Dear Sirs:

Reference is made to your inquiry of June 4, 1942 concerning the whereabouts of J. H. Shiroishi.

We have checked our files and nothing is disclosed pertaining to the evacuee, nor have we stored any of his belongings.

We would suggest that you contact him by mail at the W.C.C.A. Assembly Center, Tanforan, San Bruno, California. If necessary, in order to expedite the case a meeting could be arranged in that Center between a representative of your organization and Shiroishi.

Dear Sir:

Enclosed is an itemized statement and copy of a Conditional Sales contract covering merchandise sold to Mr. J. H. Shiroishi, a Japanese.

No payment has been made for the month of May and upon investigation at 701 - 26th St., Oakland, his former residence, we are lead to believe Mr. Shiroishi sold part or all of the goods before leaving here. This act is unlawful since he did not have our permission to do so.

Since our mail has been returned from his residence address, we would be grateful if you would assist us in recovering the goods or having Mr. Shiroishi pay off the account.

We shall appreciate hearing from you.

Yours very truly,

# JACKSON FURNITURE COMPANY SALES AGREEMENT

**THIS AGREEMENT**, made this 29 day of Nov. 1940, between **JACKSON FURNITURE COMPANY**, first party, and the person or persons whose names are signed to this contract, as purchaser, second party;

## WITNESSETH:

First party agrees to sell to second party and second party agrees to buy from first party and pay the full credit price for certain articles of merchandise, together with the California Sales Tax thereon, as follows:

\$ 30.00 upon the execution of this contract, and \$ 12.50 per month payable on the 29 day of Dec. 1940, and each and every month thereafter until the full credit price of all purchases made hereunder are paid, or as indicated immediately below:

This pur. 331.95

An itemized list of the merchandise which said second party has agreed to buy is hereto attached or to be attached, and second party authorizes first party at its convenience to attach to this agreement a list of the merchandise purchased under this agreement and subsequent modifications hereof. Any additional articles hereafter ordered by second party, or his agent, at the option of first party, may be added to this contract; thereupon said second party agrees to pay the total credit price of the merchandise covered by this contract as increased by the credit price of such additional articles, and to pay the installment payments and carrying charges, together with the California Sales Tax thereon, increased from time to time, in proportion to the amount of the credit price of such additional articles. Second party covenants that all the terms and conditions of this contract on the part of second party to be performed shall likewise apply to said additional articles.

The credit price shall be the total of the selling price of the articles ordered and in case additional articles shall have been added to this contract, the selling price thereof plus a carrying charge equal to one-half of one percent for each month of the term of this contract upon the said selling price (less the cash payment herein noted) and upon the selling price of any additional articles covered by this contract, reckoned in each case from the date of the order for the respective merchandise until the total credit price therefor is paid in full.

Second party agrees to pay all taxes assessed or levied against said merchandise and to keep said merchandise continuously insured from loss or damage by fire during the life of this contract for a sum at least equal to the full unpaid credit price thereof. Said insurance shall be in the name of the first party, with loss, if any, payable to first party and second party as their interests may appear—which clause must be endorsed on the policy—and whether the merchandise shall be insured or not, second party shall pay to first party all loss or damage to said merchandise by reason of fire or any other cause whatsoever, not to exceed the full unpaid credit price thereof. In case of any loss or damage to any of said merchandise, said second party covenants to notify first party thereof immediately. If default be made in the payment of any taxes or any insurance, said first party may, at its option, pay the same and add the amount so paid to the purchase price hereunder. Any payments by first party for taxes, insurance premiums and expenses, shall be due when the next payment on this contract is due.

Title to all said merchandise, including all additional articles hereafter ordered, which shall be added to and covered by this contract, shall remain in first party until all sums due to first party hereunder are fully paid and all sums due first party by or through any other account or transaction of second party are paid in full and until second party shall have fully complied with all the terms of this contract and any other agreement which said second party shall have entered into with first party before said second party shall have fully completed performance under this contract. When second party shall have fully complied with all the terms of this contract and any and all said other agreements hereafter made, and shall have paid each and all of the sums of money herein required, then first party shall transfer all its right, title and interest in and to said merchandise to said second party. All sums payable hereunder must be paid in lawful money of the United States.

