Principal property involved and scope of problem:

Makes inquiry as to status of 1942 trucks and pick-ups, also as to the status of 1942 cars.

Was under the impression, due to some information received from San Francisco, source unknown, that 1942 trucks and pick-ups of 1000 miles or more usage in the hands of owners may be resold by them to anyone as second-hand equipment, and that 1942 cars in the hands of owners could be sold to dealers who could resell to anyone under affidavit of former ownership and former use.

This stated to be independent of provisions of letter #2A.

Action taken:*

Mr. Tyler tried to assist us without success as to setting up the truth of this information.
Advised Mr. Egal to check back upon his source of information and to try to prove or disprove the statement.

Miss Kay Tomihiro - Family Number 32200

We enclose herein check No. 923 dated June 4 1942 issued by the Economy Cleaners, Inc., by D. H. Rosenblatt, drawn on the Bank of America, National Trust & Savings Association, Hester Branch, San Jose, California, in the amount of \$6.50 payable to the order of Miss Kay Tomihiro; also a memorandum for the Economy Cleaners indicating the purpose for which the above check was issued.

The above referred to documents were sent to the Santa Anita Assembly Center apparently in error as they have been returned to us. We believe it quite possible that Miss Tomihiro is now at the Pomona Assembly Center. If, upon inquiry, you find that such is the case, would you arrange to deliver the check and the explanatory note to her, and if settlement is satisfactory, send us her receipt for completion of our records.

Had tomato contract with Western Canning Company, Antioch.
Delivered something over 700 tons @ \$11.00 per ton - 1941.
Received bonus of 50¢ but supposed to receive another 25¢
per ton.

Action taken:*

Phoned Mr. V. A. Davi, Manager of Western Canning Company, Antioch, who advised that no contract of any kind was made with the growers but that a bonus of 50¢ was paid to the growers to encourage them to plant more tomatoes. All growers received the same bonus per ton.

Advised George Egusa of conversation with Mr. Davi and further advised him that since he had no contract, it appeared that he would have difficulty in trying to obtain any further bonus on his 1941 crop.

(Certificate 669)

Gentlemen:

While in performance of the duties of this office in assisting local Japanese to arrange their property and business interests pending final evacuation to Re-location Centers, we have received a request from the above truck line operator to make the following representations to you in connection with your call for his regular quarterly report of gross operating revenue for the period April 1, 1942, to June 30, 1942.

Subject is without information as to what point his reports had been completed by his Japanese attorney, Walter Tsukamoto, of Sacramento, who has been removed to Tule Lake Re-location Center.

Curfew regulations, limiting time permitted to be spent away from residence and distance to be travelled, became effective on March 27, 1942. Actual evacuation to Stockton Assembly Center occurred on May 13, 1942. By reason of these military regulations which have stopped the operation of his truck line, subject petitions you to permit his retention of the franchise under such orders of suspension as you may deem necessary under these circumstances.

Should you choose to write direct to subject regarding this matter may we ask for a copy of your letter?

Mr. A. S. Eiri, dba
U. S. 99 TRUCK SERVICE
8-141-C Assembly Center
Stockton, California

Dear Sir:

Under date of August 5, the Commission received a letter from the Federal Reserve Bank of San Francisco through its Stockton representative, Mr. L. S. Weeks, in which he advised that you desired to have your highway common carrier certificate suspended. Your attorney, Mr. Walter Tsukamoto, is being communicated with under separate cover with respect to obtaining the suspension authority sought.

In regard to your report of gross operating revenue for the 2nd quarter of 1942, the Commission understands from Mr. Weeks' letter that you are not at the present time in a position to file this report. You have until August 15, 1942, to file this 2nd quarter report before being subject to the 25% penalty (minimum \$1).

This penalty will be assessed if the report is not received on or before August 15 unless for good cause and upon request a further extension of time be granted for filing.

In the event that the Commission authorizes suspension of your certificate you will still be required to file quarterly reports during the suspension period and pay thereon the minimum \$1 fee each quarter required by statute to be paid by carriers holding valid certificates, permits or other valid operating authority during the life of said authority.

Yours very truly,

Action taken:*

Advised that H. Endo was generally licensed and therefore free to negotiate in manner he saw fit. No special license was necessary. Also advised that bank would not contact Mr. Sevy but Mr. Sevy could contact us at any time he saw fit but as far as making the govt to sign a lease was entirely outside of our interest or jurisdiction.

Principal property involved and scope of problem: Endo owned a store known as Endo's Cafe, 6 Soledad St., Salinas and he is selling that with fixtures and stock and good-will to Harry L. Noland for cash for \$1,250. The deal is being handled through the Monterey Co. Bank. The buyer agrees to take over his lighting contract with the Florescent Lighting Co. This deal seems to be all right and Noland and the seller appear to be satisfied.

Endo also has appointed Frank Hoddinott, Rt. 1, Box 1160 N., Salinas, near Prunedale, as his attorney in fact to represent him dealing with other properties.

This consists mainly of a lot on E. Market Street, unimproved, next to the Togo Laundry which property is clear and taxes paid. Endo is mentioned as a party to a deal with a lot of others with Mrs. Masu Y. Abe and Y. Yamashita, brother and sister and Frank Myers. This has not been settled yet. Endo's father is in custody but that does not appear to affect this situation. This boy has been in several times and I've discussed this proposed deal with his attorney over the phone but it has always been nebulous and I couldn't get the boy to give me the facts, although he kept promising to report if and when anything happened.

ACTION:

Advised this boy that this transaction seemed satisfactory, telephoned the bank and his attorney and found they were pleased, told him to put his money in the bank and leave it there and also to sell his car if he did not want to store it. There may be some trouble over transferring title of the car as the pink slip is in his father's name and it has been lost; we offered to help him with the Motor Vehicle Dept. We have copies of the transaction in his folder.

