Principal property involved and scope of problem: ~~G. Nishi~~ G. Nishi is a niece of S. Uchiyama. She is an American citizen, born in Calif. and never left. G. Nishi came in to get a travel permit to go to San Jose and see her uncle in order to straighten out his affairs. S. Uchiyama lives in San Jose on about 30 acres of farm land.

G. Nishi has P. of A. for R. Tazumi who owned a dry good store at 103 Lake Street in Salinas. Tazumi is a Japanese and is now in custody. Property is in name of K. Tazumi, a minor son who is now in Visalia. This property is clear. Mr. Rosendale, atty., is going to take care of this property after Miss Nishi leaves.

S. Uchiyama owes the Salinas National Bank \$3,200, plus interest, which he borrowed against his property. Uchiyama owns a store bldg. and property at 109 Lake Street. Nishi will have her uncle give P. of A. to a responsible person here in Salinas to look after his property here. K. Tazumi, a minor son who is 20 years old, cannot give P. of A. and must have a guardian appointed. Rosendale will attend to this. The Salinas National Bank will look after this property if it is offered to them.

Action taken:*

Arranged with Rosendale, Tazumi's lawyer, the army representative here and our office in Visalia, Cal. so that Tazumi could get a travel permit to come here and appear in court and have a guardian appointed who will look after the property. His attorney, Rosendale will attend to this as soon as a travel permit can be obtained. The bank thinks there is some equity in both these properties above their interests but as there are a couple of judgements against this family it may be necessary to take legal action to protect the bank and also to help these people. This is something the bank and Rosendale say they will work out.

Dear Sir:

I recieved your letter of May 18 in regards a 1938 Pontiac Sedan belonging to Kay Udo and which was left in your custody for sale. Any deal for the disposal of the automobile that is satisfactory with the evacuee meets with our approval. I note that he said to sell the car for \$400.00. I have no way of ascertaining if this is a fair price not knowing the model or condition of the car. In most instances the Japanese have been able to obtain the average blue book value if the rubber and car is in good condition.

I do not have any prospective purchasers at present however if anyone comes in inquiring about a car I will refer them to you.

May 15, 1942

Mr. A. J. Reid, Field Representative
Evacuee Property Department
Federal Reserve Bank of San Francisco
1006 14th Street
Sacramento, California

Dear Mr. Reid:

Your letter of May 7 explaining the Frank M. Uda vs. Ray Rios case has been received.

Mr. Rios came to our office and verified the facts set forth in your letter. He explained the transaction for negotiation of the new loan of \$372.00 from First Industrial Loan on the 1941 Chevrolet. Finance companies were unwilling to grant a loan to a Japanese, especially a default case. To expedite financing, Uda voluntarily transferred title to Rios. Inasmuch as Uda wanted to avoid evacuation orders and depart quickly to Sacramento, Rios agreed to use his name and gave Uda his 1935 Chevrolet.

The tentative agreement then was exchange of the 1935 Chevrolet for the equity in the 1941 Chevrolet over and above the \$372.00 lien, which netted the \$300.00 in cash plus the \$267.00 Uda gave Rios, permitted the liquidation of \$567.00 lien held by Mitchell Finance Company.

Rios has written Uda to advise if he is now willing to complete the exchange, or cause full discharge of the lien and return of 1941 Chevrolet and adjustment for use of 1935 Chevrolet. There is on deposit at California Bank, Townsend and First Street Branch, Los Angeles, under account No. 31622, Dolores Rios, Trustee for Oliva Rios, \$362.00. The \$10.00 difference in the amount Uda sent Rios covered cost of clutch repairs. This should permit the two parties to voluntarily settle.

Yours very truly,

Assistant Manager

Normally speaking, we have requested our field offices to contact us in problems requiring a reference to areas outside the Head Office zone. However, in view of the fact that he has already written you, and the evacuee, Frank M. Uda, is soon to leave, we would appreciate an answer.

Sacramento Office

1006 Fourteenth Street
Sacramento, California
May 7, 1942

Federal Reserve Bank of San Francisco
Evacuee Property Department
Los Angeles, California

Dear Sirs:

A young Japanese man was in our office today with a rather complicated property problem. His name is Frank W. Uda, present address P. O. Box 338, Courtland, California.

