Dear Sir:

In reference to your letter of July 1, 1942, you are correct in adding the above names to those Evacuees whose furniture is stored in the Woodland warehouse. These names were on our exception list, not shown on the original list sent you. We note the changes to be made on original way bill of the Central Garage, Woodland, and have acted accordingly.

Our records of the Sacramento warehouse show 352 inventory receipts (WCCA Form FRB-2) covering 4170 individual units of property of evacuees stored therein.

Attention: Mr. R. E. Everson
Assistant Cashier

Gentlemen:

We refer to your schedule of inventory receipts covering the Roseville Warehouse, more particularly with reference to the C. E. Order No. 47 (Loomis).

The sixteenth family of this schedule, family number 24480, name James S. Bingo, number of individual units 5.

Our records fail to show this family as being stored at Roseville. We have asked the guards at the Roseville Warehouse to check for this lot and, upon arriving at the warehouse, the writer was advised that they could not locate this lot.

It is an easy matter to check lots in this particular warehouse and if this storage was taken in, it should have been an easy matter to locate it but we were unable to do so.

We at this time ask that you refer to the FRB-2 copy in your file and see who signed for this lot. Also, this form should show the location of the furniture at the warehouse. Also, it should show where this furniture was picked up.

We are very anxious to have this matter adjusted as soon as possible and will appreciate your immediate attention. We are

Very truly yours,

A. J. Reid

Attention: Mr. R. E. Everson, Assistant Cashier

Gentlemen:

The schedules of inventory receipts; WCCA Form FRB-2, which were attached to your letter of June 27, have been received. The list dealing with the storage at the Central Garage at Woodland, California, has been thoroughly checked against our records.

In addition to the names shown from Yuba City, Chico, and Woodland as shown from your schedule of Woodland storage, we have three other families as follows:

<u>Family Number</u>	<u>Name</u>	<u>Pieces</u>
6692	Mack Tsutimoto	4
6693	Ben Chinato Oshita	15
6694	Charles Y. Toizumi	9

These above families actually show on your Sacramento schedule for the reason that these families went out from Sacramento ahead of time and were known as advance workers. Although these families were sent from the Sacramento Office, their furniture was actually in Yolo County and is stored at the Central Garage, Woodland, but as explained, the FRB-2 Forms were handled from Sacramento as they were evacuated from Civil Exclusion Order No. 52. This should clarify the total number of pieces now actually on storage at Woodland.

Some time ago we sent you an original Waybill Check List for the Central Garage storage, Woodland, pages 1 to 4, inclusive. This list showed the family number, the name, the aisle, section, and number of pieces.

We now find that on Page 2 of this Waybill Check List, Item 3 should be changed to #30956, Kimura, M., Aisle 3, Section 8, pieces 2. On Page 3, Item 1 should be family number 30826, name Napoi; H. S., Aisle 5, Section 7, pieces 26. Item 7, same page, family number 30954, Miura, Joy, Aisle 6,

Section 5, pieces 5. Same page, Item 25, #30314, Makano, C.
Aisle 15, Section 1, pieces 5.

We actually made a physical check of these items and found them to be as above. If you make these changes on your original Waybill Check List, this will correspond with our records and your schedule in addition to the three families mentioned in the second paragraph of this letter. This will check the Woodland Warehouse.

We are

Yours very truly,

SUBJECT: Frank S. Noguchi - Family No. 32720

Dear Sir:

We have the subject's letter dated June 24th stating that our drayman neglected to pick up a washing machine at his home address, P. O. Box 333 B Street, Walnut Grove, California.

It appears that this oversight occurred because the washing machine was not picked up at the same time his other furniture was removed. The evacuee was told by the drayman that he would be back for it the next day but it now seems he failed to return.

We are further informed that Mr. Tony Chargrin of Bank of Alex Brown, Walnut Grove, has power of attorney for this family. Through him will you try to locate the washing machine and have it placed in storage at the Sacramento warehouse.

