It is agreed by both parties, that Leo W. Richter, is to pay for all Gases and Oils to be used in said truck, and that said renter, Leo W. Richter, agrees to carry full coverage insurance for the benefit of the rentor.

WITNESSED_____

This _____ day of _____ 1942

STATE OF CALIFORNIA)
: ss.
COUNTY OF SACRAMENTO)

On this 12th day of May in the year one thousand nine hundred and forty-two before me, HENRY TAKETA a Notary Public in and for the County of Sacramento, State of California, residing therein, duly commissioned and sworn, personally appeared S. E. MAEDA AND LEO W. RICHTER known to me to be the persons whose names are subscribed to the within instrument and acknowledged to me that they executed the same.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my official seal, in the County of Sacramento, the day and year in this certificate first above written.

HENRY TAKETA (Signed)
Notary Public in and for the County
of Sacramento, State of California

The original intention of the parties was that the agreement should run to Mr. Richter personally with the understanding that the life of the agreement would cease upon either of the following conditions: (1) The declaration of armistice between the U.S. and Japan or (2) Cessation of the beverage business by Mr. Richter.

It was also the intention of the parties that Mr. Richter keep said truck in good repairs and in good running condition at all times at his own cost and expense and to return the same to Maeda upon termination of said agreement in as good as acondition as when received, normal wear and tear excepted.

Mr. Richter states that said truck is fully covered by insurance and it is suggested that duplicate policies be obtained from the insurance company in order that Mr. Maeda may retain a copy of said policy in order to be fully protected by insurance.

Mr. Richter states that he commenced business as "Capital Beverage Company" in January, 1942 as a separate and individual business and employed a man named Fred Joseph. That sometime in February 7, 1942 said Fred Joseph claimed that a co-partnership existed on or after said February 7, 1942, and a suit was instituted and Department 4, Judge Lemmon, Superior Court of Sacramento County, formed a judication of said partnership. A man named Ing was appointed Receiver by the Court pending final judication according to Mr. Richter. Also, Judge Lemmon ruled on or about June 11 or 12, 1942 a judgment by the Court declaring said company to be a co-partner-ship. Fred Joseph is represented by Senator J. M. Inman and Leo W. Richter is represented by Attorney Winton Langloies.

It is recommended that the original agreement herein and above described be amended or rewritten to protect Maeda along the lines suggested immediately thereafter.

Refer to reports of May 5, 1942. April 3, April 21, and

(See Chico letter of May 26, 1942).

Miss Maekawa and her family were evacuated with the rest of the Japanese from this area on May 19th. We thought that we might have the problem of storing her equipment and furniture but due to her own wishes and arrangements this was not necessary. She had her affairs in fine condition and made arrangements with her creditors, to whom she owed but a small balance on her equipment, and stored same with a friend until she has further use for it. This case can be completely closed.

Dear Mr. Pahl:

I just received your letter of April 22nd.

You, no doubt, have my last letter explaining how my contract will be met. I believe, this arrangement is as satisfactory as any other.

If possible, I will try and be in Red Bluff next Monday, but from all indications I do not think I can make the trip. Unless there are things that cannot be settled by mail, I do not see my necessity of making the trip.

Thank you for your very kind assistance.

Very truly yours,

Dear Sirs:

Please forgive my neglecting to send the enclosed copy of my property in storage sooner.

Two trunks were listed but only one was placed in storage.

Since this is a Relocation Project and is more permanent a center than an assembly center, I wonder if I may possibly have that one trunk sent to me, or will all property not be touched for the duration of the war?

Your reply will be sincerely appreciated.

FISCAL AGENT OF THE UNITED STATES

September 3, 1942

Mr. C. Taketa
5616-D
Tule Lake War Relocation Project
Post Office Box 813
Tule Lake, California

Dear Sir:

Reference is made to your letter dated August 26, 1942 addressed to our field representative, Mr. Allen of Fresno, California.

We have reviewed the files sent to us by Mr. Allen relating to this case. It would appear therefrom that Mr. Allen has endeavored to aid in the settlement of the transaction involving Wataru Makiyama and Joe Pitzer through the agency of the Totem Realtors, 1113 Wells Street, Renton, Washington. It will be recalled that Mr. Allen made several trips to Pinedale to inform Mr. Makiyama that up to that time he had been unable to bring about a settlement.

In view of the facts surrounding this case we advised the Totem Realtors that the matter had been referred to the Farm Security Administration, 30 Van Ness Avenue, San Francisco, California on July 21, 1942.

Mr. Mauck, manager of the Pinedale Assembly Center, Pinedale, California, held at one time and may still do so to the best of our knowledge, a check in the amount of $574.

Property problems relating to evacuees now resident in War Relocation Projects are under the jurisdiction of the War Relocation Authority, Hotel Whitcomb, San Francisco, California.

Therefore, it would appear to us that you might present this case to that agency for their consideration. However, if you have had no advice from the Farm Security Administration, to whom this matter was referred July 21, 1942, it might be advisable to find out what has been done by them prior to taking up the subject with the War Relocation Authority.

In view of the time that has elapsed since this case first came to the attention of our Fresno office it would appear that negotiations between the two persons involved should be promptly re-opened inasmuch as there does not appear to be a great variance in the amount involved in the controversy.

Very truly yours,

Assistant Cashier

We feel this matter is one within their jurisdiction, and have so informed Mr. Hauck at the Pinedale Assembly Center, Pinedale, California.

Dear Sir:

Referring to the copy of a letter sent your office on June 8th and my phone conversation of yesterday concerning, the Totem Realtors vs W Makiyama, sometimes spelled Makayama.

I again called on Makiyama at Pinedale and he also had his son present who confirmed the following statements.

That he was owing the amounts shown in paragraph 3 of Totem Realtors letter dated June 15, 1942 and that he did pay $160.00 in April and that the statement was made by S G Schaudies that this payment of $160.00 was accepted as a payment in full for any and all rents due and payable by the tenent, W Makiyama.

That he Makiyama did sell his crop on the land involved to Mr Joseph Pitzer for $1300.00 and also sold the tools etc., to Pitzer for $200.00 and arrangements were made whereby Mr Pitzer was to pay Makiyama upon completion of arrangements with the WCCA after deducting the debts owing by Makiyama of $370.00 to the following firms.

Mr Hogue (fertilizer)	$284.62
Mr Moffett (seeds-supplies)	104.30
Western Produce	36.30
	$425.22

You will note that the above firms claim the amount owing to be $425,00 whereas Makiyama states the amount to be $370.00.

This is as far as I can proceed at this time and I am forwarding you this information for your consideration and instructions.

