Miss Kataoko said she owned the "AKI" hotel at 1651 Post St. and she was rather particular as to just what class of people she was willing to lease to. She states there are no incumbrances against the property. She also complained about the blue book cash offer on her 1939 Dodge Sedan, the offer being \$500 which she thought was too low. She mentioned the law firm of Seymour & Calden who have a number of Japanese as clients.

Action taken:*

Miss Kataoko was informed that something had to be done voluntarily on her part to settle the affairs otherwise involuntary action might not be so advantageous to her. Advised her to accept Seymour & Calden as her legal representatives in handling her properties. Also advised her to take the \$500 for her car.

Mr. Akiya has not paid any rent since February 16th 1942, being in arrears over \$100. The landlord is willing to accept the furniture in payment for all overdue rent to day of evacuation. But Mr. Sadataro Akiya says his family of 6 persons would not have any funds to live on and he wants to know if there could be some moratorium declared on his debt so that he could have some money for his family.

Action taken:*

Advised Mr. Ichiro Akiya to have his father make more diligent effort to sub-let his hotel or get a good price for the furniture so that the landlord could be satisfied. Also there was not enough equity for the bank to freeze the property.

FEDERAL RESERVE BANK OF SAN FRANCISCO

FISCAL AGENT OF THE UNITED STATES

May 23, 1942

Mrs. Edward T. Arima, formerly Kimiyo Sasaki,
Former address, 1721 Buchanan Street,
San Francisco, California.

Dear Madam:

This letter is being sent to two Assembly Centers due to the fact that we have no record of your destination since being evacuated.

We have investigated quite thoroughly your problem in connection with the Bo Chow Hotel at 1721 Buchanan Street. We have discussed the case with Mrs. Ada Goldsmith from whom you purchased the property under a Deed of Trust, and her attorney, who is familiar with the facts. We are informed by them that only one month's rental of approximately \$30.00 was paid, together with certain taxes and interest, giving a rough total of \$400.00 expended by you between April 15, 1941 and the time you left this community, this out of an approximate agreed purchase price of \$7,856.00. This information substantially conforms with that related by you to our representative, Mr. Gray, at the Buchanan Street Civil Control Station. So far as we know no foreclosure proceedings appear to have been instituted as yet with respect to this property.

Further exploration of this problem was made by discussion with Mr. David Freidenrich, attorney, representing Mrs. Carrie Smith. It appears that Mrs. Smith made arrangements to sublet the property from you, which agreement was bound by a \$225.00 down payment. This money was surrendered to Madison & Burke who made certain deductions for taxes and commissions and tendered a nominal balance of approximately \$15.00 to you. Subsequent to this payment, the property was condemned by the City for sanitary reasons, necessitating further expenditure. Mrs. Smith has wished to cancel the lease agreement, and it is our understanding that you were legally served before leaving. Additionally, we have discussed the problem and that of your husband, with Madison & Burke, Realtors, and Mr. Guy Calden, attorney, who has frequently represented your husband.

FOR DEFENSE

Mrs. Edward T. Arima, formerly Kimiyo Sasaki
Page 2

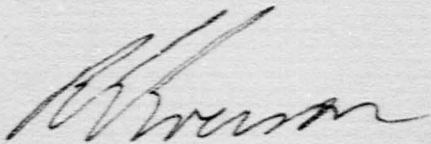

May 23, 1942

From all we are able to determine, it appears that your equity in the Buchanan Street property is limited at best, and we are wondering whether under these circumstances you feel that we can be of any further service. It is our further thought that because of the legal aspects of the matter you might desire to employ the services of counsel.

For your information only, we have also reviewed the problems arising in connection with certain property owned by your husband in the name of the Sun Ban Farm Company. As he is an internee, presently in Santa Fe, New Mexico, we have no official jurisdiction. However, the American Trust Company, who hold mortgages on property located on South Park Street, Tabor Place and Sutter Street, have informed us that they contemplate foreclosure on the first two locations. Apparently your husband has made no arrangements for representation under a Power of Attorney or for legal counsel. We have discussed this case with all of the people previously mentioned and, additionally, Mr. Romeo Sattui, holder of a second mortgage on the Sutter Street property. We have requested that the American Trust Company advise your husband of their contemplated action and that they recommend appointment by your husband of a representative.

As previously stated, the data concerning your husband's property is for your information only, in the event you may wish to aid him in a disposition of his affairs.

