## Shipments of Paper Currency

### New Small-Size To Be Separated From Old Large-Size Notes

---

*To all Banks and Trust Companies  
in the Second Federal Reserve District:*

In order to facilitate the handling of the two sizes of currency now in circulation, you are requested, in making shipments to this bank, to separate the new small-size from the old large-size currency, according to denominations. Not more than one hundred notes of either size should be enclosed in one strap.

Your cooperation in this matter will be greatly appreciated.

GEORGE L. HARRISON
