March 16, 1942 Sacramento Berry Exchange, Inc., TO BOX 31. Florin, California. Dear Sir: In reviewing the license recently issued to you for the operation of your business, it occurs to us that you might be in an area recently designated by the Army officials which will possibly be evacuated in the near future. If you are subject to the evacuation order and the license which you now have is not sufficiently broad to permit disposition of your assets or the complete liquidation of your business, we will be pleased to give immediate consideration to any application which you wish to submit. Yours very truly, Assistant Cashier. Gillin/jm

Summary of case is as follows: Several Japanese complained of rough tactics exercised in collections of accounts due Dr. Frame and the L. & M. Appliance Company. Mr. Reid called Mr. Carr to this office and informed him of the function of this office, with the result that Mr. Carr used more discretion in following days. Deserving cases were cited, and some repossessions were considered justifiable. Principal property involved and scope of problem:

Mrs. Lela Barnley, (Walsh Station, Route 2, Box 3030) telephoned to this office this morning and reported that Mr. Arthur D. Carr (above mentioned) had been using unfair tactics in repossessing Japanese property.

Mr. Carr was telephoned and came to this office around 10 o'clock this morning. We discussed with him the position of the Federal Reserve Bank in its aid toward the Japanese to be evacuated.

We called the Retail Credit Association and checked up upon his record which appears to be shady (Very SHAdy)

Action taken:\*

There seems to be no question of the man's previous record or of his current exploits. In the future, we impressed upon Mr. Carr, he is to contact the leaders of the Japanese in the areas in which he operates - not the individual owners of the seperate pieces of property - if he is to continue operations. The Japanese leaders will contact this office if the occasion again arises.

Dear Sir:

When I stored my property with you at the time of evacuation I believe we understood that any part of it would be shipped to us at our permanent relocation center. Now that I am here at Minidoka I have been wondering if I can have it shipped. I'll be willing to pay what shipping expense there might be.

I would like to have my two wooden boxes and the smaller of the two trunks shipped if it can possibly be done so.

I have a sewing machine and my husband's working shoes and tools in the two boxes. I need them for the work we do here.

I thank you -

Yours truly,

Dear Sir:

Subject: K. Saiki

Reference is made to your letter of June 30th pertaining to the pink slip rightfully belonging to one K. Saiki.

We are informed by the Pacific Finance Corporation that all payments have been completed, the last having been made by Lorin D. Lacey of Monterey, California. They are holding the pink slip until such time as the Japanese answers an inquiry of theirs, dated January 27th, inquiring as to his date of entry into this country, etc. There are certain obligations incumbent on finance companies to determine the citizenship status of all such people. It may be that Saiki is a blocked national and any such certificate of property should be treated accordingly.

Please supply us with his address in order that we may check with the Foreign Funds Control Department to see if they may have anything concerning him. Also advise him to answer their inquiry promptly if he wishes expedition of this problem.

Mr. H. D. Armstrong
Evacuee Property Department

Dear Mr. Armstrong:

K. Saiki, an alien Japanese, last entered this country in March 1923. On January 22, 1940, he purchased a Willis 4 Special DeLuxe Sedan from Lorin D. Lacey, Monterey, California.

He made a down payment on his car of \$262.75 and the balance of \$680.80 was financed through the Pacific Finance Corporation, 928 Van Ness Avenue, San Francisco. This contract was paid off in February, 1942.

The representative of the Finance Corporation stated that they could not deliver the pink slip to Mr. Saiki because he was an alien. Also they did not return his original contract to him. Today Mr. Saiki has nothing to show that he owns his automobile. He has written the Finance Company and they do not answer his letter. He came to us to get this matter straightened out before evacuation.

The purpose of this letter is to see if someone from your office can take this matter up with the Finance Company in San Francisco and see that Mr. Saiki gets his pink slip at once.