He is (or was) the owner of a 1941 Chevrolet Special DeLuxe Sedan. This car and a 1938 Chevrolet 1½-ton truck were pledged as additional security for a \$1900.00 loan on an Allis Chalmers tractor. The Mitchell Finance Company at Figuerora and Olympic Streets in Los Angeles made this loan.

About March 18, 1942, Uda took the tractor to Mitchell Finance Company with instructions to sell it. On March 23, he came to Sacramento in his truck and left the 1941 Chevrolet at his home, 1021 A West 165th Street, Gardena. He returned to Gardena on March 26 to find that Mitchell Finance Company had repossessed the '41 Chevrolet Sedan.

Uda called on the Federal Reserve Bank in Los Angeles on March 30. He talked to Mr. Linquist (not sure of spelling) who telephoned Mitchell Finance Company about this matter.

About two weeks later, Mitchell Finance Company sold the tractor for \$1500.00, deducted \$20.00 for delivering the tractor and \$148.00 commission. The remainder of the selling price, or \$1332.00, was applied on their large note, leaving an unpaid balance of \$567.00.

About April 15, Uda gave \$267.00 to Ray Rios, a former employee, living at 208 Chesabrug Lane (not sure of spelling), Los Angeles. This address is said to be near Evergreen Cemetery. After giving this money to Rios, Uda went with him to a finance company on Spring Street just north of the Federal Reserve Bank where Rios borrowed \$300.00 on the car, which, with the \$267.00 Uda had given him, paid Mitchell Finance Company in full.

May 7, 1942

Uda appears uncertain how it was possible for Rios to borrow on Uda's car but we have assumed that Uda cooperated to give the transaction the appearance of a sale to Rios. When this had been done, Rios took possession of the car and Uda returned to Sacramento in Rios's 1935 Chevrolet Sedan with the understanding Rios would return Uda's car and pick up his own when the car had been cleared.

Some time after returning to this neighborhood, Uda received the ownership certificate to his truck from the Motor Vehicle Department. On April 23, Uda sent money orders totaling \$372.00 to Rios to clear his loan on the 1941 Chevrolet Sedan. On April 25, Uda telephoned Rios at the City Market in Los Angeles and Rios admitted receiving the money. Rios stated "Everything will be O.K." Uda has written Rios four letters since that time and has had no response from him.

Will you endeavor to contact Mr. Rios with a view to concluding this matter.

Yours very truly,

A. J. Reid

Subject: Kay Udo

Dear Mr. Johnson:

On May 19 you wrote to us concerning the matter of disposing of a 1938 Pontiac Sedan for Kay Udo.

Since hearing from you, Udo has authorized us to sell this car for \$350.00 instead of \$400.00 which he ~~wanted~~ *PREVIOUSLY* wanted. In spite of our efforts, we have been unable to dispose of the car for \$350.00. As previously advised, we have a loan of \$269.50 against the car. From our description of the car, one automobile dealer in Fresno estimated the present value at \$250.00.

For about a month before he was evacuated, we tried to get Udo to make his own deal on this car, which he declined to do. The result is that the morning he left for Camp the car was left in our possession and we have made satisfactory storage arrangements.

If you have any suggestions to make as to how and where we can dispose of the car and clean the deal up, please let us know.

Yours very truly

Gentlemen:

Before he was evacuated, Kay Udo left in our custody a 1938 Pontiac Sedan. We are holding a conditional sales contract on this car and the entire contract balance of \$269.50 is due in one payment on November 22, 1942.

Mr. Udo has signed over his registered ownership interest and has authorized us to dispose of the car for \$400.00. Will you please let us know if you have any objection to our negotiating a deal for him on this basis?

If you have any suggestions as to whom we might be able to sell this car, it will be very much appreciated if you would kindly advise us.

Yours very truly,

W. F. Fredine,

Dear Sir:

I recieved your letter of May 18 in regards a 1938 Pontiac Sedan belonging to Kay Udo and which was left in your custody for sale. Any deal for the disposal of the automobile that is satisfactory with the evacuee meets with our approval. I note that he said to sell the car for \$400.00. I have no way of ascertaining if this is a fair price not knowing the model or condition of the car. In most instances the Japanese have been able to obtain the average blue book value if the rubber and car is in good condition.

