Mr. James F. van Loben Sels, Field Representative,
Federal Reserve Bank of San Francisco,
Evacuee Property Department,
125 Monterey Street,
Salinas, California.

Dear Sir:

We are enclosing herewith Form EPM-10 covering the sale of five automobiles to the Army. These automobiles are stored at our warehouse in Salinas and an Army representative will call on you within the next several days to take possession of them. We hope to be in contact with the Army representative before he leaves San Francisco for Salinas and we will telephone you about his probable time of arrival so that you may meet him and turn over the cars to him.

When the Army representative takes possession of the cars, will you kindly take off the license plates and the cover plates and send them to this office by parcel post or express immediately so that we may turn them over to the Department of Motor Vehicles?

In the meantime should any of these evacuees request permission to sell their cars to others before the Army has taken possession, will you kindly communicate with Mr. Armstrong in San Francisco so that proper action may be taken?

When the Army representative has taken possession of the cars, please have him sign the enclosed Form EPM-10 and return the same to us at once.

Yours very truly,

Assistant Cashier.

INSTRUCTIONS TO EVACUEES
REGARDING DISPOSITION OF MOTOR VEHICLES

★

Evacuees will not be permitted to take their motor vehicles to reception centers. No assurance whatever can be given that evacuees will be enabled at some future time to have the motor vehicles now owned by them returned for their individual use.

The United States Army is authorized, in its discretion, to purchase motor vehicles from evacuees.

Prior to evacuation, motor vehicles may be stored, sold or otherwise disposed of by the owner privately, without governmental interference or assistance.

ALTERNATIVES OF STORAGE OR SALE

The other alternatives presented to the evacuee who owns a motor vehicle are as follows:

Alternative 1. To deliver his motor vehicle to Federal Reserve Bank of San Francisco, as Fiscal Agent of the United States, for storage at the owner's risk, without insurance; which storage will, in most instances, be in open areas (at Assembly Centers or other designated places) and must of necessity be of a character which will subject motor vehicles to a more or less rapid deterioration.

Alternative 2. To offer his motor vehicle for sale to the United States on the following basis:

The motor vehicle will be appraised by two disinterested appraisers and, in its discretion and at its option, the Army may buy the motor vehicle at the appraised price which shall not, however, exceed the Blue Book wholesale value in the locality where the purchase is consummated.

PURCHASE OF MOTOR VEHICLES BY THE
UNITED STATES

A. If the evacuee is NOT the legal owner of the motor vehicle, in order to arrange for a sale to the Army, he must present to the Federal Reserve Bank of San Francisco, as Fiscal Agent of the United States, at the Civil Control Station, or such other place as may be directed, the following:

1. Registration certificate, duly endorsed.
2. The agreement on the reverse hereof, duly signed and witnessed.
3. Such other authorization and assurance as may be required by

the Federal Reserve Bank of San Francisco, as Fiscal Agent of the United States.

In case the evacuee is not the legal owner, it must be clearly understood that if the indebtedness against the motor vehicle is equal to or

greater than the appraised value so that the evacuee has no equity, no sale to the United States will be consummated. In such an instance the right of any creditor to repossess or recapture, as provided by law, will not be resisted by the custodian of the motor vehicle.

B. If the evacuee IS the legal owner of the motor vehicle, he must, in addition to the foregoing, present the ownership certificate, duly endorsed.

DEFINITIONS AND CONDITIONS

Included in the term "motor vehicle" are the following:

1. Passenger cars, light and medium. Heavy passenger cars in order to come within the purchasable category must be classed as "medium", as the Army is not authorized to purchase any "heavy" passenger cars.
2. Motorcycles.
3. Busses and trucks of all types, including pick-up and delivery trucks; and tractors, including semi-truck tractors.

It is not intended to include within the term "motor vehicle" those self-propelled motor vehicles suited only for farm operation.

