Gentlemen:

Attention: Mr. Gilbert, Auditor

I have been asked by Mr. Henry Sato to write your company regarding a check for $190.80 which is due him for fourteen tires sold your company, March 16, 1942, represented by your credit memorandum dated March 23, 1942, number JTS-118-14.

On June 3, he wrote Mr. Jack Craig of your company, who stated in his reply that you stated that "the check in payment has been sent to his old address and was not accepted and returned to your Akron office, but that you were writing that day to have the check sent to his Fowler address."

As that letter was dated June 4, it would seem that there has been plenty of time for Mr. Sato to receive his check. Mr. Sato's address now is c/o Harry Hiraoka, Route 1, Box 268, Fowler, California.

As Mr. Sato expects to be evacuated in a very few days, it would be greatly appreciated if he gets the check at once.

Yours very truly,

Arch R. Jack

April 18, 1942

Mr. Jack Sato,
The Sato Company,
Mountain View, California.

Dear Mr. Sato:

In reply to your letter of April 14, please be advised that we have contacted the Oakland Food Products Co., and they have agreed to accept merchandise from you in the amount of $86.20 which will clear your account with them. They will not, however, accept any macaroni made with buckwheat.

The Pacific Trading Co. have agreed to accept the 14 cases of soy sauce giving you credit in the amount of $65.50. They decline to accept the 17 cases of liquor (sake) on the grounds that license to trade in sake was revoked as of December 8, 1941.

We have contacted Mr. Z. Vitenson at 463 Bush Street, San Francisco, in regard to your sale of Japanese dishes, and advise that Mr. Vitenson is interested and has asked that you come to see him with samples of dishes and an inventory of same.

In this regard, kindly call at our office at 15 B Street, San Mateo, where our Field Representative, Mr. John F. Storey, will help you obtain a permit to call on Mr. Vitenson.

Yours very truly,

Vitenson

Dear sir, Att: Mr. Diamond

I was in to see you some time ago and presented my problem to you. I am in the grocery business in Mountain View and the following was my problem ;

1.--	Owing the State for sales taxes, in the amount of		$1,018.00.
X2.--	" " Oakland Food Product Co.	(noodle)	164.00.
3.--	" " North Amer. Mercantile Co.		370.00.
4.--	" " Nippon Company.	(rice)	2,037.00.
X5.--	" " Pacific Trading Co.		775.00.
6.--	" " Phillips Milling Co. .	(old balance)	150.00.

I did my best I could on these,by returning goods where I could and selling two of my cars to raise cash. With the results as follows---

1.--	State sales taxes paid down to, with balance as	$51.00.
X2.--	Oakland Food Product Co. balance to	86.20.
3.--	North American Mercantile Co. balance paid in full.	
4.--	Nippon Co. returned 190 sacks of rice balance owed	150.00.
X5.--	Pacific Trading Co. balance	525.00
6---	Phillips Milling Co. balance paid in full.	

The problem I still have is that, I have goods from company No. 2 and No. 5 -- and still owe them some money. They will not take back the merchandise to lessen the balence I owe them.

To the Oakland Food Product Co. the balence I owe is $86.20. My inventory of goods from them is $127.00. I have written them twice to, please take back enough merchandise to cover my balance, so I would not owe them any money. They have refused to take back any of it, on grounds of it being perishables, but have asked me politely to pay some money on account.

To the Pacific Trading Co. I have paid them $250.00 on account and still owe them $525.00. The inventory of goods from them are;as follows; soy sauce 14 cases, $65.50
liquor,(sake)17 case.$127.50, together totaling $193.00.

If I can return these, it would decrease my bill with them making it easier for me to pay the balence. The sake is a liquor and we cannot store it very long. I do not know what to do with the sake in case of immediate evacuation.

Could you please call these two companies up and tell them, they will have to take back their merchandise, because it is difficult for me to pay them and since business is at a standstill. They are in abetter position to handle them, since they would have more of them and where as I am having to close out in a week or so.

I have tried my very best on these matters. Since I can do no more I am asking your help, Mr. Diamond.

In my warehouse I have approximately $350 worth of imported Japanese dishes of all sorts. They include rice bowls, tea cups, flat dishes, and tea pots. There is no market for them because of evacuation. In order to get rid of them I had a sale on them at a reduction. I also advertised in local papers of my dishes on sale. The results were , we sold some of them, but after all the Japanese people are the ones that use most of them.

