RE: Alfred Y. Obayashi
527 Fifth Avenue and
421 Market Street
San Diego, California

Dear Jim:

With reference to the above matter which you telephoned me about, I wish to advise you that today the State Board of Equalization approved the recommendation of the State Liquor Administrator canceling or revoking all licenses where questions of Japanese or alien enemy ownership was involved.

For your information, in the limited number of cases where, as in the above case, the Federal Reserve Bank or a federal agency has indicated a desire to have a transfer approved, you should avail yourself of the provisions of Section 45 of the Alcoholic Beverage Control Act and within ten days after official notice apply for a de novo hearing where the Board can consider the merits of the case and grant relief where justified. The action taken today will expedite rather than hinder progress in this matter.

I will be back in Los Angeles Friday of this week and will discuss the matter in more detail if you wish to give me a ring.

Kindest personal regards,

Sincerely yours,

WM. G. BONELLI,
Member

Mr. Wood, Field Representative
Evacuee Property Department
Federal Reserve Bank of San Francisco
General Delivery
Oceanside, California

Dear Mr. Wood:

We are forwarding herewith information in connection with two cases that are living in the Oceanside territory, and in case #1, Okina Masanori, P.O. Box 547, Oceanside, California, problem concerns a refrigerator which this party purchased for \$263.00, remaining contract \$80.00; also, 1936 International Truck-cost, \$545.00, contract \$440.00. This party called at this office on April 1, regarding what to do about his property and I thought perhaps you could chase it down further from your office.

Case #2 is Okasaki, Masato, General Delivery, San Marcus, California. This party has a five year lease to operate eight acres. The lease calls for payments of \$200.00 per year, and has one more year to go. Okasaki built a small home on this property that is worth about \$150.00. He also has other equipment worth about \$100.00, such as irrigation pipe, etc. The owner in fee, W. C. Burnhln, is now demanding Okasaki pay the \$200.00 for the next year's lease which he will not be able to use by reason of evacuation. Burnhln is threatening to attach building and personal property to enforce payment on this lease. I understand this party is a toughay. Suggest you contact if you desire.

ATTENTION MR. F. J. BRICE
Property Evacuee Department

Gentlemen:

Referring to our telephone conversation this morning in regard to our purchase of 99 crates of cauliflower from George Segawa, of Nestor, California, and five acres of cauliflower from Kazukiyo Oto, of Palm City, California, note you say that the market price on cauliflower was around \$1.00 a crate.

We will agree with you that this is correct, but in explanation want you to know that \$1.00 per crate in the shipping market means that the cauliflower is packed in a wooden crate, hauled to shipping point and loaded on the car, and this \$1.00 takes into consideration the cost of the cauliflower to the farmer, the cost of the packing, cost of the hauling, cost of the crate and cost of the loading, which will total approximately 95¢ per crate when paying the farmer 50¢ for the cauliflower. In other words, the \$1.00 price does not mean that the farmer gets \$1.00 for his cauliflower.

We also might mention that we were handling cauliflower in other districts and paid the farmers 50¢ per crate for their cauliflower, we standing all packing costs, hauling, crate material and loading costs.

In regard to the purchase of five acres of cauliflower from Kazukiyo Oto, we had an agreement with several cauliflower growers in the Palm City district that we would buy their entire acreage at \$80.00 an acre, less cost of surveying. We secured a licensed surveyor, William O. Heathcote, of San Diego, Calif., to survey the different patches of cauliflower, and we paid each one of the growers on the basis of the agreed price, as mentioned above.

Therefore, we are unable to understand why Mr. Oto, or anyone representing him, should have any question concerning this transaction. The only thing the writer can say is that evidently the party who made the complaint is not familiar with the produce business and did not understand, as in the case of Segawa, that the price made to the farmer for the commodity alone does not constitute selling price when loaded on board cars, as there are many operations to be taken into consideration between.

2--Federal Reserve Bank of San Francisco

In closing, we would appreciate it very much if you would get in touch with the California Bank, Market & Produce Branch, in regard to the integrity of the Jones & Kavanagh Co. and their method of operating.

We trust the above fully explains these two operations, and if any additional information is needed by you, we shall be pleased to give it to you.

Yours very truly,

JONES & KAVANAGH CO. LTD.

The person interviewed is a US Citizen and is a stock holder in the above company. The company owns property at place of business and conducts a hotel and general merchandising business. There is now a considerable amount of stock on hand valued at about \$1800 each in stock that has been blocked. (Stock is locked up by FBI).

The officers of this company are aliens and have been interned in various places, leaving no one here with proper authority to conduct the business. The business is now closed but there is an opportunity to lease the hotel.

Action taken: * Had interview with the company attorney.

Mr. Goodman and suggested they call special meeting of the stock holders for purpose of electing new Board of Directors and designating some one here with authority to conduct the business — or clean it up.

Dear Mr Kircher,

On March 28th 1942 I
had a Consultation with you in reference
to the selling of my business site which

At that time the interested

me. You therefore advised me to take
Mrs. O'Connor to see Mr. L. J. Peterson
(Escrow officer) of the Bank of America

Sq. on Wed. April 22nd I sent a wire to Mr Peterson asking him if he could explain the delay.

We received a wire in return that he would close escrow immediately however we received a letter to day April 25th. from Mr Peterson in which he states that it would require more time for settlement.

So Mr Fircher I am appealing to you for it is most imperative that this matter be expedited

Anything that you can do to hasten this matter would be greatly appreciated by me. Trusting that you give this your immediate attention.

I remain most sincerely

Mr George Yamasaki

Mrs. O'Connor agreed to purchase my business - therefore on that same date March 28th, 1942. Mrs. O'Connor placed the sale price of my business in Escrow at the Bank of America.

Since then I had received a letter from Mr L. J. Peterson, (Escrow officer) Bank of America, dated April 9th, 1942. In which he stated in part that they were furnished with Gas. bills the amounts of \$ 3.25 and \$2.69 - and that if I approved for payment of this amount from funds in this escrow that I should sign the enclosed instructions and return same as soon as possible.
