April 26, 1942.

Mr. and Mrs. F. K. Mihara,
Hamilton,
Montana.

Dear Sir:

Reference is made to your letter dated April 21, 1942 inquiring as to the disposition of your business properties.

You indicate your desire to dispose of your business, and no doubt have in mind endeavoring to do so through private negotiations, which it would seem would be the desirable procedure and, in fact, the only procedure open to you in the circumstances. There has been no moratorium established on indebtedness of Japanese, who are in the same position as any other individuals with respect to their business relationships.

We question whether it would be possible to make arrangements to voluntarily go to an internment camp as you suggest, which camps are established, as you know, for the internment of such persons as seems desirable in the interests of the government.

We are forwarding a copy of your letter to the War Relocation Authority for its information and further consideration.

Yours very truly,

Assistant Cashier.

Armstrong:avb

Dear Sirs:

Could you please give me some advice and information about the disposal of my businesses? First, I should like to sell the cafe and bar. Second, if business continues as it has we shall not be able to keep up expenses and therefore we would like to go to an internment camp. If we cannot sell or lease the businesses could something be done about it so that we shall not have to keep up the expense? Please let us know what can be done under the circumstances.

Yours truly,
Mr. & Mrs. F. K. Mihara

Person Interviewed: Harriet Miller

Address: Same

Telephone Number: None

Principal property involved and scope of problem:

Stove
Chesterfield.

Harriet Miller is married to Bernard Miller & He is a Shipwright Helper and has been unemployed as a Longshoreman. She paid about $70 during the last 11 months on a stove (Price = $150.50 = Wedgewood $ = 6.42 per 20.) and still owes Bank of America about $120 (Including interest and financing) on it and is afraid that they will repossess it when she falls down on payments. She thought we could do something as her husband is an Enemy Alien.

Also, She bought a Chesterfield along with clothes etc. from Federal Outfitting Co. She is not defunct but thinks she has paid about $75 and still owes maybe $190 and is not up in payments

Action taken:*

Suggested that she try to make deal with creditors but that this advice was purely personal and not given as an employee of the Bank as there didn't seem to be enough equity in the property involved nor was the problem one for the Evacuee Property Dept. of the F.R.B. Referred her to the Social ~~Service~~ Security and Employment agencies of the "team"

Sirs:

Am wondering about a Jap evacuee ranch. Would like to lease one immediately adjacent to Sacramento, else a fruit ranch in lower Butte County or Sutter County, if could find one. Would like one with a fair house but would be willing to make a house liveable on my own expense if I had the right kind of a set-up on the place. Am honest, sober and reliable. Have some capital, enough to finance running of a place until crop is harvested. My place where I rent now has been sold so I have to move last of September. If there is one near Sacto, maybe it could be planted to alfalfa so as to make it pay. Hope to hear from you soon.

Yours,

Dear Sir:

Reference is made to the letter from Mrs. Minami addressed to our former Tanforan representative, Mr. Weinstock, relative to money owed you.

We have contacted Mr. Maccario, who informs us that his bookkeeper now recognizes the validity of your claim. Mr. Maccario agreed to forward a payment on the account to you at once and at the same time advise you as to future payments. He was supplied with your new address in Utah.

We trust that this will satisfactorily dispose of the entire matter, making it unnecessary for you to take it up with the War Relocation Authority as suggested in Mrs. Minami's letter.

Dear Sir:

Reference is made to your undated letter in which you refer to certain accounts due you from Mr. Charles Pauly, 9002 Castro Valley Boulevard, Castro Valley, California, and Maccario Florist, 4416 Piedmont Avenue, Oakland, California, both of which are past due and which you advise you have been unable to collect.

Inasmuch as this bank was charged with the responsibility of aiding in the settlement of property problems of evacuees, we have made a sincere effort to help in the solution of collection problems such as yours, although we have attempted to make it clear to evacuees as well as their debtors that this bank is not serving as a collection agency.

Under the circumstances where debtors admitted their liability we have sought to aid in the working out of a plan that would permit payment of the amount due within the paying capacity of the debtor.

We discussed the subject of your claim against Mr. Charles Pauly by telephone this afternoon. He stated in substance, that he had received no detailed statement from you of the amount of your claim, which you stated in your letter you had sent him several weeks ago. He also stated that he had an understanding with you that payment of the amount due you could be deferred until after July 1, 1942, that he had made no purchases from you, except for cash, since December 7, 1941, and during December, 1941 and January, 1942, had remitted sums as partial payment on the accumulated bill up to December 7, 1942.

He did not seem to have the exact amount due you at the time in mind but indicated it was approximately $45.00 as contrasted with $158.70 referred to in your letter to us.

MAY 27 1942

Mr. Sadaichi Minamoto,
Family Number 29223,
W.C.C.A. Assembly Center,
Fresno, California.

Dear Sir:

Reference is made to an interview conducted by our representative, Mr. Dunham, concerning certain undisposed problems of yours in the Los Angeles area.

We are advised by our Los Angeles office that your auditor, Mr. J. L. Wood, was in error in stating that a bill for $500 had been presented by Mr. Leroy Powers of our Foreign Funds Control Department. Mr. Wood has further recapitulated the payments made by you to Mr. Withers. Finally, Mr. Wood advises that he has suggested you appoint a new attorney to handle the guardianship property in view of the fact that your present counsel also represents the buyer, Mr. De Simone.

Mr. Wood's letter to us indicates that a copy was forwarded to you directly, as well as to Mr. Bernay. In view of the fact that Messrs. Wood and Bernay appear to be fully representing your interests and to have complete possession of the facts, we have no further jurisdiction of this problem. We do, however, require reports on Form TFER-1 (Revised) covering transactions consummated under Licenses Nos. S. F. 17319 and S. F. 22181 and we will write you a separate letter covering that subject.

If there is anything further which you require of us or if you feel that additional help may be necessary, please do not hesitate to so advise.

Yours very truly,

R. E. Evans

OFFICIAL COPY FOR GENERAL FILE

LOS ANGELES BRANCH

TO: Head Office Date: May 22, 1942

SUBJECT: Evacuee Property Department

REFERENCE: Sadaichi Minamoto, 1209 Inyo Street, Fresno, California. Your letter May 18, 1942.

We communicated with Mr. Abbott C. Bernay, attorney, who has been handling Mr. Minamoto's affairs under an executive power of attorney, which he displayed to us as well as a copy of Application for Special License addressed to your office, together with a copy of his letter of May 4th, to obtain sufficient funds from blocked account to close escrow. On May 16th, your office advised him that the matter was being handled by the Treasury Department, Washington, D. C.

With Mr. Bernay we conferred with Agent-in-Charge LeRoy Powers, Foreign Funds Control Investigation Department, to explore the matter of a bill for $500.00. Mr. Power's file revealed that on December 31, 1941 operating license No. 15816 was presented with adverse report to your office on January 16, 1942. License to Sell, No. 17319, was issued January 16, 1942 and property released to Minamoto on January 20, 1942. Mr. Powers knew of no reason for bill of $500.00 to Mr. Wood.

Upon further investigation, Mr. J. L. Wood, 406 Kress Building, Long Beach, was questioned and we have today received the following letter:

"Federal Reserve Bank
Evacuee Property Department
707 S. Spring Street
Los Angeles, California

Gentlemen: Attention: Mr. Sloan

Reference is made to our telephone conversation this morning regarding my letter of April 6, 1942 addressed to R. S. Minamoto, 1209 Inyo Street, Fresno, California.

"Mr. Powers has submitted a bill for $500.00, I cannot certify this as I do not know the services performed and must wait your OK on same."

Please be advised that instead of Mr. Powers I should have stated Mr. Withers. Mr. Powers has submitted no bill - and this error occured in my office.

"In this connection I wish to state that Mr. Minamoto has informed me that he has paid Mr. Withers the following amounts of money: He (Mr. Minamoto) gave Mr. Takekoshi $50.00 cash to give to Mr. Withers. He gave Mr. Withers $75.00 cash at Mr. Minamoto's home to go to San Francisco. He sent $100.00 to San Francisco and $100.00 to Sacramento at Mr. Withers' request. In other words he has paid $325.00 to Mr. Withers - none of which is for the guardianship account. These monies were supposedly to secure a liquor license for

Head Office May 22, 1942

Mr. Minamoto. Said license having been suspended by the State Board of Equalization under the alien act. Further he has paid Mr. Lorn Andrews $225.00 on the guardianship account.

When Mr. Minamoto was down last time I suggested that inasmuch as his affairs were in a mess that I believed the guardianship account should be moved to another attorney.

This is due to the fact that Mr. Andrews office is representing both Mr. DeSimone and Mr. Minamoto - and it appears that Mr. Minamoto is getting the worst of the deal.

With a copy of this letter to Mr. Minamoto I am again suggesting that he place the guardianship account in the hands of another attorney.

Respectfully,

J. L. WOOD

CC- A. C. Bernay
CC- R. S. Minamoto"

By way of explanation, Mr. Loren Andrews, Attorney, represented Mr. Minamoto in a guardianship matter. His office also represents the purchaser, C. W. DeSimone.

For your interest, Mr. Bernay has expressed the wish that his application of May 4th be given speedy disposition. It would now appear that although the application is granted, Mr. Bernay must dispose of unpaid claims against Mr. Minamoto for services rendered by Mr. Withers of Attorney Loren Andrews' office, in addition to settling dispute on liquor inventory.

LOS ANGELES BRANCH

May 18, 1942

SADAICHI MINAMOTO, 1209 Inyo Street, Fresno, California

The above named Japanese moved to Fresno last February, having disposed of a market located at 4009 Imperial Highway, Lennox, California. This property was sold to one, Lee Simon, with the proceeds to be held in escrow by Haas Brothers until completion of the transfer was effected.

Evacuee has representatives in that area, namely, Abbott C. Bernay, 301 Pacific National Building, Los Angeles, Attorney, and J. L. Wood, 406 Kress Building, Long Beach, Auditor.

It appears that there is some difference between the buyer and Minamoto regarding possession of liquor in the event difficulty was met in the transfer of the license. The above named attorney has full power of attorney and by virtue of that fact, we would normally refer the evacuee to that agent.

However, it appears that some one unknown, representing himself as Mr. Powers, presumably of the F.B.I., has presented a bill for services amounting to $500.00 which Wood, the auditor, refused. While our information is not complete, it appears that this approach was made to the buyer, Simon, or his agent, about whom nothing is known other than that his name is Withers.

In view of what presumably appears to be a fraudulent attempt, and in addition a dispute over possession of the liquor, we would appreciate your contacting the interested parties and advising us of the facts involved.

Supplemental Report

Principal property involved and scope of problem:

Later in day, a letter was shown us by Evacuee, wherein his auditor, J. L. Wood claimed Mr Powers (thought to be FBI) Hammon Bldg. 5th & Bdwy Los Angeles had submitted bill for $500 for services. On checking later, Mr. Wood stated to Evacuee that Powers stated he had never rendered any such bill. It seems from what we can gather from Evacuee that either De Simone, Buyer or Withers, Negotiator had said they had such a bill from Powers. All this is from statement given us by Evacuee. Wood prevented any payment of this amount but it certainly appeared somedone was trying to collect something they were not entitled to.

Dear Mr. Everson:

This is in answer to your letter of April 27th. regarding my report covering the case of George Mirimoto dated April 24, 1942.

It appears that my meaning under "action taken" was misunderstood by your office and it is possible that my comment was brief.

My approval was intended to cover only the form of the documents as compared with others used for like purposes. I have no intention of expressing any specific approval of the terms embodied in such documents.

I shall make my comments more specific in the future.

Very truly yours,

Dear Mr. van Loben Sels.

Received your letter and would like to thank you for going through so much trouble.

I also received on this same day a letter from the Bank of America in Monterey requesting that I sign a power of attorney over to them under terms like as those that you mentioned. As it seems that the decision was up to me I signed and returned the same.

I am glad to hear that my family is in good health and satisfied and I am sure that they are being treated as well as the situation can afford.

Thanks again and I remain

Dear Sir:

Pursuant to your second letter of April 30th, we have had some trouble locating the proper branch and department of the American Trust Company to which you refer.

They inform us that they are applying the proceeds from the sale of your automobile against a personal loan made to you. They further state that they are not pressing at all for payment of the two F. H. A. loans against the Cameramart at this time. It is their understanding that Nakelee's Drug Store is liquidating certain of your equipment and that the proceeds from this sale will be applied as a credit against these loans.

The American Trust Company expressed confidence in you and in the ultimate payment of these contracts. In view of the fact that the loans now outstanding are unsecured and that mutually satisfactory arrangements have been made for their settlement, we are unable to discover any hardship. On the contrary, it is our impression that the bank in question has been very considerate and will cooperate further if it becomes necessary.

We therefore advise you that unless any new developments of an untoward nature arise, we feel that the Federal Reserve Bank has no further jurisdiction in your problem.

Yours very truly,

Assistant Cashier.

Mr. Misumi reported back that he had interviewed his landlords, "The Board of Trade". They were rather undecided as to their stand because they are holding the building in which the store is located in Trusteeship. Mr. Misumi asked for help in closing his store, temporarily as he hoped.

Action taken:* We contacted Bd. of Trade (Mr. Ballard) and he explained several items relating to service charges which had arrived unforseen after Dec. 7/42. However they said they would get in touch with us later.

Dear Sir:

We have received a communication from Mr. Yego dated September 8, 1942 written on your behalf regarding the $100 note signed by Mr. Joe A. Marshall of Newcastle, California, and advising that payment of the obligation has not yet been received by you.

We have been in contact with Mr. Marshall, who informed us of his willingness to pay the indebtedness subject, however, to obtaining the return of a saddle which, we understand, was transferred by you into the custody of an agent who appears to be reluctant to return the saddle to Mr. Marshall in the absence of written direction from you to do so.

We are returning the $100 note in question which bears the date of April 3, 1942.