Dear Sir:

I forwarded to you on June 3, 1942, a check which was made payable to the undersigned and on which was added the name of 'Watura Makayama' one of our former tenants whose name was inserted in order to complete our records of tenants and accounts.

On June 8, 1942, I received a request for further information from L. J. Allen whose address was given as 2146 Inya Street, Fresno, California. We forwarded to the last address full details of our accounts on June 16, 1942, with instructions to return the check in question to me in case Mr. Makayama could not see that he has had more than a fair deal as supported by the facts and statements presented.

We have not heard from you to date, which is just about one month, and can assume that you are having some difficulty in reconciling facts with Mr. Makayama's wishes in the matter. The principals involved are becoming impatient and insist upon some action.

In case you have not settled the affair by the time you receive this letter please return our check to the undersigned.

Dear Sir:

Referring to the copy of a letter sent your office on June 8th and my phone conversation of yesterday concerning, the Totem Realtors vs W Makiyama, sometimes spelled Makeyama.

I again called on Makiyama at Pinedale and he also had his son present who confirmed the following statements.

That he was owing the amounts shown in paragraph 3 of Totem Realtors letter dated June 15, 1942 and that he did pay $160.00 in April and that the statement was made by S G Schaudies that this payment of $160.00 was accepted as a payment in full for any and all rents due and payable by the tenent, W Makiyama.

That he Makiyama did sell his crop on the land involved to Mr Joseph Pitzer for $1300.00 and also sold the tools etc., to Pitzer for $200.00 and arrangements were made whereby Mr Pitzer was to pay Makiyama upon completion of arrangements with the WCCA after deducting the debts owing by Makiyama of $370.00 to the following firms.

Mr Hogue (fertilizer)	$284.62
Mr Moffett (seeds-supplies)	104.30
Western Produce	36.30
	$425.22

You will note that the above firms claim the amount owing to be $425.00 whereas Makiyama states the amount to be $370.00.

This is as far as I can proceed at this time and I am forwarding you this information for your consideration and instructions.

Mr. J. L. Allen,
Fiscal Agent of the United States

Dear Mr. Allen:

Your letter of June 8th, 1942, regarding Makayama of Pinedale Assembly Plant, was received today.

I am not surprised at Mr. Makayama's attitude, he is a good workman but a poor paymaster. He has been a renter on this farm for many years and very seldom has he cleaned up his accounts at the close of crop year or within the lease period of time which always ended in December.

At the time his lease expired for 1942 his rental account stood as follows:

Balance due for 1940 rent.	$110.00
Balance due for 1941 rent.	100.00
1941 Supplemental lease for additional land.	250.00

Lost →

On this sum that is due, not one cent has been paid to date.

When nothing had been done to square their accounts by February 25th, 1942, an official legal notice was mailed by registered mail notifying Mr. Makayama that we would not lease to him another year and to vacate the premises by March 1st, 1942.

Mr. Makayama has no lease for 1942, written, Verbal or implied. He is entirely without legal status. We have allowed him to remain on the farm pending his evacuation but entirely at our sufferance.

Mr. Makayama, however, did pay $160.00 on account late in April, for which credit was allowed him on his delinquent balances.

Mr. Makayama came into my office some two weeks before his evacuation and left figures supporting a possible value of $1000.00 which included fertilizer, seeds, and etc., together with small tools and one small tractor. The last two items are the property of Mr Makayama unless I attach them for delinquent rental accounts. I sold the crop together with

the tools and small tractor to Mr. Joe Petzer for $1000.00 and leased the land for $300.00 per year which has not been paid to date nor any part of the $300.00.

Mr. Petzer has made a loan from the Wartime Civil Control Administration at Auburn whose accounts reflect the following distrobution of the loan of $1000.00:

To Mr.Hogue (fertilizer)	$284.62
To Mr. Moffett (seeds and supplies)	104.30
Westeh Produce (????????)	36.30
Total Expenditures	$424.22
Check to Balance	575.78
	$1000.00

Mr. Makayama is expected to pay his bill just as you and I, and in self defense I am attaching today the tools and tractor to protect my sale to Mr. Petzer, and land interests.

In case Mr. Makayama wishes to do the square thing by those who have stood by him for the past six years, have him sign the check as it is written and I will forward my check to cover his sale of tools and garden tractor, which he values at $200.00 less my commission of 10% (per cent).

In case Mr. Makayama can not see his way clear to sign the check as it is written, please return it to me and I will clear the matter through legal channels.

A statement from Mr. Petzer is inclosed in support of ours.

Mr. L. J. Allen, Field Representative,

Dear Sir: Subject: W. Makiyama

Reference is made to correspondence initiated by you with the Totem Realtors of Renton, Washington and a letter to this office in connection with evacuee, Mr. W. Makiyama.

We are prompted to observe that the financial relationships between this evacuee and the lessors appeared to be somewhat garbled and, frankly, we are unable to get a clear understanding from the figures set forth. It appears to be primarily a point-blank dispute as to whether the Totem Realtors absolved Makiyama of any further liability in connection with his lease upon the payment of $160.00 late in April.

We are unable to grasp from the fourth paragraph of your letter dated June 17th why Makiyama acknowledges only $370.00 in debts for fertilizer and supplies whereas the column adds up to $425.00. Additionally, we are unable to determine from your letter whether Makiyama is taking any further steps of his own volition or whether he has returned the check for $574.00, signed or unsigned, to the Totem Realtors.

It does not appear to us that we can fairly arbitrate a case of this character by correspondence. Frankly, we do not think the letter from the Totem Realtors is sufficiently clear or well-written to indicate that their stand is unshakable. On the other hand, verbal statements from Makiyama must of necessity also be questioned. It appears that each time you talk to him new information is extracted.

You will recall that on June 10th we advised you that such disputes should be handled through this office and we, in turn, would refer them to our branch offices in the proper zone. If you and Makiyama both feel that such a step would at this time accomplish a satisfactory settlement, we will refer the entire case to our Seattle

office. However, under the circumstances, we are prompted to suggest that the check be returned, unsigned, if Makiyama so wishes, and that both he and the Totem Realtors refer the matter to their attorneys.

Yours very truly,

Assistant Cashier.

Gentlemen:

I called on a Mr. W. Makiyama at the Pinedale Assembly plant, and he requested me to secure further information in reference to the check you enclosed in the amount of $574.00 and asked him to endorse and return to you.

This is the information he gave me and I would appreciate you giving me the complete transaction concerning same.

Mikiyama was leasing 10 acres from you at a rental of $300.00 per year cash rent which has been paid. Upon leaving Renton, he cancelled the lease to you, and in turn you sold the land to a Mr. Joe Metzer. Makiyama, however, retained the crops and equipment upon agreement.

