6/11/42 Mr Luey (Chinese) called today and inquired again about having Mr Nitta clean up the Center Hotel building which is dilapidated.

He referred the information to Mr. Roe at Assembly Center - to contact Ted Tsuboi and Mr Nitta and try to secure some action in the matter - He will advise me by phone later.

CRK

6/12/42 Mr Roe talked with Ted Tsuboi about having Nitta take care of cleaning up Center Hotel, but could get no commitment. CRK

6/12/42 - Mr. Luey called in and we advised that we could not carry the matter any further for him since we could make no progress. We suggested Luey have his own attorney contact Tsuboi and Nitta directly, and institute what ever action seemed in order. He asked permission to have his attorney call in and get our opinion, to which we agreed.

MEMORANDUM

May 4, 1942

REFERENCE: CENTER HOTEL, 328 N.W. 5th AVENUE, PORTLAND, OREGON.

A.M.

5/2
At a meeting Saturday when Nitta came into our office, and after talking to Swart of the National Mortgage and Bond Company over the telephone, it was very apparent that Nitta would not sell to Luey, the chinaman, at any price.

The only other alternative was that we store the furniture for him and we proceeded with the details. Since Nitta owes approximately \$150 on the furniture, we told him we would do nothing until this was paid off. This he did, bringing in the receipt for payment in full to the Directors Furniture Company.

Inasmuch as preparation of the furniture for storage must be made after Nitta is evacuated someone had to be found to do this work. Two of his Filipino roomers have agreed to do it at a labor cost of \$90. They have been supplied with the necessary tags and inventory sheets. The man who will superintend the job is Jorge Dumlaog who is president of the Northwest Alaska Cannery Workers Union with headquarters at 317 Governor building, telephone Be. 9418.

The furniture stands in the name of Ted Tsuboi. It is necessary for him to sign the personal property form FRB-2.

As the lease has been assigned to Tsuboi and does not terminate until August 1, Earl Bernard, his attorney, advised me it would be necessary to make payment for the full three months until August 1, of the rent due at that time. This Nitta has agreed to do. This amount, \$180, will be held by Harry Swart of The National Mortgage and Bond Company until the furniture is removed from the premises, at which time ~~he~~ *he* will pay it over to Luey to whom this lease has been assigned. *in proportionate amount after reoccupancy of the premises.*

Ted Tsuboi's family number is 16176.

P.M.

has refused to
It now develops that the above Jorge Dumlaog ~~will~~ *will not* superintend the work of packing the furnishings for storage and he has now secured one Gabriel Gestre, Br. 2096, who says that he will handle it for him. We have given this last named individual the full details, so we hope the work will go forward.

May 5, 1942

The amount due on the furniture, as well as the rent to August 1st have both been paid and receipts for same shown us.

Another Filipino, Morris Aneheta, 208 N. W. Davis St., ^{BR. 2096} has finally consented to prepare the furnishings for storage and inspection made by myself this afternoon showed that they were probably 75% ready for the warehouse. The above Filipino will make out the necessary inventory sheets, attach the required tags, etc.

I have discussed with Mr. Swart of the National Mortgage and Bond Company the situation regarding occupancy of the premises between now and

Memorandum - Center Hotel

August 1st, and have referred him to Earl Bernard, attorney for Ted Tsuboi,
the legal owner.

METZGER-PARKER COMPANY

May 13, 1942

Mrs. Alice Toyota
c/o Japanese Assembly Center
Portland, Oregon

Dear Madam:

We are in receipt of your letter of May 10th, 1942, in which you state that you have not brought the receipts to the center so that you are not sure whether you paid \$75.00 for April rental covering the premises formerly occupied by Frank Toyota at #25 Northwest 3rd Avenue, which was operated as Charley's Good Eats Restaurant.

You further state that the monthly rent was always collected before the 15th and that in your opinion you must have paid the same. You further request that we check our records and let you know in this connection.

