

FEDERAL RESERVE BANK
OF NEW YORK

Government Bond
Department

[Circular No. 276]
[May 12, 1920.]

Stolen United States Registered Bonds and Notes

*To each Bank, Trust Company, Savings Bank, Banker,
Investment Dealer and Stock Exchange Firm in the
Second Federal Reserve District.*

The registered Liberty bonds and Victory notes described in the following lists were stolen from the Savings Institution at Sandy Spring, Maryland, on April 26 last, when that bank was robbed.

It is desired by the Treasury Department that the widest notice be given of the theft of these bonds and notes. This circular is therefore addressed to all banking institutions and firms in this district, since the stolen securities might possibly be offered to one or more of them. As the obligations are registered of course the negotiation could be made only through fraud.

It is specifically requested that we be informed *immediately by wire* if any of the bonds or notes are presented to you.

Very truly yours,

J. H. CASE,

Acting Governor.