It appears that the crops are worth $1300.00 and the equipment valued at $200.00, and that there is owing by Makiyama for fertilizer the sum of $370.00; therefore, it was not clear to me what the check for $574.00 was intended to cover.

Upon receipt of your reply, I will again contact Mr. Makiyama for further information and a settlement as equities may appear.

Gentlemen:

The Ringi Mouka that you inquired about formerly lived in Monterey at 471 Cortez Street. We would suggest that you write him at that address and mark your letter, "please forward", as most of these evacuees left their forwarding addresses at the post office when they left town.

We inquired from the bank and they report this account as having been quite satisfactory and of considerable size when it was closed out. It would be my opinion that this check was forgotten by the evacuee when he closed out his account and that if you can contact him, he probably would be glad to hear from you.

There were a good many Moukas in Monterey and several of them had accounts including a Y. MAMIYA. Just what the relationship is the bank could not tell us.

The area involved around Monterey, as you probably remember, was the first area evacuated and no record was kept at that time by us of the movements of these people.

If, after following these suggestions with the post office, you are unable to get any communication with this evacuee and you will let me know, it is possible that I can find out something about them from some of their friends who may be at this camp.

Yours truly

Dear Sir:-

We refer to a recent deal we handled at our office on or about Feb. 28,1942 involving the sale of a fishing boat owned by Rinzi Manaka of Monterey, California.

We prepared a Bill of Sale for Mr. Manaka conveying title for the vessel "Y. Manaka" owned by him to the new owners and accordingly billed him for our services and he forwarded our firm a check for $5.00 drawn on the Monterey County Trust & Savings Bank, Monterey, California.

The check has been returned to us by our bank on account of Mr. Manaka's account being closed and we would appreciate if you could do anything about securing this money for us or advise us where we might locate Mr. Manaka.

Thanking you for assistance in this matter, we are,

Very truly yours,

I have been informed by the U. S. Navy, that you have charge of the fishing vessels left behind by the evacuee.

My partner and I are fisherman, we have work on commercial fishing boats in San Diego and in Seattle, Wash. Last year I had a fishing boat of my own, but too small for two man to make any profit; - after I sold it, I could not find the kind of boat I wanted. Now we both wish to return to commercial fishing and we would like to run a boat on a share base.

If there is a possibility to have one of this boats; please let us know what the requirement should be for the release of same. Hoping to hear from you at the earliest date. I thank you.

In accordance with our earlier telephonic conversation with you, we again wish to point out that we are in no sense acting as a collection agency.

We would suggest, however, that you direct an inquiry to the Federal Security Agency, 785 Market Street, in order to obtain family numbers, and assembly center addresses of these people. That organization is compiling a complete list of such information and you will then be in a position to contact the debtors by mail.

Mr. R. E. Mann,

L. E. Grimsley, Inc.,
944 E. Scotts Avenue,
Stockton, California.

Dear Sir:

Reference is made to your letter dated March 31, 1942 regarding the treatment of property of persons of Japanese ancestry subject to conditional sale contracts and the other matters covered in your letter.

As to the treatment of properties subject to conditional sale contracts, it has been our purpose to encourage and assist alien Japanese and American citizen Japanese in making equitable disposition of their property holdings, and to point out that they are free to make their own arrangements on a private basis. We suggest that your procedure might be to explore the situation with the individuals involved to determine whether or not some mutually satisfactory arrangement with respect to the property can be reached.

In the matter of the purchase of a contract on a truck which was mentioned by you, it appears that the Japanese involved desires to work out a private transaction with you, and so long as it is accomplished to his satisfaction it would seem that we would have no interest in the transaction.

Referring to the custody of funds of Japanese nationals and American citizen Japanese, also discussed in your communication, this likewise would seem to be a matter for private negotiation which would be of no interest to ourselves. In such case, there would, of course, be no change in ownership of the funds by a mere custodianship, and it would appear that you would be substantially in the position of an agent of the parties tendering the monies for safekeeping.

Yours very truly,

Assistant Cashier.

RE: Japanese

Gentlemen:

Because of our desire to cooperate with all the government rules respecting the Japanese situation we shall indeed appreciate any information or advice you may furnish us as answers to the following:

We hold Conditional Sale (Title Retention) Contracts for tractors, implements, etc., some sold to American born Japanese and some to Japanese Nationals, upon which there remain unpaid balances, some due and some not yet due. In event of evacuation of any of these who owe us under said contracts may we bring the Equipment in and store it and or in some cases repossess and re-sell said Equipment?

We have been asked by one of our American born Japanese customers to purchase from an Automobile Finance Corporation the paper covering his large truck, the truck being worth at least twice as much as the unpaid balance. In the event he is evacuated he wishes us to store the truck for him for the duration. Do you know of any objection to our granting his request?

Matthews to answer

One Japanese National and two American born Japanese wish us, in event of their evacuation, to hold and keep for them during the duration any funds they might have on hand. Do you know of any objections to our doing that for them?

We will thank you for any advice you may furnish us respecting the Japanese matter.

Yours respectfully,

Applicant called today and states that the sale he made of his florist business to Chinese purchasers has fallen through and his attorney, Mr. Cornish, Berkeley 7887, has refunded the full amount of the purchase price. Your representative telephoned to Mr. Cornish and was advised that the reason for the refund was due to the fact that applicant has some 38 creditors, all of whom it was necessary to have agree upon a settlement basis.

Your representative subsequently contacted Mr. Wickman, 2107 Addison Street, Berkeley-telephone TH. 5545, and suggested he contact Mr. Cornish and see what arrangement he might be able to make in regard to purchasing business. The sale price to the Chinese was $1300, which represented about a 50% pay-off to the creditors. All of the details concerning the settlement of the above business are in the hands of Mr. Cornish so that this office apparently can be of no further assistance with the exception of referring possible purchasers for the business.

Gentlemen:

On October 3, 1942 the undersigned wrote you regarding a management contract with one alien Marubayashi, nominal owner of property located at 2808 California Street, Berkeley, said property standing in the name of Suitsuga Ishikawa, and the apparent closing of our contract agreement by virtue of sale of said property to the tenant one V. Sconza.

This is to advise you that Marubayashi wrote us under date of October 26, 1942 asking us to resume relations with the tenant as such, that he had called off the sale to him and we are again under the original contract agreement.

This is sent you in order that you may keep your records up to date on this matter.

