SCHEDULE OF JAPANESE TRUSTS

ONE: George M. Higuchi, also known as Masaru Higuchi, individually, and doing business under the name of H. & T. Produce Company.

For this particular client, who has been a client of this office since about 1926, I am collecting all accounts receivable in connection with the H & T Produce Company formerly operated at 445 6th Avenue, San Diego, California, and paying all bills in connection with this business out of accounts collected. For this person I am also collecting rentals from the occupant of 4028 Boston Street, San Diego, California, in the sum of \$25.00 per month, which property has been rented to one Walter J. McCoy. Expenses of property will be paid from rentals received. I have general power of attorney from this person, a citizen of the United States, and by reason of years of acquaintance, I am in a position to determine most any question which might arise with respect to his affairs.

TWO: Kuratomi, Masako.

For this girl, a citizen of the United States, and for whom I have general power of attorney to act, I am merely supervising the collection of rentals from real property belonging to her, being commercial store space at 537-39-41 5th Avenue, San Diego, California, which rentals are to be paid directly to the First National Trust and Savings Bank of San Diego, Main Branch, Collection Department, and said rentals used to pay upon mortgage due on said real property, balance to be deposited to account of said person. I am to pay taxes from her savings account, special power of attorney for which I have filed with the Bank. Several other miscellaneous matters of payment of bills and overseeing of contract for sale of her home located at 2420 Island Avenue, San Diego, California, are also under my supervision.

THREE: Buddhist Church of San Diego, 2929 Market St., San Diego.

Subject to approval and license permitting the same, I have been empowered by the Board of Directors of the Buddhist Church of San Diego, a corporation, a religious organization, to act for this Church in all matters representing a lease which has been entered into between that Church and the Procurement Division of the United States Treasury Department upon the real property located at 2929 Market Street, San Diego, California, to be used by the

National Youth Administration as a defense resident center. In connection therewith rentals will be paid to the collection department of the San Diego Trust & Savings Bank and by them applied upon a mortgage due on the real estate, taxes, other costs in connection with the collection, repayment of a loan from the account of the Church and payment of attorney fees to myself in the sum of \$300.00 due to date. Certain licenses have already been secured in connection with the foregoing, and an additional license is to be applied for, copy of which will be available, if necessary.

FOUR: Ikemura, H. T.,

This person has left me general power of attorney to finally dispose of several obligations owing by him through sale of an International truck and by leasing of three parcels of real estate, he being a citizen of the United States. This property is all registered with you as 1240 East 8th Street, National City, California.

FIVE: Ikemura, Sumiko Itow,

This person is the wife of H. T. Ikemura who has left me general power of attorney, although her only property is an option to purchase one of the parcels of real property mentioned in the last item which is under her name.

SIX: Yada, Motoji,

This person has left me general power of attorney, though he has no property, he having transferred his property to H. T. Ikemura before leaving San Diego, pursuant to a license from the Federal Reserve Bank #SF21204.

SEVEN: Ikemi, Misako Masumoto,

This person, through her brother, Samuel Masumoto, has directed me to collect rentals due and pay expenses in connection with 1424 East 8th Street, National City, California, which property has now been rented to Mr. and Mrs. J. W. J. Graves. Special power of attorney is in process of preparation in this matter.

EIGHT: Yamaguchi, Masato,

This person, a minor citizen of the United States, is owner of 1240 East 8th Street, National City, California, a house located upon five acres of land. First trust deed against same is for \$3500. and property is worth approximately \$4500. Necessity here is for sale of minor's interest, which is doubtful of being affected.

1 NINE: Kuratemi, Kimiko Hosaka,

2 This person has sold her Sunnyside, California, ranch  
3 to Lawrence A. Weissner, which transaction has been  
4 completed, including crops thereupon located, subject  
5 to leasehold rights of occupant of house; as well as  
6 certain personal property to be delivered upon  
7 evacuation of this particular person now living at  
8 Oceanside, California. My only interest in this  
9 matter is to assist in completing sale now in escrow  
10 at Southern Title Company and assist in collection of  
11 balance due on personal property in the sum of \$450.00.  
12 I have no power of attorney in this regard, as same is  
13 not necessary.