For your information, please be advised that the last payment made on this delinquent rental account was as of March 10th, 1942 which covered March, 1942 current rental. There is now past due and delinquent rental for the month of April, 1942 in the amount of \$75.00 and rental up to and including May 14th, 1942, as Mr. Marshall R. McGonagle has stated through his attorney, Mr. John Davis, that in the event he can close a deal for the purchase of your fixtures and equipment located in the said premises prior to that date, they are willing to enter into a lease covering the same effective as of May 15th, 1942.

Therefore, will you kindly arrange to forward this office your check in the amount of \$112.50 covering the delinquent rental up to and including the within specified date.

Thanking you for your courtesy and prompt attention in this matter, we are

Very truly yours,

Charlies Good Eats Restaurant, 25 N. W. 3rd Avenue, Portland, Oregon.

This restaurant is under the same ownership as the Burnside Restaurant namely Frank Toyota. The first contact we had with the business was through his son Tom who called in our office on March 31st. He advised us that they were asking \$1,500 for the business and we suggested that he contact the landlord Metzger-Parker Company for assistance. Thomas E. Lilles of the Sunshine Dairy is acting as his agent and has power of attorney to act in selling the business. On May 6th Metzger-Parker advised us that rent amounting to \$112.50 from April 1st to May 15th was in arrears. On transmitting this information to Toyota, he assured us it would be paid as it was. On this same date word came to us that sale of the restaurant had been consummated for \$1,500 to M. R. McMonagle of 332 N. W. 3rd Avenue. John Damis, Postal Building, attorney for Lilles handled the details and arranged through Metzger-Parker for transfer of the lease to the new owner. This lease runs until 1944 at \$75 per month.

The new owner took possession on May 13th obtaining at that time a city license to operate. On May 28th we were advised by Mr. Munley of Metzger-Parker Company that McMonagle had vacated the property and closed the restaurant. This was confirmed by attorney Damis who further stated that nothing had been paid down and purchase contract provided for monthly payments of but \$50. At time of his vacation, new purchaser also owed half a month's rent.

During an interview with the owner at the Assembly Center on June 1st Lilles informed the owner of this condition and Lilles was instructed by Toyota to go ahead and find a new purchaser if possible. On the same day we supplied him with the names of two prospective buyers who had inquired regarding the business.

HEAD OFFICE

August 19, 1942

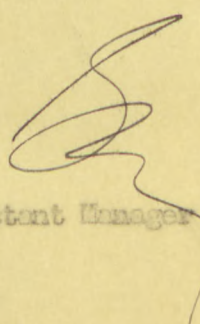

Evacuee Property Department

Reference: Our letter to you of August 11, 1942, and your reply of August 12, 1942.

During and following an interview with the Japanese evacuee owner of the restaurant referred to in our previous letter, facts were brought out which make it advisable that permission be obtained from the War Relocation Authority to store the furniture and fixtures thereof. The furnishings are owned by one Tom Toyota and his son Frank, who are now held at the WCCA Assembly Center, North Portland, Oregon. The restaurant, formerly known as Charles Good Eats Restaurant, is located at 25 N. W. 3rd Avenue, Portland, Oregon.

The contents consist of a removable counter and stools; a limited number of booths; one good-sized oil burning range; china; and other cooking and eating utensils. Loose and breakable articles would, of course, have to be prepared for storage, and the entire contents drayed to the warehouse - a distance of approximately six or eight blocks.

It is quite probable that the ~~owner~~ ^{owner} will be relocated on or about September 5th, and if possible, ~~they~~ ^{they} desire to have this entire matter settled before leaving for new location.

Tom Toyota and his father, owners of the above restaurant, requested that we contact Metzger-Parker Company to ascertain if they have an interest in the purchase of fixtures remaining in the property. They will sell for \$500. They further advised that there was approximately ~~\$182~~ in back rent still due Mitzger-Parker Company. They also requested that we telephone White Palace Bakery in an effort to reach the driver who formerly sold bread to them, as they understood he also had a prospective purchaser for the restaurant; also that we contact Thomas E. Lilles of Sunshine Dairy to see what progress he had made toward disposition of the property.