In view of Mr. Marshall's apparent willingness to pay the obligation upon condition that the saddle be returned, it is our suggestion that you forward the note to your agent, who is holding the saddle, with appropriate directions to deliver the saddle to Mr. Marshall and surrender the enclosed note to him upon payment of this sum. Your representative may in turn remit to you.

Kindly acknowledge the receipt of the enclosed promissory note, signing and returning the accompanying copy of this letter. A self-addressed envelope is enclosed for your convenience and

Dear Sirs: Re: K. Mitano and Joe Marshall

Mr. K. Mitani, formerly of Newcastle, California, has come to this department relative to $100.00-note issued by Mr. Marshall of Newcastle to K. Mitano.

Mr. Mitani tells us that this note was left in the hands of Mr. A. Reid and his staff at the W.C.C.A. Control Station in Lincoln, California. It was Mr. Mitani's understanding that Mr. Marshall would pay the sum of $100.00 to Mr. Reid or some member of the Federal Reserve Bank staff.

To this date, Mr. Mitani has not received the $100.00 or heard from either your bank or Mr. Marshall. Will you kindly look into this matter and reply at your earliest convenience?

Dear Sir:

We enclose a copy of a letter dealing with a transaction at the time of the establishment of the Civil Control Station in Lincoln, California, under Civilian Exclusion Order No. 102.

Our file discloses a copy of the note referred to bearing the date of April 3, 1942 with a final interview report dated July 10, 1942 signed by McFarland. The report states that Mr. Marshall came in on that date, talked with Mr. Reid and promised to make payment within thirty days. This report was signed by M. M. McFarland.

We are, of course, primarily interested at the moment, in learning if you recall accepting the note in question, either by yourself or any member of your staff at Lincoln; also if our field office had any further connection with its collection.

Your prompt and full report will be greatly appreciated.

Gentlemen:

In Fresno County the following described property is located.

W. 55 acres of the NW 4 Sec. 29 - Twp 13 Rg. 23. Growing on this land is a Citrus Grove.

The owners of this property are residents of Japan, and have been for many years.

One half interest belongs to N. Tanaka, a man about 60 years of age and no doubt but that he obtained his ownership before the Alien Land Act was in effect.

One half interest belongs to a man by the name of Mitsugi Mito who was a minor in 1928, at which time he went to Japan.

This is as much information as I have at present on the ownership.

The person who has had charge of this property the entire time, the owners, have lived in Japan, is named Ray Konda and he does not have a power of attorney or any other form of authority.

Mr. Samuel Hollis, an attorney here, has a client who wishes to lease this property. What are the necessary proceedings?

re: Masano Mitsui

Dear Sir:

Reference is made to your letter dated November 17, 1942 regarding the ownership certificate of a vehicle purchased by you from the above named evacuee.

We are informed that the ownership certificate is in the possession of C. H. Kamm & Company, 1034 Monterey Street, San Luis Obispo, California, the Buick garage in that city.

That company advised us that a car of the description purchased by you was sold by them to an A. Mitsui in November, 1941 and that they carried a conditional sale contract balance of $51.25 on the vehicle. The balance was reduced to $38.25 under their contract but the balance appears to be still outstanding.

We suggest that you get in touch with C. H. Kamm & Company, and if you have any further question regarding the vehicle we believe you can reach Mr. Mitsui at the Jerome War Relocation Project, Jerome, Arkansas.

Very truly yours,

If the foregoing facts are essentially correct, may we request your cooperation in the delivery of this certificate. If you prefer that we handle this matter, please forward the certificate to us and we will see that it is re-directed to Mr. Mitsui.

Gentlemen:

We have your communication in connection with the ownership certificate of a 1931 Chevrolet registered to Masaneo Mitsui.

In November, 1941, we sold a car of this description, motor No. 2516908, to an A. Mitsui on which was carried a conditional sales contract for the balance of $51.55. One payment of $12 was made on December 23rd, but since that time, no credits have been received. There remains, at the present, a balance of $39.55 under this contract.

We are in possession of the ownership certificate of the above car and if this is the automobile in question, we would appreciate any information you may give us as to how settlement might be effective.

AIR MAIL - SPECIAL DELIVERY

Mr. Kodama Mitamo
WCCA Assembly Center - Santa Anita
Arcadia, California

Dear Sir:

Reference is made to an interview conducted with yourself by our representative, Mr. Dake, on May 25th, prior to your evacuation from San Jose.

We have discussed the proper procedure with the Maryland Casualty Company, insurers of the vehicle in question, who are prepared to pay the claim. Kay's Garage, Sunnyvale, have made the necessary repairs on the machine and are, of course, anxious to obtain payment. It is our understanding through our San Jose representative, Mr. Campbell, that it is satisfactory with you and your brother-in-law, Terry Togami who is the legal owner, for Kay's Garage to sell the car.

We suggest, therefore, that you promptly contact your brother-in-law, Private Togami, and instruct him to endorse the pink slip and forward same to Kay's Garage together with a written authority, authorizing them to accept payment of the claim and to sell this machine, deducting whatever commission is mutually agreeable. We further suggest that he send a copy of this authorization to yourself in order that you may be in a position to know the facts and follow disposition of this case.

For your information, no payment of the insurance claim can be made until these steps have been taken. A prompt settlement of the whole matter, therefore, depends upon your advising your brother-in-law, as heretofore outlined, and it is necessary to secure his prompt cooperation with these instructions. We are sending a copy of this letter to the Maryland Casualty Company and to Kay's Garage in order that they may be advised as to the status of this case.

Yours very truly,

Assistant Cashier.

Mr. G. Miura,
72-9-C,
Gila River War Relocation Project,
Rivers, Arizona.

Dear Sir:

Reference is made to your recent letter addressed to Mr. D. M. Dunton, who was previously in the employ of this bank in connection with evacuation operations and stationed at the Tulare Assembly Center, concerning a transaction involving the sale of certain fertilizer by Mr. George Kuwahara.

Our file discloses that Mr. Kuwahara has apparently experienced some difficulty in obtaining settlement for the fertilizer acquired by Mr. Morrissett, and Mr. Kuwahara communicated with us in that regard in October of 1942.

In corresponding with Mr. Kuwahara we called his attention to the availability of assistance from the War Relocation Authority to evacuees residing in War Relocation Projects, and assume that he has availed himself of those services, or otherwise effected a settlement of his problem as we have not heard from him since our last letter.

Our file discloses that Mr. Dunton corresponded with Mr. Morrissett on June 29, 1942, and that thereafter Mr. Morrissett called on Mr. Kuwahara at the Tulare Assembly Center to discuss details of the fertilizer sale. Mr. Dunton's letter indicated that Mr. Morrissett's name was suggested by you as a person who might be interested in buying the property.

Yours very truly,

H. D. Armstrong

Central Produce Company owned by brother, Tokyo Miyahara, who is in U.S.Army at Fort Custer, Michigan. Business located at 2630 Fifth Street, known as Farmers Market. RFather, Shigeru Miyahara, has been operating business, visiting regular line of customers consisting of grocery stores in small towns between here and Newcastle. Business has been sold to a Paul S. Virga but final payment has not been made. They wish to close out account of Central Produce Company carried at the Bank of America, Roseville, California. At the present time, the account is a joint account operated by father and brother.

There is also a final payment due to Bank of America, Roseville, for 1942 Dodge owned by brother, Tokyo Miyahara.

Action taken:

Phoned Mr. Mayf, manager of the Roseville Branch of the Bank of America, who stated that Miss Miyahara could handle the business of closing out the account of the Central Produce and opening a new account for the father and brother. He would give her signature cards to be mailed back to him. Miss Miyahara could take some blank checks signed by father in order to open the new account and pay for car.

Action taken:*

Arrangement was then made with the Provost Marshall for giving permit to Miss Miyahara to go to Roseville and complete business arrangements. Miss Miyahara reported this morning that she had taken care of business at Roseville and all of her affairs were settled with the exception of a remaining amount of $500.00 due from Mr. Paul S. Virga. This money has been promised tomorrow.

ATTENTION: Mr. Herbert Armstrong.

Gentlemen:-

I acknowledge receipt of your letter of May 19, with reference to the above-captioned evacuee.

I have checked with the Farm Security Administration several times during the past week, in this particular case. They are not very sympathetic to Mary Miyaji's claim to $55.00. As a matter of fact their supervisor has definitely refused to allow any Government money to be used to pay this claim.

Mr. Homay stated that if she had turned the tractor back to the Implement house she would have taken a loss of several hundred dollars.

However, Mr. Ash, who has leased the property in her stead has agreed to pay Mary Miyaji this difference of $55.00 when the money is available from crops. Of course it must be recognized that this money cannot be paid until the lien of the Government is satisfied.

The Farm Security administration has assured me that some day this week they will secure a written agreement, if possible, from Mr. Ash, covering the payment of this money to Mary Miyaji.

We assure you that every effort has been made by the Farm Security Administration to satisfactorily settle this particular case.

Telephoned Mr. Miyaji has been notified as above

Very truly yours,

Glen L. Johnson.

Dear Sir:

Some time ago I wrote you a letter stating that I was completely satisfied with the transaction which was being completed in regard to the Farmal F-20 Tractor and the reimbursement I was to receive.

That letter was written a few days prior to transaction of paying me the amount I had already paid the Implement House. When I was reimbursed, the WCCA through Mr. Engstrom would not pay me the full amount due to me. I was definitely not satisfied and have waited all this time for Mr. Engstrom to pay me the balance of the $530.75. I was paid only four hundred seventy-five and no/oo, ($475.00).

Since he refuses to see that a false transaction was conducted I thought that I would resort to you to correct this error. If he does not pay me the remaining $55.00 than I still have ownership to the tractor, and the WCCA office cannot claim a mortgage on it as belonging to Mr. Ash. I had paid $530.75 to Karpe Implement House and there remained a balance of $525.00, but the interest was not added at the time of purchase. When payment of $525.00 was due, an interest of $20. and some odd cents, was added.

I do not aim to be deducted of my full payment. If there is any question regarding the correct amt. paid to me, please contact Mr. Glen Johnson. He understands the situation of satisfying my account.

Very truly yours,

Mary Miyagi

Attention: Glen L. Johnson,

Gentlemen:

To clarify the matter of my deal in regard to the pumping plant, lease, tractor, and farm implements, I wish to state that all transactions have been completely satisfactory to me.

At first I was to install the pump and secure finances for power bills. Nevertheless, I was unable to make further transactions to install the pump because of failure of previous sweet potato crop and failure in secureing finances.

Because of this evacuation situation, I then notified the Kern County Investment Corporation that I would have to evacuate and arrange to have them install the pump. I had, however, appointed Mr. E. F. Ash, a reliable farmer to farm that section of land.

After Mr. Ash was approved by them to carry on the farming, Mr. Lobre, the lessor, agreed to install the pumping plant and pay all expenses. A lease was then signed between Mr. Ash and Mr. Lobre, representing Kern. Co. Invest. Corp.

I have given Mr. Ash all responsibilities in managing the farm crops. We have made satisfactory agreements on all farm implements.

I have paid the sum of $530.75 (five hundred thirty dollars and seventy-five cents) on a Farmal F-20 tractor with a plow and disc attached, which would total $1055.75 (one thousand fifty-five dollars and seventy-five cents). I am to be repaid my amount on the tractor, so that I would have no further claim on it. The tractor and attachments would then belong to Mr. Ash who will pay the balance.

All these arrangements on farm implements have been made with my approval. The transactions between Mr. Lobre and Mr. Ash has also been to my knowledge and approval.

With these transactions completed I have no further negotiations with the pumping plant nor the farm tractor and attachments.

Very truly yours,

Mary Miyaji

Dear Mr. Johnson: Subject: Mary Miyaji

We believe that we should be provided with certain additional information in order to complete our file on this transaction.

It is not clear from the file whether or not the evacuee herself feels that she has been unfairly treated in the arrangements outlined by Mr. Shortridge and by yourself. No doubt it would be advisable to obtain a statement from her as to her feelings with respect to the matter, and if she is dissatisfied, the full statement from her of the facts as she understands them.

We would like to be informed among other things as to the amount actually paid for her tractor and attachments, supported by information as to the reasonableness of such payment. It would also be helpful if it were made clear to what extent the pumping plant which appears to have been installed by the lessor had a bearing in the final negotiations with the evacuee.

If the evacuee feels that the entire transaction is a reasonable one, we should have no further interest in it. On the other hand, we believe that our file should disclose the complete facts, including the attitude of the evacuee regarding the matter.

Additional copies of this letter are enclosed for use in the event that you desire to submit copies to any of the parties involved to serve as the basis for any requests for additional data you may make.

Federal Reserve Bank of San Francisco,

San Francisco, California.

ATTENTION: R. E. Everson, Asst. Cashier.

Gentlemen:-

Reference is made to your letter of the 8th, asking for a detailed report on the above case. I have had this report in preparation since the 6th, and have just received the last document in the case today.

In order to make a complete file I have secured copies in duplicate of the original agreement, a letter from Ray Lobre to Mary Myaji, and a letter from John Shortridge, the Attorney who prepared and had signed the quitclaim deed.

The facts regarding the agreement are fully explained in Mr. Shortridge's letter, and I shall only explain the transactions from that point.

Lobre agreed to give Mary Miyaji a lease, probably with certain stipulations. His records show that on February 26th, 1942, he ordered a pumping plant from Layne and Bowler, Corp., at a total cost, including Sales Tax of $3794.60. He states that Mary agreed to pay power bills, but due to difficulties in financing was unable to care for this item.

After it was known that all Japanese were to be evacuated, Lobre notified Mary Miyaji that it would be impossible to go on with her.

She then brought in E. F. Ash as her choice to take over the lease, and Lobre, Mary Miyaji and E. F. Ash made a trip to

Los Angeles, attempting to secure financing. They were turned down completely and finally, and on the 25th of March a lease was executed between Ray Lobre and E . F. Ash.

From Jack McKenzie of the F.S.A. I learn that Mary Miyaji will not profit from the lease, but will be paid for her equity in her tractor and attachments.