In the event that the sale of any motor vehicle is not completed or appears not feasible, the Federal Reserve Bank of San Francisco, as Fiscal Agent of the United States, acting for and as agent of the evacuee, reserves the right to store such motor vehicle at the owner's risk, as above set forth, or to make such other disposition of such motor vehicle as may, in its sole discretion, appear to be just and equitable, including the right to permit the legal owner of such motor vehicle to take his legal recourse for repossession or otherwise.

It is intended that the above procedure will provide a feasible means of protecting the interests of evacuees in their motor vehicles, without prejudice to the interests of others therein, and thus will effect an equitable disposition of such property.

Agreement Regarding Disposition of Motor Vehicle

INSTRUCTIONS TO EVACUEES
REGARDING DISPOSITION OF MOTOR VEHICLES

★

Evacuees will not be permitted to take their motor vehicles to reception centers. No assurance whatever can be given that evacuees will be enabled at some future time to have the motor vehicles now owned by them returned for their individual use.

The United States Army is authorized, in its discretion, to purchase motor vehicles from evacuees.

Prior to evacuation, motor vehicles may be stored, sold or otherwise disposed of by the owner privately, without governmental interference or assistance.

ALTERNATIVES OF STORAGE OR SALE

The other alternatives presented to the evacuee who owns a motor vehicle are as follows:

Alternative 1. To deliver his motor vehicle to Federal Reserve Bank of San Francisco, as Fiscal Agent of the United States, for storage at the owner's risk, without insurance; which storage will, in most instances, be in open areas (at Assembly Centers or other designated places) and must of necessity be of a character which will subject motor vehicles to a more or less rapid deterioration.

Alternative 2. To offer his motor vehicle for sale to the United States on the following basis:

The motor vehicle will be appraised by two disinterested appraisers and, in its discretion and at its option, the Army may buy the motor vehicle at the appraised price which shall not, however, exceed the Blue Book wholesale value in the locality where the purchase is consummated.

PURCHASE OF MOTOR VEHICLES BY THE
UNITED STATES

A. If the evacuee is NOT the legal owner of the motor vehicle, in order to arrange for a sale to the Army, he must present to the Federal Reserve Bank of San Francisco, as Fiscal Agent of the United States, at the Civil Control Station, or such other place as may be directed, the following:

1. Registration certificate, duly endorsed.
2. The agreement on the reverse hereof, duly signed and witnessed.
3. Such other authorization and assurance as may be required by the Federal Reserve Bank of San Francisco, as Fiscal Agent of the United States.

In case the evacuee is not the legal owner, it must be clearly understood that if the indebtedness against the motor vehicle is equal to or

greater than the appraised value so that the evacuee has no equity, no sale to the United States will be consummated. In such an instance the right of any creditor to repossess or recapture, as provided by law, will not be resisted by the custodian of the motor vehicle.

B. If the evacuee IS the legal owner of the motor vehicle, he must, in addition to the foregoing, present the ownership certificate, duly endorsed.

DEFINITIONS AND CONDITIONS

Included in the term "motor vehicle" are the following:

1. Passenger cars, light and medium. Heavy passenger cars in order to come within the purchasable category must be classed as "medium", as the Army is not authorized to purchase any "heavy" passenger cars.
2. Motorcycles.
3. Busses and trucks of all types, including pick-up and delivery trucks; and tractors, including semi-truck tractors.

It is not intended to include within the term "motor vehicle" those self-propelled motor vehicles suited only for farm operation.

In the event that the sale of any motor vehicle is not completed or appears not feasible, the Federal Reserve Bank of San Francisco, as Fiscal Agent of the United States, acting for and as agent of the evacuee, reserves the right to store such motor vehicle at the owner's risk, as above set forth, or to make such other disposition of such motor vehicle as may, in its sole discretion, appear to be just and equitable, including the right to permit the legal owner of such motor vehicle to take his legal recourse for repossession or otherwise.

It is intended that the above procedure will provide a feasible means of protecting the interests of evacuees in their motor vehicles, without prejudice to the interests of others therein, and thus will effect an equitable disposition of such property.
