We advised him to store this with some friend that he may have.

With reference to the Cleaning and Tailoring Establishment, we have suggested that he discuss this problem with Mr. Gordon MacAuley, of the Sacramento Golden State Laundry Company. We telephoned to Mr. MacAuley and he agreed to go immediately to the store and see Mr. Bunichi. We feel that this problem can be solved in this case.

We talked with Mr. MacAuley as to calling a meeting of three laundry associations which no doubt many of these cases will come up. Mr. MacAuley also agreed to this and advised this.

Mr. Machuley later said that he would not be agreeable to accepting the power of attorney for the reason that most of the suits and dresses held are of long duration, and all mostly left by itimerants in that locality and no doubt Handled by: are scattered to all parts of the country.

INVESTMENT SECURITIES

POTTER VAN COURT

450 RUSS BUILDING SAN FRANCISCO TELEPHONE
GARFIELD 8900

June 8, 1942.

Mr. Joseph C. Tyler, Evacuee Property Department, Federal Reserve Bank, 500 California Street, San Francisco, California.

My dear Joe:

Pursuant to our brief conversation this morning, I would appreciate it if you could present the following situation to the proper people who could give me an answer to this problem.

I am the chairman of the Troop Committee of Troop 9, Berkeley, and at the moment am also the temporary scoutmaster. Two of my scouts are Peter and Jergen Schulz, who live at 2933 Magnolia, Berkeley. As you see, they are almost neighbors of yours. I do not pretend to know the whole history of this situation but I know that Mrs. Ilse Schulz, the boys' mother, lives there with her two boys, and that they came from Germany three or four years ago. The story is that the father was picked up by the Nazis and when they last heard from him he was in a German concentration camp. However, I wish to have you note carefully that this last is only hearsay. Mrs. Schulz appears to be a very superior type of person, and having known the two boys for approximately the last three years, I can assure you I consider them fine boys, and excellent scouts.

We have our scout meeting at the Berkeley Tennis Club on Thursday nights, and normally meet from 7:30 until 9. This troop has a Mothers' Club with occasionally meets with the boys, or at least are at the meetings for the purpose of supplying refreshment or other such attentions after the meeting.

My purpose in writing this letter to you is to find out if it cannot be arranged so that Peter and Jergen can attend the meetings up through the closing ceremony at 9 o'clock, and then, in my custody, go straight to their homes. I make the same 2. Mr. Joseph C. Tyler, 6/8/42.

request for Mrs. Schulz on those evenings when the Mothers' Club meets at the scout meeting.

Any assistance that you can give me in this regard will be deeply appreciated.

With very best regards, and thanking you for your attention in this, I remain

Sincerely yours,

W.

Principal property involved and scope of problem: Wendel Viall of the Salinas Valley Credit Bureau came in because he had an account to collect against the City Fish Market of 33 E. Market, for a client in San Francisco who was a wholesaler. The City Fish Market is owned by David Iwamoto, 7 Lake Street, Salinas, phone 3610, a California born Japanese who has been in here several times in connection with the Buddhist Church but not in connection with his market. It develops that he is disposing of his stock, has a month to month lease and expects to get out in pretty good shape except for some fishing tackle which he will store if he can't sell.

Mr. Viall wanted to know whether we intended to interfere in any way with his collection of accounts and what he should do to get our cooperation.

Action taken:* I telephoned Iwamoto and he said to send Viall over there and he would pay the bill in full at once, which he did. In addition he gave Viall quite a few bills to collect for him from people who now appear to be slow in paying debts owed to Japanese merchants. It was explained to Viall that we didn't want to provent the collection of just debts provided it were done in a reasonable way so as not to cause undue loss or create unnecessary hardships on a Japanese whether a citizen or not, and that we would welcome his help in collecting accounts for these people which they seem unable to get in at the present time due to circumstances over which they have no control.

Dear Sir:

Subject: Ikiro Wada

Reference is made to your letter dated September 17, 1942 regarding the above-named evacuee.

So far as Foreign Funds Control restrictions are concerned, they have no application to American citizens resident in the United States. Such being the case, there would be no prohibition against remitting the \$16, you refer to, to Miss Wada.

Yours very truly,

Assistant Cashier.

Re: IKIRO WADA.

Dear Sirs:

Mrs. C. Bianchini called at my office and informed me that before the Japanese evacuated Ikiro Wada left with her a Mattress to be sold by her and the money to be sent to him. He is a citizen of the United States and he is now at Poston, Arizona. I told her before she sent it I would write to you and make sure that this is alright, so will you kindly let me know if I can send him a check for the \$16.00. The selling price of said Mattress is \$16.00.