I do not have any prospective purchasers at present however if anyone comes in inquiring about a car I will refer them to you.

Yours very truly,

Dear Mrs. Perez:

A letter just received from Mrs. Sadako Ueda, address War Relocation Authority, Tule Lake, California, states that her larger house at 301 West Ninth Street, Stockton, is under the care of Mr. and Mrs. Fred Geriodi, to whom she has given Power of Attorney to cover the care of the property, and that she would not wish to rent the house at this time.

This brings us again to the suggestion made a few days ago that a classified ad in the Stockton Record may be of assistance in finding a suitable house for you. The circulation manager of the Record advises that the daily circulation at Stockton Assembly Center is running between 150 and 200 copies.

Wishing you success in your efforts,

Very sincerely yours,

Mr. Laurence I. Hewes, Jr.
Regional Director
Farm Security Administration
30 Van Ness Avenue
San Francisco, California

Dear Sir:

Pursuant to our letter of June 27, 1942, we are referring for your action the following case:

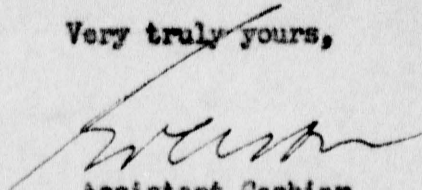

Henry Umino, Route 1, Box 198, Orosi, California, moved to that address from Salinas during the voluntary evacuation period. It appears that subject purchased from a company known as Associated Chemicals of Salinas, some Fertilizer on November 3, 1941.

In February, 1942, Umino notified a Mr. Dickey, member of the chemicals firm, that he could not use the Fertilizer and Mr. Dickey responded that his money would be refunded June 1, 1942 as it was presently tied up in inventory. Additionally, he agreed to deduct an amount approximately 12%, for insurance, storage, etc., all of which was agreed to in the presence of your representative, Mr. Frane.

No payment was received June first so subject's brother, Albert Umino, contacted the legal firm of Sans, Hudson and Perry, of Watsonville. A copy, in part, of their reply and of the Bill of Sale are enclosed. It appears that it is now proposed to deduct 25%, which is not satisfactory to Umino, who is requesting assistance from the Government.

The foregoing was referred to us by your representative in Visalia, Mr. William Hurley, and in conformance with our earlier advices we feel that you will undoubtedly wish to continue jurisdiction over the type of problem this represents.

Very truly yours,

Assistant Cashier

UMINO MOVED INTO ZONE 2 FROM SALINAS. HE HAS A PROBLEM IN ZONE 1, WHICH THE F.S.A. WILL NOT HANDLE.

UMINO BOUGHT FERTILIZER FROM ASSOCIATED CHEMICALS - SALINAS 11-3-41 (COPY OF BILL ATTACHED HERETO). FEB. 1942 HE NOTIFIED ASSOC. CHEM. HE COULD NOT USE THE FERTILIZER. MR. DICKEY A MEMBER OF THE FIRM, AND IN THE PRESENCE OF MR. FRANE, OF THE F.S.A. STATED HE COULD NOT RETURN THE MONEY UNTIL JUNE 1ST, AS HIS MONEY WAS TIED UP IN STOCK, DURING THE WINTER. AT THAT TIME DICKEY VERBALLY AGREED TO CHARGE APPROXIMATELY 12% FOR INSURANCE, STORAGE ETC. FRANE STATED 15% WOULD BE TOO MUCH. UMINO WAS SATISFIED UNDER THE CIRCUMSTANCES.

WHEN HE DID NOT RECEIVE A CHECK JUNE 1ST. HE HAD HIS BROTHER - ALBERT WRITE JANS-HUDSON & PERRY - A LAW FIRM OF WATSONVILLE. A PORTION OF THEIR LETTER, SIGNED BY R.H. HUDSON IS ATTACHED HERETO. THIS FIRM HANDLES ROUTINE MATTERS FOR THEM, WITH A SMALL RETAINER FEE.

IT WOULD SEEM THAT A 25% CHARGE FOR INSURANCE AND STORAGE IS EXHORBITANT. PARTICULARLY IN VIEW OF INCREASED PRICES FOR FERTILIZER & SHORTAGE OF CERTAIN ITEMS.

