:* that she knew nothing of the Lake County property mentioned by Mr. Frederick. Mrs. Daley stated further that she was paying $3250 for the Koeppen house on terms of $400 cash and the balance, $2850, was to be paid at the rate of $60 per month for the first year, and thereafter $35 per month. I then communicated with Frederick but did not get a satisfactory explanation from him about the Lake County property which he stated was part of the transaction. I pointed out to Frederick that in my opinion the contract which Mrs. Koeppen had signed was of no value due to the faulty manner in which it had been drawn, and further, according to real estate law even though the contract was properly drawn the Koeppens could not be

successfully sued for specific performance due to the lack of Mr. Koeppen's signature on the contract. The law states further that the broker, under these circumstances, is entitled to a normal selling commission, which in this instance amounts to $162.50. In the mean time, I secured three appraisals of the Koeppen home and, together with my own, found the average appraisal was $3000. It developed that the home represents an investment of approximately $3000 on the part of the Koeppens.

After a number of consultations with all the interested parties, it was finally agreed that Frederick was to receive the sum of $150 as commission and that he would withdraw entirely from the transaction, allowing the Daleys to complete their purchase directly with the Koeppens, the Daleys to pay the total price of $3150. Frederick expressed complete satisfaction with this arrangement.

Your representative endeavored to get in touch with Mrs. Koga through former address but was advised that new occupants had purchased her cleaning establishment, which she had failed to report as promised. The telephone has been disconnected at Kansuo Hotel to which she is said to have moved. New purchaser, Mr. B. W. Kuykendall, did not care to give any information regarding transaction so your representative contacted the Mechanics Bank at Albany, Mr. Gerimota, Manager, Landscape 5-5800, who confirmed the fact that the transaction was handled through his bank. New purchaser had bill of sale for equipment and applicant has received what he considered a fair price. If unable to get in touch with Mr. Koga directly will report regarding her automobile.

Dear Sir:

This is to advise you that we have received a form of Power of Attorney from S. Ohara in favor of Geo. R. Koga.

However, Mr. Ohara did not send us the ownership certificate and we find now that it will be necessary to prepare an application for duplicate ownership which we are enclosing.

Please have Mr. Koga endorse this under his Power of Attorney on the face of the form and also on the reverse side on lines 1 and 2. When this has been completed, please return the form so that we can turn this car over to the Army.

Yours very truly,

Assistant Cashier.

Dear Sir:

Subject: Geo. K. Koga & S. Ohara
Family Number (14) 14282

In line with your letter of June 23rd I contacted Mr. Geo. Koga and it is apparent that Ohara is afraid that, upon releasing the ownership certificate and giving Koga authority to dispose of the car, he might not collect his half of the proceeds of the sale. It seems as though Ohara paid for the car originally and Koga acted as driver and paid operating expenses.

Mr. Koga expressed himself as in favor of having the check sent to Ohara and allowing Ohara to retain the full amount if he felt that he was entitled to it. I took Mr. Koga up on that point and had him sign the inclosed Power of Attorney and had my man witness it. It was my thought that it didn't matter who signed for who so long as the signature was authorized. This form doesn't specifically call for notarization but if it is necessary I think I can secure a notarized one for you.

I suggested to Mr. Koga that it might be possible to pay for this car in two checks, one payable to each party involved, then there would be no further showing of distruct when cashing it as obviously both names would appear and would require both men to indorse it. I understand they share alike in the ownership of this car.

Mr. Koga said he would write again and if no answer was forthcoming he was through and the car could stay where it was so far as he was concerned.

If there is anything further you wish me to do here about this deal plea se advise me.

Very truly yours,

D. M. Dunton, Field Representative

Family Number (14) 14282

Dear Sir:

On May 25th Mr. George R. Koga signed and returned our conversion letter in which he agreed to sell the car, which is jointly registered in the names of the above subject, to the Army.

Inasmuch as Mr. S. Ohara is interned in Bismarck, North Dakota, we wrote to him on June 4th requesting that he sign and have witnessed an enclosed Power of Attorney, authorizing George R. Koga to act in his behalf. In this letter we also requested that he forward the ownership certificate, signing it properly on the reverse side on lines 1 and 2. Not having received a reply to this letter, we have again written him on June 19th further requesting that he take care of this matter as soon as possible. A copy of this letter is enclosed for your consideration.

In conjunction with our attempts to contact Mr. Ohara, we will appreciate having you discuss the matter with Mr. Koga and see if he can expedite matters by personally corresponding with Mr. Ohara.

Yours very truly,

R. E. Evans