Yours sincerely

JOHN T. LEWIS

Dear Madam:

We are in receipt of your letter dated July 11, 1942 inquiring as to the possibility of taking certain equipment and furniture, which you have stored in San Francisco, to Japan in the event of repatriation.

This bank has no jurisdiction in such matters relating to repatriation operations, which we understand are under the control of the State Department.

We have been informed that up to the present time, persons being repatriated have been limited to personal belongings, which would raise some question as to the possibility of being permitted to take equipment and furniture in such a move.

We would suggest that you communicate directly with the Department of State, Division of Repatriation, Washington, D. C., should you desire to pursue this inquiry.

Yours very truly,

ARMSTRONG: ER

Principal property involved and scope of problem:

(See Marysville Memo of May 8, 1942).

Refers to reports of April 7, and April 13, 1942.

This case will not be settled as Mr. Wakayama was quite delinquent and the Bank has served notice. The F.S.A. locally and in the S.F. office is debating whether to block that action. This is the most difficult of all the problems in district and any decisions as to proceedure must be made not by F.R.B. but by F.S.A.

Dear Sir:

Ra: Family No. 25486

We have a letter from S. Wakayama, Block I Bar. 18 Apt. A, Marysville Assembly Center, formerly a resident of Newcastle, California, Civilian Exclusion Order No. 48.

Mis goods are stored in the Charles Livoti Company Warehouse, Roseville, California, location No. 2-14, & 15. He states that we have received one "Coleman Gasoline Heater" which was not crated but marked with his family number and name. Upon rechecking our "way bill check list", we find a heater listed but on our copy of FRB-2 it was checked off against a gas range.

If you will recheck the goods stored for this family to verify whether or not we have received the heater, we would appreciate it.

Mr. Wakayama left at evacuation time with instructions to Mr. Flannery, newly appointed guardian, to sell for \$9,000.00. Mr. Flannery sold ranch to Mr. Eugene Montna for that price plus certain expenses to be paid by Mr. Montna, plus assumption of debt to Decker Jewett Bank in liquidation. This netted Mr. Wakayama about \$2000. The court approved sale as the price was within 90% of value placed by court appraiser. Mr. Wakayama retains farm equipment, the holding or disposal of which by Mr. Saunders is arranged for. The deal netted for Mr. Wakayama \$1500 more than seemed possible at one time.

Miss Alice Wake, Route 1, Box 11, Dimuba, California.

Dear Madam:

heference is made to your letter dated July 24, 1942 requesting information regarding the storage and forwarding of personal property of evacuees.

The questions propounded by you concern matters which are primarily within the jurisdiction of the War Relocation Authority rather than of this bank.

As you have undoubtedly been informed, storage facilities for evacuees' goods are provided by this bank at the time controlled evacuation operations occur in a certain locality. Evacuees' goods are picked up by drayage facilities provided by this bank and the goods are placed in storage for the account of the Mar Relocation Authority, who has control over the matter of future disposition of the goods in the warehouse.

The program of that agency is to make available at the relocation areas such of the goods of the evacuees as can appropriately be used there in the light of the circumstances and to cause those goods to be forwarded as soon as possible.

The amount of property which may be taken by an evacues at the time of evacuation and the character of that property is determined by the Exclusion Order issued in each instance.

Civil Control Stations are now in operation at Visalia Municipal Auditorium, Visalia, California, and Reedley Junior College and High School Cymnasium, Reedley, California, where representatives of the Federal Security Agency and Farm Security Administration and of this bank are available for the assistance of evacuees in the settlement of their problems arising incident to the evacuation of persons in your general area. It is suggested that you get in touch with the Control Station which is servicing your zone, where you will be able to obtain the information you request regarding the amount and character of property permitted to be taken by evacues at the time of evacuation, and essistance may be obtained with respect to the other questions propounded by you.

Yours very truly,

Gentlemen:

As I have not been able to secure adequate information concerning covernment storage of evacuee property, I am taking the liberty of inquiring of your department.

Please give me very specific information on the following questions.

- 1. Do you guarantee certain delivery of government stored within a reasonable period of time?
- 2. Will the fact that we are going directly to a relocation center make for a speedier delivery?
- 3. Will the government ship stored articles ssuch as it considers necessary? (small tables and chairs, cabinets small chest of drawers, small refrigerator, washing machine)
- 4. Is there a limit to the size and weight of articles to be stored and shipped?
- 5. At the time of evacuation, will we be allowed to take small pieces of furniture,
- 6. Does the weight limit of 150 pounds of baccage per person include bedding and clothing?

