Principal property involved and scope of problem:

Don Wilson and Howard Oliver (C.P.C.) interviewed Mr. and Mrs. Haruyo Tamai Involves legal problems of leasing lands by so called citizens-aliens, of which numerous cases have been reported from around the Woodland area. This particular case appears to be one of the most outstanding cases reporting unfair practices

Ralph L. Dunham leased approximately 67 acres to Mr. and Mrs. Tamai for which the latter paid \$670.00 for the first rent - and proceeded to disc and plough. Later Dunham returned to the Tamais and told them that all Japanese citizens would have to move out in two months - and that he, Dunham, wanted the next payment of rent.

Tamai went to George Foster, from the cannery, who told him to go ahead and plow. Also came to Wilson (telephone call) who told Mrs. Tamai that whe was a citizen and that Dunham had no more right to transact business than she had. However, Dunham finally talked the Tamais into giving the land back to him - the former giving them a check for only \$500 - claiming \$170 worth of land

was damaged.

Action taken:*

Wilson and Oliver listened to the case - but the land was finally surrendered, Moreover, Dunham asked for and received both the lease, which Mrs. Tamai signed without having read, and the original receipt for \$670.00. Later Wilson went out to see the land - which theoretically had been damaged to the extent of \$170.00. He was unable to see where any damage had been incurred - Tamai had 30 acres of this disced and plowed

MR. W. A. CHICK

In connection with the lease covering approximately 67 acres of land near the town of Yolo, Yolo Co., entered into by Haruyo Tamai, (lease attached hereto) and Ralph L. Dunham, following are the facts as related to the writer and to Howard Oliver by Mr. and Mrs. Tamai, relative to its final surrender to Mr. Dunham for a cash payment of \$500.

Mrs. Haruyo Tamai is an American citizen of Japanese ancestry but her husband, tho reared in this country since early childhood, is by birth an alien. We desire to explain that the conversation and remarks noted below were addressed to both Mr. and Mrs. Tamai.

As related to us, on or about December 8 or 9, 1941, Dunham came to the Tamai home and asked Tamai what was going to be done and if she were going to farm. Tamai replied if other Japanese continued, she would too. Mr. Dunham returned to his home, but returned on a couple other occasions and asked the same question.

Finally, after a zone was established by Gen. DeWitt, Dunham called again and told Tamai the Woodland paper had stated Japanese citizens and others would have to move out in two months, and brought along the paper to show. He asked Tamai what he, and brought along to do if he had to move and what about his, Dun-Tamai, was going to do if he had to move and what about his, Dunham's, next payment of rent.

Tamai told Dunham he had not enough money then to spare to pay the balance of rent. Mrs. Tamai then told Dunham that if her husband had to go away, that she is an American and would stay and farm, and that she and Dunham would be partners in the Tomato crop. Dunham said no, that he didn't want to raise Tomatoes. Said he wanted to take the land back now and plant beets and bar-Said he wanted to take the land back now what to do, so to go ley. Tamai told Dunham that he didn't know what to do, so to go ahead and take it. Dunham said he would take it back now and give ahead and take it. Dunham said he would take it back now and give tamai \$500.00 of the \$670.00 which was the first rent payment, claiming he had been damaged \$170.00.

About three days later, Geo. Foster talked with Mr. and Mrs. Tamai and told her to keep on farming. Later, Dunham called the writer one evening on the 'phone, and next day seemed OK and told Tamai they would be able to stay. Came again next day and told Tamai he, Tamai, would have to go and not to plow any more.

Moun

Tamai tried again to plow but Dunham stopped him and told him again that in two months they would be moved. Dunham again asked Tamai who would pay the balance of his rent, and Tamai told him the Government would look after it. Dunham asked Tamai who had said so, and Tamai told him the Cannery (meaning Geo. Foster) had told him to keep on farming and expenses would be paid by the Government or the Cannery if they, the Tamais, were moved out.

When the \$500.00 checked was paid to Mrs. Tamai, which was about a week ago, Dunham told Mr. and Mrs. Tamai he was sorry they had to give up but instructed Mrs. Tamai to sign her name on the Dunham copy of the lease, below something he had already written there. Mrs. Tamai said she did as she was told and did not read what was written. Dunham also asked Mr. and Mrs. Tamai to return him the receipt he had given her for the \$670.00.

