STATEMENT BY SECRETARY MORGENTHAU

The Secretary of the Treasury gives notice that tenders are invited for Treasury bills to the amount of \$75,000,000, or thereabouts. They will be 182-day bills; and will be sold on a discount basis to the highest bidders. Tenders will be received at the Federal Reserve Banks, or the branches thereof, up to two o'clock p.m., Eastern Standard time, on Monday, August 20, 1934. Tenders will not be received at the Treasury Department, Washington.

The Treasury bills will be dated August 22, 1934, and will mature on February 20, 1935, and on the maturity date the face amount will be payable without interest. They will be issued in bearer form only, and in amounts or denominations of \$1,000, \$10,000, \$100,000, \$500,000, and \$1,000,000 (maturity value).

It is urged that tenders be made on the printed forms and forwarded in the special envelopes which will be supplied by the Federal Reserve Banks or branches upon application therefor.

No tender for an amount less than \$1,000 will be considered. Each tender must be in multiples of \$1,000. The price offered must be expressed on the basis of 100, with not more than three decimal places, e. g., 99.125. Fractions must not be used.

Tenders will be accepted without cash deposit from incorporated banks and trust companies and from responsible and recognized dealers in investment securities. Tenders from others must be accompanied by a deposit of 10 per cent of the face amount of Treasury bills applied for, unless the tenders are accompanied by an express guaranty of payment by an incorporated bank or trust company.

Immediately after the closing hour for receipt of tenders on August 20, 1934, all tenders received at the Federal Reserve Banks or branches thereof up to the closing hour will be opened and public announcement of the acceptable prices will follow as soon as possible thereafter, probably on the following morning. The Secretary of the Treasury expressly reserves the right to reject any or all tenders or parts of tenders, and to allot less than the amount applied for, and his action in any such respect shall be final. Those submitting tenders will be advised of the acceptance or rejection thereof. Payment at the price offered for Treasury bills allotted must be made at the Federal Reserve Banks in cash or other immediately available funds on August 22, 1934.

The Treasury bills will be exempt, as to principal and interest, and any gain from the sale or other disposition thereof will also be exempt, from all taxation, except estate and inheritance taxes. No loss from the sale or other disposition of the Treasury bills shall be allowed as a deduction, or otherwise recognized, for the purposes of any tax now or hereafter imposed by the United States or any of its possessions.

Treasury Department Circular No. 418, as amended, and this notice prescribe the terms of the Treasury bills and govern the conditions of their issue. Copies of the circular may be obtained from any Federal Reserve Bank or branch thereof.

NEW COUNTERFEIT

To Member Banks in the Second Federal
Reserve District and others concerned:

At the request of the Secret Service Division of the Treasury Department, New York District, we are forwarding to all member banks in the Second Federal Reserve District and others concerned the following information which we have received from the Secret Service Division describing a new counterfeit United States note:

COUNTERFEIT \$5 UNITED STATES NOTE:

Series of 1928 A; Check Letter 'G'; Face Plate No. 34, Back Plate No. 362, bearing facsimile signatures of W. O. WOODS and OGDEN L. MILLS; portrait of LINCOLN. Serial number of specimen at hand is A47806591B, but this will probably vary on subsequent issues.

This is a poor reproduction apparently from photo-mechanical plates. The Treasury seal and serial numbering is executed in dull red and the type-face for the numerals is noticeably unlike the genuine. The wording and features in the seal cannot be distinguished, and the shading in the LINCOLN MEMORIAL on the reverse of the note has been retouched by hand with scratchy effect. The average currency handler should experience no difficulty in detecting notes of this issue.

When any counterfeit notes are received by you or brought to your attention they should be forwarded to the office of the United States Secret Service which has jurisdiction in your District, with all available information.

George L. Harrison,
Governor.