Yours very truly,

R. E. Everson

Attention: Mr. R. E. Everson

Dear Sirs:

This is in reference to your letter of June 16 regarding the storage of personal property of Noboru Sakamoto, family number 24526, Loomis, and S. Yonehiro, family number 24522, Loomis.

Upon checking at the Charles Livoti Company Warehouse at Roseville yesterday, we were able to ascertain the correct information regarding the storage of these two families.

Form FRB-2 for S. Yonehiro showed eleven packages received at the warehouse. However, it was found that only four of these packages carried Mr. Yonehiro's family number of 24522. The other seven pieces carried the number of 24526. Therefore, these seven items belong to Noboru Sakamoto. The copy of the Waybill Check List, which you sent us and which we are returning, shows the items which are tagged with number 24526. You will notice that these articles correspond with the list of goods which Mr. Sakamoto advised you that he had.

After separating the storage of the two families, we moved the four pieces of S. Yonehiro, family number 24522, to Isle 2, Section 27. The seven pieces belonging to Noboru Sakamoto, family number 24526, were left in Isle 2, Section 2.

We trust that this information will enable you to correct your storage records.

Yours very truly,

A. J. Reid
Sacramento Field Representative

FEDERAL RESERVE BANK OF SAN FRANCISCO

FISCAL AGENT OF THE UNITED STATES

June 16, 1942

Mr. Albert J. Reid, Field Representative,
Federal Reserve Bank of San Francisco,
Evacuee Property Department,
1008 - 14th Street,
Sacramento, California.

Dear Sir:

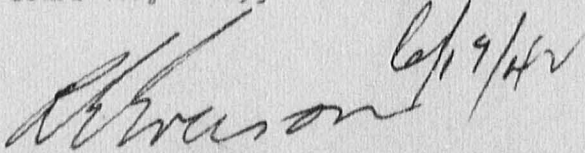

There is a slight error in conjunction with the storage of the personal property of one Mr. Noboru Sakamoto, family number 24526, Loomis, California.

According to our records, no goods were received for said party at the Roseville warehouse and same was noted on our Form FRB-2. Upon communicating with Mr. Sakamoto, we were advised that his goods consisted of two suitcases, four boxes and one tub and were to his knowledge incorrectly stored with the goods of Mr. S. Yonehiro, family number 24522, Loomis, California.

Form FRB-2 covering the storage of goods for S. Yonehiro shows eleven packages received by our representative at the Roseville warehouse. However, Mr. Yonehiro claims to have only four boxes which were stored at the Japanese School House at Loomis and were to be picked up and forwarded to us at Roseville. It therefore seems evident that Sakamoto's goods were unquestionably stored and included with the goods of said S. Yonehiro. Extra copies of Forms FRB-2 and of the Waybill Check List are herewith enclosed and should help to determine the exact status.

At your convenience, will you please have these two lots segregated as to correct family numbers and have our storage tags properly marked with our own serial numbers? Kindly advise when this matter has been completed so that we can correct our records accordingly.

Attention: Mr. R. E. Everson

Dear Sirs:

Attached is a letter we have received today from Tsurukichi Goto, whose address is Block F, Barrack 113, Unit 3, Assembly Center, Turlock, California. He is writing about not having received a receipt for his property stored at the Sacramento Warehouse, Front & P Streets, Sacramento.

On our copy of the Waybill Check List for the city of Sacramento, Exclusion Order #52, the Goto family is listed on Page 1, Line 5. Their property is located in Aisle 1, Section 5, and consists of sixty pieces.

Yours very truly,

A. J. Reid
Sacramento Field Representative

Enclosure

P.S. This is the family that was evacuated from Vacaville Control Center #23 and gave his Form FRB 2 to Mr. Molter on the train Sunday morning. Said property was laying on ranch in the Hastings Tract and we subsequently sent a van out of Sacramento to pick this storage up and it is now stored in Sacramento City Wharf.