Do you know of any way or place in which I may dispose of these; such as sell them to some company where ever the resettlement areas are going to be. The other Japanese stores around here also have some dishes.

Please let me know as soon as you can on what you can do with these two firms. If you can give me any information on how to dispose of my dishes please let me know.

I thank you very much, Mr. Diamond.

Gentlemen: Re: Ken Sato Report of 4/7/42

During my recent visit at the Assembly Center, Ken Sato told me he had not received his final payment from the Ralph Myers Co. and wanted to know if I would see that the final check amounting to about $750 was collected and 3/4ths deposited to his account and 1/4th to John Adams, the landowner.

This evacuee has been doing business with the Salinas National Bank. The F. S. A. does not seem to think that this is a matter that is of any further interest to them although they have the copy of the sale contract in their folder; the money was due May 15, 1942.

Further investigation discloses that the Ralph Myers Co. sent a check for $750 to John Adams, the landowner and it is reported to me by the Salinas National Bank that Mr. Adams has mailed Sato a check for his 3/4ths interest. This check had not yet arrived to Sato when I saw him but I will attempt to confirm this shortly.

The Salinas National Bank is also interested in some equipment formerly belonging to Sato which he has sold to Myers and of which we have no record. It appears that this equipment is not fully paid for and that Myers assumed the contracts which, of course, would be all right, but this does not appear to be a matter in which our evacuee is vitally interested as he sold his equity; Myers is responsible.

I am telling the Salinas National Bank to take the matter up with Myers.

Person Interviewed: K. Sato

Principal property involved and scope of problem: K. Sato leased farm from John P. Adams on old San Juan Road, 1/4th mile south of golf course for 6 years in 1936. Owns 2 tractor garages, 2 car garages and 1 4 room house and 2 bunkhouses, 1 chicken house, etc. which he built on farm, claiming under the lease that improvements were his and could be moved off on termination of lease if not in default. Lease provided that if it were terminated before end of period improvements would go to landowner. Sato reports relations with Adams very good, despite his having to leave and that Adams promised him he could have the buildings.

Evacuee asked a good many questions about storage and care of personal property and automobile use going to and in camp.

Through F.S.A., Sato has terminated lease with Adams for a satisfactory settlement and turned his crops and equipment over to landowner. This checks with the F.S.A.

Adams would not buy the buildings and no other buyer appears available.

Action taken:* Advised Sato to get something in writing from Adams stating that under the circumstances, the lease having been terminated through no fault of the tenant, he, Adams, was willing to give Sato the right to remove the buildings when he came back and would consider them as belonging to Sato in the meanwhile. The buildings are not insured and it would probably be difficult to get a policy and Sato does not care.

Explained situation to Sato as explained in your Instruction Letters# 11 to 15. Asked him to bring copy of letter from Adams into us for our files.

(LETTERHEAD OF)

PACIFIC TRADING CO. INC.

100 Sacramento Street
San Francisco, California

April 4, 1942

Mr. L. J. Allen
Field Representative
U S Employment Service
2136 Inyo Street
Fresno, California

Dear Sir:

Your letter of April 3rd, 1942, addressed to the Pacific Trading Company, 100 Sacramento Street, has been received; and in this connection, we are taking the liberty of advising you that at the present time the Pacific Trading Company is under the supervision of the Federal Reserve Bank by reason of the firm having been designated a "national of Japan" by the Treasury Department.

For your information the liability to Mr. MINORO SAITO, owner of the FRESNO FISH MARKET, 919 "F" Street, Fresno, appears among the liabilities of the Pacific Trading Company. However, no license has been granted for the payment of any obligations of the Pacific Trading Co. that existed prior to December 7, 1942.

There is a possibility that within the next month the liabilities of the firm may be paid, and at such time, Mr. Saito's account will be settled.

Our suggestion is that should Mr. Saito leave his present address, he should forward his new address to the following:

The Treasury Supervisor
Pacific Trading Co, Inc.
100 Sacramento Street
San Francisco, California

You can appreciate that we cannot pay Mr. Saito's claim and givehim the standing of a preferred creditor.

Yours very truly,

Mr. Ray Sato,
Parkdale,
Oregon.

Dear Sir:

Reference is made to your letter dated March 18, 1942, advising us of your plans for the disposition of your property in the event of evacuation, and requesting information as to the steps to be taken with respect to similar disposition of your father's property.

