March 18, 1942

Mrs. Frank LeConte,
Route 1, Box 200,
Livermore, California.

Dear Madam:

Reference is made to your letter dated March 16, 1942, relating to your desire to obtain a moratorium on the indebtedness on your property in the event that you evacuate from this area.

Wherever possible, we believe it is desirable that evacuees make whatever arrangements as will be most satisfactory to themselves and to their creditors, through private negotiations, if it is possible to do so. We suggest that you get in touch with the mortgagee of your property and discuss the situation with him to determine whether any equitable arrangement could be worked out if you decide to evacuate. We understand that no time limit has yet been set for evacuation, so that an opportunity for reasonable negotiation should be presented.

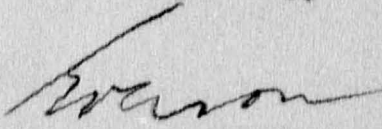

We have called upon all of the banks in the "military areas" to render assistance to persons who may be subject to the evacuation order, and it is suggested that you might contact whichever bank you desire at Livermore for assistance.

We are establishing Field Representatives in the offices of the U.S. Employment Service at Twelfth and Oak Streets in Oakland, and at 963-67 "C" Street in Hayward, where they will be available for consultation with you should you desire to call at either of those offices. Copies of your letter and our reply are going forward to those offices for the information of our Field Representatives.

Yours very truly,

cc: Field Representative ✓

Attention: E. N. Fourcans
Cashier

Dear Sirs:

Reference is made to your letter of April 18, 1942, relative to a real estate transaction involving as co-purchaser a woman of Japanese birth.

X We assume that the Stiremans are United States citizens or generally licensed nationals. If this is true, the sale may be effected without special license, providing Kumeyo Lewis is licensed under General License No. 68A, as amended, a copy of which is enclosed for your reference.

If you find that Mrs. Lewis has not been in the United States at all times on and since June 17, 1940, or for some other reason does not qualify under General License No. 68A, the enclosed application forms for a special license may be completed and returned to this office. If an application is filed on behalf of Mr. and Mrs. Lewis, it should set forth the full names and citizenship status of all parties involved and request authority to complete the purchase.

While the Treasury Department does not concern itself with California statutes, it occurs to us that possibly Mrs. Lewis is not authorized to own real estate under California law, in which case a license from this office would be valueless.

Yours very truly,

Gentlemen: Atten: Foreign Alien Control Dept.

We are handling for collection an agreement for sale of real estate covering realty property in South San Francisco, which May Stireman and Edward Stireman are selling to Ralph T. Lewis, an American citizen, and Kumeyo Lewis, who is a native born Japanese woman.

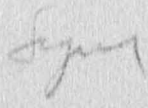

There is a sale pending from Mr. Lewis and his wife to another party, which is being handled through the office of D. W. Ratto, Agent.

Before dealing with Mr. and Mrs. Lewis, we would like to have a license or permit to handle this transaction, as we are dealing with a native born Japanese woman.

Will it be necessary for the real estate agent to also have a license as well as the bank?

Your early reply will be very much appreciated.

Very truly yours,

Dear Mr. Weeks:

Thank you for your letter of May 28th. I am glad that you approve of our settlements with the Japanese evacuated from the Canal Ranch so far as their automobiles and trucks are concerned, and from our conversations I know you approve of the settlements that have been made with them for their crops. I am outlining herein what we have done.

All of our leases here were with American citizens of Japanese descent, and the leases contained a clause calling for a thirty-day notice of cancellation prior to any December 31st. Immediately after the bombing of Pearl Harbor we asked our tenants to waive this notice, as we realized that conditions could happen which would have us all tied up for another year without bringing things to a peaceful termination. This was conceded.

By March 1st our tenants themselves had become very uneasy and felt that the money they were spending on their tomato beds and that they had already spent on the asparagus would be lost if they were unable to be here to complete the harvest of their crops. So a complete termination was arranged, allowing each individual a credit for all of his work on tomatoes and asparagus. Inasmuch as this work was done largely by the families, their own time was figured at prevailing wages. We also credited for supplies on hand, such as gas, oil, fuel, etc.

Certified statements of each tenant's account were given them when they left the Canal Ranch, showing the entries which had been made on our books in San Francisco. These credit balances on evacuation day were as follows:

Saddle Yagi	\$5,624.50
Fumio Nishida	6,447.44
Bob Sofye	1,877.93
Eddie Sasaki	3,924.75

The acreages farmed by these tenants at the time of cancellation of the leases were as follows:

Saddle Yagi	457
Fumio Nishida	355
Bob Sofye	148
Eddie Sasaki	336

Following cancellation of their leases, all of these tenants and their employees worked for us on an hourly basis until their evacuation.