Due to the interest taken in this case by the F.S.A. and Asst. District Attorney, Bernard Gill, I have made a complete investigation and must reiterate my statement over the phone to Mr. R. W. Borden, that Mary Miyaji was not defrauded. As a matter of fact, the failure of the sweet potato crop mentioned in the agreement proved her downfall when coupled with the war.

Trust I have presented enough facts to justify my conclusion. If any further information is required I shall do my best. I am very desirous of closing this case in a fair, impartial manner.

Very truly yours,

Allen L. Johnson,

In re: Mary Miyaji

Dear Sir:

Pursuant to our telephonic conversation on the morning of April 10, 1942, I desire to set forth my understanding of the Quitclaim Deed from Mary Miyaji to the Kern County Investment Corporation.

On or about the 25th day of July, 1941, an agreement was entered into between the KERN COUNTY INVESTMENT CORPORATION, a California Corporation, as Vendor and Mary Miyaji, as Purchaser, under the terms of which certain real property situated in the County of Kern, State of California, was to be sold to Mary Miyaji, for the consideration therein expressed. One Thousand Dollars ($1,000.00) was to be paid on October 1, 1941, and Two Thousand Dollars ($2,000.00) upon the first day of December, 1941, and the balance of the total purchase price was to be paid in equal installments of Twenty-five Hundred Dollars ($2500.00) each on the first day of January, 1943, and annually thereafter.

It is my understanding that the first One Thousand Dollars ($1,000.00) was paid but that the purchaser, Mary Miyaji, was unable to make any other payments according to the terms of the agreement and that in order to prevent litigation, which would have sought to have a forfeiture declared and the title cleared against any claim she might have, she voluntarily signed a quit-claim deed.

Insofar as known to me, no coercion of any sort was used. The matter was strictly a business transaction and like any others of a similar nature, the vendor had a right to declare the contract null and void, if at any time the purchaser failed to comply with any of the terms of the agreement. In this respect particular attention is called to Paragraph 5, on page 3, of the

agreement, it being my understanding that you have a copy of the agreement in your possession.

After Mary Miyaji signed the referred to quitclaim deed, Kern County Investment Corporation had some dealings with a Mr. E. F. Ash, regarding leasing the land to him for farming purposes. If there was any side agreement between Mr. Ash and Mary Miyaji, I have no personal knowledge of it and I am certain that no one in our office knows anything about it.

By way of further explanation, it might be of some assistance for you to know that in my opinion, Mary Miyaji, is an intelligent well-trained young woman and is a graduate of the public schools of this County. It is my belief, although I am not certain, that she graduated from High School and probably attended Junior College. I have had several conversations with her regarding the purchase of the land owned by the Kern County Investment Corporation and upon each occasion she impressed me as fully understanding the nature of the transaction and the fact that it would be absolutely necessary for the cash payments to be made, as set forth in the agreement.

There can be no doubt that she is a citizen of the United States and was competent in all respects to enter into the agreement with Kern County Investment Corporation and subsequently thereto, to execute the quitclaim deed.

We trust that your investigation and your reports will convince the Federal Reserve Bank and others who may be interested in this transaction that further investigation should be dropped and the matter closed.

Very truly yours,

OSBORN, BURUM & SHORTRIDGE,

Please provide us with the desired information in detail.

TO: MR. GILCHRIST

FROM: MR. EVERSON

The above mentioned evacuee became a subject for further investigation upon receipt of a wire from Jack McKenzie, field agent in Bakersfield for the F.S.A. This wire related that evacuee had signed a quit claim deed to certain property which she was buying, and that our Federal Reserve field representative concurred with McKenzie that there had been violations of her property rights.

We have explored this case fully with our man in Bakersfield after he contacted the insurance agent who obtained signatures to the quit claim deed mentioned in McKenzie's wire. He has satisfied himself, upon obtaining all the pertinent financial data, that there was no violation of Mary Miyaji's civil rights.

Briefly, she had made certain agreements in connection with the purchase of this property involving a payment system over regular intervals. There were also certain crop rights and provisions to be made at various seasons. We are reliably informed that she did not fulfill her end of the contract.

In view of the foregoing it appears that we have no further interest in this case as there are no property problems involved nor has there been an abuse of evacuee's rights.

Relative to our telephonic conversation and your letter about the West Side Grocery Company of Delano, there is no official Army agency through which we might obtain liquidation. However, one of the men here has ascertained informally that Col. Stafford located in the Advance Depot at San Bernardino might afford a practical channel. This man apparently has been buying large amounts of supplies for the various resettlement centers in the evacuation program.

Mr. Laurence I. Hewes, Jr.,
Regional Director,
Farm Security Administration,
30 Van Ness Avenue,
San Francisco, California.

Dear Sir:

Reference is made to our letter of June 27, 1942.

You will find enclosed an original letter addressed to one Harry Miyake, a copy of which we have retained for our files. Additionally, our Tulare Assembly Center representative advises us that Minoru Takata, mentioned in the letter, gave a Mr. Pat Reyes of Madina Court, El Monte, California authority to market his produce and collect the proceeds. Takata has advised us that he is unable to make such collections although he believes Reyes has been paid by Jones & Kavanagh who apparently purchased the crop from Reyes.

In view of the agricultural nature of this problem, we feel that you will wish to make further exploration and take possible action.

Yours very truly,

Assistant Cashier.

Dear Sir: Subject: Minoru Takata

The above subject presented the inclosed letter which is only partially explanatory. I understand Takata authorized Mr. Pat Reyes of Nadina Court, El Monte, California, to act as his attorney in the matter of marketing and collecting for his crop. It appears from the attached letter that Jones and Kavanagh Co. Ltd. purchased the crop and settled up with Reyes. Takata reports he is unable to secure an answer or any data on the crop settlement from Reyes.

As this is a Los Angeles problem I thought you might desire the Los Angeles office to look into it.

Very truly yours,

D. M. Dunton

Dear Mr. van Loben Sels:

I am sending you herewith copy of Power of Attorney executed by Margaret T. Miyake to me yesterday.

Miss Miyake desired to take out a policy of fire insurance on some buildings and equipment owned by her and located on the Redevilla Ranch, and the insurance company required that she appoint an attorney in fact, and I have agreed to act as such for her.

Address: as above

Principal property involved and scope of problem: Has a 1937 Dodge Pickup truck in father's name, Manpei Miyake a Japanese whose last entry into U.S. was in 1916. Also a 1933 Plymouth sedan in father's name. Both these cars are clear. Want to know if they should sell cars as they have a customer for the truck.

This evacuee was in on the 24th of March and made a statement about some property under lease, and some buildings which she owned on this lease on the old San Juan Road not far from Natividad. She has made arrangements to turn her lease back to the landowner and sell her spinach and left a copy of an agreement with us giving her the right to keep the house for the storage of her effects for 5 years and not disturbing her ownership. Ranch deal has F.S.A. approval and seems to be satisfactory to all parties and a good deal.

Action taken:* Suggested she leave P. of A. with her attorney Paul Pioda for the care of her household goods and also for her car and truck. She seems to want to keep the car in any event but may sell the truck. Explained to her there was no difficulty about selling cars or trucks.

O. K. Garage,
222 So. Center Street,

Dear Sirs:

This will acknowledge receipt of your letter dated April 21, 1942 informing us of your efforts to dispose of a tire and three tubes, size 550-17.

Upon the assumption that these are new articles, we referred your problem to the local office of the Office of Price Administration which has jurisdiction over such matters. They informed us that the alternatives open to you would be to sell them to a dealer, or to communicate with the manufacturer of the tire and tubes who would be in a position to extend a credit for the articles.

We are forwarding a copy of your letter and of our reply to the Office of Price Administration, 1355 Market Street, San Francisco. It is suggested that you communicate with that office if further information is desired.

Yours very truly,

Dear Sir:

We have in our possession a 550-17 tire and three tubes of the same size.

We asked the W.C.C.A. Office of how we could dispose the tire and tubes. They said to try the Garages and Dealers but they do not care for them.

We like to know how we can dispose of them.

These people are continuing their garage business. In event of evacuation they consult Mr. Jack Fuller, who has power of attorney for Mrs. Iuasaki, the owner of property. Mr. Metzger who was to have leased building in event of evacuation, does not think his chance for possession warrants waiting much longer.

Later telephone conversations with Mr. Craven, chairman of Sacramento County War Board, and Mr. Fawcett, office manager here. We advised Mr. Fawcett that we believed Mr. D. Davidson had a wrong impression in assuming that Kenichi Miyamoto had the a uthority to endorse checks made payable to M. Miyamoto for deposit.

We advised Mr. Fawcett and Mr. Craven that it was our understanding the license held by K. Miyamoto for the liquidation of his own affairs does not authorize him to endorse checks payable to M. Miyamoto who went to Japan without leaving a power of attorney.

Action taken:* Mr. Fawcett then informed us that these checks will not be mailed to the Bank of America at Isleton for lack of suitable endorsements but will be held at the office of disbursements until some final arrangements for the payments are made with proper authority,

Dear Sir:

After telephone conversation today with Mr. A. H. Holland, 417 Market Street, San Francisco, at his request I am referring this matter to you. The Federal Reserve Bank is endeavoring to help adjust the account of M. Miyamoto in collecting accrued credits.

On this date, a special bank account has been established with the Bank of America at Isleton in the name of said M. Miyamoto. This is to be a "blocked account." This is for the purpose of segregating all funds purporting to belong to M. Miyamoto.

We are also informed by Mrs. M. C. Menth in the Sacramento office of the AAA that the account of M. Miyamoto consists of one check for about $86.00 and another for about $2464.89.

If this all be correct and it is your desire to find the place to deposit the balance due said M. Miyamoto, we suggest that it be deposited in the account at Bank of America, Isleton, heretofore referred to. Kindly advise us if this method of handling meets with your approval.

Yours very truly,

Case refers back to March 30 and April 4.

Principal property involved and scope of problem: To attempt to clarify these reports and conclude this account.

These people have a contract and deal with the Spreckles Sugar Company under name of M. Miyamoto, which all concerned refer to as the female, Misako Miyamoto, now in Japan. Spreckles admit a balance due them about $774.43 from Spreckles Sugar Company. Mr. K. A. Kincaid says they have notice this account is blocked and that they are to withhold payment. Apparantly, no power of attorney exists from the M. Miyamoto in Japan. (No bank account in this name is known of.)

Mr. Kincaid of Spreckles Sugar Company also informs us that evidently M. Miyamoto left for Japan in April 1941 and Spreckles have made several partial payments to above name, and they have been endorsed and cashed by someone here.

Action taken:*

Called Spreckles and they are willing to pay duly authorized persons.

Note to San Francisco - Looks like matter for Foreign Funds Control.

Can you suggest any other way to handle amended report?

Dear Sir:

At the time the Exclusion Order, affecting the area in which you previously resided, was being carried out, you delivered your motor vehicle to the Federal Reserve Bank of San Francisco, as Fiscal Agent of the United States, for storage at your own risk and without insurance, with the understanding that such storage would be in an open area which would subject it to more or less rapid deterioration.

With the thought in mind that you might have been hesitant to offer your motor vehicle for sale to the United States Army at that time, because you had no assurance of the amount which you would receive for it, we have had it appraised by two independent appraisers.

The Army, through this Bank, is now ready to make a definite offer, based on this appraisal, as follows:

Amount offered	$ 170.00
Less amount which will be acceptable as final payment by legal owner	$
Balance to be remitted to registered owner .	$ 170.00

Should you now feel that because of the rapid deterioration to which your car is subjected, you are willing to accept payment as indicated above, please so indicate in the space provided below.

Please give this matter your immediate consideration, as the appraised value, as mentioned, is based upon an immediate sale to the Army and cannot be held open for an indefinite period of time.

Yours very truly,

Assistant Cashier.

To the Federal Reserve Bank of San Francisco,

Dear Miss McFarland:

In reply to your letter of the 16th, I am happy to inform you of the progress made:

I have sold my car, and some of my furnishings. The house, I expect to rent partly furnished, and have a realtor in mind to handle the renting for me while I am gone. No agency contract, however, as yet, has been made.

Most of my things have been packed and the balance can be packed in a day or so.

I have been suspended from my position with the State, so am now out of job. With most of Japanese firms now closed or in liquidation, I am not able to find any means of livelihood, so the sooner I get to the centers, the better it may be for my family, and the three children.

I am on the Federal Civil Service list for Assistant Accountant and Auditor. If personnel at the centers are being selected in part from such eligible list, I shall appreciate any word as to how to go about being appointed.

Your kindness is appreciated, and I hope this complies with your request.

Respectfully yours,

Sumio Miyamoto

Attn: Mr. H. D. Armstrong

Gentlemen:

Masanobu Miyasaki a California born Japanese born in 1912 who has resided here ever since and is now engaged in farming, owns some land here and also had some leases. He has turned over his leases and has rented the land he owns here for several years, but was unable to do so in time to leave before the last of the free evacuation period.

He says he owns 22½ acres near Dinuba which is well improved and planted in vineyard, orchard and all intensively irrigated and cultivated. He wants to go there, if he can, now with his family and stay there for the duration.

We have not been able to check this last statement beyond the evacuee's declaration but we have found his other statements to be correct and his reputation is good.

Can you take this matter up with the Provost Marshall and get us a ruling on what an evacuee should do under these circumstances, or is there any help available for him so that he will not become a problem to the army during evacuation? Please advise us what, if anything, we should advise under such circumstances.

Principal property involved and scope of problem: This evacuee has been in here before discussing his problems and I have discussed the matter with A. V. Rianda, a real estate broker here, who now has P. of A. and who also has received the deed from Miyasaki for the property in town so that he can borrow $1,750 from the Bank of A. to pay some claims and bills before the evacuee has to leave. The papers are all in the file here including the statement from the Monterey Co. Title Co. and P. of A. to Rianda and deed and contract for the purchase of about 50 acres of land from Inna C. Riewerts for $8,000 dated 1938 with 5 years to run. Miyasaki has not made many payments on this contract but have kept the interest and taxes up but has improved this property and paid for the improvements. He still owes $8,000 on his purchase. Miyasaki is leaving his equipment and engines on the ranch and Rianda will operate it for him and pay the landowner, it being understood that Rianda will get half of the proceeds for attending to the business and doing the work. Property in town is on Car Flats and consists mostly of a labor camp and small farm holding.