Action taken: *

THE ABOVE FACTS WERE SUBMITTED TO US BY Wm. HURLEY - FSA AND UMINO. MR. HOLMES AND I DECIDED TO SUBMIT IT TO THE FEDERAL RESERVE BANK FOR ACTION OR SUBMISSION TO THE W.R.A., AS UMINO REQUESTS AID FROM THE GOVERNMENT.

Dear friend Albert:

I received your letter relative to your claim against Associated Chemicals of Salinas, and immediately telephoned to that company, and was advised that your deal had been with Mr. Dickens and that he would call on us regarding the matter. I received your second letter this morning, and shortly thereafter, a Mr. Jones called at my office relative to this matter.

He stated that they did not have any agreement with you whereby they were to return to you the \$1722. advanced by you. He also stated that they would be willing to return to you 75% of the amount of your advance. I stated to them that I had understood that there was a shortage of fertilizer during the spring cropping season, that fertilizer was at a premium and that it was my opinion that they made a profit on this fertilizer. It was their contention that they had been to the expense of storing it and handling it, and that they had ~~some~~ fertilizer left over and that their loss would amount to 25%. I argued the matter with him and he finally left stating that that was their answer. I told him that our answer was that we wanted the full amount of \$1722. and it stands in that way at the present time.

I took the matter up with Mr. Frane and he states that you had called on him regarding this before you left here, and Mr. Dickens had also seen him and he had advised you both to get together on it. This Government office is now closed, and the only remedy would be a lawsuit. I would like to have your instruction and also a statement from you as to just what their agreement was and whether you have any written agreement from Mr. Dickens concerning the return of this money. Kindly write me full information.

Owns Packing shed at San Jose rented to Frank Haruto & Co. of 647 miles St., Los Angeles on seasonal per car of shipping basis, with maximum of 899 = Rent per year. First 100 cars @ 5 = per car and next 133 cars at 3 = per car.

It seems Frank Haruto & Co now doing business as Pacific Growers Marketing Co with Frank Haruto in Concentration Camp and a J.C. Harring having some financial connection with new or reorganized concern. Business was changed over to new name Nov. 28, 1941. Rents have been paid up to date.

want to know if can cancel lease with Frank Haruto & Co.
Action taken: * and make out new lease with Pacific Growers Marketing Co.

Advised if rents paid to date better obtain notice of change of name and continue lease under new name since apparently change of ownership does not actually exist.

Mr. M. J. Richert
c/o Federal Reserve Bank of San Francisco
Sacramento, California Branch Office

Dear Sir:

On May 14, 1942, I came into your office in interest of Jimmie Uno who formerly lived at 421 O Street, Sacramento. I stated that Jimmie Uno had an outstanding bill against a Mr. Clark, Fred W., of West Sacramento. On your last letter, May 23, 1942, you mentioned Mrs. Clark produced a receipt from Mr. Uno, dated April 14, 1942. A \$23.33 balance, with a \$2.00 cash payment on said date, was mentioned about Mr. Clark agreed to pay Uno \$7.33 on June 1 and \$7.00 each month for July and August.

Mr. Uno did not yet hear from Mr. Clark and I wish to hear from him and see what's delaying him from sending the check.

Also on May 14, 1942, I stated in your office that I had an outstanding bill against Mr. Jimmie Uno amounting to \$42.00. I would like Mr. Clark to make the check payable to me which Mr. Uno agreed upon.

Yours truly,

Mr. Clark says he is willing to pay Uno all that is due him. Says Uno phoned him just before evacuation requesting the money due him. Clark offered \$10.00 on account but Uno refused to accept it unless the entire amount was paid.

Mrs. Clark produced a receipted slip showing where she had paid Uno \$2.00 on April 14, 1942, on account and the balance being \$21.33.

Mr. Clark will pay Uno \$7.33 on the first of June, \$7.00 on July 1, and balance of \$7.00 on August 1, 1942. Wants Uno's address so he can pay up as per above stated.

Action taken:*

We agreed to write Uno a letter stating the above arrangement with a copy to Mr. Clark at above address. Mr. Clark will proceed to make payments as per schedule unless Uno insists the amount (\$21.33) is not agreeable.