We have already reported to you on the disposition of their automobiles. The question of the tractors and farm implements was worked out on a lease agreement, subject to cancellation by either party on sixty days' notice. A fair valuation was agreed upon for all of their implements, which we rented at 15% of that valuation per year. After two years we have the right to purchase this equipment at the valuations set, less depreciation of 10% per year. These equipment values were set as follows:

Saddle Yagi	\$7,328.00
Fumio Nishida	1,180.00
Bob Sofye	1,652.00
Eddie Sasaki	645.00

Their personal effects--furniture, ice boxes, etc.--were stored here in a building at headquarters and fire insurance was taken out covering them.

Since these tenants are all of draft age and might be drafted into the U. W. Army, or might in some other way be separated from their families, letters were left with us authorizing us to pay regular sums to their families for sustenance.

You were interested in our conversations relating to the pioneer families who were here on the ranch for a great many years. The following data gives their stories:

Yoshiho Nishida and wife--Japanese nationals--35 years in California. Tenant for Sloan Seed Co. when Libby purchased the Canal Ranch in 1919; except for one year on the Barnhart Tract, has been with Libby continuously for 23 years. Their children were all born here--three boys, Fumio, 23, who took his father's place and became our tenant in 1939 (was studying agricultural chemistry at Univ. of Calif.) Jimmie, 21, was attending Univ. of Calif. at Davis; Roy, 15, attending Galt High School; two girls, Minnie, 25 and Betty, 19.

Ikuharu (Charlie) Sofye and wife--Japanese nationals--42 years in California. Employed by Libby since 1921 except for two years when we gave up a piece of land he was farming for us, but he returned as soon as we had another camp available. All his children were born on Canal Ranch except two oldest girls, who were born in this vicinity however. One boy, Bob, 20, graduated from Galt High School and became our tenant in 1939. Five girls, Alice, 23; Dorothy, 22; Sharon, 16; Masako, 12; and Yoshiko, 10.

Tiejiro Yagi and wife--Japanese nationals--48 years in California. Employed by Libby in 1927 and in continuous service since. Fifteen children, three grandchildren. Seven boys--Sadayoshi, 30, born at Vorden, Sacramento County, married and became a farm contractor for us in 1934 and tenant in 1939; operated 900 acres on Ryer Island for Libby 1937-41, also continuing as tenant on Canal Ranch from 1939 to March 1, 1942. Tom, 28, attended Johns Hopkins Univ. at Baltimore; now in Medical Corps of U. S. Army at Fort Robinson, Arkansas. Five more boys--twins, Joe and Bill, 21; Frank, 18; George, 17; Noboru, 14. Eight girls--Bertha, 29 (married and was living in Marysville; two children); Ruby, 27 (married, one child); Nancy, 26; Doris, 24; Elsie, 19; Chizuko, 15; Tomiko, 12; Tokuko, 10. All evacuated from the Canal Ranch May 21, 1942, except Tom, who is in the Army, and Bertha and her husband and two children, who were in Marysville.

Respectfully yours,

LIBBY, MCNEILL & LIBBY

Mr. R. O. Lincoln,
Santa Cruz,
California.

Dear Sir:

This will acknowledge receipt of your letter dated March 12, 1942 relating to your interest in bulb and berry properties.

We will be pleased to hold available in our file the fact of your interest and will call upon you should the occasion present itself.

We note that you have already been in contact with the Japanese in your community and believe it to be well approach the matter on the basis of private transactions, inasmuch as the present occupants of the properties are largely in the position to transact business on that basis.

For the purpose of clarifying your understanding of our position as expressed in your letter, we might say that we are not acting in the capacity of Alien Property Custodian, which office has otherwise been filled, but are endeavoring to lend our full assistance to the evacuees in advising and assisting them in matters relating to the equitable disposition of their properties in connection with the evacuation program.

Yours very truly,

Dear Sir:

In connection with your work as co-ordinator for the aliens who have been ordered back from the coast wherein the papers state that you, as head of the Federal Reserve Bank in San Francisco, will have the sale, lease and disposition of the property and crops of said aliens.

This letter has to do with the growing of bulbs and berries. I have been active the past twenty to thirty years in growing both bulbs and berries in this community, employing chinese for the work.