7. If property is stored with the government, will we be able to ask that certain pieces be sent and the remaining pieces stored for the duration, or will the government require that Answered 11 pieces be shipped or none at all?

Mr. Edgar A. Luce, Attorney at Law, San Diego Trust & Savings Building, San Diego, California.

Dear Sir:

Reference is made to your letter dated March 18, 1942 which has come to our attention, in which inquiry is made as to the procedure which might be followed in attempting to collect unpaid rental from a Japanese who has been interned.

It is our thought that you might endeavor to contact the Japanese by correspondence in order to determine whether he is in a position to remit for his rental delinquency, or to learn whether he would be willing to authorize you to make some disposition of the personal property which your client is holding. Perhaps further inquiry will enable you to learn the present address of the Japanese in question.

In the event you should be unsuccessful in working out some satisfactory agreement, it would seem that your legal recourse would be open to you.

We are forwarding a copy of your letter and of our reply to our Los Angeles Branch for its information.

Yours very truly,

Assistant Cashier.

Dear Sir:

We understand that you are in charge of property of enemy aliens in this District.

Our client Mr. George M. Wakeman is the proprietor of the Hotel Monroe, 611 Fifth Avenue, San Diego. A Japanese named Yosomira occupied Rooms 9 and 10 in that building as a shop for the taking and sale of photographs. We are informed that he has been recently picked up by the FBI, and is no longer occupying these rooms.

This man owes Mr. Wakeman a little more than \$200.00 as unpaid rent for these rooms, and when he was taken away left in these rooms photographs and equipment of considerable value.

Naturally Mr. Wakeman is anxious to get his rent, and believes that the property can be sold to pay at least a part of the rent. Will you please let us know what to do with this property, and how the rent can be secured by Mr. Wakeman.

MR. J. C. TYLER, Evacuee Property Department, Montgomery and California Sts., San Francisco, Calif.

Dear Mr. Tyler:

You will recall that voluntarily on Saturday, March 28th, 1942, in accordance with arrangements made by myself, for which the necessary papers were obtained from your Bureau, Mrs. Hatsu Waki left my residence, #4 Presidio Terrace, San Francisco, California, where she had worked as maid for approximately fourteen years, to go to friends of mine, Mr. and Mrs. William B. Wright, at the Seventy-One Ranch, Deeth, Nevada, where she now is.

We have had many letters from her and she is extremely unhappy and lonesome there despite every kindness Mr. and Mrs. Wright are showing to her. None of the employees on the ranch will talk to her; they shun her completely, and as she is a very sensitive person I feel that this unhappiness might bring about a serious illness. The responsibility of this move to Deeth, Nevada, was entirely mine as I felt she would have security and good treatment there for the period of the war, which she does have in fact, but the lonesomeness is something that I am sure she will not be able to bear with for the long period that apparently lies ahead.

For many years she has been identified with the Christian Reformed Japanese Church on Post Street, San Francisco, and, from letters she has written me, I feel would prefer to be placed in Camp with some of her friends. Many of them, temporarily, have gone to Santa Anita; others will be sent there shortly. If it is at all possible for her to join them at their ultimate destination, I will personally defray all necessary expenses.

I will appreciate your suggestions in this matter, and anything that can be done to further this plan.

Dear Madam:

Reference is made to your undated letter inquiring as to the effect of the internment of your husband on insurance policies.

We believe that this fact would not in any way affect insurance policies of your husband and payment on the policies would not be excused.

It is suggested that your best procedure would be to discuss your situation with the insurance companies involved in order to determine whether any arrangements might be made for the continuance of the policies or for the realization of any cash value which might now exist in your favor.

Dear Sir:

Mrs. Sada Watanabe of 325 Brown Street, Sebastopol, brought to this office a letter written by you relative to form TFR-300, series J, which she had filled out and sent in with the date her entry shown on this form as October 17, 1941.

Mrs. Watanabe also brought her passport, and the date stamped thereon is October 17, 1914 as date of entry and Seattle as place of entry. Mrs. Watanabe also states that she has lived continuously in the United States since that date.

She has requested we write you and determine if she may have new TFR-300-J forms to be filled out correctly, notarized, and sent to your office.

An early reply will be appreciated.

Very truly yours,

Field Representative

Father Kirby, secretary to the Bishop of the Catholic Church at Sacramento, called at this office where he showed us a letter from Father Zimmerman of a Catholic Mission at San Francisco requesting that he collect \$2000.00 from Mrs. Umeda and to forward the money to Father Zimmerman where the money would be held by the Mission for Mrs. Watanabe. Father Zimmerman's letter also contained a letter in Japanese directing Mrs. Umeda to turn the money over to Father Kirby.