Should second party become in default in the payment of any sums due or to become due hereunder or in the performance of any condition or term hereof or in the payment of any sums due to first party on or for any other account or transaction, or if said second party becomes insolvent or if any petition in bankruptcy is filed by or against him, said first party may, at its option and without demand or notice of any kind, declare the balance of all sums payable hereunder immediately due and payable (and no action by first party to recover the credit price of any other sums hereunder shall be deemed to vest title to said merchandise in said second party nor preclude the first party from taking the same as hereafter set forth); and/or said first party may, without demand and with or without legal process and without the surrender or termination of this contract, immediately take possession of said merchandise wherever found, using all necessary force so to do, the said second party hereby waiving all claims or damages that may arise from or be connected with such taking. After first party takes possession of said merchandise, first party may, at its option, without notice to second party, terminate all of second party's rights under this contract, in which event all payments theretofore made shall belong to first party as compensation for the use of said merchandise by the second party (provided, however, this shall not release second party from the payments of any sums due at the time of repossession, and each and all of which over due sums second party agrees to forthwith pay to first party as further compensation for the use of said merchandise to the time of said repossession); and/or said first party may sell said merchandise at public or private sale, without demand for performance and without the surrender or termination of this contract, with or without having the said merchandise at the place of sale, and upon such terms and in such manner as the first party may determine, and may itself become a purchaser thereof or any part thereof. From the proceeds of any such sale, first party may deduct the expenses of retaking, repairing and selling such merchandise—including commissions for selling as well as reasonable attorney's fee—and shall apply the balance to the payment of the unpaid amounts due under this contract. In the event there remains a deficiency, said second party agrees to forthwith pay the amount of said deficiency to said first party. Should the first party employ an attorney to bring any action upon this contract or against second party or to recover possession of said merchandise, second party agrees to pay to first party its reasonable attorney's fee. Acceptance of any payments after the due date thereof shall not be deemed a waiver by the first party of any of the provisions of this paragraph or any other provisions of this contract. All remedies herein provided shall be cumulative of any and all rights and remedies provided by law in the premises and first party shall have the right to enforce any one or more remedies hereunder or other remedies allowed by law successively or concurrently, and the pendency of any such action shall not prevent said first party from pursuing any other remedy which it may have.

Second party covenants not to allow any of said personal property to pass into the hands of third parties and that neither this contract nor any interest therein, nor any of the property mentioned herein, or any interest therein, shall be sold, assigned, pledged, mortgaged, transferred or hypothecated. Second party further covenants not to suffer any of said property or any interest therein, or this contract, to become attached or to become subject to any lien, and not to remove the property herein agreed to be sold or any part thereof from the building to which the property is sent by first party, without first obtaining the written consent of said first party.

Any and all of the personal property herein agreed to be sold shall retain its character as personal and movable property during the life of this agreement and shall not, either by reason of any affixing thereof to any real property or by any act, omission, construction or understanding be construed to become fixtures.

If at any time during the life of this contract second party shall receive merchandise from first party without having executed a written contract with first party therefor, at the option of first party all of the provisions of this contract shall be deemed applicable to the merchandise so received.

First party, its agents and servants, shall have the right of access at all times to said property. Service of any demand, notice or bill of sale referred to or pertaining to this contract may be made by depositing the same, postage prepaid, in the United States Post Office at Oakland, California, addressed to second party at the place of address endorsed thereon. This agreement embraces all the terms of this contract and supersedes all verbal agreements and is binding upon the heirs, executors, administrators and assigns of the parties hereto, and time is expressly made of the essence hereof.

No waiver by first party of any condition of this contract or any default herein shall be deemed to be a waiver at any time thereafter of the same or other condition or the breach thereof or of any default hereunder.

Second party agrees to pay to first party any expense incurred in recovering possession of said property or in collecting the unpaid balance of the purchase price or any other sum due hereunder including reasonable attorney's fees and collection charges.

Second party hereby waives the right to move for a change of venue in any action affecting said property or this agreement and waives the right to claim exemption pursuant to Section 690 of the Code of Civil Procedure of the State of California, and for a period of eight (8) years waives the right to plead the statute of limitations in any action hereafter commenced affecting said property or this agreement.

