Service Deposits.

This firm has service deposits in varying amounts, usually small, with Japanese about to be evacuated. These Japanese have been endeavoring to cash in their deposits' receipts, but the P. G. & E. has set up so many barriers in the form of affidavits of residence, affidavits of entry, birth certificates etc. etc. that comparatively few Japanese have any chance to clear up these matters before evacuation. We talked to Messrs. Brown, Barrett and Florence urging them to slash red tape. They refused to do so without authority from their San Francisco office. We also urged that P. G. & E. deduct closing bills from deposits' funds instead of accepting payment - making refund of deposits by check only. In many instances this would practically clear up the deposits. Received same answer.

Action taken:*

Telephoned Mr. Tyler and asked him to contact P. G. & E. Head Office.

Mr. L. J. Allen,
Field Representative,
U.S. Employment Service
2136 Inyo Street
Fresno, California

Dear Sir:

Your letter of April 3rd, 1942, addressed to the Pacific Trading Company, 100 Sacramento Street, has been received; and in this connection, we are taking the liberty of advising you that at the present time the Pacific Trading Company is under the supervision of the Federal Reserve Bank by reason of the firm having been designated a "national of Japan" by the Treasury Department.

For your information the liability to Mr. Minoru Saito, owner of the Fresno Fish Market, 919 "F" Street, Fresno, appears among the liabilities of the Pacific Trading Company. However, no license has been granted for the payment of any obligations of the Pacific Trading Co. that existed prior to December 7, 1941.

There is a possibility that within the next month, the liabilities of the firm may be paid, and at such time, Mr. Saito's account will be settled.

Our suggestion is that should Mr. Saito leave his present address, he should forward his new address to the following:

The Treasury Supervisor,
Pacific Trading Co., Inc.,
100 Sacramento Street,
San Francisco, California.

You can appreciate that we cannot pay Mr. Saito's claim and give him the standing of a preferred creditor.

Yours very truly,

Mr. S. Pallis,
2174 Davidson Avenue,
Bronx, N. Y.

Dear Sir:

Reference is made to your letter dated April 13, 1942 inquiring as to the availability of farm lands in California operated by aliens.

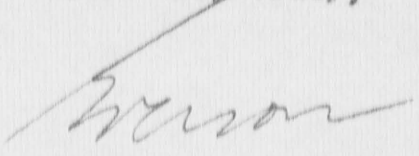

Up to the present time we are informed that no farm lands have become subject to the control of the Alien Property Custodian. As you may know, the ownership of California property by Japanese aliens is prohibited and, therefore, the properties subject to the ownership of persons of Japanese ancestry have been confined to American citizen Japanese, the property of which would not ordinarily come under the jurisdiction of the Alien Property Custodian.

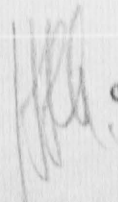

Evacuation operations to date have been confined to Japanese aliens and Japanese American citizens, many of whom have occupied, if not owned, farm properties, necessitating the making of arrangements for successors in operations of the properties. These matters are ordinarily handled by the Farm Security Administration to whose attention we are directing your letter together with a copy of our reply.

Inasmuch as the transfer of farm properties by aliens has been effected primarily through their private negotiations, it is questionable what volume of properties may actually be submitted to the Farm Security Administration for disposition, although it is possible that that Agency may be called upon by evacuees who are owners or occupants of farm lands to assist in finding purchasers or persons to take over the operation of this type of property.

You will no doubt hear from the Farm Security Administration in due course.

Yours very truly,

Assistant Cashier.

Dear Sir,

a month ago I wrote to you
as had been suggested to me
by Mr Peble of the Treasury Dept.
at Washington D. C.

This was relative to the
availability of alien properties
(farms) in California. To-date
I had not received a reply.

I would be obliged to know
if such properties are available
and to what ^{authorities} I should
contact in obtaining a farm
also if they are for rent, lease or sale.

2

I am aware that since the
exodus of aliens of enemy countries,
their farms are in the hands
of the alien custodian -

any information whatsoever
would be greatly appreciated
by me

Thank you.

Mr. Ross W. Knight,
Field Representative,
Evacuee Property Department,
Federal Reserve Bank of San Francisco,
501 Third Street,
Santa Rosa, California.