File Saisho, Harry

TOMR Boshing

422 18th Street Merced, California September 19, 1942

Mr. Victor L. Furth
Acting Chief, Evacuee Property Division
War Relocation Authority
Whiteomb Hotel Building
San Francisco, California

Dear Sir:

Re: Evacuee Property13484-42

After receiving your letter of September 16th, 1942 in regard to the above mentioned file, the party in question, Welden Zehrung of Route 1, Box 107, Turlock, California called at my office. We discussed the matter of the lease that Harry Saisho has left. Mr. Gardner, the Field Man for the FSA, had called on Zehrung with the Evacuee, Harry Saisho and was supposed to have drawn an agreement of purchase for the property in question. For some reason or other this agreement was never drawn, at least Zehrung or Saisho never received a copy of it. Under the terms of the agreement Zehrung was supposed to have paid Saisho \$600.00 this year, leaving a balance of \$1000.00 to be paid at some future time. There was no definite agreement as to when this \$1000.00 was to be paid and it was further understood that the evacuee would have the privilege to purchase the lease, if and when able to return to this vicinity.

Zehrung states that he made payments for the evacuee's account at his direction as follows: \$200.00 cash, \$280.00 rental on the sem-in-law's property, \$51.97 grocery bill, \$4.20 squirrel poison, \$4.02 telephone bill, \$180.00 plowing and discing for sem-in-law's tomatoes. These various payments total \$720.19 which exceed the correct payment for this year by \$120.19. Zehrung is sondering if he will be able to recover this \$120.19 as he feels that the crop of tomatoes on Ishro Morizono's place, he is the sem-in-law of Saishe, will not produce enough to pay off the mortgage due the Government for \$400.00 and the advance by the Capolino Packing Corporation, Atwater, California of \$180.00. His estimate of the crop and that of the Field Man for the cannery seem to run about the same as they have both indicated that there will be only enough tomatoes to pay the indebted mess.

Zehrung also stated that the patch of strawberries had become infested with malagnitus and that almost all of the strawberries will have to be plowed up as they have no control for this disease. There is a possibility that 3 acres might be saved however, this leaves Zehrung with a small portion of the original acreage with the understanding that \$1000.00 is still due Saisho. Zehrung states that under the circumstances it will be impossible for him to make any additional payments on the property.

It is possible that your file on the property might be under the name of Henry Inano as the lease was originally taken in his name, however, Harry Saisho was the real operator and paid all expenses, the lease merely being in Inano's name to avoid any legal complications as he was a U.S. citizen. Their address was formerly Route 3, Box 467, Turlock, California and they are now at the War Relocation Project at Granado, Colorado.

These evacuee's left a large amount of household goods in the building on the property formerly occupied by them and the owner is most anxious that his goods be removed. They are writing the evacuee to see what disposition he wants to make of them.

An evacuee, Harry Saisho of the Merced Assembly Center has been having difficulty with Worden Zuhling whom he turned his property over to.

The papers for this transaction were drawn by the Merced WCCA Office and for some unknown reason a copy was never delivered to the evacuee, I would appreciate having the records checked in San Francisco and a copy of this agreement sent to him.

According to the evacue Zuhling was supposed to have paid \$1600.00 for the patch of strawberries. This was payable \$600.00 this year, and \$1000.00 according to the agreement at some future date. The evacue states that only \$250.00 of this amount has been paid, the rest is past due and payment is refused by Zuhling. I have contacted Zuhling myself and he states that he has paid Saisho more that what he has coming, however, cannot produce receipts to show such payment.

The son-in-law of Harry Saisho has also turned over a patch of tomatoes and melons to the above mentioned Worden Zuhling. Zuhling was to act as trustee for the son-in-law, Ichiro Morizono, and collect the proceeds from the tomatoes and melons and send same to Morizono. He has repeatedly attempted to contact Zuhling and has had no word from him in regards to the proceeds from the crops. The tomatoes were su posed to have been sold to the Capolino Packing Corporation at Atwater.

California under contract 226.

These evacuees are moving to Colorado in a few days and are very anxious to have someone offick into this matter for them. If you have any agents in the field, the evacuees will greatly appreciate their assistance.

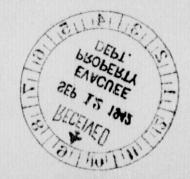

Yours very truly,

HJ/flo

The above mentioned evacues has requested assistance in winding up affairs. He states that he has \$1600 coming from you of which \$600 is past due on property which is owned by Mrs. Ruth Zuhling and \$654.00 due from another piece of property. As he will be moved soon to an area out of California he is most anxious that the matter be atraightened out.

If you are in Merced in the next few days I would appreciate having you drop in and I will render all possible assistance in liquidating the matter. Your agreements with the evacuee should be presented at the time of your call. Thanking you in advance for your co-operation in liquidating this matter, I remain,

Yours very truly,

Dear Mr. Reid,

I'm very sorry that I did not answer your letters any sooner.