The conversation mentioned by Tamai that Mr. Dunham had over the 'phone with the writer was as follows: Dunham began by saying he had an alien on his ranch and that he would probably be moved out. We asked Mr. Dunham if he meant he had a lease with this alien and he stated he did. We then informed him he was entirely wrong in the matter and that the party with whom he had a lease was Mrs. Tamai, an American citizen, with all the legal rights to transact business as he himself had. He then inquired what assurance he had that she would be able to remain and harvest the crop, and we informed him that he had none whatever, but since the section of zone in which his property was located was a restricted area only, we felt sure it might be some time before they would be moved out, and that they might even be allowed to remain and harvest the crop.

Examined the land today and am unable to see where any damage has been incurred. Tamai had 30 acres of this disced and plowed.

> Yours truly, C.P.C.

Dear Sir:

We have received your letter dated September 15, 1942 addressed to the Sacramento City Wharf, Sacramento, California, inquiring with respect to the forwarding of personal properties of various evacuees now resident at Tule Lake War Relocation Project.

We have submitted your inquiry to the local headquarters of the War Relocation Authority, Hotel Whitcomb Building, San Francisco, California, for consideration, and no doubt you will hear from that agency in due course.

Subject: Family No. (13) 14058

Dear Sir:

We are enclosing the Department of Motor Vehicle's Power of Attorney Form No. B-495 to be used in connection with the case of Kuraichi Tamura who has his car stored with us in Tulare and who now wishes to sell it to the Army.

Your letter of June 2nd informed us that Mrs. Tamura signed the pink slip and the conversion form through a power of attorney given to her by her husband. Due to the fact that this power of attorney was previously submitted to the Department of Motor Vehicles with the sale of another car, we now find it necessary to have a new form executed for the sale of this automobile.

Will you kindly turn these forms over to Mrs. Akima Tamura, advising her to forward them to her husband, Kuraichi Tamura, for his signature and to request him to return the same to us in the enclosed envelope as soon as possible?

Yours very truly,

Assistant Cashier.

Mrs. Umeno Tamura Turlock Assembly Center Turlock, California

Dear Mrs. Tamura:

In conversation with Mr. Rossi at the Bank of America yesterday, he advises us that you have now made the following withdrawals from the old Japanese Association account which Association owed your husband \$300 for salary: April 20, \$100; April 25 (2 withdrawals) \$150; total withdrawn, \$250. This means that there is still an amount of \$50 due you or your husband to balance the salary account.

When you called at this Office on April 25, we discussed the account of the Manteca Fertilizer Company against your husband in the amount of \$150. We also discussed the fact that the Company had taken possession of your washing machine and a Morge refrigerator, which is the property of your brother, M. Kamimoto.

We do not remember if we suggested that you use the money withdrawn from the Bank on April 25 to pay off this account and redeem the washing machine and refrigerator. In conversation with Manteca Fertilizer Company yesterday, they advise that they are still holding this equipment. It is now a question of what you would like to have done in the matter. If the refrigerator is your brother's property, no one has a right to hold it as security on a debt owing by your husband. We suggest that you write us by return mail and let us know how you wish to treat this whole matter. Do you wish to pay the account eventually, and if so, in what manner? Do you wish to allow the Hauwashing machine to remain as part payment on the YTH ACCOUNT? Do you wish to have your brother's

Attn: Evacuee Property Department

Gentlemen:

In reference to Mrs. Woneka Tanaka with whom we have corresponded with in regard to property at 537 Cortez in Monterey, copies of which have been sent you, we have the following to report:

4/28/42: Called Mr. Dewar of the Coast Counties Land Title Co. today and he reports that the above wrote him that the property is in the name of a minor son and she claims that at one time or another, the father had been appointed guardien but since that time he has died. Mr. Dewar said he could not find any trace of the guardianship and has written Mrs. Tanaka for further information.

His office is corresponding with her and as soon as it is straightened out, he will advise us.

5/12/42: Mr. Dewar reported that after consultation with Attorney John Thomsen and correspondence with Mrs. Tenaka, it develops that the minor owner of the property, and the family too of course, do not wish to rent or sell the property but merely wish it taken care of, paying taxes, looking after insurance, etc.

Due to the difficulty of having a guardian appointed where meither the minor nor the parents can appear in court, and as the Tanakas merely want the property taken care of, it was lecided by Thomsen and Dewar that the latter would act for Irs. Tanaka, as agent. Dewar reported this morning that he was doing this and sas Mooking after the property according to her instructions.