Very truly yours,

Assistant Cashier.

MR. WILLIAM A. MARCUS, Vice President
American Trust Company
464 California Street
San Francisco, California

SUBJECT: Real Estate Loan 20978 - Sun San Farm Company

Dear Sir:

Pursuant to your letter of advice dated May 13, 1942, and various telephonic conversations with our representative, Mr. Borden, we wish to recapitulate our understanding of this case and make a suggestion.

The principal operator of this corporation is an alien Japanese by the name of T. Arima. In addition to the South Park Street and Taber Place properties outlined in your letter which you intend to advertise preliminary to foreclosure, the Company also owns certain properties at 1720-1724 Sutter Street against which you hold a first mortgage and which is further indebted by virtue of a second mortgage to Mr. Romeo Sattui. This latter named property appears to be of a more substantial nature and potentially more saleable than the other holdings.

We have discussed this case with Madison and Burke, Mr. Guy Calden, attorney, who has represented Mr. Arima in the past, and with Mr. Sattui. As advised earlier, Mr. Calden has no official appointment permitting him to represent Mr. Arima at the present time, nor do Madison and Burke.

Mr. Sattui has expressed willingness to cooperate and an opinion that the Sutter Street property has potential work-out value. In view of this fact, together with no ascertained instructions from Arima, we feel that he should be notified by you of your contemplated action, in care of the Bureau of Immigration at Santa Fe, New Mexico. As an internee he is not officially within our jurisdiction. However, we recommend that your advices to him contain a suggestion for him to appoint some agent of his own choosing to act under a liberal power of attorney. As an alternative he may possibly wish to employ an attorney to represent his interest.

Mrs. Arima is an evacuee who has sought advice from this office and in whose affairs we recognize some responsibility. We are advising her briefly of her husband's affairs in connection with certain problems of her own.

Very truly yours,

Assistant Cashier

TO: Mr. H. D. Armstrong
FROM: Mr. R. Borden
SUBJECT: T. Arima - Kimiyo Sasaki
Sun Ban Farm Company and Bo-Chow Hotel

In pursuing the above case, the following is as nearly a chronological statement of events as can be made without interviewing Mrs. Arima. Steps have been taken to ascertain whether she is at Tanforan or Pomona.

It appears that Mrs. Arima, formerly Kimiyo Sasaki, in April 1941 purchased the house at 1721 Buchanan Street known as the "Bo-Chow Hotel" for the price of \$7856. Trust deed called for payments of \$30 a month and only one payment was made up to January 15, 1942. On April 17, 1942 she leased this property to a negress, Carrie M. Smith, for three years at a rental of \$75 per month. Mrs. Smith made a deposit of \$225, representing the first month and the last two months rental. After deducting commission, the balance of \$180 was given by Mrs. Smith's representative to Madison & Burke, who paid taxes of \$116 and also deducted commission, leaving a balance of approximately \$16.

May 6, 1942 the San Francisco Board of Health condemned the property as unfit unless an additional \$500 or \$600 was expended. In view of this, Mrs. Smith has sued for recovery of the \$225 through an attorney, David Freidenrich. The status of this suit is not known, although the writer believes that Mrs. Arima was served before being evacuated. So much for the status of the Bo-Chow Hotel and Mrs. Arima therein. It appears that she has no equity worth mentioning.

Her husband, Mr. T. Arima, presently interned at Santa Fe, New Mexico, is a Japanese alien generally licensed under 68A. By means of a corporation known as the Sun Ban Farm Company, he has acquired several pieces of property as follows:

- One 3-story building containing three flats at 76A and 76B
Taber Place, San Francisco
- One 2-story building containing two flats at 76 So. Park,
San Francisco
- Two pieces of property, address unknown, on Sutter Street,
San Francisco

Mr. Arima has never approached this office for advice, directly or through agents. However, we received a letter on May 13 from the American Trust Company, recapitulating the financial background on the Taber Place and South Park properties and advising us of their intention to advertise and foreclose.

As you know, the letter also stated that Mr. Guy Calden repre-

Mr. H. D. Armstrong

- 2 -

May 16, 1942

sented the Arimas under a full power of attorney. The writer has discussed this case twice with Mr. Calden, and he states that he has no appointment of such character, nor has he been given any specific instructions to represent either of the Arimas. He supplied the information regarding ownership of certain property on Sutter Street and will give us additional details concerning this property and the equity therein early next week. Mr. Calden further stated that he believed this property to be of considerable value and that Arima's equity was of some substance.