Attention: Mr. R. E. Everson

Dear Sirs: Subject: Storage, Civil Control
Station Exclusion Order 52,
at the Sacramento City
Wharf, Front & P Streets,
Sacramento

We would like to point out a few adjustments between the list of Personal Property Forms of Sacramento sent to you on May 19 and the subsequent Waybill Check List sent June 3 as made up by the Truck Owners Association covering the storage of Sacramento evacuees.

Sara T. Tanigawa, family number 6490, listed on Line 7 on our Personal Property Forms list, does not have her property stored at the Sacramento City Wharf. Instead, it is stored at Roseville. This gives a total of 114 families instead of 115 on this list.

On Page 4 of the Waybill Check List on Line 11 is listed family number 28345, Inoye, 3 pieces, stored in Aisle 4, Section 1. Since this same family had property stored also in Aisle 5, Section 4, the three pieces from Aisle 4, Section 1, were moved to Aisle 5, Section 4. Therefore, Line 12 on Page 5 of the Waybill Check List should show that the Inouye family has seven pieces instead of four. This, then, would leave 114 families listed on the Waybill Check List.

The family of Inouye listed on Page 4, Line 8, of the Waybill Check List is the same as Sho Inouye, family number 20828, listed opposite No. 13 on our list of Personal Property Forms.

On Page 2 of the Waybill Check List, the family number listed on Line 16 should be #27258. On the same page on Line 22, the family number of Tanaka should be #28077. On Page 3, Line 25, the family number of Yamanaka should be #27665.

June 15, 1942

Attached is a Civil Control Station report for the city of Sacramento; Exclusion Order #52, covering the storage of M. Tokunaga, family number 27669. The Personal Property form covering this storage was sent to you on June 8 with the notation attached to it stating that it was being listed on our Waybill Check List for Sacramento on Page 1 in Line 1 $\frac{1}{2}$. We have also added it to our list of Personal Property Forms of Sacramento. On the attached Control Station sheet, we are showing a total of 114 families since that is actually the correct figure.

This clears up all the differences between the list of Personal Property Forms and the Waybill Check List for Sacramento as far as families and family numbers are concerned. We will reconcile the difference in number of pieces stored as soon as we receive the list of the number of storage each family had listed on his Personal Property Form.

Yours very truly,

A. J. Reid
Sacramento Field Representative

The term "Number of interviews: On property problems" is intended to cover only interviews of a character ordinarily handled at WCCA offices in which assistance is provided the evacuee and on which interview reports should ordinarily be made.

Routine discussions of property storage and motor vehicle disposition need not be included in the above mentioned caption, as the only data in which we are interested will appear in captions "Motor vehicles" and "Property warehoused."

Attention: Mr. R. E. Everson
Assistant Cashier

Gentlemen:

Supplemental to our letter of the 27th inst. wherein we received one Pyrene, yesterday, June 29, we received the enclosed letter from the Western Defense Command and Fourth Army together with original and duplicate forms, No. Fire - D2.

We are asking at this time whether or not you desire this office to sign this receipt although we have received the Pyrene.

However, there are certain stipulations that are somewhat ambiguous by reason of the fact that we understand from Mr. Armstrong that this Pyrene is to be used by the Burns Detective Agency at the City Wharf Storage Warehouse at Front and P Streets, Sacramento.

We feel that this Agency would be the one to receipt for this Pyrene. Do you agree with us?

We are

Very truly yours,

A. J. Reid
Sacramento Field Representative

Attention: Mr. R. E. Everson

Gentlemen:

We have today received through the mails one Pyrene, number R747728. This fire extinguisher was sent to us by the Western Defense Command, Fourth Army, and addressed to the writer.

We are wondering whether or not it is intended that we bring this over to the Sacramento City Storage Warehouse or whether it was intended that it should be held here at our office or, further, whether it should be left in the Allen's Garage for the automobiles stored there.

There is no letter accompanying this package and we are writing you for directions.

We are

Very truly yours,