Dear Mrs. Tanaka:

Mrs. Hill wrote you on April 9th at our suggestion and handed us your reply dated April 11th, about your home at 537 Cortez Street in Monterey which stands in the name of your son, Masaji Tanaka. We would like to know if your son is of age; namely, is he 21 years old or over? We would also like to know whether your house is paid for and if not, whether you have a mortgage on it or contract for its purchase and with whom such obligation is.

We consider it very necessary that you do give a lower of Attorney to someone whom you. know and feel that you can trust to look after your property for you during your absence. We would suggest that you name someone in your bank, or your attorney if you have one, or possibly someone in a title company office, or real estate office in Monterey.

We will assist you in any way we can when we hear from you.

My dear Mrs. Tanaka:

I've been asked to write to you to learn what arrangements you have made about your property in Monterey. I refer to the house at 537 Cortez St. which is listed as in the name of your son, Masaji Tanaka.

Did you sign any papers authorizing someone to represent you, as having the power of attorney, to transact business for you?

We are trying to make a survey of the Japanese owned property to make sure that it is all being looked after while the owners are away from their homes.

Please let us know about this as soon as possible.

Wartime Civil Control Administration of the Farm Security Administration 393 South Second Street San Jose, California

Attention: Mr. Charles A. Hearn

Gentlemen:

Subject: 1941 Farmers' Ledger Harry Tanase Route 4. Box 492 San Jose, California

to Holly Suga

During 1941 the above subject alien Japanese produced a crop of sugar beets on property owned by the Capital Company near San Jose. It is assumed that Mr. Tanase furnished his own financing as we were in a position to mail him a check on December 15, 1941, for \$5,323.80.

This check was mailed to Mr. Tanase and held by him for about three months. During this period of time, requests were made to our fieldman suggesting various means whereby Mr. Tanase could realize cash from this check without depositing it in his regular account. We refused to countenance any form of transaction that was not in the regular course of business. Therefore, early in February the check was returned to this office for cancellation and credit to Mr. Tanase's account.

Shortly thereafter a call was received from the law office of Warren Atherton in Stockton asking that we cooperate in settling Mr. Tanase's account. We informed Mr. Atherton that we would be glad to give Mr. Tanase a check for the full amount due him at any time that he was willing to accept same and cash it in the normal manner. On the other hand if there were certain outstanding bills due American citizens which he wished to pay, we would accept an Assignment of Proceeds from Mr. Tanase, pay the bills, and charge his account. Shortly thereafter the following listed Assignment of Proceeds were received and paid on March 9:

James B. Peckham	Grant Building, San Jose	\$323.80
Gladys McCormick	43 N. First Street, San Jose	475.00
George N. Cox	329 Norner Avenue, Palo Alto	350.00
Minnie Singleton	Monterey Road, San Jose	587.50
Adelaide Miller	1590 Sacramento St, San Francisco	585.00
T. Yamada	Route 2, Box 242-A, Brentwood	2,352.50

You will find that this leaves a balance to the credit of Mr. Tanase on our records of \$650.00. It was our understanding when accepting these assignments that the one to Mr. Peckham was in payment of attorney's fees and that all of the others with the exception of the payment to Yamada were initial cash payments on 1942 rent. The payment to Yamada was to cover labor bills that remained unpaid in connection with Tanase's 1941 crop.

Advice has come to us that when it became apparent that the Japanese in coastal areas would be required to evacuate that Mr. Tanase attempted to secure cash payment from the respective landlords for the amount paid against 1942 crop rental. So far as we know, none of the landlords have actually paid Mr. Tanase any of this rental in cash. Subsequent to this move, we are informed that the crops being planted for 1942 were sold to Lobue Farms of San Jose. As a portion of the sale, the cash rental previously paid to the landowners was included as a part of the consideration. We have no definite information as to whether or not Mr. Tanase has been paid for these crops and if so whether it was by check or in cash. We have been further advised that any cash that has been collected for Mr. Tanase's account is being held by Mr. Peckham who appears to be Mr. Tanase's attorney.

So far as we are concerned, Mr. Tanase is a generally licensed alien and is entitled to the entire amount due him for his 1941 crop of sugar beets. In view of the maneuvers that have taken place, however, we wish to have clearance through your office so that a final payment may be made of the \$650.00 now standing as a credit to his account.

