

FEDERAL RESERVE BANK
OF NEW YORK

[Circular No. 490, September 26, 1922.]
Supplementing Circular No. 450.

Check Department

Checks on Certain Nonmember State Banks in North Carolina
Temporarily Unacceptable For Collection

REVISED LIST—No. 17

To all Member Banks in the Second Federal Reserve District:

For the present checks drawn on those nonmember State banks and trust companies located in North Carolina listed on the following pages cannot be accepted by us for collection through the Federal Reserve Bank of Richmond. This is due to a temporary injunction which these institutions have obtained in the State of North Carolina restraining the Federal Reserve Bank of Richmond from returning as dishonored any checks, drawn upon any one of the banking institutions joining the injunction proceedings, which the drawee bank refuses to pay except in exchange at less than par.

The banks whose names are added at the end of the list on the last page have not become parties to the injunction suit, but, nevertheless, have signified to the Federal Reserve Bank of Richmond their intention to take advantage of the North Carolina statute by refusing to remit at par in exchange, and refusing to pay in money, checks presented to them by its agents. We, therefore, cannot handle checks drawn upon these banks. Every such check would necessarily be returned by us with a notice of dishonor after presentation.

Revised lists will be published and sent to you from time to time as occasion requires.

Very truly yours,

BENJ. STRONG,

Governor

Checks on Certain Nonmember State Banks in North Carolina
Temporarily Unacceptable For Collection

REVISED LIST—No. 18

To all Member Banks in the Second Federal Reserve District:

You will find herewith a revised list of plaintiff banks in an injunction suit against the Federal Reserve Bank of Richmond, which supersedes "Revised List—No. 17" sent to you on September 26, 1922 accompanying our circular No. 490 entitled "Checks on Certain Nonmember State Banks in North Carolina Temporarily Unacceptable for Collection."

As stated in that circular we cannot for the present accept for collection any checks drawn on the banks listed because of a temporary injunction restraining the Federal Reserve Bank of Richmond from returning as dishonored any checks, drawn upon any one of the banking institutions joining the injunction proceedings, which the drawee bank refuses to pay except in exchange at less than par.

The banks whose names are added at the end of "Revised List—No. 18" on the last page have not become parties to the injunction suit, but, nevertheless, have signified to the Federal Reserve Bank of Richmond their intention to take advantage of the North Carolina statute by refusing to remit at par in exchange, and refusing to pay in money, checks presented to them by its agents. We, therefore, cannot handle checks drawn upon these banks. Every such check would necessarily be returned by us with a notice of dishonor after presentation.

Revised lists will be published and sent to you from time to time as occasion requires.