About my property in Vacaville. I found an American friend to take over the place and rent it. He is to pay the taxes and the insurance fees, also be responsible for the up keep of the building.

The man who rented the place is Mr. Ed. Ahl of Vacaville. As the building is old and has very low real estate value, I'm satisfied with the arrangements.

I do not wish to sell the property, therefore I kept it and rented it out at a very low rate.

My hope is that the war will not last too long and that I may return after the war is over and make better arrangements.

I hope this answers your inquiry about the property.

Sincerely yours,
(Signed) Joseph Saito

Principal property involved and scope of problem:

Mr. Saito purchased a three (3) store commercial building from Eva Abrams, Santa Cruz, Calif. for the sum of \$18,500, down payment \$7,500, balance payable \$1000 per annum for five (5) years and remainder of \$6000. due on sixth year.

Income from rentals will pay interest charges and the annual installments of \$1000.

Mr. Saito is some worried on how he is going to take care of the \$6000 payment six years hence.

A local real estate operator is taking care of rental collections and installment payments.

Action taken:\*

Convinced Mr. Saito that six years is the some time to look ahead, also that at that time, if conditions of the loan are properly met he should be able to easily float a loan of \$6000 on property worth around \$18000 to take care of the last installment of that amount.

Gentlemen:

Att: Mr. Lawton Allen

This is to confirm our recent telephone inquiry and conversation, relative to piano, Mr. T. Sakaguchi - 801 - B Street - Fresno., wishes to dispose of to us, and on which we desired a ruling on our legality of doing so.

In accordance with your advice, understand a transaction of this nature is permissable, provided arrangements made are satisfactory to all concerned, and that a letter to this effect from Mr. T. Sakaguchi, be fortheoming and on file in our records, including the clause, "without further liability to him".

In view of the fact, that we may have similar cases arise, will appreciate a copy of this particular ruling for our files, provided of course that same is available, or if not, a letter from you on this will be sufficient and very much appreciated.

Thanking you for your courtesy and consideration in this matter,

Very truly yours.

Mr. George M . Sakai Barrack 158 Apt. 10 Tanforan Assembly Center San Bruno, California

Dear Mr. Sakai:

I have duly received yours of July 29th, the contents of which have been noted carefully.

The information of your beloved father's passing had been received, but as you already know, the mail regulation of this detention camp had prevented my writing to you sooner. I wish to express my sincerest condolence to the entire members of your family for the loss of their father. I can well appreciate the sorrow that prevail in y ur family as I too, have lost my mother-in-law only a short time ago.

Now, regarding your request for payment on my note, I would deeply appreciate your kind consideration of the matter at this time, as I have been detained here for quite some time, and subsequently, I have been ordered interned for the duration with the result that I cannot be with my family. Furthermore, with my detention, we have lost most part of our business interests, and I deeply regred the fact that I am unable to meet your demand at this time.

Howe ver, it is my intent on to meet my obligation when the peace is restored and that I am financially able to do so, therefore, I sincerely hope that you will so kindly give this matter your reconsideration, ad hope th t you will grant me an extention.

With my sinere best wishe to you and your family, and anticipating the pleasure of receiving your favorable reply, I remain

Sincerely yours,

ando call Bunk July 29, 1942 Mr. Coorge Tarataro Sakai Building 2907, Apartment D Tule Lake War Relocation Project Post Office Box 813 Tale Lake, Colifornia Dear Siri YR Reference is made to a letter signed by Mr. Walter Tsukamoto addressed to the Collector of Internal Severae at San Francisco, a copy of which was sent to us. At the time this matter was first called to our attention you were in the process of being resoved from the Sacramento Assembly Conter to Tule Lake Relocation Project. Our representative, Br. Schmitt, stated that you had conferred with the Angle California National Bank, and only required a delay on the part of the Bureau of Internal Revenue on this tax demand until such time as you had completed the move. We note, in Mr. Tsukamoto's letter, that you stated we were negotiating with the Angle California National Bank for such a loan. It is felt that you may have been misinformed as to our status and authority in such problems. At the time of your move to a relocation project we contacted the Angle California Mational Hank in order to ascertain the facts surrounding your financial position. Additionally, we called the Bureau of Internal Sevenne, stating your position as it appeared to us and suggesting that any dezand action be deferred until such time as you had accomplished relocation and were in a position to take on the necessary negotiations. In view of the fact that nothing further was heard from you or the Bureau of Internal Sevenue, we had concluded that these steps were taken and that the matter had reached a mutually satisfactory conclusion. Upon receipt of the letter mentioned above, we again contacted the Angle California Mational Bank and were informed that your loan from then would be entirely repaid by the end of October, 1942.