This letter is being written to you upon the suggestion of Mr. Leland Weeks of your Stockton branch. Should you require further information from us, kindly advise.

Yours truly,

HOLLY SUGAR CORPORATION

Attention: Mr. Edward David.

Dear Sirs:

Following your 'phone conversation with our representative, Mr. Gray, on last Saturday, relative to a fish net turned over to your firm by Tom Tanashita, we are desirous of ascertaining the facts in connection with your handling this fishing net so turned over to you.

It is our understanding that this net was purchased by Mr. Tanashita and that you loaned approximately \$3,800.00 on the net, of which about \$2,000.00 was paid off, leaving a balance of about \$1,800.00. Furthermore, that when Mr. Tanashita discontinued his fishing operations, the net was turned over to your firm for sale; and that you have since sold this net for \$3,000.00, and have paid over to Mr. Tanashita the difference between the balance of the loan and the sale price, or approximately \$1,200.00.

We will appreciate your giving us the details of this transaction with dates of the negotiations and sale, together with any other information that you might have.

Yours very truly

Assistant Cashier.

Mrs. Floyd telephoned the writer that the Japanese have been writing her letters about sending part of the crop money. She wrote them she had \$117.00 in the bank, their share so far. However, another letter just received makes her somewhat disturbed. So she tells the writer it's a long way to the bank and besides there is some outstanding cash due for berries and she intends to wait until all the crop is harvested and all collections are made. She is going to write them to this effect.

Action taken:*

We suggested Mrs. Floyd send a copy of the letter to our office for our file.

Dear Sirs:

Reference is made to your letter of June 6, 1942, making inquiry about the property of T. Tanaka.

Our local files disclose nothing concerning the whereabouts of this man or anything which would indicate a disposition of his property. Further, we do not appear to have any information that would indicate he is a blocked national.

However, a copy of your letter, together with this reply, are going forward to our Portland Branch with the thought that they may be able to supply further information.

If the subject is an internee, his affairs would probably come under the jurisdiction of the Alian Property Custodian, whose address is 315 Montgomery Street, San Francisco. If an evacuee, we recognize certain responsibility in connection with his property. Information is furnished that evacuees have lost none of their civil rights nor responsibilities by virtue of evacuation.

REFERRED BY H. D. ARMSTRONG

Evacuee Property Officer Transportation Section Federal Reserve Bank San Francisco, California

Dear Sir:

Two months ago I put in a request with the Evacuee Property Officer here at Heart Mountain to have our property investigated which is located at the Edison Hotel, 129 East 4th Street, Los Angeles, California, but as yet have received no word regarding it. Therefore, I am writing to you asking that you please have your Los Angeles representative see if he can find out anything for me.

I have been informed that the evacuee owner of this hotel is contemplating selling this hotel and although he has long left this center, his friend advised us to contact you and have our property identified and shipped to this project. I have also been informed that this hotel has changed hands several times since last May when we stored our property there.

Although I am not sure my name is on the two trunks stored at the Edison Hotel, the descriptions are as follows: One is a small flat trunk, khaki-color with boards running lengthwise and across, the upper half containing American clothes and the lower half consisting of Japanese kimonos. It can be quickly identified as it contains a man's three-piece grey suit. It may have Japanese stickers on it as it was taken to Japan about ten years ago.

The other is brown in color and contains school books, chemical supplies such as beakers, test tubes, etc.

We are very anxious to have these trunks shipped to us as soon as possible as one contains our needed winter clothing and the other books that my brother will use when he attends school this coming September. Therefore, anything you can do will be greatly appreciated and if there are any expenses involved, please let me know.

Yours wary truly

Mr. Kei Tanahashi 1417 R Street Lincoln, Nebraska

Dear Sir:

Reference is made to your letter dated October 22, 1942 inquiring as to the availability of information on the relocating of Japanese-American evacuees for thesis purposes.

While this bank performed services on behalf of evacues of Japanese ancestry during the course of evacuation operations from the Pacific Coast states, they were rendered under the direction of the Wartime Civil Control Administration, which was comprised of a number of different agencies, including this bank.

We are now in the course of preparing a report to the Wartime Civil Control Administration which is the operating arm of the Civil Affairs Division of the Western Defense Command and Fourth Army. The other agencies involved are likewise preparing reports.

