Mr. T. H. Yago  
5104-A  
Tule Lake War Relocation Project  
Post Office Box 813  
Tule Lake, California

Dear Sir:

Reference is made to your inquiry of July 23, 1942 addressed to our former representative, Mr. McFarland of Sacramento.

A short time ago we received a check from the Sun Life Assurance Company of Canada for the Daijogo family, together with certain papers to be completed by them. In view of the legal character of these affidavits and the fact that we have not maintained a representative in the Tule Lake area, the matter was referred back to the Sun Life Assurance Company of Canada.

We suggested that the Sun Life Assurance Company carry on the necessary arrangements directly with yourself and the Daijogo family, or through a representative of their own choosing stationed in the Tule Lake area.

A copy of your letter of July 23rd has been sent to the Sun Life Assurance Company, with the suggestion that they contact you.

Very truly yours,

Assistant Cashier

IN ALL CORRESPONDENCE ABOUT POLICIES  
PLEASE REFER TO THEIR NUMBERS

Mr. Lincoln McFarland,  
C/o. W.C.C.A. Office,  
Lincoln, California.

July 20th, 1942.

Dear Mr. McFarland,

Re: Policy No. 1,606,659  
Teruo Daijogo, Deceased

We enclose our check for \$1,000.00 payable to Mrs. Kinuyo Daijogo, the beneficiary under this policy. We also enclose Discharge of Policy form in which is incorporated a form of indemnity to cover the fact that the policy is not available for delivery to the Company. We return Certificate of Identification which should be presented to the beneficiary.

According to our information on the application, the assured was born in Japan, October 12th, 1903. According to the evidence just submitted, he was born in Hawaii on that date and is a United States citizen. We have been asked to make sure that there is no question of nationality involved, that is to say that the interested parties are exempt, either because they are United States citizens or because they have resided in the United States since June 17th, 1940. We would appreciate having the enclosed declaration signed by the beneficiary to the effect that she has resided continuously in the United States since June 17th, 1940.

We are responsible to our Head Office for the securing of the two enclosed forms properly completed before delivery of the check. To save time we are sending the papers and the check to you, but would ask that you have the Discharge of Policy and the declaration form both signed by Mrs. Kinuyo Daijogo before releasing the settlement check.

Yours faithfully,

Branch Secretary.

Dear Sir:

In reviewing the license recently issued to you for the operation of your business, it occurs to us that you might be in an area recently designated by the Army officials which will possibly be evacuated in the near future.

If you are subject to the evacuation order and the license which you now have is not sufficiently broad to permit disposition of your assets or the complete liquidation of your business, we will be pleased to give immediate consideration to any application which you wish to submit.

Yours very truly,

Assistant Cashier.

*see letter of 6/17/42  
from Moody to bank.*

Mr. W. Coburn Cook,  
~~Berg Building~~  
Turlock, California.

Dear Sir:

Attention: Mr. Gilbert Moody

File  
Reference is made to your inquiry of June 17, 1942  
concerning one Takashi Date formerly of Turlock, California.

Our files disclose nothing concerning this evacuee which would indicate that he had sought our assistance concerning the sale of any equipment nor that he is a blocked national which would complicate such a sale as you indicate. We must, therefore, conclude that your informant was in error in stating that we had in any way entered into or blocked the sale of the threshing machine. We would suggest, if you propose to go ahead with the sale, that you ascertain from his bankers whether the account might be blocked. If such is the case, they will be able to inform you as to the method of procedure in such sale.

Please be advised that the evacuees have lost none of their civil rights by virtue of evacuation.

Yours very truly,

  
Assistant Cashier.

Re: Takashi Date, Route 1, Box 375  
Turlock, California

*Untraceable  
11-15-42*

I represent this American born Japanese who is now in the Merced Assembly Center. Some time before going to the Center he gave me a bill of sale on a certain Case Threshing Machine so that I might conveniently handle the sale or use of the machine in his absence, and he has now instructed me to sell it for him.