We observe that you have worked out plans looking toward the designation of someone to operate as your agent in your absence. In our efforts in connection with the evacuation program, we are encouraging wherever possible that persons make private arrangements for the equitable disposition of their property holdings, and you appear to be proceeding along this line. It would, no doubt, be well for you to perfect your arrangements to the greatest extent possible in order to be prepared to move when the occasion arises.

As to your father's situation, he would be in a position to make similar arrangements. His agent would step into your father's position and operate as a "blocked national" under the license then existing, applying for further license on its expiration.

We trust that this will provide you with the information you desire.

Yours very truly,

A. L. Brown

REFERRED BY MR. EVERSON
TO MR. Armstrong

Parkdale, Oregon
March 18, 1942

Mr. R. E. Eversen
Federal Reserve Bank of San Francisco
San Francisco, California

Dear Sir:

Thank you very much for your thoughtful airmail letter of March 16 in regards to my father's status as a blocked national in event of evacuation.

According to the recent Army orders, Hood River Valley is designated as a Restricted Zone B. That will mean we will eventtually have to evacuate but in all probability it will be after all of the aliens and Americans of Japanese blood are evacuated from the more vital military areas and Prohibited Zone A.

It is quite difficult to tell just when we Japanese of Hood River Valley will be moved but my father and I are continuing normal operation of our farms until the Army gives us an order to evacuate. I suppose that is due to the fact that we own our own orchards and have lived on them just about all our lives, managing them just the way we wished and watching the fruit trees grow from year to year until now it seems a part of us and hate to see anything neglected. A hired man, my father and I are working harder then we have ever worked before trying to get our places in top shape so that if we are told to evacuate, we will be able to leave with the satisfaction that the place was in good shape when we left. For example, we have worked most of the winter, rain, snow or shine, pruning our trees better then we have ever done before so that the cost of thinning and harvesting them will be cut down with a better quality fruit produced. Mr. Hauger, one of your Federal Reserve Bank man, visited our place last winter so if he is at the office, perhaps you may contact him for further information regarding our place.

Knowing that the Japanese of this Valley will be moved sometime in the future and I being manager of my father's orchard, as well as my own since graduation from college in 1940, I have made some tentative plans for appointing a custodian to take over our farms when we are to be moved. Due to the fact that I am to be inducted into the Armed Forces in April and have to find a custodian to operate my farm, I thought it would be wise if I could get that same person to act as custodian for my father's farm when and if he is to be evacuated.

I am not sure what arrangements we will be able to make with this person but we are in the hopes that we might be able to work out some plan of crop share basis for our farm is one of the more better ones in the Valley, harvesting in the neighborhood of fifteen to twenty-five thousand boxes of apples and pears yearly but if that fails I suppose we will turn the two 40 acre farms over to him

5

with all the equipment and have him pay only the taxes on the two places and have him try to maintain the orchards in good shape so that when we return it will be in somewhat the same shape we had left it in.

Mr. Eversen, may I ask you what should be done if my father were to make tentative arrangements to appoint his own custodian and have this person operate on a share basis? Must the custodian operate like my father as a blocked national even if he were to pay for all the expenses of operation of the farm and everything. In other words, just turning the entire property over to him to operate for the duration of the war and what share of our profit we are to receive, if there is any, be deposited in his blocked account at the First National Bank of Hood River.

The Apple Grower's Association of Hood River, of which we are members, finances all its' members on a budgeted expense basis supported by the previous year's financial crop return to make sure that everything is exact and true. In that way, if we were to have this custodian operate the farms, he would be able to get enough money for materials, labor, and other expenses of raising the fruit on that year's coming crop, making it unnecessary for my father to finance him at all to conduct normal operation of the farms. At harvest time the Apple Grower's Association again finances all the growers who wish to be financed by paying them so much per box to harvest his crop and also pay enough for other expenses. All of this is made possible by the Apple Grower's Association working in conjunction with the Intermediate Credit Bank of Spokane Washington. All of these loans are paid back as soon as the fruit is sold and any money above the expenses and debts of loans is forwarded to the grower. It will often take until the middle of the following year before the grower receives the entire proceeds of the previous year's crop but this form of marketing certainly makes it very convenient for the growers.

It seems as though if the custodian does all his financing thru the Association's Credit Corporation on the coming year's crop and operating strickly on his own, he would not have to continue operation as a blocked national as my father is now doing. Please let me know what procedure my father must follow in appointing his own tentative custodian for making preparations for evacuation.