The firm of Madison and Burke, realtors, was contacted and they expressed the opinion that the Taber Place and South Park properties were of a border line character of limited marketability.

In view of Mrs. Arima's negligible portion in the Bo-Chow property, it is my opinion that nothing should be done other than to notify her of the legal steps taken by Mrs. Smith and of the impending foreclosure proposed by the American Trust Company. Such letter of notice would, of course, include a recommendation that she arrange for legal counsel, presumably Mr. Calden, and inquire as to her intentions and those of her husband's with respect to operation of the Sutter Street property and appointment of some agent under power of attorney.

In considering the affairs of Mr. Arima and the Sun Ban Farm property, it will, of course, be necessary to acquire further information forthcoming from Mr. Calden, as mentioned above. However, in view of the delinquent status of the Taber Place and South Park properties, it is my opinion that the proposed letter to the American Trust Company is substantially correct.

Mr. Arima should, of course, be notified and should be advised strongly as to the necessity of appointing someone to act in his interests.

We have had a real estate loan on the above property since April 23, 1936 and the present principal balance is \$1,977.17. The loan has been more or less delinquent during this entire period and it has been necessary for us to institute foreclosure proceedings on three separate occasions to enforce payment of interest and principal. Our last foreclosure action was started on February 14, 1942.

Due to the fact that certain taxes on these properties continued to be unpaid, also due to the fact that the interest was delinquent (there has been no payment on the loan since February 18, 1942), and as no action has been taken by these borrowers to reinstate the loan, it is our intention to start advertising this property for trustee's sale on May 20, 1942, which is the expiration date of the three months' foreclosure period.

As these borrowers are Japanese who have already been evacuated, or are subject to evacuation, before taking this action we wish to ascertain if there are any regulations in effect at the present time which would not permit us to conduct our trustee's sale, and if necessary, to take title to the property in the usual manner.

May 13, 1942

We understand that Mr. T. Arima is now in a concentration camp. Madison and Burke, 80 Post Street, San Francisco, are agents for the above property and Mr. Guy Calden, attorney, Postal Telegraph Building, has full Power of Attorney for the Sun Ban Farm Company.

Any information you can give us concerning this subject will be appreciated.

Dear Sir:

Confirming our telegram in reference to J. Moriya, Mr. Brodowsky, the property owner, has given us his check for \$100.00 with the understanding that he buys all of J. Moriya's interest in their lease and furniture located at 1006 Second Street.

When Moriya left Sacramento, they sold on a contract sale this lease and furnishings to one Mr. Rollin. Mr. Rollin notified Mr. Brodowsky about July 10 that the health authorities had made demands that he make expenditures beyond his means in order to continue with his license. Therefore, he could see no other way than give up the property.

Upon consulting the health authority and Mr. Brodowsky, I found it was possible to get the health authority to agree to be more lenient in their requirements. I then informed Mr. Rollin of this fact and tried to induce him to continue. He stated very definitely that he was unable to do so from a financial standpoint.

Inasmuch as it looked as if we were about to discontinue our service from this office, I made an extreme effort to get a new deal set up for J. Moriya.

After considerable effort and some pressure on Mr. Brodowsky, I was able to get him to accept this offer. J. Moriya made this offer through this office in one of their calls before evacuation. With this knowledge on my part, I considered it would be satisfactory to accept this offer. Therefore, we are holding Brodowsky's check for \$100.00 payable to Moriya.

Because this office has been closed as of this date, this check has now been forwarded to the San Francisco Office. It will be necessary for Moriya to give Brodowsky a bill of sale. I would suggest that you make up a bill of sale, have it properly signed, and forward it to the San Francisco Office, 400 Sansome

Street, attention Mr. Robert Borden, and they will send the check to you.

Yours very truly,

R. W. Schmitt

Lease on hotel and furnishings owned. Mrs. Moriya accompanied by Frank Miyaka (her interpreter) met here with Mr. Brodowsky, landlord, at my request. Brodowsky has chattel mortgage on furnishings as security for lease of \$90.50 to June 6, 1944. Mrs. Moriya says Brodowsky will not permit her to sell furnishings and offered only \$1.00. (She bought business and furnishings from him a year ago, for \$500.00 cash) Brodowsky says \$500.00 was mostly for "going business", furnishings of very little value.