Under these circumstances we believe the information you desire will not yet be available. We would suggest, however, that you keep in touch with the Information Section of the Wartime Civil Control Administration, Whitcomb Hotel Building, San Francisco, California, which would be the source for such data as you may desire.

Very truly yours,

Assistant Cashier

October 22,1942

Federal Reserve Bank of San Francisco, California

Dear Sirs:

May I have a few minutes of your precious time to request some information ? Prior to the evacuation of the Japanese from the West Coast I was a resident of Los Angeles, California. After being evacuated to the Heart Mountain Relocation Center I was fortunate to be granted a leave to attend the University of Nebraska. I am in the Graduate College working for a master's degree in business administration.

The title of my thesis is "The Economic Aspects of the Evacuation of the Japanese from the West Coast". In view of the fact that the Federal Reserve Bank handled much of the business transactions of the evacuee Japanese, I wonder if you could send me any literature, bulletin, reports, and other related materials in regards to this. It is my desire to make a comprehensive and intelligent study from an ecoromic standpoint.

If there are any charges for the material I will gladly remit the costs. Thanking you kindly.

Yours truly,

Kei Tanahashi.

Dear Sir:

I am the legally appointed guardian of the Estates of Masaye Tange and Fumitoshi Tange; minors, being No. 14952, Department 3 of the Superior Court of the County of Sacramento.

For the past several years the estate has been unable to pay anything on the principal and has been in arrears on interest payments since last December to Mr. Harold W. Robinson.

Due to the present war conditions and the enforced evacuation orders already issued and other orders to be issued, I feel that it will be totally impossible for this estate or myself personally to continue payment on this obligation.

I feel that for the best interests of the estate that the property be made the subject of a foreclosure and any sum over and above foreclosure sale after deduction of interest of \$240.00 and any other expenses paid by the party foreclosing, shall be payable to the Estates of Masaye and Fumitoshi Tange.

Guardian of the Estates of Masaye Tange and Fumitoshi Tange

I hereby certify that I have been the attorney for Masao Tange and the Estates of Masaye Tange and Fumitoshi Tange and that the foregoing facts are known to me personally and I feel that it is for the best interests of this estate that the foregoing plan be adopted.

We are asking Mr. Ruppert to contact you and we hope that he can be of assistance.

Dear Sir:

I'm writing to thank you for bringing the Singer Sewing machine key to my mother. You can't imagine how very thankful she was to you---it was a worry to her for she was positive she had left it opened in her rush of packing.

The next time, you're here at the Center, I hope you'll look the big daughter up--if you have a few minutes to spare--for I'd love to find your name out. I'm a stenographer in the Administration building under Mr. C. Clark--who's a swell boss! We girls all enjoy it--and are glad we came with the first group of volunteer workers.

We find things here very pleasant--in time we'll build it up to a wonderful organized town--I hope! (But me, I'm only a little girl--so what can I do? Well--I'll do my best at typing--need a lot of practice even at this.)

Thanking you very much.

July 21, 1942

Mr. Tom J. Taniguchi 7-133-E Stockton Assembly Center Stockton, California

Dear Mr. Taniguchi:

with reference to your request that we inquire in your behalf into the matter of freight charges, both eastern and local, as applying to your purchase of sound equipment from Walter G. Preddey, of San Francisco, which equipment is now on storage with Pacific Storage Company at Stockton, we have been given the following information:

Sales Manager Bemis, of Walter G. Preddey, states that you paid \$60.00 in advance to apply on freight charges from factory to San Francisco. This amount of \$60.00, he states, was placed to the credit of your account, and against this credit will be shown the charges covering the actual freight paid by them as the shipments making up your order were received by them from the factory. We suggest that you gather together all of Ir. Freddey's invoices and statements covering this purchase to see if all charges and credits applying to freight charges are clearly set up on the account.

Mr. Bemis states that he is investigating the matter of the twelve empty reels and will write you direct regarding them.

Pacific Storage Company's charges of June 4, 8.50 and June 12, 8.16 were for freight charges from San Francisco to Stockton paid by them to Southern Pacific Company, your order having come forward in two shipments from San Francisco.

The writer will be glad to assist you by checking over your invoices and statements with you at the Center next Thursday morning, if you so desire.

