A. Has 1942 contract for growing spinach with Foster & Woods Canning Company, Lodi, California.

The Foster & Woods Company does the harvesting. They have harvested about one-fifth of the growing spinach and reject the balance of the crop as unsuitable for canning.

B. Property owned by above total 50 acres on Andros Island. Equipment - value about $650.00. Federal Land Bank holds about $5000.00 payable semi-annually $125.00, and George Figg, $1655.48, payable December 1 each year $500.00.

Action taken:*

A. After talking with Fred Munz, representative of Foster & Woods, I find the spinach is not considered suitable for canning. Therefore, it would be unprofitable to harvest the balance of crop.

Dear Sir:

Receipt is acknowledged of your letter of March 31, 1942, wherein you request information as to whether or not it is in order for you to purchase a stock of merchandise fixtures from Mr. and Mrs. Nakawatase.

It appears from the information furnished us, that although Mr. Naka is a Japanese alien, he could qualify under the terms of General License No. 68A, having been in the United States at all times on and since June 17, 1940. Therefore, no special license is necessary to deal with Mr. Nakawatase.

We have assumed, of course, that Mr. Nakawatase and Mr. Naka is one and the same person.

Reference is made to your letter of September 17, 1942 pertaining to Yoshio Nakazawa.

We have contacted Mr. Lane and he acknowledges possession of the small Jack in question. He states that in his opinion the article was so small and of such nominal value that he had given it no serious consideration.

Upon Mr. Nakazawa's expressed wishes, Mr. Lane will be pleased to keep the Jack in his possession until such time as Mr. Nakazawa indicates his desires.

Asked what to do about personal property apparently stolen from mother-in-law's apartment at 1972 Broderick St. The latter's name is known as Mrs Takahama who was evacuated by the first order. It was learned that she was married to one Rosario Macabe, a Philipino, who resided in the apartment a short time after her evacuation but was told to leave by a Mrs Lee. Mrs Lee acted in the capacity of landlord in accordance with authority vested in her by Mr Sakamoto, owner of the apartment and who apparently left and is now living in one of the parts of Calif. Between the time Mr Macabe was evicted and allowed to return to dispose of the furniture in accordance with family wishes, certain articles and furnishings to the extent of $200.00 was found to be missing.

Action taken

Summoned Mr. Macabe to call in and upon his appearance advised him to report matter to the police dept. The Nakooka family have confidence in Mr Macabe and have agreed that he should carry out any action necessary. Mr Macabe has reported matter to the police and reports action shortly.

Gentlemen:

I sold my patch of lettuce and cabbage for a sum of $125 and received a note for the same, which was due July first. I also gave him supplies which came to $20 which he said he'd send me right away. I sent him three letters now but have not heard from him. His name is Mr. Leonard Dunn - R. 3, Box 800, Auburn, Washington.

Will you give this an investigation and see what holds back my payment.

Thank you.

In checking up accounts of Naras Flowers find that there is due by you to them the amount of $25.76.

As Mr. Nara through forced evacuation must leave here next week and is desirous of settling his accounts he requires all the funds he possibly can get hold of.

If possible payment to his account in the American Trust Company, Grand Avenue Branch, would be appreciated.

Interviewee purchased above described property from one J.W.Fowler (now deceased) in October 1938 at cost of $1800:00
300:00 cash down payment
1200:00 balance of purchase price
under Purchase &Sale Agreement, payable at $20:00 per month, principal and interest at 6%, beginning in November 1938. Unpaid balance of contract as of 4/17/42 is approximately $500:00. Fowler died sometime late in 1938 leaving his estate to Betty Wedgeworth (nee Fowler), his daughter, who is at this date still a minor. One Mrs C.Timm, of 3223 Laurel Ave Oakland, cal is Guardian of Estate of Betty Wedgeworth a minor (Naruo states she is Guardian, but does not know positively that this is the case). Guardian has agreed to extend all principal payments until return of evacuee. (This would appear to me to be no good, as no determinable date is set forth). Naruo will pay interest in monthly instalments. Timm, he says, will pay taxes. (Quite a deal for evacuee)

Action taken:* Suggested he go to his attorney, Mr Paul Morse, Central Bank Bldg, Oakland and have a proper extension agreement drafted; which he will do at once; also agreed to make this document fair to both sides. Timm will sign any time. ### CLOSED.

His rental fee is $2.50 per month for automobiles and $4.00 per month for trucks. The rate of charges was suggest by the Nash De Camp Company who have rented a large chain warehouse from Mrs. Charles C. Perkins who owns most of the properties in this immediate area.

Miller says Nash De Camp Company will have about 25 to 35 cars and trucks stored in said barn.

Mr. R. E. Everson
Federal Reserve Bank of San Francisco
Evacuee Property Department
400 Sansome Street
San Francisco, California

Dear Sir:

We are enclosing two copies of the lease drawn up for the Northern Farms, Inc. and given to us by Mr. Phelps of the Federal Farms Security Administration at their Sacramento Office.

In accordance with our telephone conversation this morning, this lease is being used by the Fruit Farms, Inc., the Placer Orchards, Inc., the California Fruit Exchange, Inc., and the Northern Farms, Inc. The latter company is an affiliated company of Nash De Camp Company, 85 Second Street, San Francisco, California.

At the time this lease was given to us by Mr. Phelps, we objected to the final paragraph of the lease and were able to get in on a conversation with the local field agent of the Nash De Camp Company whom we advised that we objected to the final paragraph of the lease.. It is our understanding that he arranged to have the Vice-President of his company, Mr. De Camp, telephone to you in regard to this matter.

Later we telephoned to the attorney, Mr. A. I. Diepenbrock, who we understood represented the California Fruit Exchange, Inc., and who admitted the authorship of this lease. He advised us that the lease had been approved by Mr. Frank McNickols who, we understand, is a special agent of the Farm Security Administration.

Very truly yours,

R. J. Reid

LEASE

The undersigned _____
(each of whom is a citizen of the United States of Japanese descent) hereafter described as lessor, hereby leases unto NORTHERN FARMS, INC. a California corporation, that certain farm situate in the County of _____, State of California, described as follows, to-wit:

Together with the tools and equipment described on the inventory attached hereto, for a term commencing on the date hereof and ending with the completion of the harvest of the 1942 fruit crop to be produced upon said farm, provided however that should lessor be evacuated by order of the United States Government or its War Department or any commanding officer thereof, then the term of this lease shall be extended until the completion of the harvest of the fruit crops to be produced upon said farm in the crop year in which the lessor will lawfully have been permitted to return to said farm.

As rental for said farm, tools and equipment, NORTHERN FARMS, INC. shall pay to the undersigned fifty per cent (50%) of the annual net operating profit, if any such be made by it in the farming of said farm. For the purpose of this lease, the net operating profit shall be considered to mean the proceeds from the sale of the crops produced on said farm during each crop year of the term hereof after deducting all costs and expenses incurred by NORTHERN FARMS, INC. in the operation thereof for the same period, and a further deduction of a proportionate amount of all general, administrative and other overhead expense incurred by NORTHERN FARMS, INC. in its organization, operation and maintenance, and the amount of all organization, general administrative and overhead expense, shall be proportioned among all lessors of NORTHERN FARMS, INC. on a planted acreage basis, it being contemplated that NORTHERN FARMS, INC. will lease maintain and operate other farms in addition to that covered by this lease. Operating costs and expense shall not include depreciation on said farm tools and equipment, county taxes, payment on outstanding real estate obligations, or payment on outstanding equipment obligations.

Unless otherwise directed by the lessor, the NORTHERN FARMS, INC. shall pay to NASH DE CAMP COMPANY for the account of the undersigned the share rental accruing from the operations as ascertained a t the end of any crop year.

It is contemplated by NORTHERN FARMS, INC. that it will be able to secure financing from a Federal agency sufficient in amount to meet all financial problems affecting said farm.

It is contemplated by both parties that NORTHERN FARMS, INC. will assume and pay all current obligations owed by lessor to NASH DE CAMP COMPANY, and that the amount thereof will be liquidated from the funds to be secured from said Federal agency and will be included in the operating expense of the current year.

It is understood and agreed that NASH DE CAMP COMPANY is hereby designated as selling agent for all fruit produced on said farm during the full term of this lease and will be paid the established rates of

the said NASH DE CAMP COMPANY for all supplies purchased for the account of the lessor, and for all packing, loading and marketing and other facilities extended by it.

NORTHERN FARMS, INC. shall have the right, but not the obligation, of advancing for the account of lessor and be subject to reimbursement to it by lessor, of any sum which may be necessary to avoid default in any outstanding equipment obligations, any real estate obligations, or any county taxes. For the purpose of securing funds with which to meet any of the foregoing, NORTHERN FARMS, INC. shall have the right, but not the obligation, to borrow the necessary funds for the account of lessor and to encumber all or any part of said farm, tools and equipment which may be necessary for the purpose of securing repayment thereof. Except for the purposes described in this paragraph, lessor shall have no liability either to NORTHERN FARMS, INC. or to any other person for any obligation created or loss sustained by NORTHERN FARMS, INC. in the operation or maintenance of said farm.

As the taking of this lease by NORTHERN FARMS, INC. has been prompted by a desire to in some wise relieve the distress of the lessor resulting from contemplated or actual evacuation, it is understood that neither NORTHERN FARMS, INC. nor any of its officers, directors or employees shall have any liability for any act or thing done hereunder, whether negligent or other wise, so long as the same is done in good faith, and it is particularly understood that the emergencies of the existing war are such that labor, supplies, equipment and transportation, may each be deficient and that all of the results therefrom are at the peril and risk of lessor.

The term "lessor" herein shall be deemed to include the masculine and feminine, the singular and plural.

NORTHERN FARMS, INC. shall have the right to terminate this lease at any time by giving ten (10) days prior written notice thereof transmitted through the United States mails with postage prepaid, to FEDERAL RESERVE BANK OF SAN FRANCISCO at San Francisco, California. No such termination shall cancel any outstanding crop, chattel or other lien created by NORTHERN FARMS, INC.

The Federal Reserve Bank

Dear Sir:

We are in the Parker Reception Center at Arizona and since we are in trouble and have no one to turn to, we are writing to ask if you could not help in any way.

We left San Diego in February and before we left, we sold our G.M.C. truck to a Lila McArthur for $600.00 with a promise to pay as soon as the truck title was changed to her name.

We have sent the 1942 license plate and many letters pleading, at least, for a word from her, but they have all been neglected or lost; but we doubt the letters were lost for our registered letters have not been returned.

It would be a great help and we will appreciate it if you could speak with Lila McArthur about our trouble, and ask her to try to pay us for the truck as she had promised to do and settle the transaction about the truck.

Your favor will be appreciated. Her address is 3210 Hawthorne, San Diego; or Consolidated Produce, 434 6th Avenue, San Diego. Thank you.

Sincerely yours,

Mr. & Mrs. Eiji Hashimoto

There is a Japanese by the name of Edwin K. Natori at Pinedale, California. His former address was Route 5 Box 125B, Seattle, Washington. He sold his crops to the Western Farms Produce Incorporated, incare of Associated Foods, Empire Building, Seattle, Washington.

He claims that this concern owes him a balance of $300.00 on his crops and will not answer his letters.

I did not get from him any details concerning this transaction for the reason it may properly belong to the F. S. A., or you may not wish to handle this type of a request at this time.

Attached find letter from C. A. Coyle referring to their power of attorney covering forty acres which was described in our Sac. #90 reports of March 31 and April 15, under name of Kanji Abe.
It now developes that there were eighty acres originally bought from the Coyle estate on two separate contracts. Our report of March 31 refers to one 40-acres which is now being handled by Artz & Cook as reported except there are no almond trees.

Another forty acres on which there are twenty-six acres almonds with encumbrances of $1759.92 against an original cost in 1931 of $3200.00 is the one described in Mr. Coyle's letter.

Action taken:*

The payments on both properties are very much delinquent. The signators on this latter forty acres under the name of N. C. Development Company are Wallace K. Tsuda and Herbert M. Kurima, secretary. Mr. Coyle will endeavor to keep the interests of the title holders intact if possible.

Attention; Mr. Al J. Reid

Dear Mr. Reid:

On the 8th day of April, 1942, the N. C. Development Company, a corporation, gave me power of attorney concerning the following described real property:

The South 40 acres of that certain tract of land located in Rancho Rio De los Americanos and conveyed by E. A. On the 28th day of May, 1942, I leased the west half of said property to one C. C. Gentlemen: Att: Y. W. Abiko, President

In acknowledging your last letter of Sept. 2 received today, we note your remarks regarding expectations of a favorable settlement of your contract and your request for additional time to finally clear up this matter.

We talked this matter over with Mr. Weinstock of the Federal Reserve Bank and advised him, and are now advising you, that an extension of time is being allowed you until Tuesday, September 8, 1942. If after that date your account is not in balance, we will be compelled to repossess this equipment to protect our interests.

We are sure you will agree that we have acted in all fairness in a sincere effort to enable you to settle this account and regret that no further extension can be given after Sept. 8, 1942.

Japanese American News, Inc.

Gentlemen: Att: Y. N. Abiko, President

In Mr. Shaw's absence, I have been asked by him to write you in connection with your letter of August 26 and relative conversations you have had with Mr. Weinstock of the Federal Reserve Bank regarding payment of your contract for Addressograph equipment.

