Person Interviewed: William Butcher  
Address: 9341 Calif. Ave. Arlington  
Telephone Number: No

Principal property involved and scope of problem:

Mr. Butcher slated he had leased 50 acres to Akira Ishibashi to grow tomatoes on and that he had received \$750.00 rent and that Akira Ishibashi had plowed the whole tract

Mr. Butcher had not seen Ishibashi for about two weeks and had told him at that time he would not refund any rent money.

Mr. Butcher slated that he had it on good authority but had not verified it that some Cannery <sup>had</sup> advanced Ishibashi \$1000.00

Advised Mr. Butcher that Ishibashi had no doubt incurred an obligation to the Cannery and that the Cannery had an interest in the lease. After considerable conversation Mr. Butcher seemed to take a different attitude and said he would contact the Cannery and we stated that if Ishibashi came to this office we would have him contact Mr. Butcher.

Referred him to Wartime Farm Adjustment about crop.

Mr. Ernest G Button  
Alien Property Custodian

Dear Mr. Button:

I wish to inquire regarding the information on property in case of Evacuation.

I have built a building, investing \$5,000 on the structure alone on a ten years leased ground and am paying \$100 a month for ground rent having six more years to go.

The lease reads that in case of delinquency of rent the building goes to the owner of the land. In case of Evacuation we will be unable to pay any rent. Does that mean the building will be taken or is there some protection in case like this.

At present we are trying to sell the shop through one of the local Real Estate Firm but as yet have no prospective buyer.

What I particularly wish to know is what might become of the building if we are unable to dispose of the shop before Evacuation. Would appreciate very much if you could give me information regarding such case or possibly some good advice. Thank you for your kind attention and hope to hear from you soon.

Very truly yours,

Dear Mr. Button:

In reply to your letter of April 13th.

We have not as yet made definite arrangement with Mr. Boyd. We are expecting to see him very shortly as he said he'll be down after the 11th of this month.

We have one prospective buyer from Inglewood, Calif. The party asked us whether it'll be possible for us to stay until Mothers Day which is May 10th. It will be hard for them to be down before then as they are in a florist business too and Holiday means a lot to them.

Of course, we rather settle everything as soon as possible, but would like to ask you some idea as to how long we are allowed to stay around this location. In case we must evacuate very soon we must notify these people in Inglewood and make arrangement right away.

We are willing to do whatever we are told and would appreciate your kind assistance.

Mr. Paul R. Frink,  
Field Agent, WFA,  
720 State Highway,  
Indio, California.

Dear Mr. Frink:

Your letter of April 13th addressed to Mr. Ernest Button, Riverside, California, was referred to Mr. F. C. Bold, Federal Reserve Bank representative at this office. Mr. Bold has turned this correspondence over to me.

I talked to Mr. W. Palmer Fisher, the attorney for the Affiliated Merchants in Los Angeles, who represents the creditors of the evacuee, Harry Nakamura, P. O. Box 164, Indio, California. A Mr. Well is handling this particular litigation for Mr. Fisher. He informed me that it would be impossible for the truck or automobile to be released to Mr. Nakamura without some plan of liquidation of the debt. A release of this equipment would be considered if a satisfactory plan for repayment of the debts, for which this equipment has been taken as security, is submitted.

You state that there are thirty-three acres of very high-priced speculative crops, but do not give the names and acreages. If you can give me some definite information with a workable plan for the repayment of these debts, I shall be glad to try to assist you in this matter. It seems to me that perhaps the better thing to do would be to get a satisfactory replacement operator on this property.

IN REPLY REFER TO

Mr. Ernest Button  
Federal Reserve Representative  
c/o U.S. Employment Service  
3469 Main Street  
Riverside, California

Dear Mr. Button:

I have in my hands this morning a report concerning interests of a prospective evacuee, Harry Nakamura of P.O. Box 164, Indio, California. Mr. Nakamura both owns and leases land, has 33 acres of very high priced speculative crops. His present crops are financed to the extent of \$2500.00 with Tocchini & Dianda while another company by name of Citizens Produce Company claims \$2644.98 from past due finances. The latter Los Angeles firm evidently an American born Japanese corporation, has been forced to evacuate and has turned its accounts over to Attorney W. F. Fisher (354 South Spring Street, Los Angeles, phone Michigan 8783\*) representing the Affiliated Merchants (Los Angeles) which is a collection agency. The action number is 474951, Superior Court, Los Angeles County.

Accordingly, a 1½ ton GMC truck and a 1938 Plymouth car were immediately attached and impounded. This action concerns me from a farm operations viewpoint in that it has deprived Mr. Nakamura of transportation facilities in handling of crop produce and farm supplies. It will no doubt concern you from a custodial point of view.

In my opinion, this impounding action is a definite obstruction to the war effort and should be corrected immediately. If there is anything further that you wish me to do, please advise.

Very truly yours,

*Paul R. Frink*

Principal property involved and scope of problem:  
3 Room House and Barn, on 500 Acres of Pico Ranch, on which he has 5  
year lease which expires Sept. 1942 and the necessary equipment to operate.

