

FEDERAL RESERVE BANK  
OF NEW YORK

Statistics Department

Circular No. 384, June 30, 1921.  
Superseding List of Member Banks issued August 15,  
1919. Reference to Circular No. 367 entitled  
"State Banks and Trust Companies."

Members of the Federal Reserve System  
National Banks, State Banks and Trust Companies  
in the Second Federal Reserve District  
Listed According to Locality

To All Banks and Trust Companies in the  
Second Federal Reserve District:

An authentic list of National banks, State banks and trust companies in the Second Federal Reserve District, which are members of the Federal Reserve system, is sent to you herewith, together with their respective places of business and transit numbers.

The list is arranged alphabetically according to locality under four main headings as follows:

	Page
Member Banks in New York State*.....	3
Member Banks in Greater New York .....	14
Member Banks in New Jersey*.....	16
Member Banks in Connecticut*.....	20

On June 30, 1921 there were 658 National banks, 50 State banks and 84 trust companies or a total of 792 member banks in this district as shown in the table on page 20. To insure a uniform policy in determining the number of member banks, banking institutions are considered as members when payment of the subscription to capital stock has been received by us, and not before. A bank liquidating or otherwise withdrawing from the system is considered as having withdrawn on the date on which its subscription to the capital stock is returned by us.

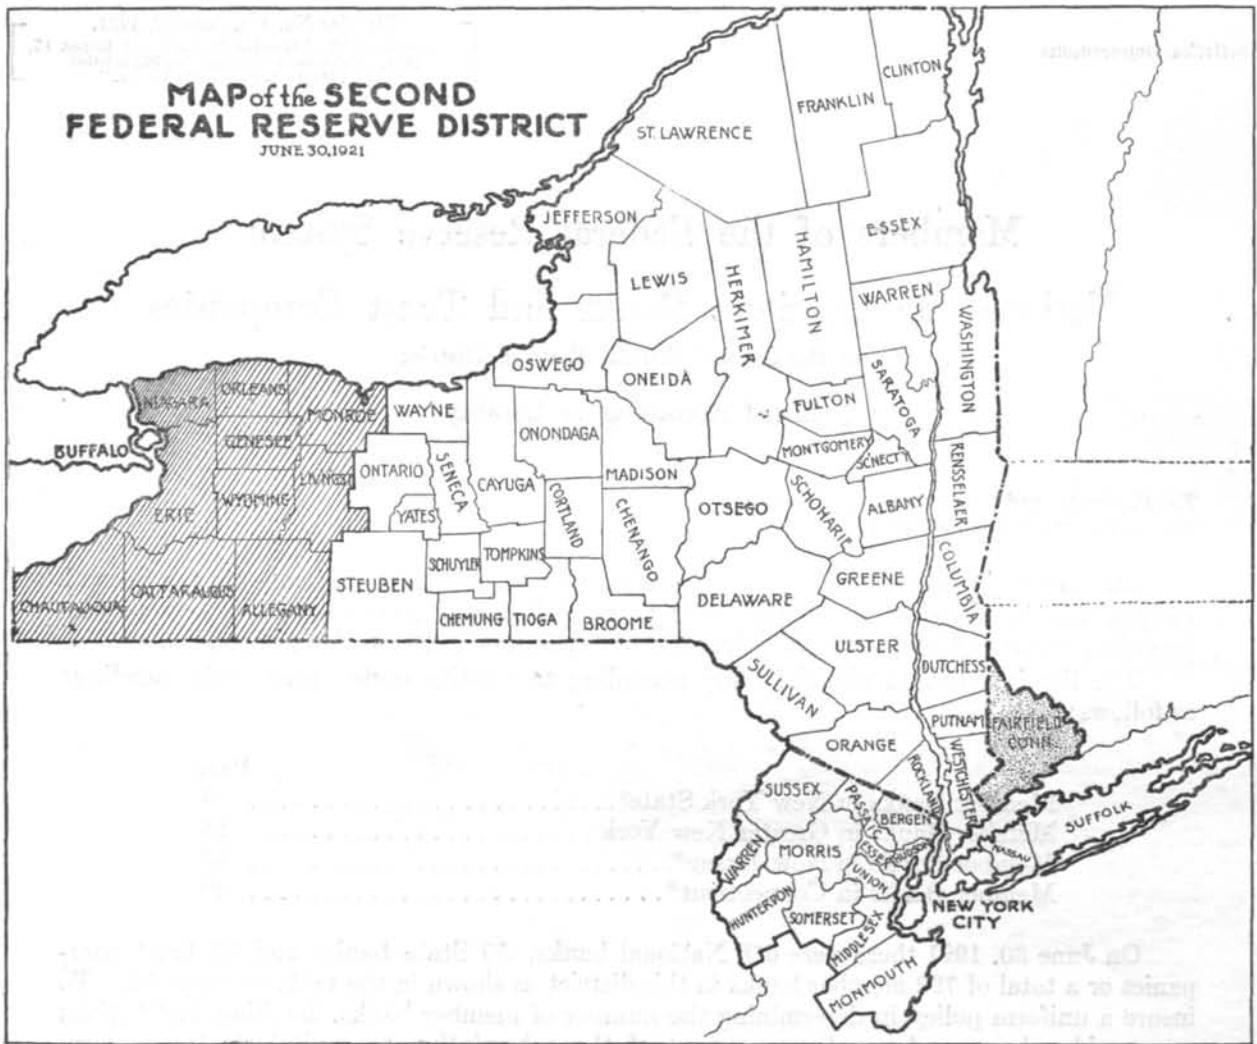

As occasion requires this list will be revised from time to time, but for the present and until a revision is necessary, appropriate blank spaces have been left for the addition of new names.

Very truly yours,

BENJ. STRONG,  
Governor.