Action taken:*

Mrs. Moriya finally offered to take \$100.00. Brodowsky agreed to inspect and give an answer Saturday.

George T. Kato states that since 1924, his father and mother rented from month to month for \$125.00, paid light, heat, and water bills. Property owned by A. Since the last visit to this office, the "Kato" family were advised to make a transfer of business from Mr. and Mrs. Kato to the oldest son, also a U. S. Japanese. Lease was executed and signed "Lazzaroni and Isaburo Kato" for five years, the hotel furniture to be secured by a chattel mortgage which was drawn by not signed. At the time of transfer of ownership, a buyer by the name of Oscar Barnett, Chef at Travelers Cafe, offered to buy the furniture and sign chattel to secure lease by paying a deposit of \$500.00 provided his offer of \$1650.00 was accepted by the Kato family. Kato held out for \$2000.00. Barnett balked and stood pat on his first offer.

Action taken:*

We revived prospect, Oscar Barnett, to the point of meeting with the Kato family and Lazzaroni. They have all agreed to meet at the McClatchy Realty Company Wednesday, 3:30 P.M.

Principal property involved and scope of problem:

May Sato (age 24) owns Hotel and furnishings. Value about \$40,000.00. Deed of Trust to Bank of America, 6th & K Streets, amount due about \$17,000.00, payable \$200.00 monthly.

Mrs. Stoll, age 73, Caucasian, willing to take over bank mortgage and reduce monthly payments when and if necessary.

Mrs. Stoll has already arranged for administrators of her estate in the persons of Mr. Harry Katz, 2947 - 24th Street, and Mr. Carl Winter, 2417 - 6th Avenue, Sacramento. No heirs.

Miss Sato wanted to have this transfer Deed of Trust inasmuch as Mrs. Stoll was an old friend and at one time owned the hotel. Miss Sato has living with her two sisters and two brothers and both parents.

After reconsideration, Miss Sato sees some reasons why this arrangement would not be entirely satisfactory.

Action taken:*

Arrangements about complete to rent hotel to some Caucasians for \$300.00 per month after evacuation. Considering some other arrangement for a few days. The Bank of America, 6th & K Streets, Sacramento, willing to handle this as a Trust account. Miss Sato giving consideration to this proposal. Miss Sato also will consult her attorney and return here later, presumably with a satisfactory decision.

This is a hotel case.
Many conferences, whereas no equities apparently remain by reason
of chattel mortgage on furniture.
Meanwhile efforts to sell hotel to better advantage, and subject
to chattel mortgage, have been unsuccessful.
Owner of property, Mrs. DePoole, proceeding with action to fore-
close.
Nothing can be done about it, as Subject has had payment in
form of several months unpaid rental.

Miss Yasui and Mr. Hobin, of whom are trying to adjust following difficulties called to give complete history of situation. Owner of hotel building, Mrs. Lora DePoole, San Diego, property mortgaged, local attorneys Neumiller and Deitz, her real estate broker is Eichelberger-Hobin Co., Stockton.

Problem: Tenant Hayashi very stubborn and high tempered. Does not cooperate. Subjects gave chattel mortgage of \$1000 to secure rental agreement. Back rent now \$965 @ \$250 per month. The value of furniture, even original costs and additions, do not equal amount of chattel. Tenants meanwhile have had, as equity in matter, 4 1/2 months of free or unpaid rental since Dec. 7, due to stubbornness of Hayashi. Tenants have been treated with patience and consideration by brokers and lawyers concerned. There being no equities remaining whereby we may be of assistance to Subjects, we see nothing further that this office may do practically.

Action taken:

Cannot stand in way of action to possess premises. However, brokers agree to let Subjects remain in property and retain furniture until evacuation, proceeding in the meantime with necessary steps to prepare legal action.

Iskizo Nakatogaiwa
Harvey Hotel
903 1/2 Second St.
May 13, 1942

The Federal Reserve Bank
1330 J Street
Sacramento, Calif.

Dear Sirs:

I wish to express my sincere appreciation for the kind advice and assistance you have given us in settling our business affairs prior to evacuation.

Everything has been arranged to our satisfaction and I wish to report on the following settlements on our hotel at 903 1/2 Second Street:

1. We have agreed to execute a power of attorney to the Church Council of Sacramento for the purpose of enabling it to take care of and manage our hotel.
2. We have agreed to pay the sum of \$20.00 per month for the managerial services.
3. Mr. Alfred Donness, Secretary of the Church Council has agreed to establish a checking account under the name of the Harvey Hotel.

