Refers to report of April 1, 1942.

(See Stockton letter of May 28, 1942).

This was closed out by our report of 4/29 upon the word of Mr. Moorehead of Stockton National Farm Land Bank. However, upon checking further into the matter, we find that the account of Subject is regarded as first class, payments are going along satisfactorily, and insurance, which was arbitrarily cancelled, was replaced through Mr. Moorehead by Rhode Island Insurance Company and the premium, \$11.10, was billed direct by Insurance Company to Subject. The file should be closed.

Action taken:\*

Closed.

Mr. Teruo Nishimoto  
Farm Labor Camp  
Shelley, Idaho

Dear Sir: Family No. (53) 26305

Reference is made to our past correspondence in which a sale was effected through us to the Army of your 1940 Ford Deluxe Sedan.

We have today received from the Universal Credit Company a cancelled contract on this machine which was executed at the time of your original purchase. In view of the fact that their loan has been paid in full and you also have been reimbursed in full for your equity, it is in order to consider the transfer completed. We are, therefore, enclosing the cancelled contract made between yourself and the Universal Credit Company for your files.

Yours very truly,

Assistant Cashier.

Dear Mr. Armstrong:

Replying now to your letter of July 7, we are enclosing EFM 10 signed by Sergeant Charles L. Darland covering delivery to him last evening of subject's car from Clark Garage, Stockton.

The battery in this car was ineffective and new battery was requisitioned by Sergeant Darland from Ralph Carter Tire and Service Company of Stockton.

One of the Sacramento cars in charge of Sergeant Darland's men developed trouble in or near Sacramento, which he said, would make it necessary for him to return to his men and proceed to have the trouble remedied. This may account for Mr. Doyle's inquiry this morning.

Very sincerely yours,

Subject: T. Nishimoto  
Family No. (53) 26205

Dear Sir:

On June 6th we wrote a letter to the above subject, copy of which is attached, enclosing a Statement of Indebtedness owing to the Universal Credit Company and reflected on our Form EF-6.

This letter was sent Registered Mail to Mr. Nishimoto at the WCCA Assembly Center, Fair Grounds, Stockton, but for some reason, we have not received an acknowledgment of same. In the course of the delivery of this letter, however, we received a letter dated June 8th from Mr. Bert Jacobs, the postmaster at the assembly center, requesting that we inform him of the family number of Mr. T. Nishimoto so that he could deliver our registered letter number 553762. On June 9th we answered Mr. Jacob's letter and gave him the information requested. Since then, however, we have not received any further information as to whether or not the letter was delivered.

Since your letter of June 16th indicates that you have a new address for Mr. Nishimoto, we suggest that you trace this matter and let us know what the present status is. For your information we already have WCCA Form FRB-4 on which the above subject has expressed his desire to sell his car to the Army under Alternative No. 2. The appraisal on the car as of June 12th was \$495.00.

It is also quite important that we have this case settled shortly inasmuch as the Universal Credit Company of Stockton have written to us as of June 16th stating that the account is seriously in default with a balance due and payable of \$231.75.

Yours very truly,

Assistant Cashier.

Dear Sir:

Reference is made to your letter dated June 15, 1943, requesting information as to the whereabouts of Mr. Nishimoto's automobile which was, as you state, the subject of rather extensive correspondence with Mr. Nishimoto in 1942.

The vehicle has been requisitioned by the United States of America and delivered into the custody of the Army. We understand that the military authorities have been in communication with Mr. T. Nishimoto, the registered owner of the vehicle, and have been endeavoring to communicate with Mr. Yoshio Nishimoto when they have been unable to locate.

If you can provide us with Mr. Nishimoto's present address, we will be pleased to give the information to the military authorities locally, in order that they may communicate with Mr. Nishimoto.

Mr. Yeshio Nishimoto,  
P. O. Box 154,  
Shelley, Idaho.

Subject: Family No. (53) 25813

Dear Sir:

Your letter of June 30th addressed to Mr. L. S. Weeks, our Stockton representative, has been referred to this office.

Due to the fact that it is not possible for your car to be sent to your present location, we have made further attempts to get a better price for your car. Mr. Weeks informs us that after having several dealers see the car the best price that was offered was that of the Acme Auto Wrecking Company, Stockton, California, who will pay \$60.00. Since this is \$15.00 over our appraisal, and since under the circumstances it seems to be a very fair price, we recommend that you accept the offer and instruct us to turn the car over to the Acme Auto Wrecking Company for this amount.