My father applied for another license to continue normal operation of his farm for the next three months and in the hopes that you will grant him that license.

The report to be made on TFEL-1 by my father for the past three months' expenditure will be sent to you at the end of this month at which time his last license expires.

May I thank you again for all the kindness extended us at these trying times and hope you will pardon me for such a detailed letter.

Very truly yours,

T. Sato

In the "listed, but not received" list 2 chests of drawers, 1 bundle of brooms & mops 1 buggy, and 1 vacuum cleaner are included. Mr. Tokuji Sato

Stockton Assembly Center
Stockton, California

Dear Mr. Sato:

Referring to our conversation at the Center this morning regarding your desire to secure affidavit from the Bank of America attesting to the existence of savings accounts with that bank in your name and also in the name of Mrs. Kyoko Sato, Mr. Zitlau, Vice-President of the bank states that you could make your own affidavit and refer to these accounts by savings account number, all of which could be verified by the official to whom you may be submitting the affidavit.

In the meantime, under date of August 17, 1942, the bank reports having written to Mr. Joseph Conrad, Berkeley, advising him of the balances then showing to the credit of both of your accounts.

If this information is not sufficient to clear the problem confronting you we are still at your service.

Very sincerely yours,

L. S. Hanks

Principal property involved and scope of problem:

Miss Chiyoko Satoda expressed her desire to either deed her home at 1530 East Fairview Ave., San Gabriel, Calif., to her sister, Mrs. Toshiye Okasaki, or to appoint Mrs. Toshiye Okasaki her attorney.

Miss Satoda's reason for requesting this property be handled by her sister was that she was going to Japan. She thinks that thru telegrams being sent for her by someone within the Center, she will be allowed to to go Japan on one of the boats now being used in the exchange of diplomats, prisoners, etc.

Action taken:*

I advised Miss Satoda, that while we could arrange to assist her in giving her sister a power of attorney to handle her property, her chances of going to Japan now were slim indeed. I pointed out to Miss Satoda that she was an American citizen and will be protected as such by this government and that I was quite sure that under existing conditions, her application to go to Japan at this time would not be considered by the authorities.

I suggested to George Miura, in charge of the local Welfare Department, that he have a talk with Miss Satoda in regard to her) Handled by: DUNTON

Principal property involved and scope of problem:

Interviewee came in and presented a typed Assignment of a leasehold interest running from one Noriyuki Hasegawa to Gunther Ripoke (Phone 155) of Centesville, California, carrying all of the right, title and interest of ######## Assignor in a lease dated January 26, 1942, covering 9 acres of ground, more or less, known as "Little Estates, Ala-203 property". Hasegawa has departed for parts unknown to interviewee, and without signing the above assignment.

PROBLEM:- This interviewee handed me above assignment, stating he had been instructed to get my signature to the instrument; then sign the name of Hasegawa, also. Ridiculous as the above sounds, it is what I was requested to do.

20

Action taken:* NO SOAP. This office has no interest what so ever in signing any sort of a document for any one else. Sent Mr Schlichten to the permit department to see if he could locate the present address of Hasegawa; mail his assignment there for Hasegawa's signature. That would be the only way in which I could suggest he could obtain a valid assignment.

Mr. Mosatoshi Seiki,
P. O. Box 516,

Fowler, California,

Dear Sir:

Reference is made to your letter of April 30 in which you mention certain furniture left in the apartment house belonging to you at 1822 and 1826 Buchanan Street, San Francisco.

Owing to the fact that that neighborhood has now been completely evacuated, we have no way of knowing what disposition has been made of these belongings. While it is not in our jurisdiction to pass upon such matters, we think it unlikely that the Provost Marshal will issue such a permit as you mention, in view of this evacuation.

We, therefore, suggest that if you have not already arranged with your tenants for storage of this furniture, that you appoint someone, like the Anglo California National Bank, to arrange for its disposal or storage.

While we are not in a position to acquire possession of such property ourselves, we will be pleased to have you advise us what arrangements you make.