4. We have made a deposit of \$50.00 with nine other hotels for the Guarantee Fund which is to be used for the purpose of meeting any operating deficit incurred by our hotel or by any one of the other hotels under the same management.

5. Mr. Williams, the manager of the hotel, is moving into our home with his family so he can be centrally located and his wife has agreed to work at our hotel, making things more satisfactory for us.

6. Our owner Mrs. Karen Rasmussen has agreed to lower the rent from \$100.00 to \$85.00 a month to make it easier for us to meet expenses during the period in which we have our hotel under another's management.

Since our hotel is small and our income not very large we were worried about settling our affairs favorably but we are thankful that the above arrangements have been made and we feel that it was for the best.

Yours very truly,

Tokizo Nakatoyama

The Harvey Hotel: Miss Nakatogawa has come in again to find out more about the possibility of putting the hotel under the management of the Bank of America during the evacuation, as suggested in her last interview. The Bank is willing to handle it providing it handles other hotels of the evacuees.

Mr Noguichi owner of 2 other hotels has been to Bank of America and they have led him to believe that they will act if they are in a position to take over some other similar hotels.

Action taken:*

Referred back to Noguichi and the Bank advised this should be a good procedure -

TO MR.

Mr. Yoshitara Baba

Stockton Assembly Center
Stockton, California

Dear Mr. Baba:

The Hunter Street branch of Bank of America advises us that a second payment of \$100. was received from Mrs. Iva Collyear on July 28 to apply on your agreement with her covering sale of your hotel furniture. The bank is holding the agreement with chattel mortgage in the amount of \$1500. on which \$200. has now been paid, leaving a balance of \$1300. outstanding.

Mrs. Collyear may wish to pay more than the regular \$100. installments at certain periods with the understanding that these payments may apply against the next following installments as payments in advance.

Very sincerely yours,

L. S. Weeks

Principal property involved and scope of problem:

Has completed transfer of Hollywood Hotel, rented from Jack Mazzera, to Miss Iva Collier under a contract of sale covering furniture as per inventory, price \$2200, amount paid down \$700, balance \$1500 at \$100 per month. Agreement prepared by Cal Snyder of law firm of Gumpert and Mazzera.

Problem: Mr. Jackson of local health district, passes furniture O. K. but refuses to pass building which has leaking roof and needs other extensive renovating. It is a problem for the landlord and not necessarily for the Japanese tenant, but must be cleared up before deal can be considered safely and finally made.

Action taken:*

Will talk to Mazzera as soon as he can be reached and will advise Subject of result of efforts.

See report 3/31, 4/18--Home Hotel

Principal property involved and scope of problem:

The Bank of America owns one-third interest in the hotel building itself.
Joe Granucci is the agent for the property. Both Bank and agent report that Subject left the property without making any arrangement regarding furniture, and the real estate agent has put a lock on the door pending arrangements to be made for rerenting.
On report of March 31 the Subject put a low value on equipment (\$400) considering that it is 46 room hotel. Doubtless his real idea is that it is worthless.
We will close the file, although we are writing him at Stockton Assembly Center for information as to what his ideas are in the matter, and asking if we may be of assistance to him.

Action taken:*

Mrs. Kagiyama thought she had a deal for the sale of the furniture to a Mrs. Sullivan at a price of \$800.00 but has been unable to close it.

Action taken:* Phoned Mr. King on May 11 at Wright & Kimbrough who stated they knew nothing about the deal for the furniture but if they could find a tenant for the property, they would try to arrange for some deal on the furniture. Today Mrs. Kagiyama advised that Wright & Kimbrough had arranged to lease the hotel to a Mr. Charles Taylor and that he was to rent her furniture at a rental of \$20.00 per month. This rental is to be paid each month to Wright & Kimbrough for the account of Mrs. Kagiyama.

Re: Storage of Evacuees Goods.

Gentlemen:

In accordance with your instructions over the phone on May 15th, I had the Baker's Transfer and Storage, 2121-16th Street, Bakersfield, temporarily take charge of the goods left by George Kaneko, who voluntarily evacuated to Poston, Arizona.

I enclose copy of letter received from George Kaneko, which inventories the articles left. The wooden keg containing soy bean sauce had been opened and was in poor condition for storage so I left it at the Japanese Church, awaiting instructions from George as to its disposition.