Our Forms EPA-3, "Instructions as to the disposition of Motor Vehicle", are enclosed and if you decide to sell the car please sign these forms on the line signified by the mark "X" and return them to this office. Please also forward your registration card and your copies of our Forms WCA-FEB-3, "Motor Vehicle Registration Form", and Form WCA-FEB-4, "Agreement Regarding Disposition of Motor Vehicle".

As soon as we receive your instructions we will notify Mr. Weeks to deliver the car and forward a check for \$60.00 to you at Shelley.

Yours very truly,

  
Assistant Cashier

Dear Sir:

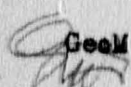

In an effort to close our remaining open automobile cases as soon as conveniently possible, we are writing to you again on the above case.

According to your letter of June 19th, you were then writing to Mr. Nishimoto to encourage him to execute our conversion form letter. If you have not heard from him since that time, we suggest that you again correspond with him and request a prompt reply.

If there is anything that this office can do to cooperate with your efforts, please let us know.

Yours very truly,

Mr. Leland S. Weeks, Field Representative,  
Federal Reserve Bank of San Francisco,  
Evacuee Property Department,  
201 N. San Joaquin Street,  
Stockton, California.

Dear Sir:

We are enclosing a letter addressed to the following  
evacuee at the WCCA Assembly Center, Stockton, California,  
regarding his automobile storage.

Family No. (53) 25813 Mr. Y. Nishimoto

From this letter you will notice that the thought in  
mind is to encourage this Japanese to take advantage of Alterna-  
tive No. 2 on WCCA Form FRB-4 and sell his car to the Army.  
This letter has been sent to you inasmuch as we feel this  
matter should be handled personally through you rather than  
direct with the evacuee.

Kindly advise us as soon as possible what success you  
are having in the conversion of this car and when the trans-  
actions have been completed, please return the forms properly  
executed together with the ownership certificate properly  
endorsed on the reverse side on lines 1 and 2.

Yours very truly,

  
Assistant Cashier.

Nozawa, Misao

Stockton Assembly Center

Stockton, Calif.

REFERRED BY MR. EVERSON

926 West Willow Street  
Stockton, California  
September 17, 1942

By Registered Mail

Mrs. Misao Nozawa  
8-140-E  
Stockton Assembly Center  
Stockton, California

Dear Mrs. Nozawa:

You will find enclosed herewith your savings account pass book No. 5287 issued by the local Hunter Square Branch of Bank of America, in which the following entries have been made by the bank since you gave the book into the writer's possession:

June 30, 1942, Interest credit	\$11.12
June 29, 1942, by Mrs. Breckinridge	35.00
Aug. 19, 1942, " " "	35.00
Sept. 15, 1942, " " "	50.60

The above entries bring the balance of the account to \$2043.35 .

Mrs. Breckinridge, who entered into an agreement with you whereby she is now occupying your former location at the St. James Hotel and is renting your hotel furniture at the rate of \$35.00 per month, affirms that she now feels certain of her ability to maintain future payments without becoming delinquent. In making yesterday's deposit of \$50.00 to the credit of your account she is still owing \$15.00 to complete payment for the current month. She states that this item will be paid up with the October installment.

With reference to your request that Bank of America act as trustee for you, Mr. Rossi states that he would prefer your placing that duty in the hands of a reliable real estate firm, however we have asked Mr. T. W. Thomas to write to you and outline the terms under which he could serve you in that direction. We suggest that you consult Mr. Y. Agari at the Center and ask his opinion of the qualifications of Mr. Thomas.

Very sincerely yours,

<sup>YR</sup>  
Nucleus Savings & Loan Association has a Japanese American citizen tenant of land. The equipment on the land is owned by generally licensed Japanese alien and is valued at about \$3,000.

They are going to pay the tenant for the labor he has in the crop, amounting to about \$300, and all rent he has paid on lease to date, which satisfied him, and are paying a reasonable price (around \$3,000) for the alien's farm equipment.