In case you have assigned to the bank bulbs and berries, or have such items to offer (being a perishable crop) I believe that we could be of mutual benefit to each other.

For your information, I have made offers to the Japanese in this community for their crops on a share basis, distributing the work to chinese and to others where "stoop labor" is not concerned. As long as the Chinese labor is available, I am in a position to accept more berry growing.

Very truly yours,

It is suggested that if you have a particular piece of property in mind, you contact the present occupant or owner of the premises in an endeavor to make your arrangements on a private basis, inasmuch as for the most part the persons involved will be in a position to transact business on that basis.

While it is possible that some property of the nature in which you have expressed an interest will come to our attention in the course of our program of advising and assisting evacuees in the equitable disposition of their properties, we have no such property before us at the present time. Dear Sir:

Reference is made to your letter dated March 13, 1942 calling attention to the problem confronting you with respect to obtaining financing for your current requirements, and with respect to the harvesting of crops.

Within the next few days the office of the U.S. Employment Service at 622 Nineteenth Street, Merced, California will be staffed with representatives of the Evacuee Property Department of this bank, the Federal Security Agency, and the Farm Security Administration. These representatives will endeavor to be helpful to you in meeting the problems which are confronting you in the face of the evacuation program.

It is suggested that in the near future you contact that office and present your problem to our representative, and to the representative of the Farm Security Administration because of its agricultural character.

We understand that the Farm Security Administration is endeavoring to solve problems of this character and trust that you will find help through the Merced office.

We are forwarding a copy of your letter as well as a copy of this reply to the office at Merced for its attention.

LIVINGSTON FRUIT EXCHANGE, INC.
LIVINGSTON, CALIFORNIA

March 13, 1942

Federal Reserve Bank of S. F.
Sansome and Sacramento Streets
San Francisco, California

Attention: Mr. Leo T. Crowley

Dear Sir:

I urgently call your attention to certain pertinent facts concerning our financial requirement for the proper execution of necessary farming practices. Our corporation known as Livingston Fruit Exchange, numbering some 37 members, own and operate 1500 acres of grapes, peaches, nuts and truck crops.

Up to last year, we have been borrowing up to \$10,000.00 on our crops from the local bank and the California Fruit Exchange to "tide us over" until we begin to get our receipts from the sale of our products. However, this year we are faced with an entirely new problem. All the lending agencies have refused to loan us any money to carry on operations of our farms because of obvious uncertainty created by pending evacuation order. On the other hand the Government wants us to continue normal operations, and needless to say, we have every intention of complying until the very last day.

The question is, can some funds be made available to us soon from the local bank or any other institution, or if not can we have some assurance that we will be able to harvest our crops and on the basis of that get a loan.

The vineyard expense from now requires about \$3.00 per acre per month. This includes tractor work and other labor incidental to normal farming practices. Also, in April and June we have county taxes and irrigation taxes to pay. Aside from our requirements, there are many tomato growers who have plants ready to put in the field, but lack adequate finance to go ahead with the project. Therefore, I trust that you will through your office find a definite solution which will be of mutual benefit to us all.

Thanking you in advance for any service along this line, I wish to remain

Re: Storage for Loomis, Penryn, Newcastle
and Auburn at Roseville, California

Dear Sir:

On the fourth instant, through the good efforts of M. J. Royer, President of the Citizens' Bank of Roseville, Roseville, California, I was introduced to Messrs. Charles and Joseph Livoti, who own the Livoti Olive Oil and Winery Company at Roseville. These people have storage space in their winery approximating 3840 square feet. It is a brick building with concrete floors and an ideal set-up for storage for Placer County evacuees.

We will be able, upon your instruction, to lease this property on the usual 90-days with three options of ninety days, at a monthly rental of 11¢ a square foot, plus lights, which will be a small feature.

It is the intention of this office to concentrate all the storage from Auburn, Newcastle, Penryn and Loomis in this building. We would like to have your permission to close this lease.

Very truly yours,

Mrs. H. H. Mercer,
3040 33d Street,
Sacramento, California.

Dear Sir:

Reference is made to your letter dated August 17, 1942, informing us of the problem relating to the rental of certain residence property in Sacramento to a tenant who is now under detention in San Francisco.

We are inclined to concur in the suggestion made to you by the Federal Bureau of Investigation that you continue to endeavor to contact the tenant regarding the disposition of his furniture.