MEMORANDUM TO: WAR RELOCATION AUTHORITY

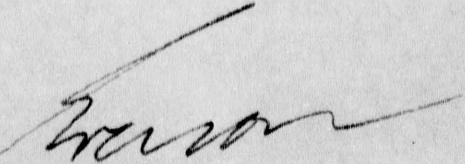

SUBJECT: Property of evacuee stored privately.

We are enclosing a copy of a letter dated October 28, 1942 addressed to our Seattle Branch by an evacuee resident at Minidoka War Relocation Project, Hunt Branch, Twin Falls, Idaho.

Mrs. Uno appears to have certain property in storage with Belkins Moving and Storage Company, Seattle, and has requested that the warehouse company forward it to her. They have refrained from forwarding the goods without obtaining some authorization from the proper agency and have requested approval from us for the proposed property shipment. Our Seattle Branch has informed the warehouse company that this matter is within your jurisdiction.

We are transmitting the letter with the thought that you may desire to communicate with the warehouse company at Twelfth Avenue at Madison, Seattle, and with the evacuee who appears to be in need of the property under discussion.

DATE October 31, 1942

SUBJECT: Evacuee Property Department

Enclosed in duplicate is a copy of a letter dated October 28, 1942, addressed to us by Shigeko Uno (Mrs. Masaru), Hunt Branch, War Relocation Project, Twin Falls, Idaho, with reference to the shipment of personal property stored privately with Bekins Moving & Storage Co., Seattle.

Some time ago a representative of Bekins asked us for authorization to make shipment of furniture, etc., which it had stored for Mrs. Uno, and, in response, we advised that we were not in a position to furnish such authorization but that the evacuee probably should obtain a permit from the War Relocation Authority before the goods were shipped. Our suggestion was based on the memorandum of September 9 issued by the Western Defense Command and Fourth Army which was quoted in your letter of September 17. We had in mind particularly paragraphs a.(4) and (7).

Mr. R. T. Symms
Federal Reserve Bank of San Francisco
Seattle, Washington

Dear Sir:

For the last month and a half, I have been negotiating with Bekins Moving & Storage Co., Twelfth Avenue at Madison, Seattle, Washington, for our stored goods to be sent to us immediately.

The stored goods include a crib and winter clothing for our five months old baby. Bekins insist that they must have a release permit from WRA Authorities in San Francisco. I quote their letter:

"Before we are allowed to ship your goods to you, it will be necessary for you to obtain a permit from the Relocation Authority. We have received this advice from Mr. R. T. Symms of the Federal Reserve Bank of Seattle."

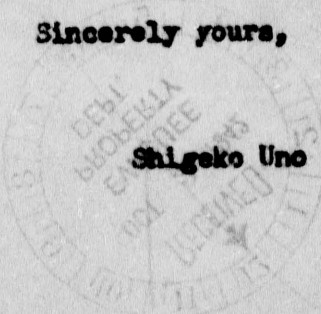

WRA Authorities of this project have stated that no release permit is needed as our goods are privately-stored goods. We are American citizens and we have paid six months advance storage rates which is until October 29th. Now, because of this technical delay, Bekins will probably send us another monthly statement. I think that we should not be charged. Last Monday, October 20th, we received definite statements from WRA authorities that our goods should be released and letters to that effect had been sent both by the Project Director and myself to Bekins.

But, last Friday, when Rev. Emery Andrews of the Seattle Japanese Baptist Church went to Bekins warehouse to pick up our baby's crib, Bekins refused to release it, saying that they must have a permit from San Francisco. Rev. Andrews arrived here yesterday, without the crib. Now, we must pay extra freight charges and storage charges because of this. In the meantime our infant must sleep on the army cot which is dangerous as there are no protections on it.

Your immediate attention on this matter will be greatly appreciated.

Sincerely yours,

Shigeo Uno (Mrs. Masaru)

Mr. W. C. Holmes, Field Representative
Federal Reserve Bank of San Francisco
Evacuee Property Department
500 North Garden Street
Visalia, California

Dear Sir:

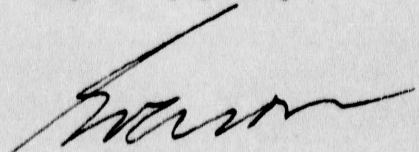

Reference is made to your interview of June 6, 1942
with Uota Brothers of Ivanhoe.