Get a definite commitment from the War Relocation Authority -- as to their willingness to store ~~stheir~~ contents of their restaurant without charge for the owner. We advised Toyota there would be a handling and drayage charge for getting the contents into the warehouse.

They further advised that there should be approximately 200 gallons of fuel oil in the storage tank on which they thought there should be some adjustment made.

Charlies Good Eats Restaurant, 25 N. W. 3rd Avenue, Portland, Oregon

On Monday, August 3, 1942, the writer received a telephone inquiry from Tom Toyota, son of Frank Toyota, owner of Charlies Good Eats Restaurant. This telephone call was made from the W.C.C.A. Assembly Center, North Portland, Oregon. Tom Toyota stated that the restaurant was now vacant and that he desired to make some sort of disposition of the fixtures, and inquired as to the possibility of storing them in the Government warehouse.

On Tuesday morning, August 4, Tom and Frank Toyota were interviewed at the Assembly Center by a representative of this Bank, and were informed that storage in the Government warehouse for the restaurant fixtures apparently was only available at the time the actual evacuation occurred. The Toyotas, of course, prefer to make some sort of arrangements through their agent, Thomas E. Lilles of the Sunshine Dairy, who has power of attorney to act in selling the business and to dispose of the property. Mr. Lilles was to call at the Assembly Center on Wednesday morning at 10:30 A.M., August 5, for the purpose of negotiating further plans relative to the disposition of the restaurant fixtures. However, this Bank's representative informed the Toyotas that if no arrangements could be made, and that if they felt that the fixtures should be stored in the Government warehouse, the Bank would refer this matter to its San Francisco Office, in order that they might obtain permission from the War Relocation Authority to store such property.

Lilles informed this Bank's representative by telephone on August 4 that he had a prospective buyer in mind for the restaurant, and would discuss the matter with the Toyotas at the Assembly Center on August 5.

E. V. Risberg

On August 10, 1942, the Evacuee Department representative, E. V. Risberg, telephoned Lilles and inquired as to what progress was being made in the disposition of this restaurant. Lilles informed this Bank's representative that a one-time prospective Chinese buyer is no longer interested in purchasing the restaurant; however, Lilles did say that he intended placing further advertisements in the local newspapers this week, with a view in mind of locating other prospective buyers. On August 11, 1942, this Bank's representative contacted Tom Toyota at the W.C.C.A. Assembly Center at North Portland, Oregon, and informed him of the conversation with Lilles on August 10, 1942. Tom Toyota informed this Bank's representative that should Lilles not be able to make disposition of the restaurant fixtures and equipment, there would be a possibility that a request would be made to this Bank that the fixtures and equipment be placed in Governmental storage.

CITY OF PORTLAND, OREGON

DEPARTMENT OF FINANCE

KENNETH L. COOPER, COMMISSIONER

March 17, 1942

Federal Reserve Bank
Porter Building
Portland, Oregon

Attention: Mr. E. N. Crouch

Gentlemen:

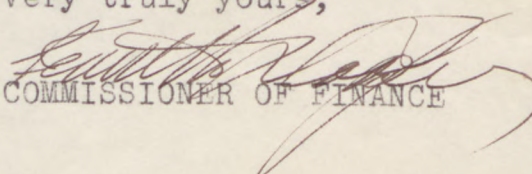

The article in Sunday's Oregonian of March 15 (page 19), captioned "Aliens Advised of Right to Dispose of Properties," brings forcibly to my attention the condition that exists in the Bureau of Licenses which is under my jurisdiction.

There are upwards of 150 aliens from whom the bureau has either withheld or revoked the licenses for the operation of various kinds of business (principally those of hotels or rooming houses) and these licenses are being held awaiting the action of the Federal Government. This action has, naturally, caused quite a large delinquency in the collection of license fees.