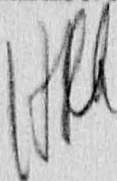

This bank has no jurisdiction over the household furnishings of internees and is, therefore, unable to be of assistance to you in this matter. It is possible, however, that the War Relocation Authority, which has offices at the Hotel Whitcomb, San Francisco, may have some interest in the matter. If you continue to be unsuccessful in obtaining a response from Mr. Lombardo, it might be advisable to communicate with that agency.

Yours very truly,

Assistant Cashier.

Dear Sirs:

I have been advised by your representative here to write you concerning the following.

I am the owner of property or Duplex at 2117-2119, 23 Street Sacramento, Johnny Lombardo, my tenant that rents one side, 2119 was taken by the F.B.I about July 26 as an enemy alien and as I understand is waiting trial at 801 Silver ave San Francisco. His rent paid untill to-morrow August 18. He owns furniture, the premises are locked up.

Please understand that I have to depend on the rent from this unit to make my payment on the property.

I contacted the F.B.I office here in Sacramento and they advised me to write Mr Lombardo as to his plans and disposition of the furniture, so far I have heard nothing from him.

Could you advise me as soon as possible as to what can be done that I may be able to rent said property so as to make my payment as per schedule.

Thanking you
Respectfully,

Dear Mr. Gray:

It was quite a novel experience to travel thru this part of the country. It seems strange that just a border-line can make such a difference between states. Just between as I think California has it all over Arizona, New Mexico & Texas!

I was unable to go down to the bank the following morning, so Mr. Le Masters said he would send the papers here to be signed, however, as yet I have not received them. It maybe he thought it better to wait since speed is not a necessity, so I will write him when I know what address to send.

May I take this opportunity

of thanking you, Mr. Gray; for
your kindness? When the funds
are released from the Yokohama
Specie Bank we will have to
celebrate. I hope it will be possible
to return to California by then.

I have heard they are making
some exceptions for Japanese
to remain in San Francisco. Is
this true & do you think there
would be any possibility of return-
ing soon?

Thanking you once again for
your kindness. Hoping this finds
you well.

Evacuees owning a total of about 10 or 12 automobiles and trucks were having a very difficult time in disposing of them. We advised them to leave a description of the cars with us and we would attempt to contact buyers.

Thomas F. Lopez, Esquire,
Attorney at Law,
Helm Building,
Fresno, California.

Dear Sir:

Reference is made to your letter dated March 12, 1942 inquiring as to the disposition of leasehold interests of Japanese and Italian tenants in buildings owned by an estate you represent, in the event of evacuation of such persons from that area.

As to the matter of assignment of leasehold interests from alien to American citizen Japanese, it would appear to be questionable whether such transactions would solve the problem confronting you in view of the apparent intention that both alien Japanese and persons of Japanese ancestry be evacuated from the recently designated "military areas".

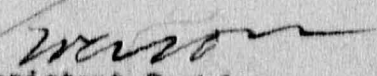

In the matter of the effect upon a lease through the evacuation of the lessee, no rigid guide has been laid down in this connection. Undoubtedly the legal effect of such a situation would be a matter for your own determination.

As to the possibility of an evacuation from the military areas, no time appears to have been set for such a step, although the effect of the published proclamation recently made by the military authorities would seem to be to give warning of such a possibility.

It is the purpose of this bank to assist the evacuees in making equitable disposition of their property holdings, and we are suggesting that they take such steps as can be undertaken through private negotiations to solve their problems. It would seem that particularly with respect to your Japanese tenants it would be helpful if they had in mind other persons who might be prepared to take over their leaseholds in the event of their evacuation if they care to dispose of them, although there would be no compulsion upon them to dispose of such holdings if they desired to retain them.

We are requesting the banks in your locality to make themselves available for advice and discussion of problems relating to the evacuation of persons from these areas, and suggest that you may be able to obtain further information from those sources.

Yours very truly,

Assistant Cashier.

Dear Sirs:

Several days ago I wrote to the Treasury Department for some information concerning alien enemies. I this day received a reply from the United States Attorney, Northern District of California, wherein he states that the letter was turned over to their office. In the letter they suggest that I contact your Institution.

I represent an estate that owns some buildings in the city of Fresno. They are located in what is known as "cross-the-tracks" and inhabited by Japanese and Italians. The estate owns several large buildings, such as hotels and theaters in that district that are under lease to alien Japanese. They are under written leases that have been in effect for several years and some of them won't expire for three or four years.

