Dear Sir:

This will acknowledge receipt of your letter dated July 31, 1942, which has been referred to us by our Head Office in San Francisco, for reply.

We are returning the copy of WCCA-Form FRB-2 enclosed with your letter, describing personal property placed in storage for your account, since we believe that it is the memorandum copy which was retained by you at the time you reported at the Civil Control Station in Hood River, Oregon. Our records indicate that on May 18, 1942 we forwarded to you a signed copy of the personal property form which was dated May 14, 1942, such form indicating that the property described therein was placed in storage at Oregon Transfer Company Warehouse No. 5, 733 N. W. Everett Street, Portland, Oregon. Your signed acknowledgement dated May 22, 1942 for this form is held in our files.

May we suggest that you again look through your records to see if this copy is not held by you.

Very truly yours,

S. A. MacEachron
Assistant Manager
