

1930 Election of Directors
List of 481 Member Banks in Group 3

**FEDERAL RESERVE BANK
OF NEW YORK**

Group 3 consists of banks having capital and surplus below \$201,000

[Circular No. 1001,
October 1, 1930.]

CONSTITUTION

Nomination and Election of Directors

To Member Banks in the Second Federal Reserve District:

An election will be held under the provisions of Section 4 of the Federal Reserve Act to choose successors to the following directors of this bank whose terms expire December 31, 1930: Class A director, DELMER RUNKLE, Chairman, Peoples National Bank, Hoosick Falls, New York, and President, National City Bank of Troy, New York, and Class B director, SAMUEL W. REYBURN, President, Associated Dry Goods Corporation, New York City, and Lord & Taylor, New York City.

Both directors were elected by banks in Group 3 and their successors will be chosen by this group. The banks in Groups 1 and 2 do not elect directors this year.

Group 1 consists of banks having capital and surplus in excess of \$1,999,000.

Group 2 consists of banks having capital and surplus not exceeding \$1,999,000 and not below \$201,000.

Group 3 consists of banks having capital and surplus below \$201,000. (Listed on Page 2).

Each bank in Group 3 is permitted to nominate a candidate for Class A director and a candidate for Class B director.* The nomination must be made by resolution of the board of directors and certified to me on or before October 27, 1930, on one of the enclosed forms.

On October 29, 1930, a list of the candidates (indicating by whom nominated) and a preferential ballot will be mailed to each bank in Group 3. The law provides that the ballot shall be cast within 15 days after receipt of this list. The polls will open on November 1, and close at noon on Monday, November 17, 1930. At the latter time the ballot box will be opened in the Board room of this bank, the votes counted, and results of the election announced. The candidates are invited to be present or represented on that occasion.

In order to be counted, the ballot must be executed by an officer authorized to cast the vote. The list on the following pages shows the officers heretofore designated for this purpose by the respective banks in Group 3. In Circular No. 989, dated July 1, 1930, each member bank was requested to designate, by title only, several officers to cast the vote of the member bank in elections of Class A and Class B directors of this bank. This uniform plan of designation had been agreed upon by the chairmen of the boards of directors of all the Federal Reserve Banks and approved by the Federal Reserve Board; and was for the purpose of avoiding the inconvenience incident to the designation of a single officer both by name and title, which made necessary the adoption of a new resolution in the event of his promotion or resignation or if for some other reason he was unable to cast the vote. Each member bank in Group 3 which has not already furnished us with a certified copy of resolution designating officers by title only will receive with this present circular two copies of a form of such resolution, and we request that this form of resolution be adopted by the board of directors and that a certified copy be sent to us.

While the banks in Groups 1 and 2 will not vote in this election, this circular is sent to them without forms for their information.

J. H. CASE,

Chairman of the Board.

* Section 4 of the Federal Reserve Act provides that "Class A shall consist of three members, who shall be chosen by and be representative of the stockholding banks. . . No officer or director of a member bank shall be eligible to serve as a Class A director unless nominated and elected by banks which are members of the same group as the member bank of which he is an officer or director. Any person who is an officer or director of more than one member bank shall not be eligible for nomination as a Class A director except by banks in the same group as the bank having the largest aggregate resources of any of those of which such person is an officer or director."

"Class B shall consist of three members, who at the time of their election shall be actively engaged in their district in commerce, agriculture or some other industrial pursuit. . . No director of Class B shall be an officer, director, or employee of any bank."

"No Senator or Representative in Congress shall be a member of the Federal Reserve Board or an officer or a director of a Federal Reserve Bank."

In a resolution adopted December 23, 1915, the Federal Reserve Board expressed the opinion "that persons holding political or public office in the service of the United States, or of any State, territory, county, district, political subdivision, or municipality thereof, or acting as members of political party committees, cannot consistently with the spirit and underlying principles of the Federal Reserve Act, serve as directors or officers of Federal Reserve Banks." On December 28, 1915, the Federal Reserve Board resolved that "national bank examiners shall not hereafter be elected * * * to directorships in Federal Reserve Banks." Under date of July 2, 1925, the Federal Reserve Board advised it had "reached the conclusion that a person whose sole occupation is that of officer of an insurance company is not eligible for election as a Class B director of a Federal Reserve Bank."