Very truly yours

After deducting attorney fees, and \$75.00 on adjustments, is now holding the sum of \$1220.00 from sale in his bank account.

Haruyo Matsuo has received several letters from Federal Reserve Bank requesting an accounting as she is holding Power of Attorney from her father, and attorney advised her he was holding money.

Principal property involved and scope of problem:

Mr. Matsuo, son-in-law, presented letter from Foreign Funds Control Department requesting proper report on Form TFER-1 in connection with License #15839 permitting the operation of a hotel at 1701 Laguna Street, San Francisco. Mr. Nakano did not have the proper records to make the report. He explained that the bank statement was mailed by the Post and Fillmore Branch of the Bank of America in San Francisco to Mr. Nakano who is now in the internment camp in North Dakota. License 2805 was issued, authorizing the liquidation of the hotel business operated by Mr. Nakano. The furniture was sold for \$1500.00 and this amount was paid to an attorney, Mr. Raymond D. Williamson of San Francisco, but Mr. Williamson had not made any final disposition of the funds.

Action taken:* Phoned Mr. Williamson who explained that he had been trying to determine through correspondence with Mr. Kazuma Matsuo as to whether unpaid bills for expenses, including the light bill, should be paid. Mr. Williamson did not know to whom to pay the proceeds remaining from the amount he was holding, and I requested him to call at the office of the Foreign Funds Control where he would confirm that the funds should be paid to the blocked account in the name of Sakutaro Nakano at the Post and Fillmore Branch at the Bank of America. Mr. Matsuo explained that his mother-in-law, Mrs. Nakano, wants to have the proceeds of the sale of the furniture paid into her bank

account but I explained to him that this could not be done. I requested Mr. Matsuo to call again at this office after communicating with Mr. Williamson, his attorney. A new order has been issued, however, which will prevent his coming into Sacramento from Elk Grove and this matter will probably have to be straightened out after he gets to the Assembly Center.

Deal pending for sale of furniture and lease on
hotel through Mr. Nunneley of Curran Company.

Action taken: * Phoned Mr. Nunneley on May 11 and found deal
delayed because papers forwarded to buyer in San
Francisco were delayed in mails. Today Miss Kawasake
reported that deal for sale of lease and furniture was
all closed with the exception of the matter of rent
on store in the amount of \$41.40. This amount she
had paid but the owner of the property had to consult
records to find whether amount paid or not. Mr. Nunneley
to hold the money until this is decided at which time
he will pay it to the proper party. This arrangement
satisfactory with Miss Kawasake.

Mr. L. S. Weeks
Field Representative
San Francisco Federal Reserve Bank
Stockton, California

Dear Sir:

Thank you for your immediate attention to the part of our equipment left on our former place of business on Center Street. I am sorry that my father misunderstood about the rent. My father thought that Mr. Sanguinetti had said that if we did not do not any business that we did not have to pay the rent for that time. We had not done any business on the premise for the new month before our departure, and my father had thought it was allright. We are willing to pay for the claim, but we wish to have it taken out of the amount made from selling what is left on the place. We were offered \$30.00 for the iron mangle that is still on the place, and there are still things like a big dining table and bed-steads and mattresses; and I am sure you can make more than the amount for the rent. We would like somebody from your office to look after this or in whatever you think best. If more than this amount is raised we would like to have it sent out to us, as we had wanted to turn it over to Mr. Womack to buy some cleaning equipment for our other place on Main Street. Hoping and leaning on you to get this matter straightened out, we remain

Very Sincerely yours,

This party owns the Modern Hotel at above address. After consulting with their attorney, Walter Tsukamoto, made arrangements to have McClatchy Real Estate Company handle the hotel under an agency agreement. They found, however, the McClatchy Real Estate Company does not want to handle the payment of bills and operate a bank account for them in this operation. Miss Fujita carries her bank account at the Capital National Bank.

Action taken:*

Phoned Mr. Labhard of the Capital National Bank and made arrangements for Miss Fujita to see him this morning in order that the Trust Department handle their bank account. Two employees of the hotel are to run the hotel during the absence of the owner, but the owner does not desire to have these employees have authority to write checks and to pay bills. Also arranged appointment for them to see Mr. C. E. O'Neill, attorney to whom Mr. Tsukamoto turned over his business before evacuating.