WGGG ATOr Mr. Everson. Please attach to report of 6/30/42)

My dear Mr. Molter:

This is in regards to our storage which is now in care of the government, stored at Livoti's Warehouse in Roseville, California.

As you probably know, we at Walerga will soon be departing for Tulelake -- the War Relocation Center -- our family scheduled to leave on the 24th.

We would like to know when it will be possible to have our stored goods sent to us as we will be in dire need of our winter clothes--having none with us on hand.

We thank and appreciate your kindly consideration of anything you may be able to do.

Tacramarlo office Federal Reserve Bank, c/o W.C.C.A. 1330 J Street Sacramento, California Dear Sir: I'm writing to thank you for bringing the Singer Sewing machine key to my mother. You can't imagine how very thankful she was to you --- it was a worry to her for she was positive she had left it opened in her rush of packing. The next time, you're here at the Center, I hope you'll look the big daughter up--if you have a few minutes to spare -- for I'd love to find your name out. I'm a stenographer in the Administration Building under Mr. C. Clark-who's a swell boss: We girls all enjoy it -- and are glad we came with the first group of volunteer workers. We find things here very pleasant -- in time we'll build it up to a wonderful organized town--I hope! (But me, I'm only a little girl -- so what can I do? Well--I'll do my best at typing--need a lot of practice even at this.) Thanking you very much. Sincerely. Sara Tanigawa Block 1 - Barrack 4, (signed)

Dear Sir:

We have received your letter dated November 13, 1942 concerning goods which were stored in the care of this bank at Vacaville at the time of your evacuation.

All of the warehouses containing goods of evacues have now been transferred to the War Relocation Authority which has sole jurisdiction over the matter of forwarding property of evacues to them.

In view of this fact we have transmitted a copy of your letter to the headquarters of that agency in the Whitcomb Hotel Building, San Francisco, in order that they may be informed of your desire. No doubt you will hear from the War Relocation Authority in due course.

Subsequent to above dictation your representative telephoned to Mr. Berden of the San Francisco office for advice. Mr. Borden governo. very kindly contacted Mr. Powell, the atterney in the matter above referred to, and then telephoned this office stating that he had advised Mr. Powell that he saw no reason why, from enemal, the standpoint of the Federal Reserve Bank, the money could not be legally paid. Your representative then communicated with Mr. Davis, who is advising Mr. Tanaguchi and suggested that he contact Mr. Powell with the idea that the payment would be forthcoming and the matter closed. Mr. Davis also advised that he went with applicant to the American Trust Company, where he opened a checking account and deposited the larger portion of his cash on person.

iontha 3 d orthod week Happel Rw Hight Rees of Persons dealing with

Federal Reserve Bank 400 Sansome Street San Francisco, California

Subject: Investigation of Activities of Persons dealing with

Evacuees.

Gentlemen:

I have encountered one case which in my opinion demands some inquiry as to the good faith of people dealing with the evacuee.

The property involved consists of two apple dryers; one located at Route 3 Box 773, Sebastopol, and belonging to one, Jim Shiichi Taniguchi, whose wife Ayami has power of attorney (Jim Shiichi Taniguchi is interned); the second belonging to Walter Mikae Tahiguchi estate, whose property is in the names of his three minor children, Hiroshi, Kumiko, and Mikio, and whose legal guardian is Mr. Kedo, attorney, of 1623 Webster Street, San Francisco, California.

It is my understanding that both apple dryers have been put into the hands of a Mr. Hart and Mr. Hotle of Sebastopol, California. I have read the lease covering the Jim Shiichi Taniguchi dryer, which consists of a short agreement calling for a payment of 50 per cent of the profit after all expenses and operating costs are deducted. The instrument is very improperly drawn, and calls for no period of accounting or other provisions pertaining to the protections of the evacuee.

It is also my understanding that Mr. Hart and Mr. Hotle called on the Taniguchis while they were being detained by the imigration authorities in San Francisco, getting these papers signed by them at that time. The wifes of both of the Taniguchis have called at this office, and have assured me they trust Mr. Hart and Mr. Hotle, and do not wish to have the papers re-drawn.

Various citizens of their community have called my attention to these contracts, in that they vary so radically from the generally accepted leases of apple dryers in or around the community of Sebastopol.