Action taken:* Took him to F.S.A. to register his lease and get approval. This evacuee worked up this deal very largely by himself and it was his idea to deed his property to Rianda which is not exactly the way we would have recommended it but he wants it that way and appears satisfied. If his properties have proper care and attention and no bad luck in farming or trouble in renewing the purchase contract which is in the hands of Calkins, Hagar, Hall & Kinforth. Miyasaki claims that the owner of the land merely wants the interest but that from now on he expects the property to earn plenty of money so payments can be made. This evacuee also owns 22½ acres near Dinuba which is well improved and planted in vineyard, orchard and all intensively irrigated. He wants to go there and intended to go there while he still could, but was unable to get his other

affairs in shape in time to leave. I explained to him that it was now too late for him to go there directly and we had no authority to give him a travel permit which would permit him to stay there and transact his business. We could not tell him at this time whether the army would be willing for him to go there later or not but we did not have anything that would encourage that belief now. Also told him that we did not feel his transaction with Rianda was quite complete and that he should have something from Rianda in writing to show that he still owned the business property and that Rianda was merely managing it for him. The F.S.A. has approved of his lease with Rianda.

Dear Sir:

In reviewing the license recently issued to you for the operation of your business, it occurs to us that you might be in an area recently designated by the Army officials which will possibly be evacuated in the near future.

If you are subject to the evacuation order and the license which you now have is not sufficiently broad to permit disposition of your assets or the complete liquidation of your business, we will be pleased to give immediate consideration to any application which you wish to submit.

Yours very truly,

Assistant Cashier.

Action taken:*

Explained that Sumitomo Bank was now being liquidated, and no money would be available until dividends were declared, but that he could make arrangements for a loan through either of the local banks by making an assignment of his Sumitomo account to them.

Dear Mr. Miyeno:

Thank you for your letter of April 9 informing us of the new address and requesting a change of beneficiary from your sister to wife.

Our records indicate that your sister is residing in Japan and as such is considered a Japanese National. It will, therefore, be necessary for you to write a letter to the Federal Reserve Bank in San Francisco giving them full information as to how long you and your wife have been residing in this country and asking their permission to change the beneficiary from your sister who is in Japan, to your wife. When you receive this permission, please let us know when we shall be glad to forward you the necessary forms.

Dear Sir:

We believe the matter referred to is one for the consideration of the War Relocation Authority, and are therefore transmitting your communication to the headquarters of that agency.

Gentlemen:

I have a gas range in government storage which I purchased from McMahan's Furniture Company, 428 W. Sixth Street, San Pedro, Calif. last September and as I am unable to meet the monthly payments of $10.00 per month, I have asked them for equity. Their answer was that they might consider negotiations if I would first let them know where the range is stored. As I do not know the exact address of the storage company, I wonder if you could handle the entire matter for me.

The gas range (Wedgewood '41-'42) is in excellent condition and was in actual use only five months at the most. Total cost including insurance and sales tax, etc., was $157.00--of which I have already paid half. It is stored together with the belongings of a relative, T. Okimoto, family No. 4628.

The McMahon Company has accused me of moving this range without their permit from Terminal Island to Los Angeles. I did not consider it necessary as it was not to be moved out of the L. A. county. Also as we were given just 48 hours to evacuate Terminal Island, I did not have sufficient time to contact them.

I shall be grateful if you would write to them and act on my behalf. Will you let me know soon whether you will negotiate with them.

Thank you very much for your considerations.

Yours truly,

Mr. R. E. Iverson, Assistant Cashier

San Francisco, California

Dear Mr. Iverson:

A Mr. Riichi Miyoshi of #706 Main Street, Santa Maria, California, called this morning and displayed a letter dated May 9th. written over your signature and relates to an Affidavit of Feb. 25, 1942 and Assigned TFEE-1 No. SF 802 requesting additional information concerning the assets of the grocery and store business formerly operated by his father who is now in North Dakota.

Mr. Riichi Miyoshi reports the stock in trade was disposed of with the exception of some stuff they were unable to sell which is stored in the basement of the above mentioned address. He says he thinks all liabilities were liquidated. The books, I understand, are not available. He apparently doesn't know a great deal about the business and although he says they own the property at #706 Main St., Santa Maria, and he has no idea of the value of this property or the value of the goods in the basement.

If you will advise me what further action to take here I shall be glad to do so.

Very truly yours,

D. M. Dunton

In reviewing the license recently issued to you for the operation of your business, it occurs to us that you might be in an area recently designated by the Army officials which will possibly be evacuated in the near future.

If you are subject to the evacuation order and the license which you now have is not sufficiently broad to permit disposition of your assets or the complete liquidation of your business, we will be pleased to give immediate consideration to any application which you wish to submit.

Gentlemen: RE: TIMOTHY MIZOKAMI

The Bank of America in Monterey has telephoned us several times about this car situation. I saw Masao Mizokami, the younger brother of the soldier, at the camp several times, more particularly on the 9th of this month. At that time he said he wanted to sell the car and turn the money over to his mother but that he had not heard from his brother to that effect.

It seems that the Bank of America and this Frank Montera, the businessman in Castroville with whom the car is stored, have been consulting about this car situation and Montera is willing to pay up on the car and keep it stored for the boys. He wants the pink slip if that is done.

Naturally, the Bank of America wants to do something as the car is not worth a great deal more than the payments due, on the present market, and they state very frankly that if something is not done pretty soon they will have to repossess the car and sell same, in which case the evacuee would probably get very little if anything.

His being in the armed services, due to the date of his contract and induction, would not keep the bank from selling the security. Yesterday the brother, Masao, gave me the last address they had of the soldier Timothy as Hq. Bat., Sta. Comp., Camp Joseph T. Robinson, Arkansas, and asked that I write him. I agreed to do this and attempt to explain the situation to him.

I am also giving his address to the Bank of America in Monterey so they can communicate with him and get him to sign the pink slip and do anything else that is necessary, if he is agreeable.

Dear Sir:

It is reported to us that your car is stored with Frank Montera in Castroville and that you have a purchase contract on said car with the Bank of America at Monterey.

I have talked to your brother several times and also to your mother at the Salinas Camp, about this car as the Bank of America is naturally anxious to have the contract completed or they must repossess the car and sell same.

Yesterday, I saw your brother and he gave me your address. I am writing to suggest to you that when you hear from the Bank of America that you write them and let them know your wishes. Of course, they are principally interested in getting their money but state they are willing to cooperate in any way they feel proper.

It seems that your friend, Frank Montera, says he is willing to pay up on the car and keep same for you until you return. Would you prefer to have this arrangement made, or do you want the car sold and the money turned over to your mother? This letter is being written at the request of your family. They seem to think either course would be agreeable to them.

Enclosed please find a stamped, addressed envelope and a piece of paper for your reply which we hope you will make at once to us, as well as to the bank when you hear from them.

For your information, will state that your brother is occupied at the Camp and apparently quite satisfied and that your mother appears to be in good health. As you probably know, the people are going to be moved from the Salinas Camp at the Rodeo Grounds, beginning the end of this month and it is my understanding that they will probably go to a new camp in Arizona.

Yours truly

Attn: Evacuee Property Department

Gentlemen:

Reference is made to the copy of the attached letter from the Bank of America in Monterey. We have not as yet replied to this letter and are not planning to until we hear from you.

I went out to the Rodeo Grounds today and interviewed several members of this Mizokami family and find that Timothy K., the owner of the car, is in the Army and has been since last year and at the present time is stationed in Arkansas.

The family kept up the payments on the car until the evacuation and now they are rather in a quandary as to what to do. They have written their brother in the Army and he has not replied. They seem to feel that the payments should be kept up and possession taken of the car in the name of their brother as undoubtedly the machine is worth more than the obligation against it.

This was a well known family of Japanese and Japanese-Americans in Monterey, some of whom worked here and now, excepting for the brother in the Army, they are all at the Rodeo Grounds near Salinas.

It is my intention to telephone Mr. Fossat of the bank and ask him to be patient for a few days until I can make an investigation, in the meantime expecting to hear from you. I happen to know where the car is because, inadvertently, the family let it slip.

It is quite evident that the family do not want to take advantage of the situation in any way but they do want to protect any equity they feel the soldier might have in the car. It was suggested by me that perhaps the best solution would be to put the car in the hands of a responsible dealer and let him sell it, or turn the car back to the bank with the understanding that they would get the best price obtainable and remit the balance for the registered owner's account.

It does not seem to me that any great good can be gained by attempting to keep title to the car for this

soldier, although like many of these evacuees, the family seemed to feel that they should hang on to it.

The brother I interviewed is named Masao Mizokami who formerly lived at Route 3, Box 311, Salinas and I rather think that he and the family will do whatever we think best under the circumstances.

Before deciding on this thing I would appreciate your advice but it seems to me it would be just as well to dispose of this automobile to the best advantage in a manner that would suit the family at the Rodeo Grounds, as it does not appear as if the brother, even if he were released from the Army, would have much opportunity to use the car.

Dear Sir:

Reference is made to your interviews conducted with Roy Mizote, proprietor of the Sunset Garage at Hanford. In view of the fact that Mizote has accepted money for storage, it would appear to us that this storage would automatically be classified as of a private nature.

Comparable problems elsewhere have been solved enlisting the cooperation of the local police force or sheriff's office. We do not feel that it would be proper to post Federal Reserve Bank placards on such building.

RE: Hersh-Mochizuki Matter

Dear Sir:

I contacted Mr. Hersh, Saturday, June 6, 1942, to see if he had complied with his promise to deposit the $1350.00 referred to in my report of last week, to the Mochizuki's credit in the First National Bank of Madera.

His answer was that he had intended to borrow $1000.00 from a local bank to be repaid next Friday after he had gone over to San Luis Obispo to get same, which he claims to be holding in a Safe Deposit Box in that city. However, he says a friend needed $1000.00 in his business so he borrowed the money for him instead, and would have Mr. Mochizuki's money deposited, and the pass books in our hands by Friday of this week.

Report regarding a letter received from Mr. C. S. Weatherholt, Manager of Barrett-Hicks Company, in behalf of Hideo Mochizuki who is interned by the F. B. I. at Sharp's Park Immigration Station, San Francisco, California in which he enclosed a copy of a statement signed by Suyemutzu Mochizuki and George A Mochizuki stating that Mr. Sam Hersh, a salesman for United Grocers, Inc., was holding cash in the sum of $1350.00 belonging to Mr Hideo Mochizuki.

May 28th I called on Mr Weatherholt at his office where he showed me the original statement which he is holding in his files. I then had a conference with George and Suyemutzu Mochizuki who are interned at the Fresno Fair Grounds to verify the facts. They stated that their father had given Mr Hersh $400.00 in cash and his 1941 Buick which was sold by Mr Hersh for $950.00 a total of $1350.00 to be deposited in trust for Mary Mariko Mochizuki, George Shintara Mochizuki, Aiko Mochizuki and Yomishi Horace Mochizuki and that they had no receipt to show that the money had been deposited or that Mr Hersh even had the funds altho Mr. Hersh had told them he was holding same in trust for them.

On Friday May 29th I called on Mr Hersh at his office regarding the above and received a statement as follows. Mr Hersh admitted having the $1350.00 in his possession stating that Mr Mochizuki had handed him $400.00 in cash to be deposited in a trust fund in favor of the four persons named above. When I asked to see the pass book covering the trust he stated that he had neglected to open same as yet but was holding the money in a safe deposit box. Regarding the Buick Mr Hersh said that Mr Mochizuki had signed over the pink slip to him, stating that he was making a present of same to him for the many favors he had done for Mr Mochizuki during the past several years. Mr Hersh says that altho he had witnesses to prove the car was given to him he declined to accept same and had promised to sell the car and send the money to Mr Mochizuki as needed.

Mr Hersh seemed quite upset over the fact these funds were being investigated and said that he wished to return the money in his possession to Mr. Mochizuki and that he was willing to do whatever our office advised. After returning to our office and talking the situation over with Mr Lawson Allen, Field Representative in charge of this District, I called Mr Hersh on the telephone informing him that he should open a trust account for $400.00 in the four names designated by Mr Mochizuki and deposit the $950.00 in Mr Hideo Mochizuki's name in the First National Bank of Madera. To this Mr Hersh stated he had talked with one of the daughters who had agreed to let him deposit part of the funds now and give them a note for the balance. Mr Hersh was told that this plan would not be tolerated and that it would be necessary for him to clear the matter up in full at this time, which he promised to do by Friday June 5th. He stated that it would be impossible for him to take care of same before the 5th of June as the funds were in a safe deposit box in San Luis Obispo and that it would be necessary for him to make a trip over there to get same.

Dear Mr Allen:

In keeping with our conversation regarding HIDEO MOCHIZUKI, I am enclosing a statement taken from two members of the family.

This man was interned by the FBI recently and is waiting a hearing at Sharpe's Park Immigration Station, San Francisco.

Re: Check held in trust for him (unreadable) by Sam Hersh.

I believe that if this man is authorized to act as custodian of these funds it would be wise to have a commitment agreement, such as a note or some type of security in view of the individual concerned.

I am quite sure that Mr Hersh acted in good faith, but it is my belief that it is contrary to policy, especially when it involves the internment of part of the family in the present evacuation camp and, no doubt they will be in a position to carry on the administrative affairs through the cooperation of the W. C. C. A. at whatever camp to which they may be sent later.

Re: Store

It is also my belief that the involvement of Mr Hersh and an Armenian individual in a transaction involving a grocery store supposedly held in the name of Mochizuki is a border case. However, I am advised that this was brought to the attention of your office but I am not sure that all of the details involved in this transaction were brought to light at the time the arrangement was made. This will probably be brought up for hearing at a future date.