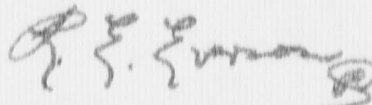

Dear Sir:

Reference is made to your letter of April 9, 1942, relative to a check in the sum of \$2,006.63 held by Mr. P. R. Palmer of 6233 Sonoma Road, Santa Rosa, California, which was signed by Y. Takashiro and K. Mitsunaga in payment of property purchased by the above Japanese.

Our records indicate that we issued license No. S.F. 23093 under date of March 28, 1942, authorizing Y. Takashiro to effect disbursement from a blocked account in his name with the Stockton Main Office of the Bank of America N. T. & S. A., Stockton, California, in the sum of approximately \$2,006.62, as the balance due on the purchase of farming land and that a copy of this license was forwarded to the bank.

In view of the foregoing, it would appear that Mr. Palmer should experience no difficulty in cashing the check, provided there are sufficient funds in the account to make the payment.

Yours very truly,

Assistant Cashier.

Mr. P. R. Palmer of 6233 Sonoma Road, Santa Rosa, holds a check in the amount of \$2006.63, drawn on the Bank of America, Stockton, California, and signed by Y. Takashiro and K. Mitsunaza. This check is in payment of property purchased by the above Japanese from Mr. Palmer.

Mr. Palmer desires to cash the check but states it will be necessary for the Federal Reserve Bank to have released necessary funds from the Japanese account to cover the check.

Dear Sir;

A Mr. Yoshio Takashiro, of Lathrop executed a deed of trust in my favor on October 8th, 1941. including a note in the amount of \$1950.00. covering purchase of a ranch at Lathrop.

The amount is now due and I have made a demand for payment, undoubtedly this matter will come to your attention as Mr Takashiro is of Japanese dependency.

The amount of this note and an additional unpaid balance of \$56.62 is needed by me at this time to take care of farming operations here, and I would appreciate any steps you take in releasing the funds to Mr Takashiro for transmission to me.

Yours very truly.

May 15, 1942.

Mr. L. L. Hendricks,
Field Representative,
Federal Reserve Bank,
115 - 12th Street,
Oakland, California.

Dear Mr. Hendricks:

Thank you very much for the valuable assistance you gave us in arranging for the rewriting of our Federal Housing Loan to Lorenzo and Julia M. Parodi covering property in Crockett.

We enclose the new coupon book to be used in making payments on the rewritten loan. Instructions for its use are contained in the inside front cover. You will note that monthly payments now called for are \$31.08. The May installment on the new obligation was paid by check received on May 8 in the amount of \$31.28. There is now, therefore, a credit of 20¢ toward the payment due on June 14.

Who is to collect the rents from this property and make the payments on our loan we have not been informed, and we therefore ask that you deliver the coupon book to the proper person. As long as payments are current as they are now we make no stipulation regarding the collection of rent on this property, but since our deed of trust provides for an assignment of rents in the event of default we should want the tenant to pay us directly if the loan is not properly serviced.

Very truly yours,

J. D. Mitchell

Parodi owns a home at 1514 - 4th Street, Crockett, which he has rented at \$34 a month and on which he has an FHA loan balance of \$1300 payable at \$41.28 a month to the American Trust Company, 1 Powell Street, San Francisco. Parodi is three months in arrears on his FHA loan and the American Trust Company is demanding payments to date. Parodi is destitute and has been unable to collect rent from his Crockett house because it lies in the prohibited area.

Action taken:*

I arranged with the American Trust Company that their representative in the Crockett district would collect the rent for Mr. Parodi and apply it to his account. I had Parodi sign a letter to the tenant in his Crockett house to make rental payments to the American Trust Company's representative.

JOHN B. HARMAN

FORT BRAGG, CALIFORNIA

March 24, 1942

Federal Reserve Bank
San Francisco, California.

Gentlemen:

I have the following to submit for your consideration:

One, Hannah Piggott an alien Japanese who has resided in Fort Bragg for over 35 years, and who was married to a citizen and mistakenly believed she thereby became a citizen in 1915 and who incidentally was registered and voted as a citizen until the present crisis brought about an investigation, acquired a parcel of real estate of the value of approximately \$400.00 to \$500.00 in 1919. Later the property was transferred to one William H. Ross as security for a loan and upon payment of the loan was again transferred back to her in 1930.

