Dear Mr. Williams :

Re : S. T. OKUBO

Referring to our telephone conversations of today and the attached report :

I wrote the report before our second conversation and also before I had some additional facts.

First regarding the 1941 Dodge Sedan in the name of S.T.Okubo: When S.T.Okubo left for the army, he had just purchased the car from Robertson & Durringer and owed them practically the full purchase price. Sinji Okubo, the brother who is here, paid off one payment of \$250 and the second payment of \$382 and in due time expects to pay the balance of \$535 so that as a matter of equity, he will be the real owner of the car.

The advance of \$200 secured from the Highland Fruit Company in October, 1941, was ~~secured~~ by Sinji Okubo and was the usual form of crop advance to be repaid by retains from crops shipped on consignment to that Company. He received credit of \$44.65 January 8, 1942, from the Highland Fruit Co. per statement which he has shown to me and another credit of \$1.25, making the net balance \$154.10 which he intended paying from proceeds of the crops but which it is impossible to ship thru the Highland Fruit Co. or their successors the Citizens Produce Co. because they are out of existence. But that shouldn't give some collector the right to demand payment in advance of the marketing of the crops in variance with the terms under which the advance was obtained. Where the reference to a due date of August 25, 1941, was raised as set out in the complaint with the attachment which was before any advance was obtained, is a mystery to Okubo.

He has arranged with his landlord, a Mr. George Jones, to proceed with the handling his 35 acres of cantaloupes after his evacuation, the other 30 acres of crops consisting of squash and small vegetables has been mostly harvested but some of it is still going to market, being handled thru and by the said George Jones. Sinji Okubo is willing to give an order on Jones to pay this balance of \$154.10 and also the other item you mentioned of \$64 (which he knows of and which is a debt of S.T.Okubo) from the proceeds of these crops to whoever is entitled to the funds.

He is coming in to see me tomorrow morning to see what if anything he can do towards getting the car back so he can do his necessary work, his arrangement with Jones being that as long as he was here he would actively supervise the crops. The car is tied up by the Constable in the Pioneer Garage here in El Centro.

Yours very truly,

C.H.H. Small

STORY

Brother of S.T.Okubo (Senji Thomas Okubo - age 28 - also native born citizen now in U. S. Army). Has been farming 65 acres of farm land at Niland. Lease is in Sinji Okubo's name. On or about October, 1941, they secured an advance from Highland Fruit Company on the basis of consigning their vegetable crops to the Highland Fruit Co., Los Angeles, and having this and other advances which might be made deducted from the proceeds. Highland Fruit Co. is understood to have gone "broke" and taken over by the Citizens Produce Company, ¹⁰⁷⁸ ~~South~~ San Julian St., Los Angeles. Sinji Okubo has in his care one 1941 Dodge Sedan belonging to his brother S.T.Okubo. The local constable last evening at 9 p.m. served an attachment on Sinji Okubo and took possession of S.T.Okubo's car. Attachment was issued out of Municipal Court of Los Angeles in the case of Affiliated Merchants vs. S.T.Okubo et al, complaint stating Affiliated Merchants are in possession of an assigned claim from the Citizens Produce Company in amount \$154.10 covering advances which was due August 25, 1941. Sinji Okubo states the amount of the advance is approximately correct but was not advanced until October, 1941, and he in-

Action taken:* tended to pay out of proceeds of cantaloupe crop. No facilities for making an answer to the case in Los Angeles Court. Sinji Okubo's efforts to comply with evacuation orders and dispose of his farming crops, etc. are being retarded because of lack of possession of the automobile. Can something be done.

Principal property involved and scope of problem:

Sold Lease and store to W. M. Osser, \$2500. Had \$170 advanced rent on Lease; lease was a firm lease but transferable with aggregate amount written in. Osser, the new lessee, wanted new lease from owner. Owner wanted \$170 to make up new lease with a non-transfer clause. Osser would not accept. If Osser accepted the present lease which was transferable, he, in turn, wanted \$170 deducted from the \$2500.

Action taken:*

Have Ota attorney phone the property owner (Mr. Shilling) in Indio and explain the deal and tell him to make out new lease with transfer clause and he would accept the \$170 penalty. That way he would be free of any recourse in the future. If Shilling failed to make new lease he would be out \$170. Attorney phoned back and is in accord.