Action Taken: Mr. & Mrs. Umeda were called into this office where they gave the following information.

Mrs. Watanabe is Mrs. Umeda's mother. Mr. Watanabe, Mrs. Umeda's step-father, was formerly Secretary of the Japanese Chamber of Commerce at San Francisco. He was interned shortly after the war started. Mrs. Watanabe, who had saved the \$2000.00 from moneys given her by her husband, gave the money to her daughter (Mrs. Umeda) about January 1 with the request that she hold it for her until a later time. Mrs. Umeda stated that she was sure that her mother had reported the \$2000.00 to the Federal Reserve Bank (probably on Action taken:* Form TFR 300). Mr. & Mrs. Umeda are American citizens. Both of them were born in Sacramento. In view of the imminence of evacuation, they had requested Mrs. Watanabe to send for the money. Since hirs. Emeda has a savings account at the Bank of America, 6th & we suggested that she obtain a cashier's check drawn to the K Streets, order of Mirs. Toshiye Watanabe which she could give to Father Kirby to forward to mather Zimmerman who in turn would give it to Mrs. Watanabe. We further giastructed Father Kirby, when forwarding the check to Father Zimmerian, to instruct him to make certain that no interest of a blocked national was involved before accepting the money to be held a blocked national was involved before accepting the money to be hold a blocked national was involved before accepting the money to be hold by the Mission for Mrs. Watanabe. Dear Mr. Mahoney:

I have pleasure in enclosing herewith a copy of my letter to Father Zimmerman of San Francisco regarding the cashier's check, No.491598, drawn on the Bank of America, 6th and K Streets, Sacramento, and made payable to Mrs. Toshiye Watanabe.

With best wishes, I am

Sincerely yours,

Rev. THOMAS A. KIRBY

May 2, 1942

Reverend John Zimmerman, S.V.D. 1801 Octavia Street San Francisco, California

Dear Father Zimmerman:

I am in receipt of your letter of April 22 requesting me to collect \$2,000 from Mrs. Yuriko Umeda residing near Perkins and to transfer it to you for Mrs. Watanabe of San Francisco. I immediately contacted Mr. A. J. Reid of the Evacuee Department, Federal Reserve Bank, 1330 J Street, Sacramento, and, subsequently, Mr. William Mahoney, on the matter.

Mrs. Umeda and her husband were asked to come to the WCCA offices here and make a report on the money. Finally, with the approval of the Federal Reserve Bank here, Mrs. Umeda was asked to purchase a Cashier's check at the local branch of the Bank of America, and, in accordance with your instructions, I am enclosing this check, 491598, on the Bank of America, 6th & K Streets Branch, which I have just received from Mrs. Umeda.

Both Mr. Reid and Mr. Mahoney have discovered that Mrs. Watanabe is a divorced woman, and that her present husband is now interned by the Federal Government. Mr. Watanabe, I have been informed, was Secretary of the Japanese Chamber of Commerce and probably his account is blocked; possibly, his wife's is too.

I would advise you, and this has the epproval of the local branch of the Federal Bank, to hand the check to Mrs. Watanabe. Under no circumstances should you accept this check, even though Mrs. Watanabe endorses it over to the Mission. To be perfectly safe and have everything in the clear, I would advise you to determine that no interest of a blocked national is involved and for that reason to contact Mr. R. E. Everson or Mr. H. D. Armstrong at the Federal Reserve Bank of San Francisco,

Reverend John Zimmerman, S.V.D. -2 - May 2, 1942

Evacuee Department, 500 California Street, and make sure that any transfer of these funds is made in accordance with the Presidential order.

I am just passing on this information which I have received from the WCCA offices here. It looks as if there is something suspicious somewhere, and to safeguard the Mission in San Francisco, and everybody concerned, I think you ought to make certain that everything is on the up and up.

With best wishes, I am

Sincerely yours,

Reverend THOMAS A. KIRBY

August 18, 1942

O MA AUG 19 1942

Mr. Frank L. Williams, 233 East Weber Avenue, Stockton, California.

AUG 1 9 1942

Dear Sir:

Reference is made to your letter dated August 14, 1942 addressed to our Stockton representative, Mr. L. S. Weeks, relating to agency agreements affecting certain Japanese family clients now evacuated to the Stockton Assembly Center.

With, of course, the approval of your Japanese clients, we can see no reason why agency agreements could not be prepared and executed, under which you would serve as agents in charge of certain properties and collections and disbursements relating thereto. The aspects referred to in the second paragraph of your letter, dealing with the possiblity of fire damage and repairs, could be incorporated it would seem to us quite readily into the agency agreements above referred to.