As Mr. Shaw explained to Mr. Weinstock over the phone yesterday, this contract is now over 90 days in default and our main office in Cleveland have been pressing us for full payment or repossession of this equipment.

In view of the fact that you may have a potential buyer for the equipment and could therefore pay up your contract, thereby acquiring title to this equipment, we informed Mr. Weinstock that we will hold this matter open until Wednesday, September 2, giving you the opportunity you request to clean up this account.

Please be assured of our willingness to cooperate with you in every way. If, however, after midnight of September 2 this account is not in balance, we will be compelled to take the necessary steps to protect our interests in this matter.

Very truly yours,

ADDRESSOGRAPH SALES AGENCY

Mr. Yasuo William Abiko
Japanese American News, Inc.
650 Ellis Street
San Francisco, California

Dear Sir:

This will acknowledge receipt of your letter of April 2, 1942 in which you request, among other things, permission to continue publication of your newspaper, the Nichi Bei, in both English and Japanese, within the Western Defense Command throughout the course of the evacuation now in progress, and permission to move the staff members of your organization to occupy temporary quarters in Del Rey, California. You further make inquiry regarding the possibility of obtaining some financial assistance as an aid to continuing publication.

It is the policy of the Commanding General, in carrying out his duties and responsibilities in the evacuation of persons of Japanese ancestry, to make no discrimination between the business of publishing a newspaper and any other business carried on by the Japanese. As an area is evacuated, the business of the evacuees in such area is necessarily discontinued. Accordingly, you are advised that permission to remain in Military Area No. 1 following the time when evacuation of the area in which you reside is ordered, cannot be granted.

With respect to granting you permission to move your staff out of Military Area No. 1 to Del Rey, California, as you are aware, it was necessary to issue the "freezing" order, Proclamation No. 4, in order to assure an orderly evacuation and to protect evacuees. Although all concerned desired voluntary migration to be encouraged, in the initial stages it became apparent that it would not work successfully. Permission to leave Military Area No. 1 on a voluntary migration basis is granted only in the most exceptional cases. Your case has been considered and does not present an instance wherein such permission can be accorded.

With respect to the storage of your plant and equipment, you are advised that arrangements can be made with the Federal Reserve Bank of San Francisco to accomplish that.

Very truly yours,

Karl R. Bendetsen

Dear Sir:

We respectfully submit an application and the following plan for continued publication of the "Nichi Bei," a daily newspaper established in 1899 and having a circulation of over 8,600 subscribers, principally on the Pacific Coast as shown on the attached subscription chart.

The circulation of this newspaper covers a greater distribution than any other Japanese vernacular paper in California or on the Pacific Coast.

We firmly believe that we have been and will continue to be a valuable medium in the dissemination of information and news of governmental orders to the Japanese in the United States who are unable to read the English language.

In the past we have had the privilege of being of service on many occasions to various governmental departments and agencies including the Army Department, the Department of Justice, Department of Agriculture, the Post Office, and the Treasury Department.

We believe that our paper can continue to be the means of stimulating loyalty to the United States and also help maintain the morale of both the alien Japanese and the American-born citizens of Japanese parentage in these very difficult times.

The paper has been operating under a Treasury Department General License No. 68A and is the only Japanese language newspaper now publishing for readers of the Northern and Central California and the Intermountain district on a daily basis.

We desire to offer the services of this publication to aid further in the proper handling of the present emergency Japanese problem on the Pacific Coast.

We, therefore, venture to make the earnest request that we be permitted to continue publication in our present plant in San Francisco under proper restrictions as may be required.

If, however, General DeWitt deems it impossible to have our staff and equipment remain in San Francisco, we would like to ask whether we could move to some valley city. Sacramento would be by far the next best location.

We ask your instructions and advice in order that we may take immediate steps to comply without loss of time and without loss of an effective medium for instructions from the government offices to the Japanese residents and evacuees.

We would greatly appreciate an appointment for an interview concerning the above matter at which time we will present any further information you may wish.

Respectfully yours,

## Removal Order in North

### PUGET SOUND JAPANESE TO GO

### 300 Must Leave Bainbridge Island; Deadline March 30

The first evacuation order issued under President Roosevelt's proclamation permitting the Army to take such action Sunday ordered all Japanese removed from Bainbridge Island in Puget Sound, opposite the Bremerton navy yard, by March 30.

The order came from headquarters of Lieut. Gen. John L. DeWitt, chief of the Western Defense command, who is in charge of all alien evacuation in this area. All previous evacuation, such as the removal of Los Angeles Japanese, has been on a voluntary basis.

The Army order specified that all Japanese on the island report Tuesday or Wednesday of this week to the Wartime Civilian Control Administration office of the island to receive instructions and identification numbers.

From March 24 to 29, Japanese will be permitted to leave voluntarily, providing the WCCA approves their destination.

All Japanese remaining on the island on March 30 will be taken by ferry to the mainland and sent by special train to the new alien reception center at Manzanar in the Owens valley.

An Army spokesman said some 300 Japanese residing on the island would be affected by the order.

Most of the Japanese residents, the Army said, are gardeners and fishermen. Both native-born and alien Japanese are affected.

## Security Wage For Evacuee Work At Owens Valley

### Unemployable to Be Wards of Government; Pay Range $50-$94

MANZANAR, March 23—The government will pay a "security wage" to each of the colonists here, with pay ranging from $50 a month for unskilled workers to $94 monthly for those who are highly skilled, it was reported this week.

Out of this, $13 a month will be deducted, per person, for subsistence.

From the balance, payments will not be made in cash, but credit accounts will be kept and when the war ends or when a colonist, through the Government's relocation system, leaves for another area, a full settlement will be made.

Aliens and nisei who are unemployable will be cared for as "wards of the government," it was further stated.

### LARGE SCALE EVACUATION

### Vanguard of 1000 Leave Monday for Reception Center

By ROBERT C. MILLER
(U.P. Staff Correspondent)

LOS ANGELES, March 23—Large-scale evacuation of Japanese aliens and their American-born children from strategic Pacific coast military and industrial areas began Monday as a caravan of 350 automobiles and trucks left Pasadena for the army's new reception center east of the Sierra Nevadas.

More than 800 aliens and American citizens of Japanese descent assembled before dawn at Pasadena's Rose Bowl, scene of the annual new year's football classic in pre-war years. Leaders of the motorcade started the northward journey at 6:30.

In scenes reminiscent of the flight of Oklahoma and Texas dust bowl refugees to California a few years ago, the Japanese piled their household belongings on their automobiles and trucks, many of them ready for the junkyard.

**Evacuees Vehicles**

Nearly 200 of the vehicles were operated by the evacuees. They represented all types of jallopies—dilapidated pick-up trucks, open touring cars, "cut-downs" in collegiate style, and one model T Ford.

Three large trucks loaded with baggage led the motorcade as it headed north through San Fernando valley, making a parade between five and six miles long. Interspersed after every 10th car was an army "jeep" carrying military police.

### Warns Against Threat to Japanese Moving From Pacific Coast Military Areas

DURANGO, Colo., March 23—"For God's sake shut up," Governor Ralph L. Carr demanded in warning a Navy rally crowd that threats against transplanted Japanese would cause a "100 to 1" retaliation against Americans in Japanese-held countries.

Carr, speaking Saturday night, said that only one other governor has indicated the willingness of his state to receive aliens evacuated from the Pacific coast. "But if Colorado's part in the war is to take care of 100,000 of them, then Colorado will take care of them," Carr declared.

He explained that he referred to aliens transferred by the government. Other aliens, including migratory Japanese and unsupervised Nazis, will be taken care of by the Federal government, under whose jurisdiction they properly belong, Carr said.

By FRANCIS L McCARTHY
(U. P. Staff Correspondent)

CANBERRA, Australia, March 23—(U.P.)—Japanese planes made their heaviest raid of the war Monday on Port Moresby, in New Guinea, 350 miles from Australia, after a furious weekend of aerial warfare in which American and Australian planes smashed 24 enemy planes and the Japanese struck at the vital north-south Australian railroad.

Japanese planes struck also at Wyndham, a key town on the sparsely populated northwest Australian coast, and Allied planes bombed Dili, the Japanese invasion base on Dutch-Portuguese Timor, west northwest of the continent.

Nineteen Japanese bombers, escorted by three fighter planes, swept over Port Moresby in two waves, bombing and machine gunning military objectives and the town, toward which Japanese forces from the Tuon Gulf invasion and area are marching through the Markham valley.

There was no immediate report of damage or casualties.

**Allied planes, with American flying fortresses playing a star role, opened during the weekend a ferocious offensive on the Japanese invasion area northeast of Australia.**

Twenty-three of the total of enemy planes destroyed or damaged were bagged in this offensive, and the 24th was shot down over the north Australian coast.

In addition, the Allied planes made a direct hit on a Japanese ammunition dump.

**Lose Only Two Planes**

In this offensive, one of their heaviest and most successful of the Pacific war, the Allied air fleets lost a total of two planes and two crew of a third were wounded.

During the weekend the Japanese bombed Darwin, the great Allied north coast base, and Broome, on the northwest coast, in addition to Wyndham.

**It was announced also that planes believed to be Japanese had been sighted over Townsville, on the northeast coast, both Saturday and Sunday. Apparently on reconnaissance, single planes flew high ...**

Mr. Galen M. Fisher,

Orinda, California

Dear Mr. Fisher:

Your letter of the 14th regarding the continuance of the publication of the Japanese-American News raises a question which has been under study for some time in this headquarters.

The whole subject of foreign language papers will probably be determined in Washington, rather than locally. While there should be a means of providing information to the Japanese in their own language, I do not feel that an exemption will be granted for the continuation of the publication in its present location.

In the event that the publication is approved in a new location it may be possible to gain government assistance in financing. This could not be assumed for every Japanese publication.

I cannot speak for the resettlement authority in these matters of financing and relocation, but I do consider it wise for Mrs. Abiko to plan on closing operations in San Francisco.

Yours very truly,

Principal property involved and scope of problem:

Mr Nii came into our office at the Fresno Assembly Center to ask if we would follow up on the following problems which were ~~xxxfrxxx~~ confronting him at this time.

1. Wanted us to go over and have a talk with the man who leased their restaurant known as the S Nii Lunch Counter, located at 926 "F" Street. Mr Nii states that the leasee claims that he has not been able to make a success of the business thus far and is asking for a reduction in rent.

2. Asked that we check with the Superior Collection Agency regarding an account in the name of Johnnie Sorensano in the sum of $200.00 which they turned over to the above agency and on which they have received no report.

3. Wanted us to check with Lambert & Wakefield, Insurance Brokers, to see if a new policy had been made up covering fire insurance on the restaurant as they had not heard from them since their evacuation.

Action taken:*

1. I went over to 926 "F" Street to see leasee but found that he was out of town and could not be contacted until after 5 p m to-morrow evening (June 20).

2. Telephoned the Superior Collection Agency and received the following information from Mr Hermann, the Manager, Mr Hermann states that due to the lack of bookkeeping records on the part of the Japanese and the fact that the law of limitations is about to run out on this account they have attached Mr Sorensano's salary in Los Angeles and are settling with him for $40.00, $15.00 costs and $25.00 principal. This money is to be paid by the Sheriff of Los Angeles County on receipt from the Collection Agency of a Writ of Dismissal.

3. Contacted Mr Wakefield of Lambert and Wakefield and found insurance to be in order. Mr Wakefield states that he had not written Mr Nii regarding same as he was not sure just how to address him. He will write full details to Mr Nii this date.

FISCAL AGENT OF THE UNITED STATES

June 10, 1942

Mr. D. M. Dunton, Field Representative
Federal Reserve Bank of San Francisco
Evacuee Property Department
W.C.C.A. Assembly Center
Fair Grounds, Tulare, California

Dear Sir:

Answering your letter of June 8th relative to the trailer which was turned over to us by Yukiharu Niji, Family No. (14) 14299, we find the following conditions existing:

1 - The original WCCA Form FRB-3 contains no mention of the trailer to be turned over to us with the car or otherwise.

2 - The second copy, completed by you* and showing the automobile as received at Tulare on April 30th, bears the following pen and ink notation in the "Remarks" column: "Pink slip retained at Arroyo Grande for 64W251. Trailer PT-221740 does not have white or pink slip."

3 - The trailer was appraised with the automobile, the amount of trailer appraisal being $10.00.

We understand from your letter that the trailer is owned by Yoshimatsu Minami and that in your opinion he would probably wish to dispose of it. This being the case, will you kindly dispose of the matter by carrying out the following procedure:

1 - Advise Yukiharu Niji that the trailer should be released to Yoshimatsu Minami, authority for such release being provided for by obtaining Niji's signature on the enclosed WCCA Form EPM-8.

2 - Obtain Yoshimatsu Minami's signature to WCCA Form EPM-8, as having received the trailer. Return the WCCA Form EPM-8, executed in duplicate, to this office, after which it will be in order for Minami to make such disposition of the trailer as he may desire.

This WCCA Form EPM-8, properly executed and in our possession, should serve as our protection and for purposes of completion of our records, and no changes or alterations should be necessary on the WCCA Form FRB-3, now in Mr. Niji's possession.

* Mr. Jacks.

