Principal property involved and scope of problem: Owns grocery store in Mexican district. Can dispose of groceries but wanted to know if U.S. gov. had facilities to store fixtures. Also says that was much as he intends to come back after the war to continue his business in the same district and with the same people if he shouldn't take notes for debts due and what should he do with his house insofar as rental was concerned.

Action taken: \* I said store fixtures with acquaintance who would defer rent till fixtures called for. - Inasmuch as his credits were practically no market that he collect all he could for it and take notes for balance. Said see local Bank branch mgr. for reliable neighborhood realtors for property management

Recommendations of Counsel:

This man and his brother-in-law were prepared to evacuate and move all their possessions out of this area at the time of his conference with me on or about March 17th. Both of these men own automobiles, and both are able to purchase housekeeping trailers in which to live while they are on route to a permanent home; his brother-in-law is an alien but he is American born. He informed me that he had made several efforts to purchase trailers, but that no dealer would make a sale to his brother-in-law because the latter is an alien, and that he did not feel justified in purchasing another trailer for himself, if he could do so, and loaning his own trailer to his brother-in-law if there is any reason why the alien should not be using property owned by American citizens. He wanted to know if this department could assist him. I told him that this department had no authority to force any dealer to make a sale of anything to anybody; that the only thing we could do would be to endeavor to clear up any misunderstandings or misapprehensions on the part of dealers in connection with their right to deal with alien evacuees, and suggested that he continue in his efforts to secure adequate transportation.

Principal property involved and scope of problem:

Kataoka has a lease on a service station at the above address, he owes the General Petroleum Co. for supplies. Mr. Nilsson representing the General Petroleum Co. will take the equipment from Kataoka in settlement if Kataoka gives them a bill of sale; wanted to know if transaction could be made. The Japanese also wanted to know if it would be possible to receive part of the last four months <sup>rent</sup> returned to him.

Action taken:\*

Advised Kataoka & Nilsson of the G.P.Co. that the transfer to General Petroleum was alright but the legal end of what could be taken would have to be decided by the G.P. attorneys. Told Kataoka to see landowners and see if he could arrange any way to have some of the last four months <sup>rent</sup> returned.

J. Keller, Seaside local agent, also the credit manager. The Seaside people were asking Kato to sign a statement admitting the \$1940.16 as correct amount of indebtedness. Kato refused to sign pending an interpretation of his lease and clarifying his right to remove steel canopy and other buildings which he has erected.

*This person has a lease on the apartment building and furniture at above address. The lessor is Mid. Town Investment Co. 205 So Broadway, Mr. Lombardi Pres.*

*He reported that he had been negotiating with a prospective purchaser for the past three weeks and that in the meantime Lombardi had offered to manage the property for him on a basis of 75% per mo net to him. Lombardi to pay all expenses and retain all net returns over the 75%. He further reported that he had arrived at a verbal agreement with his purchaser and an appointment was made for 1 o'clock Tues. morning May 5th for closing. The purchaser failed to show up and following this Lombardi withdrew his offer and submitted another at a lower rate and terms which he felt were unreasonable. This interview occurred at 3 o'clock this afternoon and Kawa leaves for Santa Anita in the morning.*

Action taken:

*I suggested that in-as-much as the time was so short he appointment one of his tenants to look after the apartments for a few days while he attempted to find a buyer or get a reasonable proposition out of Lombardi.*

*5/10 - T. Allen to Lombardi and he advised he had made all the offers he was going to, that Kawa had been very non-cooperative and he was going to declare the lease forfeited. In my opinion this case should be investigated. Also the facts determined. I will follow up.*

Federal Reserve Bank of San Francisco

Attention: Mr. Trevor.

Dear Sirs:

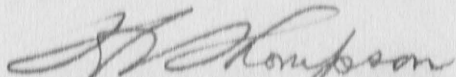

In regard to our telephone conversation about  
Mr. Dick Kataya who owns a store in Montrose:

The fixtures in this store consist of two Howe  
scales that hang from the ceiling, worth about \$17.50  
each; six display stands, lined with metal, fifteen  
feet long, worth about \$100.00; one table for wrapping  
paper and paper holder, worth about \$5.00; and one bath-  
tub used for washing vegetables, with a used value of  
about \$10.00.

