Instruction Letter No. 23

SUBJECT: INVESTIGATION OF ACTIVITIES OF PERSONS
DEALING WITH EVACUEES

In addition to the freezing powers available to this bank under Special Regulation No. 1, set forth in Evacuee Property Department Circular No. 1, for the protection of evacuees, which is ordinarily set in motion at the request of the evacuee, this bank has at its disposal the assistance of the Foreign Funds Control Investigative Unit of the Treasury Department for the investigation of transactions where such a step seems appropriate.

You may encounter cases which, in your opinion, demand inquiry into the motives and good faith of persons dealing with evacuees, even though the evacuee may be satisfied with the arrangement he contemplates or may already have made. Cases of this character should be referred to the office of this bank with which you are associated, in order that they may be brought to the attention of the Investigative Section to which they should properly be presented, rather than enforcement agencies whose interest therein might be doubtful.

It is not intended that all transactions which involve the question of exercise of the freezing power be so submitted, but it is our thought that we should make use of this facility where the services of an investigative agency would be warranted, particularly where fraud or dishonesty might be involved. This step should certainly be taken where illegality is suspected.