The above is one way in which this transaction can be handled. There is yet one other way, which is as follows:

The trailer can be sold to the Army for the $10.00 appraisal included in the same transaction for the car belonging to Yukiharu Niji. Payment would be included in the payment for the car to Niji and Minami would have to look to Niji for payment for the trailer.

In order to effect the sale in that manner it would be necessary for you to obtain a letter from Yoshimatsu Minami instructing us to sell the trailer, along with Niji's car. It would also be necessary to have the ownership certificate for the trailer properly signed off by Minami.

Please advise this office as soon as possible as to the final disposition of this matter.

Yours very truly,

Assistant Casher

Mr. R. E. Everson, Assistant Cashier
Federal Reserve Bank of San Francisco

San Francisco, Calif.

Dear Sir:

I have a problem here involving a homemade trailer.

Mr. Yukiharu Niji, owner of motor vehicle, license number 64T251, has attached to his vehicle a homemade trailer which is the property of Yoshimatsu Mizuzi. Mr. Niji's automobile came in to us under option #2, for sale. It is possible that the trailer was included in the appraisal of Mr. Niji's automobile, and being attached thereto, would be hauled off when the Army Representative picks up this car.

The owner of the trailer had just applied for ownership and registration certificates at the time of evacuation and has not received them yet. They are probably being held in Sacramento pending his permanent location and notification to them.

I don't recall checking this car in, here at Tulare, and therefore do not know if the trailer was included on any receipt given by us.

I understand there are frequent inquiries concerning the sale of this trailer, and under the circumstances, it would appear the only thing the owner could do with it would be to dispose of it.

I should like your advice as to what action to take here.

Very truly yours,

D. M. Dunton
Field Representative

15. The LESSEE further covenants and agrees that it will not make any repairs or alterations to the demised premises except upon the written approval of the LESSOR.

21. It is understood and agreed that LESSOR shall keep the roof of said premises in good order and repair during the term of this lease at his own cost and expense, provided that any damage to said roof shall not be caused by the act or neglect of LESSEE. In this connection, LESSOR shall not be liable to LESSEE, or to any other person or persons, for any damage whatever that may accrue by reason of said roof being out of repair, but LESSEE shall give LESSOR due notice of any repairs needed to said roof and LESSOR shall have a reasonable time thereafter to make such repairs.

22. The LESSOR reserves the right hereunder to enter upon the demised premises to inspect the same and to make any changes or alterations or repairs which he shall consider necessary for the protection or preservation thereof or of the building in which the demised premises are situate, or to make changes in the plumbing, wiring, meters or other equipment or appurtenances of the building; and the LESSOR shall have the right to erect and maintain all necessary or proper scaffolding or other structures for the making of such changes, alterations or repairs, and there shall be no liability against the LESSOR for damages, thereby sustained by the LESSEE, nor shall the LESSEE be entitled to any abatement of rental by reason of the exercise by the LESSOR of any such rights herein reserved. Nothing herein contained shall be construed to obligate the LESSOR to make any changes, alterations or repairs.

23. The said LESSEE hereby acknowledges that said demised premises are in good and tenantable condition and that all dangerous places and defects upon the said demised premises are to be made secure and kept in said condition by the said LESSEE.

24. The LESSOR shall not be liable unto the LESSEE for any damage to person or property, occasioned by the bursting or leaking of any water, oil, gas or steam pipe, or other pipes, plumbing or sewerage, or by the overflowing of any tank, or closet, or other damage occasioned by water, oil, or sewage or other fluid flowing in, above, upon or about the demised premises or coming through any skylight, window, wall or trapdoor, or otherwise, whether as the result of storms or accident or otherwise, whether in said demised premises or the building in which the same are situate. Nor shall the LESSOR be liable for any damages arising from the leakage or discharge of electric current in or upon the demised premises or resulting from defective electric wiring, defective work in the installation of electric wires of electrical apparatus or equipment or other damages arising from the use of electricity upon said demised premises or the building in which same are situate, either for lighting or heating purposes or for power, or for any other purpose, whether such use shall be by the LESSEE or any other occupant of said building or otherwise. Neither shall the LESSOR be liable for any damages arising from any act or neglect of other tenants of said building or occupants thereof, or of the owners of adjoining or adjacent premises.

25. The LESSOR shall not be, nor be held, liable for any damage to the goods, property, or effects of the LESSEE or any of the LESSEE's representatives, agents, bailors, depositaries, employees, guests, tenants, licensees, invitees, or occupants, or to any other person whomsoever, or for personal injury to, or death of, them or any of them, or of any other person whomsoever whether caused by or resulting from any act or omission of the LESSOR in and about said premises or the building in which the same are situate, or from any act or omission of the LESSEE, or from the acts or omissions of any person in or about said building, or from any defects in any part of said building, or from any other cause or reason whatsoever.

26. This lease shall not be assigned nor the leasehold estate mortgaged or the interest of the LESSEE hereunder hypothecated, or encumbered in any manner whatsoever, without the consent in writing of the LESSOR first obtained; nor shall the demised premises or any part thereof be sublet without such written consent. Any assignment, mortgage, or hypothecation, or encumbrance, or sublease, made or attempted in violation of the provisions of this paragraph shall be void and shall give no rights and no right of occupancy to any person claiming thereunder.

27. This lease cannot be assigned involuntarily or by any process of law, and in case the LESSEE is adjudged a bankrupt or insolvent, or a receiver is appointed in and about the affairs of the LESSEE, or the LESSEE makes a general assignment for the benefit of creditors, or the LESSEE fails to release any levy of attachment or execution upon the LESSEE's property within ten days after such levy is made, it shall be optional with the LESSOR to consider any of the same a breach of this covenant and to cancel and terminate this lease, but nothing herein contained shall be construed to compel the LESSOR so to do. (If the LESSEE be a partnership, or more than one person, a breach of any of the covenants of this paragraph by any member of such partnership, or by any one of said persons, shall be deemed a breach of said covenant on the part of the LESSEE herein.)

28. Change of name by the LESSEE and/or if a partnership a change in the members thereof and/or if a corporation a change in the ownership of forty percent or more of its capital stock, shall be deemed an assignment prohibited by the terms hereof unless the written consent of the LESSOR is first obtained thereto.

29. If the LESSOR shall at any time give its written consent to the assignment of this lease, or the subletting of the demised premises by the LESSEE, or any other matter or thing relating to said demised premises, or this lease, wherein its consent is necessary; the giving of any such consent shall not be deemed or construed or considered to be a consent to any further or other assignment or subletting, or as a further consent as to any other matter or thing contained herein requiring its consent. No waiver by LESSOR at any time of any of the terms, conditions, covenants or agreements of this lease shall be deemed or taken as a waiver at any time thereafter of the same or any other term, condition, covenant or agreement herein contained, nor of the strict and prompt performance thereof by LESSEE. No delay, failure or omission of the LESSOR to re-enter the demised premises or to exercise any right, power, privilege or option arising from any defaults, nor subsequent acceptance of rent then or thereafter accrued, shall impair any such right, power, privilege or option, or be construed to be a waiver of any such default or relinquishment thereof, or acquiescence therein, and no notice by the LESSOR shall be required to restore or revive time as of the essence hereof after waiver by the LESSOR of default in one or more instances. No option, right, power, remedy or privilege of the LESSOR shall be construed as being exhausted or discharged by the exercise thereof in one or more instances. It is agreed that each and all of the rights, powers, options or remedies given the LESSOR by this lease are cumulative, and no one of them exclusive of the other or exclusive of any remedies provided by law, and that the exercise of one right, power, option or remedy by the LESSOR shall not impair its right to any other right, power, option or remedy.

30. The LESSEE shall at the LESSEE's own cost and expense procure and maintain plate-glass insurance covering all plate-glass windows in and upon the demised premises.

31. If the said premises are destroyed by fire, earthquake or other accident or action of the elements, or are partially destroyed so as to render the premises hereby leased wholly unfit for occupancy, or if they shall be so badly injured that they cannot be repaired within ninety days after the happening of the injury, then this lease shall, at the option of either the LESSOR or the LESSEE,

cease and become null and void from the date of such damage and destruction, and the LESSEE shall at once surrender the said premises and all interest therein to the LESSOR, and shall not be liable for any further payments of rental on account of said lease; but in case of partial destruction of said premises, as above mentioned, the LESSOR may re-enter and repossess such portion of said premises as may be required to make the necessary repair; and if said premises shall be repairable within ninety days from the happening of said injury, a proper allowance upon the rent of said premises shall be made in view of the time consumed in making said repairs; but it is expressly understood and agreed that the LESSEE shall in no case be entitled to compensation or damages on account of any inconvenience or annoyance in making said repairs, or on account of such destruction on account of fire, earthquake, or other accident or action of the elements, and that no allowance or deduction from the rent herein provided for shall be made for any partial destruction of said premises which does not prevent the LESSEE from carrying on his business as usual.

32. If any rent be due and unpaid, or if default shall be made by the LESSEE in any term, covenant, or condition herein contained upon the part the LESSEE to be kept, done, or performed, then it shall be lawful for said LESSOR to re-enter said premises and remove all persons therefrom without further notice. Each and every term, covenant, and condition hereof to be kept and performed by the LESSEE is expressly made a condition upon breach whereof said LESSOR may terminate this lease at his option, and /or exercise all rights of entry and re-entry upon the demised premises herein provided for.

33. The LESSOR shall be entitled and said LESSEE hereby appoints irrevocably said LESSOR as the agent and attorney in fact of said LESSEE to enter upon the demised premises, in the event of default by the LESSEE in the payment of any rent herein reserved or the performance of any term, covenant or condition herein contained to be performed by said LESSEE, and to remove any and all trade fixtures, furniture and personal property whatsoever situated upon the demised premises, and to place such property in storage in some warehouse in the city, wherein the demised premises are situate, for the account of, and at the expense of, said LESSEE, and said LESSEE hereby exempts and agrees to save harmless said LESSOR from any costs, loss or damage whatsoever arising or occasioned by any such entry upon the demised premises and the removal and storage of such property by said LESSOR or its duly authorized agents, in accordance with the provisions herein contained.

34. The LESSEE hereby waives all claims for damages that may be caused by the LESSOR re-entering and taking possession of the premises as herein provided, and in such event the LESSEE further waives any demand for possession by the LESSOR or process of law upon its part. The LESSOR may then relet the premises upon such terms as it sees fit and if a sufficient sum shall not be thus realized after paying the expenses of obtaining possession of the premises and putting the same in good order and condition, and of such re-letting to satisfy the rent hereby reserved, the LESSEE agrees to satisfy and pay any deficiency, and to pay the expense of obtaining possession thereof, and of so putting the same in good order and condition, and of such re-letting and collecting.

35. The LESSEE has deposited with the LESSOR at the time of the execution of this lease the sum of - - - - - - - -

Thirty and NO/100 - - - - - - - - - - - - - - - - - - - - - - - - dollars ($ 30.- ), which sum of money the LESSOR shall have the right to retain until the expiration of said terms as security to secure the LESSOR and indemnify him against damages occasioned by any breach of any of the provisions, conditions, or covenants of this lease upon the part of the LESSEE to be kept and performed.

36. If the LESSEE shall not be in default hereunder, then the LESSOR shall apply said sum so deposited with him as security in so far as the same shall extend, as and for the installment or installments of rent last becoming due hereunder. The LESSOR shall not be precluded from maintaining any action to recover possession of the demised premises or recover rental by attachment process or otherwise, or to enforce any of the terms, covenants or conditions to be kept and performed by the LESSEE hereunder, or any claim for damages, nor shall any such right be in any manner diminished or impaired by reason of the making of such deposit with the LESSOR or its retention thereof, but each and all of such rights and remedies may be enforced by the LESSOR in the same manner and to the same extent as though no such security had been given.

37. If and as often as LESSOR gives any notice on account of any default by the LESSEE, and if and as often as in any action, suit or proceeding LESSOR shall seek recovery for or on account of the breach of or to enforce any of the conditions, covenants or agreements herein set forth on the part of the LESSEE to be kept or performed, or for the recovery of said demised premises, or for an injunction against the LESSEE, the LESSEE shall pay to the LESSOR on demand reasonable attorney's fees and expenses if the LESSOR shall have prevailed in whole or in part therein, and in any case in which LESSOR recovers judgment such attorney's fees and expenses may become part of the judgment. LESSEE further agrees to save harmless the LESSOR from all costs, charges and expenses whatever, including attorney's fees, in any action or proceeding brought by the LESSEE against the LESSOR, unless the LESSEE prevails fully therein. Dear Sirs:

The Wartime Civil Control Administration advise that they have been unable to locate Mr. Y. Nimura.

They have given us the name of Kayo Nimura, female, age 42, who was evacuated from 2108 West 29th Street, Los Angeles, California, in the belief that she may be the wife of Mr. Y. Nimura.

She is now resident at the Granada War Relocation Project, Amache Branch, Lamar, Colorado. The records of the Wartime Civil Control Administration indicate that her husband is interned.

We are passing this information along to you with the thought that you may wish to communicate with Mrs. Nimura.

Principal property involved and scope of problem: M. B. Minhoto leases 40 acres planted to beets from Cooper Estate and owns 200 acres (mostly dairy & some farming land) at Moss Landing. J. Ninomiya leased 55 acres from M. B. Minhoto, which lease ran out in 1941. Minhoto sold this 55 acres to Mr. Cleverly (L.W.) last year. H. E. Garin leased these 55 acres from Mr. Cleverly and Ninomiya lives on this property in the house and pays Mr. Garin $15 a mo. for same. Ninomiya works for Minhoto on his 40 A. and also at Moss Landing.