We have heard rumors that that all Japanese will be evacuated. I am concerned because of the estate's interest in the buildings. Should an order come that all Japanese must evacuate immediately we would find ourselves with considerable property, with no rent, which would be a big loss. Some of our lessees have intimated that they want to sell their leases to Native-born Japanese. Some of the questions we would like to know, if possible, in order to protect our interests would be:

1. whether an Alien-Japanese would be permitted to assign his lease to a Native-Born Japanese?
2. if an Alien-born Japanese is compelled to evacuate would that of itself constitute a cancellation of a lease that he would have on property?

These are questions that the United States Attorneys says he cannot answer at this time but probably could be answered by your Institution. We feel that the Government should give a reasonable warning of what it intends to do to property owners and to alien enemies so that they could take the proper steps to protect their interest. If our renters will be compelled to evacuate and cannot dispose of their leases to other Native-born, then we would proceed to line up other

Address: Same San Francisco

Telephone Number: _____

Principal property involved and scope of problem:

Mrs. Dorothy Chioia, 656-9th Ave Phone Bayview 1529 had laundry done by Louis Cleaning & Dying in amount \$6.75. An repeated attempt by K. Suzuki to collect this amount has failed and on evacuation from Control Station at 2031 Bush St S.F., to Tanforan reported this case. Sarge has phoned or called & collect about 15 times but has experienced repeated evasion.

I have called by phone, Mrs Chioia at Bayview 1529, five or six times. maid answered and says Mrs. Chioia not home and hangs up phone refusing to tell where she is or when she will be home. This appears to be a case of evasion of debt.

Dear Mr. Gibson

Thank you very, very much for
your splendid help which you have
rendered to me and to my fellow

evacuation of Hayward district.

Today I want to inform you
that the typewriter, which you were
so helpful to me, has not arrived yet.

Mr. William Katen, whom I have purchased
his typewriter, has promised to me and
to you that the machine will be
mailed to this camp. I was waiting
every day in the hope that I might
receive the portable. It is now
exactly thirty days since I left
Hayward.

Mr. Gibson, will you kindly help
me one more so that I would receive

this machine in a hurry? I am

Dear Sir:

I have just received your letter. It was stated that the three methods of disposing the equipments were to put them in storage, to liquidate them through a Caucasian attorney, or to rent them. It is most convenient to me to sell all of the equipments: and as a Caucasian attorney is required, I would fully appreciate your part as such. Therefore, I grant to you, Mr. A. E. Levinson, the power to sell all of my equipments, which have been left at 1627 Powell Street.

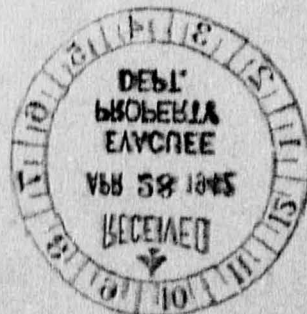

The fee for your service, you may deduct from the money received for the equipments and the balance would be appreciated by me if you will send to me, as I am in need of money greatly.

Give my regards to Mr. McElroy and Mr. Mack, and thanks for all the services they have rendered me.

Thank you very much for your interest and effort.

Sincerely,

(signed) Akira Kubota

Abandoned Laundry at 1627 Powell St. belonging to Akira Kubota located in a building leased from Eugenia J. Morrison and Agnes E. Morrison who have as their real estate agent R. D. McElroy and Son. Mr. A.E. Levinson is attorney for the owners of the property and he had telephoned + interviewed our Mr. Anager and as a result had written a letter confirming what he had asked about. He sent an inventory of the heavier laundry equipment that had been abandoned in the building.

Action taken: * I got keys from agent and checked property. All items on the inventory with Mr. Levinson's letter except the press and hand iron were firmly affixed to the building and seemed to be in fair condition and good operating order = Machinery was belted up etc. In addition there were items of personal furniture, including 4 chairs, tables, an old photograph, a bed mattress, couch, chest of drawers, dishes also some boxes and small trunks. - An obvious case of abandonment.

Re: A. Kubota

Dear Mr. Mager:-

Confirming my conversation with you of Saturday last, this is to advise you that I represent Eugenia J. Morrison and Agnes E. Morrison, the owners of real property located at 1627-37 Powell Street, San Francisco.

This property is leased to a Japanese, A. Kubota, doing business as Columbus Laundry. He occupied the premises on a lease running from September 1, 1939, to August 1, 1954. The lease provides for rent of \$50.00 per month for the period ending August 31, 1944, and thereafter for rent of \$100.00 per month for the remaining period of the lease. Rent at the rate of \$50.00 has been paid up to and including April 1, 1942.