In the event second party is a married person, said second party authorizes and constitutes his or her spouse as his or her agent for the purpose of making additional purchases under this contract and to be secured hereby, and to modify the terms of this contract in any and all respects, said authorization to continue until such time as second party notifies first party in writing by registered mail of the cancellation of said authorization, said cancellation to be effective as of the date of the receipt by said first party of the said registered notification.

All agreements and understandings between the parties hereto are stated herein.

The word "second party" shall be properly construed as to number and gender; and in case of a plural number, the liability of each of the persons who constitute the second party hereto shall be joint and several.

WITNESS THE SIGNATURES OF THE PARTIES:

Dear Sir:

In reviewing the license recently issued to you for the operation of your business, it occurs to us that you might be in an area recently designated by the Army officials which will possibly be evacuated in the near future.

If you are subject to the evacuation order and the license which you now have is not sufficiently broad to permit disposition of your assets or the complete liquidation of your business, we will be pleased to give immediate consideration to any application which you wish to submit.

Yours very truly,

  
Assistant Cashier.

San Francisco, California

Gentlemen:

Attention: Mr. Armstrong

In accordance with your request we are enclosing, herewith, various original letters and probably some copies of our replies which have to do with the attitude of the Japanese People toward the Federal Reserve Bank in its campaign of assistance.

We are including in this lot the enclosed letter from Mr. L. S. Wetmore, Manager of Libby, McNeill & Libby Canal Ranch at Thornton, California.

It is interesting to know that of forty-six Japanese People evacuated from this Ranch, over one-half of them were born on the Ranch, and they represent more of a complete ranch family unit than may be found in most organizations of the kind.

With reference to Mr. Wetmore's fourth item in the letter, he has just reported that Charles Sofye sold his 1942 Ford Super DeLux Sedan to Albert A. Maria for \$1000, the purchaser assuming Pacific Finance Company contract of \$869 and paying Sofye \$131 cash for his equity.

If you would wish to have forms (S-5055) made out for each of the cases mentioned by Mr. Wetmore, we suggest that you so instruct us when you return copy of the letter.

Yours sincerely,

L. S. Weeks

Purchase price, \$1269, balance outstanding \$869, on Farmers Contract at \$434.50 every 6 months. Payments will be kept up by Canal Ranch and charged to account of Subject, who has saved about \$2000 cash in the meantime. Canal Ranch has made several deals with Japanese employees whereby receipt will be given in each case, and payments if any, will be made for account of Japanese owner.

Dear Mr. Everson:

We have been able to use Japanese help in checking in the cars. One, H. Someya, was assigned as a mechanic by Mr. Greene with the Wartime Civil Control Administration.

I have reported the time of H. Someya to Mr. Lyons, timekeeper of the Tanforan Assembly Center. It is my understanding that he will be compensated in the same manner as all other Japanese workers that are working for the W.C.C.A. in this Camp.

I have found Mr. H. Someya very well qualified as far as we need assistance. He says that he has been an automobile mechanic for the past 17 years.

Hoping the above method of handling this matter meets with your approval, I remain

Yours truly,

Dear Sir:

In reviewing the license recently issued to you for the operation of your business, it occurs to us that you might be in an area recently designated by the Army officials which will possibly be evacuated in the near future.

If you are subject to the evacuation order and the license which you now have is not sufficiently broad to permit disposition of your assets or the complete liquidation of your business, we will be pleased to give immediate consideration to any application which you wish to submit.

Yours very truly,

3 acres Young Berries. On Franklin st, off Peralta, San Leandro, Cal.  
Property contains 1 5-room house; 2 bedrooms; 1 bathroom  
garage, 1 car. Barn 20 x 24 ft. s sheds.

Owner of land is August Rose, of Salinas Calif. Land leased to Nabuo

Matanahi, a Japanese (Interviewees do not know where this man is; he is  
not in this community. Matanahi's interest ~~is~~ apparently now passed into  
the possession of one "Abi", another Japanese, whose first name  
interviewees do not know, nor do they know anyother information about him;  
except that he is is possession of the place.

PROBLEM:- Interviewees want to pay cash to some one for these berries,  
and will this office have any objection to such a deal.