Mr. Miller wants to be sure he can deal with alien, and after discussion has decided, while not necessary, to take all parties before Mr. Campbell at San Jose to let us know formally that the deal is satisfactory to the evacuees concerned.

Mr. Miller assures us that they are treating evacuees fairly in all their dealings, overlooking the prejudice placed on evacuees in such dealings on account of the evacuation time limit.

Advised that while not necessary to contact our San Jose Field Representative they were encouraged to do so if they wanted to make formal record.

I do not want all of our goods sent as there is no room, living as we are, five people in one room. But, if possible, I would like to have my sewing machine marked #2 (greyish white box).

Our goods are stored at 208 Third Ave. So., Seattle, according to your notice sent May 1, 1942.

Please advise me on this matter. Thank you for the kind attention.

Dear Sir:

I contacted Mr Chas. Nishi at the Fresno Assembly Center this afternoon and received the following information. Mr Nishi says that his Father and Uncle, Y and S Nishi respectively operated what was known as the Capital Basket Company. That they were doing business with the Perry Veneer Company of Bandon, Oregon who they owed around \$400.00 plus about \$200.00 on a machine. Mr Nishi states that he wrote the Company asking that they endeavor to sell the machine for them prior to evacuation and give his Father and Uncle whatever was left after clearing up the account, but that he never heard from them until recently when they wrote saying that they wanted to sell the machine and asking that he forward the key to his warehouse where it is stored with a lot of other equipment to the Federal Reserve Bank or someone else whom he could trust to get same out for them.

Mr Nishi says that he is writing Mr Reed our Sacramento Representative to-night for his advice on the matter.

Yours very truly

MEMORANDUM TO: Federal Reserve Bank of San Francisco  
SUBJECT: Spot check inventory of Santa Barbara warehouse

On July 28, 1942 Major V. E. Maston and H. E. Mansell made a physical inventory check on miscellaneous lots stored within the warehouse at 1025 Chapala Street, Santa Barbara.

Among the lots inventoried was that pertaining to George Nishimura, Family Number 14986. Form FRB-2 lists nineteen articles. A physical check shows only seventeen articles were present. Surrounding lots were scanned in an endeavor to locate the shortage but no trace of the two missing items were found. There is a possibility that these two articles which are now missing may be located within some other lot when all lots in the warehouse are cleared out.

Mr. James T. Nishimura,

Dear Sir:

reference is made to your letter dated June 19, 1942,  
requesting assistance in obtaining a permit to travel to Bismarck,  
North Dakota, because of your father-in-law's illness.

It is our understanding that the Manager of the Assembly  
Center in which you are situated has full jurisdiction over matters  
of this character, and that you should present your request to him  
for consideration.

Matters of this character are outside of the jurisdiction  
of this bank and should be pursued in the manner indicated.

Yours very truly,

Mr. Herbert A. Armstrong,  
Federal Reserve Bank of San Francisco,  
San Francisco, California.

Dear Mr. Armstrong,

This morning I received a special mail  
letter stating that my father-in-law:

Takeichi Miyata, interned at Bismarck  
North Dakota. Room 33-N, Box 300.

Area 2.

Formerly of 113 S. Eldorado St  
Stockton, California.

is critically ill and confined at Hospital  
in Bismarck, N. D.

Immediately upon this notice I went to  
see Mr. George Greene of this Assembly  
Center, who is taking charge of this type  
of request & consented to me to write

to you direct, so that permit can be obtained to make special trip to see him, and return immediately after completing my business.

While I was in San Francisco, you were kind enough to see many request completed, especially regarding the homes of the Japanese evacuees in Berkeley, therefore I took this liberty in writing to you to-day, in the hope that you might be able to contact, possibly, Colonel Karl R. Benditson and grant me a special permit to visit my father in law.

This is an unusual request, I am sure, but if you can spare your valuable time to fulfill this desire, I shall be more than grateful to you.

Yours very truly

MEMORANDUM TO MR. (HERBERT) ARMSTRONG

Re James T. Nishimura vs Growers Rice Milling  
Company, et al.

REFERRED BY MR. H.D. ARMSTRONG  
TO MR. *W*  
MAR 26 1942

Pursuant to the suggestion contained in your memorandum of March 24, 1942, I have interviewed Mr. William B. Acton, representing the plaintiff, and Mr. Marshall Leahey, representing the defendant, and have obtained from each of them an oral statement of their respective contentions. I have also examined the letter dated March 21, 1942, addressed to your office by Mr. Acton.