At no time, however, has the Federal Reserve Bank of San Francisco acted in a negotiatory capacity between yourself and the Anglo Galifornia Bational Bank in this case. We have endeavored to be of assistance and to make suggestions that would lead towards a satisfactory and equitable disposition. However, we have no authority to make loans nor to negotiate as your representative, for such loans.

Therefore, it is suggested that you, or your representative br. Tsukamoto, continue correspondence along the lines already initiated with the Bureau of Internal Revenue in order to meet their desard.

You undoubtedly know that evacueer are perfectly free to carry on such correspondence and to make any legal arrangements that will serve to expedite the case.

We are sending you this letter in order that our position may be clearly understood in such matters, and copies will go to Mr. Walter Temberoto and the Anglo California National Bank.

Very truly yours,

Mr. Benson Assistant Cashier Federal Reserve Bank of San Francisco 400 Sansome Street San Francisco, California

Dear Mr. Benson:

May we thank you for the inventory list of the grocery stores in Military Zone 1 which has not yet been liquidated. The stock owned by Frank Kawasaki, stored at DiGiorgio Farms in Arvin, and the stock of the Sierra Vista Ranch Camps in Delano had already been purchased by us through Mr. Glen Johnson of the Federal Reserve Bank of Bakersfield.

Your second communication to us informed us of the stock owned by H. Inaba and Sons of Walnut Grove, California. We have purchased their entire stock from them. We do not know of Mr. Inaba's whereabouts at the present time except that he is in some assembly center. Our price for their stock was fair, better than anyone else could probably have offered them.

In regards to price, ours is and have been higher, much higher and in some cases double that offered by the Mutual Supply Company of Visalia who have purchased on consignment the stock held by K. Sakai of Mountain View.

We are still in the market for Japanese
foodstuffs. If you have any information of any
other stock awaiting liquidation, we shall
appreciate that information very much.

ATTENTION: Mr. Herbert Armstrong.

Gentlemen:-

In talking with you on the phone this morning I mentioned the fact that we had a company who were in the market for Japanese Foodstuffs. the name of this company is:

P.O.Box 5.
Del Rey, California.

I find that these people will pay a very fair price and while they will probably not be in the market for very much rice, can use practically any other Japanese Food stuffs.

Mr. Evans invited me to go to Tulare with him this morning so I contacted Mr. Adams and Mr. Murray of the Federal Reserve Bank, left my phone number and offered any assistance that I could give.

Very truly yours,

TEDERAN RESERVED

OF SAN TRANCISCO

Will you kindly advise me in regard to obtaining privately stored personal property to my present residence at Heart Mountain Relocation Center, Wyoming?

At the time of evacuation from our home town, San Jose, California, to Santa Anita Assembly Center, we were not fully informed as to the proper means of storing our belongings for future delivery. Therefore, we have stored them with our good friend, Mr. John Doudell.

We are now relocated here at Heart Mountain, Wyoming, and we are in great need of our winter clothings and other necessities. I have been informed that you have or are going to designate a government warehouse or receiving depot to handle evacuees' personal property for shipment to their Relocation centers. I would appreciate your advicing me as to what procedure I must take to be able to secure them, so that I may direct Mr. Doudell to forward them according to your instructions.

Awaiting for your early reply, I am

Yours sincerely

SUBJECT: We are englosing a copy of a letter dated October 14, 1942 from Buily Sakamoto, Family Number 32368, a resident of the Heart Mountain War Relocation Project, inquiring as to the future disposition of goods stored privately by her family at the time of evacuation. We are also enclosing a copy of our reply letter of today's date, which indicates that the letter has been submitted for your consideration. Assistant Cashier Enclosures ARIST RORGERES