I trust you will see fit to consult Mr Sam Hersh, 836 Vagades, regarding this. Please be advised that no inquiry, other than the enclosed statement has been made. I will hold this in abeyance awaiting your interview with Mr Hersh.

Please understand that I know nothing detrimental against Mr Hersh other than the facts set forth here which, I believe, would not meet with the approval of a court of equity.

Trusting that I will hear from you regarding this, I am

Very truly yours,

C. S. Weatherhold.

Statement of son and daughter-in-law of [redacted], formerly of Madera Avenue, Madera, California.

May 15, 1942

HIDEO MOCHIZUKI, now interned by the FBI turned over to Sam Marsh, 836 Vagades, one car for sale of which he received $950.00 in cash, a Reported $400.00 additional cash for which they have no receipts and no written agreement to cover same. It is reported that this man states that he is holding this in trust for the duration of the war. The full facts of the above are not in possession of the family but it is believed to be somewhat in line with the condition.

Nothing herein contained shall be construed to obligate the Lessor or make any changes or alterations or repairs.

Nor shall the Lessor be liable for any damage arising from the leakage or discharge of electric current in or upon the demised premises or resulting from defective electric wiring, defective work in the installation of electric wires of electrical apparatus or equipment or other damages arising from the use of electricity upon said premises or the building in which the same are situate either for lighting or heating purpose or for power or for any other purpose, whether such use shall be by the Lessee or any other occupant of said building or otherwise.

The Lessor shall not be, nor be held liable for any damage to the goods, property or fixtures of the Lessee or any of the Lessee's representatives, agents, bailors, depositaries, employees, guest, tenants, licensees, invitees or occupants or to any other person whomsoever, or for personal injury to, or death of, them or any of them or of any other person whomsoever whether caused by or resulting from any act or omission of the Lessor in and about said premises or the building in which the same are situate or from any act or omission of the Lessee or from the acts or omissions of any person in or about said building or from any defects in any part of said building or from any other cause or reason whatsoever.

This lease shall not be assigned nor the leasehold estate mortgaged or the interest of the Lessee hereunder hypothecated or encumbered in any manner whatsoever without the written consent in writing of Lessor first obtained; nor shall the demised premises or any part thereof be sublet without such written consent. Any assignment, mortgage or hypothecation, encumbrances or sublease, made or attempted in violation of the provisions of this paragraph shall be void and shall give no rights and no right of occupancy to any person claiming thereunder.

This lease cannot be assigned involuntarily or by any process of law, and in case the Lessee is adjudged a bankrupt or insolvent, or a receiver is appointed in and about the affairs of the Lessee or the Lessee fails to release any levy of attachment of execution upon Lessee's property within ten days after such levy is made, it shall be optional with the Lessor to consider any of the same a breach of this covenant and to cancel and terminate this lease, but nothing therein contained shall be construed to compel the Lessor so to do.

The Lessor shall have the right to cancel this lease and all of the rights of the Lessee hereunder after this lease has been in effect two years upon sixty days written notice to the Lessee of his intention to cancel said lease.

If any rent be due and unpaid, or if default has been made by the Lessee in any term, covenant or condition herein contained upon the part of the Lessee to be kept, done, or performed, then it shall be lawful for Lessor to re-enter said premises and remove all persons therefrom without further notice. Each and every term, covenant and condition hereunder to be kept and performed by the Lessee is expressly made a condition upon breach whereof said Lessor may terminate the lease at the option and/or excercise all right of entry and re-entry upon the demised premises herein provided for.

At the expiration of said term or any sooner termination of this lease, the Lessee agrees to quit and deliver up the possession of the demised premises and the whole thereof unto the Lessor in as good condition as upon delivery of possession to the Lessee, usual and ordinary use and wear thereof and damage by the elements excepted, but with all plate glass, all windows and other lights in sound condition. All locks and bolts, or additions, alterations or improvements affixed to or made a part of said demised premises by either of the parties hereto except counters, shelvings, movable partitions and other trade fixtures, shall be and become the property of the Lessor and shall remain upon and be surrendered with the premises as the part thereof on the termination of this lease. Said Lessee hereby agrees that no unnecessary damage will be made to said premises by the removal of any trade fixtures permitted therein.

Time is of the essence of each and all of the terms and provisions of this lease, and the terms and provisions of this lease shall extend to and be binding upon and inure to the benefit of the heirs, executors, administrators, successors, and assigns of the respective parties hereto. Nothing in this clause contained shall be construed, however, to authorize any assignment contrary to the provisions of this lease.

IN WITNESS WHEREOF the parties hereto have executed these presents in duplicate the day and year first hereinabove written.

RE: Hersh-Mochizuki Matter

Dear Sir:

I contacted Mr. Hersh, Saturday, June 6, 1942, to see if he had complied with his promise to deposit the $1350.00 referred to in my report of last week, to the Mochizuki's credit in the First National Bank of Madera.

His answer was that he had intended to borrow $1000.00 from a local bank to be repaid next Friday after he had gone over to San Luis Obispo to get arms, which he claims to be holding in a Safe Deposit Box in that city. However, he says a friend needed $1000.00 in his business so he borrowed the money for him instead, and would have Mr. Mochizuki's money deposited, and the pass books in our hands by Friday of this week.

Yours very truly

Dear Mr. Allan:

In keeping with our conversation regarding HIDEO MOCHIZUKI, I am enclosing a statement taken from two members of the family.

This man was interned by the FBI recently and is waiting a hearing at Sharpe's Park Immigration Station, San Francisco.

Re: Cash held in trust for the duration by Sam Hersh.

I believe that if this man is authorized to act as custodian of these funds it would be wise to have a cash instrument agreement, such as a note or some type of security in view of the individual concerned.

I am quite sure that Mr. Hersh acted in good faith, but it is my belief that it is contrary to policy, especially when it involves the internment of part of the family in the present evacuation camp and, no doubt they will be in a position to carry on the administrative affairs through the cooperation of the W.C.C.A. at whatever camp to which they may be sent later.

Re: Store.

It is also my belief that the involvement of Mr. Hersh and an Armenian individual in a transaction involving a grocery store supposedly held in the name of Mochizuki is a border case. However, I am advised that this was brought to the attention of your office but I am not sure that all of the details involved in this transaction were brought to light at the time the arrangement was made. This will, probably, be brought up for hearing at a future date.

I trust you will see fit to consult Mr. Sam Hersh, 836 Vagades, regarding this. Please be advised that no inquiry, other than the enclosed statement, has been made. I will hold this in abeyance awaiting your interview with Mr. Hersh.

Please understand that I know nothing detrimental against Mr. Hersh other than the facts set forth here which, I believe, would not meet with the approval of a court of equity.

Trusting that I will hear from you regarding this, I am,

Very truly yours

Statement of son and daughter-in-law of HIDEO MOCHIZUKI, formerly of Madera Avenue, Madera, California

May 15, 1942

HIDEO MOCHIZUKI, now interned by the FBI turned over to SAM HERSH, 836 Vagades, one car for sale of which he received $950 in cash, a Reported $400 additional cash for which they have no receipt and no written agreement to cover same. It is reported that this man states that he is holding this in trust for the duration of the war. The full facts of the above are not in possession of the family but it is believed to be somewhat in line with the condition.

Dear Sir:

I have been referred to you by Mr. Price of the Federal Reserve Bank, San Francisco, who is working in the evacuation center at the Winter Garden Building, Modesto. I will state briefly as possible our situation.

We are serving in this Modesto area over 12,000 consumers of electrical energy. The evacuation of the Japanese is causing us some difficulty because of failure to notify us when to turn off their electric service. It is impossible to check our files and segregate the Japanese accounts from many others having similar sounding names. This results in a probable loss to us of quite a considerable sum of money. I have asked the local office here for a list of the names and addresses of the Japanese being evacuated from our area along with a forwarding address so that we could be sure our bills would be received and given attention. They stated that it is contrary to regulations to give us this information. However, they realize the problem we are facing and suggested that we appeal to you in this matter.

You can readily see that if we had such a list, we could check our records for all those who were consumers. We could then disconnect the electric service of all those whom had failed to notify us. If our bill could be mailed to the manager of the assembly center where these Japanese are sent, he could see that they received the bills and a payment was made thereon.

I trust you will be able to give us some help in this problem, and I wish to thank you for the cooperation I am sure we will receive.

Very truly yours,

Gentlemen:

Re assignment of the lease at 324 E. 4th St; Long Beach as per your letter and copies of assignments enclosed, I am writing for my Mother, Mrs. Minnie R. Moore, Lessor.

Will you kindly type in "WAR RELOCATION AUTHORITY", return and my Mother will sign and return two copies as requested.

The Federal Reserve Bank of San Francisco had requested my Mother to send a statement prior to the end of each quarter, so she therefore asks for the address of the War Relocation Authority if other than Hotel Whitcomb in San Francisco.

With assignment sheets will you kindly return your original letter of August 11th (postmark on envelop August 17th) and oblige....to Mrs. Minnie R. Moore, 1030 E. Ocean Blvd; Long Beach, Calif.

Re: Saichi Mori, Family No. 14145

Dear Sir:

Answering your question in your letter of June 2, 1942 with reference to the appraisal on the Ford Tudor Sedan turned in for storage by the above named evacuee, we find the appraisal was made up as follows:

Blue Book wholesale value		- $135.00
Estimate of reconditioning		
Body (Interior)	$15.00	
Engine	40.00	
Tires	5.00	
	$60.00	60.00
Net appraisal valuation		- $ 75.00

We presume that this evacuee understood that the appraisal was made on the basis of not to exceed the Blue Book wholesale less estimated reconditioning costs.

We notice in connection with the description of this car that our Forms FRB 3 show the engine number to be 99T221129, whereas, the Registration Certificate shows No. 18-2045174. If this car is to be sold to the Army, will you kindly check the motor and serial numbers personally advising us what the correct numbers are so that title may be passed without difficulty.

I shall contact Howard Barnes today regarding the pay for his services in checking numbers on automobiles stored here. As stated before, Mr. Castle completed his eight hour shift on the day he checked numbers as a guard, consequently he is not entitled to additional pay.

I also wish to advise you that the keys to the cars stored here are now in my custody here in Tulare. Apparently there was some mixup regarding these keys. Mr. Allen turned them over to me Saturday after a telephone conversation with your office.

Dear Sir:

In the case of Saichi Mori, family #14145, who turned over a Ford Sedan, engine #99T221129, license #78V-1663, to us for storage at Tulare, we find some discrepancies in signatures which appear to nead correction.

Our Form FRB-3 shows the name of registered owner as Saichi Mori, although it is signed "S. Mori". On the Form FRB-4 the signature is that of Frank Mori. We are, therefore, enclosing a new set of forms 3 and 4 which we would thank you to have properly executed by Saichi Mori, returning them to us at your earliest convenience.

Person Interviewed: M Kakimoto and F C Jenkins

Address: 1336 Yagedas, Fresno California

Telephone Number: 3-5 079

Principal property involved and scope of problem:

Refer to our Interview dated 4/1/42

Mr Jenkins the owner of the ranch came into our office with Mr M Kakimoto who was given power of attorney to handle Mr Mori's affairs during his abscense while serving in the U S Army. Mr Kakimoto has subleased the property to Joe C and Castulo Santellano on a crop share basis. A copy of the lease is in the files of Mr Nagle who is representing The Farm Securities Administration. The lease calls for a 55%-45% basis on one parcel and a 50-50% basis on the other parcel. The reason for the extra 5% being given on one parcel is that the Santellano's are to take extra special care of the property keeping the burmuda grass etc out.

Action taken:*

Both Mr Jenkins the owner and Mr Kakimoto are satisfied with the contents and arrangements as set forth in the lease. We Concur.

We are inclosing a copy of the Power of Attorney made up by Mr Kakimoto's Attorney K Kuyumjian whose address is 403 Mason Building, Fresno, California

Mrs. Moriguchi had her copy of the Power with her.

There being no specific power to sell in Mrs. Moriguchi's copy of the Power, this office advised making a new one, which was done, and all the powers of Mrs. Beatrice Jarson were more clearly defined. Dear Sirs:

Prior to my evacuation, I reported my property status to your office stating the following facts:

1. That I held a contract to buy a house from the HOLC.
2. I had made a contract to sell the equity in my house (3915-12th Avenue Northeast)
3. The equity amounted to approximately $1100 (exact amount being $1146 plus the unused tax and insurance account on deposit with the HOLC)
4. The sales price to be $3,150
5. That the purchaser of my equity (Mr. Spooner) had agreed to buy the house under the following terms, $500 down which I have already received, $31.50 per month payable on the first of each month and an additional lump sum payment of $200.00 payable on or before the first of September 1942 until the full amount is paid for.
6. The agent designated to collect the said payments is Ralph Royal of the Royal Real Estate Company of 45th and Roosevelt Way, Seattle, Washington.

* In a verbal agreement I have asked that said payments be held on deposit by Mr. Royal until such time that I may ask for it.

In the meantime, I have had no word from Mr. Royal other than one visit when he asked for the amount of taxes and insurance paid by myself which are on deposit. I have written to Mr. Royal about the first of August asking for the status of my contract and had no word from him. I have no other means of checking on this contract so I am asking if your department will not investigate this case for me. When registering my property, I was told to write to you if I should have any trouble with my property, and I am taking this opportunity to ask this favor.

I should also like to request that the investigation be made more like a routine check-up by the property custodian so as to prevent any unnecessary friction between myself and Mr. Royal in the event that all is being taken care of properly. I would appreciate a reply on the above matter as soon as possible.

Yours for victory,

Mr. H. D. Armstrong
Evacuee Property Department
Federal Reserve Bank of San Francisco
400 Sansome Street
San Francisco, California

Dear Mr. Armstrong:

After my conversation with you yesterday concerning the Shoji Morihise car, family #14007, I called Mr. Dunton, at Tulare this morning, and informed him that we have always understood that the Japanese may do with their cars as they see fit, and in this case he should proceed to sell this car for the sum of $85.00.