In trying to arrange a sale I was informed that at one time he had a sale arranged to the Turlock Peanut Growers for the sum of \$800 but that the Federal Reserve Bank refused to permit the sale, contending that \$850 was the lowest price that should be paid for the machine. I am wondering if there is any truth to this and whether or not the machine's sale is blocked, because it does not appear that the machine can now be sold for more than about \$800.

Your reply will be appreciated.

Mr. L. G. Dawson,  
Chemult, Oregon.

Dear Sir:

This will acknowledge receipt of your letter dated March 12, 1942, relating to your interest in the purchase of a small garden or fruit ranch.

For the purpose of clarifying your understanding of our position, we might say that we are not acting in the capacity of Alien Property Custodian, which office has otherwise been filled, but are endeavoring to lend full assistance to the evacuees in advising and assisting them in matters relating to the equitable disposition of their properties in connection with the evacuation program.

We are forwarding to the Portland, Oregon Branch of the Federal Reserve Bank a copy of your inquiry and our reply thereto, so that they may be conversant with your interests in the event you should find it more convenient to communicate with them in the future.

We will be pleased to hold available in our files the fact of your interest and will communicate with you should occasion present itself.

Yours very truly,

R. E. E. @

Gentlemen:

In the final round up of alien farms for sale I would be interested in a small garden or fruit ranch, I doubt very much if the Japanese will ever be allowed by the people to settle back on the coast again, they have been too much of a thorn in the side of California farmers and working men.

Its probably too early now to know what will be up but you could keep me on your prospective list.

Respectfully yours.

Any how I want my money sent to me because I have no other account to transfer it to.

 and I get together and made power of attorney and  
 gone to Mr. Fairbairn. He I know him for long  
 time and he is working for government as tax man.  
 He lives about 1/4 mile from my house. I think you  
 sent a letter to your office about this affair before.  
 May 5th I went to your office and talked to a man  
 from Federal Reserve bank of San Francisco.  
 He sold Chevrolet sedan - 1937 - in greatable ~~place~~  
 which belong to Mrs. J. Dequachi. Ford 3/4 ton  
 truck - Mr. J. H. Fairbairn, my agent, is going to  
 buy. V. G. Ford, Mr. J. H. Fairbairn is going to  
 watch it for the duration.  
 So far we are handling our affair O.K.

When I get into or get into difficulty or trouble,  
 I will go to ask your help again.  
 Again I thank your kind helping.

Mr. W.E. Mahoney  
Federal Reserve Bank  
Fourteenth and "J" Streets  
Sacramento, California

Dear Sir:

You asked me to give you information concerning one Tsuneo Deguchi, Route 2, Box 2995, Sacramento, California:

About November, 1940, Mr. Deguchi placed an order with us for a "Caterpillar" 15 tractor, Killefer disc and Killefer combination unit, the total sale, including sales tax, amounting to slightly over \$1400.00. By December, 1941, he had paid this contract down to \$627.00. After the down payment of \$360.00 the first payment was due July 1, 1941, in the amount of \$350.00 of which he paid one-half promptly, the other half being carried forward to November. On December 1st another payment of \$350.00 fell due, and this is still past due.

We wrote Mr. Deguchi some letters, sent him notices and made four or five calls out there endeavoring to find out what could be done. We received a very odd story concerning relatives coming back from San Francisco, and we left an invitation for him to come into the office and talk things over. Nothing having happened, and he having failed to present an appearance, on March 24th we sent our truck out and picked up this equipment, and on March 25th he came into the office. Mr. Pahl's memorandum of the conversation at that time is as follows:

"Came in to see why we picked up their tractor, disc, etc. Explained to them that they did not keep their promises and we picked it up so they would come in and get their account in shape. Will be in soon and advise what can be done. Told them we would hold the equipment for 30 days."