There is \$45.00 deposited on the lease for the  
last month's rent, which will be in June, 1943. Mr.  
Kataya has subleased a portion of the store to a butcher  
for \$20.00 a month and has accepted \$20.00 deposit for  
the last month's rent. On March 20th the butcher paid  
\$20.00 rent, paying to April 20, 1942.

This is about all the information that I was  
able to get from my trip to Montrose. I believe the  
vegetable market at normal sale, should bring \$150.00.

Yours very truly,

5-year lease expiring in 1946 on hotel at 303 So. Hewitt  
I own all the personal property located at this address such  
as furniture fixtures etc., which is clear of encumbrances.

Landlord refuses to negotiate any transaction with reference  
to selling the lease & is pressing this party for the balance of  
the lease.

I have been unable to find a buyer or party suitable to the  
landlord to negotiate even a sublease. However, the landlord  
has wish to sell the hotel, but has made demand for the balance  
of the 4-year lease.

Action taken:\*

Place your list of personal property with a Business Opportunity Broker  
after you have worked out a satisfactory agreement with your  
landlord.

If the landlord is willing to sell the hotel get together & sell the  
entire setup at one time as the property being equipped & furnished  
will be a much easier problem for disposition by either.

Re Sale of Pool Hall \$550<sup>00</sup> = Now in  
Escrow at Calif Bk - 1st & Commercial Bk. -

Problem was he listed this for exclusive sale (14 day  
contract plus) with Harry Barsam & Assoc. 1000 lbs.

then it for 1000<sup>00</sup> on 10% basis. They did not sell it but the contract  
called for written notification of termination after  
the 14 day period - This, the Japanese did not do

Action taken:

and sold the Pool Hall themselves for 550<sup>00</sup>, but

because of that certain clause in contract, Harry Barsam  
& Assoc put in a \$50<sup>00</sup> debit into the escrow on 10% of sale

price = Legally they are right but morally? - So we worked  
out a compromise of 250<sup>00</sup> instead & agreed Japanese this amt.

Principal property involved and scope of problem: I called Mr. McQuinn the butcher, Mr. Osgood the landlord and Mr. Kimura who all agreed and met here to day. Apparently Osgood has been holding out to freeze out Mr. McQuinn in October which would also stop the Kimura from getting a release of their lease. After hearing all sides Mr. Osgood agreed to close a deal which would leave Mr. McQuinn in the butcher shop and release Kimura's from any obligation on the lease.

Action taken:\*

I advised all that if there were any trouble in the negotiations of the new lease or if the closing of the deal they were to contact me at once. Kimura will also receive \$47.00 advance on rent from Mr. Osgood as part of deal.

A. L. Donovan, Subway Term. Bldg. Mu 5712.

Lease has 23 mo. to run.

Koyanagi has sold stock and fixtures to Jack Tong  
a butcher in his store for \$850<sup>00</sup> but lessor (A. L. Don-  
ovan) will not assign lease unless Jack Tong puts  
up \$2000<sup>00</sup> bond to guarantee rent. Said Tong is unable

govt bonds as security before they will issue bond.

Action taken:\*

Donovan finally consented to accept

considerate letter dated April 16, 1942.

Due to sudden voluntary evacuation  
by us, our rental of the 3-unit house  
was taken care of very satisfactorily at  
the last minute.

My wife, father, and I are now com-  
fortably making a new start here in Chinook,  
Montana by becoming a farmer.

Thank you again for your kind con-  
sideration.

Los Angeles, Calif.

Attn: Mr. Hopkins

Dear Mr. Hopkins:

We shall appreciate your assistance in locating for us Mr. K. Kusaba who formerly resided at 235 E. Cannery St., Terminal Island.

We have a conditional sales contract with Mr. Kusaba covering a Magic Chef gas range, model 37301, serial 1234.

We have endeavored in every way possible to locate Mr. Kusaba. He apparently moved from Terminal Island to Route 1 Box 404A, Redondo Beach, Calif. According to the post office, he has moved again from there and left no address.

We have had no payment on the account since February 16. The present balance is \$92.26, with monthly payments of \$6.59 each. The March and April payments of \$6.59 each are past due.

Any assistance you can give us in locating Mr. Kusaba or the equipment will be sincerely appreciated.

Very truly yours,