In answer to the contentions made by Mr. Acton in his letter of March 21, the defendant alleges that as of January 1, 1941, Nishimura agreed with Mengola that he would perform services in selling rice on a straight drawing account basis of \$50 a week and that at that time it was agreed that Nishimura would not receive any further commissions on sales. Commissions then due Nishimura were paid during January 1941, but during the remainder of the year no commissions were paid because none were due. It is admitted that Nishimura repeatedly requested an accounting and that Mengola and the other officers of the rice milling company repeatedly stated that no accounting would be made because the drawing account covered full compensation. There was no written contract, no witnesses to the arrangement, and no statement of account has ever been prepared.

It is my opinion that, regardless of the merits of the contentions made by the respective parties, a meritorious dispute exists, and that this case is not one in relation to which freezing control should be exercised. I have so advised Mr. Acton by telephone. He stated that he appreciated our interest in the matter and could see the propriety of our position. He also agreed with me that, if his application for the appointment of a receiver was meritorious and was granted, such proceeding would fulfill substantially the same office as a freezing order. I believe that you can close the file in this case.

MEMORANDUM TO: MR. AGNEW

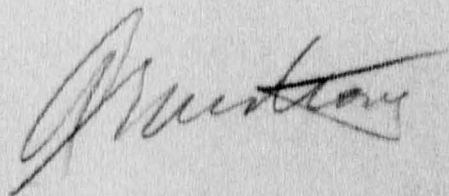

SUBJECT: James T. Nishimura  
vs  
Growers Rice Milling Company, et al

Attached is a letter addressed to us by Mr. Nishimura's attorney under date of March 21, 1942, which is self-explanatory.

Nishimura is asking us to assist him in making a settlement with the defendant who is represented by Mr. Marshall Lahey of this city. Obviously Mr. Nishimura's position is not a particularly clear one, but he reports that the parties have come very close to settlement on the basis of \$5,000 to Nishimura, together with the assumption of other indebtedness looking toward a total settlement of \$8,000. Negotiations were proceeding smoothly until this action was filed and have now broken down completely. Nishimura is moving for the appointment of a receiver although the motion has not yet been served.

The question arises as to how far we should proceed in affirmative assistance where the position of the plaintiff is not particularly clear.

It is believed that we would be willing to discuss the situation with the defendants through their attorney in the hope of pointing the road toward some equitable settlement, but would like your consideration of the matter for discussion.

Gentlemen:

JAMES T. NISHIMURA  
vs.  
GROWERS RICE MILLING COMPANY et al.

ATTENTION Mr. ARMSTRONG.

Pursuant to your suggestion at our conference Thursday forenoon that we reduce the substance of our statements to writing, we submit the following:

1. James T. Nishimura is an American citizen.
2. For some period of time he has been engaged in the rice business. In 1938 he entered into an agreement with GOERGE MENGOLA and GROWERS RICE MILLING COMPANY under which he was to purchase rice from the growers, sales were to be financed and profits divided equally between them. Nishimura was to receive a drawing account of \$35.00 per week. The other parties provided him an office adjoining their's, together with telephone service, etc. At the beginning of 1940, the weekly drawing account was increased to \$50.00. Not in writing  
no other  
no acct
3. No accounting has ever been made to Nishimura. It might be suggested that Nishimura's share of the profits about equalled his drawing account. However, the outbreak of the war in the Pacific suddenly shot up the price of all rice. At the time war was declared these parties had on hand 70,000 bags of rice. The price increased by \$1.00 per bag. This resulted in an unearned increment of \$70,000.00, - of which Nishimura was entitled to one-half.
4. Mengola, as President of Growers Rice Milling Company, when asked for an accounting, for the first time denied any agreement for an equal division of profits. We then filed suit for an accounting in our Superior Court.
5. We ask your office to assist us in preserving this American citizen's rights in this matter.