Mr. George Sakamoto 1-3-1 Stockton Assembly Center Stockton, California

Dear Mr. Sakamoto:

with reference to your appeal to the writer for assistance in behalf of your brother, Tom Sakamoto, whom we understand is now a member of the Army of the United States, and which appeal was in relation to an agreement made under date of May 20, 1942, at Lodi, California, between Tom Sakamoto and Bruce Addington of Lodi, the agreement in question being made to cover storage of Sakamoto's 1940 Oldsmobile two-door sedan by Mr. Addington for one year from date of agreement, at the rate of \$3.00 per month, the said car to be stored at 128 South Stockton Street, Lodi, and for which service an amount of \$36.00 was paid in advance by Tom Sakamoto.

we are returning herewith the signed agreement, which you gave to the writer as evidence of the above mentioned transaction, and we also enclose claim check number 8743 of the Clark Garage, 125 South Sutter Street, Stockton, where your car was stored today for your account by the writer, the rate of storage being fifty cents per day, or \$2.50 per week. The car is stored in the name of George Sakamoto.

The car had been left at General Petroleum service station of Wendell bagers, Lodi, by Mr. Addington, on Friday, September 18. Mileage as shown by speedometer, 63952. Condition of car evidently fair, with evidence of some neglect. Tires in fair condition. Radio not operating. Bad grind in rear driving assembly is worst feature. This is quite evidently caused by worn out pinion shaft bearings immediately forward of differential, and should not require new gears, as some shops may advise you. This opinion is confirmed by Mr. Arnold Boether, a very capable mechanic who operates a repair shop at 2302 Pacific Avenue, Btockton.

The present address of Mr. Addington is 224 Lincoln Street, Grass Valley. We requested him to write us as to location of whether or not the car had been used in violation of storage a report; if so, what he proposed to do about prepaid storage charges and why the car had been removed from original storage point without your consent. No reply to these questions has been received.

Anse, by Fouther Advice with the information, and with the accompanying exclosures as menaccordance with your judgment. Very sincerely yours,

### EVACUEE ADMINISTRATION HEADQUARTERS

Camp Harmony Puyallup, Washington

Chief Japanese Supervisor

July 30, 1942

Mr. Ronald T. Symms Assistant Manager Federal Reserve Bank of San Francisco Seattle, Washington

Dear Mr. Symms:

It has been brought to my attention that the War Relocation Authority will assume custody of evacuee Japanese property now stored in the Government warehouse at Seattle.

Will you kindly advise me as to the following points.

- 1. Will the WRA ship any or all property stored in such warehouse to the next relocation center upon request of the evacuee?
- 2. Will the expense of such shipment be assumed by the WRA?
- 3. Will the WRA ship evacues's property stored in private warehouses or in homes of friends provided addresses of these places are sent to the WRA office or must the evacuee pay for and take care of the matter himself?
- 4. Will the WRA still accept evacuee's property for storage?
- 5. Will the WRA send to this camp or to the next relocation center, baggage requested by an evacuee returning to Japan on the exchange ship?
- 6. In case such an exchange evacuee leaves the major portion of his property in the Government warehouse, what disposition will be made of it? Will it be sold for him by the WRA or kept in storage until such time the owner makes a decision as to its disposition? In case the owner desires having it shipped to Japan after the war, who assumes the expense of such shipment?

Mr. Ronald T. Symms Page 2 July 30, 1942 7. In case an evacuee receives part of his property and the rest is kept in store until after the war, will such remaining property be kept in storage until such time as he requests it? The press of time and business must be quite heavy on you but I hope you will be able to answer these questions for me. If I had a telephone, I would probably be calling you constantly, but there is no such installation in this office so it stops me from bothering you. Mr. Amende and Mr. Olsen were in this office recently. Sometime before we leave this Camp, I hope I shall have the pleasure of meeting you in person. Thanking you for your many past favors and with my kindest personal regards, please believe me, Sincerely yours, (Signed) James Y. Sakamoto

### MEMORANDUM

To: Mr. Herbert D. Armstrong

Subject: Walter Groesbeck 1914-B Francisco Street Berkeley, California

The above party was mentioned in numerous interviews emanating from the Berkeley office as an interested friend of the Japanese who was willing to accept power of attorney. At the time I called on the Berkeley office the latter part of March, our representative, Mason Case, again referred to this man with considerable suspicion. It appeared to him and to Mr. Donogh, Secretary of the Berkeley Real Estate Board, that Groesbeck was not altogether qualified for the appointmentake was undertaking. Furthermore, in Donogh's opinion, Groesbeck could bear investigating as he had made the voluntary statement to Donogh that he was accepting no consideration for his activities.