I asked if the prospect, Mr. W. V. Cooper was still interested in purchasing, and Mr. Dunton informed me that he was. I then stated to Mr. Dunton that we have an EPM-8 in our office signed by Mr. Morihise and that I would return this to San Francisco for a substitute made out in the name of W. V. Cooper, and Mr. Dunton stated that he could make the necessary changes on the EPM-8 from the Broadway Motor Sales Corporation to that of W. V. Cooper. However, I have never been instructed to make a change on an EPM-8 after issuance from San Francisco, however, if he has made such changes in the past, they were undoubtly done with your approval, consequently, I have forwarded him the papers.

I am sorry that any apparent misunderstanding may have occured in reference to Mr. Dunton's letter to you of July 17. It seems he thought the Japanese was under the impression that Mr. Townes told him that the Army would eventually take his car. However, the true fact of the matter is, Mr. Townes told the Japanese that what few cars may be left at Fresno would eventually be taken to San Francisco and stored, and would remain the property of the Japanese, subject to his option as originally signed.

Refering to Paragraph three of Mr. Dunton's letter, the reason for Mr. Townes going to Tulare is that Mr. Gibson of the Broadway Motor Sales Corporation was anxious to get possession of this car for use on his ranch, and up to this period we were not aware that an offer of $85.00 had been made on this car.

FOR VICTORY BUY UNITED STATES WAR BONDS AND STAMPS

As for my part in this action, I felt that due to the fact that we had informed the Broadway Motor Sales Corporation that they could have the automobile at this price, and at the same time, there would be considerable delay owing to the disputed title that we were somewhat obligated to make delivery. I realize that we have no particular authority, but was mearly endeavoring to use our best judgment in what would constitute good business procedure.

Yours very truly,

Dear Sir: Subject: Shoji Morihise

On April 27th Mr. Shoji Morihise turned in his Ford Pick-Up, License No. 77853, which was formerly owned by you. This car was originally turned in to our Tulare Assembly Center for the purpose of storage but it has now been decided by Mr. Morihise to sell the car either privately or to the Army.

In order to transfer the ownership, it is necessary for us to have the registration and ownership certificates which, according to a recent letter from the Department of Motor Vehicles, have been sent to you. With our letter of July 8th we enclosed our forms EPM-8 due to the possibility that the above subject's car might be turned over to the Broadway Motors Company.

In this letter we also pointed out certain facts relative to this case which may have brought about a change in your plans or a state of indecision in Mr. Morihise's mind.

If such be the condition, please make every effort to close this case promptly and kindly let us know what the ultimate disposition of this car will be.

Dear Sir:

In answer to your letter of July 3rd in which you informed us that the Broadway Motors Company have offered to buy the above subject's car, may we point out the present status of this case.

First of all, we find that our appraisal of $75.00 is actually the same as the amount offered by Mr. Gibson of the Broadway Motors Company, and we suggest that you leave the decision in the hands of Mr. Morihise as to whether he wishes to dispose of his car to the Army or to a third party. Please explain to the evacuee that it makes no difference to us whom he chooses.

The second point that we wish to point out is the fact that we have not received the registration and ownership certificates from Sacramento. These have been applied for and the Department of Motor Vehicles have advised us that these forms will be forthcoming soon. In the meantime, if Mr. Gibson wishes to accept the car with duplicate certificates, please have the enclosed duplicate registration card and ownership certificate properly signed.

Assuming that it is concluded by the above parties to transact a sale between themselves, we have enclosed our Forms [illegible]-8 in duplicate for proper execution. When the parties have signed the original of this form and Mr. Morihise has returned to you his copies of Forms [illegible] 3 and 4, then deliver the car and certificates over to the Broadway Motors Company. The duplicate Form [illegible]-8 may be turned over to the evacuee for his file.

If however it is decided by Mr. Morihise that he prefers to sell the car to the Army, kindly have him sign the conversion letter which you are holding. In either case forward the completed papers to this office as soon as possible.

Yours very truly,

Assistant Cashier

Dear Sir:

Mr. Rollyn Gibson of the Broadway Motors Company, 1635 Broadway, Fresno, California called at our office this a. m. in regard to purchasing some of the Japanese cars which we have stored at 414 P. Street, Fresno, California.

I took Mr. Gibson over to the warehouse to see the cars and he has offered $75.00 on the Ford Pickup, License #7W543 registered in the name of Shoji Morihise.

Kindly advise what steps will be necessary to take to clear the title on this car so that it can be transfered to a new owner.

Dear Sirs:

We have in our files your cashiers miscellaneous receipt No. 63431, dated April 6, from your Santa Barbara office and for the following described motor vehicle:

Ford 1931 Pick-up Engine A 1972822 License No. 79139
Registered owner, Henry Morihiso, 1100 East Valley Road, Santa Barbara.

Before this car was turned in to the WCCA Assembly Center, Tulare, Mr. Shoji Morihiso, the new owner, applied for his certificates and instructed the Motor Vehicle Department to withhold mailing them until he notified them of his new address. Subsequently, he claims he advised your department of his new address but has not received these forms.

Inasmuch as his car is Japanese evacuee property and will be sold to the Army, we will appreciate having you check this matter as soon as conveniently possible and mail the certificates to the above subject, advising us of the same.

Mr. Lawson J. Allen,
Field Representative,
Federal Reserve Bank of San Francisco,
Evacuee Property Department,
T. N. Patterson Building, Room 319,
Fresno, California.

Dear Mr. Allen:

We are enclosing a copy of a letter written to us by Mr. D. M. Dunton under date of July 17, 1942, relating to the automobile submitted by Shoji Morihise, Family No. (13) 14007.

You will observe that Mr. Dunton believes he can obtain a purchaser for this automobile for the sum of $85, which is $10 in excess of the appraised value established in connection with the proposed sale to the Army. On the other hand Mr. Townes has already obtained a buyer for $75.

Apparently Mr. Dunton has felt that the $85 transaction should be completed, if indeed a private sale of the automobile is made, and that there is no occasion to urge the evacuee to complete the Broadway Motors Company transaction on a $75 basis.

We are forwarding this communication to you in order that you may have the complete background of the matter, in view of the fact that Messrs. Townes and Dunton are both working under your general supervision.

Naturally we are obliged to, and desirous of, obtaining the best price possible for the evacuees in the event of sale of their vehicles, and from that standpoint the transaction Mr. Dunton has developed would seem to be preferable to the Broadway Motors Company deal.

It is to be noted, however, that the ownership and registration certificates on this vehicle are not now in our hands, having apparently been forwarded by the Motor Vehicle Department to Mr. Henry Morihise, Medical Department, State Hospital, Camp Crowder, Missouri, instead of to Shoji Morihise because of an error apparently committed in the endorsement of the certificates at the time they were submitted to the Motor Vehicle Department for reissuance, so that it is questionable whether any sort of a private sale can be completed at this time.

We have been in communication with Henry Morihise requesting that the registration and ownership certificates be forwarded to us, and we expect to hear from him in due course.

Mr. Dunton is familiar with the background of this case. It will be appreciated if you will look into the matter of these two transactions which appear to be creating some minor difficulties.

If a sale could be completed at this time, we are inclined to feel that the Cooper transaction should be the one to be completed if it can be done without any embarrassment so far as the Broadway Motors Company is concerned. However, the title situation remains confused for the present.

We believe you will be able to straighten out the matter so far as our Field Representatives are concerned.

Yours very truly,

Assistant Cashier.

Subject: Shoji Morihise,
Family No. (13) 14007

Dear Sir:

The above subject informs me that Mr. Townes, our man in Fresno, came to Tulare yesterday and advised him that his car was to be taken to San Francisco by the Army and that he would have some trouble regaining control of it and insisted that he sign a bill of sale and ownership certificate which he had just received. It seemed that Townes had a sale for the car at a price of $75.00 which is the Army price established by the appraisers.

I promised Mr. W. V. Cooper, who has bought two vehicles here, that I would notify him when we were successful in clearing the title to the Morihise car. Mr. Cooper had talked with Morihise and made an offer of $85.00 for the car, provided he could deliver title. At that time Mr. Morihise informed me that he would sign the Army Sale Agreement when he received his ownership certificate if Mr. Cooper decided not to buy. During your last visit to Tulare you inquired as to the fate of the few cars left here at that time and I told you the Morihise car would be sold to the Army upon receipt of the ownership certificate. I didn't think at the time you would be interested in any pending sale based on the owner's success in acquiring a title transfer, but rather in a sure disposal of the car.

Upon being notified today that Townes had been here I contacted Mr. Cooper and he informs me he still wants the car for $85.00. I explained the circumstances to him but he cannot understand why the car should be sold for $75.00 when he will pay $85.00. I called Townes but he and Mr. Allen take the attitude they have made a commitment and can hardly back out now. The trouble is so uncalled for. Had Townes contacted me or even inquired by letter I could have advised them of the circumstances today. It wouldn't seem that the deal was so urgent as to require a trip from Fresno by Townes when I would be back here the following day, especially when the purchase price was the same as the Army appraisal.

I suggested to Townes that they hold up the deal there until I had written you the particulars and get your reaction. It would seem that the sale to Mr. Cooper will be most advantageous to Morihise.

Very truly yours,

Dear Sir:

In answer to your letter of June 20th, regarding Shoji Morihise, Family No. (1c) 14007, I wish to advise the situation remains the same, viz. still waiting for the certificates from the Motor Vehicle Department in Sacramento.

I am inclosing copy of a letter I wrote in Mr. Morihise's behalf on June 11th. I have received no answer to date and I just talked with Mr. Morihise and he reports he has not heard from the either.

It seems as though Morihise formerly owned two Model A Ford cars, switched the motors and sold one car before evacuation. At the time he made this switch he applied for new certificates and, knowing he would be moved, instructed the Motor Vehicle Dept. to hold the new certificates until he notified them of his new address, which he did shortly after arriving in Tulare. It would appear as though there would be nothing lacking on the part of our man in the matter of data and numbers furnished the Department or they would have advised him of what was needed by now.

It is possible that a letter from your office might carry more weight in this matter, at least it would seem worth trying.

The above mentioned individaul whom you called about this morning came in and I asked him about the letter which he wrote to the bank. He stated that he wrote in Friday for a license to transfer a 40 acre ranch of the Fresh Fruit Farm Co. and then he called about same on Saturday. In any event the license came to him Sunday from the Bank and he took same to the title company here this morning and the property has been sold and all papers are in escrow being prepared for recording. The matter was carried out to his complete satisfaction .

Principal property involved and scope of problem:

Reports of 5/12 shows that car had been turned over to Cassidy & Wright contrary to arrangement made by us in Subject's interest with Mr. Tickner, GMAC Manager, 1924 Broadway, Oakland.

Mr. Tickner advises today that contract has been paid off in full by Mr. Cassidy, remittance being accompanied by "authority to pay off contract" signed by Subject.

Called on Cassidy, personally, today to investigate and to determine if any responsibility in the matter still attaches to the Federal Reserve Bank.

Cassidy shows, in addition to information furnished by Mr. Tickner, a blank consignment agreement signed by Morimoto. Cassidy states it is his understanding with Subject that he is to sell the 1942 car to an eligible buyer, then remit to Subject a reasonable amount to cover his equity.

Inasmuch as Subject has signed off, as per above, it seems that our responsibility ends, although we may still continue in willingness to assist if plans do not work out.

Dear Sir:

As per our telephone conversation today regarding this account, we are confirming by letter our suggestion in which we advised that Mr. Morimoto pay the May 3 installment and it would give him 30 days to dispose of the car, before the June installment fell due. We feel that within that period of time it would be possible for him to dispose of his automobile to his benefit.

While this is being done, and car being held for sale, we suggest that the car be stored at Hansel & Ortman's where it could be seen at any time by any prospective buyer.

We are forwarding a copy of this letter to Hansel & Ortman so that they may be advised of the arrangement.

Dear Sir:

Will you please kindly give me some information concerning about the trunks placed at the Pacific Storage Company here in Stockton through the Wcca-Frb 2. family number (29887).

I would very much like to know if the Wcca will send it to us at the relocation immediately after our arrival there or will it take months and month to receive them. The reason it's so important to me is because my mother is an invalid and all of her warm winter clothes are placed there. So do you think and advise me to put in a call for them at present to have them deliver it here to the center.

Kindly let me know as I have been considerably worried over this matter. Thank you very much.

Have 35 acres located 4 miles east of Gridley.

Also have 1942 Chevrolet truck that they wish to dispose of, and 1936 Pontiac sedan. They have prospects for both truck and sedan and believe that these parties will purchase same. Wanted advice as to price and how to make sale.

Action taken:

I showed them figures wholesale and retail of trucks and car and they then decided they should have about $1350 for their truck and $250 for their car. I agreed that this would be a fair price in my opinion.

Principal property involved and scope of problem: Uncollected checks
Miss Morita appeared in response to Mr. Everson's letter of Apr. 25/42 which asked if Miss Morita's problem had been solved. The problem was two checks, one signed by Kazuo Hayashi for $40 & one signed by Kanayosi Maeda for $126.70 each made out payable to Mitsuwa Factory at above address. Said checks were drawn on Yokohama Specie Bank and The American Trust Co. returned them saying the Yokohama Specie Bank was in the hands of the Conservator of Funds of Supt of Banks. These checks were issued by two former Japanese Consular attaches and who are now reputed to be held at Hot Springs in Virginia. Miss Morita and her mother were perplexed as to how to realize funds from these checks.

Action taken:* This office phoned Yokohama Bank and Mr Pabst said it looked dubious about the checks being collectible and suggested the Morita people writing direct to Hot Springs and they might collect by reason of personal appeal. Another method would be to leave these checks with their own bank and try and have said bank cash these checks when they become collectable. This was also agreeable to the Moritas.

Mr. Philip N. Myers
Attorney-at-Law,
Calipatria, California.

Dear Sir:

Reference is made to your letter of April 21st in connection with the case of Shogyo Moriyama.