Inasmuch as there appears now to be an inclination on the part of the Federal Government to allow the continuance, through someone assigned for that duty, of the businesses in which these aliens have investments, I should like to request that, as soon as any action is taken by the Federal Government, I be advised of such action so that I may continue to cooperate, through the Bureau of Licenses, to the fullest extent, and so that we may have someone to look to for compliance with our local regulations.

Whatever decision the Government makes will be of vital concern to us in handling the City's interest, which is principally that of regulation.

Very truly yours,

COMMISSIONER OF FINANCE

Attention: J. S. Hutchinson

Gentlemen:

The article in the Oregonian of March 15 (page 19), captioned "Will the Right to Dispose of Property be Taken Away from My Citizen?" contains a statement which is under my jurisdiction.

There are thousands of HUD units from whom the bureau has either withdrawn or revoked the licenses for the operation of various kinds of business (originally those of hotels or rooming houses) and these licenses are being held pending the action of the Federal Government. This action has, naturally, caused quite a large delinquency in the collection of license fees.

Inasmuch as there appears now to be an indication on the part of the Federal Government to allow the continuance, through someone assigned for that duty, of the businesses in which these license have been invested, I should like to request that, as soon as any action is taken by the Federal Government, I be advised of such action so that I may continue to cooperate, through the Bureau of Finance, to the fullest extent, and so that we may have someone to look to for compliance with our local regulations.

Whatever decision the Government makes will be of vital concern to us in handling the City's interest, which is principally that of regulation.

Mr. Eldon Cone, Manager,
The Dalles Office,
United States Employment Service,
The Dalles, Oregon.

Dear Mr. Cone:

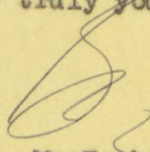

Reference is made to your letter of April 23, 1942 regarding the sale of a restaurant formerly owned by Honosuke Oda.

You state that Mr. Oda feels that he has been taken advantage of because he has been asked to pay the 1943 taxes on the property. It seems to us that the matter of the liability for payment of the 1943 taxes depends on the wording of the agreement between the buyer and the seller. As we understand it, taxes become a lien on property as soon as the assessment has been completed and therefore remain the responsibility of the seller unless the agreement with the buyer provides otherwise. However, this would seem to be a legal problem and we suggest that Mr. Oda discuss the matter with his attorney.

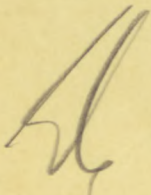

It is not necessary for Mr. Oda to submit a copy of his sales contract to us, but if he wishes to have us review it we shall be glad to do so, if a copy is submitted to us.

If there is any other way in which we can be of assistance please call upon us.

Very truly yours,

S. A. MacEachron,
Assistant Manager.

PORTLAND BRANCH

Evacuee Property Department

March 21, 1942

Mr. Kenneth L. Cooper,
Commissioner of Finance,
City of Portland,
Portland, Oregon.

Dear Mr. Cooper:

This will refer to your letter of March 17, 1942, regarding the interest of your department in the movement of certain aliens and others covered by Public Proclamation No. 1 in relation to the effect of this order on the granting of licenses by the City of Portland for the operation of various kinds of business enterprises.

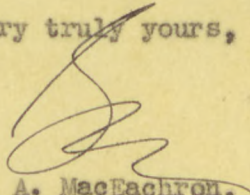

The Evacuee Property Department of this bank, as Fiscal Agent of the United States, was established for the purpose of encouraging those coming under the terms of the proclamation to voluntarily arrange property and other affairs so that when the final evacuation date is set it will result in the least possible inconvenience and financial loss.

The Portland papers have been very generous in printing information regarding the facilities which are available here and we feel sure that those who will be evacuated under the terms of Lieutenant General DeWitt's proclamation are quite familiar in general with the order.

