To all Banks and Trust Companies in the

The following statement has been issued by the Treasury Department:

Acting Secretary Mills today announced that beginning today and continuing until further notice, he has authorized the Federal Reserve Banks to purchase at the option of holders, Third Liberty Loan  $4\frac{1}{4}$  per cent bonds, for account of sinking fund. Such purchases will be made at 100  $\frac{1}{32}$  to August 15, 1928 and thereafter at par, together with accrued interest to the date for such optional purchase. Coupon bonds presented for purchase must have September 15, 1928 coupons attached. Registered bonds presented for purchase must be assigned to "The Secretary of Treasury for purchase" in accordance with established regulations, and accrued interest thereon will be paid to date of discharge of registration.

In making this announcement the Acting Secretary again called attention to the fact that Third Liberty Loan bonds are due for payment on September 15, 1928 and will cease to bear interest after that date, and further, that in accordance with prior announcement, the privilege of exchanging such bonds for  $3\frac{3}{8}$  per cent Treasury Bonds of 1940-43 expired at the close of business last evening.

The Federal Reserve Bank of New York, as fiscal agent of the United States, will make such purchases accordingly.

Very truly yours,
