Principal property involved and scope of problem:

EIJI NAGAMI, a minor, reached majority on May 10th, 1942. On March 31st, 1942 he was the victim in an automobile accident, in which two automobile owners were charged with the cause for the accident, one being represented by Mr. Price, adjuster for General Accident Assurance Corporation, and the other by Mr. Lynn Watts of the Pacific Casualty Corporation. Mr. Price indicated disposition to settle providing the other company would participate, which Mr. Watts refused until settled by court of proper jurisdiction. In the meantime the Japanese had been evacuated and appealed to us to help him collect something for him to cover his medical costs of \$35.00, and had no attorney to handle this matter for him. He advised us of his attempt to settle by mail, but no headway could be made. Could we help him collect and settle the case?

Action taken:\*

Made appointment for each insurance company representative to appear at the Federal Reserve Bank offices, 707 South Spring Street, Los Angeles, and bring copies of police records, reports of investigators, and statements of witnesses. The facts indicated one driver guilty of driving over reasonable speed on Redondo Blvd. in 1200 block, south, and the other guilty of double parking. After appealing to each representative's sense of fairness, and stating our desire to aid and protect the Japanese evacuee, an offer of settlement to be subscribed to by each company for \$175.00 was arrived at an agreed to. The Japanese was presented with checks and gave each firm complete releases. CASE CLOSED.

MAY 22 REC'D

May 20th, 1942

Federal Reserve Bank,  
San Francisco, Calif.

Gentlemen:

We recently had a Japanese claimant, Eiji Nagami, who sustained injuries as the result of a two car accident in Los Angeles on March 31st, 1942, and we wish to compliment Mr. L.F. Sloan of the Los Angeles office of the Federal Reserve Bank who, by his diplomatic efforts, was able to negotiate a compromise settlement satisfactory to all parties concerned.

Mr. Sloan's handling of the matter avoided possible litigation, and consequently saved a great deal of time and expense, and we greatly appreciate the very businesslike manner in which Mr. L.F. Sloan handled this matter.

Very truly yours,

SAN PEDRO, CALIF. March 14, 1942

Director of Frozen Accounts  
Federal Reserve Bank  
Twelfth and Flower Streets  
Los Angeles, California

Dear Sir:

May I take a moment of your time to ask a few questions about our fish market which has been closed since December 7, 1941 by the Federal Reserve Bank.

First, will we ~~be~~ be able to open the market before we have to evacuate to remove some of our personal belongings?

Second, I have been paying rent for December, January, February, and March, and it is causing us hardship because we derive no income from the market. Some people have informed me that the government would help out in paying the rent, and I would like to know whether that is true or not. And how long must I keep paying rent on a business which I cannot operate??? The L. A. Harbor Board insists that I keep paying rent as long as I have my goods in the market.

I am an American citizen, my market is closed, and no reason has been given me as to why my market has been closed except that due consideration was given to my application to open.

Due to the fact that we will probably have to evacuate soon, may you be so kind as to inform me as to what I should do.

Thanking you for your time.

Yours truly,

*Arthur Nakahara*

Dear Mr. Naraki:

With reference to your letter of April 5, 1942, wherein you requested our assistance in consummating the sale of your grocery store at 850 Hawthorne Avenue, Hawthorne, California to the Reliable Sales Company, 5027 South Figueroa Street, Los Angeles, please be advised that the delay encountered in closing this transaction has been due to the filing of claims against you in the escrow. This is customary with the California State Board of Equalization and Department of Employment. These respective State officials were unable to make an immediate examination of your records as they did not have your street address to call on you for this purpose.

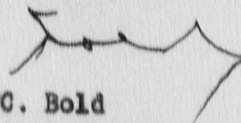

Releases of claims filed, by the Board of Equalization and Department of Employment, have been deposited in the Escrow. Also bills and costs in the amount of \$29.84 were paid by S. W. Kohn, the escrow holder, as set forth in the escrow statement.

The enclosed check in the sum of \$445.16 is net amount due after bills and cost were paid out of escrow.

Please have your signature witnessed on the enclosed escrow statement of Mr. S. W. Kohn and mail it to Mr. Kohn at 5027 South Figueroa Street, Los Angeles, California.

If we can be of any further service, please let us know.

Yours very truly,

Fred C. Bold

Dear Sir,

I am very sorry to trouble you, but since I have heard from different parties that the Federal Reserve Bank may help out the evacuees to settle some of the problems, I am wondering whether I may be helped with my problem.

I had a grocery store (selling meat, fruits and vegetables, liquor and etc.) on 850 So. Hawthorne Blvd. Hawthorne, California. But we had to evacuate, so I had, a Mr. Cohn - Auctioneer (I believe E. S. Cohn) of 5027 So. Figueroa Street, Los Angeles, auction the store on March 27, 1942 which was last month, and on the 28th, the following day, the day after the auction, I was to close the Escrow. I went to the Auctioneer's but ~~he~~ <sup>Mr. Cohn</sup> wasn't in and as I could not wait very long because I understood, I either evacuated by midnight that same day or stay frozen, so I left everything as it was. The store fixtures and goods were auctioned already, and I was not able to be there to close the escrow. I was wondering if the Federal Reserve Bank in some way may help <sup>to</sup> get some amount out of the auction for me as it was <sup>for</sup> everything we had. I would appreciate whatever <sup>amount</sup> I may receive.

Thanking you,  
Yours truly,  
Harry Narasaki

Principal property involved and scope of problem: Mr. Naraki sold his grocery business & fixtures at 850 So. Hawthorne ave Hawthorne, Calif to the Reliable Sales Co. (owned by S.W. Kohn) for \$47500, cash when crew closed. The regular claim liens were filed by the California State Board of Equalization and the Department of Employment. It was impossible for the Employment department to examine Naraki's books and give him a release as they could not locate him. I had them write a letter and have Naraki bring his books to their Fresno office for examination, which was done and the releases sent to the crew. Mr. Kohn the crew holder brought in a check for \$4516 payment in full as set forth in crew statement attached.