Dear Mr. Everson:

In reply to your letter of April 27, 1942, regarding to my property I have left every thing with Anglo-California National Bank on Fillmore Street branch. (Trust Department)

However do to sudden voluntary evacuation I had some furniture in 1822 and 1826 Buchanan Street at time when I left the city, the tenent was still occupying the both flats, so I've written to Provost Marshall by Special Air Mail trying to obtain permit to go there and settle the furniture and rent but as yet I have no reply from Provost Marshall. I've also enclosed special and air mail stamps for reply.

I sincerely appreciate your kindness for regarding to my property, and if you can be any assistance to in future regarding to my property.

Dear Sir:

In answer to your comment of recent date we are pleased to furnish you with an inventory list prepared by our field representative after rechecking your furniture stored at Stockton, California.

It appears from this new list that we have received only one dinettetable for your family but in three separate pieces. Isn't it true that the confusion arises from your attempt to list the number of pieces making up your table rather than it being the case that one dinette table is missing?

This further check fails as well to uncover the chest of drawers which you have listed.

Trusting that the enclosed list of your furniture and the foregoing explanation satisfactorily disposes of your inquiry, we are

Dear Sirs:

Reference is made to your letter of July 17, 1942 pertaining to the whereabouts of one, Sam Seki.

Our records disclose nothing which would lead to the location of this man, but we suggest that you present a similar inquiry to Dr. Calvert I. Dedrick, Wartime Civil Control Administration, Whitcomb Hotel, San Francisco, and also to the Federal Security Administration, 785 Market Street, San Francisco.

These agencies would have knowledge of the Assembly Center addresses of all evacuees.

Dear Sir:

Reference is made to your letter dated September 10,1942 relating to your previous letter of August 30, 1942 involving the storage of household goods of a certain Japanese evacuee, John Sela.

We are forwarding, as you requested, a copy of your letters dated August 30, 1942 and September 10, 1942, together with a copy of our earlier reply dated September 4, 1942 and that of today, to the War Relocation Authority, Hotel Whitcomb, San Francisco, California.

It would be our suggestion, until you receive some specific further suggestions from the evacuee, whose address was contained in our letter of September 4, 1942, that Mrs. Roth and her son make every reasonable effort to protect the evacuee's stored goods against further withdrawal, by theft or otherwise.

A letter from you addressed to Mr. John Sela, Granada War Relocation Project, Granada, Colorado, setting forth what has taken place up to the present and requesting his prompt further instructions would appear to be in order.

Very truly yours,

Assistant Cashier

Gentlemen:

Enclosed is a copy of a letter received from Seller Bros. & Co. of San Francisco and also copy of my reply thereto.

If you have any special instructions to give me regarding such correspondence, I will be glad to have you do so as I am afraid there is going to be a good deal of this sort of thing and also communications from bill collectors, credit agencies, etc., asking us to help them with accounts for evacuees and also accounts against them.

Last night, Mr. W. J. Follett of the Minnick Transfer Company of Monterey, mentioned in the Seller Bros. & Co.'s letter, called me up at my home and I told him that I knew nothing whatever about this matter and if he took any action, it would have to be entirely on his own responsibility as we had no information and felt that we did not want to take any authority under the circumstances.

However, I did warn him that he should be sure of his ground because if anything were done incorrectly, it would be held against him directly and Seller Bros. & Co. indirectly.

Gentlemen:

Reference is made to your letter of April 20th addressed to me regarding B. Menda Company of Monterey.

We have no information on Mr. Menda's affairs nor have we heard from him so that under the circumstances our office is not in a position to state that you can, or you cannot have the merchandise you are referring to. Under the circumstances we feel that any action you take would be entirely on your own responsibility. If you feel you have sufficient authority from the Menda Company to proceed with definite action that is a matter for you to decide.

We heard from the Minnick Transfer Company and told them of our lack of information and of the attitude which we must necessarily take.

Yours truly

Mr. J. F. van Loben Sels
7 Natividad Street
Salinas, Calif.

Dear Sir:

We have written a letter to the Monterey Chamber of Commerce in reference to the account of B. Menda Company in Monterey, and they have replied to us that you are the custodian of these Japanese Accounts.

We have just received a letter from Mr. Menda from Platteville, Colorado, that he has left certain merchandise which is to be returned at 352 Washington Street in Monterey. He also stated in his letter that the keys are at the San Carlos Motor Company located between Washington and Tyler Streets in Monterey.

We have asked the Minnick Transfer Company in Monterey to pick up this merchandise and have same returned to us, as Mr. Menda owes us considerable money and this will take care of his account he believes.

