

FEDERAL RESERVE BANK
OF NEW YORK

Reports Department

[Circular No. 690, October 1, 1925.
Superseding Circular 591]

Members of the Federal Reserve System
National Banks, State Banks, and Trust Companies
in the Second Federal Reserve District
Listed According to Locality

To all Banks and Trust Companies in the
Second Federal Reserve District:

An authentic list of National banks, State banks, and trust companies in the Second Federal Reserve District, which are members of the Federal Reserve System, is sent to you herewith, together with their respective places of business and transit numbers.

The list is arranged alphabetically according to locality under four main headings as follows:

	Page
Member Banks in Connecticut.....	3
Member Banks in New Jersey.....	3
Member Banks in New York State.....	8
Member Banks in Greater New York.....	19

On September 30, 1925 there were 734 National banks, 56 State banks, and 91 trust companies or a total of 881 member banks in this district as shown in the table on page 20. To insure a uniform policy in determining the number of member banks, banking institutions are considered as members when payment of the subscription to capital stock has been received by us, and not before. A bank liquidating or otherwise withdrawing from the System is considered as having withdrawn on the date on which its subscription to the capital stock is returned by us.

As occasion requires this list will be revised, but for the present and until a revision is necessary, appropriate blank spaces have been left for the addition of new names.

Very truly yours,

BENJ. STRONG,
Governor