14 TENTH: Shinohara, Hajime,

15 This person is a minor citizen of the United States  
16 owning portion of Lot 2, Section 19 Township 18 South,  
17 Range 1 West S.B.M. in Otay Valley, for whose estate I  
18 am attorney; property now being rented to G. F. Vineyard,  
19 in consideration of his taking care of all bills and  
20 expenses in connection with said property. My position  
21 in this matter is merely to check same in the event of  
22 necessity.

23 ELEVEN: Vetter, Yuri Frances and William Rheinwald, minors.

24 The two minors mentioned here are the owners of a  
25 dwelling house located at 2055 Ocean View, San Diego,  
26 California, which property is rented by the recently  
27 appointed guardian of their estate, Mrs. Ethel E. Banks,  
28 in the Superior Court of the State of California, County  
29 of San Diego, case #30191, Mrs. Banks being the duly  
30 qualified guardian acting through my office as attorney  
31 in this trust.

32 TWELVE: Iwashita, Minoru and Toshiko, minors.

These minors are the owners in fee of a truck farm  
known as the Bayview Ranch, Route 1, Box 249, Chula  
Vista, California, which property is now being occupied  
by one S. Rodriguez, who has been employed at this  
location for many years and who is renting the same  
on a share crop basis. My interest in this matter is  
merely to be subject to call on the part of the minors  
in the event of the necessity of looking into any  
transactions involved with respect thereto.

Thirteen: Tunada, Tamotsu

This person, a United States citizen, has left a  
truck for me to dispose of on his behalf, consideration  
received therefor to be applied upon one remaining  
bill owed by him in the approximate value of the  
truck. He also owns Lot 2 of the Partition of Lot 255  
of Pueblo Lands of San Diego, which he desires to make  
a sale of if possible through my office on such terms  
as can be obtained, this property being encumbered by  
twelve or thirteen years of accumulated taxes.

Mr. Fred G. Hall, Manager  
Evacuee Property Department  
Federal Reserve Bank-San Francisco  
707 South Spring Street  
Los Angeles, California

Dear Sir:

This letter refers to report mailed to you March 23, regarding the property and scope of problem of one Martin Lloyd Ito. Further investigation has disclosed facts that might necessitate "blacking" this property.

At the time of my interview with Martin Ito it was not disclosed that he had a father that has been interned as an enemy alien, and that the transactions as disclosed were with the father and not the son.

Martin Ito, the son, is a U.S. citizen, of age, and legal owner of the ranch property where he raised avocados and various truck vegetables for sale. The father operated a produce business by lease on the property known as 2804 Midway Drive, San Diego, California. Mrs. E. G. Heath is the legal owner. During the fall of 1941, the father sold his lease and produce business to one Richard G. Day of La Jolla, California. At this time the lease still had about two years to go and called for a total payment of \$940.00. Mr. Day operated the business at a loss for about two months and closed up, defaulting on the lease. After the father was interned Mrs. Heath threatened action against Martin Ito for unpaid balance on lease. This office settled this controversy to the satisfaction of both parties by suggesting that Ito leave her some minor fixtures that Mrs. Heath wanted.

Attorney Edward L. Bracklow of San Diego, acting at the request of Mr. Day, now appears and advises that he is filing suit on behalf of Mr. Day against Martin Ito, claiming damages for \$2620.77 as a result of a fraudulent transaction, and that they intend to attach property. This improved property in the Encanto district is considered worth about \$1,000.00 per acre.

In accordance with instruction letter No. 2, I am referring this matter to you for further action.

Mr. Watkins, of the Los Angeles office, telephoned me Tuesday afternoon regarding a certain inquiry from Shibusaba One. Please advise Mr. Watkins that I have contacted One and that the transaction he inquired about will go through satisfactorily.

Very truly yours,

Mr. H. J. Kircher  
Field Representative  
Evacuee Property Department  
Federal Reserve Bank of San Francisco  
1165 Front Street  
San Diego, California

Dear Mr. Kircher:

Reference is made to your letter of March 26 regarding the property and problem of one Martin Loyd Ito.