By phone

This Japanese was evacuated on April 6 or 7th, and turned in the keys of the premises to the office of R. D. McElroy & Son, Agents for the owners. However, at the time of his departure, the tenant left in the premises certain laundry equipment and machinery consisting of washers and mangles, a list of which I enclose. The owners of the premises wish to make other arrangements concerning the rental of the building and would like to dispose of this equipment. So far as I can ascertain no instructions were left by the Japanese in question as to its disposition and no power of attorney was given to anyone, that I know of.

Principal property involved and scope of problem:

Involves abandonment of Laundry Equipment
at 1627 Powell St.

Eugenia and Agnes Morrison through their agent R.D. McElroy and Son leased their Building at 1627 Powell St. to a Japanese by the name of A. Kabota who operated business known as the Columbus Laundry. Kabota was evacuated on April 6th before leaving he returned the keys to the building to the girl in the Real Estate office (McElroy & Son) having no message. On investigation they found he had left the Laundry equipment in the Building, I do not know the names of the different pieces or just how many there are and come to ask you to remove them from the building. I do not know if he did or did not give a power of attorney.

Action taken: *To anyone the lease runs for a period of years, involves about \$5,000 payable \$100 per month. No money was put up to secure the lease, further the tenant did about \$1500 worth of repairs, rent is paid to date.

Do to the unusual circumstances of this, and rather meager information regarding the equipment Mr. Levinson will assemble complete data and write us a complete story.

We have no laundries here, formerly belonging to evacuees, that have not been sold or leased.

It has occurred to us that very likely in one of the larger cities being evacuated there might be a complete laundry equipment installation that would be for sale of a type that would suit a hospital.

Possibly, your agent in San Francisco, Oakland, Sacramento, Stockton, or Fresno might have such an inquiry.

You will find enclosed a copy of a letter from an evacuee, Harry H. Aoyagi, presently at the Gila River War Relocation Project.

Prior to his removal we were of some assistance to Aoyagi in the liquidation of his business, known as the Dixon Steam Laundry. Some difficulties were encountered in clearing title as the purchaser, a Chinese by the name of Tom Wong, did not possess satisfactory birth certificate. In correspondence with the First National Bank of Dixon, Dixon, California, we effected completion of the sale.

At no time, however, were we consulted about the collections mentioned in the enclosed letter.

In view of his residence in a Relocation Project, we are therefore submitting the matter to you. There is also enclosed a copy of our reply indicating reference to you of this matter.

We've waited about 20 days and we

still haven't received any information

He was busy and couldn't make that

Is there any way we could rush

Mr. John T. Allen, Attorney,

San Francisco 3, California.

Dear Mr. Allen:

Re: Yasuake Charlie Yamamoto.
Eastern Cleaners.

In response to your letter of August 4, 1950, we are enclosing copies of interview memorandum sheets dated March 12, 16, 17, 1942 and April 18, 1942, which are the only records in our files relating to the subject.

We have no record of the purported interview at this bank with respect to the storage of household goods. During the period that we were handling evacuee property matters we were always ready to arrange storage facilities and at no time were such facilities full. However, our records indicate that jurisdiction of practically all evacuee property held in storage for residents in the San Francisco area was turned over to the War Relocation Authority on May 12, 1942. Under the circumstances it might have been possible that it was suggested to Mr. Yamamoto that he contact the War Relocation Authority or otherwise arrange for storage himself.

It is our understanding that after records have been reviewed by your office, they will be returned to this bank. We shall appreciate your acknowledging receipt of these documents by signing and returning to us the enclosed copy of this letter.

Yours very truly,

T. W. Barrett

Attention: Mr. Ronald Symms,
Ass't. Vice Pres.

Gentlemen:

This office is processing the evacuation claim of Utasuke Charlie Yamamoto who resided at 1415 Ellis Street in the City (~~San~~) of San Francisco, California, when evacuated on or about May 10, 1942. His (~~her~~) WRA family number was 22411.

From our interview with the claimant it appears that your Bank may have been consulted with respect to storage of household goods between May 8 (State kind of property, type of transaction,

and May 10, 1942, at your principal office on Sansome Street. Claimant said time and place, etc.)

he was informed by a bank official that he would have to make his own storage arrangements since government facilities were full. Please confirm, if possible, or comment upon plausibility of this statement.

Your cooperation in forwarding whatever files you have concerning this matter will aid in the adjudication of said claim and will be greatly appreciated by this office and all concerned. After these files have served the purposes of this office, they will be returned to you. A prompt reply will be greatly appreciated since the processing of this claim is nearly complete.