A representative from WCCA office called on Ninomiya inquiring about what he was going to do with his 40 acres of beets, thinking that Ninomiya owned the land. Since Ninomiya only works there he and Minhoto came in to straighten the matter out with this office.

4-15-42 On 3/26/42, J. K. Ninomiya called here and stated that he had been put out of his lease by the landowner, J. W. Cornelius, operator of the Rodeo Electric Shop, 11 W. San Luis Street. We finally contacted Cornelius and find that he has under date of January 21, 1942 a cancellation of lease signed by Ninomiya to him of all his interests.

Action taken:* Referred them to Mr. Hamilton, F.S.A. representative. Minhoto and Ninomiya filed an agreement with Hamilton of the F.S.A. stating that they had surrendered their lease and terminated their partnership agreeably to themselves and Minhoto to reimburse Ninomiya. We have copy of release in our files.
4-15-42 The F.S.A. agent reports all these deals satisfactory as closed to both parties and so it would seem. We gave a copy of Cancellation of Lease to their agent.

The Nippon Company
Importers & Exporters
3801 Vallejo Street
Denver, Colorado

Attention: Mr. T. S. Kako

Dear Sirs:

Reference is made to our past correspondence with you pertaining to the disposition of approximately 2,200 cases of saki owned by you and presently stored in Visalia, California.

We regret to inform you that the distilling company is unable to arrange a purchase of the liquor at this time. A very considerable effort has been made by representatives of this bank to effect a sale that would be satisfactory to you. This has included many visits to the distilling company premises and a careful check upon any other possible outlets. It appears however that the tax status is quite involved and further, the cost of re-distilling the wine makes for a doubtful margin of profit.

The Federal Reserve Bank of San Francisco is, of course, aware of a sale from the original amount stored, to the McKesson & Robbins Company in Fresno of some 207 cases. In view of this deal which was negotiated by yourself, we are interested to know if any other plans for solution of this problem have occurred to you which might now be attempted.

Will you please advise us of any such ideas and what your thoughts are in connection with this problem.

Very truly yours,

Assistant Cashier

Dear Sir:

This is to acknowledge receipt of your kind favor of the 15th instamme, and we appreciated very much your considerable effort on our behalf, towards disposition of our Sake.

Regarding our sale of 207 cs. to McKesson & Robbins Company, Fresno, California, it is in reality a trial sale in every respect; should everything work out satisfactorily, we will be optimistic in disposing the principle part of our stock. We are also working out means with other places. At any event, if the quality of Sake has not deteriated, it is our intention and hope to dispose off as Sake, which, as you know, will yield us greater return.

Thanking you again for your untiring effort, and hoping that we may continue to ask of your courteous service,

Truly yours,

Attention: Mr. T. S. Kako

Dear Sirs:

Reference is made to our past correspondence with you pertaining to the disposition of approximately 2,200 cases of saki owned by you and presently stored in Visalia, California.

We regret to inform you that the distilling company is unable to arrange a purchase of the liquor at this time. A very considerable effort has been made by representatives of this bank to effect a sale that would be satisfactory to you. This has included many visits to the distilling company premises and a careful check upon any other possible outlets. It appears however that the tax status is quite involved and further, the cost of re-distilling the wine makes for a doubtful margin of profit.

The Federal Reserve Bank of San Francisco is, of course, aware of a sale from the original amount stored, to the McKesson & Robbins Company in Fresno of some 207 cases. In view of this deal which was negotiated by yourself, we are interested to know if any other plans for solution of this problem have occurred to you which might now be attempted.

Will you please advise us of any such ideas and what your thoughts are in connection with this problem.

Very truly yours,

Gentlemen: Attention Mr. R.E. Everson, Assistant Cashier

With reference to disposition of our Sake, we have been anxious to hear from you concerning your local distiller mentioned in your letter of July 10th. If you have had any further communications from them, would you kindly inform us.

We have been constantly considering different angles in which we might dispose the Sake, and it is our belief that should we be able to receive a permit from the proper authority for steamer space to Hawaii, since this Sake had been brewed there and its brand is a well known product in the Island; such a step would prove the most desirable. We had this idea since December, and had worked at it for nearly two months, but had been unable to obtain the import permit for buyer in Hawaii. However, we feel that there might be a possibility to obtain the necessary release through your good office, as conditions have changed since then. After once getting clearance, the "Big 3 Firms" of Hawaii might be interested in the product; their headquarters being at San Francisco.

As an alternative, we have been of an opinion, that it would prove a greater return, if we could dispose our Sake as a beverage. Since the greatest number of consumers is among the Japanese people, and of the Japanese in the "free zones", the greater part being concentrated in the state of Utah, we naturally gave thought in the possibility to sell in that state. In Utah, liquor is under state control, so we wrote to the Utah Liquor Control Commission, and their answer was: "The Utah Liquor Control Commission is not interested in listing any Japanese product." We immediately replied that Sake was not a Japanese product, but a United States product, since it is brewed in the Territory of Hawaii." We have received no further word from them, since our last communication the latter part of June. With the negotiation through your bank, which we take the liberty to suggest, it might be possible that this plan might materialize.

Gentlemen:

Your kind favor of July 10 has been duly received this morning, and would appreciate your tireless effort in connection with disposition of our Sake to continue.

Evacuation order in the district covering Visalia we presume forthcoming soon. With the many other stocks of the Mutual Supply Company, of their own and others, it will probably be impossible to dispose off before evacuation, therefore we have joined with the Mutual Supply Company to extend renting of the present premises for the time being, after evacuation takes place. According to letter from the Mutual Supply Company, they have arranged for a person to take care of shipping after all officers and staff of the Company are evacuated. Thus it will make it possible for us to leave our Sake there until we receive a satisfactory bid from the distilling company which your good self mentioned.

Again, may we thank you for your kindness extended to us, we beg to remain,

Yours truly,

July 10, 1942

The Nippon Company,

3301 Vallejo Street,
Denver, Colorado.

Attention: Mr. T. S. Kako

Dear Sirs:

Reference is made to our correspondence concerning 2200 cases of Sake belonging to you and your letter of June 15th.

We have succeeded in obtaining samples of the wine which were given to a local distilling company who advised that they may be interested in the purchase of the Sake, subject to certain tax and alcoholic regulations. They have advised us that until such time as they have secured a complete ruling on such a step, it will be impossible to make a bid for the Sake. In addition, this company is closed down for a vacation period extending until July 26, 1942 and will, therefore, be unable to do anything until sometime after that date.

We have, of course, no method of predetermining the date when evacuation will take place at Visalia where the Sake is presently stored. For your information, certain other sections of California, comparable to Visalia in that they represent military area No. 2, are in the process of evacuation at the present time. It is therefore possible that some such program might be announced for Visalia in the near future and we feel that you should give consideration towards the necessary steps pertaining to the Sake problem if such should become the case. The distiller in question has informed us he will be in a position to make an offer for the wine, once the legal requirements have been met, but if the proprietor of the Mutual Supply Company, Visalia, should be evacuated in the meantime, we think you will wish to be in a position to make this sale if satisfactory arrangements are made. Please advise us promptly with respect to your ideas on this subject.

Yours very truly,

Assistant Cashier.

AIR MAIL

Gentlemen: Attention Assistant Cashier

We are very appreciative to have received your kind letter of the 10th, relative to disposition of our stock of 2200 Cases Sake (Japanese wine.)

With reference to your querries, we shall state the rough summary as follows:

1. All goods are stored at 129 N. Garden Street, Visalia, California, under care of the Mutual Supply Company. The same are in the basement of the premises, within a wire enclosure and locked up, the key has been reported to us to be held by the Sheriff of that city. The reason for this, was that at the time of transportation of the Sake from San Francisco to Visalia, the pressence of the liquor created an excitement among the people of Visalia, who did not know that our Beverage License of the State had been revoked, and as a former licensee sould only sell upon receipt of State permit for each transaction; in order to calm the misunderstanding, the sake was thus locked up with the key handed to the Sheriff.

2. The State and Federal Liquor Tax has been fully paid. As to the State Tax, according to regulations, it may be paid after each sale in the Monthly Report, but to simplify matters, we have been paying at time of import, so that our State tax on our stock is fully paid.

3. The bottles and cartons are all made in the United States, so being standardized, it surely can be utilized for many purposes; such as, California wine, vinegar, etc.

4. The contents and gallons may be roughly estimated as follows:

| | | | | |
|---|---|---|---|---|
| 1 | gallon | bottle | 4 in case | 1989 Cases : 7,956 Gal |
| ½ | " | " | 6 " " | 129 " - 387 " |
| 12 | oz | bottle | 24 " " | 35 " - 78¾ " |
| 11 | " | " | 24 " " | 30 " - 60 " |

All the sake contain 17% alcohol by volume. The case themselves have no number, but on each case the brand, content, manufacturer's name is printed in English.

If you desire a sample, it can be obtained by writing to the Mutual Supply Company, 129 N. Garden St., Visalia, California, with attention to Mr. Susumu Togasaki, whom I believe you know personally. It may be necessary to obtain permission from the State Board of Equalization, in Sacramento, or it may be possible that Mr. Togasaki could bring your letter to the City Sheriff and obtain release for sample. However, we are certain that your good office would know the proper procedure.

We noted in your closing paragraph that new taxes are contemplated, and that our transaction must be completed before that time, so that we will greatly appreciative your immediate attention to this matter, so that all might be realized prior to the new tax. Any information that we might be able to forward to you to facilitate your investigation, we will be more than glad to send to you.

Attention: Mr. T. S. Kako

Dear Sir:

Receipt is acknowledged of your letter of June 5, 1942, wherein you inform us of a stock of 2200 cases of Sake, which were moved from your San Francisco office to Visalia, prior to the Exclusion Order for Military Area No. 1.

We appreciate the fact that due to war conditions, etc., the market for this particular product is now practically extinct; this, however, has been true of many other products, regardless of ownership.

As you no doubt know, the Federal Reserve Bank of San Francisco, acting as Fiscal Agent of the United States, has been assisting evacuees in making disposition of their various property, both personal and business, and that in many instances where the evacuee has not been able to dispose of such property, the Government has stored it for them free of charge.

However, the restrictions placed on such storage, necessarily eliminated merchandise of a perishable or semi-perishable nature, the reasons for which you can well understand. We believe there is little doubt but what Sake would be of the latter nature.

The only assistance which we might be able to give you would be in the disposition of such Sake for the purpose of possibly re-distilling. Before further assistance can be given along this line, there are certain questions which we would be pleased to have you answer, in order that we might make a further investigation.

For instance: We would like to know with whom the goods are stored in Visalia; if they are available for sampling, etc.; whether the liquor tax has been paid on such merchandise, or if it is in bond. It would also be necessary to know the number of bottles in each case; the size of each bottle; the number of wine gallons in a case and the total proof gallons in a case. In order to determine whether or not the bottles can be used again, it will be necessary for you to let us know if they have been numbered.

Please forward this information to us at your earliest convenience, as the parties we have contacted in regard to this merchandise, inform us that new taxes are contemplated and that any transaction should be completed prior to that time, as the new taxes will no doubt prohibit the realization of any value which might remain in the Sakt at this particular time.

Gentlemen:

Since we had received your letter of April 25, we have done our utmost to solve our property problem in connection with evacuation, but our greatest problem which has been confronting us, namely the disposition of our large stock of "Saké" (Japanese wine), we have not been able to settle satisfactorily without your assistance.

While the writer was still in San Francisco, he had worked out several channels to dispose off of about 2200 cases of Saké, and at the same time asked assistance from the State and Federal agency. It was impossible settle the same before the evacuation order in our district was issued, so that we had moved our entire Saké stock, with permit from the State Board of Equalization, to Visalia, California, with the hopes that some returns might be realized, since so many Japanese were concentrated in that vicinity after having evacuated from the coast. It was the greatest surprise to hear that the army district #2, the remaining portion of California, where our prospective buyers of saké are residing, have orders to evacuate. Should this information be true, we have finally had no chance to dispose the saké, and we are afraid the further holding would only incur additional loss to our present asset due to rent and other expenses to house the beverage. Not only that, but the quality might change to such a condition, it might not be possible to sell for human consumption. The amount involved in this particular commodity aggregates around $12,000, which depending on means of disposition, is greatly affecting our financial status.

For your information we beg to say, the reason we have on hand such a tremendous stock at the present writing is due to the prevailing conditions after the unfortunate outbreak of war, and the State of California suspended our Wholesale Liquor License together with all Retail Liquor Licenses. Although the State had suspended and revoked the license, we have received neither advise or assistance on

our stock on hand. In fact they are unable to give us any aid, since the consumers are mostly limited to the Japanese people who customarily buy from Japanese retailers, and the State has revoked the retailers' license simultaneously with ours. In other words, the State has "bound our hands and foot".

We had tirelessly negotiated with the brewers in Hilo, T.H., who are the shippers of this Sake immediately after our license was revoked. Even though the brewers accepted to receive the shipment, the army authority in Hawaii would not grant permission to reship, and finally our long endeavors to return the same, failed.