70 Acres planted to onions has the ground prepared and enough potatoes to  
plant 35 acres to potatoes.

Nakata, is negotiating with a John P. Flemming of Whittier to purchase  
his interest for \$12,000 which he says is satisfactory. Is expecting Flemming to  
come to see him in the next few days.

Wanted to know if the deal was not all cash how he could protect his interest.

Action taken:\*  
Advised Nakata to take the matter up with his Bank or a Trust Company and  
arrange to give them power of attorney and complete instructions.

Also advised Nakata that if he will bring Mr. Flemming to this office when  
he arrives we will be glad to work out all details.

Also gave him the name of C. Motte, a rancher in  
his neighborhood, listed with us as wanting to lease  
some land.

Mr. F. C. Bold, Assistant Manager  
Federal Reserve Bank of San Francisco  
Evacuee Property Branch  
707 South Spring Street  
Los Angeles, California

Dear Mr. Bold:

Referring to your letter of March 26, 1942 with  
reference to interview report in name of Rauichi H. Ooka.

George B. Hibbard was informed about a blocked  
national and I later checked the "alien land law survey"  
made by the Sheriff and found that Rauichi H. Ooka, last  
entered the United States in 1906.

Yours truly

Field Representative

March 30th, 1942

Mr. Ernest G. Button, Field Representative  
Evacuee Property Department  
Federal Reserve Bank  
3469 Main Street  
Riverside, California

Dear Mr. Button:

Reference is made to your interview report dated March 26 in the name of Rauchi H. Ooka. It is noted that the status of the Japanese alien as to his re-entry into the United States and whether he is operating under a Treasury License is unknown, and that your advice was to the effect that there were no restrictions in dealing with Japanese.

We presume you understand that this would not apply to a blocked national of Japan. That is, a national who has entered the United States since June 17th, 1940 or has been out of this country since that date. In such a case it would be necessary to apply for a specific license, TFE-1 (revised) with the Federal Reserve Bank in San Francisco in order to engage in any transaction such as liquidating his assets.

Yours very truly,

Assistant Manager

Principal property involved and scope of problem:

Mrs. Shige Sakai has been leasing from Mrs. Yoshi Tanaka, 9 acres of land on a month verbal agreement and has the land all planted to asparagras which she is just beginning to market.

Mrs. Yoshi Tanaka, the owner has signed a lease renting the 9 acres to Ed Russell, 3979 Orange Street, Riverside, California, without fully providing for the payment to Mrs. Shige Sakai the tennant the amount she feels she is entitled to for the crop.

Mrs. Shige Sakai the tennant has a party E.A. Dunn 3632 F. Street, San Bernardino who will take over Ed Russells lease and pay her the full amount she is asking for the crop and Mrs. Yoshi Tanaka the owner is willing to make a new lease with Mr. Dunn. Ed Russell takes the stand that as Mrs. Yoshi Tanaka, the owner has signed a lease with him it is his property and ~~has signed a lease with~~ has ordered Mrs. Shige Sakai, the tennant off the place.

Mrs. Shige Sakai and Mrs. Yoshi Tanaka wanted to know what their leagal rights were.

Action taken:\*

Advised that if all parties wished to ascertain what their legal rights were, they would have to seek legal advise elsewhere as we could not give it but if they wished to work out a compromise we would be happy to assist.

After considerable conversations and as all parties to the deal were present, advised them to go back to the lawyer who drew the lease and give him all the facts and see what he would advise.

P.S. Later phoned the lawyer and he states that the Russell lease was in his hands and that all has agreed to give Mr. Russell until Friday the 3rd of April to meet Mr. Dunns proposition and if he did not the lease was to be Handled by: *Ebr*

Mr. Fred C. Bold  
Assistant Manager  
Los Angeles Branch,  
Federal Reserve Bank of San Francisco.

Dear Mr. Bold:

This is in reply to your letter dated April 17th, with reference to the disposition of property owned by myself and my brothers.

Upon your advice, I have made arrangements to retain title to the land, and to have it rented during our absence. I have given a good friend the Power of Attorney, and he is to look after the property. This disposition of the property has been recorded with the Riverside office of the Evacuee Property Department, since I have moved to Riverside after receiving your letter.

I believe that this takes care of this matter, and I want to thank you very sincerely for your advice and attention in this matter. I'm sorry I didn't notify you of this sooner, but until your letter came, I thought it was not necessary since the Riverside office recorded the disposition.

very truly yours,

*Harry T. Teshima*

Dear Sir:

I am writing to you for information regarding the best disposition of the property my two brothers and I own. We are all of age and are citizens of only the United States. We have a clear title to the property, which is residential. It consists of two lots and a house and garage, located in Riverside California. At present our parents are living there.

If possible, we would like to retain full title to the property, and return to it after the War is over. We thought of hiring a real estate agent to be responsible for it and rent it. I would like to know if this would be satisfactory, and legal. If not, please advise, as to the best disposition.

Sincerely,

*Harry T. Teshima*