We therefore would ask you when the Minnick Transfer Company asks permission to take out this merchandise that you grant same to them.

Thanking you in advance, we remain

Yours very truly,
SELLER BROS. & CO.

FEDERAL RESERVE BANK OF SAN FRANCISCO

FISCAL AGENT OF THE UNITED STATES

April 3, 1942.

Mr. H. C. Shanks,
General Delivery,
San Diego, California.

Dear Sir:

In acknowledgment of your letter dated March 27, 1942, in which you indicate a desire to purchase a pool hall located at 516 5th Avenue, San Diego, the owner of which you believe to be a Japanese, we would suggest that you continue private negotiations with him in an attempt to find a mutually satisfactory price basis.

If the reputed Japanese owner has been a continuous resident of this country since June 17, 1940, and has not been specifically designated as a blocked national, he would be classified as a generally licensed national. Under the latter classification, he would be in a position to enter into negotiations for the sale of his property to you. He would be in the same position if he were American-born of Japanese ancestry.

In the remote event the owner might be operating under a special license classifying the seller as a blocked national, and assuming mutually satisfactory price is agreed upon, application must be made by the seller on Form TFE-1 (Revised) to the Treasury Department, to be sent to this Bank. A special license probably might then be issued approving the sale and stipulating specifically that the proceeds accruing therefrom be placed in a blocked account.

Yours very truly,

Assistant Cashier.

Mr. H. C. Shanks,
General Delivery,
San Diego, California.

Dear Sir:

In acknowledgement of your letter dated March 27, 1942, in which you indicate a desire to purchase a pool hall located at 516 5th Avenue, San Diego, the owner of which you believe to be a Japanese, we would suggest that you continue private negotiations with him in an attempt to find a mutually satisfactory price basis.

If the reputed Japanese owner has been a continuous resident of this country since June 17, 1940, and has not been specifically designated as a blocked national, he would be classified as a generally licensed national. Under the latter classification, he would be in a position to enter into negotiations for the sale of his property to you. He would be in the same position if he were American-born of Japanese ancestry.

In the remote event the owner might be operating under a special license classifying the seller as a blocked national, and assuming mutually satisfactory price is agreed upon, application must be made by the seller on Form TFR-1 (Revised) to the Treasury Department, to be sent to this Bank. A special license probably might then be issued approving the sale and stipulating specifically that the proceeds accruing therefrom be placed in a blocked account.

Yours very truly,

Assistant Cashier.

As you requested, I make this statement on the subject loan.

Neither Mr. Chitchjian nor I as his attorney have threatened foreclosure of the above loan. We do not contemplate foreclosure by reason of any previous failure to pay any installments of principal. Payment of all such installments have been postponed with Mr. Chitchjian's consent.

Mr. Chitchjian is thoroughly satisfied with the security, and content to carry the loan, so long as the property is kept in good repair, adequately insured, taxes and interest paid, and he is not prejudiced by any delay in the payment of installments of principal.

April 8, 1942
Sacramento, Calif.

Mr. L.J.Allen
Federal Reserve Bank
Fresno, Calif.

Sir:-

Re. Sacramento #65; subject-matter of threaten foreclosure of mortgage.

This is a $10,000.00 mortgage, a trust deed, held by Mr. Pete Chitchjian of Fresno, California, on a business property situated on SE and SW corners of Madera and Ripperdan Avenue, Madera, Calif.

I am in default of two payments of principle due to fact that at the time of payment, Pete Chitchjian didn't want any of the principle and took only interest due. Now with this war on, Pete , probably advised by his attorney, demands full settlement of this mortgage.

Under ordinary condition, most any Bank in Fresno will gladly advance me this money on my property but when I recently applied for a loan, through Attorney C.T. Walton of Fresno, to Bank of America of Fresno I was told that Bank had received order from headquarter not to lend any money on any property owned by person of Japanese ancestry.

In view of this situation I request the Federal Reserve Bank to freeze this mortgage for the duration or until more favorable time for refinancing this note.

As this property has an approximate valuation of $40,000.00, any loan of $10,000.00 will not be jeopardized. This is a business property, consisting of about 7½ acres of land with store and warehouse buildings, cabins, gara ge, modern service station, barber shop and etc. and is the trading center of that region.

This coming evacuation of Japanese will not affect the value of this property, in as much only the store is leased by an alien Japanese, all other quarters are occupied by caucasian Americans. There is no fear of this site being a "ghost town" after the evacuation of japanese. This is the trade center of both residents and of migratory laborers of this district. The trade and the good-will of the people is there.