Mr. W. C. Holmes, Field Representative
Federal Reserve Bank of San Francisco
Evacuee Property Department
500 North Garden Street
Visalia, California

Dear Sir:

Reference is made to your interview of July 16, 1942
conducted with May Y. Endo of Orosi.

We have discussed this case with the Grand Lake Branch
of the Bank of America, Oakland. The contents of the safe deposit
box requested by the Endos were forwarded yesterday to the First
National Bank of Orosi.

However, for your information, R. E. Endo is a generally
licensed national. This status was one which the bank wished to
ascertain from the Foreign Funds Control Department before forwarding
the contents of the safe deposit box.

We were informed by them that the contents included \$5000
par value Japanese bonds, together with other securities.

We trust that this will satisfactorily dispose of the
Endo request.

Very truly yours,

Assistant Cashier

To guard against mistakes or delays, the sender of a message should order it repeated, that is, telegraphed back to the originating office for comparison. For this, one-half the unreported message rate is charged in addition. Unless otherwise indicated on its face, this is an unreported message and paid for as such, in consideration whereof it is agreed between the sender and the Company.

1. The Company shall not be liable for mistakes or delays in the transmission or delivery, or for non-delivery, of any message received for transmission at the unreported-message rate beyond the sum of five hundred dollars, nor for mistakes or delays in the transmission or delivery, or for non-delivery, of any message received for transmission at the reported-message rate beyond the sum of five thousand dollars, unless specially valued, nor in any case for delays arising from unavoidable interruption in the working of its lines.

2. In any event the Company shall not be liable for damages for mistakes or delays in the transmission or delivery, or for the non-delivery, of any message, whether caused by the negligence of its servants or otherwise, beyond the actual loss, not exceeding in any event the sum of five thousand dollars, at which amount the sender of each message represents that the message is valued, unless a greater value is stated in writing by the sender thereof at the time the message is tendered for transmission, and unless the repeated-message rate is paid or agreed to be paid, and an additional charge equal to one-tenth of one per cent of the amount by which such valuation shall exceed five thousand dollars.

3. The Company is hereby made the agent of the sender, without liability, to forward this message over the lines of any other company when necessary to reach its destination.

Except as otherwise indicated in connection with the listing of individual places in the filed tariffs of the Company, the amount paid for the transmission of a domestic telegram or an incoming cable or radio message covers its delivery within the following limits: In cities or towns of 5,000 or more inhabitants where the Company has an office which, as shown by the filed tariffs of the Company, is not operated through the agency of a railroad company, within two miles of any open main or branch office of the Company; in cities or towns of 5,000 or more inhabitants where, as shown by the filed tariffs of the Company, the telegraph service is performed through the agency of a railroad company, within one mile of the telegraph office; in cities or towns of less than 5,000 inhabitants in which an office of the Company is located, within one-half mile of the telegraph office. Beyond the limits above specified the Company does not undertake to make delivery, but will endeavor to arrange for delivery as the agent of the sender, with the understanding that the sender authorizes the collection of any additional charge from the addressee and agrees to pay such additional charge if it is not collected from the addressee. There will be no additional charge for deliveries made by telephone within the corporate limits of any city or town in which an office of the Company is located.

5. No responsibility attaches to this Company concerning messages until the same are accepted at one of its transmitting offices; and if a message is sent to such office by one of the Company's messengers, he acts for that purpose as the agent of the sender.

6. The Company will not be liable for damages or statutory penalties in any case where the claim is not presented in writing to the Company within sixty days after the message is filed with the Company for transmission; provided, however, that this condition shall not apply to claims for damages or overcharges within the purview of Section 413 of the Communications Act of 1934.

7. It is agreed that in any action by the Company to recover the tolls for any message or messages the prompt and correct transmission and delivery thereof shall be presumed, subject to rebuttal by competent evidence.

8. Special terms governing the transmission of messages according to their classes, as enumerated below, shall apply to messages in each of such respective classes in addition to all the foregoing terms.

9. No employee of the Company is authorized to vary the foregoing.

Before I sent here evacuated I stored with Mr. Geo. Healy who resides 1835 Sutter street my household goods. I received a letter from him requesting me the disposal of the goods, as he has to move to work in a defence plant outside San Francisco.

On the reason above mentioned I would like to ask you whether the goods received and stored

in your warehouse, or not

it is possible to be storaged
kindly direct me what to do.
Thanking in advance for

Gentlemen:

Having noticed in yesterdays news items that your institution had been designated as the agency or custodian so to speak of land being farmed by Japanese, either as lessees or owners, we wish to offer our co-operation in this district.

We have associated with us Mr. F.C. Smith who was local Manager of the federal Land Bank of Berkeley, and the San Luis Obispo Crop Production Loan Association for 5½ years, so is acquainted all thru the district. The writer has been in business here for 14 years and the greater portion of this time specializing in the sale and leasing of ranch properties. We have handled all of the sales off of the dearest properties in this territory aggregating some \$600,000 sales the past three years. We represent the San Francisco Bank on F.H.A. loans in this territory.

We thought if it were the plan to establish temporary branches in the districts where considerable land is farmed by the Japanese, that perhaps our knowledge of the territory and acquaintance with many growers that we might be appointed agents to co-operate with your institution in arriving at values, and to secure new tenants to farm the properties.

The writer handled farm products in this district as buyers agent for some ten years, mostly dry beans and grains. Thru this activity I became acquainted with the majority of farmers in the territory.

Business is not so brisk at present, so that we would have time to devote to this task and would appreciate a call from your representative when they come to this district to look over the situation.

Thanking you, we are,

Yours very truly,

EVANS BROKERAGE CO.