It became evident to the writer early in April that Groesbeck was not confining his activities to Berkeley alone. as various interviews ranging all the way from Richmond to Hayward indicated that he was acting on behalf of evacuees during their absence. On April 13 Groesbeck was made the subject of a letter from our Berkeley representative further emphasizing his suspicions and calling specific cases to our attention wherein Groesbeck had accepted such attorneyship with no apparent comprehension of the responsibility. For example: he apparently stated to the Mason-McDuffie Company, prominent realtors, that he was operating the cleaning establishment of Mr. K. Sakamoto at 2942 College Avenue without any consideration. apparently he has had no experience in the conduct of this business, although it is known to be a substantial enterprise. The letter further stated that Mr. Case had contacted J. P. Pepper of the Berkeley police, who was making an investigation of this man. At the time the writer notified the FBI of this case in a conversation consisting of a very brief outline of the facts and a statement of his name and address as known to us.

A subsequent letter was received from the Berkeley office dated April 17, prompted by the information that Groesbeck had moved into the home of a scrap dealer, namely: K. Nakajima, address, 2528 Milvia Street, Berkeley. On April 23 I discussed this situation at length with Mr. Case who was in our office at the time. He expressed further alarm and felt that we should at least make every effort to know this man was thoroughly investigated. I concurred in this opinion; and in view of the feeling of Mr. Donogh, who had contributed a very real service to our Berkeley operation, and in view of the apparent wide-spread activities of this man, again called the FBI. The case was discussed in detail and full information was rendered them with regard to known powers of attorney which he had accepted, his occupation of the Nakajima residence, etc. The Agent for the FBI informed me they would immediately contact Pepper and pursue this case aggressively.

On April 28 we received a 'phone call in this office from Mr. Groesbeck asking for our cooperation in a difficulty arising with the California State Realty Board. It appeared that he had been asked by them to pass the necessary tests and take out the necessary licenses requested of any broker dealing in real estate. I suggested that he contact our representatives in the Berkeley Control Station, Messrs. Dake and Mack, and discuss the problem with them. I then called Mr. Case, who stated that in all probability Mr. Donogh had prevailed upon the California State Board to take this action as a means of exploring the case. Next, I 'phoned Mr. Dake and informed him of the expected visit from Groesbeck and the salient features behind his expected call.

### FEDERAL RESERVE BANK OF SAN FRANCISCO

FISCAL AGENT OF THE UNITED STATES

Berkeley, California
April 13, 1942

Federal Reserve Bank of San Francisco, Evacuee Property Department, 400 Sansome Street, San Francisco, California

Gentlemen:

Re: Walter Groesbeck, 1914 B Francisco St., Berkeley, California, Telephone Berkeley 0333 W (Reports 4/1/42 and 4/3/42)

Since writing the above reports your representative's attention has been called to Mr. Groesbeck by Mr. Hendricks, of the Oakland office, Mr. Donogh, Secretary of the Berkeley Real Estate Board and the Mason-McDuffie Company, whose reports coupled with the personal interviews had with this young man seemed to justify some investigation of his background and activities.

Mr. Groesbeck advised us that he had leased the equipment in the cleaning establishment of Mr. Kakuchi Sakamoto at 2942 College Avenue. Berkeley, without any consideration for the use of same beyond maintaining the business, in which he has had no experience, and in servicing their customers during their evacuation. According to statements which Mr. Groesbeck is said to have made to the Mason-McDuffie Company and Mr. Donogh, he is obtaining through powers-of-attorney the handling of properties of many members of the Berkeley Japanese Free Methodist Church, of which he represents himself to be assistant pastor. He admits having no real estate experience, and your representative was concerned that he might tie up properties, which it seems unlikely he will be legally able to handle, and jeopardize the chances of Japanese owners having their properties properly administered. Your representative discussed the matter by telephone with the San Francisco office some days ago and suggested it might be well to have an F.B.I. check-up. As we have heard no tarng in the meantime, and as Mr. Groesbeck is apparently very active, your representative discussed the situation with Mr. J. P. Pepper of the Berkeley police, who works very closely with the F.B.I. in this area, in order to forestall what might conceivably result in an unhappy situation.

Your representative also called attention to one Nakajama of 2528 Milvia Street, who was formerly in the export scrap-iron business, and who is reported to be active in the same Japanese church.