I was advised by Mr. Reid of Federal Reserve Bank here to write to you directly, seeking your help in staving off this foreclosure.

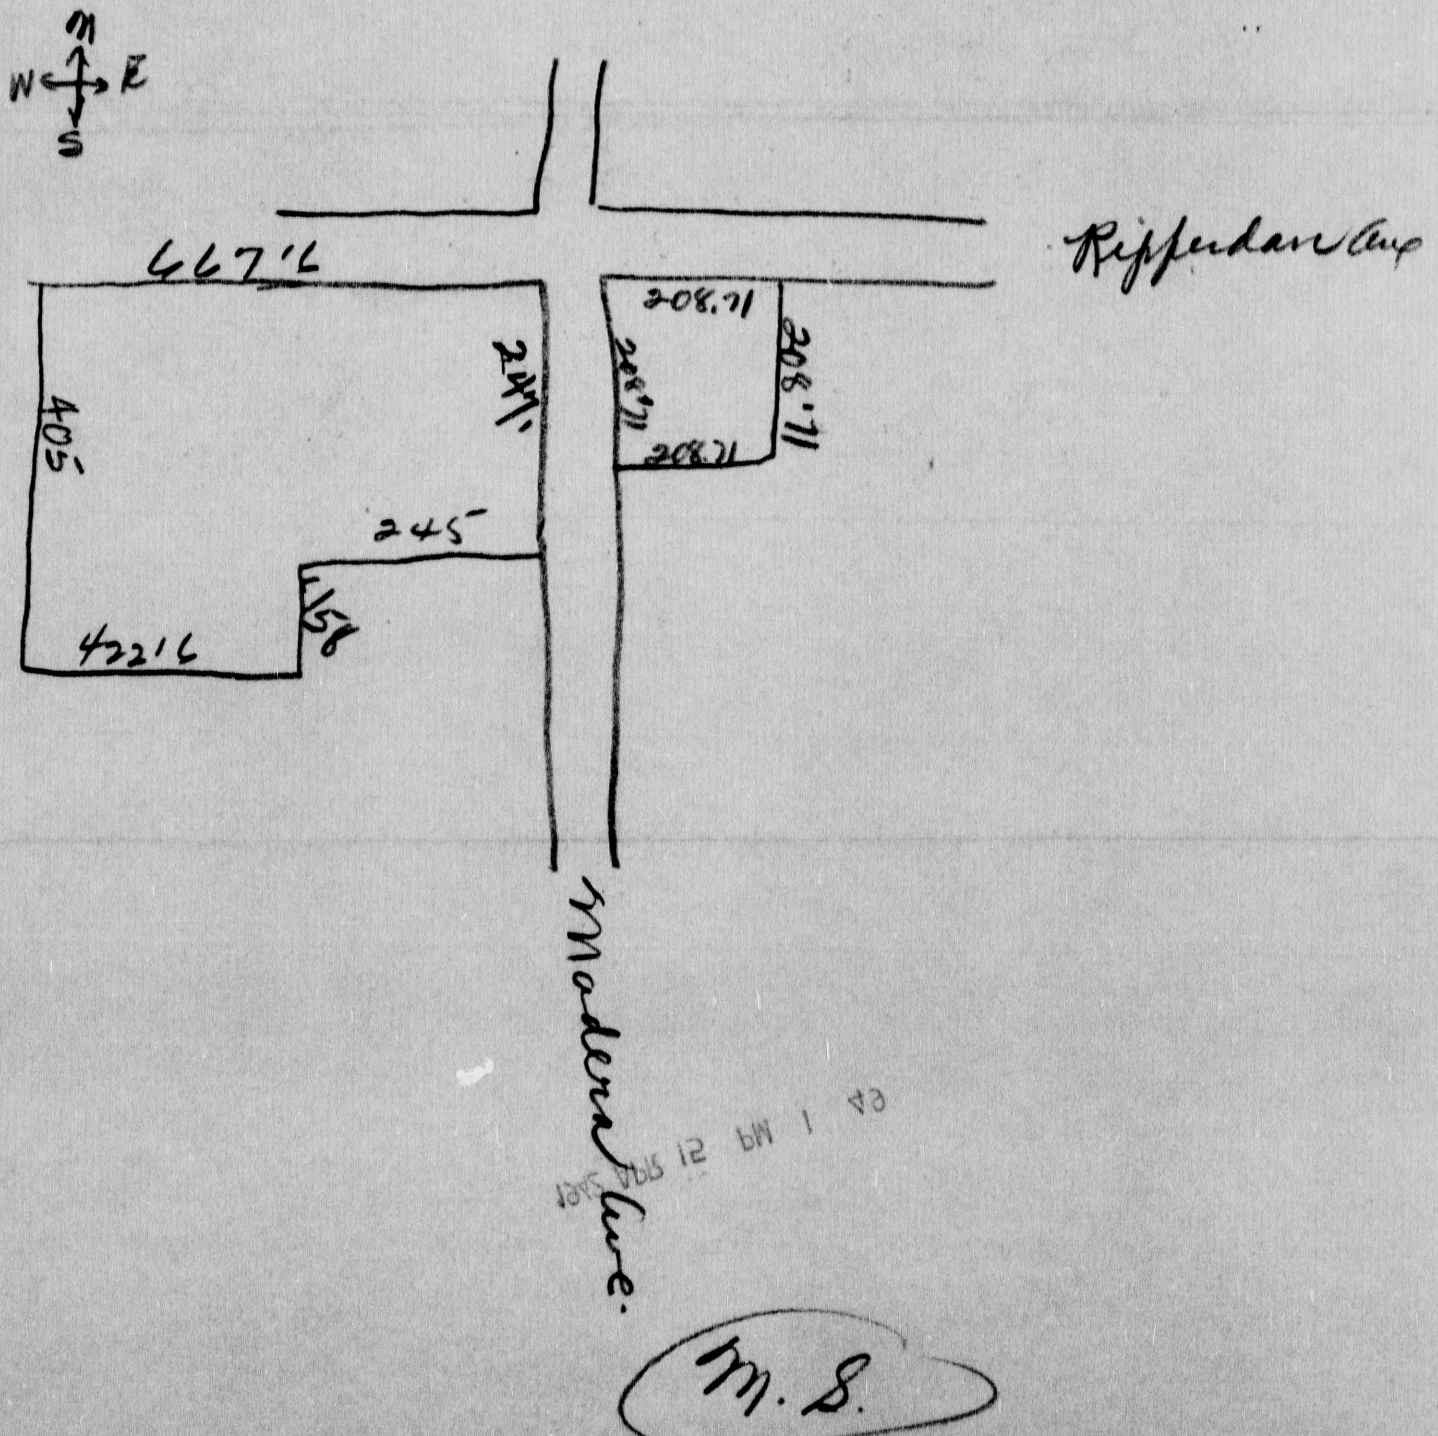
Hoping that you will be able to help me solve this problem, I remain