Very Sincerely,

Gentlemen:

During the evacuation of Japanese aliens from this area we received the management contract for property located at 2808 California Street, Berkeley, California, through the nominal owner, one Mr. Marubayashi, an alien, the property being legally in the name of Suitsuga Ishikawa. We rented the property to Mr. V. Sconza, whom, we are now informed, has negotiated a sale for said property directly with Ishikawa, an American born Japanese. The property is being financed through FHA sources.

Shunto moved to Rt 1 Box 465 Fowler, Cal

I report this matter for your records and to advise you that it is apparent that my relationship with this property is now at an end.

I should like to point out that funds derived from this sale after passing to Ishikawa will, no doubt, pass again to an alien, Mr. Marubayashi, although I have no proof of this statement. If not done in this manner the funds may go to the minor sons of Murabayashi, who are American born.

Very sincerely.

Address: Yuba City. California

Principal property involved and scope of problem: Regarding Frank Ellis Ranch, 1 mile west of Yuba City, within 1 mile of Sacramento Northern on Colusa Highway. 40 acres in ranch -- 14 acres peaches, 8 acres apricots, 15 acres barley. Small 4 room house. Renter: Satoshi Marumoto, 5 year lease (1 year gone). Living with renter: Father, mother, wife, one son 24 yrs., one son 15 yrs. Renter has pruned, sprayed, and has done all work to date very satisfactorily. Last year ranch grossed $8,500.00. Mr. Ellis gets $1,600.00 per year. Mr. Ellis sold his tennant a truck for $200.00 and there is still a $100.00 balance. Japanese traded Mr. Ellis' old tractor and disc for new tractor (balance still due Mr. Ellis $325.00 and $1000.00 to Caterpillar Co.) Mr. Ellis is willing to take up the contract on the tractor.

The Japanese probably wants Mr. Ellis to carry on lease for him, the tennant to enjoy profits. Or tennant may want to sublease, but owner wants lease back.

(As Mr. Marumoto is at present in the hospital, I have not been able to contact him. This interview was strictly with the land owner.)

Action taken:* Advised Mr. Ellis to take his lease to his attorney for interpretation, and as soon as tennant is out of hospital begin discussion of future.

In this letter you will notice that we are endeavoring to have the evacuee furnish us with his registration certificate and also clear an error he made by signing on line 9 on the ownership certificate. We shall greatly appreciate your cooperation in this matter by having your Pomona representative contact Mr. Maruyama and secure the necessary details.

This car was taken in under Alternative No. 2 on WCCA Form WRB-4 and when the above matter is cleared up, we shall be able to turn this car over to the Army.

Dear Sir:

With reference to the Ford Coupe, Motor Number 18-5217012, which you turned over to us for disposition to the Army, we notice that you have signed the ownership certificate on Line 9. This line should be used only to indicate the new legal owner of the car and with the certificate in this condition, it would require an additional transfer procedure before title could be passed to the Army.

It is obvious that it was not your intention to effect this unnecessary transfer and in order that we may facilititate the completion of this transaction without delay, we ask that you sign the enclosed statement which will make immediate transfer possible, returning the same to us at your earliest convenience in the enclosed return envelope.

May we also ask that you send us the registration certificate (white) as soon as you have received it from the Motor Vehicle Department?

Mr. Kenyon T. Gregg, Field Representative
Federal Reserve Bank of San Francisco
Evacuee Property Department
319 C Street
Marysville, California

Dear Sir:

In response to your letter of June 12, 1942 regarding the personal property of Mrs. Sada Murayama, formerly of 3165 Sacramento Street, San Francisco, and now residing in Gridley, California, it may be possible to arrange for the storage of these goods in our San Francisco warehouse. It has not been the policy of the Evacuee Property Department to accept any goods for storage other than those belonging to actual evacuees. However, in this case it is seemingly certain that in the near future Mrs. Murayama will become an evacuee. Therefore it may be possible to make an exception in this matter.

Before advising the evacuee that we will accept the goods for storage we should have an opportunity to examine the same and see if they will be acceptable. Please obtain for us at your earliest convenience, a complete inventory of said goods and the place at which they are now located. It should be understood that, providing we accept these goods for storage, any charges outside of the actual hauling and warehousing, must be assumed by the owner of the goods. Arrangements should be made by the owner for crating, boxing, and other packing that may be required.

We trust that the above matter will be called to Mrs. Murayama's attention as soon as possible, and that the complete details will be forwarded to us.

Very truly yours,

Assistant Cashier

REFERRED BY [illegible] TO MR. [illegible] JUN 13 1942

To Whom It May Concern:

Mrs. Sada Murayama, formerly of 3165 Sacramento Street, San Francisco has moved to a ranch east of Gridley, California. She and her daughters Constance and Joan are anticipating evacuation. Most of her personal household things are in San Francisco. Would it be possible if friends properly crated the equipment in her San Francisco home, for that personal property to be stored in Federal Reserve Bank storage and in time be sent to her at her new relocation home? She left the San Francisco home prior to evacuation and under proper permit. Mrs. Murayama and her two daughters are totally dependent on Mrs. Murayama's earning capacity of which she is now deprived. Mrs. Murayama is the lady for whom we earlier made a collection relative to a commission for selling Jewelry for a Los Angeles Company.

Mrs. Murayama acted as commission Saleswoman for the Costume Accessories Incorporated, 728 S. Hill St., Los Angeles. Her contact was usually with either Mr. D. I. Brosseau or Mr. A. W. Gardner of the above Corp. Mrs. Murayama has due her, so she says, certain commissions which the Costume Accessories Incorporated acknowledge but which they hesitate to pay as they think Mrs. Murayama should have a special license number. She has no special license and has sent to them an affidavite so stating based on information from Mr. Hinkley of the F. R. B. at S. F. The Costume Accessories Incorporated still insist that they wish a statement from the F. R. B. that Mrs. Murayama is eligible to receive payment. "Copy of Affidavit sent" -- "This is to certify that upon inquiring at the Foreign Funds Control of the Federal Reserve Bank of San Francisco, I have been advised that under General License No. 68 A (Foreign Funds Controls, Circular No. 199) I am qualified to work, receive compensation, etc., as during the time previous to Dec. 7, 1941. I do not require an individual license number."

4-24-42:

Principal property involved and scope of problem: Mr. W. F. Sechrest, 119 Capitol, Salinas, phone 4266, returned from Texas where he had been for sometime and came into the office to see what was being done with this evacuee's property. He was interested in protecting his security and also seeing that his interest would be paid, etc. He came in several times after that and we also have had several interviews with the Maruyamas and Mr. Sechrest's attorney, Rosendale. We made a visit to the property owned by these evacuees to see if they had any equity and if so, about what it was. Pretty careful investigation disclosed taxss had not been paid by the evacuees on this property for 4 years and that they were delinquent for that period of time as Sechrest did not pay them either. The interest to Sechrest had not been paid for 2 years, although the principal of the loan had been paid down to just under $500.