She now desires to dispose of this property and there is an outstanding mortgage in the sum of \$180.00 which is overdue and the proposed purchasers were the former owners and they propose to pay the mortgage to the mortgagee, taxes and costs of transfer and approximately \$50.00 to the owner, Hannah Piggott.

The property consists of a lot 50x140 in Fort Bragg and a small 4-room house approximately 40 years old and the above valuation is very liberal.

I desire to know if a special license is required to complete this transaction or if the sale is otherwise permissible. Your early reply would be appreciated due to the evacuation orders now issued.

Very truly yours,

(signed) John B. Harman

Partnership: L. M. Tynan
Proprietorship: E. D. Tarleton
Corporation: **x** Address: Salinas Valley Bldg.-Loan Assn.
Individual: Telephone Number: 5249

Principal property involved and scope of problem: Paul L. Pioda attorney for Salinas Valley Bldg.-Loan Ass. A director telephoned and asked for an appointment for himself and 2 other members of his association. Shortly afterwards they came in as follows: L. M. Tynan, Pres. and E. D. Tarleton, Secretary. This concern operates from an office at 7 E. Gabilan St. They have quite a few Japanese accounts which are worrying them and we have been unable to get some of these Japanese to come into the office.

Our conversation appeared to be constructive and Mr. Tarleton, the mgr., thought that with the help of their attorney, they could prepare a paper for these borrowers to sign, if they wished, giving the Company the management of the property during the evacuee's absence with the income to be applied on the loans. Failing this, they wanted a P. of A. ^{put} in responsible hands so they would have someone they could consult and contact. This seemed to meet with the approval of their attorney and the understanding was that Pioda would prepare a modified P. of A. and notify their customers to come in and Tarleton would send in a list of these accounts showing the amounts due and the payments and the payment record in each case. It was hoped that Action taken: * most of these accounts could be carried along for the duration, although due to the disturbed situation, many of them had not made payments for quite a little while and of course, the Company could not indefinitely allow that to continue. Tynan is interested in the Tynan Lumber Co. here.

Mr. Claud E. Pope,

Dear Sir:

Acknowledging your letter dated April 10, we note your interest in the rental of farm lands that might come to our attention through the evacuation program now under way.

We are forwarding copy of your letter and our reply thereto to our field representative, Mr. M. Vesie 480 Black Diamond Street, Pittsburg, California. We suggest that you call upon him at your early convenience. He will have available lists of properties of the general nature in which you indicate an interest. You might also review your interest with a representative of the Farm Security Administration who we believe has a representative also at the same address as given above.

Yours very truly,

Assistant Cashier.

When registration started on Sunday, May 24, we found that due to the fact that the Japanese in this area were cut off from Sacramento, a large percentage of them had large sums of money on their persons which they wished to deposit to their bank accounts in Sacramento. They also wished to cash checks and purchase travelers checks.

Phoned the Capital National Bank of Sacramento and the Action taken: * Bank of America and arranged to have a man from each bank at the Control Station on Tuesday morning. The amount of business transacted on Tuesday was very encouraging so had them return again on Wednesday. During the two days, the Bank of America took in total deposits of \$2600.00 and sold \$300.00 in travelers checks. The Capital National Bank took in deposits amounting to \$2985.00 and sold \$2072.00 in travelers checks. Several new accounts were opened at each bank and checks cashed for the Japanese amounted to approximately \$800.00.

R
Fergus L. Fairbanks, Esquire
Attorney at Law
454 Sespe Avenue
Fillmore, California

Dear Mr. Fairbanks:

Your letter of March 24, 1942, has been referred to the undersigned for reply.

The statement made in the article written by Mr. Bucher in the February issue of the State Bar Journal to the effect that all lawyers representing Japanese clients or interests must first obtain a license to so act was *erroneous*.

In order to correct this error, I asked the Treasury Department to make a specific ruling on the subject. I hand you herewith the text of an article which I have prepared and which will appear in the next issue of the State Bar Journal. This, I believe, will answer your inquiry.