Respectfully,

*William B. Acton*

Principal property involved and scope of problem:

This is a case of litigation involving approximately 70,000 bags of rice of a value of \$225,000 brought by the above against the Growers Rice Milling Co., 503 Market St., S.F., defendant. Plaintiff's interest is \$35,000 and his contract with defendant was apparently a verbal one in this case. Defendant has refused to give plaintiff an accounting and plaintiff is bringing nothing for an accounting in equity court for the appointing of a receiver to safeguard his interests. The question is whether, in face of litigation, in the event the plaintiff has to evaluate with the Federal Reserve Bank cooperate with him in protecting his interest and in enforcing his right in the property.

Action taken:\*

Advised to take up the matter with his attorney to ascertain whether in case of necessity written depositions would satisfy the needs of the court and/or whether the absence of plaintiff from the trial would prejudice the case; also to request that attorney to address us as to the above points as well supplying pertinent data in re for the Bank's consideration.

Dear Madam:

Reference is made to your letter dated October 22, 1942 inquiring as to the availability for purchase of certain personal property owned by Miyako Nishimura.

We presume you know, or will be able to learn where Mr. Nishimura is now residing, in order that you may get in touch with him direct regarding the problem.

It would appear that Mr. Nishimura would be in position to conduct direct negotiations regarding the disposal of the property which is the procedure that should be followed, inasmuch as the property and its disposition does not come within the jurisdiction of this bank.

Dear Sir:

A Center residence, Mr. Katsu Nishio, asked us to consult you regarding his property at 1818-3-5 Sutter Street, San Francisco.

I am attaching the letter Mr. Nishio sent to Mr. R. R. Zellick, of the Anglo California National Bank; wherein, you will see that the flat has been rented according to Mr. George Watson. The Anglo California National Bank mentioned that this house is still vacant. Mr. Nishio mentioned that he knew Mr. Watson very well and that the latter visits Mr. Nishio very often at this Center. According to Mr. Watson, the third floor has been rented in the middle of June; the second floor, the first part of June; the front part of the first floor to Mr. Watson; the back part of the first floor in the middle of June. It is apparent that the Anglo California National Bank appointed Tesluck Co., Real Estate Agent on Sutter between Fillmore and Steiner Streets, San Francisco, to take care of our property. The company does not disclose the entire business to the Bank.

Since our evacuation is set from September 15 to the end of September, I am hurriedly writing you to have this property looked into by you.

We appreciate your assistance in this matter.

Very truly yours,

San Bruno, California

Dear Mr. Nishio:

We have your letter of the 25th, and hereafter you shall receive a statement from us at regular intervals with respect to your property.

As you have placed certain restrictions as to the type of tenant for your property, we have been unable to rent the vacant flats up to this writing. The only tenants available in the district are Negroes, and as more and more Negroes are moving into the district, it is becoming increasingly impossible to obtain tenants of the Caucasian race. In many of the flats and properties under our control, we have obtained satisfactory Negro tenants, and should you feel, at any time, you would be willing to rent to this class of tenant, just so inform us.

Mr. Watson is living in the room about which he spoke to you, and we had presumed that he was receiving the rent free in view of his services in looking out for your property to the extent of preventing any vandalism or damage. If you wish to write him in reference to a charge, we would suggest it be made not more than \$5.00 to \$7.50 per month.

Very truly yours,

(Signed) R. R. Zellick

Dear Sir:

I have heard through Mr. George Watson, who kindly visits us every week, that our house has been rented. Although I have been informed, I would like very much to have a specific report on this matter from you.

The only report that I have received up to date is on the matter of the war damage insurance. If it is possible, I would like to hear from you at least once every month or two months concerning my property at 1881-3-5 Sutter Street.

In addition to this, please advise me as to the amount I should charge Mr. Watson for his room in the lower front flat. Since he is looking after the house, as well as having done much for me in the past, I would like to give him a fair price.

Thank you for all the trouble you have gone through. Your kindness shall remain in my heart forever.

Hoping to hear from you soon, I remain,

Very truly yours,

---

Confirming my conversations of Saturday and of today with you by telephone, James M. Nishioka, Japanese alien, has agreed to sell, subject to approval by the Federal Reserve Authorities and Foreign Funds Credit Department and to the written consent of the lessors, all equipment and fixtures belonging to him located in the Ryan Theatre (1437 Tulare Street, Fresno), together with good will, operator's rights and leasehold interest, to Leslie M. Kessler (1706 Broadway, Oakland) for the sum of \$7,800.00 cash; an escrow has been established with Home Title Company (2033 Mariposa Street, Fresno), and I enclose two copies of the escrow instructions.