Action taken:\* We would have no objection; providing some one took  
care of the growing berries at all times. They will do this. Asked them  
to go their attorney for further advice as to what Japanese to deal with,  
etc; bearing in mind that no food production is to be permitted to lapse.  
They left headed for their attorney's office, and it is my understanding  
they intend to pay their money and take possession this evening. Present  
Japanese on the premises told them he is leaving<sup>33</sup> early tomorrow, 3/29/42.

12 || Consumers' Cooperative Society of Palo Alto,  
164 California Street,  
Palo Alto, California.

Attention: Mr. G. L. Spencer, General Manager.

Dear Sirs:

In acknowledgment of your letter dated April 2, 1942, in which you indicate you are purchasing the equipment only belonging to Mr. J. Nakamura, an alien Japanese, operating a dry cleaning establishment at 776 Emerson Street, Palo Alto, our records do not disclose that the above person is operating under a special license as a blocked national. We assume, therefore, that Mr. Nakamura has resided continuously in this country since June 17, 1940, and if not designated as a blocked national - as appears to be the case - he would be classified as a Japanese national. As such, he would be in a position to carry out the negotiations outlined in your letter.

We are sending a copy of your letter and our reply thereto to our Field Representative, Mr. John F. Storey, 15 B Street, San Mateo, California, in the event you might wish to communicate with him for further information.

Yours very truly,

*R. E. S. @*

Assistant Cashier.

Dear Sir:

We are purchasing the equipment but not the accounts or any real estate from an alien Japanese who has a dry cleaning business here. The alien is Mr. J. Nakamura, and his store is at 766 Emerson Street, Palo Alto. We take it for granted he is at liberty to dispose of his equipment without any legal procedure other than usually attaches to such a sale.

Anticipating that there might be too many cars of the less desirable type thrown on market at time of evacuation and thus spoil a stabilized market, I talked with Mr. Stanton of Dave Galbraith Co., Ford Agency. The idea was to work out a system where the company could give receipt for delivered car to seller. The signed pink slips could be left with a third party probably a bank. Later when car was sold the seller could give money to third party on delivery of pink slip. The money can then be sent to seller. There will be no problem on pickups and trucks. Both Mr. Stanton of Ford Co. and Mr. Daoust think such a plan feasible. Mr. Daoust is with the Chevrolet Co. here. I appreciate that they have invested generously as much as they can at this time in car-lot stock and their selling market is not yet at hand.

Re: FRED STIREWALT.

Dear Sir:

Fred Stirewalt called at my office today and informed me that a Japanese before evacuating had left a trunk of personal property consisting of 9 Japanese Books, 4 dictionarys, 2 pillows, 1 quilt, 6 curtains, 1 note book, 2 waist pants and about 1200 pounds of vegetable seed. The Japanese has now written to Fred Stirewalt and wished him to send the above articles to him at Poston, Arizona.

I told Mr. Stirewalt that before he sent the same to him that he should get permission from the Federal Reserve Bank, so kindly let me know if it is alright to send it.

Refers to report of April 8th., 1942.

(See Stockton letter of May 28th., 1942)

Closed out on our "Miscellaneous" Report of 5/13. This was really a case of competition between Stockton Box Company and Hatch Chevrolet Company to buy the Chevrolet truck of Nagasaki, an alien Japanese. Result was that Nagasaki sold truck for cash to Hatch Chevrolet to the disappointment of Mr. Goff of Stockton Box Company, who made a complaint as reported April 8. It was not a question of mistreatment of the Japanese. It was merely an argument between these prospective buyers.

Case closed.

June 12, 1942

L. S. Weeks  
201 No. San Joaquin St  
Stockton, California

Dear Mr. Weeks:

Thank you very much for the nice letter of June 6. I am very happy to convince myself that I have a friend whom I can depend on, and you are bound to hear from me with some problem.

The time I saw you I meant to receive aid from you in regards to a collection which I was having a difficult time, but a remittance in full was received few days ago according to a letter from Mr. T. W. Thomas who is taking care all of our accounts receivables.

The weather is getting slightly warmer, but I am enjoying this new life of ours; although, at times I find it inconvenient. My moments are pretty well occupied; and so it does not give me a moments time to worry over anything. The only worry I do during the day is to get to the mess hall on time so I won't miss my meal.