 Santa Rosa, California

Mr. Saburo Kido, 1623 Webster Street, San Francisco, California

Dear Sir:

Mr. Otani, who will deliver this note to you, will also endeavor to explain the situation regarding the lease of the Tanguchi dryers. This office is quite concerned regarding this property and feel that your presence here for a short time will be necessary to get all details ironed out so that the property will be fully protected.

I realize you are no doubt very busy, but we feel this matter requires imediate attention and will appreciate your making every effort to come to this office. Please inform Mr. Otani as to the probable time you can get away and we will arrange any time to suit your convenience.

Thanking you, I am

REFERRED BY MR. H. D. ARMSTRONG SEP - 9 1942

Mr. T. J. Taniguchi 7-133-3 Stockton Assembly Center Stockton, California

Dear Mr. Taniguchi:

We quote below the letter of Walter G. Preddey, San Francisco, who wrote us under date of August 26 regarding your request for reimbursement of San Francisco-Stockton freight charges charged to you for sound equipment new stored locally with Pacific Storage Company. The letter follows:

"Mr. L. S. Weeks, Field Representative Federal Reserve Bank of S.F. Stockton, California

Dear Sir: In reply to your letter of July 30- please excuse the delay in replying, but the writer has been away on a vacation.

Regarding T.J. Taniguchi- the freight charges covering the delivery of the equipment from San Francisco to Stockton were not included in this transaction. These charges cover the projection equipment which was shipped F.O.B. our office. Had this equipment been shipped from the factory, freight would have been included. On sound equipment we have a definite set figure covering the shipment of this equipment to the job, which is set up by the factory. We trust this will explain this transaction, and we assure you that this is entirely in accordance with our original proposal.

> Very truly yours, (signed) malter G. Preddey

If this is still at variance with your understanding we suggest your communicating with Mr. Bemis direct. However, the policy as outlined by them is in accordance with the policies of other companies in respect to freight charges on direct rectory shipments as against reshipments after arrival of the scools at the coast warehouse of the jobber or distributor.

Dear Fr. Taniguchi:

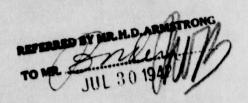

Referring to our recent conversation at the Center, we have written to Mr. R. O. Bemis, manager of Walter C. Freddey, San Francisco, with respect to San Francisco-Stockton freight charges amounting to \$10.60 which have been paid for your account by Facific Storage Company. We have asked Mr. Bemis to write you direct in orderto clear up any misunderstanding in the matter.

Wr. R. C. Bemis, Nanager, Walter C. Freddey 187 Golden Gate Avenue San Francisco, California

Subject: T. J. Taniguchi

Dear Mr. Bemis:

All of the sound equipment on the Taniguchi order is reported to have been received at Pacific Storage Company, where it is being warehoused with the intention of finally re-shipping it to a Relocation Center.

The Pacific Storage Company has charged Mr. Taniguchi for freight charges paid to Southern Facific Company covering delivery from San Francisco to Stockton in amount of \$16.56. This is an item which Mr. Taniguchi believes to have been included in the figure of \$60.00 which, he states, was paid to you in advance to cover all freight charges from factory to Stockton. Therefore, he believes that the above local charges of \$16.66 should be paid by your office and not by him.

Mr. Taniguchi has requested us to submit this matter to you in connection with the efforts of this bank to be of assistance to Japanese in the arrangement of their property affairs pending evacuation to Centers.

Since there may be some degree of misunderstanding in the matter, may we suggest that you write Mr. Taniguchi at 7-133-E, Stockton Assembly Center, and send us a copy of your letter?

Very sincerely yours,

Gentlemen:

Mr. K. Tanioka of Route 2 Box 528, Merced, California was in this office this morning inquiring about a payment on his 1941 walnut crop. He states that he sold the crop through you and received 65% of the amount due as down payment. Since that time he states he has not resieved further payment although some of his neighbors who also belong to your organization have received additional payments. He states that he wrote you some time back about it but did not recieve an answer to his inquiry.

If you have any information in your files in regards this case I would appreciate hearing from you.

Taoka was in here again this afternoon and naturally wants to know what can be done. Caressi seemed worried about Taoka's case on account of the very small income. He wanted me to notify Taoka that the local branch there in Hollister thought they had a good tenant there to plant corn, if he were willing and I am so telling Taoka in the office this afternoon.

Action taken: * Have arranged for permit for Taoka to go over to San Jose and talk to Caressi.