We note that a price of 6¢ per pound has been placed
as the agreeable level for hundred-pound sacks of rice in their
possession. It is our impression that the going market for
first quality rice today is substantially above that level, and
while we do not profess to be experts on that subject, we wish
to advise you that several sales have been made through this
office to various Army Quartermaster Depots at a figure approx-
imating \$6.80 per cwt.

It is our understanding that the wholesale bid is
approximately \$6.50 today and the retail price is somewhere
between \$7.25 and \$7.50.

This is being called to your attention as a matter of
information only, with the thought that you may desire to inform
Uota Brothers that higher prices than those indicated are
apparently current.

Very truly yours,

Assistant Cashier

Applicant states that he has bank accounts, both savings and checking, at Bank of America, Berkeley, and that he had intended to draw out of them all his funds and carry the money on his person.

Also, that he has life insurance policy, which he wants to know if the government would keep up the payments for him.

Also, that he take with him in cash only a reasonable amount of money as a matter of precaution and safety, and also whatever money he takes he allow his wife to carry half of it. Also, that he immediately arrange with his insurance company for premium now due and to provide for future payments of premiums through his checking account.

MEMORANDUM TO: E. R. Fryer,
Regional Director,
War Relocation Authority

SUBJECT: Baggage of Japanese evacuees - Shigiharu Urabe

Reference is made to your memorandum dated June 10, 1942, relating to the above named evacuee, stating that no objection has been raised to the compliance by the Federal Reserve Bank of San Francisco, with the request that his baggage be forwarded to him at Stockton Assembly Center.

We have so advised our Stockton Field Representative, who is making arrangements to have the baggage forwarded to Mr. Urabe, as requested.

Subject: Shigharu Urabe, Family No. 25828
Block 3, Barrack 149, Apt. B
Stockton Assembly Center

Dear Mr. Weeks:

Reference is made to the letter addressed to you by Mr. Mundell, Manager of the Stockton Assembly Center, under date of June 3, 1942, requesting that the bed roll and two suit cases of this evacuee, held at the Stockton warehouse, be surrendered to him at the Assembly Center.

Inasmuch as the goods in question are of a type which should probably not have been stored with us in the first instance, being that required for use by the evacuee at the Assembly Center, when we passed the request on to the War Relocation Authority for consideration, that Authority concluded that they would not object to our compliance with the evacuee's request.

Under these circumstances, we feel that it will be in order to arrange for the delivery of these goods to the evacuee, who should understand, however, that this is at variance from our general rule, and it should be made clear that this is not a precedent to be followed in other similar cases.

The personal property form (WCCA Form FRB-2) which we are holding in this office in connection with the above, shows that the three packages constitute all of the property of this evacuee received by us. Incidentally, the location of this property in the warehouse is not shown on the form, but we feel sure you will have no difficulty in locating it by reference to the name and family number. This property was received in the Stockton evacuation.

We observe from your letter dated June 12, 1942 that Mr. Urabe has already returned to you his copy of WCCA Form FRB-2, which should, of course, be forwarded on to this office.

Kindly obtain a receipt from the evacuee acknowledging delivery of the goods to him, for the completion of our records.

Yours very truly,

Armstrong:gh

MEMORANDUM TO: Mr. Milton Eisenhower,
Director, War Relocation Authority.

SUBJECT: Property of evacuees stored with
Federal Reserve Bank of San Francisco.

Enclosed is a copy of a letter addressed to our Stockton Field Representative under date of June 3, 1942, relating to a request that a bedroll and two suit cases stored with us at Stockton be delivered to an evacuee named Shigiharu Urabe at Stockton Assembly Center.

This request is slightly different from those previously forwarded for your consideration in view of the fact that it concerns goods which were given to us for storage, but which should probably not even have been stored inasmuch as the goods are those which would be required for use by the evacuee at the Assembly Center.

Under these circumstances we would see no objection to our complying with this request, if you are in accord.