In the meantime, I wish that I can hear from you again if you have time.

With my kindest personal regards,

Sincerely yours,

Y. AGARI /s/

Principal property involved and scope of problem:

No real problem yet, but considerable complications may arise as a result of the following.

Mr. Donnally was here this morning. He telephoned the Manager of Tule Lake Center. Then told Tom Yego and other Japanese to forget restrictions on baggage (150 lbs. per adult) as recited in Exclusion Order #102. Told them could take sewing and washing machines, refrigerators, and trunks - no limit on weight or size. Told them to broadcast the news.

Action taken

Result - Japanese are rearranging plans for baggage and storage, planning to take almost all belongings. If successful, our storage problem will be nil. If unsuccessful, we will have this storage thrown at us at the last minute if the Army does not allow them to take more than the amount shown on the Civil Exclusion Order. This appears to be a case which might cause confusion if they adhere to the order as shown, leaving the Federal Reserve Bank with a serious storage problem at the last minute.

Principal property involved and scope of problem:

Peter Marinoff, salesman for Mutual Benefit Health & Accident Ass'n., 111 Sutter Street, San Francisco, DOUGLAS 3093, owes Harumoso Suehiro, evacuee, Tanforan, formerly at 2530 Market Street, Oakland, \$32.50 for printing done at the above Oakland address. The printing firm was the Empire Printing Co.

Marinoff failed to pick up all of the printing, although he has had ample time. Through the San Francisco office your representative was informed that Marinoff would call for the material and settle bill Tuesday morning, May 5, between 10 A.M. and 12 Noon. The applicant waited but Marinoff failed to keep appointment.

May 8 Marinoff inquired of Federal Reserve Bank as to how he could get the material.

Action taken:\*

May 9 - Contacted Leslie Price, Attorney, Easton Building, Oakland, Twin-oakes 3663, Agent for evacuee Suehiro, who will get key and take the material to his office, and notify Marinoff to call for material. Will not deliver until or unless bill is paid. Confirmed the plan by letter to Mr. Price. Informed Marinoff of action taken. See letter attached. Contacted Marinoff and explained plan to him, and he agreed that this was satisfactory. The financial settlement is now up to Mr. Price and Marinoff. Address of Peter Marinoff is Alpine Hotel, 1479 Fruitvale Ave., Oakland, California. Case in process of being closed.

When Mr. Suga was evacuated about May 3rd to the Turlock Assembly Center, he turned over to us his Dodge 6, instructing us to keep this car in storage for him.

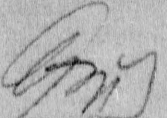

On May 26th the above subject decided to take advantage of the alternative offered to him and he agreed at the time to sell his car to the Army. Principal property involved and scope of problem: Interviewee owns General Merchandise store at above address, operating under lease from one Kawano, who is now in Japan. This lease expires Sept 1, 1942. Interviewee paid advance rental of 3 months amounting to \$195:00 to Kawano, who in turn paid same sum to land owner. Property owned by Joe Priego, a Portuguese USA citizen, also a resident of Alvarado.

PROBLEM:- The above \$195 payment, it develops, is full prepayment of the last 3 months rental of the premises. Lease expires Sept 1, 1942. Priego, land owner, who admits the receipt of the \$195:00 ~~money~~ told Mrs Sugimoto he would not repay any portion of this sum, nor would he come into this office to talk the matter over with me. I then tried to reach Priego by phone with no success; then phoned Sugimoto asking her to tell the gentleman I wished him to come in to discuss things; she phoned back shortly thereafter saying Priego would not come in and would not talk about the matter. Mrs Sugimoto told me she would be satisfied with a return of any portion of this money, as she and her family of 2 children and husband (Frank Sugimoto, an alien) are departing this community early tomorrow 3/29/42 as voluntary evacuees.