What can be done from now on to reinstate Mr. Deguchi remains up to him; we are willing to work things out with him, but his record has not been good even going back as far as July of last year, and since December 1st when the other note fell due has been considerably worse. Under the circumstances we felt there was nothing else for us to do to protect our interests,

*W.E. Mahoney*

Page Two

and we have given him a chance to work out the balance of this contract; however, he must very definitely convince us that he is making a sincere effort to do so, and make some payments, or the equipment remains re-possessed.

Trusting this is the information you desire,

Yours very truly,

WEAVER TRACTOR CO.

Attn: Evacuee Property Department

REFERRED BY MR. H. D. ARMITAGE  
TO MR. *Evers*  
MAY 10 1942

Gentlemen:

On Saturday, May 16th, one of the families to come before my desk in Gilroy was a Filipino named Sebastian Dequin married to an American-Japanese woman named Haru with a United States born 3 year old son named Dan, the family number being 30,556. The Filipino was middle-aged and the Japanese woman was quite young and apparently without friends among the Japanese people.

The Filipino husband insisted that he must go into the camp in order to take care of his wife and child and of course, this was arranged for him by his signing a declaration and a waiver at the desk of the Army's representative, Lieutenant Morrison.

The Filipino did not wish to go to camp nor did he wish his family to go there, which was natural. He wanted to know could I do something to help him? He is a very small lease farmer near Gilroy.

We had not had a case like this before and neither had the camp manager in Salinas. The lieutenant did not seem to think anything could be done about it so I telephoned first to the Provost Marshal at San Jose then to the Presidio in San Francisco. I finally talked to Major Steele there who said that there was no present method of making exceptions for the evacuation of the Japanese now in the area and that if the husband wished to go, he had the right to do so with the Army's permission which could be obtained by signing the proper papers.

This decision was communicated to Mr. Dequin and we also notified the camp manager here, Mr. E. A. Rose, that this mixed family was coming so that he could make the best arrangements possible under the circumstances, as he had asked us to do so.

Gentlemen:

One of my clients, a farmer in Suisun Valley, is in possession of an automobile left in his possession by a Japanese upon the latter's evacuation.

It was understood between the parties that the automobile should be used by the farmer at his discretion in consideration of his keeping the same.

I am writing, therefore, to determine whether or not your Department has any objection to such an arrangement and, also, whether you would object to a transfer of the title to the Vehicle in the future should the occasion arise.

March 28, 1942.

Mr. Felice Di Prospero,  
801 Silver Avenue,  
San Francisco, California.

Dear Sir:

Relevant to your letter of March 23rd informing us as to your alien status and property problems, we would suggest the following procedure:

Presumably, most of your business relationships are with the Bank of America and we feel that as they are conversant with your affairs and have dealt with you in the past, they would be a more appropriate agent to expedite any problems that you may have, than the Federal Reserve Bank. If, in your opinion, there is another bank or business organization with whom you have dealt which is more familiar with your property problems, we recommend that such parties be contacted.

From your letter, it appears that you misapprehend our status in helping evacuees. Our function, primarily, has to do with people who are leaving restricted areas, voluntarily or otherwise, but who do not come under the general classification of enemy aliens. The custodianship and jurisdiction for the problems facing enemy aliens are delegated to the office of the Federal Deposit Insurance Corporation with local headquarters in the Hotel Whitcomb, San Francisco.

We would, therefore, suggest that you address a letter to the Alien Property Custodian at this address and outline briefly to them your major problems.

Very truly yours,

Assistant Cashier.

Federal Reserve Bank,  
Enemy Alien Property Control  
San Francisco, California

Dear Sir:

I am an enemy alien of Italian Nationality  
Taken into custody by the F.B.I. Agent and now  
kept at 801 Silver Ave., Immigration station,  
awaiting results of a hearing taken place  
not long ago at the Post office Bldg. of this city.

I am a single man, property owner  
which has been left in abandon since the  
day in which I was taken in custody,  
Feb. 22, a month ago yesterday. Such property  
has heavy obligation (Monthly) far beyond  
the income which was leveled by earnings  
from my work. With my being here, in-  
come from work has ~~discontinue~~ stopped  
and income from property diminished,  
while the obligations are the same.