Of course, if a majority or even a substantial portion of the stock of Perry Ranch Company, which you represent, is owned or held by non-resident Japanese, or if, in fact, a substantial interest in said corporation is owned by non-resident Japanese under the cover of resident Japanese holding title, the situation will be entirely different. However, if you have filed all reports called for under the regulations of the Secretary of the Treasury, and if the account of Perry Ranch Company has not been blocked, it is my opinion that you are perfectly safe in accepting a power of attorney to act for the corporation. It is transactions such as these, designed to effect the orderly liquidation of Japanese property holdings or the orderly continuation of their property interests, that the Federal Reserve Bank of San Francisco is acting in connection with the evacuation program. If all of the stockholders in the company mentioned are generally licensed nationals under General License No. 68A, there can be no doubt about your right to act.

Very truly yours,

MAR 25 1942

March 24th, 1942.

Federal Reserve Bank of San Francisco,
San Francisco, California.

Gentlemen:-

I note in the February issue of State Bar Journal an article by Carroll S. Bucher of the San Francisco Bar as to Lawyers representing enemy aliens. I am anxious to have this point brought out by him clarified by you.

I have been the attorney for more than twenty years of Perry Ranch Company, a California corporation, organized under the laws of the State on Nov. 4, 1910. Prior to the passage of the Alien Land Law in California they purchased 170 acres of land at Fillmore and are growing citrus fruits. Originally all stockholders were Japanese nationals. With the passage of time and the death of some of the incorporators, some of the stockholders are now American born Japanese. All of the aliens have been in this Country for 25 years or more. Their Federal Income Tax for 1941 was over \$3,000.00, their State franchise tax nearly \$600.00, their County tax over \$1,500.00. As you see, their interests need protecting. They do not wish to have a Government-appointed custodian care for their property after they are evacuated, and have passed a resolution *which* named me as their attorney in fact. I do not wish to accept it and act on it without knowing that I am 'in the clear'. They have filed all Reports, etc. called for in the last few months, and I can see of no reason why I should not care for their farming interests here unless law or a Presidential order forbids.

May I hear from you shortly in the matter?

Very truly yours, *[Signature]*

Conditional Sales contract covering Catapillar Tractor; amount of contract \$2512.95, dated November 28, 1940; unpaid balance as of this date \$681:00 plus interest. Contract paid up until November 28, 1942.

E.S. Ajari, a Japanese alien, now confined in concentration camp at Bismark North Dakota is the purchaser under above contract. This confinee has issued a general Power of Attorney to his son granting the right, among other things, to sell any property which confinee owns. The son has a cash offer of \$2000:00 for the tractor from Thomas B. Bishop, of San Ramon, Cal and wants to make the sale, but is unwilling to pay up the unpaid balance of \$681:00 due on the contract unless he is sure he can carry through lawfully the sale to Bishop.

Problem: Can son make a lawful sale of tractor under his Power of Attorney.

Action taken:*

Phoned Mr Hagin of Foreign Funds Control department who advised that the alien confinee could sell this tractor under the power of attorney issued to his son. Suggested to Mr Stanford that he phone Mr Hagin for any further information which he might require. Think this will close the matter.

Dear Sir:

At the suggestion of Mr. Ed Banducci, we are enclosing copies of letters received by us in answer to a list of names furnished by the Myenberg Milk Products Company of Salinas, to whom we wrote asking if they could suggest any prospective purchasers for your goats.

As all of these four people seemed interested, we are hopeful that you can arrange a satisfactory sale with one of them.

We understand that Mr. John Capra is still caring for them although he has several times indicated that he cannot continue to do so.

We trust you will have success in this.

Dear Mr. Clark:

In connection with the Alien Property Evacuation program at Richmond there is an alien who has a number of goats that he wishes to sell as it is difficult for him to arrange for the care of them. I was referred to you by Mr. Nielsen of the Meyenberg Milk Products Company.

The animals reported to me consist of:

9 nannie goats
1 billie goat
16 female goats

My knowledge of goats is limited but I understand what this man means by nannie goats is young ones and the sixteen goats are mother goats.

Will you kindly advise whether you would be interested in the purchase of these or if not could you suggest anyone as I think the man would be willing to sell them quite reasonably.