Principal property involved and scope of problem:

Blanche Nimura has asked me to re-open this case for a reason that Mrs. Oberwise is about to start foreclosure on the property. I phoned to the mortgagee, who is Mrs. Avnda Oberwise, and she came out to Santa Anita today, bringing with her a Mr. Clark.

After discussing the thing all over again, she has agreed verbally, in accordance with my suggestion to her, to accept the rent assignment and apply all of the income from the property first on the taxes, and then the balance to be credited on the indebtedness on the property. I have discussed this with Blanche Nimura, her mother, and all people concerned, and they all seem to think the arrangement will be satisfactory. Geo. W. Dickinson & Son, Realtors, at 729 Rives-Strong Building, Los Angeles, have been collecting the rents. Mrs. Nimura is writing to them and asking that whatever money they have collected be sent to her here at Santa Anita so that it can be given to Mrs. Oberwise for credit on the obligation. This seems to be a good solution to the whole problem.

REFERRED BY MR. BOLD

*W. G. Ketchum*  
M.A. 1 C. Recd

Dear Sir, Mr. Bold;

I thank you for your letter.  
Regarding to your letter of April 16, 1942  
about the discussion it concerned  
I am greatly pleased.

Will write to you plainly about  
the situation in which I am not  
satisfied.

I received only \$750<sup>00</sup> from Mr. Cain  
Had a buyer for \$3700<sup>00</sup>, I paid Mr.  
Cain the lessor \$600<sup>00</sup> in advance for  
last two months rent, regarding to  
the lease for five years, the lease  
does not expire until next year  
April 15, 1943.

Was deeply disappointed because,  
I had buyers for my apartment  
several times, but Mr. Cain the lessor

interfere each time when we had a buyers for the sacrificed price.

Mr. Cain forced us out and took over the apartment for only \$150<sup>00</sup>, because the \$600<sup>00</sup> was a security of the said lease for the last two months rent, Mr. Cain still put against me Chattle Mortgage that gave him all the tittle to his own beneficial.

Mr. Cain's lease call for the rent of \$300<sup>00</sup> a month. I paid to the said lease of \$300<sup>00</sup> per month for one year. The year after I could no longer pay up to the said lease, because the promised income for the month did not net enough for the up keep, therefore my wife and daughter went to Mr. Cain several times and asked reduction on the rent. For several months I paid \$275<sup>00</sup> for each months rent, there after for three years straight I paid \$250<sup>00</sup> per month to Mr. Cain, without missing a single months rent. During the three (3) years period Mr.

Cain accepted the rent of \$250<sup>00</sup> per month.

I had a buyers who was willing to pay the Cains \$250<sup>00</sup> a month rental and give me an offer of \$3,500<sup>00</sup> for the apartment, but the Cains raised the rent to \$275<sup>00</sup>, so the buyer quit. The week later another buyer came and offered me \$3,000<sup>00</sup> and the rental of \$275<sup>00</sup> a month, but again Mr Cain raised rent to \$300<sup>00</sup>, in this business manner Mr. Cain stopped all buyers.

After I had evacuated Mr. Cain gave my son \$750<sup>00</sup> and made my son sign a Bill of Sale, which Mr. Cain made himself. And not the proper Bill of Sale, which I myself should make. \$750<sup>00</sup> which my son brought to me after I had evacuated means to me \$600<sup>00</sup> I had put up for security of two months rent, plus \$150<sup>00</sup> for my property to which I estimate to the sum of \$5,300<sup>00</sup>. I bought all new furniture for replace of old, and painted the whole inside white and cleaned it.

Mr. Cain with his forces, took my property by his own benefit in advantage. Cains took my property for only \$150<sup>00</sup> and tries to sell for \$3,000<sup>00</sup> or more, if Mr. Cain sells out at any price the whole sum belongs to me, not Mr. Cain.

I had failed because Mr. + Mrs. Cain sr., taking to their advantage and course, but I am not through with the Cains. I have the release on the Chattle Mortgage and all the papers that required to the lease. To my knowledge Mr. Cain does not have my personal Bill of Sale, which should be nortorized by Public Nortory and signed by James R. Cain jr. and I Kunikiyo Nabeta. Mr. Cain sr. did not take over my apartment legally.

My attorney at law Mr. Moss and the Alien Property Custodian Mr. Woods tried very hard to get both Mr. Cain and myself to better agreement, but failed.

I had left Los Angeles in disgust and sorrow for what hardships I had accomplished during the four years I lost my wife there and now the only thing I had for the future was the selling and getting the reasonable price for the apartment.

I had evacuated to Salt Lake City and had my son Alfred to take care of the apartment, until Alfred sell it to my sacrificed price. But time counted so much Alfred too had to evacuate by March 29, 1942 March 27 my son wired to me that he could no longer stay in L.A. for voluntary evacuation, and Mr. & Mrs. Cain greed and hoard for my apartment took over the property.

I will again thank you Mr. Bold for your courtesy in asking about the situation.

Yours very truly,  
Kunitingo Nabeta

Dear Mr. Nobeta:

Your letter of May 11 has been received. Our files indicate clearly your desire to sell the Serene Apartments at 150 West 14th Street, Los Angeles.

We investigated the facts through Mr. Moss, your attorney, and inasmuch as you retained his services and he is familiar with all the facts, we have agreed that you should place the matter in his hands.

Undoubtedly his decision from a legal standpoint will permit a satisfactory settlement.