The writer then had been investigating the possibility of disposing in the Intermoutain states, but with the different State regulations, freight rates, and volume of consumption with the proportionally small Japanese population, especially with such a large stock, this idea too, proved in vain.

Under the above circumstances will you kindly advise us as to the possibility and means of disposition there might be. Would it be possible through your authority to negotiate for us, with the State Board of Equalization, so that the latter will agree to take the responsibility in compensating us? If you have any other suggestions, please inform us.

It might be possible to utilize the alcohol in the beverage in the war effort, or even the bottles and boxes which were made in the United States. We are very confident that there must be some way to solve this great and perplexing problem.

We were at 323 Clay Street, San Francisco, under the status of General License 68-A, but with the evacuation order the writer has moved to Denver, Colorado, to wind up business, residing at the following address:

3801 Vallejo Street
Denver, Colorado

Thanking you of your immediate attention, and trusting to hear from you again, we beg to remain,

Yours truly,

THE NIPPON COMPANY

Dear Mr. P. D. Molter,

In regards to the instructions given by the agency of W.C.C.A. at the Civil Control Station in Vacaville, California, it was understood that all the stored goods be sent to us directly to the Relocation Center immediately following our relocation at government expense. Due to such an instruction we have left all our articles which are essential for a normal life in our concentration camp. For the first time in my life I have suffered such inconvenience. This might be due to a poor sheltering, cooking, serving facilities provided by the W.R.A. in this concentration camp.

Are there any arrangements made to ship our stored goods to us? If not I would like to ask you to look into this matter. If there is an arrangement made to ship the goods to us at government expense, please disregard this letter. If you can make arrangements I would like to have all my stored goods except the Range. If this is impossible please make arrangements to have our clothing, books, lamps sent to us.

Place of Storage
Sacramento City Wharf
Front & P. St.
Sacramento, California
Location 1-8

Please write to us regarding this matter promptly. Handle all these articles at government expense because I am not in a position to pay due to the minimized wages here in camp, which is 8¢ 1 hr. or maximum pay per person per month is minimized to $19.00. Hoping to hear from you, thank you

Sincerely yours,

(Signed) Ellis Nishi

P.S. I would like to have my books sent to me, because I am taking an extension course thru my college and I am in need of it very badly. I failed to bring these books with me because I was instructed by WCCA agent that I shouldn't take books with me.

Gentlemen: Re: Grace Fujino Nishi

Yesterday at the Assembly Center, Grace Fujino Nishi (See S. Uchiyama folder, 4/23/42) told me that she had $60 to pay to the Salinas National Bank on her mortgage. I notified the bank last night and they went out there and got the check this morning and gave her a receipt. Apparently they are both happy.

It is my understanding that this property is not rented yet but attempts have been made to do so. I had quite a talk with M. M. Glikbarg of Salinas who has the power of attorney for her and he seemed to think the problem would work out all right.

There is still the matter of the guardianship to be arranged or some other kind of paper so Mr. Rosendale can act for the absent and minor member. Mrs. Nishi seemed to think these papers should arrive before very long.

These bankers here seem to be pretty cooperative and are making arrangements to send a man out to the camp once a week to interview any of their clients who need service or want money, to cash checks, etc., which is a very nice service for the evacuees to have and fits in very nicely with our recommendation to them not to keep much money on hand but to figure on cashing checks as need arose.

Stolich, a grower-shipper in this district who also bought the equipment, growing crops, etc. This deal was made sometime ago and is now being brought in for recording to the F.S.A. department. Above evacuee is Asst. Secretary and Mgr. of the corporation. The Secretary and former Manager was Ichikuro Kondo, a native of Japan who last return from Japan was sometime in the '20's. Kondo was picked up by the FBI several months ago and the procedures were started shortly thereafter for termination of these farm leases, etc. Kondo is now in Santa Fe, N. M. in custody. This agreement appears to be satisfactory to both parties.

Kondo was renting a house on 101, South, near the Underpass where his furniture is still located. The owners of the house want his furniture removed so they can lease the place and have a tenant ready to move in. Nishi has Kondo's P. of A. and is a former associate but does not know what to do with the furniture pending Government removal. He also wants to know about his own furniture. Rosendale-Thomas & Muller have handled the legal details for Stolich and these people.

Action taken:* Suggested to Nishi as long as he had P. of A. from Kondo that he move Kondo's furniture to the Buddhist Church, if he could get their permission with the understanding that he would move it again if demanded to by the church authorities. Also told him to make disposition of Kondo's car as he has the pink slip and P. of A. Nishi has sold 1 of his cars and will either sell or store the other 2 or maybe turn them over to the Government at the time of evacuation.

The Nishi Farm Corp. deal to Stolich has F.S.A. approval.

Dear Sir:

This is in further reference to the George Nishihara matter originally taken up with you by correspondence under date of May 29th.

At the time I discussed this matter with Nishihara he was not sure just who Mr. Stannard represented in Santa Maria but thought he was the Federal Reserve Bank representative. It now appears as though he was the Farm Security Administration man as indicated in a copy of a letter inclosed herewith which you will find self explanatory.

Judging from the contents of the letter from Mr. Walker of Santa Barbara, Nishihara is apparently on the right track now. I shall contact him again in a few days to learn developments arising from this letter from Walker.

As this is obviously a matter for the Farm Security Administration to handle I shall take no further action except the inquiry mentioned above unless instructed by your office.

Very truly yours,

Dear Sir:

You will find enclosed a copy of a memorandum from our Los Angeles Branch dealing with the problem of George Nishihara.

Mr. George Nishihara

Dear Mr. Nishihara:

Thank you for your letter of the 6th just received.

While I was in charge of the general operation of the Civil Control Station, the records of farm and other property transactions were retained by the government departments officials who were in charge of that work during the operation of the station.

Thus I have no records whatever, I regret to say, regarding your deal. But I am sending a copy of this letter, together with your original reply, to the Farm Security Administration, 30 Van Ness Ave., San Francisco. They can call it to the attention of either Capt. Edward M. Joyce, who was the Farm Security Administration man in Santa Barbara at the time of the Civil Control Station who doubtless handled this matter for you; or to the attention of Mr. Warren Stannard, who was at Santa Maria. Just where these men are now I do not know, as we lost touch with them when the station closed just after the evacuation.

You ask about the value of the improvements being done on the store. Yes, I believe that $50. would not be excessive for the work being done, although that is a little hard to say as I had not seen the inside of the store to remember it, before the work started. However it seemed to be getting a thorough painting and general fixing up.

Please let me know if you do not hear from Capt. Joyce or Mr. Stannard, and I shall be happy to look into this again. But they should know about the matter and should be able to assist you.

Sincerely,

H. L. Walker

SUBJECT: Evacuee Property Department

Reference is made to your letter of June 5 enclosing a copy of letter from D. M. Dunton concerning a transaction between George Nishihara and Glenn Brickey.

We have reviewed the interview files of our field representative at Santa Maria, but do not find any record of any interview with Mr. Nishihara.

It is observed that Mr. Dunton's letter makes reference to a Mr. Stannard who represented the Federal Reserve Bank in Santa Maria. We had no one employed by that name in the Evacuee Property Department and the representative of the Farm Security Administration in our office informs us that apparently no one by that name was employed by the Farm Security Administration in Santa Maria.

Mr. R. E. Everson, Assistant Cashier

Dear Mr. Everson:

Inclosed herewith find a copy of a letter written to Geo. Nishihara, one of the evacuees here. I am sending the copy for what it is worth as relating to McFadden.

It appears as though Geo. Nishihara and one Glenn Brickey were in a farming deal together on leased land. Brickey leased the land from a party by the name of Williams. Nishihara sub-leased it from Brickey and Brickey and Nishihara went in partnership to farm the land. The lease supposedly provided for 40% per partner and 20% to land owner. The partners were to share equally in the expense. It seems as though Brickey took his share of profits and refuses to pay his division of expenses. The papers were all turned over to an Attorney by the name of S. O. McFadden at Santa Maria who was recommended by a Mr. Stannard who represented the bank (FRB) in Santa Maria. Nishihara claims Brickey owes him about $1200, that this Attorney, McFadden took a power of attorney to handle their property and kept all copies of all agreements. They have nothing here except a sad tale.

My thought was that probably Mr. Stannard could be contated by your office and is probably familiar with the story. It seems as though McFadden will not answer their letters, they have lost faith in him and want to cancel the power of attorney they gave him.

I should appreciate any help or suggestions you might give me in this matter.

Very truly yours,

Dear George:

I got your letter, was very glad to hear from you. I sincerely hope that you are comfortable while you are waiting for this war to end.

I got a telephone call from McFadden. He wanted your car and I gathered from what he said that he wanted to sell it to get some money to pay his fee for legal services. I do not know what he has done for you or what he thinks he has coming but I feel that if he ever gets your car it will be the last of it. You wont get anything out of it at all. I wouldnt let him have it without a written order so he is going to write you for one. Dont give it to him. Tell him that you have already sold the car to me. I will take care of it until you are back again for you will need it to get started again and I doubt if there will be many cars with tires by that time. From what I can learn your attorney cannot be trusted too far so for heavens sake dont let him get you in a corner. The girl in the office called me up and I gathered from what she said that they did not expect to collect any money for you and that was why they wanted to get hold of your car. I will not let him have the car until I hear from you. I think you had better leave your car here no matter what he says. As I said before, tell him that I bought the car, and it will be here for you when this row is over. And dont feel that you are unduly obligated to me, times are tough for you and you are an American just as much as I am so it is only right that I help you any way I can. And dont feel badly just because a few damn fools shoot off their mouths, being Japanese descent is nothing to be ashamed of.

I have to stop now but will write you again soon. Dont let that attorney or any one lese talk you into anything.

Yours sincerely,

Dear Sir:

The Japanese in this neighborhood have a number of sacks of Arkansas and California rice that they would like to sell before they are evacuated from this area.

I have talked to local and Fresno concerns about the purchase of this rice, but have been unable to get any results.

I also called the managers of the two assembly centers in Fresno and they referred me to you. Up to now some twenty sacks of rice have been reported together with thirty sacks of soy beans. Can you use any or all of this?

An early answer would be greatly appreciated.

Dear Mr. Wilke,

I received your letter yesterday. Thank you for your effort in trying to assist me in my request to Mr. Mundell.

I received your copy of the letter to Mr. Mundell and I do not know how to thank you for your friendliness towards a casual acquaintance.

There is no word to express our gratitude which my family and I owe you for your kindness in trying to help us move to the Tulelake Relocation Center.

I hope I will be able to see you before we leave this camp.

Was a local successful farmer. Operated with brothers, George, Family #7270, and Steven (half-brother) Family #6829, and friend Kenneth Suzuki, Family #6859, all now located at Stockton Assembly Center, 24 family members in the group.

Subject made urgent request that this office intercede in his behalf toward having them moved ultimately to Tule Lake Relocation Center, the chief reason for request being that his mother and some other members of the family, now at Walerga Assembly Center, will be relocated at Tule Lake. He states that this arrangement will allow him of more freedom in following out agricultural work at Tule Lake as well as providing a happier condition as to family relationships.

Action taken:*

Wrote Mr. Harold Mundell with regard to Subject's request on June 10. His reply, June 12, promises consideration of request if it becomes possible for him to determine ultimate destinations of evacuees under his care.

(See Stockton letter of May 28, 1942).

This was closed out by our report of 4/29 upon the word of Mr. Moorehead of Stockton National Farm Land Bank. However, upon checking further into the matter, we find that the account of Subject is regarded as first class, payments are going along satisfactorily, and insurance, which was arbitrarily cancelled, was replaced through Mr. Moorehead by Rhode Island Insurance Company and the premium, $11.10, was billed direct by Insurance Company to Subject. The file should be closed.

Dear Sir:

On June 6th we wrote a letter to the above subject, copy of which is attached, enclosing a Statement of Indebtedness owing to the Universal Credit Company and reflected on our Form EP-6.

This letter was sent Registered Mail to Mr. Nishimoto at the WCCA Assembly Center, Fair Grounds, Stockton, but for some reason, we have not received an acknowledgement of same. In the course of the delivery of this letter, however, we received a letter dated June 8th from Mr. Bert Jacobs, the postmaster at the assembly center, requesting that we inform him of the family number of Mr. T. Nishimoto so that he could deliver our registered letter number 553762. On June 9th we answered Mr. Jacob's letter and gave him the information requested. Since then, however, we have not received any further information as to whether or not the letter was delivered.

Since your letter of June 16th indicates that you have a new address for Mr. Nishimoto, we suggest that you trace this matter and let us know what the present status is. For your information we already have WCCA Form FRB-4 on which the above subject has expressed his desire to sell his car to the Army under Alternative No. 2. The appraisal on the car as of June 12th was $495.00.

It is also quite important that we have this case settled shortly inasmuch as the Universal Credit Company of Stockton have written to us as of June 16th stating that the account is seriously in default with a balance due and payable of $231.75.

Yours very truly,

Assistant Cashier.

Dear Sir:

Reference is made to your letter dated June 15, 1943, requesting information as to the whereabouts of Mr. Nishimoto's automobile which was, as you state, the subject of rather extensive correspondence with Mr. Nishimoto in 1942.

The vehicle has been requisitioned by the United States of America and delivered into the custody of the Army. We understand that the military authorities have been in communication with Mr. T. Nishimoto, the registered owner of the vehicle, and have been endeavoring to communicate with Mr. Yoshio Nishimoto whom they have been unable to locate.