From the facts as related, it could not be determined whether or not Mr. Ito was a party to the lease. If such is the case, then he could be held liable. However, inasmuch as the suit is brought for claiming damages as a result of fraudulent transaction, we cannot interfere as it is strictly a matter for the courts to decide.

We would suggest that Mr. Ito engage a lawyer to advise him as to his procedure and to represent him in the case.

Yours very truly,

Dear Sir:

I received a postal card today from S. Kaura, and he states as follows:

"Gentlemen: I tried very hard to call on you with my daughter at your office on same day we left our town but I could not make in time. Very sorry. If it can be sold in your authority you sell this car and use it on County expenses or you suggest any best way in your power. We are in splendid spot under comfort care and specially the climate is just like San Diego County and wonderful view that the famous Mount Lowe is within echo distance. There is nothing can kick except that we can not stay with our favorable San Diego peoples."

Dear Miss Tanabe:

You have exhibited to us your birth certificate, registered #92 in the County of Santa Cruz, and recorded in Book 5, page 108 of birth certificate records, said county, and have also advised us that neither you nor your mother, Hana Tanabe, have been outside the confines of the continental United States at any time during the past ten years.

If you will advise the International Harvester Company of Los Angeles of the same facts that you have told us, there should be no reason why the company cannot immediately convey the title of the truck to you since both of you are operating under general license-68A.

Gentlemen:

Thank you for your prompt response to our inquiry regarding the keys belonging to Japanese evacuees.

As you suggested, we contacted Mr. Kircher by telephone. He informed us that these keys were duplicates of keys retained by the evacuees, and were left with him so that he could remove possessions for storage. Since this has been completed, the keys should be discarded, Mr. Kircher stated.

We are returning herewith all the keys in our possession.

Very truly yours,

March 3, 1942

OTOKICHI MIYASHITA, a Japanese alien, called at this office with Sam Fujita, stating that he purchased under contract, on or about May 2, 1941, a Crosley refrigerator for a cash price of \$164.75 -- time, \$181.29, to be paid at the rate of \$9.53 per month and in 18 total installments, from the San Diego Auto Electric Company of San Diego.

He presents an Installment Contract Book No. 131403, which states payments are due on the 2nd day of each month. It appears--and he states--that he made all payments to and including the payment due for February, 1942, but that despite this the refrigerator was taken from his home without authority by the seller on February 26, 1942, the next payment being due March 2, 1942; that he was told unless he paid the total unpaid balance he could no longer have the refrigerator.

The vice-president of the firm is Elmer D. Hazie.

The complainant's address is 940 State Street, telephone Franklin 1916; he operates Home Dye Works.

*Law*

On March 13, 1942 phoned the San Diego Auto Electric Company in reference to the O. Miyashita case and they informed me that they had acted on the orders of the C. I. T. corporation of San Diego.

Mr. E. D. Hazie, manager of the San Diego Auto Electric Company, stated that the C. I. T. Corporation was within its legal rights in repossessing the refrigerator because in the contract signed by Mr. O. Miyashita, therein states that should conditions ever become unstable that the company has the right to repossess without any further recourse.

Mr. Hazie further informed me that if Mr. Miyashita cares to pay up the balance of the amount that the refrigerator would be returned to him. However, since the new transaction involved a new sale that a 3% sales tax would be levied on the remaining amount of \$82.71 and that the remaining amount could not possibly be carried on a time payment plan.

On Dec. 10, 1941, two days after husband had been interned, Webb Burr repossessed tractor upon request of Sue Bank who held paper. At the same time the Bank insisted that the wife give them a mortgage on the crop about to be harvested. The crop was later sold for \$3500.00, the Bank applying \$3100.00 to their 1st Inty and giving the wife \$500.00 which sum was not enough to meet her expenses.

Open account creditors are now attempting to attack property.

Aggater + Mission Seed Co \$171.14  
Richfield oil Co \$282.25

Action taken:

Webb Burr paid the Bank \$500.00 and re-sold tractor for \$1050.00. Held conference with Bank and they have agreed to take care of outstanding obligation or listed above by increasing present loan. They also advise they have deal in their office for purchase of new home. This should give them only single month to clear up her business.