Yours truly,

Motoyuki Shibata

P.S. My property is described as Croft tract #1, commencing at the NW corner of lot #1, East 208.71 feet, thence S 208.71 feet, thence W 208.71 feet, thence N 208.71 feet to place of beginning.

Also beginning at NE corner of NE¼ of section 36-12-17, West along the north line of thissection, 667.6 feet to a point thence S. and parallel to the E line of this section 405 feet, thence E 422.6 feet, thence N. 158 feet, thence E. 245 feet, thence N. 247 feet to place of beginning.



Mr. Aemstrong

Sacramento- #65.

February 26, 1942

Mr. Motoyuki Shiba
1201 Eighth Avenue
Sacramento, California

Dear Sir:

As you probably well know, since the outbreak of hostilities between the United States and Japan there has grown a strong tendency to more closely scrutinize all titles to real property held by native born Japanese, to determine whether such titles are held in trust for a native of Japan who is under our law precluded from holding title in his own name.

I do not feel entirely comfortable about the loan Mr. Chitchjian has made to you on the property in Madera County occupied by Mr. Mochizuki. If the facts can be proven that you own the property in your own right and that Mr. Mochizuki is your tenant only, then I suggest that the facts be clearly shown. To this end I suggest that you come here for a conference. We might be required to submit the matter to Attorney General Warren and I want to be prepared and protected if and when an investigation is made.

This matter is important to yourself as well as to us and therefore should receive your immediate attention. I suggest that you bring with you whatever books, records or documents you have to show your ownership and Mr. Mochizuki's tenancy of the property.

Yours truly,

HARRY SARKISIAN.
