Santa Fe, New Mexico

Dear Soji:

Upon the suggestion of the Federal Reserve Bank of San Francisco, Fiscal Agent of the United States, Evacuee Property Department, I am writing this letter to you in English so that a speedy reply will come back to me because it is necessary that the enclosed Satisfaction of Chattel Mortgage be signed by you where it is marked "X" and have same notarized where it is marked with two "XX", and then return to me by air mail in the enclosed self-addressed envelope.

I have made arrangements to sell the furniture, etc. in the hotel at 206 $\frac{1}{2}$ South San Pedro Street, to the owner of the property, Mr. I. Widess, but in order to complete the deal, it is necessary for me to have the enclosed paper signed by you and returned here to me as quickly as possible before I am evacuated, and so that I can complete the deal with Mr. Widess.

I am going to El Monte on Thursday, April 30th, and will give \$300.00 to your wife in satisfaction for the mortgage you hold on my furniture, and when you return the enclosed paper to me fully signed and notarized, I can complete my transaction with Mr. Widess.

I am well and hope you are the same, and that I will have a quick reply from you.

Apr. 8, 1942

Federal Reserve Custodian

Los Angeles, Calif.

Attn: Mr. Hopkins

Dear Mr. Hopkins:

In accordance with our telephone conversation, I am writing regarding the account of K. Sampei, a/c 19785-16-665, formerly of 319 N. Seaside Ave., Terminal Island, Calif. Mr. Sampei, purchased a B640 refrigerator from us in September 1940, serial number 40395404. His payments are in the amount of \$7.39 a month, with a present balance of \$125.63. The original balance was \$266.04.

We had an address for Mr. Sampei at 102 N. Atlantic, in Compton, but apparently he has left this address as well, and the neighbors do not know where he has gone. One neighbor was of the opinion that he had gone to Santa Anita.

We have had no word from Mr. Sampei regarding the disposition of the merchandise. We shall appreciate any help you can give us in locating the merchandise.

Very truly yours,

H. P. Gough

Recommendations of Counsel:

Miss Sato is American born. She owns the home where she lives at 1053 South Kenmore and is also the owner of income residence property, comprising three rentable units, at 1042, 1044 and 1044½ South Kenmore, unfurnished.

She has arranged with a friend to live in her own home, care for the property and furniture, and to assume the payment of taxes and utilities in return for use of the property as a home. I suggested that a letter written by her to the friend setting forth definitely the terms of the arrangement, signed by both Miss Sato and the friend, each keeping a duplicate original of the letter, would probably be adequate in connection with that property.

AS to the income property, she has decided to grant a power of attorney to a friend who has undertaken to manage and care for this property, collect rents, pay necessary bills, and so forth, on Miss Sato's behalf. She wanted to know what sort of a writing she should have for the protection of both herself and her friend. I recommended a special power of attorney. Miss Sato has no attorney and was anxious

to get the arrangements closed at once. I therefore undertook to *draft* a form of special power of attorney for her use in this instance, not only to assist her in the emergency, but also to provide specimen copies of a general type of form which is indicated for use in a considerable number of the cases going through this department. Two copies of this form were given to Miss Sato and the remaining copies, with a note of explanation attached to each, were delivered by me to Mr. Watkins on March 24th. (There will undoubtedly be many cases in which this department cannot, with propriety, assume the responsibility of furnishing legal counsel to applicants, and the drafting of powers of attorney and other legal documents on behalf of applicants, in the presence of an emergency, should be referred to counsel for the department for disposition.)

Dear Sir:

In connection with the request made to our representative, Mr. Hanson, by you regarding service station equipment you own at 3109 West Olympic Boulevard, Los Angeles, we have communicated with the owner of the property, Mrs. Grace Edgar Coe.

Mrs. Coe has informed us that prior to your evacuation you agreed to permit her to negotiate with any prospective tenant with a view to obtaining some type of income for the use of your service station equipment over and above the amount which she calculated as a fair rental. Mrs. Coe advised us that she is not interested in pressing you for the payment of any rental in connection with the lease you executed.

We would suggest that you write Mrs. Coe at 3109 West Olympic Boulevard, Los Angeles, and secure a reply from her stating your agreement.

Please let us know if we can be of further assistance to you.

Yours very truly,

Assistant Manager.

HISTORICAL EVACUATION PLAN IS COMPLETED.

Climate, water and soil are very good. No government assistance is necessary and this is a voluntary evacuation. Let's go to New Mexico, the Heavenly Place! The entire thing will be self-helping, self-governing. This is the information sent by Mr. Izumi, the manager, telephoned news from Phoenix, Arizona, dated noon, the 26th.

Reaching there the night before, the group went to see the place. Weather and everything is very satisfactory. We were very impressed with the fact that we were welcomed by the mayor and also by the Chamber of Commerce president. This site is situated about 15 miles southeast of Dominguez City. The soil is very fertile. We think it is very good for tomatoes, chili pepper, beans. Water can be found at between three hundred and six hundred feet. Already plans are made for five wells.