Dear Madam:

RE: AGGELER & MUSSER SEED CO

Our client has turned over to us your letter of February 20th, in which you state that you will settle this account around the second week of March, when you expect to sell your celery. Inasmuch, as we are insisting upon immediate disposition, please let us have a check for \$171.14 and date it March 14th. That will give you plenty of time to take care of it, and will satisfy the creditor at this time. Otherwise, we must proceed with drastic action.

Yours truly,

L. B. GRANT,

Plaintiff,

vs.

SABURO MURAOKA, HARUKO MURAOKA,  
JOHN DOE, JANE DOE, JOHN DOE &  
COMPANY, a co-partnership,  
and JOHN DOE COMPANY, a corpo-  
ration,

Defendants.  
.....

COMPLAINT FOR MONEY JUDGMENT.

Comes now the above-named plaintiff, and for a first cause  
of action against the above-named defendants, and each of them, says:

I.

That the plaintiff and defendants are residents of the County  
of San Diego, State of California.

II.

That prior to the commencement of this action the indebted-  
ness herein referred to was assigned and transferred to the plaintiff  
by Aggeler & Musser Seed Company, a California corporation, duly  
created, organized and existing under and by virtue of the laws of  
the state of California, with its principal place of business in  
the City of Los Angeles, California, and plaintiff is now the owner  
and holder thereof and entitled to the proceeds therefrom.

III.

That within four years immediately last past, defendants  
above named, and each of them, became indebted to plaintiff's assign-  
or, Aggeler & Musser Seed Company, upon a book account for goods,  
wares and merchandise furnished and delivered to the defendants and  
each of them at their special instance and request in the reasonable  
sum of \$170.06; that there is now due, owing and unpaid upon the

1 purchase price of said goods, wares and merchandise the sum of  
2 \$170.08, together with interest thereon from April 1, 1941, at the  
3 rate of 7% per annum.

4 IV.

5 That demand has been made upon defendants and each of them  
6 for payment of the indebtedness herein referred to, but they have  
7 failed and refused, and still fail and refuse, to pay the same or  
8 any part thereof, the whole thereof is wholly due, owing and unpaid.

9 V.

10 That the true names of the defendants sued herein as John  
11 Doe, Jane Doe, John Doe & Company, a co-partnership, and John Doe  
12 Company, a corporation, are unknown to this plaintiff, but upon as-  
13 certaining the same plaintiff will ask leave of the Court to insert  
14 said true names in lieu of the fictitious names sued herein.

15 As and for a SECOND AND ALTERNATIVE CAUSE OF ACTION to the  
16 first cause of action, plaintiff alleges:

17 I.

18 That paragraphs I, II, IV and V as hereinbefore set out in  
19 plaintiff's first cause of action are hereby referred to, incorporat-  
20 ed in, and made a part of this cause of action the same as though  
21 specifically and wholly set out herein.

22 II.

23 That on or about April 1, 1941, an account was stated between  
24 Aggeler & Musser Seed Company, and the defendants herein, upon which  
25 statement the sum of \$170.08 was found to be due from said defendants  
26 to Aggeler & Musser Seed Company, for goods, wares and merchandise  
27 sold and delivered to said defendants herein, at said defendants'  
28 special instance and request. That said defendants and each of  
29 them agreed to pay said sum, and said account stated is based upon  
30 an account of more than one item.

31 III.

32 That the said \$170.08, together with interest thereon at  
the rate of 7% per annum from April 1, 1941, has not been paid

1 nor any part thereof, and the same is wholly due, owing and unpaid.

2 WHEREFORE, said plaintiff prays judgment against the defend-  
3 ants, and each of them, as follows:

4 1. For the sum of \$170.08, together with interest thereon  
5 at the rate of 7% per cent per annum from April 1, 1941, and

6 2. For costs herein laid out and expended, and

7 3. For such other and further relief as to the Court may  
8 seem just in the premises.