Sechrest brought out that his Deed of Trust would expire in a couple of months and it was necessary for him to take steps to renew the Deed of Trust. The old one was written at the rate of nearly 10% for interest. We had several meetings with the evacuees about this renewal and neither the husband nor the wife appeared to be willing to make out new papers or wanted to do anything except leave the matter with Baltz who had a limited Power of Attorney given him sometime ago and expect him to handle. Of course, this would be unsatisfactory to Sechrest for which you could not blame him.

Action taken.

ACTION: 4/29/42: Yesterday afternoon I asked Mr. Bill Murray to sit in with us and we had quite a full discussion again. After a good deal of time and effort the problem was solved and Baltz was given full P. of A. drawn up by Rosendale, which was agreeable to all parties. Also, a new Deed of Trust drawn up by Rosendale was signed by the Maruyamas for Sechrest's protection and the Maruyamas paid the back taxes. The back interest was written into the new Deed of Trust which carries 6% interest. We were able to persuade Sechrest to figure up the back interest at 6% also.

These evacuees are particularly anxious to hold onto the property, if it is at all possible and Baltz and Sechrest feel that the property can be rented for from $15 to $20 a month. If that is the case, the Deed of Trust provides that the money shall be applied to taxes, interest, insurance, necessary repairs and then amortization of the principal. There is a prospective tenant in view for the property, commencing about the middle of next month but both Sechrest and Baltz feel that they will take the first good man they can find.

The evacuees agreed to pay the attorney fees and recording fees for the new instrument but were unable to do so. Finally the attorneys agreed to wait for their money until the place was rented and Sechrest agreed to allow the attorneys and the fees to be paid out of the first rental check, which was agreeable all around. Arrangements were made with the Social Security Worker to provide these people with blankets and some necessary clothing as it took all their money to pay the taxes.

This property may be worth somewhere between $1,000 and $1,500 and if it can be properly cared for under this arrangement during the next few years, these evacuees should have a place to return to. The woman is a very fine, locally raised, person; the man is not a very good provider and it was hard to tell whether he really understands as much as he should be able to or not.

The Maruyamas have decided to store their furniture in the bank's warehouse and we are making arrangements to bring that in today.

SEATTLE BRANCH

TO: HEAD OFFICE DATE October 31, 1942

SUBJECT: Evacuee Property Department

REFERENCE:

REFERRED BY MR. KAMRAD
TO MR. [illegible]
NOV 2 1942

Enclosed in duplicate is a copy of a letter dated October 28, 1942, addressed to us by Shigeko Uno (Mrs. Masaru), Hunt Branch, War Relocation Project, Twin Falls, Idaho, with reference to the shipment of personal property stored privately with Bekins Moving & Storage Co., Seattle.

Some time ago a representative of Bekins asked us for authorization to make shipment of furniture, etc., which it had stored for Mrs. Uno, and, in response, we advised that we were not in a position to furnish such authorization but that the evacuee probably should obtain a permit from the War Relocation Authority before the goods were shipped. Our suggestion was based on the memorandum of September 9 issued by the Western Defense Command and Fourth Army which was quoted in your letter of September 17. We had in mind particularly paragraphs a.(4) and (7).

Dear Sirs:

Last month I made agreement with the Federal Reserve Bank here to sell my car, a '37 Chevrolet Coupe, to the government for $195.00.

I have not received payment for the car yet. I have been approached by several private parties interested in purchasing the car after my agreement with the government. These people have offered a far better price. However, since I have already made sales agreement with the government, I would like to have the matter cleared as soon as possible. Please advise me when I can expect to receive payment.

The letter attached to and a part of this report fully explains the reason for the call However it developed upon questioning Nancy Masuda that they had leased this property for many years and about 10 years ago they did remove a plate glass window from the building and at that time John C. Tuck the present owner was not the owner of the property and his present lease to them has no bearing on the subject as the former owner gave them proper permission to make changes required at that time-

Dear Mr. and Mrs. Masuda:

Your attention is called to the lease you entered into on the 1st day of April, 1940, between John C. Tuck as the lessor and yourselves as the lessee. Your attention is further called to paragraph 3 of said lease, on page 2 thereof, which goes on to state, "Lessee shall not make any alterations, additions or improvements to the leased premises without the prior written consent of the lessor".

My client, John Tuck has informed me that without his written consent and without his knowledge you have removed a plate glass window and have installed in its place a sliding door on the leased premises.

Demand is hereby made upon you to forthwith replace the plate glass window and remove the sliding door, or in lieu thereof to pay to John Tuck the reasonable cost of putting the premises back in the same condition as when leased to you.

Unless you do one or the other immediately, further action will be taken by Mr. Tuck which will cause you a great deal of unnecessary expense.

You are informed that the lease above mentioned is for a term of three years and you will be expected to pay the rental provided for therein and agreed by you to be paid on or before the first of each month during the existence of this lease or until, in case you vacate, it is possible for Mr. Tuck to find a lessee satisfactory to himself, who will make the payments in your place and stead.

Very truly yours,

Principal property involved and scope of problem:

Masui had agreed to deliver title to a 1940 1½-ton Chevrolet truck to M. Manaserro subject to his clearing the truck with the Board of Equalization on some claim for past due taxes. The money to be paid and the ownership certificate were left with Mr. Sala with the understanding that when Masui cleared the truck with the Board of Equalization, he could collect the money. Subsequently, a Mr. Ivers offered Masui about $60 more money and accepted the responsibility of clearing the truck with the Board. When Mr. Sala refused to return the ownership certificate except with the consent of Mr. Manaserro, and the latter refused this consent, Messrs. Ivers and Masui requested our assistance. Investigation indicated that there was a distinct possibility that Masui might have to be evacuated with the sale of his truck subject to a number of complications. Satisfactory clearance by the Board was problematical as to time and money due.

Action taken:* Interviewed Mr. Sala who stated that he would return the certificate to Masui if instructed so to do in writing by the Federal Reserve Bank. Case referred to Mr. Armstrong who requested additional efforts with the parties as he did not think that the case warranted instructions to Mr. Sala. The parties to the original transaction were brought together and they agreed to call off their deal with the payment of $100 by Masui to Manaserro. This was done and the truck transfer to Ivers was fully completed, Masui obtaining all his money.

Mr. Alvin Mohner

Palo Alto, California

Subject: Frank Matasumoto

Dear Sir:

Our field representative at Tanforan Assembly Center, San Bruno, California, was contacted on Tuesday, August 25th, by Mr. Frank Matasumoto in relation to a property problem in which, he advises us, you had certain understandings with him.