Very truly yours,

On March 26, 1941, Merry Sakemoto purchased the grocery store located at 3533 Market Street, Cakland, from C. Nomura. The purchase price was 39000, and the real estate, stock and fixtures were included in the sale. Title to the property stood then, and still stends. in the name of Toshiski Nomure, nerhew of C. Momura, who is a citizen of Japan. Mrs. Sakamoto paid \$1500 cash on the date of the sale, assumed an existing losn, the balance of which was \$2741.39, and agreed to pay the balance of the purchase price at the rate of \$200 per month including interest at the rate of 5% per annum. The sale negotiations were verbal and the \$1500 payment was in the form of a bank cashier's check, hence Mrs. Sakamoto had no evidence that she had made this payment, as Nomura refused to give a receipt, or to transfer title to the property. Mrs. Sakamoto has no written evidence of any kind in connection with this transaction. Mrs. Sakamoto made nine monthly payments of \$200 each and then discontinued such payments. Nomura repeatedly postponed transfer of title to Mrs. Sakamoto, and in April, 1942, Mrs. Sakamoto leased the store to R. Fong, a Chinese, for a period of five years at \$50 per month, and sold the stock and Action taken: \* fixtures of the store to Fong for \$1250. In order to give Fong a bill of sale to the fixtures, it was necessary that Mrs. Sakamoto have a bill of sale from Momura. It was at this stage of the transaction that Mrs. Sakemoto came to this office for assistance. She brought her attorney, H. S. Henion, 1706 Brosdway, Oakland,. the fixtures, \$1250, and the stock \$1250, making a total of \$6100.

Nomura is no longer a resident of Oakland, but his attorney Nelle, has power of attorney to transfer title to Mrs. Sakamoto, which he is willing to do as soon as the amount still due Nomura is agreed upon. Nelle will communicate with Nomura by mail, after which the discussion will be resumed regarding the amount still due Nomura.

Mrs. Sakamoto claims that undue pressure was brought upon her and her husband Rimmie Sakamoto, by Nomura, at the time of the sale. Jimmie Sakamoto is a citizen of Japan, and is now under bond on a charge of illegal entry into the United States, and attorney Henion is of the opinion that Nomura forced Mrs. Sakamoto to agree to pay an excessive price under threat of exposure to the Immigration Dept.

Mr. L. L. Hendricks 115 - 12th Street Oakland, California

Dear Sir:

At the request of Mr. Henion, we have viewed and appraised the property commonly known as Nos. 3531-3533 Market Street, Oakland, California.

As a result of the appraiser's report, the Oakland Real Estate Board appraises the fair market value of the above described property, as of this date at

THREE THOUSAND SIX HUNDRED DOLLARS (\$3600.00)

For your information, we quote from the appraiser's report as follows:

"Appraisal of property described as follows: A portion of Block "N", West of Market portion of Central Land Company property, and a portion of the Central Land Company Tract, located specifically at the Southwest intersection of Market and 35th Streets, Oakland, California.

"The property consists of a lot 38.26 x 72', improved with a one-story building containing a store and a residence of five rooms and bath, together with a single garage. The building is of frame construction shingle exterior, composition shingle roof and has a floor area of approximately 1800 Sq. ft. of which approximately 540 sq. ft. is a store room at present operated as a grocery. The residence portion has a combination living and dining room, kitchen, two bedrooms, bath, laundry and store room. O.P. floors, ordinary finish, standard fixtures and plumbing.

LLH:OREB #2

"The property appears to be at present rented for \$50.00 which is in line with current rentals of such property in the neighborhood, considering the living quarters in connection with the store.

"The assessed valuation is \$1475. The taxes \$76.00."

We hereby certify that we have no present or contemplated interest in the property; that we have appraised it in fee simple without examination of title or other legal conditions which may exist.

Respectfully submitted,

ELMER J. LARSON,

Managing Director, Oakland Real Estate Board

Dear Sir:

Reference is made to your postcard dated August 24, 1942 addressed to Mr. W. L. Breden, formerly associated with our evacuee property function.

We have reviewed our files in connection with your inquiry for a blue registration certificate taken away from John Fisher's home, and also in connection with a letter which you state was sent to us.