Gentlemen:

I wish to submit the following report concerning the affairs of the Favorite Laundry.

We have sold the equipment for a total sum of \$1382.50. A schedule of the items sold, and the purchasers and amounts is attached hereto.

We have collected, thus far, \$31.82 on the accounts, post-dated checks, and laundry left at the Allen Cleaners. We have also received \$24.70 as a refund of unemployment insurance contributions, from the State of California.

We have received \$300.00 as the refund on the deposit for pre-paid rent, less \$30.00 as rent for the first six days of June during which time the equipment was still being removed from the laundry premises. Some of the equipment was difficult to remove, notably the extractor, which was set in the concrete floor. We sold the last items to Mr. Klein of the Laundry Equipment Company, who also cleaned the place up so that it was acceptable to the landlord.

Several of those whose names were on the list of accounts receivable claimed that they had paid as the bundles were received.

We have received from the Anglo California National Bank a letter, which is enclosed, concerning a note which the bank claims you endorsed for one Hikeshi Tanisaki. We would like to have your advices about this.

We have sent to the Anglo Bank for credit to your account a total of \$1447.77, which represents the total collected, namely \$1709.02, less \$11.25 for our expenses and \$250.00 for our fee - this \$250.00 being in addition to the \$50.00 previously paid by you. We trust that this meets with your approval.

We are endeavoring to collect more of the outstanding accounts. Several small bills - water, etc., are enclosed for your attention.

Very truly yours,

GD:ms

Attention: Mr. V. L. Furth

Re: Miss and Sanshiro Oshima - Fulton Laundry,
447 Perkins Street, Oakland, California.

Dear Sirs:

Reference is made to our today's telephone conversation regarding the above named subject.

As you were informed, we have received a communication from our Salt Lake City Branch stating that Miss Miye Oshima called at that office on August 2, 1943 to discuss the situation regarding certain of the property of her family which has become involved as a result of the family's evacuation from the Oakland area.

The family operated a laundry business in Oakland under the name of Fulton Laundry, which appears to have been owned by Miss Oshima and her father, each having a 50% interest in the business. Our records indicate that the affairs of these persons were placed in the hands of Mr. D. D. Cliphant, an attorney in Oakland, at the time of evacuation.

Miss Oshima informs us that a portion of the laundry equipment was sold to a laundry dealer who was to remit on a monthly basis and the balance of the machinery was sub-leased to another party who agreed to keep it in good repair and make certain payments for its use in addition to maintaining the lease. It is claimed that no payments have been received from either obligor.

Miss Oshima has stated that Mr. Cliphant has been ill for nearly a year and has given the matter little attention, but that in a recent letter he informed her there were some bills outstanding for repairs to machinery and equipment which she would be obliged to pay and suggested that she consider selling the equipment in view of the fact that no payments had been made for its use. Apparently,

-2-

August 5, 1943

the attorney informed her that no payments were forthcoming from the operator of the business because they were unable to realize a profit above expenses and were giving consideration to a withdrawal from the operation.

Our branch suggested to Miss Ohima that she communicate with the local office of the War Relocation Authority at Salt Lake City, since she stated that she had communicated several times with the office in San Francisco without reply and was not at all satisfied with the reports of her attorney.

We understand that Miss Ohima's family is still residing at the Topaz relocation center, although it would appear that Miss Ohima is not residing there at the present time.

We are passing this along for your information and shall be pleased to make our files on the subject available to your office should you desire to examine them.

Yours very truly,

Sutton Laundry

SALT LAKE CITY BRANCH

To: Head Office
Subject: Evacuee property

Date: August 3, 1943

A Miss Miye Oshima called at the Branch yesterday to discuss the situation in which some of her family's property has become involved as a result of their evacuation from Oakland. It seems that Miss Oshima and family, who are still at the Topaz Relocation Center, owned a laundry and cleaning establishment at 447 Perkins Street. On the move out they sold some of the machinery to a laundry dealer who was to remit monthly. No payments have been received on this. The balance of the machinery was left in the laundry which was subleased to another party who had agreed to keep it in good repair and make certain payments for its use in addition to the lease rental. It is claimed that no payments have been received from this source either.