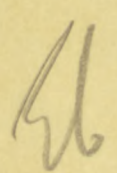

So far as the issuance of city licenses to aliens is concerned it is expected that most aliens will either dispose of their properties or make proper arrangements for their operation under the management of persons not within the scope of the order within the very near future.

We appreciate your offer of cooperation and shall be pleased to make available to you, upon request, any information on the subject which we have in this office.

Very truly yours,

S. A. MacEachron,
Assistant Manager.

Gentlemen: Enzo Okuda

The above designated individual is a Japanese national who resides in this locality and who, we anticipate, will be required to evacuate shortly. He owns one real estate mortgage and two contracts for the sale of real estate wherein he is the seller. All of these transactions arise from his ownership of lands which he had purchased prior to the enactment of the Oregon Alien Land Law.

Due to present conditions the mortgagor and the purchasers under the real estate contracts are refusing to make payments at this time on the grounds that they are not confident of their legal status in making payments direct to Mr. Okuda.

If I recall some previous press dispatches correctly, your institution will act as Trustee for properties such as this, and I am satisfied that if this is correct such trusteeship would be the most satisfactory means of getting these matters back on a business basis. The mortgage and both contracts are now being placed in the Collection Department of The United States National Bank of Portland (Oregon) at its Ladd & Bush-Salem Branch, but they are held here simply as collection items.

I would appreciate it very much if you would advise me if your institution's facilities are available for such trusteeship, and if so what documents should be executed by Mr. Okuda in this respect.

Very truly yours,

E. L. Crawford

Mr. E. L. Crawford,
Attorney at Law,
Ladd & Bush Bank Building,
Salem, Oregon.

Dear Mr. Crawford,

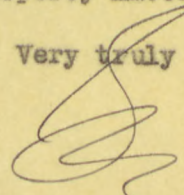

This will refer to your inquiry of April 20, 1942 regarding certain mortgages and contracts owned by a Japanese national.

Since all of the documents mentioned in your letter are now held by the collection department of the Ladd and Bush Salem Branch of the United States National Bank of Portland, there would seem to be no restrictions whatever against making payments on any or all of these evidences of debt.

If Mr. Okuda is a generally licensed Japanese national under the terms of General License 68A there are no restrictions against the payment to him of installments due under the terms of the document. Neither is he restricted as to withdrawals from the bank covering the proceeds of such payments or, as a matter of fact, on any other funds he may have on deposit. However, if his account in the bank is blocked it would still be entirely permissible to make the payments to the bank in which case the proceeds will be credited to the blocked account. Withdrawal from the account would then be in accordance with existing instructions which we feel sure can be explained to you by officers of your local branch bank.

We might explain that it is not the present intention for the government to take over or control properties belonging to Japanese nationals and they are in general encouraged to handle their own affairs and their own property matters.

Very truly yours,

S. A. MacEachron,
Assistant Manager

ATTORNEY AT LAW
PORTER BUILDING
PORTLAND, OREGON

April 14, 1942.

Federal Reserve Bank,
Portland, Oregon.

Attention Mr. Erwin N. Crouch.

Dear Mr. Crouch:

Today the following Powers of Attorney were executed
through my office:

Tommo Saito, an American born Japanese
to Frank Morgan (white), covering the
management and operation of the Hotel
Lind, owned by Saito and located at 108
S. W. 3rd Avenue, Portland, Oregon.

Also Katuko Maehara, an American born
Japanese, to Curtis A. Monger, covering
the management and operation of the St.
Helen's Hotel, owned by Maehara and lo-
cated at 1023 S. W. 2nd Avenue, Portland,
Oregon.

These Powers of Attorney have not in any way transferred
the ownership of the hotels mentioned. The ownership still
remains in the names of the American born Japanese. The
owners desire that the license be issued in their names up-
on application of the attorneys so appointed.

In the event of any controversy with the license department
of the City of Portland I would appreciate your assistance
in following the procedure above outlined.

Yours truly,