ACTION taken: Phoned W.G. Webb, local deputy sheriff, giving him an oral picture of my problem (Priego obviously was taking an unfair position) and asked him what suggestions he might have about changing Priego's mind about ~~the matter~~. Action taken: coming into this office to discuss the matter. Mr Webb asked what hour of today would be convenient for me to see Priego. I said 3 o'clock and sure enough at that hour in he came. Asked him to state his case, which he did, admitting he should pay back some of the money. Had a hard time getting him to say how much, but finally he asked if half, or \$97:50 would be enough. Turned to Mrs Sugimoto, who also had appeared in the meantime, asking if such a sum would be entirely satisfactory to her. She said it certainly would; then wrote out a release which she agreed to hand to Priego this evening. He will give her his check immediately upon arrival home. This closes the only "unpleasant" matter I have had so far.

MEMORANDUM TO: WAR RELOCATION AUTHORITY

SUBJECT: Division of Evacuee Property -  
Mrs. Chizuko Rose Sugiyama  
P O Box 663  
Rocky Ford, Colorado

We enclose a copy of a letter dated September 4, 1942 from the above evacuee and a copy of our reply thereto. We have the following information available in connection with this case:

This evacuee called upon our Hayward, California, field office under date of April 18, 1942 with reference to certain delinquent monthly payments due under a lease between herself as the owner and Messrs. Grossman and Lerman. This lease was terminated to the satisfaction of both parties through the efforts of our Hayward field representative. We subsequently learned that this property is unimproved, is situated in the tire and automobile section of Oakland near 26th Street and Broadway, and that an offer was made for the property of \$2500 a few months ago, which was declined by the evacuee. There is a remote possibility that an offer in excess of the amount due under foreclosure sale can be secured within the next few days, in which event it will be transmitted to you promptly.

We are also enclosing a copy of a notice of trustee's sale and registered mail notice sent by the Security Trust & Savings Bank at San Diego, California, as trustee.

Dear Sir:

I have just received the enclosed "Notice of Trustee's Sale". My husband, George Sugiyama, has been detained by the U.S. government since February 1942. I have been evacuated inland and have no income as my husband was my sole means of support.

Is there anything that can be done by your office to protect me from losing this property until such a time when my husband is released and can take charge of our mutual obligations? Both my husband and I believe in living up to our agreements but we are victims of this dreadful war and when our livelihood is taken from us we can not make payments when they fall due.

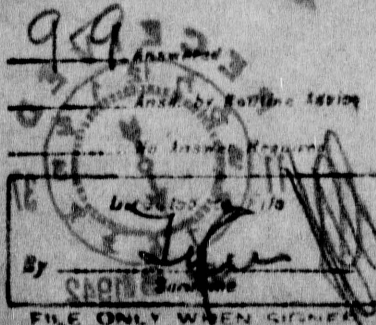

Trusting that there will be a favorable answer from your office, I remain

I. Sugiyama, who has been an insurance broker for 16 years with the California Western States Life Insurance Company, was interned in March of this year, leaving a family of 10 in destitute circumstances, also leaving bills unpaid in the amount of several hundred dollars. Stanley Sugiyama, a son, was given Power of Attorney by his father to draw on his commercial account in the Capital National Bank, amounting to less than \$22.00. The father had drawn advances in the amount of \$358.00 from the Insurance Company, also had borrowed \$300.00 on his son's insurance policy.

Two daughters with monthly incomes of \$80.00 each have been suspended by the State of California. Also, the son has been suspended from a defense job, stopping all possible means of revenue for the family.

Action Taken:

Arranged for relief through Social Service for their requirements until evacuation.

Mr. Levy, attorney for Western States Life Insurance Company, explained Action taken: \* by telephone to Mr. Mahoney that at present rate of commissions on business written and renewals, it would take six months to clear present advances. However, because of his willingness to co-operate, he arranged for a further advance of \$150.00 which was paid to Stanley Sugiyama for clearing up bills. This payment constitutes the only funds available through any source for the family excepting through Social Service.

Dear Sir:

I have just been wondering what necessary steps can be taken regarding the financial embarrassments caused by the shutting off of our family members' incomes and still be able to meet the various drain on our limited family exchequer. Can and will the Federal Reserve Bank and other agencies be in a position to meet these emergencies. Thus far we have no solution to this problem. Perhaps this and other problems may be solved through your office. Our incomes including Dad's (now interned) totalled \$300.<sup>00</sup> monthly but we all lost our jobs by suspensions. The need will be magnified as days go by. Perhaps a solution can be arranged soon.