SUPPLEMENTING REPORT #116 DATED JUNE 25

Principal property involved and scope of problem: Mrs. Huber telephoned July 7th that she had bought cooling system from Marie's Shop, and to whom should she make check payable. Instructed her to send it to Commercial Credit Co Fresno. She also wrote letter referring to cancellation of Marie Uyama's contract. She called last evening, saying they gave credit but did not close the account.

I called Marie this morning, and found she was to pay Mrs. Huber back the \$45.00 and intended to take cooler to Re-location Project with her other equipment. As War Re-location Authority had advised her it could be shipped and rented to The Co-operative Association at the Project.

Mrs. Huber came to the office, saying she did this to help Marie, that the Commercial Credit, should cancel regardless of who paid the \$45.00

Action taken: * That she had helped Marie by making future payments for her, but it did not relieve Marie's obligation to pay the balance. She could keep the cooler herself or resell it, but Marie would have to be completely out of it, in order to cancel contract. That the Federal Reserve could not be a party to any other arrangement. It was a long but good-natured discussion called Commercial Credit, giving facts. They agreed to cancel on legitimate sale.

See reports 4/1, 4/14

Principal property involved and scope of problem:

All affairs arranged with possibly one "hangover" which appears to be certain to end well.
Subject sold seed-buyer, George Covert of Tracy (phone 799), a bill of 195 lbs. Imperator carrot seeds, amount \$487.50, unpaid balance promised May 1, 1942, \$287.50. Subject comes to us worried about payment.

Action taken:*

Called Mr. Covert, who appears to be reliable. He states that this seed, not being of a brand not subject to question in the way of actual development in the seed bed, such as Ferry-Morris, was really from a job lot in a clean-up by Subject. It will require some time to develop. This is only way he can check quality as represented by Subject. He desires this proof because of good price offered. Therefore, arranged for him to deposit \$287.50 now in virtual escrow with Bank of America, Tracy, requesting them to send us notice of terms of deposit as made.

Dear Mr. Reid,

Thank you very much for assisting me with the advice. I am appreciating very much for your kindness.

I was looking for the person who would be suitable for renting our store, but as yet I cannot find anybody.

If you know anybody who is interested in renting my store, please, let me know.

I have sold quite a bit of the stock already, but the fixtures I have are very hard to sell because I can't find anybody who is interested in it.

If I can't find anybody who would like to rent my store, I am planning to bar up all the windows and doors, and ask my neighboring friend to watch it during my absence.

Gentlemen:

I am now renting my house - furnished - on a two year lease through Henry Broderick, Inc., Second Ave. & Cherry, Seattle.

I am having trouble in regard to getting the monthly rental on the house and I would like to know if you could help me. Do you have the authority to take care of such cases for people who were evacuated? If not, please let me know where I could write. I would appreciate your help very much.

My home is located at 1309 - 16th Ave. South, Seattle.
Rented to Mr. Herman Salonen
Lease is dated May 7, 1942. Two year lease.
Monthly rental is \$25.00
Taken care of by Henry Broderick, Inc.
Payments to be made by Herman Salonen to the Collection Dept. of
Washington Mutual Savings Bank, Seattle.

Henry Broderick has collected the first month and last monthly rent at the time of the signing of the lease. However, I have not received any payment since I left Seattle. The June and July payments are due now and the August payment will be due in a few days.

The original plan for payment was that Mr. Herman Salonen was to pay to the Collection Dep't. of the Washington Mutual Bank who would send me a notice to that effect. I have written to Henry Broderick, Inc. and am writing again today. So far, I have received no word from Henry Broderick.

If possible, I would like to have the payments made directly to me at Tulelake at the above address. I would appreciate it if this were taken care of as soon as possible. If you cannot help me, please let me know whom I could contact.

Thank you very much,

Yours truly,

Dear Sir:

Action taken:*

Your advice in the appointment of the real estate firm of Coldwell, Banker & Company as agents in the management of the property, located at 2062 West Thirtieth Street, Los Angeles, California has relieved me of a good deal of concern.

As I had no knowledge of just what should be done nor into whose hands I should entrust the care of the property, your suggestions were greatly appreciated.

I wish to thank you for your kind interest and for the services you have rendered.

Yours very truly,