From his statement to us it would appear that you gave him a written memorandum dated August 7, 1942, a purported copy of which is enclosed herein.

The evacuee further advises that he owns a house on rented property owned by you at the corner of Weeks and Pulgas Streets, East Palo Alto, the lease for which expired about four months ago. He further advised our representative that you had stated you might buy the house now on the property.

Our relationship with Mr. Matasumoto is an advisory one, as property problems relating to evacuees residing in Assembly Centers still remain under our jurisdiction. It would be appreciated if you would advise us quite fully of your understanding of the situation so that we may place such understanding before Mr. Matasumoto.

Very truly yours,

Assistant Cashier

SUBJECT: Storage of Evacuee Property

You will find enclosed an original letter received by us, copy of which we have retained for our records.

The evacuee, George Haruki Matsubara, has apparently made arrangements for voluntary removal to New Mexico, and requests assistance in connection with his belongings.

Apparently this communication was misdirected in being sent to us.

Dear Sir:

In replying to your kind advice of August 5, 1942, the information that I want was not able to be given through Mr. Nash. Since I am planning to leave for New Mexico soon as my permit arrive, I would like to ask you again if the trunk and mattress could be shipped through your care to P O Box 73, Old Albuquerque, New Mexico, right away, instead of shipping it here. Reason why I am so upset about this matter is, I was told before leaving for Manzanar that the government would send any items anywhere in United States when we are settle down. My folks at present is living at the address above. If such promise is a failure, I am sorry that I did take such a advise, because in Manzanar there is no place for large trunks to be kept with security.

Sincerely yours,

GEORGE HARUKI MATSUBARA /s/

Dear Sir:

We have received your communication dated October 5, 1942 relating to the disposition of certain real property located at Klamath Falls, Oregon.

While this bank performed some services for evacuees from the military areas established on the Pacific Coast during the course of evacuation operations, our services have not gone beyond that point to include the problems of persons who have been interned. Furthermore, for the most part responsibilities in connection with problems of those people now evacuated have been assumed by the War Relocation Authority.

We are transmitting a copy of your letter to the local headquarters of that agency in the Hotel Whitcomb Building, San Francisco, California. They will, no doubt, communicate with you in due course advising you whether or not they are in a position to extend assistance to you in this matter.

Dear Sir:

On June 6th we received the appraisal on the above subject's 1936 Cadillac 8 in the amount of $200.00.

With the intention, therefore, of giving the evacuee every assistance in this matter, we suggest that you arrange to have this seat picked up at his former address, 512 N Street, Sacramento. When Mr. Matsui turned in his car, he informed us that the back seat cushion was left at this address.

Dear Sirs:

Supplementing our letter dated March 1, 1943, on the possible shortage in stored personal property of the above-named subject, our Los Angeles Branch informs us that they have discussed the situation with Mr. Sloan of your Los Angeles office. They inform us that no exceptions were noted when the personal property inventory form was forwarded to Mrs. Matsumiya, although there was a technical descrepancy in certain bedroom articles.

Mrs. Matsumiya listed the bedroom articles as follows:

One double bed	5 pieces
One single bed	1 piece
Box spring for double bed	5 pieces
Box spring for single bed	1 piece

The records of our Los Angeles Branch show that these articles were checked into the Santa Barbara warehouse as follows:

Bed rails	10 pieces
Beds	10 pieces
Springs	6 pieces.

The records of our Los Angeles Branch also indicate that one vanity dresser was picked up and checked in to the Santa Barbara warehouse.

Dear Sir:

Our field representative at Tanforan Assembly Center, San Bruno, California, was contacted on Tuesday, August 25th, by Mr. Frank Matasumoto in relation to a property problem in which, he advises us, you had certain understandings with him.

From his statement to us it would appear that you giave him a written memorandum dated August 7, 1942, a purported copy of which is enclosed herein.

The evacuee further advises that he owns a house on rented property owned by you at the corner of Weeks and Pulgas Streets, East Palo Alto, the lease for which expired about four months ago. He further advised our representative that you had stated you might buy the house now on the property.

Our relationship with Mr. Matasumoto is an advisory one, as property problems relating to evacuees residing in Assembly Centers still remain under our jurisdiction. It would be appreciated if you would advise us quite fully of your understanding of the situation so that we may place such understanding before Mr. Matasumoto.

COPY

August 27, 1942

Mr. Alvin Rohner
Ramona and Hamilton Streets
Palo Alto, California

Subject: Frank Matasumoto

Dear Sir:

Our field representative at Tanforan Assembly Center, San Bruno, California, was contacted on Tuesday, August 25th, by Mr. Frank Matasumoto in relation to a property problem in which, he advises us, you had certain understandings with him.

From his statement to us it would appear that you giave him a written memorandum dated August 7, 1942, a purported copy of which is enclosed herein.

The evacuee further advises that he owns a house on rented property owned by you at the corner of Weeks and Pulgas Streets, East Palo Alto, the lease for which expired about four months ago. He further advised our representative that you had stated you might buy the house now on the property.

Our relationship with Mr. Matasumoto is an advisory one, as property problems relating to evacuees residing in Assembly Centers still remain under our jurisdiction. It would be appreciated if you would advise us quite fully of your understanding of the situation so that we may place such understanding before Mr. Matasumoto.

Yours very truly,

EVERSON /s/

Assistant Cashier

Dear Sir:

You recently called at this office for assistance in connection with your property problems relating to the evacuation program, but we are not informed as to whether you have been able to make satisfactory arrangements in this regard.

Dear Mr. Olson:

I am a resident of Camp Harmony, Puyallup, Washington, Area B, 1, 56, and formerly resided at route 6, Box 610, Tacoma, Washington.

Since arriving at this evacuation center, I requested Mr. Carl Kernwine, who is one of the partners of the Tacoma Truck Sales Company, located at 2202 A. St., Tacoma, Washington, to sell my Chevrolet Pickup Truck and 2-ton truck body. Since then, Mr. Carl Kernwine visited me about the 10th of July at which time he advised me that the above mentioned equipment was being sold. However, since said time, I have written him twice to inquire for the proceeds, but I have not heard from him.

I will appreciate if you can assist me in any way in contacting the individual concerned to have what disposal has been made of the truck and the proceeds.

Yours very truly,

Dear Sir:

Your very kind assistance in obtaining my commission of $280.00 from the Regional Office of the Home Owners' Loan Corporation is deeply appreciated. Because of the necessity of my evacuation, the sum came at a particularly helpful time.

We are now rather comfortably situated in the Santa Anita Assembly Center at the above address. I regret that this note did not reach you earlier; however, the haste in the actual process of packing and moving made necessary the delay.