Mr. Nishioka is recording a Notice of Sale on this date, pursuant to the provisions of Section 3440 of the Civil Code, and publication will be made as required by the Code section, so that the sale may be completed on Tuesday, April 21, 1942, insofar as James M. Nishioka is concerned. I enclose two copies of the Notice of Sale.

The written consent of the Executor and Executrix of the Estate of Ryan has not as yet been secured, but Mr. Kessler expresses his belief that it will be forthcoming.

If the proposed sale is approved, will you kindly file with Home Title Company an expression of approval and authorization, to complete the escrow on behalf of the Federal Reserve Authorities and Foreign Funds Credit Department?

Dear Mr. Allen:

Re: James M. Nishioka -  
Ryan Theatre.

Confirming my conversation by telephone with you of today, Mr. Kessler has deposited with Home Title Company the additional sum of \$6,800.00 (making \$7,800.00 in all), and Mrs. Ryan and Mr. Everts, as Executrix and Executor of the estate of James P. Ryan, deceased, have stated that they will execute a consent to the assignment by Mr. Nishioka to Mr. Kessler of the lease entered into the 18th day of January, 1931, by and between James P. Ryan, Lessor, and James M. Nishioka, Lessee.

The Executrix and Executor have demanded that Nishioka execute and place in escrow a release of any claim against them or the estate of James P. Ryan, deceased. In other words, all of Nishioka's rights under the lease will be transferred to Kessler, and Nishioka acknowledges that he has no claim against the Executrix or Executor of the Ryan estate, or the estate itself thereafter.

We enclose herewith two copies of the release. We also enclose two copies of the Notice of intended sale, which was executed and recorded April 14, 1942.

Arrangements have been made for the required publication of the Notice of Sale in

Jimmie Nishiroka is the Lessee of the Ryan Theatre, Cor Tulare & F Sts. Fresno, his lease has 4 yrs to run at 150<sup>00</sup> per mo. rent. Mrs. S. Ryan the owner had a clause in his lease providing the cancellation of the lease unless the Theatre was continuously operated. Nishiroka closed the Theatre on account of the curfew law, and Mrs Ryan spoke of cancellation. The lease also provides that any sub. leasing must be accepted by the lessor, therefore when he attempted to sell, she demanded # 200<sup>00</sup> per month. Nishiroka's buyer then refused. the deal. I then called in Mrs Ryan and her attorney, Thomas Lopez, with the result that Mrs. Ryan offered to pay Nishiroka \$6500<sup>00</sup> for his interests. I considered this a good deal and so stated - however the following day an attorney by the name of Leslie M. Kissler

Ms Ryan, owner of the property in which the Ryan Theatre is located, and leased to J.M. "Jimmie" Nishioka. called at the office with her attorney Thomas Lopez, and made the following statement.  
Jimmie Nishioka has leased my property for many years and his present lease has 4 years to run. @ \$150<sup>00</sup> per month. and contains a clause that any sub lease must have the approval of the lease, and I have several offers now of \$200<sup>00</sup> per month rent. also that I have made Nishioka, the following offers.  
1<sup>st</sup> To purchase his interests for \$6500<sup>00</sup>  
2<sup>nd</sup> To lease the equipment at a fair rental.  
3<sup>rd</sup> To operate the place for him on a percentage basis.

Nishioka's lease also provides that the theatre must be in continuous operation and he has already voided the same by closing the theatre. although she will not take advantage of this clause.

## Nishioka's statement

I lease the Ryan Theatre from Mrs. Irena Ryan of 315 Hawes St. Fresno the owner of the property, paying her \$150<sup>00</sup> per month rent. I have \$15000<sup>00</sup> worth of equipment which is about 10 years old. and last year I made a net profit of \$9000<sup>00</sup> and I am asking \$12000 for my property.

## Action taken.

advised Nishioka to accept Mrs. Ryan's offer, due to the fact, the lease has only 4 years to run, and Theatre men who have looked at the property with the idea of purchasing have refused to buy on account of the short term of the lease, demanding at least a 10 year lease. In addition he will be evacuated and he will have a big storage problem, to consider in addition to his lease.

I know this property and taking into consideration all angles involved in the case, I advised Nishioka to accept, and my decision was approved by Tom Okawara his attorney who was present.

