

FEDERAL RESERVE BANK
OF NEW YORK

[Circular No. 937]
October 21, 1929]

Election of Directors

To the Member Banks in District No. 2:

An election will be held under the provisions of Section 4 of the Federal Reserve Act to choose successors to the following directors of this bank whose terms expire December 31, 1929: Class A director, ROBERT H. TREMAN, President, The Tompkins County National Bank, Ithaca, N. Y., and Class B director, THEODORE F. WHITMARSH, President, Francis H. Leggett & Company, New York City.

Both directors were elected by banks in Group 2 and their successors will be chosen by this group. The banks in Groups 1 and 3 do not elect directors this year.

Group 1 consists of banks having capital and surplus in excess of \$1,999,000.

Group 2 consists of banks having capital and surplus not exceeding \$1,999,000 and not below \$201,000. (Listed on next page).

Group 3 consists of banks having capital and surplus below \$201,000.

Each bank in Group 2 is permitted to nominate a candidate for Class A director and a candidate for Class B director.* The nomination must be made by resolution of the board of directors and certified to me on or before November 11, 1929. A form for this purpose is enclosed. On November 13, 1929, a list of the candidates (indicating by whom nominated) and a preferential ballot will be mailed to each bank in the group mentioned. The ballot must be cast within 15 days after receipt. The polls will open on November 15 and close at noon on December 2, 1929. At that time the ballot box will be opened in the Board room of this bank, the votes counted, and results of the election announced. Any of the candidates is invited to be present or represented on that occasion.

In order to be counted, the ballot must be executed by the officer authorized to cast the vote. On the following pages are given the names of officers heretofore designated for this purpose. Inasmuch as the authority conferred on these officers continues until revoked, they need not be reappointed. Each bank that has not designated such an officer, or any bank that desires to change its authorization, should do so by resolution of its board of directors and certify the appointment to me before the polls close. A form for this purpose is furnished herewith.

While the banks in Groups 1 and 3 will not vote in this election, this circular is sent to them without forms for their information.

Respectfully,

GATES W. MCGARRAH,
Chairman of the Board.

* Section 4 of the Federal Reserve Act provides that "Class A shall consist of three members, who shall be chosen by and be representative of the stockholding banks. . . No officer or director of a member bank shall be eligible to serve as a Class A director unless nominated and elected by banks which are members of the same group as the member bank of which he is an officer or director. Any person who is an officer or director of more than one member bank shall not be eligible for nomination as a Class A director except by banks in the same group as the bank having the largest aggregate resources of any of those of which such person is an officer or director."

"Class B shall consist of three members, who at the time of their election shall be actively engaged in their district in commerce, agriculture or some other industrial pursuit. . . No director of Class B shall be an officer, director or employe of any bank."

"No Senator or Representative in Congress shall be a member of the Federal Reserve Board or an officer or a director of a Federal Reserve Bank."

In a resolution adopted December 23, 1915, the Federal Reserve Board expressed the opinion "that persons holding political or public office in the service of the United States, or of any State, territory, county, district, political subdivision, or municipality thereof, or acting as members of political party committees, cannot consistently with the spirit and underlying principles of the Federal Reserve Act, serve as directors or officers of Federal Reserve Banks." On December 28, 1915, the Federal Reserve Board resolved that "national bank examiners shall not hereafter be elected * * * to directorships in Federal Reserve Banks." Under date of July 2, 1925, the Federal Reserve Board advised it has "reached the conclusion that a person whose sole occupation is that of officer of an insurance company is not eligible for election as a Class B director of a Federal Reserve Bank."