Feeling toward the Japanese by the residents of that district is to cooperate for the production of the nation. We have to be very careful of the feelings and attitudes of the residents of that neighboring place. The owner of the land and the mayor, with representatives of the Chamber of Commerce, had a meeting and agreed that this plan is to encourage the production of the nation and also this plan will not put the responsibility on the government and this is self evacuation and self governing. Therefore they all agreed to give recognition to this plan. We also have the assurance from the sheriff of that county.

Southern Pacific has agreed to give assistance in this evacuation. The army protection in that state will be given. They had a conference with the people of the Southern Pacific Railroad, which is about four miles away from this area, and they will give all possible assistance. Therefore, the family and farming utensils will be sent by freight. Therefore, we advise those who are coming into this group not to sell any of those things. This area already has electricity and gas conveniences, but until the houses are built tents will be used. The army promises to give protection.

SAMUEL P. NOVICK

May 14, 1942

To the Creditors of:

Sutematsu Shimizu, dba
L. A. Service Station #3
3534 So. Western Avenue
Los Angeles, Calif.

Gentlemen:

On the 28th day of April, 1942, this Debtor executed a general unconditional assignment, together with a power of attorney, to the undersigned for the benefit of his creditors.

Since receiving the assignment and power of attorney, the Assignee has thoroughly investigated the affairs of this Debtor. It appears that the Debtor formerly owned a cactus nursery located at 3111 South Western Avenue, this city. About two weeks prior to the assignment, the assets of this business were sold for a sum of \$300.00 and the proceeds therefrom placed in escrow with a local trust company. The claims filed under this escrow are considerably in excess of the amount available. One of the claims consists of a tax claim of the State of California for sales tax in the sum of approximately \$253.00. This claim, as you undoubtedly know, has a preference in law and it is quite obvious that this will have to be paid in full. It therefore appears that it will not be possible to close this escrow until some arrangement is worked out to adjust the preferred claims.

The assets of the service station located at 3534 South Western Avenue, this city, consist of a permanent building built on leased ground, together with the service station structure. The Debtor alleges that these structures when originally built cost in excess of \$10,000.00. The fixtures and equipment, outside of two gasoline pumps which were purchased on conditional sales contracts, and against which there is a balance of \$138.09, are quite old and it is doubtful whether very much can be realized for the same under a liquidation sale.

Every effort has been made for quite some time by the Assignee to secure a prospect who might be able to take over this

The records of the Debtor are incomplete and it is rather difficult to determine upon the exact amount of his liabilities. However, they are approximately as follows:

General unsecured creditors	\$ 1,577.89
Conditional sales contracts	✓ 138.00
County Taxes	✓ 52.22
Federal Income Tax, 1941	✓ 38.00
Sales Tax	✓ 253.00
Total	\$ 2,055.22

This is the situation under the assignment to date, and you may be sure that this office will do everything it possibly can to fully and completely protect the creditors. You will be kept advised of any new developments and in order that we may have verification of the indebtedness, will you at your convenience send us an itemized statement of your account?

Yours very truly,

Ralph Meyer

Principal property involved and scope of problem: Edward Shimatsukasa
(now in U. S. Army) leases 1 acre of land from Herbert C. Williams, 2567 Hope St., Huntington Park. On this land which is described as 4358 Bandini Blvd. Tenant has built house and out buildings with permission of land owner.
Tenant has now signed a contract with one Andre Bertala 3709 E 56th St to handle this property until he returns.
It appears that there is not a complete understanding between Bertala and Shimatsukasa particularly as regards remittance of rents collected, payment of land rent, taxes etc.

Action taken: * I suggested that for the best interests of all parties concerned these points should be clarified and that if Bertala and Mess. Shimatsukasa, who holds sons power of attorney, would come to this office we could immediately help them clear up the points in question

Dear Mr. Bold:

Thank you for your letter of April 30 regarding the inquiry I made at your office concerning the settlement of property located on the land leased by my brother, Edward Shimotsukasa.

I am happy to inform you that the matter has been settled with an amicable agreement between the parties concerned.

We have taken your suggestion and are leaving the property in the care of Mr. Bertola. He has agreed to lease us the land on which the property is located until the discharge of my brother from the U. S. Army, and also to deposit at our bank any money derived from renting the property.

Very truly yours,

Recommendations of Counsel:

In this case the applicant had received a letter from Harry Finkenstein, Esq., a Los Angeles attorney, requesting that immediate arrangements be made for the adjustment of rentals due under a lease of agricultural property located at Clearwater.

The circumstances were such that I personally called Mr. Finkenstein, and when he expressed a desire to cooperate with this department, I arranged to have the applicant call at Mr. Finkenstein's office for an interview. The lessor is Joseph G. Klepl. I told the applicant that in the event a satisfactory adjustment could not be worked out with Mr. Finkenstein, to let us know.

This interview occurred early in the week of March 16th and I have heard nothing further from the case.