Principal property involved and scope of problem: This evacuee owns 20 acres about 1 mile east of San Juan, irrigated land, improved with buildings in which he lives with his family. Bought in 1936 for \$8,750. He paid down \$800 with about \$600 a year payments with 5% interest. This place was purchased through the State Veterans Welfare Board. This was bought under the 20-year payment plan so there is still about \$7,000 due in the remaining 14 years. Nishita is negotiating a lease for a cash rent of \$675 a year but has not definite tenant yet. He will report in as soon as he gets something definite. He plans to sell his growing crops to the new tenant. Payment for this year has been made.

Nishita was leasing other lands and he has sold out his interests in the growing crops and leases with the approval of the F.S.A. agent. Also his engines and equipment.

Action taken: \* Told him to be sure and leave P. of A. with someone and to look after his property and leases and crops while he was away and he said he would do so either with John T. Lewis, an attorney or Wright a broker at Hollister, preferably the former. Told him to be sure and report here as soon as he had completed his proposed lease and in any event to keep us posted and advise us when P. of A. was in effect and to whom it was issued.

Gentlemen:

Attention: Mr. R. F. Myers

This is to certify that we have known KAICHI NISHITANI since April 27, 1933, at which time he opened a margin account with us. The ledger sheet of the account shows a continuous balance until May 6, 1941.

During this period transaction bills and monthly statements were mailed to him, first to 1396 O'Farrell Street, and later to 1703 Buchanan Street. Our records do not show that his mail was undelivered or returned to us unclaimed from these addresses.

It is our understanding that Mr. Nishitani works by the day as a laundry boy in private homes in San Francisco.

Referring to his letter to us dated January 6, 1942, a notarized copy of which is attached: The statements made therein are, to the best of our knowledge, correct.

Very truly yours,

Re: Nishizaki *cp.*

Dear Mr. Knox:

February 13, 1942 Mr. Pabst Jr., wrote to H. Nishizaki acknowledging the payment of a note, and stating that Fixed Deposit Receipt #90979 amount \$511.00 would be retained pending action by Nishizaki's bank.

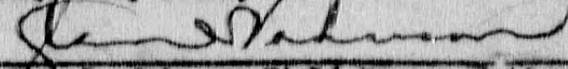

The Porterville Branch of the Bank of America, have asked that I write requesting that this C/D be delivered to Mrs. K. Nishizaki.

It is my understanding that the C/D is made out in the name of H. and K. Nishizaki. While it is true H. Nishizaki is interned, Mrs. K. Nishizaki is living near Porterville--P. O. Address P. O. Box 415, Porterville, and is generally licensed under Treasury Order 88A.

If there is any question as to the right of Mrs. Nishizaki receiving this C/D, please call Mr. Herbert Armstrong, at the Evacuee Property Department, 500 California Street, Phone Sutter 8420.

H. Nishizaki's address is 9151--U. S. Immigration Station, Box P, Sharp Point, California.

Very Truly Yours,

Interviewer, mentioned in report of April 4, a very honest and reliable man, advises of following good results attained by Subject in the selling of his equipment. Original idea was to store it with Bayer:

- 1934 Chev. 1 1/2 ton truck-----\$450
- 1941 Chev. DeLuxe Sedan-----\$900
- Caterpillar, Model 15 tractor--\$1000

These are good prices, and indicate that good equipment could be sold in this territory at fair prices.

✓ Follow-up on reports of March 13, 1942  
March 30, 1942

Principal property involved and scope of problem: Applicant states:

He has followed suggestions regarding contacts for the disposition of his drug store but has not been able to conclude any deal. The wholesale houses will take back a certain amount of stock in unbroken packages, and he has contacted friends in El Paso in regard to securing a position there. In case he is able to do so he wants to know whether he might secure a special permit to proceed to the new location.

Action taken: \*It was suggested to Mr. Nobe that inasmuch as the time for negotiations is getting short that he telegraph his friends in El Paso, among whom is a doctor, and see if a definite arrangement for a job can be made, and, if so, the Provost Marshal in San Francisco might review the circumstances with an idea of giving consideration to a special permit to proceed to El Paso. Applicant has agreed to report to this office immediately upon hearing from his telegram to El Paso.