Please be advised that any reports stating that a booklet covering our procedure has been issued are erroneous. However, we believe that we can present herewith, briefly, enough pertinent facts to satisfy your immediate problem.

Evacuees do not lose any of their civilian or citizenship rights because of this evacuation. By the same token, they are not excused, however, from any contractual obligations or other agreements into which they have entered. If the lease agreement, mentioned in your letter, provides that Moriyama can sublet this property, it would seem to us that this is a ready and efficient solution to the problem. Furthermore, if, as you state, the lease cannot be cancelled for any other reason than default of payment, it would seem that you may take whatever steps are necessary, legally speaking, to protect Moriyama.

The Evacuee Property Department of the Federal Reserve Bank had its inception as a practical means of affording help to those interested. We encourage the evacuees to liquidate, to appoint someone to act in their interests under a power of attorney or to make any other legal arrangements which are satisfactory to them. It is not mandatory for them to appear before us nor to register with us a record of their negotiations. We are, however, interested in seeing that their civil and property rights are fully protected and that avaricious creditors, etc. do not take advantage of their enforced removal. We endeavor to take as impartial an attitude as possible wherever a dispute arises, as there is no intention of discrimination for or against the Japanese. If, in our opinion, after a thorough exploration of all the facts pertaining to a given case, we are convinced that the evacuee is placed in an unfair position or is subject to undue hardship, we have a liberal power of freezing any property or property rights belonging to him. This latter weapon has undoubtedly precluded the abuse of evacuee property rights in many instances.

We would suggest that if you have further specific problems of a similar nature or additional difficulties arising from this particular case, you contact our representative at the offices of the United States Employment Service in El Centro. He understands the procedure thoroughly and is qualified to assist you.

We trust that the foregoing will answer your purposes.

Very truly yours,

Assistant Cashier.

Gentlemen:

Re: SHOGYO MORIYAMA, Niland, California.

About March 12th last I made a Report on Form TFR-300 Series J for the above-named Shogyo Moriyama.

Moriyama has now arranged a sale of his stock of groceries, etc. to a party here (not a Japanese), but upon endeavoring to transfer the lease of the building used by him for his store at Niland, he is informed by the landlord that the lease will be cancelled when Moriyama moves. Moriyama has not violated the lease in any respect, his rent-payments thereunder are not in default, and there is no term in the lease which authorizes the landlord to cancel it, except default in payment of the agreed rental. The lease in question was made August 1st, 1940, and does not expire until June, 1946.

I observe in the public prints that your institution has published a booklet dealing with the property rights of Japanese residing in this country, especially with relation to the present situation, and if you would be good enough to send me a copy of that publication, it might be found to cover this case and others which may arise along that line of inquiry. Our local Bank has not gotten a copy for its customers' use.

Thanking you, I remain,

Yours respectfully,

Dear Sir:

In reference to your letter dated April 27, 1942, calling my attention to report by Mr. D. M. Dunton on a Japanese named George Moromato, whereby he apparently issued an approval in connection with a lease. I believe his reply to you clarified the question in this case.

However, I clearly remember my instructions from you on March 21, 1942, to not involve the bank in any legal responsibility, and I informed our men when they first came, of these instructions.

It is our duty, as representatives of the Federal Reserve Bank of San Francisco, first to see that the Japanese receive a fair price for their property. Secondly, to advise with them on their many problems so that they may have reliable information on which to base their actions, and to assist them when necessary in disposing of their property. Thirdly, to constantly keep calling to their attention the necessity of making as rapid progress as possible in bringing their affairs to final conclusion before the evacuation order is given. Finally, to properly receive, and take charge of their property at the control and assembly centers.

Dear Sir:

We note from an interview conducted by Mr. D. M. Dunton, dated April 24, with George Moromoto, that he apparently issued an approval in connection with a sale and a lease.

While we are interested in obtaining copies of any documents pertaining to property problems, generally speaking, it is not within our province to specifically approve or disapprove of any deal which the evacuee may consummate. Such approval or contra is tantamount to an apparent legal responsibility which we do not have, nor do we wish to obtain.

We would suggest that in the future when you are asked to examine legal documents in connection with any transaction, you express any unofficial opinions that you care to, or make any suggestions that seem in order, but refrain from placing the bank's full approval or disapproval on such transaction.

Yours very truly,

Assistant Cashier.

This is in answer to your letter of April 27th. regarding my report covering the case of George Mir moto dated April 24, 1942.

It appears that my meaning under "action taken" was misunderstood by your office and it is possible that my comment was brief.

My approval was intended to cover only the form of the documents as compared with others used for like purposes. I have no intention of expressing any specific approval of the terms embodied in such documents.

Mr. Lawson J. Allen, Field Representative,
Federal Reserve Bank of San Francisco,
Evacuee Property Department,
2146 Inyo Street,
Fresno, California.

Dear Sir:

We note from an interview conducted by Mr. D. M. Dunton, dated April 24, with George Moromoto, that he apparently issued an approval in connection with a sale and a lease.

While we are interested in obtaining copies of any documents pertaining to property problems, generally speaking, it is not within our province to specifically approve or disapprove of any deal which the evacuee may consummate. Such approval or contra is tantamount to an apparent legal responsibility which we do not have, nor do we wish to obtain.

We would suggest that in the future when you are asked to examine legal documents in connection with any transaction, you express any unofficial opinions that you care to, or make any suggestions that seem in order, but refrain from placing the bank's full approval or disapproval on such transaction.

Yours very truly,

Assistant Cashier.

We can refer you to the Capital National Bank of Sacramento, where our clients trust account is carried, and to the Bank of America, Main Office at 8th & J Streets, where our insurance trust account is carried, together with the account of The Morrissey Company, a corporation; and to the American Trust Company where we have an account for The Morrissey Company, a corporation.

If we manage property, our fee is 5% of the amount of money collected; if we are only to collect rents and remit them to a designated place, our charge would be according to the Sacramento Real Estate Board. We might, also, state that we have quite a number of Japanese clients who have placed their affairs in our hands.

Mr. Lawson J. Allen,
Field Representative,
Evacuee Property Department,
c/o U. S. Employment Service,
2146 Inyo Street,
Fresno, California.

Dear Sir:

Reference is made to Mr. Townes' letter of June 9, 1942, concerning K. Motokane, who is located at the Fresno Assembly Center.

Mr. Townes requests information as to whether or not a deposit in the Yokohama Specie Bank in San Francisco is frozen, and if not, if it is possible for K. Motokane to draw on the account for what money she might need.

For your information, the Yokohama Specie Bank Ltd., is in the process of liquidation by the State Superintendent of Banks, under a Conservatorship, and therefore no funds are available for checking purposes. However, we would suggest that the party concerned, direct a letter to the Yokohama Specie Bank, Ltd., San Francisco, Attention: Mr. W. M. Pabst, Jr., notifying him of her address in order that funds might be available to her at the time the first distribution occurs.

If the evacuee is an American citizen or has resided continuously in the United States since June 17, 1940, such funds will be made available to her at the time distribution is made. On the other hand, if she has entered or reentered the United States since June 17, 1940, the Conservator will necessarily have to place the funds in a blocked account in a bank of her choice. If this is done, she will be able to withdraw, under General License No. 11, up to $500.00 per month, provided the bank is convinced that such funds are needed for living expenses.

Please notify all persons connected with your office, that we should not refer to individuals in Assembly Centers as being internees or as being interned. Such terms should be applied only to those who are in internment camps, such as Missoula, Montana, Bismarck, North Dakota, etc.

We have received your letter dated November 6, 1942 relating to the disposition of goods of evacuees stored privately in the Watsonville and Salinas areas, and the copy of your letter dated October 20, 1942 addressed to the Wartime Civil Control Administration relating to the same subject.

We believe that the War Relocation Authority which has headquarters in the Whitcomb Hotel Building, San Francisco, is the agency which should be addressed regarding this matter and have therefore taken the liberty of forwarding your communication and the enclosure to that agency for its consideration.

Gentlemen:

On October 20, we wrote a letter to Western Defense Command and Fourth Army, WCCA, in your city and requested them to furnish their opinion as to the handling of trunks, crates, and packages left and kept in the storage buildings, private garages and homes in Salinas, California. It is our understanding that all the properties belonging to evacuees and kept in Watsonville are to be shipped to this Center at the expense of the Government. We were also informed that arrangements have been made by Reverend Adams of Watsonville as to the method of shipment to our Relocation Center.

A party, who formerly resided in Salinas, desires to know whether his property can be shipped here at the expense of the Government. If so, would you let us know as soon as you decide so we shall be able to inform former Salinas residents that you will take care of their shipment as you are doing for Watsonville evacuees.

We are enclosing, herewith, a copy of our letter sent to the WCCA office as mentioned above. Please give this matter your immediate attention and your most thoughtful consideration.

Very sincerely yours,

According to latest information received by Reverend K. Takeda, former Pastor of Japanese Presbyterian Church in Watsonville, the trunks, crates, and packages left and kept in the storage room of said church and Japanese School, are to be transferred to Poston at the expense of the Government.

A representative from the group who kept their furniture and other belongings in the storage room of the Salinas Japanese Presbyterian Church, desires to have his goods transferred to Poston also. It is the people's understanding that as soon as they were transferred from Salinas Assembly Center to the Relocation Center, their goods would be sent at the expense of the Government. I understand that said belongings are not great in number and the expense for such transportation would be comparatively small.

Will you kindly take this into your immediate consideration and let us know so that we will be able to inform them as to the decision on this matter.

Dear Mr. Agnew:

Pursuant to your kind letter of August 26 we wish to advise you that we are preparing and will file immediately a petition for Letters of Guardianship of the estate of the above-named incompetent in order that the transfer of the title to the automobile may be accomplished in a proper manner.

We regret that this is made necessary under the circumstances in view of the small size of the estate; however, there seems to remain no other alternative but to institute guardianship proceedings.

We should like to be advised as to the present location of the automobile in order that we may have an appraiser appointed by the Court examine the same, in the event we decide that we will require an appraisal. It is quite likely that we may be able to proceed under one of the sections of the probate code whereby the expense of an appraisal will be avoided.

We anticipate that the hearing upon the petition for Letters of Guardianship will be had on September 28 in the Superior Court of Sacramento County. Immediately thereafter we will make arrangements for the sale to the Federal Reserve Bank.

We are enclosing a copy of our today's reply to a letter dated September 16, 1942 from the Department of Institutions of this state, a copy of which was apparently forwarded to you.

If you have not already done so, we believe it would be helpful if you directed a letter to the Department stating that the car was appraised by two disinterested appraisers and the value placed upon the car.

While we realize that this car is subject to requisitioning, we have not mentioned it to the Department of Institutions. We are uncertain how technical the Army will be in making remittances for cars requisitioned and while it is possible that payment would be made under the provisions of the code section cited in the Department's letter to you dated August 20, 1942, it seems advisable to permit the formal proceedings to be completed. If by any chance they are completed before the requisitioning becomes effective, we presume it would be in order to complete the sale to the Army under the usual procedure.

Dear Mr. Nichols: Re: Mrs. Fuji Motooka, Incompetent.

I have your letter dated August 20, 1942 suggesting alternative procedure for the transfer of the automobile owned by the above named incompetent. Of course, I agree with you that a guardianship proceeding should be avoided, if it is possible to do so, in view of the amount involved and the provisions of Section 6661 of the Welfare and Institutions Code. However, it is not clear to me how a guardianship proceeding may be avoided since it is the opinion of Dr. Webster, the Medical Superintendent of Patton State Hospital, that the patient will not have any lucid moments in which to sign the pink slip.

I am interested in the transfer of the title to the automobile, and it is entirely agreeable to me that this be accomplished in either of the modes suggested, whether by signature of the incompetent during a lucid interval, with payment pursuant to said Section 6661, or by guardianship proceedings.

Re: Mrs. Fuji Motooka, Incompetent

Dear Sirs:

We regret the delay that has taken place in our attention to this matter involving the proper transfer of title of the 1937 Ford, License #19U391 belonging to our patient above-named and which you desired to have transferred to the United States Army. The matter involved has presented several difficulties which have taken a little time to determine.

We discussed this problem with Mr. Maloney, the attorney for the Motor Vehicles Department and he was somewhat at a loss as to what the proper procedure would be; in fact, he suggested that we communicate with Mr. A. Agnew, Chief Counsel for the Federal Reserve Bank at San Francisco. We are sending him a carbon copy of this letter in order that some time may be saved.

We communicated with Dr. Webster, the Medical Superintendent of Patton State Hospital and was informed by him that in his opinion there would be no possibility of the patient signing the pink slip to the automobile at any lucid moment. This was one of the suggestions that had been made by Mr. Maloney, the attorney for the Motor Vehicle Department. Inasmuch as this is out of the question; therefore, there remains only the alternative of having guardianship proceedings instituted on behalf of Mrs. Motooka, or awaiting the word from Mr. Agnew as to whether he would recommend another proceeding.

We thought that we should try to avoid guardianship proceedings, inasmuch as the amount set aside for the value of the car is only $240.00. There is a provision in the Welfare and Institutions Code; namely section 6651, which provides for the payment to the Hospital to the patient's personal deposit account of any sums under $300.00 upon the presentation of an affidavit, thereby avoiding the necessity

for Court proceedings for guardianship. We thought that if the patient could be lucid at a proper time and could sign the registration certificate that we would thereby be able to avoid the expense of guardianship proceedings.

Under the circumstances therefore, we will await word from Mr. Agnew, the chief counsel of the Federal Reserve Bank to determine which course to proceed in this matter.

Yours very truly

My dear Mr. Weinstock:

Thanks to you, every thing has been settled. Ever since I first met you I know I have been asking of you nothing but kindness (as it seemed to me) requests, and I knew you were doing every thing you could possibly do, believe me it was a relief to go to you and ask for your advice and your kind assistance and I'm sure we would have been deeply dispirited and would have failed to continue to press Mr. Williams if it had not been for the effort on your part.