I ask for your immediate inter-  
vention on the matter to have, for the  
present, frozen all 1<sup>st</sup> Mortgages and  
all modernization loans. Be established

2/ in account with Bank of America (Fillmore - Post Branch) where is my present checking account as a Trust fund for the administration of status as follows:

- 1°) all payments due to me from rentals be paid direct to bank from tenants
- 2°) Mrs Barnwell living in my property at 1523 Golden Gate Ave and working at Speckels Companies, 1 Pine Street, has collected rents on my behalf from Feb 22 to date in \$290<sup>00</sup> less authorized payments for which no report has been given, presumably about \$175<sup>00</sup> - Balance in her hand \$115 (about) to be deposited by her to said account. (I am asking her now to give statement of collections and payments, balance deposited).

from such fund current monthly payments be made as follows:

- 1°) On the 5<sup>th</sup> of each month pay car installment in \$36<sup>00</sup> to Bank of America (Fill-Post Br.)
- 2°) On the 25<sup>th</sup> and 1<sup>st</sup> of each month pay American Trust Co. # 1 Grant Ave. (both payments \$13<sup>08</sup>)
- 3°) Cyclops Iron Works for refrigerators " 8.82 on the 22<sup>nd</sup> of each month.
- 4°) San Francisco Water Dept. for water to both properties located at 1523 Golden Gate Ave. and 3191 Washington St.
- 5°) Pacific Gas & Electric Co., for gas & electric to both properties at same addresses as above.

6°/ Sterling Furniture Co. Monthly \$5<sup>00</sup> (no date)

These above payments I wish to be made each month until paid in full.

7°) \$30<sup>00</sup> Monthly on the 3<sup>rd</sup> of each month be sent to me for personal and living expenses.

8°) Balance after making all above payments be kept for payment of City property Taxes on both properties due April 20 (1<sup>st</sup> installment 1941)  
(If by April 20 no such fund is reached to Taxes, then post-pone payment of same for such a length of time as funds are available before June 20 at the latest.)

9°) After detracted all above ~~items~~ items up to #8° from income, balance, present and future be credited to Modernization loans as below specified:

(Before specifying, I authorize and suggest that Bank of America (Fillmore - Port Br.) Mr. Doi is a voluntary evacuee from Brentwood Calif. Sold property in Brentwood to Mr. A.V. Richards. Terms approximately \$400 to be cash \$200 in note due in 90 days. Title cloudy because of Japanese ownership previously. Seems that is now cleared. Title search handled by Contra Costa Co Title Co, Martinez. Mortgage held by American Trust Co 464 Calif St. S.F. Mr. O.D. Glenn Asst Mgr and Mr. Ostlund Field Representative of that bank helped Mr. Doi make sale. Seems to him he should have received his money before now but has heard nothing. What should he do about it?

Action taken:

Advised him to write Mr. O.D. Glenn Asst Mgr of American Trust Co, 464 Calif St. S.F. and ask him for information. Also write the title Co. at Martinez and ask them when he can expect to settle up for the sale of his property.

Principal property involved and scope of problem:

Interviewee came in 4/13/42 together with one George M. Nakamura, a Japanese American citizen, also of Centerville. Dusterberry owns 28 acres of land near Centerville which for the past 30 years has been occupied by Nakamura and his family, without a written lease at any time. Rentals were paid annually, about the last of each year. No money paid this year of 1942, but Japanese have done considerable work on property, which work will now fall to the benefit of land owner, who has agreed to take back possession of ground. PROBLEM:- Nakamura family wants something around \$150:00 for work done and Dusterberry willing to pay \$75:00/.

Action taken:\* Suggested they were too close to a settlement for any further argument; further suggested they meet later in the day, both conceding a little and report back to this office 4/14/42. Dusterberry returned today at 1:40 P.M. stating deal all closed to satisfaction of all. Displayed receipt signed by Nakamura in the sum of \$100:00 which closes deal.