The affairs are reported to have been turned over to Mr. D.D. Oliphant, an attorney, as suggested by someone at Head Office and Miss Oshima claims he had been incapacitated with an illness for nearly a year and has given the matter little attention. In fact in a recent letter to her he stated that there were some bills outstanding for repairs to the machinery and equipment for which she would have to pay and suggested that she might consider selling it in view of the fact that she had not received payment for its use. The reason put forth for the non-payment as agreed is that the business is hardly enough to make expenses and that the party operating the laundry was of a mind to withdraw.

We suggested that she get in touch with the local office of the War Relocation Authority, since she stated that she had communicated several times with the Office in San Francisco without reply and was not at all satisfied with the reports of her attorney. In addition we explained that the Federal Reserve Bank no longer had jurisdiction over evacuee property and the above is merely for your information.

May 12th 1942.

Mr. R. Everson, Asst. Cashier,
Federal Reserve Bank of S.F.
San Francisco, Calif.

Dear Mr. Everson:-

On April 25th you kindly addressed me inquiring whether our property problems involving Japanese lessees, had been satisfactorily disposed of. I would have replied sooner, but had been assured by Mr. Hendricks of your Oakland Office that his negotiations were progressing satisfactorily, and that I would receive further word from him.

That was on April 17th, and on calling his office to-day I was informed he is out of town, and that the functions of his office are being handled by San Francisco, hence this appeal to you.

This problem, as his files will show, involves a store owned by my wife, at 2107 Allston Way, Berkeley, under lease to one MIYE OSHIMA, doing business under the firm name and style of "FULTON LAUNDRY", the Lease having been renewed on January 1st, 1942 and ending December 31st 1944, at a monthly rental of \$40.00.

The Lessee's principal place of business was at 1028-22nd Street, Oakland, where they had considerable laundry equipment, etc. They also, as I informed Mr. Hendricks, had a laundry office on Perkins Street, Oakland.

Rental for the month of April was paid, but Lessees mailed the key to us a few days ago without comment, and have vacated the store, although Mr. Hendricks had informed them and their attorney, that a reasonable arrangement was expected in return for a termination agreement, I having indicated to him that we would accept \$150.00 to \$200.00, as it will take at least that to do over the store, and ~~leave~~ it in fit condition to attract a new tenant.

1/13
in view of the length of time since this was reported to Mr. Hendricks, I sincerely trust the Japanese were not permitted to leave the jurisdiction without making an honest attempt to effect a reasonable settlement, and would appreciate anything you can do to assist.

Principal property involved and scope of problem:

Miye Oshima owns 50% interest in a laundry at the above address operated jointly with her father Sanshira Oshima who owns the other 50% of the business. Sanshira Oshima is an alien. They have a lease on the property at \$70 per month expiring in 1950 and the owner of the property Alexis Bonne, 715 Hillgirt Circle, Oakland, refuses to cancel the lease. The laundry equipment is valued in excess of \$5000 and is unencumbered.

Action taken:*

Advised Miye Oshima that evacuation did not release her from the terms of the lease and that she should consult Bonne, the owner of the property, about some compromise settlement. I offered my services in connection with this plan.

This involves Two (2) leases, on store space in a building located on the Cor. Shattuck Ave. and Allston Way Berkeley. One business operated as a Linum & Notion store Pays \$175⁰⁰ per month rent. The other is a Laundry receiving office and is leased at \$40⁰⁰ per mo. Leases have one year to run. He did not know how long the tenants have been in the United States, but did know they have been here for two (2) years. He asked if we thought the payment of two (2) months advance payment of rent by the tenants would be a reasonable compromise for cancellation of the leases.

Action taken: *

Suggested he discuss that proposition with his tenants, however if satisfactory arrangement could not be made on this basis, we would assist in effecting a compromise.

Re. Imperial Laundry:

SUPPLEMENTAL REPORT

- Miss Yamanchi + sister have had to meet payments of about \$450 per mo. on bank loan, equipment, etc. Have been unsuccessful in finding a purchaser, lessee. The writer + Mr. Wrigley were approached for a solution. Mr. Wrigley is their attorney.
- Indicated settlement of home, furniture + other problems proceeding satisfactorily accordg. to past recommendations from this office.

Action taken:*

- Mr. Wrigley in whom they have much faith has secured a manager + family who, he believes, can make the laundry pay. He and this office have induced creditors to reduce monthly payments on the debt, allowing a margin to pay the mgr. He (the mgr.) will continue operation of the business - is now being broken in by the sisters. Mr. Wrigley, using our Form Mis 235 has been given Power of Atty. to supervise the business and act in any way he deems necessary in the future. The sisters are much pleased with this arrangement.