If you can provide us with Mr. Nishimoto's present address, we will be pleased to give the information to the military authorities locally, in order that they may communicate with Mr. Nishimoto.

Dear Sir:

Your letter of June 30th addressed to Mr. L. S. Weeks, our Stockton representative, has been referred to this office.

Due to the fact that it is not possible for your car to be sent to your present location, we have made further attempts to get a better price for your car. Mr. Weeks informs us that after having several dealers see the car the best price that was offered was that of the Acme Auto Wrecking Company, Stockton, California, who will pay $60.00. Since this is $15.00 over our appraisal, and since under the circumstances it seems to be a very fair price, we recommend that you accept the offer and instruct us to turn the car over to the Acme Auto Wrecking Company for this amount.

Our Forms [illegible]-3, "Instructions as to the disposition of Motor Vehicle", are enclosed and if you decide to sell the car please sign these forms on the line signified by the mark "X" and return them to this office. Please also forward your registration card and your copies of our Forms WCCA-FMB-3, "Motor Vehicle Registration Form", and Form WCCA-FMB-4, "Agreement Regarding Disposition of Motor Vehicle".

As soon as we receive your instructions we will notify Mr. Weeks to deliver the car and forward a check for $60.00 to you at Shelley.

Yours very truly,

Assistant Cashier

Dear Sir:

Since writing to you on June 15th regarding the above subject, we find in rechecking our file that we have not received the registration certificate but hold instead the ownership certificate.

In conjunction, therefore, with your efforts to contact Mr. Nishimoto at his new address in Idaho Falls, we suggest that you request that he forward his registration certificate which is quite necessary to complete our records. If for some reason the certificate has been lost, kindly instruct him to sign the enclosed application for duplicate registration certificate.

Our instructions, therefore, in our letter of June 15th should be amended to include this request for the registration certificate and our original request for the ownership certificate should be nullified.

Dear Sir:

We are enclosing a letter addressed to the following evacuee at the WCCA Assembly Center, Stockton, California, regarding his automobile storage.

Family No. (53) 25813 Mr. Y. Nishimoto

From this letter you will notice that the thought in mind is to encourage this Japanese to take advantage of Alternative No. 2 on WCCA Form FRB-4 and sell his car to the Army. This letter has been sent to you inasmuch as we feel this matter should be handled personally through you rather than direct with the evacuee.

Kindly advise us as soon as possible what success you are having in the conversion of this car and when the transactions have been completed, please return the forms properly executed together with the ownership certificate properly endorsed on the reverse side on lines 1 and 2.

REFERRED BY MR. EVERSON

TO MR. _____

926 West Willow Street
Stockton, California
September 17, 1942

By Registered Mail

Mrs. Misao Nozawa
8-140-B
Stockton Assembly Center
Stockton, California

Dear Mrs. Nozawa:

You will find enclosed herewith your savings account pass book No. 5287 issued by the local Hunter Square Branch of Bank of America, in which the following entries have been made by the bank since you gave the book into the writer's possession:

| | | |
|---|---|---|
| June 30, 1942, | Interest credit | $11.12 |
| June 29, 1942, | by Mrs. Breckinridge | 35.00 |
| Aug. 19, 1942, | " " " | 35.00 |
| Sept.15, 1942, | " " " | 50.00 |

The above entries bring the balance of the account to $2043.35 .

Mrs. Breckinridge, who entered into an agreement with you whereby she is now occupying your former location at the St. James Hotel and is renting your hotel furniture at the rate of $35.00 per month, affirms that she now feels certain of her ability to maintain future payments without becoming delinquent. In making yesterday's deposit of $50.00 to the credit of your account she is still owing $15.00 to complete payment for the current month. She states that this item will be paid up with the October installment.

With reference to your request that Bank of America act as trustee for you, Mr. Rossi states that he would prefer your placing that duty in the hands of a reliable real estate firm, however we have asked Mr. T. W. Thomas to write to you and outline the terms under which he could serve you in that direction. We suggest that you consult Mr. Y. Agari at the Center and ask his opinion of the qualifications of Mr. Thomas.

Very sincerely yours,

Nucleus Savings & Loan Association has a Japanese American citizen tenant of land. The equipment on the land is owned by generally licensed Japanese alien and is valued at about $3,000.

They are going to pay the tenant for the labor he has in the crop, amounting to about $300, and all rent he has paid on lease to date, which satisfied him, and are paying a reasonable price (around $3,000) for the alien's farm equipment.

Mr. Miller wants to be sure he can deal with alien, and after discussion has decided , while not necessary, to take all parties before Mr. Campbell at San Jose to let us know formally that the deal is satisfactory to the evacuees concerned.

Mr. Miller assures us that they are treating evacuees fairly in all their dealings, overlooking the prejudice placed on evacuees in such dealings on account of the evacuation time limit.

I understand that it is now possible to have some of our boxes, stored for us by you, sent to us.

I do not want all of our goods sent as there is no room, living as we are, five people in one room. But, if possible, I would like to have my sewing machine marked #2 (greyish white box).

Our goods are stored at 208 Third Ave. So., Seattle, according to your notice sent May 1, 1942.

Please advise me on this matter. Thank you for the kind attention.

Dear Sir:

I contacted Mr Chas. Nishi at the Fresno Assembly Center this afternoon and received the following information. Mr Nishi says that his Father and Uncle, Y and S Nishi respectively operated what was known as the Capital Basket Company. That they were doing business with the Perry Veneer Company of Bandon, Oregon who they owed around $400.00 plus about $200.00 on a machine. Mr Nishi states that he wrote the Company asking that they endeavor to sell the machine for them prior to evacuation and give his Father and Uncle whatever was left after clearing up the account, but that he never heard from them until recently when they wrote saying that they wanted to sell the machine and asking that he forward the key to his warehouse where it is stored with a lot of other equipment to the Federal Reserve Bank or someone else whom he could trust to get same out for them.

Mr Nishi says that he is writing Mr Reed our Sacramento Representative to-night for his advice on the matter.

Yours very truly

SUBJECT: Spot check inventory of Santa Barbara warehouse

On July 28, 1942 Major V. E. Maston and R. E. Mansell made a physical inventory check on miscellaneous lots stored within the warehouse at 1020 Chapala Street, Santa Barbara.

Among the lots inventoried was that pertaining to George Nishimura, Family Number 14086. Form WRA-2 lists nineteen articles. A physical check shows only seventeen articles were present. Surrounding lots were scanned in an endeavor to locate the shortage but no trace of the two missing items were found. There is a possibility that these two articles which are now missing may be located within some other lot when all lots in the warehouse are cleared out.

Dear Mr. Armstrong,

This morning I received a special mail letter stating that my father-in-law:

Takeichi Miyata, interned at Bismarck North Dakota. Room 33-N, Box 300. Area 2.
Formerly of 113 S. El Dorado St Stockton, California.

is critically ill and confined at Hospital in Bismarck, N. D.

Immediately upon this notice I went to see Mr. George Greene of this Assembly Center, who is taking charge of this type of request & consented to me to write

to you direct, so that permit can be obtained to make special trip to see him, and return immediately after completing my business.

While I was in San Francisco, you were kind enough to see many request completed, especially regarding the homes of the Japanese evacuees in Berkeley, therefore I took this liberty in writing to you to-day, in the hope that you might be able to contact, possibly, Colonel Karl R. Bendetsen and grant me a special permit to visit my father-in-law.

This is an unusual request, I am sure, but if you can spare your valuable time to fulfil this desire, I shall be more than grateful to you.

Yours very truly

FROM MR. AGNEW

March 26, 1942

REFERRED BY MR. H.D. ARMSTRONG

Re James T. Nishimura vs Growers Rice Milling Company, et al.

REFERRED BY MR. H.D. ARMSTRONG
TO MR.
MAR 26 1942

Pursuant to the suggestion contained in your memorandum of March 24, 1942, I have interviewed Mr. William B. Acton, representing the plaintiff, and Mr. Marshall Leahey, representing the defendant, and have obtained from each of them an oral statement of their respective contentions. I have also examined the letter dated March 21, 1942, addressed to your office by Mr. Acton.

In answer to the contentions made by Mr. Acton in his letter of March 21, the defendant alleges that as of January 1, 1941, Nishimura agreed with Mengola that he would perform services in selling rice on a straight drawing account basis of $50 a week and that at that time it was agreed that Nishimura would not receive any further commissions on sales. Commissions then due Nishimura were paid during January 1941, but during the remainder of the year no commissions were paid because none were due. It is admitted that Nishimura repeatedly requested an accounting and that Mengola and the other officers of the rice milling company repeatedly stated that no accounting would be made because the drawing account covered full compensation. There was no written contract, no witnesses to the arrangement, and no statement of account has ever been prepared.

It is my opinion that, regardless of the merits of the contentions made by the respective parties, a meritorious dispute exists, and that this case is not one in relation to which freezing control should be exercised. I have so advised Mr. Acton by telephone. He stated that he appreciated our interest in the matter and could see the propriety of our position. He also agreed with me that, if his application for the appointment of a receiver was meritorious and was granted, such proceeding would fulfill substantially the same office as a freezing order. I believe that you can close the file in this case.

MEMORANDUM TO: MR. AGNEW

SUBJECT: James T. Nishimura
vs
Growers Rice Milling Company, et al

Attached is a letter addressed to us by Mr. Nishimura's attorney under date of March 21, 1942, which is self-explanatory.

Nishimura is asking us to assist him in making a settlement with the defendant who is represented by Mr. Marshall Lahey of this city. Obviously Mr. Nishimura's position is not a particularly clear one, but he reports that the parties have come very close to settlement on the basis of $5,000 to Nishimura, together with the assumption of other indebtedness looking toward a total settlement of $8,000. Negotiations were proceeding smoothly until this action was filed and have now broken down completely. Nishimura is moving for the appointment of a receiver although the motion has not yet been served.

The question arises as to how far we should proceed in affirmative assistance where the position of the plaintiff is not particularly clear.

It is believed that we would be willing to discuss the situation with the defendants through their attorney in the hope of pointing the road toward some equitable settlement, but would like your consideration of the matter for discussion.

Gentlemen:

JAMES T. NISHIMURA
vs.
GROWERS RICE MILLING COMPANY et al.

ATTENTION Mr. ARMSTRONG.

Pursuant to your suggestion at our conference Thursday forenoon that we reduce the substance of our statements to writing, we submit the following:

1. James T. Nishimura is an American citizen.

2. For some period of time he has been engaged in the rice business. In 1938 he entered into an agreement with GEORGE MENGOLA and GROWERS RICE MILLING COMPANY under which he was to purchase rice from the growers, sales were to be financed and profits divided equally between them. Nishimura was to receive a drawing account of $35.00 per week. The other parties provided him an office adjoining their's, together with telephone service, etc. At the beginning of 1940, the weekly drawing account was increased to $50.00.

3. No accounting has ever been made to Nishimura. It might be suggested that Nishimura's share of the profits about equalled his drawing account. However, the outbreak of the war in the Pacific suddenly shot up the price of all rice. At the time war was declared these parties had on hand 70,000 bags of rice. The price increased by $1.00 per bag. This resulted in an unearned increment of $70,000.00, - of which Nishimura was entitled to one-half.

4. Mengola, as President of Growers Rice Milling Company, when asked for an accounting, for the first time denied any agreement for an equal division of profits. We then filed suit for an accounting in our Superior Court.

5. We ask your office to assist us in preserving this American citizen's rights in this matter.

Respectfully,

Williams Acton

Principal property involved and scope of problem:
This is a case of litigation involving approximately 70,000 bags of rice of a value of $225,000 brought by the above against the Grimes Rice Milling Co., 503 Market St., S.F., defendant. Plaintiff's interest is $35,000 and his contract with defendants was apparently a verbal one in this case. Defendant has refused to give plaintiff an accounting and plaintiff is having suit for an accounting in equity and for the appointing of a receiver to safeguard his interests. The question is whether, in face of litigation, in the event the plaintiff has to evaluate, will the Federal Reserve Bank cooperate with him in protecting his interest and in enforcing his right in the property.

Action taken:*
Advised to take up the matter with his attorney to ascertain whether in case of necessity written depositions would satisfy the needs of the court and/or whether the absence of plaintiff from the trial would prejudice the case; also to request that attorney to address us as to the above points as well supplying pertinent data in re for the Bank's consideration.

Reference is made to your letter dated October 22, 1942 inquiring as to the availability for purchase of certain personal property owned by Miyako Nishimura.

We presume you know, or will be able to learn where Mr. Nishimura is now residing, in order that you may get in touch with him direct regarding the problem.

It would appear that Mr. Nishimura would be in position to conduct direct negotiations regarding the disposal of the property which is the procedure that should be followed, inasmuch as the property and its disposition does not come within the jurisdiction of this bank.

Dear Sir:

A Center residence, Mr. Katsu Nishio, asked us to consult you regarding his property at 1813-3-5 Sutter Street, San Francisco. 1818

I am attaching the letter Mr. Nishio sent to Mr. R. R. Zellick, of the Anglo California National Bank; wherein, you will see that the flat has been rented according to Mr. George Watson. The Anglo California National Bank mentioned that this house is still vacant. Mr. Nishio mentioned that he knew Mr. Watson very well and that the latter visits Mr. Nishio very often at this Center. According to Mr. Watson, the third floor has been rented in the middle of June; the second floor, the first part of June; the front part of the first floor to Mr. Watson; the back part of the first floor in the middle of June. It is apparent that the Anglo California National Bank appointed Tesluck Co., Real Estate Agent on Sutter between Fillmore and Steiner Streets, San Francisco, to take care of our property. The company does not disclose the entire business to the Bank.