Please be advised that we have no knowledge of such a blue certificate. According to our records, the letter which you mention was answered by us on June 3, 1942, indicating that we had contacted Mr. George Matsumoto, representing the Inouye Motor Company. He acknowledged receipt of your money order for final payment on the Ford in question. As pink slips were neither in his possession nor that of Inouye Motor Company, we prepared and forwarded in that same letter, application to be completed by you for duplicate certificates obtainable from the State of California Motor Vehicle Department. At that time we suggested that if you mot with any further difficulty, to contact our Merced Assembly Center representative, Mr. Harold Johnson, who visits the camp several times a week.

In view of the foregoing, we suggest that if you have not already done so, you write to the Motor Vehicle Department and ask for issuance of the necessary papers in order to complete the transaction. You are now in position, as we see it, to correspond directly with the Motor Vehicle Department and to make any necessary arrangements which they may request. If, in your opinion, Mr. Johnson can be of assistance to you in this matter, please feel free to seek his advice. We are forwarding a copy of this letter to Mr. Johnson for his records.

Very truly yours,

Dear Sirt

Inclosed please find application for duplicate Ownership Certificate for N. Sakamoto. Before this can be sent in to Sacramento it will be necessary that your signature be acknowledged before a notary public. Please have this taken care of and return same to me at your earliest convenience. If there is not a notary in the camp you can contact the Paderal Reserve Bank representative for your area and have him take it out for you to a notary.

The letter Mr. Sakamoto recieved from the Bank in San Francisco indicated that you held a power of Atty from the Inouye Motor Co. If this is not recorded with the Department of Motor Vehicles it should be at once so the slips will clear alright.

Yours very truly

Dear Sir:

Through our Los Angeles office we were finally able to locate at Santa Anita, Mr. George Matsumoto, son-in-law of Shozo Inouye, who represents the Inouye Motor Company under power of attorney.

He acknowledged receipt of your money order for the final payment on your Ford. He advises us, however, that no pink slips are in his possession or in the possession of his Company. We have therefore prepared an application for a duplicate ownership certificate to be forwarded by you after proper completion and notarization, to the Motor Vehicle Department.

We suggest that if you need further help on this problem you contact our field representative, Mr. Harold Johnson, who is at the Merced Assembly Center several times a week. We trust this will enable you to complete the necessary steps in this case.

Subject: Inouye Motor Company

Dear Sir:

A new problem came up in which we will need your advice as to how it is to be handled.

A Mr. Magaharn Sakamoto of Route 5, Box 2755, Sacramento, California, purchased a 1930 Ford Sport Coupe bearing motor number A3421966 and 1942 registration number 39M479 from the Inouye Motor Company, 305 South San Pedro Street, Los Angeles, California, who is also the legal owner of the car. It is our understanding that the legal owner of this car is a frozen Japanese national.

Our particular problem is this. N. Sakamoto wishes to pay off what he contends to be the final balance of \$25.00 on his contract and at the same time secure the certificate of title or receive assurance that the certificate of title for the above discussed automobile will be sent to him immediately.

will you please advise us as to the proper procedure in handling this particular problem.

June 16, 1942 Mr. Albert J. Reid, Field Representative, Federal Reserve Bank of San Francisco, Evacuee Property Department, 1008 - 14th Street, Sacramento, California. Dear Sir: There is a slight error in conjunction with the storage of the personal property of one Mr. Moboru Sakamoto, family number 24526, Loomis, California. According to our records, no goods were received for said party at the Roseville warehouse and same was noted on our form PRB-2. Upon communicating with Mr. Sakamoto, we were advised that his goods consisted of two suitcases, four boxes and one tub and were to his knowledge incorrectly stored with the goods of Mr. S. Yonehiro, family number 24522, Loomis, California. Form FRB-2 covering the storage of goods for S. Yonehiro shows eleven packages received by our representative at the Roseville warehouse. However, Mr. Yonehiro claims to have only four boxes which were stored at the Japanese School House at Locals and were to be picked up and forwarded to us at Roseville. It therefore seems evident that Sakanoto's goods were unquestionably stored and included with the goods of said S. Yonshiro. Extra copies of Forms FRB-2 and of the Waybill Check List are herewith enclosed and should help to determine the exact status. At your convenience, will you please have these two lots segregated as to correct family numbers and have our storage tags properly marked with our own serial numbers? Kindly advise when this matter has been completed so that we can correct our records accordingly. Assistant Cashier. WDimond:eln