Thank you.

Sincerely yours,

1 See previous report regarding dispute ~~regarding dispute~~ as to the amount of comm. should be paid to Metropolitan Realty Co 1087 Sutter St by S. Matsunaga 1858 Fillmore St for the sale of the Cherry Blossom Beauty Shop to Margie Zampf 1964 Post St for $50.

2 upon returning from lunch Mr Adams & Mr Borden had both Matsunaga & Gromeeko together and after examining the contract of sale & the copy held by Matsunaga it was noted that the rate of comm was added to the original after Matsunaga signed but did not appear on the copy held by him

3 Both Mr Borden & I called the S.F. Realty Board and it was found that the altered contract was void - however there was a moral obligation due to Metro Realty Co furnishing the prospect who later purchased.

4 Matsunaga agreed to pay the Realty Co $25 which was not agreeable to Gromeeko as he figured he was entitled to $50. at least.

Action taken:*

After considerable discussion an agreement & settlement form was executed by both parties for the sum of $40. said form was witnessed by Mr Borden & myself.

Sale of Beauty Shop. Question of commission on sale and of amount of commission.

Case handled by Mr. Krueger of our office about April 10th. Mr. Krueger had other party, a Mr. Andrew Gromecko in about the same time (= April 13th) that Mr. Matsunaga came to Mr. Krueger's desk (where I was) and asked for Mr Krueger. Mr. Matsunaga says that Mr. Gromecko verbally released Mr. Matsunaga from his contract. However even if that were the case, Mr. Matsunaga would probably have an obligation for payment of commission due to Mr. Gromecko having brought the parties together and the question then is to whether the regular Real Estate rate of commission or some other amount is due.

Action taken:*

As Mr Matsunaga had seen Mr. Krueger before had asked for him - and asked when he would be back, and as it was said that Mr Krueger would be back tomorrow. Mr Matsunaga said he would be back Tomorrow

Dear Sirs:

My wife, Mrs. Sassa Matsuno, who came here 12 days ago, informed me that a German resident of Ugashik, Bristol Bay, Alaska, has been taking advantage of our predicament - while I was not at home to look after matters. I owe this person some money but my property is worth more than what I owe him ($240.00). This German and his wife, my wife tells me, were on a drinking spree while she was packing her things to join me here. They forcibly demanded the key to the house from Mrs. Matsuno and got the things listed on another sheet of paper. While she was waiting for the mail boat to pick her up, Mr. and Mrs. Struek were in our place, picking out what they wanted, of our furniture, etc. As Mrs. Matsuno didn't want to argue with people who were drinking, she had to see those people, who abused her and called her all sorts of names, taking what they wanted. Mrs. Matsuno says that they were virulent in their utterings.

As government-appointed custodian of all evacuees' property, I am turning this matter over to you, for your notice.

Respectfully yours,

(Signed) Fred R. Matsuno

Dear Sir:

Mr Kazuma Matsuo, Barracks 15, Apartment 5, Avenue J, came into our office yesterday, June 9th, at the Fresno Assembly Center asking that we check with the Fillmore-Post Branch of the Bank of America, regarding the following matter.

Some three weeks ago, Mr Matsuo's mother-in-law, Mrs Yuwa Nakano, forwarded her savings pass book #938 covering blocked account GL-11 to the above Bank with instructions to transfer these funds to an account in the name of her husband, Sakataro Nakana who is interned by the FBI at Fort Sam Houston, Texas. To-date she has not heard from them regarding same.

We are forwarding this to your office so that you may either follow from there or instruct us as to what procedure we should take.

Dear Sir:

Your very kind assistance in obtaining my commission of $280.00 from the Regional Office of the Home Owners' Loan Corporation is deeply appreciated. Because of the necessity of my evacuation, the sum came at a particularly helpful time.

We are now rather comfortably situated in the Santa Anita Assembly Center at the above address. I regret that this note did not reach you earlier; however, the haste in the actual process of packing and moving made necessary the delay.

Thank you.

TO: HEAD OFFICE August 12, 1942

Subject; Evacuee Property Department

Enclosed in triplicate are copies of a letter dated August 7, addressed to us by Fred R. Matsuno, Puyallup Assembly Center, setting forth an alleged theft of property of the evacuee in Alaska.

Inasmuch as we are not advised as to what agency, if any, is assisting evacuees from Alaksa in the handling of their property problems, we are referring the matter to you for possible reference to the appropriate parties. We have informed the evacuee to that effect.

Dear Sir:

Mr Kazuma Matsuo, Barracks 15, Apartment 5, Avenue J, came into our office yesterday, June 9th, at the Fresno Assembly Center asking that we check with the Fillmore-Post Branch of the Bank of America, regarding the following matter.

Some three weeks ago, Mr Matsuo's mother-in-law, Mrs Yuwa Nakano, forwarded her savings pass book #988 covering blocked account GL-11 to the above Bank with instructions to transfer these funds to an account in the name of her husband, Sakataro Nakana who is interned by the FBI at Fort Sam Houston, Texas. To-date she has not heard from them regarding same.

We are forwarding this to your office so that you may either follow from there or instruct us as to what proceedure we should take.

Yours very truly

Mr. Wm. R. Cass,
Inglewood Daily News,

Inglewood, California.

Dear Sir:

Reference is made to your letter dated March 10, 1942, addressed to Lieutenant General J. L. Dewitt, and the enclosure, which have come to our attention.

So far as is possible we are encouraging evacuees to make private arrangements in the solution of their property problems with which they are confronted in the light of the evacuation program. The arrangements that Mr. Nuichi Matsuo suggests appear to be in line with that program.

Except for the necessity of licensing Japanese who are classified as blocked "nationals" in order to permit such persons to complete certain types of transactions, there are no restrictions so far as this bank is concerned against dealing with Japanese aliens, and, of course, dealings with Japanese American citizens are not restricted.

Undoubtedly Mr. Matsuo will be able to inform you whether or not he is classified as a blocked "national" or operating under the General License extended to Japanese continuously resident in this country since June 17, 1940. In the event that he is a blocked "national" no doubt his bank, or your own bank, would be helpful in solving any problems pertaining to Treasury Department licensing.

Copies of your letter and our reply are going forward to our Los Angeles Branch for its information and for that of our Field Representative who is situated in the offices of the U. S. Employment Service, 319 E. Hillcrest, Inglewood, and who is available for such further information as you may desire.