Since our evacuation is set from September 15 to the end of September, I am hurriedly writing you to have this property looked into by you.

We appreciate your assistance in this matter.

Very truly yours,

Motoki Kudo

P.S. On August 30, Mr. Watson came over to see me and told me that he received rent for last two months from the tenant who is renting the back of the first floor. Mr. Watson added that he sent his own check to the Bank, attention of Mr. George F. Casey.

Dear Mr. Nishio:

We have your letter of the 25th, and hereafter you shall receive a statement from us at regular intervals with respect to your property.

As you have placed certain restrictions as to the type of tenant for your property, we have been unable to rent the vacant flats up to this writing. The only tenants available in the district are Negroes, and as more and more Negroes are moving into the district, it is becoming increasingly impossible to obtain tenants of the Caucasian race. In many of the flats and properties under our control, we have obtained satisfactory Negro tenants, and should you feel, at any time, you would be willing to rent to this class of tenant, just so inform us.

Mr. Watson is living in the room about which he spoke to you, and we had presumed that he was receiving the rent free in view of his services in looking out for your property to the extent of preventing any vandalism or damage. If you wish to write him in reference to a charge, we would suggest it be made not more than $5.00 to $7.50 per month.

Very truly yours,

Dear Sir:

I have heard through Mr. George Watson, who kindly visits us every week, that our house has been rented. Although I have been informed, I would like very much to have a specific report on this matter from you.

The only report that I have received up to date is on the matter of the war damage insurance. If it is possible, I would like to hear from you at least once every month or two months concerning my property at 1881-3-5 Sutter Street.

In addition to this, please advise me as to the amount I should charge Mr. Watson for his room in the lower front flat. Since he is looking after the house, as well as having done much for me in the past, I would like to give him a fair price.

Thank you for all the trouble you have gone through. Your kindness shall remain in my heart forever.

Hoping to hear from you soon, I remain,

Very truly yours,

Re: James M. Nishioka -

Confirming my conversation by telephone with you of today, Mr. Kessler has deposited with Home Title Company the additional sum of $6,800.00 (making $7,800.00 in all), and Mrs. Ryan and Mr. Everts, as Executrix and Executor of the estate of James P. Ryan, deceased, have stated that they will execute a consent to the assignment by Mr. Nishioka to Mr. Kessler of the lease entered into the 18th day of January, 1931, by and between James P. Ryan, Lessor, and James M. Nishioka, Lessee.

The Executrix and Executor have demanded that Nishioka execute and place in escrow a release of any claim against them or the estate of James P. Ryan, deceased. In other words, all of Nishioka's rights under the lease will be transferred to Kessler, and Nishioka acknowledges that he has no claim against the Executrix or Executor of the Ryan estate, or the estate itself thereafter.

We enclose herewith two copies of the release. We also enclose two copies of the Notice of intended sale, which was executed and recorded April 14, 1942.

Arrangements have been made for the required publication of the Notice of Sale in

the Daily Real Estate Report and Abstract of Records on this date. The date for closing the sale has been fixed for Wednesday, April 22, 1942.

Ryan the owner had a clause in his lease providing the cancellation of the lease unless the Theatre was continuously operated. Nishioka closed the Theatre on account of the curfew law, and Mrs Ryan spoke of cancellation. The lease also provides that any sub-leasing must be accepted by the lessee. Therefore when he attempted to sell she demanded $200.00 per month. Nishioka's buyer then refused the deal. I then called in Mrs Ryan and her attorney Thomas Lopes, with the result that Mrs. Ryan offered to pay Nishioka $6500.00 for his interests. I considered this a good deal and so stated - however the following day an attorney by the name of Leslie M. Kessler

Principal property involved and scope of problem: This evacuee owns 20 acres about 1 mile east of San Juan, irrigated land, improved with buildings in which he lives with his family. Bought in 1936 for $8,750. He paid down $800 with about $600 a year payments with 5% interest. This place was purchased through the State Veterans Welfare Board. This was bought under the 20-year payment plan so there is still about $7,000 due in the remaining 14 years. Nishita is negotiating a lease for a cash rent of $675 a year but has not definite tenant yet. He will report in as soon as he gets something definite. He plans to sell his growing crops to the new tenant. Payment for this year has been made.
Nishita was leasing other lands and he has sold out his interests in the growing crops and leases with the approval of the F.S.A. agent. Also his engines and equipment.

Action taken:* Told him to be sure and leave P. of A. with someone and to look after his property and leases and crops while he was away and he said he would do so either with John T. Lewis, an attorney or Wright a broker at Hollister, preferably the former. Told him to be sure and report here as soon as he had completed his proposed lease and in any event to keep us posted and advise us when P. of A. was in effect and to whom it was issued.

Gentlemen:

Attention: Mr. R. F. Myers

This is to certify that we have known KAICHI NISHITANI since April 27, 1933, at which time he opened a margin account with us. The ledger sheet of the account shows a continuous balance until May 6, 1941.

During this period transaction bills and monthly statements were mailed to him, first to 1396 O'Farrell Street, and later to 1703 Buchanan Street. Our records do not show that his mail was undelivered or returned to us unclaimed from these addresses.

It is our understanding that Mr. Nishitani works by the day as a laundry boy in private homes in San Francisco.

Referring to his letter to us dated January 6, 1942, a notarized copy of which is attached: The statements made therein are, to the best of our knowledge, correct.

✓ Follow-up on reports of March 18, 1942
March 30, 1942

Principal property involved and scope of problem: Applicant states:

He has followed suggestions regarding contacts for the disposition of his drug store but has not been able to conclude any deal. The wholesale houses will take back a certain amount of stock in unbroken packages, and he has contacted friends in El Paso in regard to securing a position there. In case he is able to do so he wants to know whether he might secure a special permit to proceed to the new location.

Action taken:* It was suggested to Mr. Nobe that inasmuch as the time for negotiations is getting short that he telegraph his friends in El Paso, among whom is a doctor, and see if a definite arrangement for a job can be made, and, if so, the Provost Marshal in San Francisco might review the circumstances with an idea of giving consideration to a special permit to proceed to El Paso. Applicant has agreed to report to this office immediately upon hearing from his telegram to El Paso.

Moriye Nobori has a lease on a store at 2597 - 35th Avenue, Oakland, to Sept. 15, 1942, at a monthly rental of $50. His brother, Bennie Nobori, operates the store for him, and has sold the fixtures and stock and moved out of the building. He owes his landlord one month's rent of $50 and had refused to pay. Mr. Arthur C. Oppenheimer, the landlord, asks that we assist in collecting the $50 rental.

Action taken:*

I pointed out to Nobori that he was obligated to pay the $50 rent due Mr. Oppenheimer and suggested that he call on Mr. Oppenheimer and agree on some method of payment. Nobori agreed to do this and Mr. Oppenheimer's secretary telephoned this office that an agreement had been reached and expressed Mr. Oppenheimer's thanks for our assistance.

Principal property involved and scope of problem:

Nobori sold the stock and fixtures of the grocery store he has operated at 1626 Grove Street to Wayne Rounseville for $500. After the sale was completed, Nobori added to the stock of the store groceries and other goods on which he placed a valuation of $57.75. Rounseville claims that he did not authorize this addition to the stock of his store and he refused to pay the $57.75 stating among other things that his rent had been increased $5 a month over the amount which Nobori had been paying and further that the Oakland Health Dept. through Inspector MacGrath had required Rounseville to make certain improvements in the store. My investigation showed that Nobori had secured a surplus stock of groceries from his brother's store at 2507 - 35th Avenue and had placed them in Rounseville's store without definite authorization from Rounseville.

Action taken:*

The matter was settled by Rounseville paying Nobori $15.

FISCAL AGENT OF THE UNITED STATES

May 4, 1942

Federal Reserve Bank of San Francisco
Evacuee Property Department
500 California Street
San Francisco, California

Attention of Mr. Herbert Armstrong

Dear Mr. Armstrong:

I am enclosing herewith my Interview Report with Miss Taeko Noda of April 8 also a copy of exclusive sales contract of Portal and Lorigan.

Last week Mr. Lorigan informed me that he was instituting a suit against Miss Noda for a commission as stipulated in his contract with her. An answer must be made to the court by Miss Noda by the end of this week.

It is evident that Mr. Lorigan does not wish to stand by his word, formerly given to Miss Noda, that she would be released from the agreement. I consider that he has taken undue advantage of her immature years and lack of business ability.

I have had conversations with both of the real estate agents, The Title Insurance Company, and Miss Noda, and I am unable to induce them to come to any settlement in this matter. In my opinion, I think that an inquiry into the motives and the good faith of these agents should be investigated and consider the assistance of the Foreign Funds Control Investigative Unit of the Treasury Department is required.

Very truly yours

Dear Sir:

Reference is made to your letter of April 7th, requesting advice as to the disposal of certain property owned by Mr. Joe Matsumura.

We would suggest that either you or Mr. Matsumura communicate by letter with a representative of the Farm Security Administration in the Sacramento office, which is located at 1330 "J" Street, Sacramento.

In discussing your problem it would seem reasonable to suggest that an attempt be made to find a tenant who would be agreeable to absorbing the taxes out of his rental payments or some other plan of a similar character.

Very truly yours,

Assistant Cashier

That certain 20 acres located on west side of Nawaiz Avenue south of Hillsdale Avenue being lots 10 and 11 of Pearl Ranch Subdivision #2.

Including all furniture and fixtures subject to existing loan of approximately $5000.00 balance to be payable in cash.

It is understood furniture referred to does not include personal effects or bedroom furniture and furnishings.

Sold by Realtor Borge for $11,000.00, commission 5%.

Problem: Lorigan, another broker who holds an exclusive authorization to sell the property, now demands a sales commission of 5%, although he at no time produced a buyer. Before turning the property over to Borge to sell, Miss Noda went to Lorigan and asked to be released from the agreement and according to her understanding, he told her to sell when and as she could.

Action taken:*

I advised her to go to her attorney, Mr. Ed Rea, and get advice. This she did. Mr. Rea told her to do nothing and pay Lorigan nothing.

After a conference with Realtor Borge arranged for Lorigan to return $ 150.00 of the commission paid by him to Miss Noda, paid to Mr. Rea and he went to Lorigan and settled with him

REFERRED BY MR. H. D. ARMSTRONG
TO MR. Burlingame
APR - 8 1942

Dear Sir:

Mr. Joe Matsumura have a property in Esparto, Calif. recorded at Woodland, county seat of Yolo County. Because of rigid curfew and travel limitations he cannot go to Esparto to settle his property.

His property is clear of debts excepting for 2 years of taxes which are not paid amounting to about $100.

He would like to keep his property if he could get a government loan to cover his taxes for the duration of the war and repay the loan after the war.

He bought the property for $7,500 and if he sells it now; he would be able to get only a small amount.

He wants to know, how he can have his property arranged so he doesn't have to sell at a sacrifice.

cont'd - Page 2

Mr. Matsumura is unable to raise enough money to cover the taxes. If the taxes are not paid for five years the state will take it over and auction it for delinquent taxes.

He wishes to mortgage the property over to the government for a sum of five hundred dollars; meanwhile during his absence the government might find someone to rent his property in farming or sell it at a reasonable sum. I presume valuation of land around Esparto can be found out by consulting the bank around that district.

I like to know if it could be arranged this way, would appreciate an answer immediately.

Perhaps it would be a good idea to let the Yolo County Loan Board into this matter.

Yours Truly
George Noda Jr.

Nogami- Petersen Tractor & Equipment Co. Involving Catapillar #15 tractor. As suggested by Mr Borden by phone:- I appeared before the local War Board today at 2;45 P.M. Members present:- Perkins, chairman; Young, Haines and Rodgers. Also present Geo Buckley, local manager of Farm Security Board. Read the report which I had previously (4/2/42) submitted to San Francisco, Federal Reserve bank offices, to give them a clear picture of entire matter involved.

After only a short discussion Mr Perkins (chairman) stated in his opinion the deal as now set up should under no circumstances be allowed; all other War Board members concurred, expressing quite indignantly their resentment of the low offer by the Petersen company. They all felt tractor should be frozen, pending fair offer to Nogami by someone. Consideration was given regarding the other 16 condidional sales contracts covering tractors owned by Petersen and sold to other Japanese; their opinion here being the same as above, should further trouble develop in any of the 16 remaining contracts. Recommendation of local War Board has now been given- and in no uncertain language. Matter still is at an impasse. Nogami is expected back at this office again tomorrow. Hayward FRB office ready and anxious to bring situation to a conclusion; too many other possible troubles resting in remaining 16 contracts to allow this one to drag on much longer. Please let me have what instructions you wish to give; also I will forward any other information promptly which you may want.