We would call your attention to the fact that as agents for your Japanese clients, you would possess only such powers as they themselves possess, with the consequence that if any of them happen to be subject to the restrictions imposed upon blocked nationals under Treasury Department Foreign Funds Control Regulations, such restrictions would also apply to the operations of their agents. In this connection we are enclosing a copy of Executive Order No. 8389, as amended, for your information. We are also enclosing a copy of General License No. 66A.

If the persons involved are either American citizens or qualify as generally licensed nationals within the meaning of the definition contained in General License No. 66A, they would, of course, be able to operate in the same manner as citizens of the United States.

Yours very truly,

Assistant Cashier.

Mr. L. S. Weeks 314 First National Bank Building Stockton, California

Dear Mr. Weeks:

We are insurance and real estate agents, and among our clientele are three Japanese families who are at the present time at the Stockton Assembly Center. We understand that it is the intent of the Federal Government to move these Japanese from Stockton to another location, and we are writing to ask you if it would be advisable, or practical, for us to have these Japanese appoint us as Agents in Charge of their property, with full authority to receive and collect rents, and disburse the same in accordance with their previous instructions for the payment of taxes, loan payments, insurance, upkeep, eto.

Also, the problem which appears to be the most vital is the possibility of damage to the property by fire. It would appear that either ourselves, or some disinterested third party, should be named as Agent or Custodian with full authority to proceed with the repairs to the property in the event it is damaged by fire, and to endorse the Insurance Company's Loss Draft in order to make payment for the repairs. We are aware of the fact that for the most part these Japanese people will be located where it will be possible for us to communicate with them at all times by letter, but sometimes in cases of fire--especially where properties are rented completely furnished -- it is necessary for someone to act immediately and make at least temporary repairs in order that further damage will not result from the elements.

We do not feel that these Japanese people should be asked to give us a Power of Attorney as this would vest too much authority in us, but our thought is to be appointed Agent in Charge of the particular property which we represent for them.

Any information which you can give us will be

Re: Mr. Everson

I received your letter of July 16th, regarding the Motozaki - W. D. Williams matter.

I have contacted Mr. Williams, and he has made an appointment to meet Motozaki, at Tanforan, on Thursday, July 23d, at which time he will try to adjust the difficulty.

Your understanding is correct that Mr. Williams has been withholding \$667.40, pending settlement as to the various kinds of plants he purchased. He has paid the balance owing, other than the \$667.40.

Dear Mrs. Motogaki:

Yesterday our representative, Mr. Gibson, had a meeting with Mr. W. B. Williams and Judge Norris in the latter's offices in Centerville regarding certain sums of money due you from Mr. Williams and not yet paid.

The matter was thoroughly gone over and it seems that Mr. Williams feels he should be entitled to some rebate from the cost price of \$667.40 covering certain cauliflower plants sold by you to him.

Mr. Williams has definitely stated that he will go to Tanforan Tuesday, June 29th, for a talk with you, with the idea of bringing the matter to a complete settlement. Will you, therefore, kindly make yourself available for a talk with him on the above date?

Mr. Varna C. 111son. Box 98. Pacific Grove, California.

Dear Sir:

Replying to your inquiry dated Merch 11, 1942, relative to your personal interest in a small fishing boat for use in the Monterey Bay Area, we would suggest that you contact some of the local boat operators, or their agents, or banks and realtors, in your area who might be able to place you in touch with the type of boat you require.

While it is possible that at some later date property of this character may come to our attention, related to our program of assisting evacuees in the equitable disposition of their properties, no such property is before us at this time. We shall, however, keep your inquiry in our files for further action if the occasion arises.

It occurs to us that you might like to call your inquiry to the attention of the Alien Property Custodian, which office was recently created, when its local office has been established. Wo doubt, information along this line will be forthcoming in the press in due course.

Yours very truly,

Assistant Cashier.

Dear Sirs:

I am interested in purshasing a small fishing boat (about 30 feet), for Market fishing here in monterey Bay.

Recently it occured to me that I might do well if I could contact some Aleen who had fished here up until the emergency and was interested in selling his boat now since the evacuation.

It was suggested that I write you concerning the above as you were handling the affairs of many of them and there property ect.

If you can send me any information concerning this or where I could get such information I will appreciate it very much.

Dear Sir:

We have your wire of March 13, and will be pleased to hold this information in our files in the event that any matter comes up in which we believe you will be interested, in which event we will communicate with you.

It occurs to us, however, that perhaps your best approach would be to contact present occupants of any lands which you may be considering, as for the most part they are in a position to enter into any arrangements which they may desire, so far as this office is concerned.