Dear Sir;

Reference to the conversation I had March 9th with your secretary concerning the property of Nuichi Matsuo, 1646 West 152nd St., Gardena, Calif. I sold them the property back in 1937, and I live in the next block. He came up to my house and asked me if I would look out for their home while they were away. That they wanted to get out as soon as possible.
What I want to know is if I would be allowed to rent this property for them and take care of the payments and the taxes.
Please understand that I don't want to stick my neck out and get into trouble with the government on this and I would like to have you give me your opinion on this.
Thanking you kindly for your advice I am,

S i r: Subject: No. 16848 W.R.A. - Ichiro Matsuoka

Further reference is made to your letter dated June 5, 1942, enclosing correspondence with the War Relocation Authority, as well as a copy of a letter addressed to Mr. Edward J. Ennis by Mr. Matsuoka, under date of March 23, 1942.

We are advised by our Los Angeles Branch that Mr. Matsuoka called on our Los Angeles office under date of March 29, 1942, to avail himself of the services of the Evacuee Property Department. He informed our office that he was purchasing property at 315 North Townsend Avenue, Los Angeles, under a contract providing for payments at the rate of $50.00 per month, and requested advice as to steps he might take to protect his interest in that property. He was advised to determine whether or not the property could be rented at a figure sufficiently large to service the indebtedness, and if not, that consideration might be given to the sale of the property if he could obtain a satisfactory price in order to realize on his equity. His property was listed with this bank for sale or rent and the matter was referred to a number of inquirers.

Mr. Matsuoka did not again call at our office, although we pursued his inquiry, and under date of April 14, inquired whether any further assistance could be given him. As he did not reply to our letter, our Field Representative at Pomona Assembly Center called upon him to obtain information as to the status of his problem.

We are now informed that the property was sold by the evacuee for the sum of $600.00, with the purchaser assuming the unpaid balance of the indebtedness. Mr. Matsuoka expressed himself as fully satisfied with the sale.

We trust that this will provide the information you desire, with respect to the matter. An additional copy of this letter is enclosed for reference to the War Relocation Authority, if you so desire.

Yours respectfully,

Assistant Cashier.

Dear Sir:

In answer to your letter concerning my letter to the President of the United States, I am afraid there has been a misunderstanding in reading.

The property to which I was referring to is my home for which my folks and I are making payments. We have made a down payment of seven hundred and fifty dollars ($750.00) and am paying fifty dollars a month (including six percent interest) on the balance. The property was valued at five thousand dollars and we have paid a little over a thousand dollars already. Since all this went through escrow isn't it possible for us to lose the home if payments were stopped as a direct result of this war? At the moment we may be evacuated at any time.

Today I went to the Property Control Station for Aliens and Japanese Americans and I was notified that nothing yet has been done about matters like ours and that a moratorium may be declared.

Please answer this letter as soon as possible.

Thanking you for everything I remain

The Secretary of the Treasury
Treasury Department
Washington, D. C.

Dear Mr. Secretary:

Mr. Edward J. Ennis, Director of the Alien Enemy Control Unit of the Department of Justice, has forwarded to me a letter he received from Ichiro Matsuoka of Los Angeles concerning the possibility that his impending evacuation from Los Angeles may cause a forfeiture of his equity in his home. I am enclosing copies of Mr. Matsuoka's letter to Mr. Ennis dated March 23, 1942, Mr. Ennis's acknowledgment to Mr. Matsuoka, dated May 19, Mr. Ennis' letter to me, dated May 19, and my letter of today to Mr. Matsuoka.

You will note that Mr. Matsuoka's letter states that he has paid a little over $1,000 toward the purchase of a house valued at $5,000. He does not expect to be able to continue to meet payments on the house as they fall due after he has been evacuated from the military area on the West Coast in which he resides.

As you know, in my letter to you dated March 25, I delegated to the Treasury Department and its agencies, including the Federal Reserve Bank of San Francisco, the authority vested in me under Executive Order No. 9102 of March 18, 1942, to assist persons removed under Executive Order No. 9102, or under Executive Order No. 9066 of February 19, 1942, in the management and disposal of their property. I stated in that letter that I would advise you promptly of any special needs or problems that may develop in connection with such property management as our experience would bring them to light.

May I ask you to refer these letters to the agency to whom you have assigned the delegated functions. I should very much like to receive a report of the assistance it is found possible to render to Mr. Matsuoka in this case.

Sincerely,

Gentlemen:

There is located at Pinedale a Japanese by the name of James Matsuoka from Kent, Washington.

He has shipped one car load of farm equipment including his household goods to Helena, Montana, and this merchandise is now in the possession of R. Ogata, P. O. Box 500, Helena, Montana.

He wants to know who he can give power of attorney to for the proper handling of this merchandise. He apparently is well acquainted with Mr. Ogata, but would rather some reputable agency would negotiate for him.

I reported this to the Farm Security Administration here in Fresno, and apparently they are not following these things through to a definite conclusion, and due to the fact that there is household goods and personal property in this car load, I do not know just how far you would want us to go in matters of this kind where there are both household and farm equipment involved.

Mr. Lawson J. Allen,
Field Representative,
Federal Reserve Bank of San Francisco,
Evacuee Property Department,
319 Patterson Building,
Fresno, California.

Dear Sir:

Reference is made to your letter dated July 6, 1942, regarding James Matsuoka, formerly of Kent, Washington.

We understand that Mr. Matsuoka forwarded certain personal property, including farm equipment, to Helena, Montana, where the goods are now in the possession of R. Ogata. Apparently he desires to dispose of the property in some manner.

We do not believe it would be feasible for us to represent Mr. Matsuoka, with respect to the property situated in Helena, Montana. It seems to us that, from a practical standpoint, Mr. Ogata, in whose care the property is now held, would be the logical one to dispose of it, in accordance with instructions provided by Mr. Matsuoka, if Mr. Matsuoka has sufficient confidence in Mr. Ogata.

While it does involve farm equipment to some extent, it seems questionable whether it is the type of thing which the Farm Security Administration would care to handle, due to its remoteness.

Yours very truly,

Assistant Cashier.

Gentlemen:

There is located at Pinedale a Japanese by the name of James Matsuoka from Kent, Washington.

He has shipped one car load of farm equipment including his household goods to Helena, Montana, and this merchandise is now in the possession of R. Ogata, P. O. Box 500, Helena, Montana.

He wants to know who he can give power of attorney to for the proper handling of this merchandise. He apparently is well acquainted with Mr. Ogata, but would rather some reputable agency would negotiate for him.

I reported this to the Farm Security Administration here in Fresno, and apparently they are not following these things through to a definite conclusion, and due to the fact that there is household goods and personal property in this car load, I do not know just how far you would want us to go in matters of this kind where there are both household and farm equipment involved.

Yours very truly,

L. J. Allen