Principal property involved and scope of problem:

Nogami owns a Catapillar Tractor #15, purchased November 18 1941 from Petersen Tractor & Equipment Company of Hayward, bot under conditional sales contract; total amount of contract $986;15. Cash down payment of #350:00 was made at time of purchase, leaving an unpaid balance of $636;15 payable in monthly instalments of $35:35 each; 4 of these monthly payments have been made to date bringing purchaser's equity to $491:40; interest on unpaid balances is charged at the rate of 7%. Note is now discounted to Crocker National Bank of S.F. at 5%. All payments are paid to date. Nogami has tried to negotiate a deal with the tractor people and has received a cash offer of $150:00 for his $491:00 equity. ( I have confirmed this). Nogami has used the machine only 7 days; and Petersen people admit it should be worth now about $950:00. Nogami states other possible buyers seem to know tractor firm's bid and these others offer only $175:00 for equity. Nogami's position boils down to this: Will sell, but not for $150:00, wants tractor when he returns, and failing to close a better deal tells me is going to apply for a freezing order, as he considers the $150:00 offer far too low. I have tried for 2 days to help them find some other buyer, but

Action taken:* no luck so far.

The tractor firm I find from local bankers stands very high in this community. Had a lenthly talk with Mr Price, tractor firm manager, yesterday afternoon at his offices. Tried to get him to say whether he thot his offer was fair; says in his opinion it is. His firm has 16 other contracts with local Japanese, and of course this Nogami contract will be used as a yard stick for any dealings with other Japanese under contract to his firm. A 20% profit was included in the $986:00 price to Nogami. Nogami just left these offices promising to try newspaper ads and to use his best efforts to sell to other people. (Tractor firm naturally has to approve credit standing

of any buyer who takes over contract). Price reaches his $150:00 offer in the following manner:-

$495:00 Petersen equity in Tractor
10:00 Hauling cost into town
75:00 Repainting & repairs to resell
190:00 Profit on next sale.
150:00 Cash for Nogami equity.
$920:00 Cost of tractor to another owner.

Both parties seem to have taken a firm stand in their positions, and of course there is no agreement. Tractor people will not go up and Nogami# will not come down, at least not very much. Nogami keeps bringing up the freezing idea; and I have done my best to get him to do something for himself instead of requesting a freezing order. He will be back again tomorrow. Meanwhile what ideas have you over there to help me crack this one?

Gentlemen:

I have a few of my furniture stored in a government warehouse located at 5800 So. Hoover St., Los Angeles. Will the furniture stored in this warehouse be sent to the Relocation Centers without requests from the storers?

The reason I asked this is that other people have received their furnitures without requisitions. I understood it as if we needed our furnitures, we would have to sent in a request.

I would like to have my furniture and etc, left in this warehouse for the duration for our room is too small to place all of the furniture in it. I would like to know if it can be possible. Will be waiting for your earliest reply.

Yours very truly.

He has disposed of his equity in his Ford car to Mr. W. Winston, 3021 Adeline Street. Also, that he has sold a refrigerator and stove and has arranged for private storage for other furniture.

He has arranged with the Prudential Insurance Company to collect certain outstanding obligations due him and apply amounts toward his life insurance premiums. He is also arranging with Mr. W. Winston (above) to leave ten sewing machines for sale on which they will make a mutual agreement as to split on profits. Collection of his interest will be made also by the Prudential Insurance Company and applied on his premiums. He has discussed with Mr. Leggo, Manager of the Dwight Way Branch, Bank of America, regarding note which he co-signed with Suichi Akiyama, and has made an arrangement with Mr. Akiyama whereby monthly payments to the Bank will be satisfactorily met.

We have the subject's letter dated June 24th stating that our drayman neglected to pick up a washing machine at his home address, P. O. Box 333 B Street, Walnut Grove, California.

It appears that this oversight occurred because the washing machine was not picked up at the same time his other furniture was removed. The evacuee was told by the drayman that he would be back for it the next day but it now seems he failed to return.

We are further informed that Mr. Tony Chargrin of Bank of Alex Brown, Walnut Grove, has power of attorney for this family. Through him will you try to locate the washing machine and have it placed in storage at the Sacramento warehouse.

LOS ANGELES August 7, 1942

Evacuee Property Department - Isamu Noguchi

Your letter dated July 7, 1942.

We have received a communication from War Relocation Authority dated July 24, 1942, a copy of which is enclosed for your information, with which was transmitted a letter from Wade Head, Project Director of the Colorado River War Relocation Project, dated July 20, 1942, enclosing three sets of WCCA Form FRB-3 and WCCA Form FRB-4 signed by the evacuee, tendering his 1942 Ford-8 Station Wagon for sale to the Army under Alternative No. 2.

A copy of Mr. Head's letter and one set of the forms are likewise enclosed.

You will recall that Mr. Head had previously expressed a desire that the vehicle be purchased by the Army and arrangements made to allocate the vehicle to the War Relocation Authority so that it may be retained at the Poston Relocation Center.

While it is a somewhat unusual transaction, it appears that it can be accomplished. We have given consideration to the procedure which would be involved, which appears to be as follows:

1. A letter should be directed to the evacuee advising him of the fact that his car will be purchased under the Army purchase plan for its appraised value, which we understand from your letter of July 7, 1942 is $760.

2. We should obtain the registration and ownership certificates from the evacuee, duly endorsed, and the license plates should also be surrendered. If the registration and ownership certificates and the license plates have been issued by the State of New York rather than from either California or Arizona, as may be the case, some difficulty might be presented in completing the details of the transfer, and we are wondering if you can provide us with any information on that score.

3. Upon receipt of the duly endorsed registration and ownership certificates and the license plates, we will prepare our Form EPM-10 for receipt by the Army locally, and they will make arrangements to allocate the vehicle to the War Relocation Authority.

4. Upon execution of Form EPM-10, we will issue our check to the evacuee.

5. At no time will we actually take possession of the vehicle.

It is our thought that the details of the issuance of check and transaction with the Army should be conducted locally, due to the unique character of the transaction, but that the preliminary details should be handled through your office in view of your greater familiarity with the matter.

We are enclosing a draft of a suggested form of letter to Noguchi, with the suggestion that a similar letter be forwarded on your letterhead if you are in accord with the substance, and we might also suggest that a copy of the communication be provided Mr. Head.

When the necessary documents and license plates have been received, please forward them to this office for disposition.

# INSTRUCTIONS TO EVACUEES REGARDING DISPOSITION OF MOTOR VEHICLES

★

Evacuees will not be permitted to take their motor vehicles to reception centers. No assurance whatever can be given that evacuees will be enabled at some future time to have the motor vehicles now owned by them returned for their individual use.

The United States Army is authorized, in its discretion, to purchase motor vehicles from evacuees.

Prior to evacuation, motor vehicles may be stored, sold or otherwise disposed of by the owner privately, without governmental interference or assistance.

## ALTERNATIVES OF STORAGE OR SALE

The other alternatives presented to the evacuee who owns a motor vehicle are as follows:

*Alternative 1.* To deliver his motor vehicle to Federal Reserve Bank of San Francisco, as Fiscal Agent of the United States, for storage at the owner's risk, without insurance; which storage will, in most instances, be in open areas (at Assembly Centers or other designated places) and must of necessity be of a character which will subject motor vehicles to a more or less rapid deterioration.

*Alternative 2.* To offer his motor vehicle for sale to the United States on the following basis:

The motor vehicle will be appraised by two disinterested appraisers and, in its discretion and at its option, the Army may buy the motor vehicle at the appraised price which shall not, however, exceed the Blue Book wholesale value in the locality where the purchase is consummated.

## PURCHASE OF MOTOR VEHICLES BY THE UNITED STATES

A. *If the evacuee is* NOT *the legal owner of the motor vehicle,* in order to arrange for a sale to the Army, he must present to the Federal Reserve Bank of San Francisco, as Fiscal Agent of the United States, at the Civil Control Station, or such other place as may be directed, the following:

1. Registration certificate, duly endorsed.
2. The agreement on the reverse hereof, duly signed and witnessed.
3. Such other authorization and assurance as may be required by the Federal Reserve Bank of San Francisco, as Fiscal Agent of the United States.

In case the evacuee is not the legal owner, it must be clearly understood that if the indebtedness against the motor vehicle is equal to or greater than the appraised value so that the evacuee has no equity, *no sale to the United States will be consummated.* In such an instance the right of any creditor to repossess or recapture, as provided by law, will not be resisted by the custodian of the motor vehicle.

B. *If the evacuee* IS *the legal owner of the motor vehicle,* he must, in addition to the foregoing, present the ownership certificate, duly endorsed.

## DEFINITIONS AND CONDITIONS

Included in the term "motor vehicle" are the following:

1. Passenger cars, light and medium. Heavy passenger cars in order to come within the purchasable category must be classed as "medium", as the Army is not authorized to purchase any "heavy" passenger cars.
2. Motorcycles.
3. Busses and trucks of all types, including pick-up and delivery trucks; and tractors, including semi-truck tractors.

It is not intended to include within the term "motor vehicle" those self-propelled motor vehicles suited only for farm operation.

In the event that the sale of any motor vehicle is not completed or appears not feasible, the Federal Reserve Bank of San Francisco, as Fiscal Agent of the United States, acting for and as agent of the evacuee, reserves the right to store such motor vehicle at the owner's risk, as above set forth, or to make such other disposition of such motor vehicle as may, in its sole discretion, appear to be just and equitable, including the right to permit the legal owner of such motor vehicle to take his legal recourse for repossession or otherwise.

It is intended that the above procedure will provide a feasible means of protecting the interests of evacuees in their motor vehicles, without prejudice to the interests of others therein, and thus will effect an equitable disposition of such property.

WCCA FORM FRB-4

# Agreement Regarding Disposition of Motor Vehicle

★

THIS IS TO CERTIFY that the undersigned has read and understands the instructions on the reverse hereof regarding the disposition of the motor vehicle described on WCCA Form FRB-3, [to be attached hereto and incorporated by reference herein if this Agreement is signed] which the undersigned has signed concurrently herewith.

Said instructions and those on the reverse of WCCA Form FRB-3 are a part of this Agreement.

The undersigned desires to dispose of the aforesaid motor vehicle according to Alternative No. 2 set forth on the reverse hereof, and requests the Federal Reserve Bank of San Francisco, as Fiscal Agent of the United States, to act accordingly. If the accomplishment of the alternative herein selected appears to said Bank, in its sole discretion, impossible or not feasible, said Bank is authorized to make such other disposition of said motor vehicle as it deems proper.

Said motor vehicle is delivered to said Bank at the sole risk of the undersigned, and it is agreed that no liability or responsibility shall attach to said Bank for any act or omission in connection with the handling of said motor vehicle or disposition of the proceeds thereof.

The undersigned further agrees, upon demand, to reimburse the Federal Reserve Bank of San Francisco, Fiscal Agent of the United States, in full for all charges and expenses incurred in connection with the disposition of said motor vehicle, and authorizes and instructs said Bank to deduct from the proceeds of the sale of said motor vehicle any of such expenses incurred.

Your recollection concerning our previous discussion regarding the possible purchase of the 1942 Ford Station Wagon owned by a Japanese at Poston, Arizona, is correct.

Under date of June 15 the car was appraised at a valuation of $760.00, calculated on the blue book wholesale value of $790.00, less cost of reconditioning of $25.00.

Evacuee Property Department - Isamu Noguchi

You will recall our previous discussions with respect to the possible purchase of a 1942 station wagon owned by Japanese situated at Colorado River War Relocation Project, Poston, Arizona.

It is our recollection that the vehicle was appraised by your representative, at a value below Blue Book and in excess of the $750.00 price limitation, which may be still in effect, although we are endeavoring to obtain current information from Military authorities. We understand that the owner of the vehicle may not be technically an evacuee, in as much as he went voluntarily to the relocation area from outside Military Area No. 1.

When this subject came up a few weeks ago, we indicated to the War Relocation Authority representatives here, that we considered the purchase of the vehicle not feasible under the circumstances, and heard no more from them. The subject has again been raised, in as much as Mr. Head, Director of the relocation project, appears still to be interested in the purchase of the vehicle.

We do not appear to have a file on the subject, and in as much as it is now somewhat vague in our recollection, it will be appreciated if you will write us the facts in this case, for futher consideration

Mr. Minoru Nojima

Dear Sir:

In re: Minoru Nojima
vs. Pacific Fruit Exchange

This is to inform you that the undersigned called at the office of the Pacific Fruit Exchange in Vacaville and interviewed Mr. Howard Rogers, Jr.

Mr. Rogers stated that all the correspondence which was sent to him regarding this case had been forwarded to Mrs. E. G. Richards, Secretary of the Company, 85 Second Street, San Francisco. Mr. Rogers further stated that it was his understanding that you were working the crops on shares; that when the orders of evacuation had become effective an agreement was reached whereby you were to be given an allowance for the labor that you had performed up to the time of such evacuation, and as a fair and just figure the parties had agreed that 40¢ per hour would be a just allowance. In your case 875 hours had been agreed upon and a sum in the amount of $350 was to be paid you when the harvest was completed and the records had been adjusted.

In view of this, the position of Mr. Rogers is that there was no contract of employment and that this Division is without jurisdiction to proceed further with your claim. We are, therefore, referring this case to our Legal Staff with the suggestion that they contact Mrs. Richards and have a clear understanding in your case as we believe other cases will be filed predicated upon the same facts. Just as quickly

as our attorneys have further information in the matter, you will be informed accordingly.

Very truly yours,