We are very glad that all has been settled just in time. I really don't know how to thank you since we are in a very obscure position now. We will never forget all that you have done for us in taking our troubles in your hands. I will write to you as soon as we reach our new relocation center. I'm not sure just where we will go because I have sent in a request to go to Arizona, Gaston Relocation Center, about 3 weeks ago in the hopes of joining my brother and my parents there. With kind regards and best wishes to you and your family I am.

Sincerely yours.

Dear Mr. Borden:

I am very glad to have this opportunity of letting you know that I have just received a letter from Judge Norris of Centreville informing me that he has forwarded the check to Mrs. Neves, as I have made those arrangements prior to evacuations. At times I thought this problem of ours with Mr. W. B. Williams could never be settled but after waiting four months everything is O.K. at last thanks to you Mr. Borden and Mr. Weinstock and Mr. Gibson.

I really don't know how to thank you since we are in a very obscure position now.

We found, that you have done much to settle this difficulty for us, from the letter Judge Norris sent me yesterday afternoon (Sept 8.)

Since the last four months we have come to know Mr. Weinstock very well, it helped very much to take our troubles to him and ask for his advise and assistance, every body who understood our case were very kind & considerate. and listened to our very tiresome (as it seemed to me) problems and helped us in every way they could.

We will be moving very soon so I will write to

you again when I reach the new relocation center.
With kind regards and best wishes to you and
your family I am,

Sincerely Yours,
S. Motoyoshi

Dear Mrs. Motozaki:

I have forwarded to Mrs. Neves the total sum of $4195.10, to be applied $162.50 on account of interest on the Matsumoto debt, to April 8, 1942, and the balance of $4,032.60 to be applied on principal.

You will remember that we had intended to apply the sum of $4100.00 on principal, but your settlement with Williams, whereby he deducted $67.40, explains the deficiency.

You will remember, also, that Williams paid taxes, in the sum of $116.93, which does not appear in the figures with reference to Mrs. Neves.

I am securing her signature on a receipt for the same, and will forward it to you when received.

Personal regards and best wishes to all of you.

MEMORANDUM

August 12, 1942

SUBJECT: Sumiko Motozaki
Barrack 142 - Room 2
Tanforan Assembly Center, San Bruno, California

Mr. Weinstock contacted the above at Tanforan yesterday in connection with a remaining sum due him by W. B. Williams of Centerville, California, a transaction approved in the presence of R. W. Borden several weeks ago at Tanforan by both Messrs Williams and Motozaki, who were present at the time. This $600 payment is in addition to a larger payment of $1,679.62 being paid on a transaction handled by Judge Norris, attorney of Centerville, California, who, the facts disclose, is representing all of the parties of interest in the transaction.

Judge Norris, in a telephone conversation with the undersigned on Monday, August 11, 1942, stated that he was holding a $600 check given by Mr. Williams and issued in the name of Mrs. Mary Magdalena Neves as executrix of an estate. Mrs. Neves lives in San Jose. Mr. Weinstock yesterday was advised by Motozaki that Judge Norris could send the check in question to Mrs. Neves, in addition to a further sum of $1679.62 which it is our understanding, has been deposited with Judge Norris, securing from her receipts for the respective sums paid and clearly outlining in each case the consideration involved.

Upon receiving this information from Mr. Weinstock this morning, the undersigned telephoned Judge Norris, advising him of Motozaki's instructions. Judge Norris was requested to promptly remit the two sums, accompanied by receipt forms for Mrs. Neves' signature, a copy of Judge Norris' letter to Mrs. Neves to be sent to us for our files, and when the receipts in question are returned to Judge Norris, he to promptly forward them to us. They can then be delivered to Motozaki and this delayed and messy transaction can then be closed.

My Dear Mr. Braden:

I'm very grateful to you for your effort to help me with the Williams deal, but I'm sorry to trouble you again, but Mr. Williams did not send me the check. I was waiting til Wednesday, to see if I might get the check but as I did not receive the check I went to the administration Bldg. Thursday morning to see you but they told me you were not coming.

If we let it go this way I'm pritty sure Mr. Williams will not come through with the money, so will you please give me some advise as to what I could do to settle this deal?

The amount due to me is $ 2,279.62. out of this sum, $ 1679.62 is gowing to Judge Morris of Centerville, although I did not receive the check in my hand, ~~xx~~ then there is the $ 600.00 more for the plants, which would bring the total up to $ 2,279.62

Truly Yours.

Dear Mr. Curran:

I have received a copy of your letter to Judge Norris on the 17th of July. That letter mention the facts very thoroughly so I hope that this matter will be settled soon, as I am putting you to much trouble. As for Mr. Williams intentions it seems outrageous, for he first told Mr. Gibson that there was $90.00 in hand tools missing, when the total price for hand tools amounted to only $92.00. so we told Mr. Gibson that, that could not be, because Mr. Williams himself checked the hand tools and O.K'd them. Then Mr. Gibson went to Centerville to talk with Mr. Williams then Mr. Williams said that he had found the tools, when all the time since Mid March he has been using them continually, and now he wants to get a reduction on the plants instead now. $667.40 is the total price of all the plants (raised in hot house) which he agreed to pay. The total value of the plants was $803.40 from which we gave him a reduction of $110.00, Then he canceled another 36.00, this 36.00 was the price of Cabbage plants, which I could have sold, but since Mr. Williams insisted that he wanted them I sold it to him, this totals the discount to $136.00 in all on plants only, which brings the total down to $667.40 which he agreed to pay. We also gave him the use of our hot house free of rent, some people

The Honorable Judge Morris
Centerville
California

Dear Sir:

Pursuant to the reports of our representative, Mr. Gibson, we have since July 6, 1942 been anticipating advices from you relative to the Motozaki - W. B. Williams dispute.

It is our understanding that Mr. Williams has withheld the amount of $667.40 from the total agreed purchase price of $2,038.54, this deduction representing the price of certain cauliflower plants purchased by him from Motozaki. Mr. Williams has promised to straighten out this matter, and agreed to call on the Motozakis in the Wartime Civil Control Administration Assembly Center at Tanforan on July 2, 1942, looking towards a settlement. As you know, this appointment was not kept and the Motozakis have approached our Tanforan representative in their anxiety to dispose of this matter.

This bank, as you know, has interested itself in the property affairs of evacuees. It is our desire that they in no way be penalized by virtue of evacuation and that all property transactions be conducted in a manner as nearly similar as possible to that which would obtain prior to their removal.

Will you please, therefore, make every effort, as counsel for the Motozakis, to arrange a meeting between the interested parties, or to obtain a statement from Williams regarding his intentions. In the near future, although the date is unknown to us, all the evacuees will be removed from the Tanforan Assembly Center to an inland point designated as a relocation area. In view of that fact it would be apparent that time is an important element in obtaining settlement of this dispute.

A copy of this letter is going to Mr. Motozaki for his records.

Very truly yours,

Gibson

Dear Madam:

Our representative, Mr. C. A. Gibson, tells us that in a conversation with Judge Norris of Centerville held yesterday, the Judge stated that he has received from Mr. Williams a check in the sum of $1,679.62 which represents the total amount due you from him less $667.40 which represents the price of the cauliflower plants sold by you to him.

Judge Norris further states that he will promptly contact Mr. Williams and extract from him a definite promise to meet with you within the very near future in order to bring the disputed cauliflower price to a final conclusion and he will then advise us.

Dear Mrs. Motozaki:

Yesterday our representative, Mr. Gibson, had a meeting with Mr. W. B. Williams and Judge Morris in the latter's offices in Centerville regarding certain sums of money due you from Mr. Williams and not yet paid.

The matter was thoroughly gone over and it seems that Mr. Williams feels he should be entitled to some rebate from the cost price of $667.40 covering certain cauliflower plants sold by you to him.

Mr. Williams has definitely stated that he will go to Tanforan Tuesday, June 29th, for a talk with you, with the idea of bringing the matter to a complete settlement. Will you, therefore, kindly make yourself available for a talk with him on the above date?

My dear Mrs. Motozaki:

Thank you for your letter of May 16th wherein you acknowledge receipt of the sum of $950.00 in full payment for the Chevrolet truck sold to Levey-Zentner Company.

The check in the sum of $2038.54 coming to you out of the Williams deal will most likely be forwarded to Judge Morris today. The Judge will be under instructions to deposit this check in your banking account, from which you can withdraw funds by check under normal banking practice.

Now lets get down to the matter of the rumor which you have heard down there, to the effect that banking funds of Japanese have been frozen; this rumor, like 99% of all others, is pure hokum. Nothing to it whatever. It might be well if you would go to some little effort there among your friends to spike such rumors before they get too much of a start.

Thank you again and keep in touch with me from time to time.

Dear Mr Gibson:

I was very glad to hear from you, and want to thank you again for checking up everything even after we left for Tanforan camp. Full payment for the Chevrolet truck ($950.00) from Levy-Zentner is correct, I paid my bills with this check. I have heard that the Japanese funds have been frozen, I hope that does not mean the same for citizens. We had everything arranged so the check (in the sum of $2038.54) would come in my name and Judge Norris' so I would be free to make all payments with the help of Judge Norris for he is my attorney. You wrote in the letter that we could check against deposit if necessary so I guess if the funds are frozen, that would make no difference. We just brought a few dollars with us because you advised us not to take much, we do not need so much money here, all we need is enough to buy candy for the children, and send for a few necessary articles from Montgomery Ward in Oakland.

My husband applied for a cooks job at the new mess hall, he will start cooking soon. Life is very easy here, in fact too easy, but I've heard we might have to move to Oregon because we are farmers, if we should move I will let you know my address. Sincerely

Yours very truly,

My dear Mrs. Motozaki:

Thank you for your very kind letter of May 11, 1942. And I am glad to learn conditions in that "Center" are so satisfactory to you and your family.

Regarding the Chevrolet truck sold to Levy-Zentner Company, I understand from the latter's office that check in the sum of $950.00 in full payment was handed to you on May 1, 1942. Please advise if this is correct; also I would advise you to deposit this check in your bank, and not carry it around. Send it to your bank for deposit, where you can check against it if necessary, asking them to mail you a duplicate deposit slip.

I have checked with the Farm Security offices and find checks in the Williams deal will be ready for distribution either tomorrow or next day; and yours in the sum of $2038.54 will be mailed to Judge Norris, under instructions to deposit it in your bank, with duplicate deposit slip mailed to you.

Should any further complications come up, write me and I shall try to clear them for you. With kind regards, I am

Dearest Mr. Gibson

Thank you so much for helping us in our trouble, My husband and I were very fortunate to meet you and get your advice and help, so now our minds are at ease with nothing to worry about. We are furnished with clean new apartments and get three good meals a day. I'm ashamed to say this but this is paradise, for if I was at home I'd have to cook for my four children and husband and work in the field from morning till night, no Sundays or holidays. We are being treated better than anyone hoped to be treated. Well I'm glad we did not move voluntarily like some people who are now having a very hard time. We are all happy here and nothing to worry about thanks to you Mr. Gibson. Best regards to your family. Remaining,

Coupled with the extension agreement covering deed of trust as reported under date of 4/16/42 (same interviewee) was also problem of a 1940 Cheverolet truck 1½ tons (cab over engine). Under date of april 14,1942 interviewee came into this office with Pink Slip covering above truck; this Pink showed owner's endorsement, Motozaki to MATSUMOTO, Tsutomu of Vacaville Cal., this deal fell through, and Matsumoto re-delivered pink to Motozaki, and latter now has definite dale (I have verified this) to Levy-Zentner Co of San Leandro. Motozaki was trying to get the Motor Vehicle department at Sacramento to transfer title direct to Levy-Zentner under existing pink, which pink still shows the name of Matsumoto NOT eliminated; which, of course the motor vehicle dept would not do. (Hope I have made the case clear).

Action taken:* Informed Motozaki he would have to eliminate name of Matsumoto from pinkslip in order to sell to Levy-Zentner Co. Suggested he mail slip back to Sacramento, with $1:00 fee, special delivery, requesting transfer of title back to Motozaki in the regular proceedure of motor department; then Motozake deliver this new slip to Levy-Zentner, which will get title into latter name. Added to above, slip became mis-placed in Sacramento, but was located yesterday and will be transfered and mailed to Motozaki as of 4/22/42. CLOSED.

Interviewee came in with wife 4/14/42. Wife's brother, one MATSUMOTO, Tsutomu (age 24 yrs; US citizen) now living in Vacaville, Cal. owns 15 acres of ground 3/4 miles north of Centerville Cal; on which there is 7 acres of apricots, 1 5-room house, with 3 bedrooms, no bath, and a barn. Matsumoto bot the property in Apirl 1941 from Mrs Mary M.Neves, Executrix of the Estate of John A.DeBem, deceased, at a cost of $10500:00, paying cash down in the sum of $4000:00. A purchase money mortgage from buyer to seller was issued in the sum of $6500:00, at 5% interest payable semi-Annualy. In August 1942 $2000:00 will be due on the unpaid principal; the balance of $4500:00 due in February or March 1943. Property leased March 20 1942 to W.B.Williams, Centerville Cal, for 3 yrs with proviso that upon return of Matsumoto Williams will relinquish possession on 60 days written notice. Williams rental calls for $450:00 per year, which is sufficient to pay taxes and interest only. (Mrs Neves, Executrix lives at 320 South 20th st. San Jose Cal.#, her attorney is Judge Norris of Centerville.)
Problem:- How to protect mortgagor from foreclosure while away.

Action taken:* Telephoned Judge Norris who stated Mrs Neves, as Executrix willing to extend principal payments, but court order would have to be obtained to bind the heirs of the estate to any extension; I disagreed with necessity of obtaining court order due to fact beneficiary under deed of trust is Executrix of estate, not the estate itself (later confirmed this in talk with Wm S.Wells, Attorney at law, of Oakland). Again called Norris, suggesting he have extension agreement signed by Mrs Neves, as executrix; then send it to the 5 other heirs who live in and around Oakland for their individual signatures. Mrs Neves signed agreement 3:30 P.M. 4/15/42, telephoning me this morning to this effect, & now thinks agreement binding. Matter closed;
